Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

Appendix EE

EQUAL EMPLOYMENT OPPORTUNTIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Check list may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(1) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The Blanket Purchase shall not apply in any way to items of material or service deemed by the County in its sole discretion to be extraordinary or involve any special conditions, quantities, circumstances or complexities.

NEW YORK STATE PRICES: Bidders must represent and warrant that if they are under contract with New York State for items specified herein, that the price quoted to the County is not higher than the price per unit quoted to New York State for like quantities.

It is distinctly understood, however, that nothing in the forgoing shall mean or imply that it is obligatory upon the Director to make any examinations before an award; and it is further understood that, if such examination is made, it in no way relieves the bidder from fulfilling all requirements and conditions of the bid.

IMPORTANT NOTE: The Director reserves the right to accept or reject any and all bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Director determines the best interests of the County of Nassau will be served. The Director, in his sole discretion, may accept or reject illegible, incomplete or vague bids and his decision shall be final. Prior to award, the Director reserves the right to seek clarifications, request bid revisions, or to request any information deemed necessary for proper evaluation of bids from all bidders deemed to be eligible for contract award. Failure to provide requested information may result in rejection of the bid.

	Title:	Cedar Creek WPCP Chemical Reduction Project	
	Engineer's Estimate:	\$15,369,482.00	
	Bids Received On:	December 8, 2015	

The bids received for the above-mentioned contract have been examined; and, the bid submitted by R.J. Industries, Inc. in the amount of \$12,627,700 is acceptable as the lowest responsible bidder.

Dear Mr. Davenport:

On December 8, 2015, Nassau County Department of Public Works (NCDPW) received three bids for the above referenced project. Camp Dresser McKee & Smith (CDM Smith) has performed a bid analysis of the bids received. Below is our summary of the analysis, references, and recommendation.

CDM Smith has reviewed the lump sum bids for Contract No. S35114-10G which are summarized as follows:

R. J. Industries, Inc (R.J. Industries) is the apparent low bidder with a bid that is approximately \$2.7 million (17.8%) less than the Engineer's Opinion of Probable Construction Cost. We believe the bid offered by R.J. Industries is reasonable and R.J. Industries has affirmed their commitment to the County to honor this bid price.

References

Name: John Berchtold, Suffolk County DPW Project: Bergen Point WWTP (SCSD #3) Influent Pump Station Butterfly Valve Replacement Project Completed: 2014

Mr. Berchtold indicated R.J. Industries is very good to work with, professional, responsive and accessible. The project went well and Mr. Berchtold said R.J. Industries is capable of handling a project in the \$13M size range.

Name: Joseph Mautarano, D&B Engineers and Architects Project: Great Neck WPCD Plant Upgrade and Expansion Project; Mictoturbine Cogeneration Facility Project Completed: 2014 (both projects)

Mr. Mautarano confirmed his work experience with R.J. Industries on the Great Neck WPCD Plant Upgrade and Expansion to 5.3 MGD and the Mictoturbine Cogeneration Facility projects. Mr. Mautarano stated R.J. Industries was easy to work with, finished on time, was reasonable on change orders, and performed satisfactorily. Mr. Mautarano indicated he would use them for work in the future.

Nassau County DPW has also worked with R.J. Industries on past projects, and is currently working with them on the Heating Hot Water Piping Temporary System at the Bay Park STP. The County has indicated they are satisfied with R.J. Industries work.

Past Experience

CDM Smith also reviewed the Qualification Statement submitted with R. J. Industries, Inc.'s proposal. From the list of current and past projects performed, it is apparent that R. J. Industries has at least nine (9) projects involving work for the Nassau County DPW (NCDPW) and has performed work at the Cedar Creek WPCP. Contracts with the NCDPW range in value from \$0.8M to \$28.7M.

In addition to work with the NCDPW, R. J. Industries has significant experience with projects involving wastewater facilities in the area.

Mr. Joseph L. Davenport, P.E. January 8, 2016 Page 3

Award Recommendation

Based upon the above, CDM Smith recommends that this contract be awarded to the lowest responsive responsible bidder, RJ Industries, in the amount of \$12,627,700. CDM Smith's recommendation is based on confirmation by the County of R.J. Industries compliance with the bonding, insurance, and other bidding requirements of the Contract, and satisfactorily providing all "Additional Information" as requested by the County in a letter dated December 30, 2015 to R.J. Industries.

Should you have any questions or concerns, please do not hesitate to contact me. We look forward to working with the County during the construction phase of this important project.

Sincerely,

d Shatku

<u>Instructions</u>: Please check the appropriate box (" \square ") after one of the following roman numerals, and provide all the requested information.

I. \square The contract was awarded to the lowest, responsible bidder after advertisement

for sealed bids. The contract was awarded after a request for sealed bids was published in Newsday on November 6, 2015. The sealed bids were publicly opened on December 8, 2015. Three [3] sealed bids were received and opened.

II. The contractor was selected pursuant to a Request for Proposals.

The Contract was entered into after a written request for proposals was issued on March 20, 2009. Potential proposers were made aware of the availability of the RFP by advertisement in Newsday, posting on industry websites, via email to interested parties and by publication on the County procurement website. The evaluation committee consisted of: three members of the Comptroller's Office and one member of the County Executive's Office. The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

III. \Box This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after

procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. \Box Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- □ A. The contract has been awarded to the proposer offering the lowest cost proposal; OR:
- \square **B.** The attached memorandum contains a detailed explanation as to the reason(s)why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. \Box Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- □ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- □ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- □ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no.______, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

D. Pursuant to General Municipal Law Section 119-0, the department is purchasing the services required through an inter-municipal agreement.

VI. \Box This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII.
This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII.
Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. Z Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to the contract being submitted to the Comptroller.

X. U Vendor will not require any sub-contractors.

<u>In addition</u>, if this is a contract with an individual or with an entity that has only one or *two employees:* \Box a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling* No. 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

IRAN DIVESTMENT ACT - CERTIFICATION

Pursuant to New York State Finance Law §165-a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which relfance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

Sole Source Justification for Contract with the Center for Court Innovation

i.

Organization Name: Fund for the City of New York, Center for Court Innovation

The Center for Court Innovation (the Center) is a unique public/private partnership between the New York State Unified Court System and the Fund for the City of New York. The Center has an ongoing, formal contractual relationship with the Unified Court System and functions as its research and development arm. The Center has a long history of developing and sustaining innovative court-related initiatives in New York, including the Midtown Community Court, the Brooklyn Treatment Court, and the Red Hook Community Justice Center. The Center has received both a Harvard University Innovations in American Government Award and the Peter Drucker Award for Innovation in honor of its unique role in fostering court innovation in New York State and nationally.

The Nassau County Adolescent Diversion Part is a groundbreaking partnership between the Office of Court Administration, the Nassau County District Attorney's Office, the Center for Court Innovation, as well as numerous service providers in Nassau County. This program ensures that adolescents ages 16 and 17 years old receive the benefit of appropriate services and reduces the likelihood that they will be trapped in a cycle of reoffending. Additionally, Nassau County pilots an initiative to divert trafficking victims from the criminal justice system and to ensure that they are linked with social services specifically designed to help lead them to safety. Both efforts require on-site coordination to ensure that appropriate defendants are identified and referred to effective services and that prosecutor, defense counsel and the court receive timely and accurate updates on their participation in those services. Additionally, an on-site coordinator allows project stakeholders to track outcomes and case resolutions. In order to achieve these goals, the Center for Court Innovation has hired, trained and supervises a Resource Coordinator to staff both projects.

The Resource Coordinator's Role: The Adolescent Diversion Part seeks to help teenage defendants avoid the legal and collateral consequences associated with criminal prosecution and receive the assistance they need to pursue law-abiding, productive futures. The initiative has fundamentally re-engineered how the cases of 16 and 17 year olds are dealt with in criminal court. The Adolescent Diversion Part has several primary elements which require support from an on-site Resource Coordinator:

1. All cases involving 16 and 17 year olds charged with misdemeanors and, in certain cases, non-violent felonies are assigned to the Adolescent Diversion Part. Each defendant is then required to have a validated

÷ ,

assessment by probation using the Youth Assessment Screening Instrument (YASI). The Resource Coordinator reviews each assessment and makes a recommendation to the Court regarding appropriate treatment or alternative program referrals.

2. Judges hearing cases involving 16 and 17 year olds receive training in topics such as adolescent brain development, trauma, substance abuse, mental health, co-occurring disorders, education, and family issues. The Resource Coordinator organizes and coordinates these training programs.

3. With support from the Resource Coordinator, participating judges have access to expanded sentencing options, generally consisting of short-term social service interventions – including sessions devoted to conflict resolution, civic responsibility, and vocational and educational goal setting – as well as community service. Each sentencing decision is informed by the brief YASI assessment conducted prior to the defendant's court appearance that elicits factors contributing to offending, including substance abuse, mental health needs, trauma, cognitive behavioral challenges, educational deficits, and familial stress. Where mental health needs are identified, an in-depth assessment informs individualized plans for community-based treatment and family support services. Services are age-appropriate and address the unique emotional and developmental needs of adolescents. In general, the program seeks to use short-term interventions as a springboard to voluntary engagement in longer-term services.

4. The Resource Coordinator recommends an appropriate therapeutic intervention and monitors compliance with treatment. The Resource Coordinator is in regular contact with each of the treatment agencies and reports to the Court and each of the stakeholders if the adolescent fails to attend treatment or if an alternative level of care is required.

Uniqueness of the Contractor

The Center for Court Innovation is a one-of-a-kind public/private partnership that acts as the New York State Unified Court System's research and development arm and is uniquely suited to provide the necessary services. For the past fifteen years in New York, the Center has worked with the court system to create and operate <u>demonstration projects</u> that test new ideas to address local public safety problems, implement new solutions, and evaluate their effectiveness. The Center's projects include: alternative to detention programs, community courts, drug courts, reentry courts, domestic violence courts, and mental health courts. In each of these projects the Center has had a commitment to developing technology to collect and provide crucial information for project operations, as well as collecting data for rigorous evaluations to assess program impact and

effectiveness. This includes a commitment to tracking outcomes and case resolutions. The Center's firsthand experience working with the New York State Unified Court System on various initiatives has given it one-of-a-kind expertise in implementing new approaches to societal problems such as drug abuse, mental illness and low level offending.

. .

With its extensive experience in working with youth, piloting alternative to incarceration programs, problemsolving court development, and court technology, as well as its well-established relationship with the New York State Unified Court System's Office of Court Administration, the Center is uniquely suited to provide assistance with the numerous legal and technical initiatives necessary for this project.

The provisions of this subsection shall survive the termination of this Agreement.

12. <u>Accounting Procedures; Records.</u> The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("<u>Records</u>"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. <u>Limitations on Actions and Special Proceedings against the County</u>. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) <u>Notice</u>. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing

to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. (b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. Project Description

The Nassau County Adolescent Diversion Part is a groundbreaking partnership between the Office of Court Administration, the Nassau County District Attorney's Office, the Center for Court Innovation, as well as numerous service providers in Nassau County. This program ensures that adolescents ages 16 and 17 years old receive the benefit of appropriate services and reduces the likelihood that they will be trapped in a cycle of re-offending. Additionally, Nassau County pilots an initiative to divert trafficking victims from the criminal justice system and to ensure that they are linked with social services specifically designed to help lead them to safety. Both efforts require on-site coordination to ensure that appropriate defendants are identified and referred to effective services and that prosecutor, defense counsel and the court receive timely and accurate updates on their participation in those services. Additionally, an onsite coordinator allows project stakeholders to track outcomes and case resolutions. In order to achieve these goals, the Center for Court Innovation has hired, trained and supervises a Resource Coordinator to staff both projects.

The Resource Coordinator's Role: The Adolescent Diversion Part seeks to help teenage defendants avoid the legal and collateral consequences associated with criminal prosecution and receive the assistance they need to pursue law-abiding, productive futures. The initiative has fundamentally re-engineered how the cases of 16 and 17 year olds are dealt with in criminal court. The Adolescent Diversion Part has several primary elements which require support from an on-site Resource Coordinator:

- 1. All cases involving 16 and 17 year olds charged with misdemeanors and, in certain cases, non-violent felonies are assigned to the Adolescent Diversion Part. Each defendant is then required to have a validated assessment by probation using the Youth Assessment Screening Instrument (YASI). The Resource Coordinator reviews each assessment and makes a recommendation to the Court regarding appropriate treatment or alternative program referrals.
- 2. Judges hearing cases involving 16 and 17 year olds receive training in topics such as adolescent brain development, trauma, substance abuse, mental health, co-occurring disorders, education, and family issues. The Resource Coordinator organizes and coordinates these training programs.
- 3. With support from the Resource Coordinator, participating judges have access to expanded sentencing options, generally consisting of short-term social service interventions including sessions devoted to conflict resolution, civic responsibility, and vocational and educational goal setting as well as community service. Each sentencing decision is informed by the brief YASI assessment conducted prior to the defendant's court appearance that elicits factors contributing to offending, including substance abuse, mental health needs, trauma, cognitive behavioral challenges, educational deficits, and familial stress. Where mental health needs are identified, an in-depth assessment informs individualized plans for community-based treatment and family support services. Services are age-appropriate and address the unique emotional and developmental needs of adolescents. In general, the program seeks to use

short-term interventions as a springboard to voluntary engagement in longer-term services.

4. The Resource Coordinator recommends an appropriate therapeutic intervention and monitors compliance with treatment. The Resource Coordinator is in regular contact with each of the treatment agencies and reports to the Court and each of the stakeholders if the adolescent fails to attend treatment or if an alternative level of care is required.

Such access shall be at the Contractor's place of business during routine operating hours.

6. COMPLIANCE WITH STANDARD TRANSACTIONS

6.1 <u>Compliance with Standard Transactions by the Contractor</u>. If the Contractor conducts in whole or in part Standard Transactions for or on behalf of the County, the Contractor shall:

a) comply and require all subcontractors and agents of the Contractor to comply with each applicable requirement of 45 C.F.R. Part 162; and

b) not enter into, or permit its subcontractors or agents to enter into, any trading partner addendum or agreement in connection with the conduct of Standard Transactions for or on behalf of the County that:

i) alters the definition, data condition, or use of any data element or segment in any Standard Transaction;

ii) adds any elements or segments to the maximum defined data set;

iii) uses any code or data element that is marked "not used" in the Standard Transaction's specifications for execution or is not in the Standard Transaction's specifications for execution; or

iv) changes the meaning or intent of the Standard Transaction's specifications for implementation.

