TITLE

Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

ALL BIDS MUST BE F.O.B. DESTINATION AND INCLUDE DELIVERY WITHIN DOORS UNLESS OTHERWISE SPECIFIED.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII.

INDEPENDENT AUDITORS' REPORT

Helping Hands Children Services, Inc. 160 E Main Street Huntington, NY 11743

We have audited the accompanying financial statements of Helping Hands Children Services, Inc. (the "Organization"); which comprise the balance sheets as of June 30, 2015 and 2014, and the related statements of income and retained earnings, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Connected

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2015 and 2014, and the changes in its stockholder's equity and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Helping Hands Children Services, Inc. (the "Organization") is presented to assist in understanding the Organization's financial statements. These financial statements and notes are representations of the Organization's management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Business Activity:

The Organization principally provides services to school districts in Nassau and Suffolk Counties. Its primary source of funding comes from fees paid by these school districts for parent training, behavioral intervention, behavioral consultation, and counseling services. Additionally, the Organization is licensed by the New York State Education Department ("SED"). The Organization provides Special Education Itinerant Teacher ("SEIT") services and receives funding from New York City and Nassau and Suffolk Counties for these SEIT services.

Basis of Accounting:

These financial statements are prepared on the accrual basis of accounting. Revenue is recorded when earned and expenses are recorded when incurred.

Revenue Recognition:

The Organization recognizes revenue based upon units of services provided. SEIT services are reimbursed according to an annual cost-based tuition rate per child promulgated by SED, subject to certain screens.

Property and Equipment:

Property and equipment are stated at cost. The cost of additions and betterments are capitalized and expenditures for repairs and maintenance are expensed in the period incurred.

When items of property and equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain/loss is included in income/expense.

Depreciation and amortization of property and equipment are provided utilizing the straightline methods over the estimated useful lives of the respective assets as follows:

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2015 AND 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Recruiting Costs:

Recruiting costs associated with attracting and retaining staff are expensed as incurred.

Income Taxes:

The Organization has elected tax status under "Subchapter S" of the Internal Revenue Code. Accordingly, there is no provision for federal and New York State income taxes for 2015 and 2014. Under "Subchapter S," the Organization's taxable income is taxed directly to the stockholder for federal and state income tax purposes. As such, the Organization's stockholder has reflected the income taxes associated with the Organization's earnings on her personal income tax returns. The City of New York does not recognize "Subchapter S" status for corporations for tax purposes.

The Organization evaluated its activities for uncertain tax positions and has determined that there were no uncertain tax positions for 2015 and 2014.

The Organization's policy is to classify accrued interest and penalties related to any unrecognized tax positions in the provision for income taxes. The School files income tax returns in New York State and New York City. The open years subject to examination by the Internal Revenue Service and various localities range from 2012 to 2015.

Receivables:

Receivables are based upon the amount management believes it will collect from the outstanding balances. SEIT receivables are calculated using the estimated final reimbursement rate, the number of children enrolled in the program, and the amount paid to the Organization during the fiscal year. During fiscal 2014 management reviewed outstanding receivables and established a reserve of approximately \$84,000 for the year ended June 30, 2014 to cover potential uncollectible amounts. This reserve remained unchanged as of June 30, 2015.

Events Occurring After Report Date:

The Organization has evaluated events and transactions that occurred between July 1, 2015 and November 20, 2015, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Reclassification:

I

Certain balances reflected on the statements of income and retained earnings for the year ended June 30, 2014 were reclassified to conform to the current year presentation.

Vanetta LaRosa, Ph.D., BCBA-D **Executive** Director

Kimberly Guillem, M.S. Ed. Senior Director

- Teacher Consultation: Our behaviorists/special educators meet with classroom teachers to discuss their classroom management strategies. They then observe the teacher within the classroom and provide feedback regarding the observation. We make suggestions to modify an existing strategy, add a new strategy or remove an ineffective strategy. All in all it is an open dialogue that promotes cooperation.
- ABA/Extended Day services: We work directly with students within the homes and community settings. We create programs that follow the student's IEP goals as well as promote independence within the home and community. We also work with the family so that they continue to implement the programs established within the home. We ensure ongoing communication with school district teams.
- Parent Training: We support a true parent-training model distinct from direct service models. We meet ۲ with the student, the parents/caregiver of the student and the siblings if needed. We then provide the family with various strategies and model these strategies for the family with the student. We then have the family utilize these strategies while observing to provide feedback on the correct implementation of the strategies. Parents have been thrilled with the changes they have seen in their homes as a result of our work with them. We understand that parent training must be data based. Having measurable goals and objectives are a critical part of parent training sessions, and just like all related services, data is essential and required. We train parents to work with their children on a lifelong basis by understanding the fundamentals of ABA, as well as the specific characteristics that go along with their children's disorders. We focus on helping parents understand, and effectively manage, difficult behaviors in their homes and community settings. We always support school team driven objectives.
- Setting up Applied Behavior Analysis Classrooms: We have created and implemented hundreds of ABA programs. In this capacity we train classroom staff and deliver professional development workshops for the school staff. We continue to support the Autism Programs we have created by providing classroom support on a regularly scheduled basis. We have set up a communication system with classroom teachers so that we may be consulted on an ongoing basis. We teach staff the specifics of Discrete Trial, Verbal Behavior programming, as well as utilizing ABA techniques like shaping, fading, modeling, chaining, etc. to improve student learning and outcome measures.
- Resource Room: Our Special Educators have worked with many students in classrooms to facilitate learning along with a classroom teacher. We provide the individualized support the student needs either individually or in a small group while integrating into the classroom setting. We act as a consultant to the teacher as well.
- Home Instruction: Our Special educators provide direct service to the student they are working with. During home instruction they work on goals derived from the student's IEP: educational, behavioral, social and daily living skills. Our Special educators have demonstrated success with many students who present with challenging behaviors. Our Special educators always invite the parents and families to participate in their sessions to ensure consistency and follow through. We feel that communication with the parents and families is so important for the student's success and progress.

- ✓ In the 2012-13 and 2013-14 school years we worked with Wyandanch UFSD through a grant to provide hands on classroom management and behavior management trainings to the teachers within their classrooms. We provided oversight and training to our providers. Our Senior Behaviorist attended planning meetings with the school district to discuss progress and strategies utilized throughout the program.
- ✓ We co-led a middle school social skills program for the Roslyn district for several years that we created specifically for middle school students.
- ✓ We worked with the BOCES Jerusalem Avenue team to provide behavioral consultation to students with emotional disabilities and severe aggression for three school years and help revise the school wide behavior system in an effort to reduce suspensions.
- ✓ As of the 2010-2011 school year, we also began providing consultation services to the Child Development Center of the Hamptons (CDCH), which is a fully integrated charter school serving children from preschool through grade 5. We support classrooms on all grade levels in the school in addressing behavioral challenges. CDCH
- ✓ Introduced a self-contained Kindergarten-First Grade classroom, that we were instrumental in starting. We have widely accepted by the staff there.
- ✓ We have worked with BOCES in districts who were awarded grant funds to provide behavioral assistance to students while training staff.
- ✓ During the 2009-2010 School Year, we also had the wonderful opportunity to provide vocational training for a student. This student came to our office every week where she received job training. She learned to improve typing and phone skills, working on a resume and her interview skills, and acquiring valuable office skills that she will be able to generalize to any work setting.

These are just a few examples of our unique and highly individualized delivery of services. We enjoy working in all facets of Special Education Related Services!

As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. any subcontractor, agent, Individual, or organization under the Contractor 's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor 's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 <u>Survival</u>. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

10.4 <u>Cooperation and Disputes</u>. Each party will reasonably cooperate with the other in the performance of the mutual obligations under this Addendum. If any controversy, dispute, or claim arises between the parties with respect to the Agreement (including, but not limited to, this Addendum), the parties shall make reasonable good faith efforts to resolve such matters informally.

GET MEDICAL HELP IMMEDIATELY*

For some conditions, you need to get medical help immediately. If the caregiver can reach the parent, the parent must come right away. Parents should let the child's doctor know that the caregiver has the parent's permission to call for advice in an urgent situation. In situations that require immediate medical evaluation, if the parent or the child's doctor is not available, the caregiver should contact the facility's health consultant or emergency medical services (EMS)/911 system for help.

Get help immediately for a child with any of the following conditions: (Please note that this is <u>not</u> a comprehensive list; when in doubt, call 911!)

- Specific fevers:
 - A baby less than 4 months of age has a temperature of 101 degrees F. rectally or 100 degrees F. axillary (armpit)
 - A temperature of 105 degrees F. or higher in a child of any age
- For infants under 4 months, forceful vomiting more than once
- Looking or acting very ill or getting worse quickly
- Neck pain when the child's head is moved or touched
- A stiff neck or severe headache and looking very sick
- A seizure for the first time
- Acting unusually confused
- Unequal pupils (black centers of the eyes)
- A blood-red or purple rash made up of pinhead-sized spots or bruises that are not associated with injury
- A rash of hives or welts that appears and spreads quickly
- Breathing so fast or so hard that the child cannot play, talk, cry, or drink
- A severe stomachache that causes the child to double up and scream
- A stomachache without vomiting or diarrhea after a recent injury, blow to the abdomen, or hard fall
- Stools that are black or have blood mixed through them
- Not urinating at least once in 8 hours, a dry mouth, no tears or sunken eyes
- Continuous clear drainage from the nose after a hard blow to the head

Note for programs that provide care for sick children:

If any of the conditions listed above appear after the child's care has been planned, medical advice must be obtained before continuing child care can be provided. (List modified from the American Red Cross Child Care Course, 1990. For information about the course, telephone the local chapter of the American Red Cross or write to the American Red Cross, national Headquarters, Health and Safety, 8111 Gatehouse Road, Falls Church, VA 22042) Footnote: Recommendations are based on NYS Day Care Regulations and American Academy of Pediatrics Health and Safety Checklist 9/23/2015

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional antidiscrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, gender, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or womenowned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit

evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Vanetta LaRosa, Ph.D. Executive Director Helping Hands Consultation Services, Inc. 160 East Main Street Huntington, NY 11743

Dear Dr. LaRosa:

The New York State Education Department (NYSED) has completed its preschool reapproval review of Helping Hands Consultation Services, Inc. The review was conducted pursuant to section 200.20(c) of the Regulations of the Commissioner of Education to determine whether the program provides quality services in a necessary and cost-efficient manner and in the least restrictive environment for preschool students with disabilities; to ensure that the program has a clearly defined governance structure, a strong system of internal controls and operates in a fiscally responsible manner; to ensure that the owner(s), chief executive officer(s) and/or chief administrator(s) possess the character, experience and educational background to oversee a preschool special education program.

