

Elation Systems, Inc. is the leading provider of cloud-based diversity and labor compliance reporting and management services. The Governor’s Office of Storm Recovery (GOSR) has adopted this web-based compliance management system to help all its Contractors and Subrecipients receiving Federal funds to adhere to Labor Compliance (Davis-Bacon), Minority and Women Owned Business (MWBE) and Section 3 reporting requirements.

To this end, we request that all Contractors and Subrecipients register with Elation Systems and attend an online training on the use of this tool. We are pleased to offer a series of virtual training events scheduled monthly during the remainder of this year. We encourage you to use the Elation Systems application to make your reporting requirements easier, faster and simpler to complete.

The training options are as follows:

- **Contractor Training:** Payroll and Accounts company employees
- **Subrecipient Training:** Project Manager(s) and or Construction Manager(s)

2015 WEBINAR SCHEDULE

	Contractors	Subrecipients
May	20 th	27 th
June	3 rd	24 th
July	1 st	29 th