7. TERMS AND TERMINATION

7.1 <u>Term</u>. This Addendum shall become effective as of the date first indicated above, and shall continue in effect until all of the PHI provided by the County to the Contractor, or created or received by the Contractor on behalf of the County, is destroyed or returned to the County, and all other obligations of the parties have been met, unless terminated by the County as provided in Section 7.2. If it is infeasible to return or destroy such PHI, then such PHI shall continue to be protected as set forth in Section 7.4.

7.2 <u>Termination by the County</u>. As provided for under 45 C.F.R. §§ 164.504(e)(2)(iii) and 164.314(a)(2)(i), the County may (a) exercise its rights under Section 7.3 below or (b) immediately terminate the Agreement if the County, in its sole discretion, determines that the Contractor has breached a material term of this Addendum. The County may exercise such right to terminate the Agreement by providing the Contractor with written notice of its intent to terminate specifying the material breach of the Agreement that provides the basis for termination. Such termination will be effective immediately, unless another date is specified in such notice.

7.3 Opportunity to Cure. As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. If the County decides to provide an opportunity to cure in such case, it shall: (a) provide the Contractor with written notice of the existence of an alleged material breach; and (b) afford the Contractor an opportunity to cure the alleged material breach. Failure to cure within fourteen (14) days shall constitute grounds for the immediate termination of the Agreement by the County.

7.4 <u>Effect of Termination</u>. Upon the termination, cancellation, or any other conclusion of the Agreement, the Contractor shall, if feasible, return to the County or destroy all PHI, in whatever form or medium, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), including, but not limited to, PHI in the possession of its subcontractors and/or agents, within thirty (30) days of the effective date of the termination, cancellation, or other conclusion of the Agreement.

a) Once all PHI in the Contractor 's possession or control, including, but not limited to, PHI in the possession or control of its subcontractors and/or agents, has been returned to the County or destroyed, the Contractor shall provide a written certification to the County regarding the return or destruction of such PHI within such thirty (30) day period. Such certification shall be relied upon by the County as a binding representation; and

b) if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. Said notification shall include, but not be limited to: (i) a statement that the Contractor has, in good faith, determined that it is infeasible to return or destroy the PHI in its possession and/or in the possession of its subcontractors or agents, as applicable, (ii) identification of the PHI that the Contractor believes it is infeasible to return or destroy, and (iii) the specific reasons for such determination. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

8. INDEMNIFICATION

8.1 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor's control.

8.2 <u>Control of Defense</u>. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or any subcontractor, agent, Individual, or organization under the Contractor's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor 's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

8.3 <u>Control of Resolution</u>. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 <u>Survival</u>. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. In addition, Section 9 shall survive termination of this Addendum indefinitely, notwithstanding whether the Contractor retains PHI in accordance with Section 7.4 hereto.

10.2 <u>Amendments</u>. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. Notwithstanding anything in the Agreement to the contrary, to the extent that the Privacy Rule or Security Rule, or any other applicable law related to the privacy or security of health information is materially amended, updated, or revised following the execution of this Addendum, the parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the County to comply with the requirements of HIPAA.

10.3 <u>No Third Party Beneficiaries</u>. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

10.4 <u>Cooperation and Disputes</u>. Each party will reasonably cooperate with the other in the performance of the mutual obligations under this Addendum. If any controversy, dispute, or claim arises between the parties with respect to the Agreement (including, but not limited to, this Addendum), the parties shall make reasonable good faith efforts to resolve such matters informally.

10.5 <u>Regulatory References</u>. Any reference to any part or section of the CFR shall include such part or section as drafted upon the effective date of this Addendum and as it is subsequently updated, amended, supplemented, superceded, or revised.

10.6 <u>Conflicts</u>. Any conflicts or inconsistencies between the terms in this Addendum and terms in other parts of the Agreement shall be resolved in favor of the terms in this Addendum.

10.7 <u>Interpretation</u>. Any ambiguity in the Agreement (including, but not limited to, this Addendum) shall be resolved in favor of a meaning that permits the County to comply to the greatest extent possible with the Privacy Rule, the Security Rule and Other Legal Requirements.

11. HITECH ACT

11.1

a) Contractor will comply with the requirements of Title XII, Subtitle D of the Health Information Technology for Economic and Clinical Health (hereinafter "HITECH") Act, codified at 42 U.S.C. Sections 17921 – 17954, which are applicable to business associates, and will comply with all regulations issued by the Department of Health and Human Services (hereinafter "HHS") to implement these referenced statutes, as of the date by which business associates are required to comply with such referenced statutes and HHS regulations; and

b) Contractor will make a report to the County of any breach of unsecured protected health information, as required by 42 U.S.C. Section 17932(b), within five business days of Contractor's discovery of the breach, and

c) Contractor will indemnify County for any reasonable expenses County incurs in notifying individuals of a breach caused by Contractor or its subcontractors or agents.

d) Contractor understands it is not in compliance with the HIPAA standards set forth in Sections 164.502(e) and 164.504(e) if the Contractor knows of a pattern of activity or practice that the County engages in which constitutes a material breach or violation of the County's obligation under a contract or other business arrangement, unless the Contractor takes reasonable steps to cure the breach or end the violation, as applicable, and if in taking steps to cure or end the breach it is unsuccessful, the Contractor must terminate the contract or arrangement if feasible, and if not feasible, the Contractor must report the problem to the Secretary.

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization

plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(I) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return

receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twentyfive thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (I) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

iii) uses any code or data element that is marked "not used" in the Standard Transaction's specifications for execution or is not in the Standard Transaction's specifications for execution; or

7. TERMS AND TERMINATION

7.1 Term. This Addendum shall become effective as of the date first indicated above, and shall continue in effect until all of the PHI provided by the County to the Contractor, or created or received by the Contractor on behalf of the County, is destroyed or returned to the County, and all other obligations of the parties have been met, unless terminated by the County as provided in Section 7.2. If it is infeasible to return or destroy such PHI, then such PHI shall continue to be protected as set forth in Section 7.4.

7.2 Termination by the County. As provided for under 45 C.F.R. §§ 164.504(e)(2)(iii) and 164.314(a)(2)(i), the County may (a) exercise its rights under Section 7.3 below or (b) immediately terminate the Agreement if the County, in its sole discretion, determines that the Contractor has breached a material term of this Addendum. The County may exercise such right to terminate the Agreement by providing the Contractor with written notice of its intent to terminate specifying the material breach of the Agreement that provides the basis for termination. Such termination will be effective immediately, unless another date is specified in such notice.

7.3 Opportunity to Cure. As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. If the County decides to provide an opportunity to cure in such case, it shall: (a) provide the Contractor with written notice of the existence of an alleged material breach; and (b) afford the Contractor an opportunity to cure the alleged material breach. Failure to cure within fourteen (14) days shall constitute grounds for the immediate termination of the Agreement by the County. 7.4 Effect of Termination. Upon the termination, cancellation, or any other conclusion of the Agreement, the Contractor shall, if feasible, return to the County or destroy all PHI, in whatever form or medium, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), including, but not limited to, PHI in the possession of its subcontractors and/or agents, within thirty (30) days of the effective date of the termination, cancellation, or other conclusion of the Agreement.

Once all PHI in the Contractor's possession or control, including, but not limited to, PHI in the possession or control of its subcontractors and/or agents, has been returned to the County or destroyed, the Contractor shall provide a written certification to the County regarding the return or destruction of such PHI within such thirty (30) day period. Such certification shall be relied upon by the County as a binding representation; and

b. if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

8. INDEMNIFICATION

8.1 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor's control.

8.2 Control of Defense. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or any subcontractor, agent, Individual, or organization under the Contractor's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent its interests, in which case the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

8.3 Control of Resolution. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 Survival. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. In addition, Section 9 shall survive termination of this Addendum indefinitely, notwithstanding whether the Contractor retains PHI in accordance with Section 7.4 hereto.

10.2 Amendments. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

30

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

- \square **B.** The attached memorandum contains a detailed explanation as to the reason(s)why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. \Box Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- □ A. There are only one or two providers of the services sought or less than three providers submitted proposals. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. This is a public works contract for the provision of architectural, engineering

or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional antidiscrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002;

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or womenowned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency

has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

WHEREAS, pursuant to subdivision 1 of section 203 of the Nassau County Charter, the County Executive is responsible for the administration of all departments, offices and functions of the county government; and

WHEREAS, the County Executive, in furtherance of his duties pursuant to subdivision 1 of section 203, is committed to ensuring transparency and openness with respect to the administration of governmental functions; NOW, THEREFORE BE IT

ORDERED, every lobbyist, as defined on the attached <u>Lobbyist Registration and</u> <u>Disclosure Form</u> (hereinafter "Lobbyist Form"), shall annually file the Lobbyist Form with the County Attorney and with the Clerk of the Nassau County Legislature for each calendar year, provided, however, that the filing of such statement of registration shall not be required of any lobbyist who in any year does not earn or incur an amount in excess of one thousand dollars reportable compensation and expenses for the purposes of lobbying, or is an officer, director, trustee or employee of any public corporation when acting in such official capacity; and it is further

ORDERED, that such filing shall be completed on or before January fifteenth by those persons who have been retained, employed or designated as lobbyists on or before December thirty-first of the previous calendar year who reasonably anticipate that in the coming year they will earn or incur combined reportable compensation and expenses in an amount in excess of one thousand dollars; and for those lobbyists retained, employed or designated after December thirty-first, and those lobbyists who, subsequent to their retainer, employment or designation, reasonably anticipate combined reportable compensation and expenses in excess of such amount, such filing must be completed within fifteen days thereafter; and it is further

ORDERED, that the County Attorney shall forward copies of each Lobbyist Form to the Nassau County Department of Information Technology ("IT"), and that IT shall develop and maintain a lobbyist registration page on that County's website, and make available all such Lobbyist Forms for public inspection on the County's website; and it is further

ORDERED, that upon termination of a lobbyist's retainer, employment or designation, such lobbyist and the client, if any, on whose behalf such service has been rendered shall both give notice to the County Attorney in the electronic filing system within thirty days after the lobbyist ceases the activity that required such lobbyist to file a statement of registration; however, such lobbyist shall nevertheless comply with the reporting requirements as set forth above and the reporting requirements for the last periodic reporting period up to the date such activity has ceased; and it is further

ORDERED, any lobbyist required to file a Lobbying Form as set forth herein who, in any lobbying year, earns or incurs combined reportable compensation and expenses in an amount in excess of one thousand dollars, for the purpose of lobbying, shall file with the County Attorney periodic reports, on forms prescribed by the County Attorney, by the fifteenth day next succeeding the end of the reporting periods on which the cumulative total for such lobbying year equaled such sum. Such reporting periods shall be the period from January 1 to March 31, April 1 to May 31, June 1 to August 31 and August 31 to December 31; and it is further

ORDERED, that any lobbyist making a report pursuant to the above paragraph shall thereafter file with the County Attorney, on forms prescribed by the County Attorney, a periodic report for each reporting period that such person earns or incurs combined reportable compensation and expenses in an amount in excess of one thousand dollars for the purposes of lobbying during such reporting period. Such report shall be filed not later than the fifteenth day next succeeding the end of such reporting period and shall include the amounts so earned or incurred during such reporting period and the cumulative total during the lobbying year; and it is further

ORDERED, that IT shall ensure that the Lobbying Form and the form for periodic reports prescribed by the County Attorney are available on the County website; and it is further

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination,

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any

11

additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

ADDENDUM TO COMPTROLLER APPROVAL FORM FOR PERSONAL, PROFESSIONAL OR HUMAN SERVICES CONTRACTS

Date: 01/28/16

Subject: Contract CQDA16000001 Family and Children's Association

This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Family and Children's Association has been performing these services since 2010 as part of the Hempstead Community Improvement Project. In this case it is not practical to conduct a competitive bidding process because of the nature of the program and the fact that it has been conducted on an ongoing basis since that time. This contractor was selected because it is the only local agency which possesses the necessary skills, expertise and experience to perform the required functions. In addition, this contractor has a long-standing relationship with the community and operates a vocational educational site in Hempstead. Family and Children's Association is also uniquely qualified due to having previously established access and clearance at the Nassau County Correctional Center. There were no alternative organizations considered because none had the capacity or resources to provide these services.

The performance of this agency has been satisfactory and this office is interested in continuing our partnership with them.

CONTRACT FOR SERVICES

THIS AGREEMENT, dated as of _________, 2016 (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the County Department of the District Attorney, having its principal office at 262 Old Country Road, Mineola, NY 11501 (the "Department"), and (ii) Family and Children's Association, a New York State not for profit corporation, having its principal office at 100 E. Old Country Road, Suite 24, Mineola, NY 11501 (the "Contractor").

APPENDIX EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional antidiscrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions.

fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional antidiscrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No.
 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Contract Summary

Description: Amendment #5 to outside counsel contract

Purpose: Amendment to an existing outside counsel contract to represent the County in litigation related to asbestos claims from working in the Nassau County Coliseum, in the HAVA cases, and with EPA matters. This amendment is to provide an opinion on litigation of certain aspects related to the County Guaranty.

Method of Procurement: Contract amendment. For services related to the County Guaranty: Wilson Elser was added to a panel of qualified firms established after a Request for Qualification was issued. The County has retained the firm Rivkin Radler, LLP as counsel for matters related to the County Guaranty. The County needed a second opinion on proposed litigation and selected Wilson Elser based upon their experience in the subject matter and availability. See below for procurement history.

They were Wilson Elser, Rigano, LLC, Monfort Hearly McGuire & Salley, and Patton Boggs, CLLP. Wilson Elser was selected. For services related to the EPA matters: A review was conducted of the firms qualified on the Office's panel to provide services in the area of Environmental Law. Berkman Henoch, Farrell Fritz and Wilson Elser were considered. Wilson Elser partner Michael Naughton was deemed the most qualified and experienced in the area of underground storage tanks. For services related to the HAVA cases: Jaspan Schlesinger LLP, Leventhal & Sliney LLP and Wilson Elser LLP were interviewed. Wilson Elser was selected based upon their experience and outstanding qualifications in the area of Elections Law and the Voting Rights Act.