Based upon this review, NYSED found that Helping Hands Consultation Services, Inc. has met the compliance and efficiency standards requirements of section 200.20(c) and that it has demonstrated a reasonably calculated set of internal controls. However, this determination was based on a limited sample of students as Helping Hands Consultation Services, Inc. has been operating with a significantly reduced enrollment (four students for the 2013-14 school year) in its Special Education Itinerant Services (SEIS) program. Section 200.7(c)(3) of the Regulations of the Commissioner of Education requires that an educational program approved for reimbursement provides instruction to a minimum of 16 students.

Therefore, NYSED is providing a one-year **conditional** reapproval of Helping Hands Consultation Services, Inc. to operate its SEIS program as identified on the enclosed chart. Please inform your Special Education Quality Assurance (SEQA) Regional Associate, Julia Nagle, of the date by which you can ensure that the SEIS program is operating consistent with the Regulations of the Commissioner of Education. Full approval will be granted based upon NYSED's verification that Helping Hands Consultation Services, Inc. is serving a minimum of 16 students in its SEIS program. As a result of this reapproval, your agency must abide by all applicable laws and regulations and implement the program as approved. Please note that prior to implementing any changes to your agency's program model you are required to submit a Modification Request Application, found at <u>http://www.p12.nysed.gov/specialed/applications/preschool-home.html</u>, and must receive written approval from this Office before making any program modifications.

If you have any questions about the information contained in this letter, please contact Julia Nagle, Regional Associate in the Special Education Quality Assurance (SEQA) Long Island Regional Office, at (631) 952-3352, or Elina Tsenter, Associate in the Preschool Policy Unit, at (518) 473-6108.

Vanetta LaRosa, Ph.D., BCBA-D Executive Director

Kimberly Guillem, M.S. Ed Senior Director

To Whom It May Concern:

Helping Hands Consultation Services, Inc. d/b/a Helping Hands Children Services is a For Profit entity and is not required to complete the Financial Controls Questionaire.

Sincerely,

Vanetta LaRosa, PhD, BCBA-LBA Executive Director

As you know, recently adopted County disclosure laws and policies now require. as a general matter, that all contract packages must include the following disclosure forms:

- Business History and Principal Questionnaire Forms: (i)
- Consultant's, Contractor's and Vendor's Disclosure Form; (ii)
- Political Campaign Contribution Disclosure Form; and
- Lobbyist Registration and Disclosure Form (if a lobbyist is utilized). (iii) (iv)

I now write to notify you that the Legislature insists that the forms must be completed in their entirety (no blanks) and all questions must be responded to appropriately. The most common errors have emerged in the responses to question 17 of the Business History Form and question 7 of the Consultant's Contractor's and Vendor's Disclosure Form. These errors are addressed below.

Regarding question 17 of the Business History Form, "not applicable" or "N/A" is not an acceptable response. If no conflict of interest exists, the individual or entity completing the form must affirmatively state "no conflict exists" in section (a) (i-ili). In section (b), the individual or entity must describe with particularity any procedures they have in place or would adopt in the future to ensure a conflict of interest does not arise or exist.

Regarding question 7(a) of the Consultant's Contractor's and Vendor's Disclosure Form, "not applicable" or "N/A" is not an acceptable response. If the individual or entity has not utilized the services of a lobbyist, the appropriate response is "no lobbyist utilized" or "none."

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower ther participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower fler covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction. In addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarrent.

Contract Summary

Description: Contract Amendment #1 to the Original Agreement between Nassau County and Milliman Inc.

<u>Purpose</u>: The Government Accounting Standards Board (GASB) was organized in 1984 to establish standards of financial accounting and reporting for state and local government entities. To accomplish its mission the GASB issues standards that improve the usefulness of financial reports. One such standard is Government Accounting Standard No. 45 titled" Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions." This standard was issued in June 2004. It required public agencies and entities to account for post-employment benefits other than pensions on an accrual basis, rather than a cash basis, which was formerly the case. That is, the cost of these benefits must be accounted for when the benefits are earned, not when the benefits are paid. These benefits are primarily health care benefits for retirees and their dependents. Nassau County is required by accounting standards to comply with GASB 45.

Method of Procurement:

In order to comply with the requirements of the GASB 45 standard, the County issued request for Proposal BU0928-1233 on October 3,2012, seeking a firm that could provide actuarial consulting services and meet these requirements. The RFP was designed to assist the County as a whole and certain related entities including the Nassau Interim Finance Authority, the Nassau Regional Off-Track Betting Corporation and the Nassau Health Care Corporation, in meeting these requirements. To evaluate the responses to the RFP, a committee was formed to review the responses. The committee consisted of individuals from the Office of Management and Budget. Three consulting firms responded to the RFP. These responses were reviewed by each member of the committee. The committee then met and discussed each of the responses that were received. The firms were then evaluated based on the criteria that were part of the RFP that was issued. Based on those criteria, a firm was selected pursuant to the RFP that was Issued.

Procurement History: Milliman has been providing actuarial services to Nassau County since 2012.

Description of General Provisions: The firm selected will provide the County with actuarial valuation services regarding the obligations of the County for Government Accounting Standards Board Standard No. 45. Namely the firm will provide a "roll-forward" valuation for 2012 and a "complete" valuation for 2013. The firm will develop the County's liability as required for GASB Statement No. 45 for 2012 and 2013 and related annual data. The firm will provide actuarial reports and certifications for each valuation and respond to standard auditor type requests.

MEMORANDUM

To: From:

Robert Conroy, Deputy Budget Director

Subject: Proposed Personal Services Agreement with Milliman, Inc. Actuarial Consulting Services in regards to the County's 2012 and 2013 GASB 45 OPEB Valuations (Post-Retirement Benefits other than Pensions)

Tim Sullivan, Deputy County Executive for Finance

Date: December 14, 2012

On October 3, 2012 the County issued a Request for Proposals (RFP) to provide actuarial consulting services to the County and certain related entities (Nassau Community College, Nassau Health Care Corporation, Nassau Regional Off-Track Betting Corporation and the Nassau Interim Finance Authority). The RFP was posted on the County's website and advertised in Newsday. Proposals were originally due on October 26, 2012 but due to a low response rate was extended to November 9, 2012.

The services to be provided will include, but not be limited to:

- Prepare Actuarial Valuations to comply with GASB 45 every two years and prepare estimates for intervening years.
- Provide certification that the Valuation was conducted in accordance with GASB 45 standards
- Respond to any requests from the County's outside auditor
- Assist the County in responding to data requests from other government agencies and any other interested parties
- Attend meetings as requested to discuss GASB 45 and related issues ۲

Proposals were received from the following firms: Milliman, Inc, The Segal Group, Inc and the Howard E. Nyhart Company, Inc.

An Bvaluation Committee was formed to review the proposals. The Committee consisted of the following people from the Office of Management and Budget: Robert Conroy, Ann Hulka and Steven Conkling. The proposals were evaluated based on the following criteria:

Proposal Offeror's History and Service Background

This review will address the following questions:

Does the proposal demonstrate a successful service history? Does the firm's organization and experience demonstrate the capacity to provide the services that are required?

Has the firm performed successfully in the past on projects of similar siza and scope?

Readiness to implement the Program

This refers to the amount of time required for the firm to begin providing the RFP services and should answer the following questions:

Does the firm demonstrate the ability to provide RFP services immediately upon request or within the time frames established by the County?

Does the firm demonstrate the ability to implement the project within reasonable time frames? Will subcontracts be needed?

Proposal Conciseness, Completeness and Clarity of Presentation

Under this criteria, the following questions would be addressed:

Is the proposal concise in terms of it being marked by brevity of expression and statement and free from elaboration and superfluous detail? Does the proposal contain all elements identified in the RFP?

Does the proposal clearly represent the firm's capabilities?

Cost of Overall Project

This considers whether the proposed charge is financially viable as well as cost effective. Viability means that the projected costs are sufficient to allow for adequate results to be achieved. Cost effectiveness means that the costs are sufficient to ensure adequate results without being inordinately expensive.

Adequacy of Program Design

This is a review of the proposal as a whole, paying particular attention to the firm's specific approach and plans for accomplishing the work in the RFP:

What is the firm offering to do for the County and how does the firm plan to accomplish this? Are the tasks consistent with the purpose of the RFP? Does each of the tasks or activities support the performance of RFP services? Is the program design complete, consistent and feasible?

Other Factors

Any other information that would assist the County in the selection process.

Does the firm offer any other information that would help the selection process? Does the firm's response make it different from other firms? Has the firm proposed approaches and cost containment measures not included in other areas of the RFP? Are they appropriate and/or reasonable?

Recommendation

Although the proposed fee from Milliman, Inc was higher than the other Proposer's (see chart below), the Committee felt that based on recent experience the County has had with Milliman, Milliman would be best suited to handle this engagement. This firm was called in on an emergency basis to provide the 2011 valuation and did so in an extremely expeditious and professional manner given the difficult circumstances at the time.

Contract Summary

Description: Contract Amendment #1 to the Original Agreement between Nassau County and Milliman Inc.

<u>Purpose</u>: The Government Accounting Standards Board (GASB) was organized in 1984 to establish standards of financial accounting and reporting for state and local government entities. To accomplish its mission the GASB issues standards that improve the usefulness of financial reports. One such standard is Government Accounting Standard No. 45 titled" Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions." This standard was issued in June 2004. It required public agencies and entities to account for post-employment benefits other than pensions on an accrual basis, rather than a cash basis, which was formerly the case. That is, the cost of these benefits must be accounted for when the benefits are earned, not when the benefits are paid. These benefits are primarily health care benefits for retirees and their dependents. Nassau County is required by accounting standards to comply with GASB 45.