This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after as follows: For services related to asbestos claims from working in the Nassau County Coliseum: Four firms responded to a solicitation. They were Wilson Elser, Rigano, LLC, Monfort Hearly McGuire & Salley, and Patton Boggs, CLLP. Wilson Elser was selected. For services related to the EPA matters: A review was conducted of the firms qualified on the Office's panel to provide services in the area of Environmental Law. Berkman Henoch, Farrell Fritz, and Wilson Elser were considered. Wilson Elser partner Michael Naughton was deemed the most qualified and experienced in the area of underground storage tanks. For services related to the HAVA cases; Jaspan Schlesinger LLP, Leventhal & Sliney LLP and Wilson Elser were interviewed. Wilson Elser was selected based upon their experience and outstanding qualifications in the area of Elections Law and the Voting Rights Act. For services related to the County Guaranty: Wilson Elser was added to a panel of qualified firms established after a Request for Qualification was issued. The County has retained the firm Rivkin Radler, LLP as counsel for matters related to the County Guaranty. The County needed a second opinion on proposed litigation and selected Wilson Elser (who were also added to the panel of qualified firms established after the Request for Qualification was issued) based upon their experience in the subject matter and availability.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will not discriminate on the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations of advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive

Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

NÁSSAU COUNTY ATTORNEY'S OFFICE

REQUEST FOR QUALIFICATIONS ("RFQ") FOR SPECIAL COUNSEL TO THE COUNTY OF NASSAU

DATE OF ISSUE: May 19, 2010 RFQ # <u>AT0519-1018</u>.

SECTION I -- BACKGROUND AND PURPOSE OF THE REQ

The County Attorney's Office serves as counsel for the County of Nassau (the "County") and its agencies, representing the County in virtually all lawsuits brought on behalf of, or against, the County in federal and state courts and administrative proceedings. The County also provides legal representation to County officials and employees who are sued in their individual and official capacities, and whom the County is required to defend and indemnify pursuant to law.

The purpose of this RFQ is to establish a panel of qualified law firms from which the County Attorney, at his sole and absolute discretion, may select and appoint as Special Counsel. Subsequent to qualification the law firm will be on retainer to the County.

This RFQ process neither precludes nor limits the County Attorney's powers under the Nassau County Charter to select Special Counsel, as may be required from time to time, beyond those firms selected under this RFQ. The panel of law firms qualified under this RFQ may be supplemented and updated periodically, and needed and as may be specified by the County Attorney.

A Deputy County Attorney will be assigned to each matter to, *inter alia*, coordinate representation of the County and its agencies with the selected law firms.

Special Counsel contracts will be awarded for a period of one year, with one-year renewal options solely at the County's discretion.

All proposals will be evaluated on the following criteria:

- 1. Cost
- 2. Experience and references
- 3. General reputation in the areas of law specified from the list set forth below
- 4. Legal writing ability
- 5. Resources to be directly applied in performing services

The County Attorney may conduct personal interviews with law firms submitting proposals.

<u>SECTION IV – THE PROPOSAL PACKAGE</u>

The proposal package submitted by each firm shall contain the following:

1. <u>Proposal Cover Letter</u> – The proposing firm shall submit a cover letter transmitting its proposal to the County Attorney. The cover letter shall be signed and dated by an individual authorized to negotiate and enter into a contract with the County on behalf of the proposing law firm. The telephone number, facsimile transmission number, and e-mail address of that person shall also be stated in the letter, together with a statement that the indicated individual is the authorized contact for the proposing law firm.

2. <u>Technical Proposal</u> – The Technical Proposal is a narrative that addresses the Scope of Work described in Section II of this RFQ. At a minimum, the following shall be included:

a. A brief description of the firm's experience in each of the areas of law for which it proposes to provide services.

b. The names, resumes, relevant background, areas of practice, and the courts to which the attorneys are admitted to practice, of those attorneys in the firm who would be directly responsible for working on County matters.

c. The employee composition of the firm, indicating the number of attorneys, paralegals and support staff.

d. A statement from the firm regarding any potential or actual conflicts of interest including, but not limited to: (i) any material arrangements, relationships or other employment that the firm or any firm employee has with any law firms, or other persons or entities, that may create a conflict of interest, or the appearance of a conflict of interest, in acting as Special Counsel to the County; (ii) any family relationship that any employee of the firm has with any County public official, employee or servant that may create a conflict of interest, or the appearance of a conflict of interest, in acting as Special Counsel to the County; (iii) a list of all cases and matters in which the firm, at the time of submission of its proposal, is actively engaged in which the County is a party. In addition, the Technical Proposal shall describe any procedures the firm either has, or would adopt, to assure the County that a conflict of interest would not exist for the firm in the future.

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. \Box This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. \Box This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Appendix EE Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist. (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Womenowned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(1) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

25	CHAIRWOMAN WALKER: Any questions or
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 11
2	comments from the legislators? Legislator
3	DeRiggi-Whitton.
4	LEGISLATOR DERIGGI-WHITTON: I'm just
5	curious. With this and with 105, do you have a
6	regular schedule that you check the beaches and
7	you check with the water districts? Is it
8	monthly or?
9	MS. LAURAIN: 105 is the beach monitoring
10	program.
11	LEGISLATOR DERIGGI-WHITTON: Yeah.
12	MS. LAURAIN: We begin that program,
13	actually I said May but it's actually April we
14	begin our surveys. It's for every permitted
15	beach in Nassau County.
16	The ocean beaches are a little less
17	because of the amount of water and the volume.
18	The north shore beaches, we're up there a few
19	times a week and after heavy rain it may even be
20	more frequent. After a half inch of rain we will
21	advise the beaches that they may not want to
22	open.
23	LEGISLATOR DERIGGI-WHITTON: So it's
24	safe to say the beaches on the north shore are
25	checked once at week, at least.

1	Finance Committee - 4-11-16 12
2	MS. LAURAIN: More than once a week. I
3	would say, at a minimum, twice a week.
4	LEGISLATOR DERIGGI-WHITTON: Okay. And
5	as far as the water districts go, do we have a
6	regular schedule with checking the water?
7	MS. LAURAIN: The water districts, we
8	analyze and review over 200,000 to 300,000
9	reports annually. The water districts provide
10	their own sampling and they must submit it to the
11	Department of Health for analysis, and then, in
12	addition, we conduct our own surveillance samples
13	throughout each district.
14	LEGISLATOR DERIGGI-WHITTON: Do you do
15	that in a separate lab?
16	MS. LAURAIN: We do that - the water
17	districts use their own labs, and then we do our
18	own in our laboratory.
19	LEGISLATOR DERIGGI-WHITTON: Okay.
20	Thank you.
21	CHAIRWOMAN WALKER: Any public comment?
22	Ms. Mereday.
23	MS. MEREDAY: Thank you. Just in
24	reference to the drinking water enhancement, in
25	light of the activities taking place in Flint,
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 13
2	Michigan, Pennsylvania, Newark, etcetera, and the
3	fact that we have the issue in Bethpage with the
4	Grumman plume. Where can someone get maybe the
5	information or if there is some type of alert
6	that the public needs to be aware of ahead of
7	time. How has your operation changed in light of
8	the water crisis that's taking place nationwide?
9	MS. LAURAIN: The water district is
10	required to immediately provide notification to
11	their constituents should there be any concern
12	with the water, whether it be an e-coli or some
13	type of bacteria. They are required to do
14	immediate notification. And we are very
15	fortunate that we have not had to do that in a
16	while. I've been with the department 26 years,
17	and I can only remember a few times having to do
18	that, fortunately.
19	CHAIRWOMAN WALKER: I know the water
20	districts will even notify us if, for some
21	reason, say they're flushing the hydrants or
22	whatever and it could cause the water to be
23	discolored. They notify you even for that. I
24	know they're very, very good about keeping the
25	residents informed.

.3

1	Finance Committee - 4-11-16 14
2	MS. LAURAIN: And the spring is when
3	they do flush because in the winter the water
4	volume is not as much water is used. Also, all
5	the water districts are required to provide an
6	annual drinking water survey to their
7	constituents; that usually goes out I believe in
8	May. I believe it goes out with the water bill.
9	CHAIRWOMAN WALKER: Legislator Bynoe.
10	LEGISLATOR BYNOE: Thank you,
11	Chairwoman.
12	I have questions along the lines of the
13	testing and notification to community as well.
14	Are the water districts required to
15	provide you a copy of their notification to
16	community when there is an issue?
17	MS. LAURAIN: Yes.
18	LEGISLATOR BYNOE: I guess my concern is
19	that
20	MS. LAURAIN: To the Department of
21	Health?
22	LEGISLATOR BYNOE: Yes.
23	MS. LAURAIN: Yes.
24	LEGISLATOR BYNOE: Okay. My concern is
25	that out in Lakeview, Malvern, Lynbrook there has
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 15
2	been an ongoing problem regarding iron in the
3	water and a severe discoloration, quite frankly.
4	While the Department of Health has stated that
5	the water is of good quality and can be consumed
6	and be used by those residents, it's alarming.
7	It has a significant quality of life issue.
8	People will not drink that water. They are, in
9	fact, going out to buy water to do everything
10	under the sun, except, obviously, to wash their
11	clothes because there is no way to add water to
12	your machine in that way. But their tiles, their
13	bathroom fixtures are becoming discolored. The
14	expense of spending the money to buy water.
15	Quite frankly, they're bathing in this water and
16	they don't feel comfortable.
17	I've been in contact with American Water.
18	I've had a meeting in my community regarding this
19	issue. I want to know, number one, why American
20	Water had not actually reached out to the
21	community. If you have proof that they have, I'd
22	like to have a copy of it.
23	MS. LAURAIN: Iron is not something that
24	would require that notification. Iron, while
25	it's an aesthetic issue, it doesn't pose a health
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 16
2	concern so that wouldn't be a requirement of the
3	water. But the water is safe to drink. I can
4	tell you it's much more regulated, highly
5	regulated. I drink the water. Personally, the
6	bottled water is not regulated the way our tap
7	water is.
8	LEGISLATOR BYNOE: So you're drinking
9	the discolored water?
10	MS. LAURAIN: I have. I drink my tap
11	water. I know it's an aesthetic issue for
12	people. I agree with them that they shouldn't
13	have to have discolored water. I know the water
14	district is installing an iron filtration system
15	which should alleviate that.
16	LEGISLATOR BYNOE: That's a good point.
17	I'm understanding that even for the water that's
18	been provided to the community in Lakeview that
19	they are waiting, I guess, an approval from the
20	Department of Health so for a water filtration
21	system that they are going to have.
22	MS. LAURAIN: The Department of Health I
23	believe approved that system in January; I'd have
24	to get I think you spoke to Mr. Irwin, who is
25	the Director of Environmental Health.

1	Finance Committee - 4-11-16 17
2	LEGISLATOR BYNOE: I believe I did. And
3	I received an update from American Water as late
4	as Friday saying that American Water was waiting
5	for the Department of Health to make an approval
6	and they were hopeful that it would arrive by
7	April 15.
8	MS. LAURAIN: Let me just see if I have
9	the email of when that was approved.
10	The construction of the additional
11	filters in the Lakeview communities was approved
12	by the Department of Health January 16, 2016.
13	LEGISLATOR BYNOE: Give me one second,
14	if you wouldn't mind.
15	MS. LAURAIN: But I can certainly have
16	you speak to Mr. Irwin again about that.
17	LEGISLATOR BYNOE: I think that would
18	probably be best. I know it's not just the
19	Lakeview community. While I'm advocating for
20	Lakeview in particular, it is there are other
21	areas that are actually affected by this. I
22	think the real resolve is to replace the mains,
23	from what I'm understanding.
24	MS. LAURAIN: Iron is naturally
25	occurring in the environment. I want to say it's
	REGAL REPORTING SERVICES

516-747-7353

7

1	Finance Committee - 4-11-16 18
2	probably ubiquitous in the environment. You see
3	it more on the south shore because of the way
4	Long Island is composed. You see it much more on
5	the south shore than you do on the north shore.
6	LEGISLATOR BYNOE: And just for
7	reference, so that when Mr. Irwin calls, it's
8	Plant Number 2 and it's the potable iron removal
9	treatment plant.
10	MS. LAURAIN: The potable water, it is
11	called -
12	LEGISLATOR BYNOE: And it's awaiting
13	approval. That's what's supposed to give some
14	relief to those families.
15	MS. LAURAIN: Yes. It will filter it
16	out. I know there are other water districts also
17	installing.
18	I spoke to Mr. Irwin this morning about
19	it, and he did tell me that it was approved on
20	January 16. So I will speak to him again,
21	tomorrow, and have him give you a call.
22	LEGISLATOR BYNOE: Okay. Thank you.
23	MS. LAURAIN: You're welcome.
24	CHAIRWOMAN WALKER: Any other
25	legislators?

1	Finance Committee - 4-11-16 19
2	(No verbal response.)
3	Any other public comment?
4	(No verbal response.)
5	I believe that was 110.
6	MS. LAURAIN: Yes, 110.
7	CHAIRWOMAN WALKER: Clerk Item 113-16.
8	MS. LAURAIN: Clerk Item 113-16 is a
9	supplemental appropriation in the amount of
10	\$23,764 for the Adolescent Tobacco Use Prevention
11	Act. This is New York State Department of Health
12	grant funded. This is an additional COLA award.
13	Total funding after this award is \$320,068. This
14	program allows us to conduct certification checks
15	to tobacco retailers in the county and complies
16	with the Tobacco 18 Law.
17	CHAIRWOMAN WALKER: Any questions or
18	comments from the legislators?
19	(No verbal response.)
20	Any public comment? Ms. Mereday.
21	MS. MEREDAY: I would just want to know
22	what else is being done. I wouldn't want to have
23	to do a research study, but it is clear that
24	there is a growth in the percentage of young
25	people who are smoking cigarettes. I don't know

1	Finance Committee - 4-11-16 20
2	if just checking to see who is buying them at the
3	stores or 7-11 is enough. I'm just asking is
4	there something else tied to this program or is
5	this specifically for this particular aspect?
6	MS. LAURAIN: State grant funds only
7	allow us to do certain. Of course, when we go
8	out and do education, we are health care
9	providers so we discourage smoking among anybody.
10	We do have a 96 percent compliance rate. We
11	sting all the retailers in the county using 16,
12	17 year olds.
13	CHAIRWOMAN WALKER: Any other comments?
14	(No verbal response.)
15	Clerk Item 114-16.
16	MS. LAURAIN: Item 114-16 is a
17	supplemental appropriation in the amount of
18	\$18,784. This is for our rabies programs. This
19	is New York State Department of Health funded,
20	and this objective, primary objective is to
21	prevent the spread of rabies in Nassau County.

3	I just would like to take a minute and

5	and Legislator Schaefer right away in regards to
6	- I'm sure that many of you saw that there was a
7	rabid raccoon in the Hicksville community.
8	MS. LAURAIN: I could add to that. Since
9	that notification, I believe it was last month
10	sometime, we have enhanced our surveillance in a
11	radius of where that animal was found, and we
12	probably submitted 40 specimens or so to New York
13	State Department of Health, and thus far all have
14	been negative. We're hoping that continues.
15	CHAIRWOMAN WALKER: Thank you.
16	Clerk Item 117-16.
17	MS. LAURAIN: Item 117-16 is a

6	The first item to come before this
7	committee is Item 108-16, an ordinance
8	supplemental to the annual appropriation
9	ordinance in connection with the Medical
10	Examiner's Division of Forensic Services.
11	Motion from Vincent Muscarella, seconded

13	Mr. May is here.
14	MR. MAY: How are you? Again. Again.
15	I came back for more, both today and globally, I
16	guess.
17	We have Ms. Karen Dooling to speak on
18	this item.
19	CHAIRMAN DUNNE: Thank you very much.
20	Just a thumb nail sketch of what this is about.
21	MS. DOOLING: Sure. This is a \$7,000
22	no-match grant from the Division of Criminal
23	Justice Services. It will be used for the crime
24	lab, for the chemistry department to expand their
25	services and the ability to test more drugs. It

1	Finance Committee - 4-11-16 24
2	will be for supplies and overtime for chemists.
3	CHAIRMAN DUNNE: When you say no match,
4	it means it's coming from where?
5	MS. DOOLING: New York State, Division
6	of Criminal Justice.
7	CHAIRMAN DUNNE: It's pass-through money
8	then.
9	MS. DOOLING: Yep.
10	CHAIRMAN DUNNE: Okay. Any questions

13	Any public comment?

20	It passes on to Finance.
21	The next item to come before us - there
22	are two items coming.
23	111-16, an ordinance supplemental to the
24	annual appropriations ordinance in connection
25	with the Traffic Safety Board.

1	Finance Committee - 4-11-16 25
2	In addition, 115-16, an ordinance
3	supplemental to the annual appropriations
4	ordinance in connection with the Traffic Safety
5	Board.
6	And we have?
7	MR. MISTRON: Christopher Mistron, Stop
8	DWI Coordinator, Nassau County.
9	For Number 111 -
10	CHAIRMAN DUNNE: Motion by Denise Ford,
11	seconded by Don MacKenzie.
12	Chris, it's all yours.
13	MR. MISTRON: Number 111 is a grant.
14	It's a pass-through grant that comes from the
15	governor of Traffic Safety Committee to the New
16	York State Stop DWI Coordinator's Association.
17	It's called the DWI Foundation Grant. It's for
18	special holiday enforcement that is for all the
19	departments within Nassau County. Specifically,
20	we've geared for July 4, Labor Day, Memorial Day,
21	and some of the departments also do some of the
22	smaller ones like St. Patrick's Day, which is not
23	a smaller one. These are just special holiday
24	details for holidays.
25	CHAIRMAN DUNNE: Legislator Ford has a

3	LEGISLATOR FORD: As always, I thank you
4	very much. Honestly, Chris, thank you very much.
5	I know that these programs are very, very
6	important. All too often we're still reading
7	about people who are dying because of drunk
8	driving. I think we had a senior couple, I
9	guess, further east, where somebody was drinking,
10	hit a car, and they got hit. So any effort that

7	MR. MISTRON: 115 is for the regular -
8	I'm sorry. Was there a motion on that one?
9	CHAIRMAN DUNNE: It's already been
10	motioned.
11	MR. MISTRON: 115 is for the Stop DWI
12	program itself. It's a continuous grant program
13	of sorts from year to year. It's fully funded
14	from the fine monies collected for those
15	convicted of DWI. It has several components to
16	it the way in which it is outlined. The major
17	one is for enforcement purposes. Second, monies
18	are provided to the district attorneys for the
19	prosecution of DWI specific cases. Third, we
20	have monies that are provided to the probation
21	department for purposes of monitoring those that
22	are convicted of DWI. We also have a component
23	within the program that provides money to drug
24	and alcohol for working on rehabilitation
25	programs with individuals that have been

3	MR. MCMANUS: It covers the hotel and the
4	airfare. I think it depends on the individual.
5	It's supposed to cover meals, airfare, and
6	hotels. If the individual wants to buy souvenirs
7	or that kind of thing let's put it this way.
8	I'm sure the investigator is going to have to
9	spend some of her own money. I think she's very
10	proud to be a part of this meeting.
11	LEGISLATOR BYNOE: Okay. Thank you.

16	MR. JEFFERSON: Hi. Good afternoon.
17	Beaumont Jefferson, County Treasurer.
18	The selection of banks are made - from
19	time to time you have banks who come to the - who
20	call the treasurer's office and they are
21	interested in doing business with the county. In
22	order for us to make any deposits with a bank,
23	they have to be on our approved list. One of the
24	things that we look for is that they have a
25	presence in Nassau County, also in New York, and

1	Finance Committee - 4-11-16 34
2	we also review the bank's standings. We use a
3	website to just verify that the banks are in good
4	standing and they at least have a four start
5	rating, four or five star rating.
6	LEGISLATOR CURRAN: Thanks.
7	CHAIRMAN NICOLELLO: Any other

9	(No verbal response.)
10	Any public comment? Ms. Mereday.
11	MS. MEREDAY: Thank you. I was also
12	questioning, in terms of the process by which
13	this - that this took place. In addition to
14	asking about the presence in Nassau County, what
15	are the types of services that they are providing
16	as it pertains to community reinvestment and
17	things of that nature? It's like what is this
18	overall.
19	CHAIRMAN NICOLELLO: Mr. Jefferson, I
20	don't know if you heard Ms. Mereday's comments.
21	MR. JEFFERSON: Yes. The website that
22	we use is borrowfinancial.com. We do look at the
23	community reinvestment rating. On Suffolk
24	Community Bank that's before you the rating is
25	outstanding. That information is public
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 35
2	information and that's one of the categories that
3	we look at when we select banks.
4	CHAIRMAN NICOLELLO: Thank you.
5	MR. JEFFERSON: You're welcome.
6	CHAIRMAN NICOLELLO: Any other public

8	(No verbal response.)
9	All in favor signify by saying aye.
10	(Aye.)
11	Those opposed?

13	The item carries unanimously.
14	Item 142-2016 is an ordinance
15	supplemental to the annual appropriation
16	ordinance and to transfer appropriations
17	heretofore made within to reconcile the county's

21	CHAIRMAN NICOLELLO: Moved by Legislator
22	Walker, seconded by Legislator Muscarella.
23	The item is before us.
24	Ms. D'Alleva, can you tell us what we're
25	doing here.

1	Finance Committee - 4-11-16 36
2	MS. D'ALLEVA: This is a customary item
3	that we do at the end of every fiscal year. It's
4	basically produced by the county comptroller
5	pursuant to the Charter, Section 307, in terms of
6	clearing all the negative balances by control
7	center.
8	CHAIRMAN NICOLELLO: I noticed that some
9	of the contract lines seem to have been over
10	budget in 2015, including county attorney, IT,
11	DPW. Could you tell us why that happened and
12	whether the 2016 budget is any more realistic?
13	MS. D'ALLEVA: I think currently, during
14	the month 13 process, the county attorney's
15	office had some additional contracting invoices
16	that they had to accrue for 2016 that were
17	unforeseen. Those contracts were accrued for
18	2016 in month 13 that we weren't aware of, but
19	they were accrued with the county comptroller's
20	office for services that were rendered.
21	According to accounting principles, we have to
22	basically account for those services during the
23	year.
24	CHAIRMAN NICOLELLO: When you say 2016 -
25	MS. D'ALLEVA: 2015, I'm sorry. '15.

7	villages for these shortfalls?
8	MS. D'ALLEVA: Those are the fourth
9	quarter adjustments that we do make. The
10	original appropriation - this has to do with the
11	appropriation in the budget line. Because more
12	students actually went to FIT there was a higher
13	level of appropriation that was needed, and
14	that's what this is dealing with.
15	LEGISLATOR CURRAN: So it was more than
16	expected.
17	MS. D'ALLEVA: Yes.
18	LEGISLATOR CURRAN: Registration.
19	MS. D'ALLEVA: Yes.
20	LEGISLATOR CURRAN: Okay. Am I correct
21	in my understanding that it was local government
22	assistance from towns and villages?
23	MS. D'ALLEVA: Sales tax. Our local
24	government assistance fourth quarter sales tax is
25	netted for any outstanding balances that the
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 38
2	towns have to remit to the county because we pay
3	on their behalf.
4	LEGISLATOR CURRAN: Thank you.
5	I have another question about the eight
6	million in retirement reserve. My first question
7	is do you know how much has been deferred in
8	pension expenses in general?
9	MS. D'ALLEVA: We've deferred
10	approximately, since 2012, approximately \$269
11	million.
12	LEGISLATOR CURRAN: And will this eight
13	million go to cover some of that?
14	MS. D'ALLEVA: Yes. I would say we
15	could use some of the eight million to prepay
16	what we've deferred if we choose to.
17	LEGISLATOR CURRAN: Eight million to
18	prepay.
19	MS. D'ALLEVA: Right.
20	LEGISLATOR CURRAN: But it hasn't
21	happened yet.
22	MS. D'ALLEVA: No, it hasn't happened
23	yet.
24	LEGISLATOR CURRAN: Okay. And all of
25	these items, have so have any of them been
	REGAL REPORTING SERVICES 516-747-7353

1	Finance Committee - 4-11-16 39
2	done already?
3	MS. D'ALLEVA: I'm sorry. I don't
4	understand.
5	LEGISLATOR CURRAN: Have they been paid
6	out already?
7	MS. D'ALLEVA: Of?
8	LEGISLATOR CURRAN: Of all of the items
9	on the list.
10	MS. D'ALLEVA: This item is to correct
11	the balances of all the accounts in the 2015
12	budget. Yeah, some of them probably have
13	actually been expended. I guess an example would
14	be the DE contracts in certain venues that
15	required additional appropriation could have been
16	expended and paid through the comptroller's
17	office. We would have to check. I'm not really
18	sure.
19	LEGISLATOR CURRAN: Okay. My concern is
20	what came up before, if this has been done before
21	we approve it, of any of these items.
22	MS. D'ALLEVA: This is done customarily
23	at the end of every year. So the comptroller's
24	office has to clean up the negative balances.
25	Because the legislature votes and adopts the
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 40
2	budget according to appropriation by control
3	center and object code, if any one of those
4	control centers and object codes actually falls
5	short, the comptroller's office puts together
6	this year-end board transfer so that they can
7	give the trial balance to the auditors, in this
8	case it's McGladdery, RMS or whatever they call
9	themselves, and they can audit our books and
10	issue a CAFR, a year-end CAFR.
11	LEGISLATOR CURRAN: Thanks.
12	CHAIRMAN NICOLELLO: Any other
13	discussion?
14	(No verbal response.)
15	Any public comment? I'm sorry.
16	Legislator DeRiggi-Whitton.
17	LEGISLATOR DERIGGI-WHITTON: On the FEMA
18	fund it's 20,000; do you know what that's for?
19	MS. D'ALLEVA: 20,000?
20	LEGISLATOR DERIGGI-WHITTON: 20,852.13,
21	a transfer. The fund or the transfer, whatever
22	you want to call it.
23	MS. D'ALLEVA: I believe this was for -
24	oh, there was a shortfall in DD expenditures. I
25	believe it was something to do with generators.
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 41
2	They had appropriation left over in the salary
3	line. Whatever they had appropriated, they
4	didn't use that funding so they had used it and
5	they are expenditures for general expenditures on
6	a PW that they have to cover.
7	LEGISLATOR DERIGGI-WHITTON: So this
8	item is including an appropriation for the 15
9	million funds received from New York State Office
10	of Emergency Management and FEMA for Super Storm
11	Sandy expenses.
12	MS. D'ALLEVA: Yes. What happened is
13	that we were required to have a ten percent local
14	match originally. FEMA was supposed to only
15	reimburse us for 90 percent. Through the
16	governor's office we were able to secure funding
17	from CDBGR community block grant funding, so we
18	were able to secure those funds but the ten
19	percent local match, the county had sustained
20	that local match through the major funds. So we
21	had already - the \$15 million is to ensure that
22	we can transfer it back and make the major funds
23	whole.
24	LEGISLATOR DERIGGI-WHITTON: Okay. So
25	we are getting reimbursement from FEMA -
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 42
2	MS. D'ALLEVA: We're getting
3	reimbursement from the governor's office for our
4	ten percent local match that we paid out.
5	LEGISLATOR DERIGGI-WHITTON: And that's
6	what we're using for these appropriations.
7	MS. D'ALLEVA: Yes.
8	LEGISLATOR DERIGGI-WHITTON: Have all
9	the other FEMA lines that have been extended been
10	reimbursed already?
11	MS. D'ALLEVA: Currently, in total
12	expenses, since 2012, we have about \$208 million
13	of expenses. I believe the county has received,
14	in cash reimbursement, approximately \$175
15	million. We have started to go through the
16	closeout process with our project worksheets. We
17	have not closed out any one project worksheet;
18	so, therefore, there is a \$33 million "balance"
19	that FEMA would still have to pay us.
20	LEGISLATOR DERIGGI-WHITTON: So we're
21	still looking for 33 million. I'm surprised
22	we're not using this 15 million towards that gap.
23	MS. D'ALLEVA: What gap?
24	LEGISLATOR DERIGGI-WHITTON: The 33
25	million came out of -

1	Finance Committee - 4-11-16 43
2	MS. D'ALLEVA: It's a grant. FEMA said
3	that they at this point we're being reimbursed
4	for 100 percent of our expenses. We expended
5	\$208 million. We will receive \$208 million. We
6	don't have a gap.
7	LEGISLATOR DERIGGI-WHITTON: We just
8	haven't received the 33 million.
9	MS. D'ALLEVA: The issue with the 15
10	million was because there was a ten percent local
11	shared required match, the county had put up that
12	money in previous fiscal years. That 15 million
13	is actually coming to fund balance now.
14	LEGISLATOR DERIGGI-WHITTON: I've asked
15	this before. Can I possibly just get a written
16	breakdown of what the 33 million that we're
17	waiting for was pertaining to?
18	MS. D'ALLEVA: There are several project
19	worksheets that were issued over the course of
20	the three years. There's probably about 42 of
21	them. There are many project worksheets. Don't
22	quote me on that number. There are many project
23	worksheets. But the balance is very little, it's
24	maybe 15 percent of the total. We're doing very
25	well in terms of cash receipts.