Method of Procurement:

In order to comply with the requirements of the GASB 45 standard, the County issued request for Proposal BU0928-1233 on October 3,2012, seeking a firm that could provide actuarial consulting services and meet these requirements. The RFP was designed to assist the County as a whole and certain related entities including the Nassau Interim Finance Authority, the Nassau Regional Off-Track Betting Corporation and the Nassau Health Care Corporation, in meeting these requirements. To evaluate the responses to the RFP, a committee was formed to review the responses. The committee consisted of individuals from the Office of Management and Budget. Three consulting firms responded to the RFP. These responses were reviewed by each member of the committee. The committee then met and discussed each of the responses that were received. The firms were then evaluated based on the criteria that were part of the RFP that was issued. Based on those criteria, a firm was selected pursuant to the RFP that was Issued.

Procurement History: Milliman has been providing actuarial services to Nassau County since 2012,

Description of General Provisions: The firm selected will provide the County with actuarial valuation services regarding the obligations of the County for Government Accounting Standards Board Standard No. 45. Namely the firm will provide a "roll-forward" valuation for 2012 and a "complete" valuation for 2013. The firm will develop the County's liability as required for GASB Statement No. 45 for 2012 and 2013 and related annual data. The firm will provide actuarial reports and certifications for each valuation and respond to standard auditor type requests.

Impact on Funding / Price Analysis: \$80,927.

Change in Contract from Prior Procurement: No change.

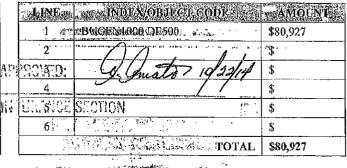

Recommendation: Approve as submitted.

Contract Summary

Doscription

Purpose: The Government Accounting Standards Board (GASB) was organized in 1984 to establish standards of financial accounting and reporting for state and local government entities. To accomplish its mission the GASB issues standards that improve the usefulness of financial reports. One such standard is Government Accounting Standard No. 45 titled "Accounting and Financial Reporting by Employers for Postempioyment Benefits Other than Pensions." This standard was issued in June 2004. I t required public agencies and entities to account for post-employment benefits other than pensions on an accrual basis, rather than a cash basis, which was formerly the case. That is, the cost of these benefits must be accounted for when the benefits are earned, not when the benefits are paid. These benefits are primarily health care benefits for retirees and their dependents. Nassau County is required by accounting standards to comply with GASB 45.

Method of Procurements

In order to comply with the requirements of the GASB 45 standard, the County issued request for Proposal BU0928-1233 on October 3, 2012, seeking a firm that could provide actuariat consulting services and meet these requirements. The RFP was designed to assist the County as a whole and certain related entities including the Nassau Interim Finance Authority, the Nassau Regional Off-Track Betting Copropriation and the Nassau Health Care Corporation, in meeting these requirements. To evaluate the responses to the RFP, a committee was formed to review the responses. The consultive consisted of including from the Office of Management and Budget. Three consulting firms responded to the RFP. These responses were reviewed by each member of the committee . The committee than met and discussed each of the responses that were received. The firms were then evaluated based on the criteria that were part of the RFP that was issued. Based on these criteria, a firm was selected pursuant to the RFP that was issued. Procurement History:

This is not a new contractor

Description of General Provisions:

The firm selected will provide the County with actuarial valuation services regarding the obligations of the County for Government Accounting Standards Board Standard No. 45. Namely the firm will provide a "roll-forward" valuation for 2012 and a "complete" valuation for 2013. The firm will develop the County's liability as required for GASB Statement No. 45 for 2012 and 2013 and related annual data. The firm will provide actuarial reports and certifications for each valuation and respond to standard auditor type requests.

MEMORANDUM

To;

From: Robert Conroy, Deputy Budget Director

Proposed Personal Services Agreement with Milliman, Inc. Subject: Actuarial Consulting Services in regards to the County's 2012 and 2013 GASB 45 OPEB Valuations (Post-Retirement Benefits other than Pensions)

Tim Sullivan, Deputy County Executive for Finance

December 14, 2012 Date:

On October 3, 2012 the County issued a Request for Proposals (RFP) to provide actuarial consulting services to the County and certain related entities (Nassau Community College, Nassau Health Care Corporation, Nassau Regional Off-Track Betting Corporation and the Nassau Interim Finance Authority). The RFP was posted on the County's website and advertised in Newsday. Proposals were originally due on October 26, 2012 but due to a low response rate was extended to November 9, 2012.

The services to be provided will include, but not be limited to:

- Prepare Actuarial Valuations to comply with GASB 45 every two years and prepare estimates for ٠ intervening years
- Provide certification that the Valuation was conducted in accordance with GASB 45 standards •
- Respond to any requests from the County's outside auditor •
- Assist the County in responding to data requests from other government agencies and any other interested parties
- Attend meetings as requested to discuss GASB 45 and related issues

Proposals were received from the following firms: Milliman, Inc, The Segal Group, Inc and the Howard E. Nyhart Company, Inc.

An Evaluation Committee was formed to review the proposals. The Committee consisted of the following people from the Office of Management and Budget: Robert Conroy, Ann Hulka and Steven Conkling. The proposals were evaluated based on the following criteria:

Proposal Offeror's History and Service Background •

This review will address the following questions:

Does the proposal demonstrate a successful service history? Does the firm's organization and experience demonstrate the capacity to provide the services that are required?

Has the firm performed successfully in the past on projects of similar siza and scope?

• Readiness to implement the Program

This refers to the amount of time required for the firm to begin providing the RFP services and should answer the following questions:

Does the firm demonstrate the ability to provide RFP services immediately upon request or within the time frames established by the County?

Does the firm demonstrate the ability to implement the project within reasonable time frames? Will subcontracts be needed?

Proposal Conciseness, Completeness and Clarity of Presentation

Under this criteria, the following questions would be addressed:

Is the proposal concise in terms of it being marked by brevity of expression and statement and free from elaboration and superfluous detail? Does the proposal contain all elements identified in the RFP?

Does the proposal clearly represent the firm's capabilities?

Cost of Overall Project

This considers whether the proposed charge is financially viable as well as cost effective. Viability means that the projected costs are sufficient to allow for adequate results to be achieved. Cost effectiveness means that the costs are sufficient to ensure adequate results without being inordinately expensive.

Adequacy of Program Design

This is a review of the proposal as a whole, paying particular attention to the firm's specific approach and plans for accomplishing the work in the RFP:

What is the firm offering to do for the County and how does the firm plan to accomplish this? Are the tasks consistent with the purpose of the RFP? Does each of the tasks or activities support the performance of RFP services? Is the program design complete, consistent and feasible?

Other Factors

Any other information that would assist the County in the selection process.

Does the firm offer any other information that would help the selection process? Does the firm's response make it different from other firms? Has the firm proposed approaches and cost containment measures not included in other areas of the RFP? Are they appropriate and/or reasonable?

Recommendation

÷

Although the proposed fee from Milliman, Inc was higher than the other Proposer's (see chart below), the Committee feit that based on recent experience the County has had with Milliman, Milliman would be best suited to handle this engagement. This firm was called in on an emergency basis to provide the 2011 valuation and did so in an extremely expeditious and professional manner given the difficult circumstances at the time.

9. <u>Indemnification; Defense; Cooperation</u>. (a) Subject to the Limitation of Liability contained in Section 10, below, the Contractor shall be solely responsible for and shall indemnify, defend and hold harmless the County, its officers, employees, and agents (the "<u>Indemnified Parties</u>") from and against any and all liabilities, losses, costs, expenses (including, without limitation, reasonable attorneys' fees and disbursements) and damages ("<u>Losses</u>"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; <u>provided</u>, <u>however</u>, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County. Contractor's work may not be provided to third parties, other than Deloitte and Touche, or as required by law, without Contractor's prior written consent, not to be unreasonably withheld or delayed. Contractor does not intend to benefit any third party recipient of its work product, even if Contractor consents to the release of its work product to such third party. For the avoidance of doubt, this Section 11 is not intended to restrict the County from sharing information generated by Milliman under this Agreement with third parties for its own municipal needs, provided that the County does not forward Milliman's complete work product and does not attribute the information shared to Milliman.

12. Dispute Resolution. In the event of any dispute arising out of or relating to the engagement of the Contractor by the County, the parties will attempt in good faith to resolve such dispute within thirty (30) days after receipt of such notice by negotiations between senior executives/officials of the parties who have settlement authority. If the dispute has not been resolved within such thirty day period, the dispute will be resolved by final and binding arbitration under the Commercial Arbitration Rules of the American Arbitration Association, at the sole cost of the Contractor. The arbitration shall take place in Nassau County, New York before a panel of three arbitrators. Within 30 days of the commencement of the arbitration, each party shall designate in writing a single neutral and independent arbitrator. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. (b) <u>Acceptability; Deductibles; Subcontractors</u>. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County; and (ii) in form and substance acceptable to the County. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

14. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. (b) <u>By The Contractor</u>. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "<u>Commissioner</u>"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. 18. Work Performance Liability. (c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

.

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

i.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(1) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency. Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

RE: ADDITIONAL INFORMATION FOR RFP NUMBER 0112-1602

Dear Ms. Landau,

As per your email of December 2, 2016, below please find the requested information:

- 1. Principal Questionnaire Form for Jared P. Turman As to Question 3 therein, Jared P. Turman, Esq. has NO equity interest in Capital Resource Management, Inc. Attached to reflect this fact, please find a newly-executed "Consultant's, Contractor's and Vendor's Disclosure Form" for The Law Offices of Jared P. Turman, PLLC and "Principal Questionnaire Form" for Jared P. Turman.
- 2. Business History Form for Capital Resource Management, Inc. (CRM) As to Question 6 therein, it was our intention to place our "X" next to "Corporation." CRM is a Corporation.
- 3. Business History Form for CRM As to Item C on the Business History Form, below please find some relevant excerpts that speak to our capacity and reliability to perform the collection of emergency ambulance billings for Nassau County.

Company Background

CRM has been in existence for almost six years and currently manages more than three dozen of its own proprietary credit, collection and legal run plans for over 2,000 accounts totaling approximately \$7,000,000 under current in-house management for a varied portfolio of diversified clients, ranging from local business owners to large healthcare practices to interstate energy companies. CRM operates in tandem with its sister law firm to perform debtor contacts, skip tracing, asset searches, credit reporting, account litigation, judgment enforcement and post-judgment legal action.

Since CRM submitted its original vendor response to Nassau County, it has been accepted and named as a member agency to both ACA International and the New York State Collectors Association. As a qualified member agency of these organizations, CRM has demonstrated an impeccable compliance record and an ability to work collaboratively with both individual and large corporate clients. In this regard, many of CRM's clients are engaged in the medical sector and, as such, share with CRM on a regular basis information containing PHI. The use, governance and protection of such information is

GUNEY TERET TO THE SE VELTO ALINOOO RASSAM CHAISODE

central to CRM's database and operations and is entirely relevant to its future collection of Nassau County emergency ambulance billings. We have developed a policy of strict adherence to privacy and security laws, such as HIPAA and the HITECH Act; a 256-bit Secure Sockets Layer encryption for all information and data uploaded through our website; encrypted email; physical locked security location(s) for our servers and 24-7 video monitoring with motion detection and night vision; multiplepassword entry protection for all network access; daily-updated server with redundant hard drives and enterprise-level anti-virus, malware and firewall protection; and restrictions on the use of removable media. Additionally, our employees are required to sign confidentiality agreements at the commencement of their employment and no account is accepted with information or data that includes PHI without a duly-executed BAA on file with both parties. Additionally, we maintain a comprehensive manual that sets forth CRM's "Red Flag" Identity Theft Program that consists of Red Flag Identification, Red Flag Detection and Prevention and Mitigation of Identity Theft.

Furthermore, we provide our clients with a secure encrypted document upload portal that can be accessed 24/7 so that assigned accounts can be safely transmitted. We are also equipped to handle large CSV data files. We do not batch print, subcontract to offshore vendors of any kind or use autodialers in any capacity. Each account is reviewed and verified by a manager before the first contact is made or sent out. We are different in that we believe in individual internal reviews and protocols, as opposed to large-scale automation. This level of attention requires additional time upfront but ultimately results in cleaner accounts, better success rates and less exposure and potential liability under the current debt collection, federal credit reporting and billing statutes, including, but limited to, the FDCPA, FCRA, FCBA and TCPA.

Breadth of Medical Collection Capabilities

Upon receipt of emergency ambulance billing accounts from Nassau County's billing vendor, CRM would group them according to a proprietary matrix of characteristics that includes the applicable statute of limitations; dollar value; debtor characteristics and location; eligibility for credit bureau reporting; and documentation establishing the debt. Based on this analysis, group accounts would be assigned pre-set or customized "run plans" that delineate the exact collection plan for the specific grouping. A specific run plan would exist for accounts wherein insurance proceeds have been kept by the patient-debtor.

It is a standard practice of CRM's account managers to flag accounts that are aging out for suit as either Fast-Track collections or straight-to-legal so as not to run afoul of the applicable statute of limitations. Additionally, for medical-related health claims that were processed as out-of-network or for which the patient was self-pay, CRM has the capability to negotiate single case agreements with the various health plans based on the FAIR Health database as well as historical reimbursements. If needed and requested, we are equipped to handle the filing of insurance appeals and/the preparation, filing and management of New York State governed IDRs in respect of said claims, as requested and applicable. In this regard, I personally maintain an account with the New York State Department of Financial Services through which I handle IDR administration. The ability to perform this breadth of medical collection services is a clear distinction between CRM and its fellow collection agencies and law firms, most of which have never handled the full gamut of medical collections that involve complex FAIR Health-based insurance negotiations or high-value IDRs.

Payment Plans / Judgments by Stipulation / Judgments by Confession

Payment plan settlement agreements are an important modality for collection success in CRM's paradigm, particularly with respect to medical debt such as emergency ambulance billings. If a patient-debtor has verified financial constraints that limit his/her ability to make full payment all at once, we not only readily entertain offers of settlement by payout but also affirmatively offer such payment plans in debtor contacts. It is important to note that, prior to said settlements, validation of employment and income is requested and collected to supplement the information we gather internally from the credit bureau. Moreover, we provide a page on our website where a debtor can affirmatively send us a written request for a payment plan with a requested interval of payment. Upon receipt of such a request, if acceptable based on the information presented and verified, we send out to the debtor who made said request a settlement agreement that memorializes the agreed-upon payment plan.

All payments are tracked in our computer system and delinquent notices are regularly sent out prior to the cancellation of a settlement agreement. Payment coupons are also provided upon request as are automatic payment options by ACH/e-Check or credit/debit card. Our theory is that so long as a debtor is paying down their account in good faith, we aim to work with them so that our clients, such as Nassau County, get paid and the debtor's credit profile can be preserved.

Another very effective and efficient avenue of settlement is post-suit settlement agreements. We have instituted a policy on all legal accounts that any settlement agreement with a defined payment plan that is entered into after commencement of a lawsuit shall include a mechanic for the entry of a Judgment by Stipulation should an uncured default on any single payment occur. Moreover, Confessions of Judgment are also used in larger and more complex pre-suit settlements. These types of settlements are favored by us because they tighten the payment guarantees while at the same time providing for a cost-effective and certain means by which to obtain a judgment for our creditor-client upon a default.

And, finally, in terms of due diligence prior to entry of any payment plan, because we are a credit information furnisher, CRM is able to run TLO and bureau reports to regularly check the employment and credit history of a debtor. With this said, it is worth noting that we routinely discount these results in the context of payment plans since we have found that the more an individual debtor feels they had a cooperative say in reaching the terms of a structured settlement, the more likely they are to adhere to said terms. In our experience, this finding has held steady across income levels and, thus, we maintain that our goal of engendering cooperation and good-will in working with a debtor only serves to increase the odds of successful completion of a payment plan agreement.

Fico Score 9 and Medical Debt

FICO Score 9 is a current factor that should always be considered in the medical collections context. As such, we intentionally integrate it into our collection methodology. While most agencies reflexively view FICO Score 9 as a negative pro-debtor industry change, we believe FICO Score 9 is a clear net-positive and, as such, we effectively use it to incentivize amicable settlements of medical debt accounts. We regularly challenge potential clients to pointedly ask the agencies they currently work with about how they view and use FICO Score 9. The answers, or lack thereof, help highlight and drive home how CRM thinks creatively and offers a novel and nuanced approach in an industry that is bloated with large, automated agencies and offshore vendors that rarely stop and reassess their applied collection methodologies.

Internal Procedures

CRM maintains a comprehensive Operating Policies and Procedures manual that sets forth in detail CRM's compliance measures and regulatory adherence to laws including the FDCPA, FCRA, EFTA, FCBA, ECOA, TCPA and UDAAP. Furthermore, as part of our bid submission to Nassau County, we included a copy of our (a) Quality Control Plan and Corporate Philosophy as well as (b) a customized Conflict of Interest Policy specific to Nassau County and this RFP TR0112-1602.

4. Business History Form for CRM – As to Item A on the Business History Form, below please find some relevant excerpts that speak to my professional qualifications, CRM's ability and experience with medical debt as well as a sampling of CRM's clients and our respective collection success rates achieved to date.

My Professional Qualifications

Prior to forming CRM, I served as in-house counsel for a major surgical practice group on Long Island and continue to handle all aspects of the practice's legal, billing, management and compliance needs. Drawing on my background as a corporate attorney with the law firm of Simpson Thacher & Bartlett LLP, as well as my experience as a business and legal affairs director for the Fox Cable Networks Group, I formed CRM in 2011 to be a closely-held firm modeled by design as a strategic collections partner for clients looking for a long-term sustainable relationship with a company that could serve all of their collection needs in a highly personalized and professional manner. Vetted co-counsel relationships were formed to maintain the intimacy of the receivables management and consulting aspect of CRM while creating the bandwidth necessary to service all of the collection needs, including legal and post-judgment enforcement services, of CRM's growing clientele.

I received my Juris Doctorate, *Magna Cum Laude* and *Order of the Coif*, from New York University School of Law and my Bachelor of Science, *Summa Cum Laude*, from Cornell University. I also completed a post-doctorate fellowship at the Center on Environmental and Land Use Law at New York University School of Law where I worked with renowned faculty, including former New York University School of Law Dean Richard Revesz, on a variety of environmental economic and regulatory law matters. During my time as a fellow, I wrote and spoke extensively on the impact of data manipulation in the government regulatory arena (*for*, *e.g.*, see 34 *Environmental Law Reporter* 10954 (2004)).

Healthcare Collections Relevant to Nassau County Emergency Ambulance Billings

CRM is uniquely qualified for healthcare collections due to my extensive healthcare law and practice management experience. As mentioned above, for the last nine years, I have served as in-house counsel to a large private surgical practice. From its inception, I incorporated the practice and negotiated individual physician buyouts from a centralized medical practice in Westchester. I maintain legal and managerial oversight of all corporate, legal, billing, management and compliance aspects of the practice. Moreover, as an entity, CRM handles large medical debt portfolios for healthcare clients, including dialysis centers, private plastic surgical groups, home healthcare agencies and multidisciplinary medical wellness groups that employ orthopedists, physical therapists, interventional pain management and physiatric physicians, chiropractors and acupuncturists. The services provided are dictated by the account types - age, out-of-network vs in-network status and processing, pre- vs postappeal, IDR eligibility, elective vs emergency services, patient-issued remittance checks, etc. - and are communicated to the client as the recommended course of action. Medical debt accounts, more so than breach of contract or account stated accounts, require a nuanced approach due to the complexity of the healthcare field and laws, especially in New York. Any agency that does not employ or subcontract an attorney fluent in New York healthcare laws and regulations will likely fail to effectively issue spot and identify the correct manner in which to handle medical accounts.

CRM's experience with healthcare accounts has led to our unique paradigm that dictates how we treat such accounts upon assignment. For example, a hypothetical portfolio of 1,000 healthcare accounts would be handled as follows:

- a. Data input and notation of prominent factors such as age of debt, network status of provider and specific debt characteristics, such as in-network cost sharing obligations (co-pay, co-insurance, deductible) or balance bills inclusive of the uninsured.
- b. For any accounts that are (a) aging out of the applicable statute of limitations and (b) papered with sufficient documentation to support a legal suit, collection is bypassed and suit authorizations are sent to the client.
- c. Run plans are assigned to each account and first-batch letters with all of the requisite Federal and New York State-specific disclosures are mailed out on each account.
- d. During the 30-day dispute period, no calls are placed unless in return and time is spent skip tracing each debtor to determine qualification for credit reporting. Any account data that is not confirmed through Accurint and/or TLO is flagged for confirmation with the client.
- e. Depending on the account size and debt characteristics, a certain percentage will settle outright; a certain percentage will result in the setting up of payment plans; a certain percentage will remain with no response; and a certain percentage will require dispute verification. Typically, 5-8% of well-documented and fresh first-party accounts will settle at this stage prior to any further action.
- f. Second letters are issued along with select manual calls to those accounts where data and demographics support payment and settlement. Pre-notice is given prior to credit reporting on qualified accounts to provide ample time for settlement. Any accounts for which skip tracing shows bankruptcy, death or false id are returned to the client with explanation as are accounts for which dispute validation could not be sufficiently provided by the client.
- g. Any qualified accounts not settled at this point in the collection cycle are credit reported with third letters issued.