1	Finance Committee - 4-11-16 44
2	LEGISLATOR DERIGGI-WHITTON: It's three
3	and a half years later. I know. We've talked
4	about it.
5	If I could just find out.
6	MS. D'ALLEVA: Sure.
7	LEGISLATOR DERIGGI-WHITTON: I just want
8	to see where it is that we're still hoping to get
9	reimbursed.
10	MS. D'ALLEVA: The largest is probably
11	our debris removal project worksheet, project
12	worksheet 120. It's about \$9 million that we're
13	still owed on that.
14	LEGISLATOR DERIGGI-WHITTON: Again, I
15	would just like to see what it is just so we can
16	have an idea going forward if there are any
17	changes we should make to make it easier to get
18	reimbursed should there be another situation like
19	this.
20	MS. D'ALLEVA: The 15 million is our ten
21	percent that we put in, which is actually a
22	little less than ten percent but that's fine.
23	MS. D'ALLEVA: They're slightly behind.
24	It's through 2014 expenditures. They're
25	reviewing them. So we filled out applications to
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 45
2	get reimbursed for our ten percent local match,
3	and it's been through the 2014 applications,
4	that's what that 15 million represents.
5	LEGISLATOR DERIGGI-WHITTON: Thank you.
6	CHAIRMAN NICOLELLO: Legislator Curran.
7	LEGISLATOR CURRAN: Have these transfers
8	been posted in the financial system?
9	MS. D'ALLEVA: I would have to - I
10	believe that they may not have been approved in
11	the financial system but it is initiated through
12	the comptroller's office yes. They are
13	transitioning to handing over the books or they
14	have already handed over the books for the trial
15	balance to the auditors to close out the year.
16	LEGISLATOR CURRAN: So that means that
17	they are? They have been posted?
18	MS. D'ALLEVA: I'm not sure if it's
19	posted and executed, but I believe that since
20	they handed the trial balances over to the
21	accounting firm, I believe they may be posted.
22	LEGISLATOR CURRAN: I think - speaking
23	for the legislature as a body, it kind of renders
24	us impotent if this is done before we get a
25	chance to approve it.

1	Finance Committee - 4-11-16 46
2	MS. D'ALLEVA: It doesn't render you
3	impotent at all. Basically, if you do not vote
4	on this then we would have to reverse anything
5	that was done in the financial system. It's not
6	an issue that way.
7	LEGISLATOR CURRAN: Okay. Maybe in the
8	future, I don't know if everyone agrees with me,
9	I think it would be good for us to be able to
10	approve this before that happens.
11	MS. D'ALLEVA: I think by - not sure -
12	by Charter - actually, the comptroller's office
13	has to issue a CAFR by June 30. So this is kind
14	of like March is - usually by March we have a
15	year-end board transfer that we present to the
16	legislature to vote on.
17	LEGISLATOR CURRAN: Okay. Fair enough.
18	Thank you.
19	CHAIRMAN NICOLELLO: Thank you.
20	Any other discussion?
21	(No verbal response.)
22	Any public comment? Ms. Mereday.
23	MS. MEREDAY: Yes. My comment had to do
24	with - unfortunately I don't have that
25	information in front of me that you all do.
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 47
2	Again, you are the stewards of my tax dollars.
3	But having an operational background, just one
4	thing that jumped out for me, because there are
5	so many contract requests in here for legal
6	counsel, I'm just curious as to how many people
7	actually work for the county attorney's office,
8	how many outside contracts do we actually have
9	that we're funding? There was no ripple even
10	when - I'm sorry I don't remember your name -
11	when the previous speaker mentioned that the
12	issue about the county attorney invoices had to
13	be paid, but it was over the budget because they
14	were unaware - I believe that was actually the
15	word - that they were unaware of these invoices
16	but they had to be paid. And about three hours
17	ago you were probably drilling the young woman
18	that was speaking with regards to parks for the
19	contract that needed a \$25,000 increase for
20	unforeseen expenditures that weren't their
21	responsibility but it was for them to promote
22	that to the residents. I'm unclear. Is it okay
23	to reprimand the parks department for unforeseen
24	circumstances that generated additional costs but
25	it's a pass to not really get all that aggravated

1	Finance Committee - 4-11-16 48
2	about county attorney, additional expenses from
3	the county attorney's department for invoices
4	that somebody was not aware of? I'm unclear.
5	CHAIRMAN NICOLELLO: Ms. D'Alleva, just
6	clarify your comments earlier.
7	MS. D'ALLEVA: I think the difference is
8	in the county attorney's office they already had
9	contracts in place with the appropriate levels of
10	funding and terms of the contract. It's just
11	that when we were looking at the current
12	obligation in December, December 31, when we were
13	ending the year, to us it did not look at spent.
14	But pursuant to that, they had had invoices that
15	had come in for services that were rendered but
16	they had the contracts in place to fund that.
17	Also, there are approximately, as of
18	December there were 59 county attorneys in the
19	county attorney's office, almost half of what was
20	in the previous administration.
21	In terms of managing expenses and
22	relating to taxpayers, I do feel that the county
23	attorney has really done a phenomenal job in
24	terms of really managing outside contracts,
25	inside salaries, and headcount to actually give
	RECAL REDORTING SERVICES

1	Finance Committee - 4-11-16 49
2	us the best efficiencies, in terms of spending.
3	CHAIRMAN NICOLELLO: Thank you.
4	Appreciate it. Thank you, Ms. D'Alleva.
5	Any other public comment?
6	(No verbal response.)
7	All in favor of Item 142-2016 signify by
8	saying aye.
9	(Aye.)
10	Those opposed?
11	(No verbal response.)
12	It passes unanimously.
13	The next three items are the executive
14	session items.
15	100-2016 is a resolution authorizing the
16	county attorney to compromise and settle the
17	claim of plaintiffs, Joseph Butindari and Civil
18	Service Employees Association, A.F.S.C.M.E. Local
19	1000, A.F.LC.I.O by its Local 830, as set forth
20	in the action entitled Joseph Butindari and Civil
21	Service Employees Association, A.F.S.C.M.E. Local
22	1000, A.F.LC.I.O by its Local 830 v. County of
23	Nassau, Index No. 000589/14 pursuant to the
24	County Law, the County Government Law, and the
25	Nassau County Administrative Code.

1	Finance Committee - 4-11-16 50
2	The second item is Resolution 101-16, a
3	resolution authorizing the county attorney to
4	compromise and settle the action Randy Hoskins
5	a/k/a Randy A. White v. County of Nassau.
6	We have the addendum item, 143-2016, a
7	resolution authorizing the county attorney to
8	compromise and settle the claims of different
9	utility companies, as set forth in various
10	actions pursuant to the County Law.
11	LEGISLATOR WALKER: So moved.
12	LEGISLATOR MUSCARELLA: Second.
13	CHAIRMAN NICOLELLO: Moved by Legislator
14	Walker, seconded by Legislator Muscarella.
15	Those items are before the committee.
16	Legislator MacKenzie makes a motion to go
17	into executive session, seconded by Legislator
18	Walker.
19	All in favor of going into executive
20	session signify by saying aye.
21	(Aye.)
22	The items are in executive session. All
23	legislators are invited.
24	(Whereupon, the Finance Committee
25	recessed into executive session at 4:23 p.m.)
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 51
2	(Whereupon, the Finance Committee
3	reconvened at 5:25 p.m.)
4	CHAIRMAN NICOLELLO: We have several
5	items to vote on. First one is Item 100-16.
6	All in favor of Item 100-2016, which is
7	the Butindari settlement signify by saying aye.
8	(Aye.)
9	Those opposed?
10	(No verbal response.)
11	That carries unanimously.
12	101-16 is the settlement related to Randy
13	Hoskins a/k/a Randy White, all in favor signify
14	by saying aye.
15	(Aye.)
16	Those opposed?
17	(No verbal response.)
18	That item carries unanimously.
19	The last one is the executive session
20	item 143 relating to the utility companies.
21	Legislator DeRiggi-Whitton has a
22	question. I'm sorry. Legislator Curran.
23	LEGISLATOR CURRAN: Hi. First thing, we
24	didn't get a copy of the settlement agreement in
25	the backup for this, and I'm wondering why we
	RECAL REDORTING SERVICES

1	Finance Committee - 4-11-16 52
2	didn't.
3	MS. LOCURTO: I apologize, Legislator.
4	I think it was just an oversight. It just didn't
5	get to you until today. We'll address that in
6	the future.
7	LEGISLATOR CURRAN: Okay. Thank you.
8	I'm willing to vote yes on this to pass
9	this through, but I would very much like to see
10	that before the Full Leg in two weeks.
11	MS. LOCURTO: Absolutely.
12	LEGISLATOR CURRAN: Thank you very much.
13	Also, I have some questions for OMB on
14	this, not legal. Oh, wait. I don't. Never
15	mind. I'm sorry.
16	DEPUTY COUNTY EXECUTIVE NAUGHTON: We
17	were ready, though.
18	LEGISLATOR CURRAN: Wait for the next
19	one. Stay there.
20	CHAIRMAN NICOLELLO: That was weird.
21	LEGISLATOR CURRAN: I'm sorry. Sorry
22	about that.
23	DEPUTY COUNTY EXECUTIVE NAUGHTON: Not a
24	problem.
25	LEGISLATOR CURRAN: Now that I've got
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 53
2	you.
3	I'm not getting into the legal because I
4	know we can't talk about that in public. But the
5	settlement for this, how are we going to pay for
6	this?
7	DEPUTY COUNTY EXECUTIVE NAUGHTON: My
8	understanding is that we're going to be using our
9	litigation fund. The 2016 budget included
10	approximately \$20 million as an appropriation in
11	the litigation fund to cover any potential
12	judgments.
13	LEGISLATOR CURRAN: So that won't cover
14	it though, \$20 million.
15	DEPUTY COUNTY EXECUTIVE NAUGHTON: I
16	don't know how much I can say about the payment.
17	MS. D'ALLEVA: I don't want to have to
18	go into executive session.
19	LEGISLATOR CURRAN: Okay. Fine.
20	MS. D'ALLEVA: It's a total dollar
21	amount. How it will be paid - there is
22	sufficient monies in the litigation fund to cover
23	the entire amount.
24	LEGISLATOR CURRAN: Okay. Fair enough.
25	You're right.

1	Finance Committee - 4-11-16 54
2	My concern is with the other towns, we're
3	currently dealing with the other towns with
4	similar kinds of cases and I'm worried there will
5	not be enough money to pay everything that we
6	have to pay coming down the pick, with Hempstead
7	and North Hempstead.
8	DEPUTY COUNTY EXECUTIVE NAUGHTON: I
9	think my only statement to that would be we would
10	address it if there is some type of settlement
11	with those. We may also be litigating those
12	cases.
13	LEGISLATOR CURRAN: Right. Can we talk
14	about how much is due in pending judgments
15	currently being litigated in regard to this sort
16	of judgment, this sort of case with the Town of
17	Hempstead?
18	MS. LOCURTO: With the Town of
19	Hempstead, we have between actual judgments that
20	have been reduced, it's approximately 25 million.
21	Of those that have not been reduced to judgment,
22	it is significantly higher. We've estimated a
23	substantial amount for those in excess of the 25
24	million that just have been reduced to judgment
25	to date.

1	Finance Committee - 4-11-16 55
2	LEGISLATOR CURRAN: Okay. Because to me
3	this is a budget issue. I'm worried that these
4	settlements will put at risk, if they have to -
5	if the litigation fund is depleted it will have
6	to come out of operating funds and that could put
7	a hole in our budget for other programs.
8	DEPUTY COUNTY EXECUTIVE NAUGHTON: I
9	will state that we have sufficient funds in our
10	litigation fund, and it will not deplete the
11	entire fund.
12	LEGISLATOR CURRAN: So you're confident
13	that the litigation fund would cover this and
14	perhaps other towns as well?
15	DEPUTY COUNTY EXECUTIVE NAUGHTON:
16	Without knowing how much those other towns would
17	be, I don't know. Clearly, that could also be
18	part of the negotiating factor, how much money
19	you have available to settle with.
20	LEGISLATOR CURRAN: Okay. Just another
21	question. I don't know if this is an OMB
22	question. I'm just wondering if it's fair to
23	settle with the Town of Oyster Bay before we know
24	what we have to do with Hempstead and North
25	Hempstead.

1	Finance Committee - 4-11-16 56
2	MS. LOCURTO: I think any time that the
3	county has an opportunity to settle a case that
4	is favorable and in the best interest of the
5	county, it is what the county - it is what we
6	would recommend for the county to do. I can't
7	say for certain but it may help us bring
8	resolution to these cases that have been ongoing
9	for over 15 years. So creating certainty and
10	bringing an end to litigation that only has
11	created substantial liability, potential
12	liability for the county, I think it's overall a
13	good decision, and that's why we're recommending
14	settlement.
15	LEGISLATOR CURRAN: From what I
16	understand, this was filed on Friday.
17	MS. LOCURTO: Yes.
18	LEGISLATOR CURRAN: I'm wondering why
19	this is being rushed. Here we are on Monday and
20	we're being asked to vote on this so quickly.
21	MS. LOCURTO: I think once the
22	opportunity for a real settlement was reached and
23	struck by all the parties, I think we wanted to
24	bring it to the legislature as soon as possible
25	to cut off, if you will - I don't want to go too

1	Finance Committee - 4-11-16 57
2	much because we discussed it broadly in executive
3	session. These judgments do carry interest on
4	them. I don't want to say too much in the public
5	forum. But that is a savings. If the settlement
6	presents a savings to the county.
7	LEGISLATOR CURRAN: I see that point.
8	Back to OMB. I am very worried, because
9	this is the Finance Committee, just from the
10	budgetary point of view that we're not going to
11	blow a hole in our budget with these sorts of
12	things since we're not going to be using bonded
13	money for them, obviously, and that the
14	litigation fund would cover - I'm not going to
15	talk about any amounts - but hypothetically could
16	cover these sorts of things going forward.
17	DEPUTY COUNTY EXECUTIVE NAUGHTON: The
18	administration is very comfortable that we have
19	sufficient funds in our litigation fund to
20	address this settlement. I think you have to
21	address each potential settlement as they happen.
22	LEGISLATOR CURRAN: Okay. Thank you.
23	CHAIRMAN NICOLELLO: I just wanted to
24	say they are all very good points raised by
25	Legislator Curran. But I think if we have, what
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 58
2	I consider to be, a very favorable settlement
3	before us, I would not want to lose that
4	settlement by delaying a decision on this.
5	Legislator DeRiggi-Whitton.
6	LEGISLATOR DERIGGI-WHITTON: Is it
7	possible to get a list of all the garbage
8	districts and copies of all that are
9	litigating just to see where we are and what the
10	status is for each one?
11	MS. LOCURTO: Legislator, we can provide
12	that list.
13	LEGISLATOR DERIGGI-WHITTON: Could we
14	have that before Full Leg?
15	MS. LOCURTO: On the 25th, certainly.
16	LEGISLATOR DERIGGI-WHITTON: Again, I'm
17	stating also that we really need a copy. I'm not
18	going to vote for this because I have not seen a
19	copy of the decision - settlement, rather, and I
20	don't, you know, I don't even know what the terms
21	are. I haven't read it and neither has my
22	counsel. You have to provide us with this
23	information. Something that's this much money
24	can't be an oversight. It's a very important
25	part of our day. You can't neglect to give us

1	Finance Committee - 4-11-16 59
2	the information.
3	MS. LOCURTO: I appreciate that,
4	Legislator. And I believe everything that was
5	discussed in executive session outlined all the
6	terms of the settlement. If you have any
7	questions, I'd be more than happy to address them
8	in executive session again and go through it with
9	you.
10	LEGISLATOR DERIGGI-WHITTON: No. I
11	would like to just read it. I appreciate your
12	efforts, but we really have to have it in hand
13	before we can vote on it because nothing is
14	recorded in executive session.
15	CHAIRMAN NICOLELLO: So we will have
16	that by the Full Leg.
17	LEGISLATOR DERIGGI-WHITTON: Can I just
18	ask Maurice to come up, please? Maurice, Mr.
19	Chalmers, let me apologize.
20	MR. CHALMERS: Maurice Chalmers, OMB.
21	LEGISLATOR DERIGGI-WHITTON: Maurice,
22	can you give me your most recent account for the
23	balance that we have in the litigation settlement
24	account?
25	MR. CHALMERS: It's approximately \$20

1	Finance Committee - 4-11-16 60
2	million for the 2016 budget.
3	LEGISLATOR DERIGGI-WHITTON: And what is
4	it today?
5	MR. CHALMERS: I could check for you. I
6	would probably guess it was close to 20 million.
7	I can check and give you an exact amount.
8	LEGISLATOR DERIGGI-WHITTON: Do you know
9	how much of that has been obligated already?
10	MR. CHALMERS: I would have to check and
11	get back to you and tell you the exact amount.
12	LEGISLATOR DERIGGI-WHITTON: That's a
13	different amount from what I heard.
14	MS. D'ALLEVA: Currently, we're showing
15	in the current obligation is around 18. We also
16	have other settlements that are paid through
17	payroll that are going to be moving over. What
18	we will be having available is approximately 15.
19	LEGISLATOR DERIGGI-WHITTON: That's the
20	number I heard, 15. So we have 15 million
21	available. Alright.
22	LEGISLATOR CURRAN: One more quick one.
23	Thank you.
24	With the litigation fund this could
25	cover, hypothetically, these sorts of things.
	REGAL REPORTING SERVICES 516-747-7353

-	
1	Finance Committee - 4-11-16 61
2	But what if there are other suits and damages
3	that are unrelated to this, other kinds of suits
4	and damages? Are you confident that those could
5	be covered as well?
6	DEPUTY COUNTY EXECUTIVE NAUGHTON: Yes.
7	LEGISLATOR CURRAN: Can you explain,
8	excuse my ignorance, how it is replenished?
9	DEPUTY COUNTY EXECUTIVE NAUGHTON: Sure.
10	The fund is generated by either surpluses that we
11	anticipate generating during the year, and then
12	we move the money into the fund.
13	LEGISLATOR CURRAN: Surpluses.
14	DEPUTY COUNTY EXECUTIVE NAUGHTON:
15	Right. Because what we are trying to do is build
16	so that we're not borrowing for these types of
17	expenses.
18	LEGISLATOR CURRAN: Right. So you're
19	confident that the litigation fund, we would get
20	enough in surpluses to cover this sort of thing
21	plus any other suits and damages that we might
22	not predict, that we don't know, that come from
23	left field.
24	DEPUTY COUNTY EXECUTIVE NAUGHTON:
25	Correct. We've been in consultation with the
	REGAL REPORTING SERVICES 516-747-7353

1	Finance Committee - 4-11-16 62
2	county attorney's office, looking at things that
3	they think they may settle during the year, and
4	we feel that we have sufficient funding.
5	LEGISLATOR CURRAN: Okay. Thanks.
6	CHAIRMAN NICOLELLO: Legislator Bynoe.
7	LEGISLATOR BYNOE: Good evening. So on
8	replenishment, you said it's replenished using
9	surplus funds, correct?
10	DEPUTY COUNTY EXECUTIVE NAUGHTON:
11	Correct.
12	LEGISLATOR BYNOE: So on Item 142-16,
13	where we did the transfer, anticipating that we'd
14	be settling this case and that fund would be
15	close to being depleted, why didn't we consider
16	moving some of these surplus funds into the
17	litigation fund?
18	DEPUTY COUNTY EXECUTIVE NAUGHTON: As I
19	stated earlier, the 2016 budget, you, actually as
20	a body, voted to appropriate \$20 million into the
21	fund.
22	LEGISLATOR BYNOE: Okay. Based on the
23	settlement, we're going to work through a good
24	portion of that, right?
25	DEPUTY COUNTY EXECUTIVE NAUGHTON: That
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 63
2	is correct.
3	LEGISLATOR BYNOE: So we just did some
4	transfers and I'm wondering why we didn't
5	consider moving anything into that account based
6	on the fact that we knew we were going to work
7	through a considerable amount of what's currently
8	existing.
9	DEPUTY COUNTY EXECUTIVE NAUGHTON: It's
10	not necessary at this time. And as the year goes
11	on, if we feel that we need to add more money to
12	that fund at that point we will do so.
13	LEGISLATOR BYNOE: Knowing that we have
14	two other entities, both North Hempstead and the
15	Town of Hempstead, we think the remaining funds
16	are going to take care of those?
17	DEPUTY COUNTY EXECUTIVE NAUGHTON:
18	Again, each settlement will be handled on its own
19	merits, and it depends on what is negotiated.
20	LEGISLATOR BYNOE: Okay. You'll be
21	back.
22	CHAIRMAN NICOLELLO: I just have one
23	brief comment and then we can vote on this, which
24	is simply that it is completely ridiculous to me
25	that the county guarantee applies to this case,
	REGAL REPORTING SERVICES

1	Finance Committee - 4-11-16 64
2	but that's not something that's my call, it was
3	decided by a judge. It's completely absurd, and
4	I think we all agree with that.
5	In any event; all in favor signify by
6	saying aye.
7	(Aye.)
8	Those opposed?
9	(Nay.)
10	Abstaining?
11	(Abstain.)
12	Five-zero-two. Five ayes, zero nos, and
13	two abstentions. Legislator Curran voted for it.
14	Motion to adjourn?
15	LEGISLATOR WALKER: So moved.
16	LEGISLATOR MUSCARELLA: Second.
17	CHAIRMAN NICOLELLO: Moved by Legislator
18	Walker, seconded by Legislator Muscarella.
19	All in favor signify by saying aye.
20	(Aye.)
21	Those opposed?
22	(No verbal response.)
23	It passes unanimously.
24	We are back into Rules.
25	(Whereupon, the Finance Committee

1	
1	Health & Social Services Committee - 4-11-16 9
2	CHAIRWOMAN WALKER: Any questions or
3	comments from the legislators? Legislator
4	DeRiggi-Whitton.
5	LEGISLATOR DERIGGI-WHITTON: I'm just
6	curious. With this and with 105, do you have a
7	regular schedule that you check the beaches and
8	you check with the water districts? Is it
9	monthly or?
10	MS. LAURAIN: 105 is the beach monitoring
11	program.
12	LEGISLATOR DERIGGI-WHITTON: Yeah.
13	MS. LAURAIN: We begin that program,
14	actually I said May but it's actually April we
15	begin our surveys. It's for every permitted
16	beach in Nassau County.
17	The ocean beaches are a little less
18	because of the amount of water and the volume.
19	The north shore beaches, we're up there a few
20	times a week and after heavy rain it may even be
21	more frequent. After a half inch of rain we will
22	advise the beaches that they may not want to
23	open.
24	LEGISLATOR DERIGGI-WHITTON: So it's
25	safe to say the beaches on the north shore are
	REGAL REPORTING SERVICES

1	Health & Social Services Committee - 4-11-16 10
2	checked once at week, at least.
3	MS. LAURAIN: More than once a week. I
4	would say, at a minimum, twice a week.
5	LEGISLATOR DERIGGI-WHITTON: Okay. And
6	as far as the water districts go, do we have a
7	regular schedule with checking the water?
8	MS. LAURAIN: The water districts, we
9	analyze and review over 200,000 to 300,000
10	reports annually. The water districts provide
11	their own sampling and they must submit it to the
12	Department of Health for analysis, and then, in
13	addition, we conduct our own surveillance samples
14	throughout each district.
15	LEGISLATOR DERIGGI-WHITTON: Do you do
16	that in a separate lab?
17	MS. LAURAIN: We do that - the water
18	districts use their own labs, and then we do our
19	own in our laboratory.
20	LEGISLATOR DERIGGI-WHITTON: Okay.
21	Thank you.
22	CHAIRWOMAN WALKER: Any public comment?
23	Ms. Mereday.
24	MS. MEREDAY: Thank you. Just in
25	reference to the drinking water enhancement, in
	REGAL REPORTING SERVICES 516-747-7353

1	Health & Social Services Committee - 4-11-16 11
2	light of the activities taking place in Flint,
3	Michigan, Pennsylvania, Newark, etcetera, and the
4	fact that we have the issue in Bethpage with the
5	Grumman plume. Where can someone get maybe the
6	information or if there is some type of alert
7	that the public needs to be aware of ahead of
8	time. How has your operation changed in light of
9	the water crisis that's taking place nationwide?
10	MS. LAURAIN: The water district is
11	required to immediately provide notification to
12	their constituents should there be any concern
13	with the water, whether it be an e-coli or some
14	type of bacteria. They are required to do
15	immediate notification. And we are very
16	fortunate that we have not had to do that in a
17	while. I've been with the department 26 years,
18	and I can only remember a few times having to do
19	that, fortunately.
20	CHAIRWOMAN WALKER: I know the water
21	districts will even notify us if, for some
22	reason, say they're flushing the hydrants or
23	whatever and it could cause the water to be
24	discolored. They notify you even for that. I
25	know they're very, very good about keeping the
	REGAL REPORTING SERVICES

I	
1	Health & Social Services Committee - 4-11-16 12
2	residents informed.
3	MS. LAURAIN: And the spring is when
4	they do flush because in the winter the water
5	volume is not as much water is used. Also, all
6	the water districts are required to provide an
7	annual drinking water survey to their
8	constituents; that usually goes out I believe in
9	May. I believe it goes out with the water bill.
10	CHAIRWOMAN WALKER: Legislator Bynoe.
11	LEGISLATOR BYNOE: Thank you,
12	Chairwoman.
13	I have questions along the lines of the
14	testing and notification to community as well.
15	Are the water districts required to
16	provide you a copy of their notification to
17	community when there is an issue?
18	MS. LAURAIN: Yes.
19	LEGISLATOR BYNOE: I guess my concern is
20	that
21	MS. LAURAIN: To the Department of
22	Health?
23	LEGISLATOR BYNOE: Yes.
24	MS. LAURAIN: Yes.
25	LEGISLATOR BYNOE: Okay. My concern is
	REGAL REPORTING SERVICES

1	Health & Social Services Committee - 4-11-16 13
2	that out in Lakeview, Malvern, Lynbrook there has
3	been an ongoing problem regarding iron in the
4	water and a severe discoloration, quite frankly.
5	While the Department of Health has stated that
6	the water is of good quality and can be consumed
7	and be used by those residents, it's alarming.
8	It has a significant quality of life issue.
9	People will not drink that water. They are, in
10	fact, going out to buy water to do everything
11	under the sun, except, obviously, to wash their
12	clothes because there is no way to add water to
13	your machine in that way. But their tiles, their
14	bathroom fixtures are becoming discolored. The
15	expense of spending the money to buy water.
16	Quite frankly, they're bathing in this water and
17	they don't feel comfortable.
18	I've been in contact with American Water.
19	I've had a meeting in my community regarding this
20	issue. I want to know, number one, why American
21	Water had not actually reached out to the
22	community. If you have proof that they have, I'd
23	like to have a copy of it.
24	MS. LAURAIN: Iron is not something that
25	would require that notification. Iron, while
	REGAL REPORTING SERVICES