- h. Depending on the account size and debtor characteristics, an additional batch will be sent to the client with suit authorizations. Location and size will determine the attorney in our network who is assigned the various accounts. CRM's run plans include legal stages and report requests to assure attorney accountability. For example, upon placement of a legal suit, CRM requests that Summons and Complaints be forwarded to us for execution within fourteen days; that service be effectuated within thirty days of return of the executed Summons and Complaint; and that filing for defaults be done within sixty days if no answer was filed or settlement was reached.
- i. Pre-suit collection averages range from 15-22% of well-documented and fresh first-party accounts.
- j. Suits are commenced and proceed to trial or default judgment based upon debtor response or lack thereof. On average, for healthcare accounts, post-service settlements range from 20-50%.
- k. Post-judgment enforcement is an integral and final piece of our collection cycle and my partner law firm as well CRM's network of firms specialize in the effectuation of financial restraints and wage garnishments.
- 1. During the collection process, accounts are constantly pulled based on incoming information for various actions, including, but not limited to, health plan appeals, health plan LOA negotiations and, where applicable, IDRs. CRM is fluent and equipped to handle all of these healthcare-specific settlement actions.

Client Examples

To date, CRM has collected over \$1,400,000 for our clients with an average overall collection success rate exceeding 20%. A sampling of five recent CRM client contracts are:

- a. Nassau Dialysis \$925,000 placed in collections since January 2015 with \$109,000 recovered to date (pending suits are in litigation), thereby representing a 12% current collection success rate.¹
- b. Marathon Energy Corporation and Marathon Power LLC \$712,000 placed in collections with \$329,000 recovered to date (pending suits are in litigation), thereby representing a 46% current collection success rate.
- c. Advanced Plastic Surgery of Long Island PLLC \$1,600,000 placed in collections with \$582,000 recovered to date (pending suits are in litigation), thereby representing a 36% current collection success rate.
- d. Better Home Health Care Agency, Inc. \$37,000 initial placement into collections with \$31,000 recovered to date (pending suits are in litigation), thereby representing an 82% current collection success rate.
- e. SMG Mediquip LLC \$260,000 placed in collections with \$50,000 recovered to date, thereby representing a 19% current collection success rate. It is noteworthy that this client's accounts are not qualified for credit reporting and, in addition, this client has chosen to not engage in any legal action of any kind. Thus, this rate of collection is based on purely pre-legal contact collection efforts.

¹ It is important to note that a substantial percentage of the debtors responsible for the delinquent accounts held by this creditorclient were found to be deceased through CRM's skip tracing. As such, those accounts placed were deemed uncollectable and, as a result, lowered the overall collection success rate.

Method of Procurement: A Request for Proposals ("RFP") was published in Newsday and posted on the County website. RFP # TR0112-1602.

Procurement History: This is a new contract that was awarded after a formal RFP process. Three contractors were granted the opportunity to make presentations to the Selection Committee. The Selection Committee evaluated and scored the three contractors and determined that CRM best met the selection criteria of the RFP, concerning collection of emergency ambulance billings. The Selection Committee also reviewed a Best and Final Offer ("BAFO") submitted by two of the contractors; the third contractor did not respond to our BAFO request.

Description of General Provisions: The services to be provided under this Agreement by the Contractor and the attorney selected by it and approved by the County Attorney shall consist of debt collection services and litigation services associated therewith relating to the collection of emergency ambulance billings. Specifically, the collection of debts and receivables and litigation of claims and judgments (collectively referred to as "Cases") and related services, including but not limited to skip tracing and asset location. Cases referred to the Contractor shall include, without limitation, claims for the non-payment of the collection of emergency ambulance billings.

Impact on Funding / Price Analysis: Payment is on a contingency basis. The amount to be paid to the contractor as full consideration of the contractor's services under this Agreement shall be twenty-three percent (23%) of the gross amount collected by contractor on consumer / commercial claims referred by the County; and (ii) twenty-three Percent (23%) of the gross amount recovered by the contractor on secondary placement claims referred by the County; (iii) twenty-four percent (24%) of the gross amount collected plus enforcement costs for judgment enforcement claims referred by the County; and (iv) twenty-seven percent (27%) of the gross amount collected plus suit costs for legal / litigation claims.

Change in Contract from Prior Procurement: New contract.

WHEREAS, the County issued Request for Proposals # TR0112-1602 on January 20, 2016 (the "<u>RFP</u>"); and

WHEREAS, the RFP sought proposals from qualified collection firms and agencies authorized to do business in the State of New York, to provide collection services, including without limitation the collection of debts and receivables and the litigation of claims and judgments, to various Nassau County departments; and

WHEREAS, the Contractor submitted a proposal in the response to the RFP dated February 10, 2016 (the "<u>Proposal</u>"); and

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor,

and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "<u>Cause</u>" includes: (i) a material breach of this Agreement which is not cured by Contractor within seven (7) days after written notification from the County; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the County, at least ninety (90) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the County shall be given to the Deputy County Executive who oversees the administration of the Office of the County Treasurer (the "Applicable DCE").

(c) In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. <u>Accounting Procedures; Records.</u> The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("<u>Records</u>"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the County, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. <u>Limitations on Actions and Special Proceedings Against the County</u>. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) <u>Notice</u>. At least thirty (30) days prior to seeking relief, the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the County Treasurer and (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) <u>Time Limitation</u>. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (<u>A</u>) final payment under or the termination of this Agreement, and (<u>B</u>) the accrual of the cause of action, and (<u>ii</u>) the time specified in any other provision of this Agreement.

14. <u>Work Performance Liability</u>. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance with this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. <u>Consent to Jurisdiction and Venue; Governing Law</u>. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and <u>forum non conveniens</u>. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee or Contractor employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Office of the Nassau County Treasurer, to the attention of the County Treasurer at 1 West Street, Mineola, NY 11501, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the County) at the principal address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, (iv) if to the County Attorney, to the attention of the County Attorney at One West Street, Mineola, NY, 11501, and (v) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the principal address specified above for the Contractor, and to Contractor's General Counsel at the same address, or in each case to such other persons or addresses as shall be designated by written notice.

17. <u>All Legal Provisions Deemed Included; Severability; Supremacy;</u> <u>Construction</u>. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement, so if any construction is made of the Agreement it shall not be construed against either party as drafter.

18. <u>Section and Other Headings</u>. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. <u>Administrative Service Charge</u>. The Contractor agrees to pay the County an administrative service charge of five hundred thirty-three dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001 and 126-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

20. <u>Executory Clause</u>. Notwithstanding any other provision of this Agreement:

(a) <u>Approval and Execution</u>. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) <u>Availability of Funds</u>. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any

Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

۰.

21. <u>Entire Agreement</u>. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supercedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

- 6. The Contractor shall assign matters requiring legal intervention to a law firm approved by the Nassau County Attorney ("<u>County Attorney</u>"), and that firm shall be responsible for the supervision and administration of the Contractor's performance of litigation services under this agreement and for the Contractor's coordination of its own efforts with those of the County.

- B. ASSIGNMENT AND RECALL OF CASES TO/FROM THE CONTRACTOR:
 - 1. The County will refer to the Contractor such Cases as it may in its sole discretion determine during the term of this Agreement. The County makes no representation as to the number of Cases that will be referred to the Contractor during the term of this Agreement. Referrals may be increased or decreased, without notice as the County deems appropriate. The County may attempt to make collections on Cases before they are referred to the Contractor.
 - 2. The County may at any time, for any reason, recall any and all matters or Cases referred to the Contractor. The Contractor agrees to return to the County any and all matters recalled within 15 days of receipt of notice of any such recall. In any matter in which the interests of the County and any other client of the Contractor are, or may become adverse, the Contractor shall contact the County in writing, and provide an opinion as to the existence of, or potential for, conflict in the matter, and the Contractor's recommendation on how best to proceed.

server, for commencing of and/or defending all necessary motions, unless notified to the contrary by the County, and for performing all the steps necessary in the litigation and collection of a Case, including but not limited to making maximum efforts to effect collections and following any County procedures for the settlement of a claim or judgment. The County reserves the right to direct the Contractor to instruct any attorney to discontinue use of particular process servers on Cases referred by the County effective immediately upon receipt of written notice from the County directing such discontinuation.

- 3. Prior to the service of any legal document by the Contractor or its attorneys acting on behalf of the County, one of the attorneys assigned by that firm shall review the particular file to determine that the criteria for legal action have been met, that the party to be served resides at the address appearing on the file, that the place of employment is verified, if necessary, and that all summonses and complaints, motions, notices, income executions, restraining notices, property executions, and all other pleadings and papers are served pursuant to law. Such attorney shall also review each legal document for its content, accuracy and lawfulness.
- 4. If requested by the Nassau County Attorney's Office (the "<u>Office of the</u> <u>County Attorney</u>"), litigation shall be commenced no later than six (6) months after assignment of a Case to the Contractor and shall be timely prosecuted. As agreed to by the attorney and directed by the County Attorney, attorneys shall pursue Cases, where appropriate, in all available state, federal, and local forums, including but not limited to Surrogate's Court and Bankruptcy Court.
- 5. Inquests shall be requested promptly after a default, where the inquest is necessary to obtain a judgment.

To the extent possible and as allowed by law, actions to collect judgments shall include, but are not limited to, service of income executions, property executions, restraining orders, initiation of supplementary proceedings, and where appropriate, other litigation efforts. Collection activities on judgments shall commence promptly, but no later than six months after entry of judgment.