1	Health & Social Services Committee - 4-11-16 14
2	it's an aesthetic issue, it doesn't pose a health
3	concern so that wouldn't be a requirement of the
4	water. But the water is safe to drink. I can
5	tell you it's much more regulated, highly
6	regulated. I drink the water. Personally, the
7	bottled water is not regulated the way our tap
8	water is.
9	LEGISLATOR BYNOE: So you're drinking
10	the discolored water?
11	MS. LAURAIN: I have. I drink my tap
12	water. I know it's an aesthetic issue for
13	people. I agree with them that they shouldn't
14	have to have discolored water. I know the water
15	district is installing an iron filtration system
16	which should alleviate that.
17	LEGISLATOR BYNOE: That's a good point.
18	I'm understanding that even for the water that's
19	been provided to the community in Lakeview that
20	they are waiting, I guess, an approval from the
21	Department of Health so for a water filtration
22	system that they are going to have.
23	MS. LAURAIN: The Department of Health I
24	believe approved that system in January; I'd have
25	to get I think you spoke to Mr. Irwin, who is

1	Health & Social Services Committee - 4-11-16 15
2	the Director of Environmental Health.
3	LEGISLATOR BYNOE: I believe I did. And
4	I received an update from American Water as late
5	as Friday saying that American Water was waiting
6	for the Department of Health to make an approval
7	and they were hopeful that it would arrive by
8	April 15.
9	MS. LAURAIN: Let me just see if I have
10	the email of when that was approved.
11	The construction of the additional
12	filters in the Lakeview communities was approved
13	by the Department of Health January 16, 2016.
14	LEGISLATOR BYNOE: Give me one second,
15	if you wouldn't mind.
16	MS. LAURAIN: But I can certainly have
17	you speak to Mr. Irwin again about that.
18	LEGISLATOR BYNOE: I think that would
19	probably be best. I know it's not just the
20	Lakeview community. While I'm advocating for
21	Lakeview in particular, it is there are other
22	areas that are actually affected by this. I
23	think the real resolve is to replace the mains,
24	from what I'm understanding.
25	MS. LAURAIN: Iron is naturally
	REGAL REPORTING SERVICES 516-747-7353

1	Health & Social Services Committee - 4-11-16 16
2	occurring in the environment. I want to say it's
3	probably ubiquitous in the environment. You see
4	it more on the south shore because of the way
5	Long Island is composed. You see it much more on
6	the south shore than you do on the north shore.
7	LEGISLATOR BYNOE: And just for
8	reference, so that when Mr. Irwin calls, it's
9	Plant Number 2 and it's the potable iron removal
10	treatment plant.
11	MS. LAURAIN: The potable water, it is
12	called -
13	LEGISLATOR BYNOE: And it's awaiting
14	approval. That's what's supposed to give some
15	relief to those families.
16	MS. LAURAIN: Yes. It will filter it
17	out. I know there are other water districts also
18	installing.
19	I spoke to Mr. Irwin this morning about
20	it, and he did tell me that it was approved on
21	January 16. So I will speak to him again,
22	tomorrow, and have him give you a call.
23	LEGISLATOR BYNOE: Okay. Thank you.
24	MS. LAURAIN: You're welcome.
25	CHAIRWOMAN WALKER: Any other
	REGAL REPORTING SERVICES

2	legislators?
3	(No verbal response.)
4	Any other public comment?
5	(No verbal response.)
6	I believe that was 110.
7	MS. LAURAIN: Yes, 110.
8	CHAIRWOMAN WALKER: Clerk Item 113-16.
9	MS. LAURAIN: Clerk Item 113-16 is a
10	supplemental appropriation in the amount of
11	\$23,764 for the Adolescent Tobacco Use Prevention
12	Act. This is New York State Department of Health
13	grant funded. This is an additional COLA award.
14	Total funding after this award is \$320,068. This
15	program allows us to conduct certification checks
16	to tobacco retailers in the county and complies
17	with the Tobacco 18 Law.
18	CHAIRWOMAN WALKER: Any questions or
19	comments from the legislators?
20	(No verbal response.)
21	Any public comment? Ms. Mereday.
22	MS. MEREDAY: I would just want to know
23	what else is being done. I wouldn't want to have
24	to do a research study, but it is clear that
25	there is a growth in the percentage of young

2	people who are smoking cigarettes. I don't know
3	if just checking to see who is buying them at the
4	stores or 7-11 is enough. I'm just asking is
5	there something else tied to this program or is
6	this specifically for this particular aspect?
7	MS. LAURAIN: State grant funds only
8	allow us to do certain. Of course, when we go
9	out and do education, we are health care
10	providers so we discourage smoking among anybody.
11	We do have a 96 percent compliance rate. We
12	sting all the retailers in the county using 16,
13	17 year olds.
14	CHAIRWOMAN WALKER: Any other comments?
15	(No verbal response.)
16	Clerk Item 114-16.
17	MS. LAURAIN: Item 114-16 is a
18	supplemental appropriation in the amount of
19	\$18,784. This is for our rabies programs. This
20	is New York State Department of Health funded,
21	and this objective, primary objective is to
22	prevent the spread of rabies in Nassau County.

2	Any public comment?

4	I just would like to take a minute and
5	thank you for the information, notifying myself
6	and Legislator Schaefer right away in regards to
7	- I'm sure that many of you saw that there was a
8	rabid raccoon in the Hicksville community.
9	MS. LAURAIN: I could add to that. Since
10	that notification, I believe it was last month
11	sometime, we have enhanced our surveillance in a
12	radius of where that animal was found, and we
13	probably submitted 40 specimens or so to New York
14	State Department of Health, and thus far all have
15	been negative. We're hoping that continues.
16	CHAIRWOMAN WALKER: Thank you.
17	Clerk Item 117-16.
18	MS. LAURAIN: Item 117-16 is a
19	supplemental appropriation in the amount of
20	\$16,751. This is for the lead poisoning
21	prevention grant. This is a COLA award. Total
22	funding after this award is \$215,176. This is
23	grant funded through New York State Department of
24	Health. It is to reduce the prevalence of blood
25	lead levels in children.

8	MS. LAURAIN: Item 118-16 is a
9	supplemental appropriation in the amount of
10	\$198,425. This is also for the childhood lead
11	poisoning prevention grant, the one I just spoke
12	about. This is grant funded through New York
13	State Department of Health.
14	CHAIRWOMAN WALKER: Any questions or
15	comments from the legislators?

17	Any public comment?

2	CLERK PULITZER: Chairman Dennis Dunne?
3	CHAIRMAN DUNNE: Here.
4	CLERK PULITZER: We have a quorum.
5	CHAIRMAN DUNNE: Thank you.
6	The first item to come before this

10	Examiner's Division of Forensic Services.
11	Motion from Vincent Muscarella, seconded

14	MR. MAY: How are you? Again. Again.
15	I came back for more, both today and globally, I
16	guess.
17	We have Ms. Karen Dooling to speak on
18	this item.
19	CHAIRMAN DUNNE: Thank you very much.
20	Just a thumb nail sketch of what this is about.
21	MS. DOOLING: Sure. This is a \$7,000
22	no-match grant from the Division of Criminal
23	Justice Services. It will be used for the crime
24	lab, for the chemistry department to expand their
25	services and the ability to test more drugs. It

2	will be for supplies and overtime for chemists.
3	CHAIRMAN DUNNE: When you say no match,
4	it means it's coming from where?
5	MS. DOOLING: New York State, Division
6	of Criminal Justice.
7	CHAIRMAN DUNNE: It's pass-through money
8	then.
9	MS. DOOLING: Yep.
10	CHAIRMAN DUNNE: Okay. Any questions

6	And we have?	
7	MR. MISTRON: Christopher Mistron, Stop

9	For Number 111 -	
10	CHAIRMAN DUNNE: Motion by Denise Ford,	
11	seconded by Don MacKenzie.	
12	Chris, it's all yours.	
13	MR. MISTRON: Number 111 is a grant.	
14	It's a pass-through grant that comes from the	
15	governor of Traffic Safety Committee to the New	
16	York State Stop DWI Coordinator's Association.	
17	It's called the DWI Foundation Grant. It's for	
18	special holiday enforcement that is for all the	
19	departments within Nassau County. Specifically,	
20	we've geared for July 4, Labor Day, Memorial Day,	
21	and some of the departments also do some of the	
22	smaller ones like St. Patrick's Day, which is not	
23	a smaller one. These are just special holiday

4	LEGISLATOR ABRAHAMS: Here.
5	CLERK PULITZER: Thank you. We have a
6	quorum.
7	CHAIRWOMAN GONSALVES: We have a

11	to call and ask for a motion to table.
12	Contract E-63, Contract E-64, and
13	Contract E-66; motion, please?
14	LEGISLATOR ABRAHAMS: Before we take
15	that motion, Madam Presiding Officer, may I have
16	an opportunity? Just an opportunity to speak on
17	the contracts that are before us.
18	CHAIRWOMAN GONSALVES: Go ahead. Be my
19	guest.
20	LEGISLATOR ABRAHAMS: I understand that
21	we're taking a motion to table. I just want to
22	inquire on the majority side, is this a question
23	to table? What we noticed was missing from these
24	contracts was the political contribution
25	disclosure form; is that the same reason that

13	MR. MAY: Or table it.
14	CHAIRWOMAN GONSALVES: Huh?
15	MR. MAY: Or you could table it.
16	CHAIRWOMAN GONSALVES: I would have to

3	disposal and is consistent with its mission to
4	improve the county's financial position.
5	I bring that up because, again, though I
6	think this particular vendor could be very
7	valuable to the county, this has not gone through
8	the proper procurement contract reform that we
9	have been seeking, and now the independent
10	financial arm of the county seeks and believes
11	that is necessary as well.
12	So we are going to continue to vote
13	abstention, but I do not want you to think that
14	is any indicative of your presentation today or
15	anything that this particular vendor represents.
16	COMMISSIONER MURPHY: I understand. I
17	appreciate your comments. At the time that we
18	procured this person for our contract, we did, in
19	fact, at that time, run those ads that were
20	appropriate under those procurement processes, in
21	monster.com, and in other publications. And he
22	was the most qualified person, having had some
23	experience with AOT in the past. We deemed that
24	it was important and also mandated, under
25	Kendra's Law, that we have somebody in the courts

1	Rules Committee - 4-11-16 17
2	to represent the county, and that it would have
3	been a greater liability had we not had someone
4	in place at that time, and this is why we
5	proceeded in hiring him at this time through this
6	contract.
7	LEGISLATOR ABRAHAMS: I don't disagree
8	with anything you just said. I truly believe in
9	keeping with the mandate, as well as keeping with
10	the law. It's instrumental. That's why we truly
11	believe that the reforms that not only we have
12	been pushing but NIFA has passed in a resolution
13	on April 1 are necessary to be incorporated in
14	the process so that we these contracts have the
15	proper, gain the proper
16	COMMISSIONER MURPHY: Vetting process.
17	LEGISLATOR ABRAHAMS: Yes.
18	COMMISSIONER MURPHY: I do understand.
19	And going forward we will be sure to make sure
20	that that does happen.
21	LEGISLATOR ABRAHAMS: Thank you, Ms.
22	Murphy.
23	COMMISSIONER MURPHY: Thank you.
24	CHAIRWOMAN GONSALVES: I would like to
25	add on the record that there was a political

SIGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 18
2	campaign contribution disclosure form signed with
3	the answer no on the 28th of March.
4	COMMISSIONER MURPHY: That is true.
5	CHAIRWOMAN GONSALVES: I have it here
6	before me. I will make it part of the record,
7	that they did sign the political campaign
8	contribution disclosure form.
9	COMMISSIONER MURPHY: Thank you.
10	CHAIRWOMAN GONSALVES: Okay. Any other
11	comments?
12	(No verbal response.)
13	There being none; all those in favor of
14	E-67 signify by saying aye.
15	(Aye.)
16	Any opposed?
17	(No verbal response.)
18	Any abstentions?
19	(Abstain.)
20	Four-zero-three. The item passes.
21	CHAIRWOMAN GONSALVES: Thank you.
22	COMMISSIONER MURPHY: Thank you.
23	CHAIRWOMAN GONSALVES: Thank you,
24	Commissioner.
25	The next item is E-68, a resolution
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 19
2	authorizing the county executive to execute an
3	agreement between the County of Nassau, acting on
4	behalf of the Office of Management and Budget and
5	Legal Aid Society of Nassau County.
6	Motion, please?
7	LEGISLATOR DUNNE: So moved.
8	LEGISLATOR NICOLELLO: Second.
9	CHAIRWOMAN GONSALVES: Moved by
10	Legislator Dunne, seconded by Legislator
11	Nicolello.
12	Okay. And who do we have?
13	MR. MAY: We have Ms. Lisa Locurto from
14	the county attorney's office.
15	Just a brief programming note. The DPW
16	contract, we have Mr. Jeff Lindgren here so any
17	time you would like to take it up off the table
18	to reconsider it, we can manage that.
19	CHAIRWOMAN GONSALVES: Right now we have
20	E-68 before us. And you're here to speak about
21	E-68, correct?
22	MS. LOCURTO: Yes, Legislator. Thank
23	you.
24	This is an agreement between the County
25	and the Legal Aid Society. In fact, as a
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 20
2	requirement of County Law 722 the County is
3	required to provide legal services for the
4	indigent or those individuals who are unable to
5	pay for such legal services.
6	The reimbursement the county applied for
7	and received a grant. We will be 100 percent
8	reimbursed for the program that is going to be
9	run by the Legal Aid.
10	If you have any further questions, I'd be
11	happy to answer any.
12	CHAIRWOMAN GONSALVES: Minority Leader.
13	LEGISLATOR ABRAHAMS: Thank you, Madam
14	Presiding Officer.
15	Ms. Locurto, just a question in regards
16	to the Legal Aid. This contract, is it handled
17	like a sole source or are there other entities
18	that can provide this service to the county?
19	MS. LOCURTO: The County Law
20	specifically provides that the county must
21	provide the service either by paying for itself
22	or the law provides it can be provided by a bar
23	association or another entity of sufficient size
24	to meet that requirement. The county, since the
25	inception of the law going back over 20, 25-plus