- 1. County-approved attorneys shall cause all judgments to be entered, filed and docketed in the county where the action was brought, in the judgment debtor's county of residence, if within New York State, and in any county within New York State where the judgment debtor owns real property (as such fact becomes known), if not already so entered.
- 2. If a judgment has been satisfied, the County-approved attorney shall prepare a satisfaction of judgment within the time provided by law, shall file the original satisfaction with the court and shall send one copy to the judgment debtor, in accordance with applicable law.
- 3. The Contractor shall compute and collect interest on all judgments in accordance with applicable laws, regulations and rules, from the entry of each judgment.

F. FILES, REPORTS, AND PROCEDURES

- 1. The Contractor shall maintain a separate file for each referred Case. Files may be maintained electronically. Each file shall contain copies of all documents pertaining to the Case, copies of correspondence received from the responsible party, a record of all correspondence sent by the Contractor, and a record of all steps taken by the Contractor regarding the Case. All such files shall remain the property of the County. Separate records of the actions and activity occurring on all Cases that have been referred for legal action shall be maintained by the attorney's office and shall be preserved and available for inspection by the County
- 2. The Contractor shall maintain and utilize a computer system to track the status of all pending Cases both alphabetically and by agency of origin. The computer system shall generate the following reports which will be furnished to the County Treasurer, on a monthly basis, by the tenth working day following the month being reported: a status report for (i) pending claims and (ii) pending judgments, in alphabetical order by debtor, containing the following information: the County's claim number; the referring agency; the date of assignment to the Contractor; the date the claim accrued; the current status of each claim or judgment; the date of the last activity on each Case; a method of highlighting Cases in which no activity has occurred for two months; and totals for the number and amount of pending claims and judgments;
- 3. The reports described in paragraph F 2 of this Appendix A, and any other reports that may reasonably be required by the County, shall be available in both hard copy and electronically and furnished, in a format acceptable to the County, and are subject to criteria and standards to be established and set by the County. The Contractor will correct any errors in any

reports that are discovered by the Contractor or brought to the attention of the Contractor by the County. The County may, at its sole discretion, alter its reporting requirements, and the Contractor shall promptly comply with any such revised reporting requirements.

- 4. The Contractor shall advise the County of all of its collection procedures, and shall only employ those collection procedures explicitly approved by the County and authorized by law. The County reserves the right to require the Contractor to modify or change its procedures, and no procedure may be used by the Contractor which in the County's judgment is unfair, unethical, illegal or contrary to the best interest of the County.
- 5. Copies of all form "dunning" letters to be used by the Contractor shall be submitted to the County Attorney for approval prior to use.
- 6. The Contractor shall promptly report to the County Attorney any significant or potentially significant issue of law or fact which may arise in the course of collection of a Case. If the County Attorney agrees that a significant issue of law or fact is presented, the Case, in the sole discretion of the County Attorney, may either be returned to the County Attorney, or litigated by Contractor's attorney, subject to the supervision and approval of the County Attorney.
- 7. The Contractor shall promptly report to the County Attorney all counterclaims served against the County. In the sole discretion of the County Attorney, the Case may either be returned to the County Attorney or litigated by Contractor's attorney, subject to such supervision and control of the County Attorney, as the County Attorney deems appropriate. The Contractor shall not be entitled to a separate fee for defending any counterclaim.
- 8. No appeal may be filed without consent of the County, except to protect a statutory deadline. In such case, notification must be made promptly to the County Attorney. All Notices of Appeal served by the Contractor shall be delivered to the Office of the County Attorney.
- 9. All offers of settlement shall be submitted to the County Attorney on a form to be approved by the County Attorney, containing a statement of the facts and setting forth the Contractor's recommendations, and the basis for such recommendations.
- 10. No Case shall go without activity by the Contractor for more than three months except those Cases awaiting action by the courts, the sheriff or marshal, or Cases in which the Contractor is awaiting a response from a debtor or debtor's counsel and the Contractor or its attorney makes a Case notation that allowing additional time for a response is appropriate.

- 11. Each month the Contractor shall return those Cases which, after making every reasonable effort to collect, it deems uncollectible. Returns shall be made in a manner acceptable to the County. Subject to direction from the County, the Contractor may return all Cases within six months after assignment when the defendant cannot be located, or where the Contractor, in the reasonable exercise of its judgment, deems the claim or judgment uncollectible. The County may review the Cases returned, and in its sole discretion, require the Contractor to make additional collection efforts.
- 12. In the event that the Contractor receives correspondence, communication or payment relating to a Case which has not been assigned to the Contractor, or which has been closed and returned, the Contractor shall at no charge, inform the correspondent to contact the County Treasurer and shall notify the County Treasurer of the correspondence, communication or payment and forward such, in accordance with the County's instructions.

- 6. The Contractor shall assign matters requiring legal intervention to a law firm approved by the Nassau County Attorney ("<u>County Attorney</u>"), and that firm shall be responsible for the supervision and administration of the Contractor's performance of litigation services under this agreement and for the Contractor's coordination of its own efforts with those of the County.

- B. ASSIGNMENT AND RECALL OF CASES TO/FROM THE CONTRACTOR:
 - 1. The County will refer to the Contractor such Cases as it may in its sole discretion determine during the term of this Agreement. The County makes no representation as to the number of Cases that will be referred to the Contractor during the term of this Agreement. Referrals may be increased or decreased, without notice as the County deems appropriate. The County may attempt to make collections on Cases before they are referred to the Contractor.
 - 2. The County may at any time, for any reason, recall any and all matters or Cases referred to the Contractor. The Contractor agrees to return to the County any and all matters recalled within 15 days of receipt of notice of any such recall. server, for commencing of and/or defending all necessary motions, unless notified to the contrary by the County, and for performing all the steps necessary in the litigation and collection of a Case, including but not limited to making maximum efforts to effect collections and following any County procedures for the settlement of a claim or judgment. The County reserves the right to direct the Contractor to instruct any attorney to discontinue use of particular process servers on Cases referred by the County effective immediately upon receipt of written notice from the County directing such discontinuation.

- 3. Prior to the service of any legal document by the Contractor or its attorneys acting on behalf of the County, one of the attorneys assigned by that firm shall review the particular file to determine that the criteria for legal action have been met, that the party to be served resides at the address appearing on the file, that the place of employment is verified, if necessary, and that all summonses and complaints, motions, notices, income executions, restraining notices, property executions, and all other pleadings and papers are served pursuant to law. Such attorney shall also review each legal document for its content, accuracy and lawfulness.
- 4. If requested by the Nassau County Attorney's Office (the "<u>Office of the</u> <u>County Attorney</u>"), litigation shall be commenced no later than six (6) months after assignment of a Case to the Contractor and shall be timely prosecuted. As agreed to by the attorney and directed by the County Attorney, attorneys shall pursue Cases, where appropriate, in all available state, federal, and local forums, including but not limited to Surrogate's Court and Bankruptcy Court.
- 5. Inquests shall be requested promptly after a default, where the inquest is necessary to obtain a judgment.

- 2. If a judgment has been satisfied, the County-approved attorney shall prepare a satisfaction of judgment within the time provided by law, shall file the original satisfaction with the court and shall send one copy to the judgment debtor, in accordance with applicable law.
- 3. The Contractor shall compute and collect interest on all judgments in accordance with applicable laws, regulations and rules, from the entry of each judgment.

F. FILES, REPORTS, AND PROCEDURES

- 1. The Contractor shall maintain a separate file for each referred Case. Files may be maintained electronically. Each file shall contain copies of all documents pertaining to the Case, copies of correspondence received from the responsible party, a record of all correspondence sent by the Contractor, and a record of all steps taken by the Contractor regarding the Case. All such files shall remain the property of the County. Separate records of the actions and activity occurring on all Cases that have been referred for legal action shall be maintained by the attorney's office and shall be preserved and available for inspection by the County
- 2. The Contractor shall maintain and utilize a computer system to track the status of all pending Cases both alphabetically and by agency of origin. The computer system shall generate the following reports which will be furnished to the County Treasurer, on a monthly basis, by the tenth working day following the month being reported: a status report for (i) pending claims and (ii) pending judgments, in alphabetical order by debtor, containing the following information: the County's claim number; the referring agency; the date of assignment to the Contractor; the date the claim accrued; the current status of each claim or judgment; the date of the last activity on each Case; a method of highlighting Cases in which no activity has occurred for two months; and totals for the number and amount of pending claims and judgments;
- 3. The reports described in paragraph F 2 of this Appendix A, and any other reports that may reasonably be required by the County, shall be available in both hard copy and electronically and furnished, in a format acceptable to the County, and are subject to criteria and standards to be established and set by the County. The Contractor will correct any errors in any

reports that are discovered by the Contractor or brought to the attention of the Contractor by the County. The County may, at its sole discretion, alter its reporting requirements, and the Contractor shall promptly comply with any such revised reporting requirements.

- 4. The Contractor shall advise the County of all of its collection procedures, and shall only employ those collection procedures explicitly approved by the County and authorized by law. The County reserves the right to require the Contractor to modify or change its procedures, and no procedure may be used by the Contractor which in the County's judgment is unfair, unethical, illegal or contrary to the best interest of the County.
- 5. Copies of all form "dunning" letters to be used by the Contractor shall be submitted to the County Attorney for approval prior to use.
- 6. The Contractor shall promptly report to the County Attorney any significant or potentially significant issue of law or fact which may arise in the course of collection of a Case. If the County Attorney agrees that a significant issue of law or fact is presented, the Case, in the sole discretion of the County Attorney, may either be returned to the County Attorney, or litigated by Contractor's attorney, subject to the supervision and approval of the County Attorney.
- 7. The Contractor shall promptly report to the County Attorney all counterclaims served against the County. In the sole discretion of the County Attorney, the Case may either be returned to the County Attorney or litigated by Contractor's attorney, subject to such supervision and control of the County Attorney, as the County Attorney deems appropriate. The Contractor shall not be entitled to a separate fee for defending any counterclaim.
- 8. No appeal may be filed without consent of the County, except to protect a statutory deadline. In such case, notification must be made promptly to the County Attorney. All Notices of Appeal served by the Contractor shall be delivered to the Office of the County Attorney.
- 9. All offers of settlement shall be submitted to the County Attorney on a form to be approved by the County Attorney, containing a statement of the facts and setting forth the Contractor's recommendations, and the basis for such recommendations.
- 10. No Case shall go without activity by the Contractor for more than three months except those Cases awaiting action by the courts, the sheriff or marshal, or Cases in which the Contractor is awaiting a response from a debtor or debtor's counsel and the Contractor or its attorney makes a Case notation that allowing additional time for a response is appropriate.

- 11. Each month the Contractor shall return those Cases which, after making every reasonable effort to collect, it deems uncollectible. Returns shall be made in a manner acceptable to the County. Subject to direction from the County, the Contractor may return all Cases within six months after assignment when the defendant cannot be located, or where the Contractor, in the reasonable exercise of its judgment, deems the claim or judgment uncollectible. The County may review the Cases returned, and in its sole discretion, require the Contractor to make additional collection efforts.
- 12. In the event that the Contractor receives correspondence, communication or payment relating to a Case which has not been assigned to the Contractor, or which has been closed and returned, the Contractor shall at no charge, inform the correspondent to contact the County Treasurer and shall notify the County Treasurer of the correspondence, communication or payment and forward such, in accordance with the County's instructions.

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so

that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

- 3. Prior to the service of any legal document by the Contractor or its attorneys acting on behalf of the County, one of the attorneys assigned by that firm shall review the particular file to determine that the criteria for legal action have been met, that the party to be served resides at the address appearing on the file, that the place of employment is verified, if necessary, and that all summonses and complaints, motions, notices, income executions, restraining notices, property executions, and all other pleadings and papers are served pursuant to law. The computer system shall generate the following reports which will be furnished to the County Treasurer, on a monthly basis, by the tenth working day following the month being reported: a status report for (i) pending claims and (ii) pending judgments, in alphabetical order by debtor, containing the following information: the County's claim number; the referring agency; the date of assignment to the Contractor; the date the claim accrued; the current status of each claim or judgment; the date of the last activity on each Case; a method of highlighting Cases in which no activity has occurred for two months; and totals for the number and amount of pending claims and judgments;
- 3. The reports described in paragraph F 2 of this Appendix A, and any other reports that may reasonably be required by the County, shall be available in both hard copy and electronically and furnished, in a format acceptable to the County, and are subject to criteria and standards to be established and set by the County. The Contractor will correct any errors in any

reports that are discovered by the Contractor or brought to the attention of the Contractor by the County. The County may, at its sole discretion, alter its reporting requirements, and the Contractor shall promptly comply with any such revised reporting requirements.

- 4. The Contractor shall advise the County of all of its collection procedures, and shall only employ those collection procedures explicitly approved by the County and authorized by law. The County reserves the right to require the Contractor to modify or change its procedures, and no procedure may be used by the Contractor which in the County's judgment is unfair, unethical, illegal or contrary to the best interest of the County.

If the County Attorney agrees that a significant issue of law or fact is presented, the Case, in the sole discretion of the County Attorney, may either be returned to the County Attorney, or litigated by Contractor's attorney, subject to the supervision and approval of the County Attorney.
- 7. The Contractor shall promptly report to the County Attorney all counterclaims served against the County. In the sole discretion of the County Attorney, the Case may either be returned to the County Attorney or litigated by Contractor's attorney, subject to such supervision and control of the County Attorney, as the County Attorney deems appropriate. The Contractor shall not be entitled to a separate fee for defending any counterclaim.
- 8. No appeal may be filed without consent of the County, except to protect a statutory deadline. In such case, notification must be made promptly to the County Attorney. All Notices of Appeal served by the Contractor shall be delivered to the Office of the County Attorney.
- 9. All offers of settlement shall be submitted to the County Attorney on a form to be approved by the County Attorney, containing a statement of the facts and setting forth the Contractor's recommendations, and the basis for such recommendations.
- 10. No Case shall go without activity by the Contractor for more than three months except those Cases awaiting action by the courts, the sheriff or marshal, or Cases in which the Contractor is awaiting a response from a debtor or debtor's counsel and the Contractor or its attorney makes a Case notation that allowing additional time for a response is appropriate.

- 11. Each month the Contractor shall return those Cases which, after making every reasonable effort to collect, it deems uncollectible. Returns shall be made in a manner acceptable to the County. Subject to direction from the County, the Contractor may return all Cases within six months after assignment when the defendant cannot be located, or where the Contractor, in the reasonable exercise of its judgment, deems the claim or judgment uncollectible. The County may review the Cases returned, and in its sole discretion, require the Contractor to make additional collection efforts.
- 12. In the event that the Contractor receives correspondence, communication or payment relating to a Case which has not been assigned to the Contractor, or which has been closed and returned, the Contractor shall at no charge, inform the correspondent to contact the County Treasurer and shall notify the County Treasurer of the correspondence, communication or payment and forward such, in accordance with the County's instructions.

In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(I) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such

modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

Parts 160 through 164 (the "<u>HIPAA Regulations</u>"). This Addendum shall address Business Associate's receipt, use, and creation of PHI during the provision of the Services to allow the Covered Entity to comply with HIPAA and other related applicable laws.

2. **Definitions**. Unless otherwise defined in this Addendum, all capitalized terms used in this Addendum shall have the meanings ascribed in the HIPAA Regulations; provided, however, that "PHI" shall mean Protected Health Information, as defined in 45 C.F.R. § 160.103 and 45 CFR 164.501, limited to the Protected Health Information Business Associate received from, created, or received on behalf of Covered Entity as its Business Associate.

3. **Obligations with Respect to PHI**. Notwithstanding the generality of the foregoing, Business Associate specifically covenants and agrees to comply with the Business Associate provisions of HIPAA in all respects. Specifically, and without limitation, Business Associate agrees as follows:

- a. <u>Use and Disclosure</u>. Business Associate agrees not to use or disclose PHI other than as permitted or required by this Addendum, the Agreement or required by law [45 C.F.R. § 164.504(e)(2)(ii)(A)];
- b. <u>Appropriate Safeguards</u>. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of PHI other than as provided for by this Addendum or required by law [45 C.F.R. § 164.504(e)(2)(ii)(B)];
- c. <u>Reporting.</u> Business Associate agrees to report to Covered Entity any use or disclosure of PHI not provided for by this Addendum within twenty-four (24) hours of when Business Associate becomes aware of such, including any

discovery of any inconsistent use or disclosure by an agent or subcontractor of Business Associate [45 C.F.R. §164.504(e)(2)(ii)©];

- d. <u>Agents.</u> Business Associate agrees to ensure that any agents and subcontractors to whom it provides PHI received from, or created, or received by Business Associate on behalf of Covered Entity agree to the same restrictions and conditions set forth in the business associate provisions of the HIPAA Regulations that apply through this Addendum to the Business Associate with respect to such information [45 C.F.R. §164.504(e)(2)(ii)(D)];
- e. <u>Access to Designated Record Sets.</u> To the extent that Business Associate processes or maintains PHI in a Designed Record Set, Business Associate agrees, at the request of Covered Entity for access to PHI about an individual contained in a Designated Record Set, in a time and manner designated by Covered Entity, to make such PHI available to Covered Entity to enable Covered Entity to fulfill its obligations under the HIPAA Regulations respecting the provision of access to PHI [45 C.F.R. § 164.504(e)(2)(ii)(E) and/or 45 CFR 164.524]. In the event that any individual requests access to PHI directly from Business Associate, Business Associate shall, within ten (10) days, forward such request to Covered Entity;

- g. <u>Accounting of Disclosures.</u> Business Associate agrees to document disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request for an accounting of disclosures of PHI, and to make available to Covered Entity such information as requested [45 C.F.R. § 164.504(e)(2)(ii)(G)]. In the event a request for an accounting is delivered directly to Business Associate, Business Associate shall, within ten (10) days, forward such request to Covered Entity;

5. <u>Security Safeguards</u>. Business Associate agrees to implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any electronic PHI that it creates, receives, maintains, or transmits to or on behalf of Covered Entity as required by the HIPAA Regulations. Business Associate specifically agrees to employ multiple security mechanisms to ensure the confidentiality, integrity, and availability of the electronic data which is exchanged with Covered Entity, including but not limited to authentication controls, authorization controls, audit controls and encryption, as requested by Covered Entity. Business Associate further agrees to ensure that any agent, including a subcontractor, to whom it provides such information, agrees to implement reasonable and appropriate safeguards to protect it. The Firm has been successful in such traditionally "high risk" and "high exposure" areas in and around New York City, including the New York State Court of Claims, Bronx and Kings Counties, Nassau County, Suffolk County, the Hudson Valley as well as the Eastern and Southern Districts of the Federal Court, the four Appellate Divisions of New York State, the New York State Court of Appeals, and Federal Circuit Courts of Appeal. The Firm has also been called in to appear in other state and federal courts from New Jersey to Michigan.

The Firm has successfully litigated, tried, appealed, arbitrated and mediated literally thousands of cases in the New York Metropolitan area. We pride ourselves on meticulous attention devoted to each of our matters, and our strong record of advocacy is based on careful preparation coupled with constant communication with the client.

To implement this philosophy, the Firm has instituted a system of "Litigation Units" to ensure the flawless handling of each file within our control – from answer to trial. Each litigation unit is headed by a master trial or appellate lawyer and staffed by associate trial lawyers responsible for a designated group of matters. Each unit leader is charged with the task of daily supervision of his/her unit members and the chairing of a weekly session with those members in preparation for ongoing and upcoming matters. Additionally, the unit leader meets on a bi-weekly basis with other litigation unit leaders at a roundtable chaired by the firm's managing member and founder.

During the course of trials, each trial lawyer confers with his/her team leader and Mr. Johnson throughout and after court sessions. The careful preparation of lawsuits long before the trial of the action, early evaluation with the participation of the client, combined with the free exchange of strategies and solutions between the firm's trial lawyers and clients and their representatives has resulted in the firm's unprecedented success in the State and Federal trial courts and has established the Firm's pre-eminent position in the New York metropolitan area.

We enjoy an excellent relationship with the Judiciary at the State and Federal levels. Our involvement in bar associations and Court appointed Judicial selection panels, gives us an opportunity to have a mutually respectful relationship with the Judicial community.

The Firm's deserved recognition for having experienced and sophisticated litigators enables us to provide our clients an important advantage. New York's plaintiffs' bar who regularly bring tort claims know we are fully prepared to try these lawsuits to conclusion in State and Federal courts. This allows us to settle claims expeditiously and favorably.

Our members and senior associates have an expansive resume of bringing to favorable verdict and resolution significant and complex cases. The Firm has posted a record of success in defending so-called "full liability" and "absolute liability" cases. As the result of its emphasis on skillful presentation of engineering, physics, medical, economic, accounting and forensic evidence, the Firm has saved clients literally many millions of dollars.

One key to the Firm's success is constant preparation. The Firm is literally open for client meetings seven days a week. On weekends, the Firm's attorneys often gather in its conference rooms for symposia on such diverse topics as trial practice and technique, jury selection, cross-examination and use of expert witnesses. Additionally, prominent experts from the fields of medicine, engineering, economics, physics, chemistry and accounting valuation deliver lectures and answer questions from the staff.

Following is a discussion of some of the areas where we have extensive experience in defending the interests of insurers, insureds and self-insureds:

I. Automobile, Trucking & Bus Liability

The Firm has decades of experience in defending insurance companies and individuals in thousands of lawsuits resulting from motor vehicle accidents involving private vehicles, commercial vehicles, common carriers, bicycles and pedestrians, and brought pursuant to the New York State Vehicle and Traffic Law, Insurance Law and common law tort. The Firm is experienced in all facets of automobile litigation, such as: Automobile Accident Claims (including PIP, UM and UIM), Commercial Vehicle Claims, and Truck/Motor Carrier liability

A. Representative Automobile Accident Verdicts and Settlements

- Achieved numerous awards for summary judgment as well as defense verdicts on the issue of liability in cases involving lefts turns, rear-end collisions, head-on collisions, pedestrian knock-downs, motorcycle and bicycle accidents.
- Awarded a unanimous defense verdict at trial on liability involving a head-on collision occurring between our client, driver of a motor vehicle that allegedly crossed the double yellow line, and a motorcycle. Plaintiff motorcyclist demanded \$100,000 to settle before trial alleging multiple serious injuries, including a fractured clavicle and shoulder impingement.

- Achieved numerous defense verdicts at a damages only trials after the plaintiffs were awarded summary judgment on liability as well as summary judgment awards on "serious injury", where the documentary evidence and party and medical expert testimony demonstrated that the plaintiffs failed to meet the New York State "serious injury" threshold.
- Achieved a jury verdict on liability finding each party 50% liable for the intersection collision. At the trial on damages, where the plaintiff underwent two back surgeries involving internal fixation of the cervical spine, achieved a jury verdict of \$45,000, significantly below the standard award and a fraction of the plaintiff's demand for \$9 million.
- Achieved a dismissal of all claims against our client, driver of the second car in a four car chain reaction rear-end collision accident, after three days of trial in federal court. The plaintiff sought \$85,000 in damages at trial alleging he sustained a shoulder fracture, cervical radiculopathy, ulnar neuropathy and brachial plexopathy as a result of the accident.

B. Automobile Accident Appeals

- Won reversal of an order which denied our client's motion for summary judgment on the issue of liability and obtained dismissal of all claims and cross-claims in claim for wrongful death arising from auto accident. In this high-profile case involving criminal charges against four of the named defendants who brought claims against our client in an attempt to allay their liability, we successfully argued that the intervening criminal acts of the co-defendants were not foreseeable, and that our client did not engage in improper conduct. At the trial after the appeal, the jury awarded the plaintiffs over \$10 million in damages against the remaining defendants.
- Successfully defeated the plaintiff's appeal of the order vacating the default judgment against our client and dismissing the Complaint in its entirety.
 Demonstrated to the motion court and the appellate court that the building where our client, who was living with the plaintiff at the time, had allegedly been served had been continuously vacant for over two years and that process could not have been effected at the address specified in the affidavit of service.

C. Commercial Vehicle & Truck Accident Verdicts and Settlements

- Obtained summary judgment on liability showing that our client, a nationally recognized utility provider, properly parked its service truck in the co-defendant construction company's work site while performing emergency repairs, and was not a proximate cause of the motor vehicle accident. Successfully achieved dismissal of all claims and cross-claims against our client in this matter where the plaintiff underwent back surgery as a result of the auto accident near the construction site.
- Represented major metropolitan newspaper in claim for wrongful death after the plaintiff's decedent ran a red light on a motorized bicycle and collided with the

side of the newspaper's delivery truck at high speed. The decedent, who was 16 years old at the time of the alleged incident, was in a coma for several months before dying from injuries allegedly sustained in the accident.

D. Commercial Vehicle & Truck Accident Appeals

- Successfully appealed an order of the lower court which denied a nationally known utility company's motion for summary judgment on liability. On reversal, the appellate court ruled that utility's commercial truck, legally parked at a corner of a "T" intersection, was not obstructing the view of those entering the intersection. If the Firm had not been successful on appeal, our client was facing trial and a potential verdict in favor of the plaintiff of up to \$750,000 for serious injuries, including a cardiac incident, resulting from the accident.

E. Transportation, Vehicle & Bus Accident Verdicts and Settlements

- Represented major metropolitan area bus company in claim for quadriplegia after fire on bus and the ensuing panic caused the plaintiff to be ejected from bus front door while the bus was traveling 65 mph on major highway. Impleader of bus manufacturer caused modest settlement for our client.
- Represented major bus company in multiple serious injury claims by passengers after driver allegedly fell asleep at the wheel and bus left the roadway and flipped over.
- Represented bus company and driver in multiple serious injury and wrongful death claims by passengers resulting when the bus driver allegedly lost control of the vehicle and went off the road. Alternate causation theory caused early settlement below reserve.

F. Transportation, Vehicle & Bus Accident Appeals

- Won reversal of an order denying the bus company's motion for summary judgment on the issue of "serious injury." Successfully argued to the Appellate Division that the plaintiffs failed to proffer competent medical evidence of their alleged limitations in range of motion to raise a question of fact in opposition to our client's bus company's *prima facie* showing of entitlement to summary judgment.
- Represented ambulette service on appeal of a jury verdict in favor of defendant showing that the verdict was not against the weight of the evidence.
 Successfully argued that the ten passenger ambulette experienced an electrical malfunction stranding the vehicle in the center lane of a three lane highway, that the driver immediately and properly set-up warning and safety devices to alert oncoming traffic of the stalled ambulette, and that the plaintiff's negligence was the sole proximate cause of the rear-end collision.

II. Construction Site & Labor Law Liability

The Firm's attorneys have decades of experience defending "absolute" liability and Industrial Code violation claims arising from construction site accidents. The Firm has had success in obtaining defense and indemnification for our clients through tender demands and litigation. We have also successfully won defenses on damages where many other firms admit defeat. The Firm also has decades of experience in representing excess insurers in oversight of personal injury and wrongful death claims arising from construction site accidents to ensure the matters settle within the primary policy limits.

A. Verdicts & Settlements

- Dismissal of high exposure paraplegia claim in Labor Law action based on sole proximate cause defense against the plaintiff.
- Successfully achieved by court order and negotiation countless tenders of defense and indemnification on behalf of property owners.
- Represented internationally known construction company in various construction site accident litigations.
- Achieved settlement of personal injury action alleging catastrophic, traumatic brain injury against our client, the general contractor of roadside construction project, where construction barriers allegedly blocked the view of the driver and pedestrian involved in a pedestrian knock-down accident.
- Successfully achieved dismissal of the plaintiff's Labor Law § 240(1) claim by demonstrating the plaintiff was not engaged in a height-related activity at the time of the partial amputation of the plaintiff's forearm by a falling fire escape ladder.
- Successfully moved *in limine* after opening statements to preclude the plaintiff's MRI films and expert testimony on the issue of causation, providing the foundation for a successful motion for a directed verdict dismissing the plaintiff's Complaint in its entirety. Ultimately achieved a settlement far below the standard.

B. Appeals

 Achieved affirmance of summary judgment order dismissing the plaintiff's claims pursuant to Labor Law §§ 200, 240(1) and 241(6). Successfully argued that the owner of a two-family home retained nothing more than a limited power of general supervision and did not supervise or control the plaintiff or the means and methods of his work.

III. Mass Casualty Torts

The Firm has experience representing well-known entities in the defense of wrongful death claims arising from catastrophic events that have gained nation-wide attention and news following.

- Represented a nationally known compressed gas manufacturer in State criminal investigation, wrongful death, personal injury and class action lawsuits for business interruption following a massive explosion and fire at a chemical analytical lab resulting in multiple deaths and injuries.

IV. Products Liability

The Firm's attorneys have successfully defended product manufacturers, distributors and dealers in a variety of products liability claims, achieving excellent results for its clients through aggressive and persistent discovery, investigation, and expert retention.

- Achieved summary judgment on behalf of a Michigan based manufacturer of spray-paint hoses in personal injury action alleging negligent manufacture of component parts after diligent investigation resulted the successful impleader of the correct manufacturer.
- Represented international manufacturer of beauty products in action claiming the plaintiff was injured by a defective glass vial used to package hair products. Successfully obtained jurisdiction over foreign manufacturer and foreign distributers of the glass vial pursuant to the Hague Convention.
- Obtained summary judgment on behalf of garage owner in wrongful death action. Demonstrated through impleader of the manufacturer of the "man lift" that the plaintiff was using, that the "man lift" had malfunctioned causing plaintiff's decedent to be crushed to death. Successfully argued that the decedent was a "special employee" at the time of the accident and thus the garage owner was entitled to rely upon the Worker's Compensation exclusion.

B. Appeals

 Took over representation of a regional food distributor whose answer was struck in catastrophic e coli personal injury matter. Achieved excellent victory on appeal setting new precedent regarding the continued existence of crossclaims after the crossclaiming party's answer was struck and as to the plaintiff's failure to provide responses in Bill of Particulars. Also, successfully defeated appeal by impleaded food manufacturer and grocery store for product liability.

V. School, Daycare & Afterschool Program Liability

The Firm and its attorneys have decades of experience defending against claims arising out of playground accidents, claims of negligent supervision, and claims of negligent hiring, retention and training of school staff.

- Successfully appealed order granting the plaintiffs' motion to compel discovery and denying our client's cross-motion for a protective order. Achieved unanimous reversal of the lower court's order demonstrating that the reports sought by the plaintiffs were prepared in anticipation of litigation, and that the plaintiffs failed to show that they had a substantial need of the materials and were unable without undue hardship to obtain the substantial equivalent of the materials by other means.

The Department may qualify Counsel in additional areas of law.

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional antidiscrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.