1	Rules Committee - 4-11-16 21
2	years has always contracted with the Nassau
3	County Bar Association, and we've also contracted
4	with the Legal Aid Society; that is because there
5	can be instances where there are conflicts of
6	interest. We've complied with the law by
7	providing that the Bar Association plus another
8	entity of sufficient size that can be there
9	should there be conflicts of interest.
10	LEGISLATOR ABRAHAMS: I guess my
11	question is
12	MS. LOCURTO: I guess - I'm sorry to cut
13	you off.
14	LEGISLATOR ABRAHAMS: That's alright.
15	MS. LOCURTO: You're saying is it a sole
16	source. Well, the law dictates what the entities
17	that can be provided, there are only limited
18	entities by statute - it's either bar association
19	or an entity such as the Legal Aid Society - so
20	to an extent it is kind of a sole source.
21	LEGISLATOR ABRAHAMS: Thank you.
22	CHAIRWOMAN GONSALVES: Any other
23	questions from the legislators?
24	(No verbal response.)
25	There being none; all those in favor of
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 22
2	E-68 signify by saying aye.
3	(Aye.)
4	Any opposed?
5	(No verbal response.)
6	Any abstentions?
7	(No verbal response.)
8	It's unanimous.
9	MS. LOCURTO: Thank you.
10	CHAIRWOMAN GONSALVES: Thank you very
11	much.
12	The next item is E-69, a resolution
13	authorizing the county executive to execute a
14	personal services agreement between the County of
15	Nassau, acting on behalf of the Department of
16	Social Services and The Leadership Training
17	Institute, Inc.
18	Motion, please?
19	LEGISLATOR KOPEL: So moved.
20	LEGISLATOR DUNNE: Second.
21	CHAIRWOMAN GONSALVES: Moved by
22	Legislator Kopel, seconded by Legislator Dunne.
23	Who do we have here to speak on this
24	item?
25	MR. MAY: Mr. Ed Shank from the
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 23
2	Probation Department is right here.
3	MR. SHANK: Good afternoon. This
4	contract is for the educational services of
5	juveniles at the juvenile detention center. The
6	services to be provided are ongoing educational
7	services at the center, five days a week, Monday
8	thru Friday. The vendor will assess each child's
9	basic educational skills in reading, writing, and
10	arithmetic and provide guidance and awareness of
11	further educational and occupational
12	opportunities.
13	CHAIRWOMAN GONSALVES: Any questions
14	from the legislators?
15	(No verbal response.)
16	I see you, Ms. Mereday. Ms. Mereday.
17	Three minutes.
18	MS. MEREDAY: Metta J. Mereday,
19	Baldwin.
20	I circled this one, in terms of reading
21	the synopsis on this. I had questions with
22	regard to the aspects of the training, and now
23	that I know, with more information, that it's
24	focusing on the juvenile detention center, I'm
25	even more concerned about what are the aspects of
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 24
2	this training, does it include any cultural
3	awareness, sensitivity dynamics, and family
4	orientation. Again, I don't know anything about
5	this organization. I'm hoping that since all of
6	you are making the decision about this
7	organization and their interaction with our
8	troubled young people that you might have an idea
9	of who the principles are of this company, what
10	is their background, what is the makeup? Is it
11	diverse? Is it inclusive? That sort of thing.
12	And I was less than three minutes.
13	CHAIRWOMAN GONSALVES: Thank you very
14	much. We appreciate it.
15	Is there anything that you would like to
16	add?
17	MR. SHANK: It is a not-for-profit agency
18	in Nassau County. It has dealt with the youth
19	for many years. It has had such things as foster
20	care services and non-secured detention
21	facilities in the past as well.
22	The agency is this is a mandated
23	services and the state regulations mandate
24	exactly what they're supposed to be doing. This
25	is strictly for the educational services as a
	REGAL REPORTING SERVICES

I	
1	Rules Committee - 4-11-16 25
2	child would have if they were in a public school.
3	CHAIRWOMAN GONSALVES: Thank you very
4	much.
5	MS. MEREDAY: Can I finish? I'm still
6	within my three minutes.
7	CHAIRWOMAN GONSALVES: Ms. Mereday, is
8	this going to be a back-and-forth? It really is
9	not the I can't give you the answers to the
10	questions that you are asking.
11	MS. MEREDAY: But I do have a right to
12	put it on public record, if I have concerns as a
13	taxpayer.
14	CHAIRWOMAN GONSALVES: You may put it on
15	public record. Let's not take advantage.
16	MS. MEREDAY: Thank you very much,
17	Presiding Officer. I would like to ask again, in
18	terms of getting more detail before anything pops
19	up in Newsday. Again, my focus, because we're
20	talking about our impressionable young people.
21	And as the gentleman ascertained, if they were
22	not in trouble or in some kind of incident, they
23	would already be in public school, and we're
24	paying high enough taxes for our school
25	districts. So I am still concerned about what
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 26
2	type of organization is working with these young
3	people? What is their success rate? The
4	mandates, law, all of that, I got it. But I'm
5	talking about what is their success rate? What
6	is the graduation rate of the students that are
7	participating in this program? What is the job
8	placement rate? That is what I want to know.
9	And I would like to think that you would want to
10	know that since you are representing our
11	interests.
12	CHAIRWOMAN GONSALVES: Okay. Would you
13	like to add anything to your comments, sir?
14	MR. SHANK: The juveniles that are in
15	the center are short-term; they are not there for
16	perhaps a whole semester. These are juveniles
17	placed by the court pending disposition of cases.
18	The department has had, for the last
19	several years, an effort to keep children out of
20	the juvenile detention center. And, in fact, the
21	next item up is one of those agreements that do
22	provide some of those other services.
23	CHAIRWOMAN GONSALVES: Thank you very
24	much.
25	All those in favor of E-69 signify by
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 27
2	saying aye.
3	(Aye.)
4	Any opposed?
5	(No verbal response.)
6	Any abstentions?
7	(Abstain.)
8	The item passes four-zero-three.
9	I'm going to go back to the item that we
10	tabled earlier, which is B-5, if I'm correct.
11	Motion to un-table B-5?
12	LEGISLATOR NICOLELLO: So moved.
13	LEGISLATOR DUNNE: Second.
14	CHAIRWOMAN GONSALVES: Moved by
15	Legislator Nicolello, seconded by Legislator
16	Dunne.
17	All those in favor of un-tabling B-5
18	signify by saying aye.
19	(Aye.)
20	Any opposed?
21	(No verbal response.)
22	The item is un-tabled.
23	Who do we have, Mr. May?
24	MR. MAY: We have Mr. Jeff Lindgren from
25	DPW.

1	Rules Committee - 4-11-16 28
2	MR. LINDGREN: Good afternoon. Please
3	excuse my tardiness.
4	This contract is between Nassau County
5	and Eldor Electrical Contract. It's to rebuild
6	traffic signals along Roslyn Road. We will also
7	be upgrading the size of the signal heads, the
8	pedestrian facilities, and the communications
9	back to the traffic management center in
10	Westbury. It's approximately \$3.9 million with
11	an 80 percent federal subsidy.
12	CHAIRWOMAN GONSALVES: Legislator
13	Jacobs.
14	LEGISLATOR JACOBS: Mr. Lindgren, a
15	question. You said Roslyn Road. I believe it
16	reads it's Middle Neck Road.
17	MR. LINDGREN: I apologize. That's
18	another one, yes. My apologies. That's Middle
19	Neck Road and Lakeville Road; you're correct.
20	LEGISLATOR JACOBS: I just wanted to
21	verified for the record.
22	CHAIRWOMAN GONSALVES: Any other
23	questions or comments from the legislators?
24	(No verbal response.)
25	There being none; all those in favor of
	REGAL REPORTING SERVICES 516-747-7353

Rules Committee - 4-11-16 29 1 2 B-5 signify by saying aye. 3 (Aye.) 4 Any opposed? 5 (No verbal response.) The item - any abstentions? 6 7 (Abstain.) 8 Four-zero-three. 9 Now we'll go back to the next item, which 10 is E-70, a resolution authorizing the county 11 executive to execute a personal services 12 agreement between the County of Nassau, acting on 13 behalf of the Department of Social Services, and Family and Children's Association, Inc. 14 15 Motion, please? LEGISLATOR DUNNE: So moved. 16 17 LEGISLATOR NICOLELLO: Second. 18 CHAIRWOMAN GONSALVES: Moved by 19 Legislator Dunne, seconded by Legislator 20 Nicolello. 21 Yes, sir. 22 MR. SHANK: Ed Shank, Nassau County 23 Probation Department. 24 This agreement is funding comprehensive 25 and coordinated services, including evidenced-REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 30
2	based family intervention and respite housing for
3	youths in lieu of detention in the juvenile
4	detention center. It provides for counseling and
5	community-based supervision services including,
6	but not limited to: counseling, case management,
7	family support and crisis intervention for youths
8	and their families with an emphasis on the
9	Hempstead and Uniondale communities.
10	CHAIRWOMAN GONSALVES: Any questions or
11	comments from the legislators?
12	(No verbal response.)
13	There being none; all those in favor of

15	(Aye.)
16	Any opposed?
17	(No verbal response.)
18	Any abstentions?
19	(Abstain.)
20	Four-zero-three.
21	Thank you, Mr. Shank.
22	MR. SHANK: Thank you.
23	CHAIRWOMAN GONSALVES: The next item is
24	E-71, a resolution authorizing the county
25	executive to execute an amendment to a personal
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 31
2	services agreement between the County of Nassau,
3	acting on behalf of the County Department

6	Motion, please?
7	LEGISLATOR DUNNE: So moved.
8	LEGISLATOR KOPEL: Second.
9	CHAIRWOMAN GONSALVES: Moved by
10	Legislator Dunne, seconded by Legislator Kopel.
11	Mr. May, who do we have?
12	MR. MAY: We have Mr. David Rich from
13	TPVA.
14	MR. RICH: Good afternoon. David Rich,
15	Assistant Executive Director of Nassau County
16	Traffic and Parking Violations Agency.
17	The amendment before you is to keep
18	ongoing maintenance for our current information
19	technology solution. The application was
20	installed back in 1995, so in order to keep the
21	application up and running, we need the
22	maintenance.
23	CHAIRWOMAN GONSALVES: Any questions or
24	comments from the legislators?
25	(No verbal response.)
	REGAL REPORTING SERVICES

Rules Committee - 4-11-16 32 1 2 There being none; all those in favor of 3 E-71 signify by saying aye. 4 (Aye.) 5 Any abstentions? 6 (No verbal response.) 7 Any nays? 8 (No verbal response.) 9 VOICES: Abstain. CHAIRWOMAN GONSALVES: I just said any 10 abstentions. 11 12 Four-zero-three. Thank you. 13 14 I am going to block a group of contracts 15 because of the same service that's being provided, and they are: E-72, E-73, E-74, E-75, 16 17 E-78, E-79, and E-80. 18 Motion, please? LEGISLATOR KOPEL: So moved. 19 20 LEGISLATOR DUNNE: Second. 21 CHAIRWOMAN GONSALVES: Moved by 22 Legislator Kopel, seconded by Legislator Dunne. 23 Anyone here to speak on these items? Mr. 24 Rich, are you going to speak on these items? 25 They all have to do with TPVA.

1	Rules Committee - 4-11-16 33
1 2	MR. RICH: Yes. Dave Rich, Nassau
3	County Traffic and Parking Violations Agency.
4	The seven contracts that are in front of
5	you for one annual contract for our judicial
6	hearing services for our judicial hearing
7	officers.
8	CHAIRWOMAN GONSALVES: Legislator
9	Nicolello.
10	LEGISLATOR NICOLELLO: I know some of
11	the names on here are very well established
12	individuals – attorneys, judges, etcetera – and I
13	have no issue with them being administrative
14	review officers or judicial hearing officers.
15	Just a basic question. Is there any sort of
16	evaluation process that they go through after
17	they've been serving for a while? Do you go back
18	and see what the comments were from the litigants
19	or anything like that?
20	MR. RICH: No. No.
21	LEGISLATOR NICOLELLO: I guess if you're
22	not receiving anything negative then they
23	continue on?
24	MR. RICH: Any negative complaints would
25	be filed with the district court - I forget the
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 34
2	title. It used to be Judge Marano, it would be
3	filed with him, any complaints. It would be over
4	and above our agency.
5	LEGISLATOR NICOLELLO: Thank you.
6	CHAIRWOMAN GONSALVES: Any other
7	comments or questions?
8	(No verbal response.)
9	There being none; all those in favor of
10	the various personal agreements - E-72, 73, 74,
11	75, 78, 79, and 80 - the first 72, dealing with
12	Daniel Carter; 73, Stephanie Kaurman; 74, John
13	O'Shea; 75, James Tini; 78, Kenneth Diamond; 79,
14	Joseph Calabrese; 80, Alan S. Mathers - all those
15	in favor of those items that were just called
16	signify by saying aye.
17	(Aye.)
18	Any opposed?
19	(No verbal response.)
20	Any abstentions?
21	(No verbal response.)
22	Okay.
23	We're going back to E-76, a resolution
24	authorizing the county executive to execute a
25	personal services agreement between the County of
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 35
2	Nassau on behalf of the Board of Elections and
3	All American Van Lines.
4	Motion, please.
5	LEGISLATOR DUNNE: So moved.
6	LEGISLATOR KOPEL: Second.
7	CHAIRWOMAN GONSALVES: Moved by
8	Legislator Dunne, seconded by Legislator Kopel.
9	Mr. May, who do we have?
10	MR. MAY: I don't see anybody from the
11	Board of Elections here, so I'm just going to
12	take a stab at this one.
13	CHAIRWOMAN GONSALVES: Okay.
14	MR. MAY: This is a contract for the
15	trucking services for the voting machines and
16	election materials for the 2016 election.
17	CHAIRWOMAN GONSALVES: I don't know if
18	you're going to be able to answer any questions,
19	but I'm going to ask are there any questions?
20	LEGISLATOR ABRAHAMS: We don't have any
21	questions. Actually, I wanted to say welcome
22	back, Mr. May.
23	MR. MAY: Thank you very much.
24	LEGISLATOR ABRAHAMS: I know you're
25	here for a brief time.

1	
1	Rules Committee - 4-11-16 36
2	MR. MAY: I appreciate it.
3	LEGISLATOR ABRAHAMS: I just want to -
4	I remember a contract - oh, Mr. Nedelka is here.
5	I was going to say I do remember a contract like
6	this a couple of weeks ago.
7	MR. NEDELKA: Right. We have three
8	contracts for truckers for the transporting of
9	election equipment from the Board of Elections to
10	the various poll sites around the county. Two
11	weeks ago we had one, that was some information
12	that needed to be attached, so we have one that's
13	on the table for today. This one, All American,
14	is the third of those contracts, they have the
15	bulk of the routes for the county.
16	We've been using All American for several
17	years. We're absolutely ecstatic with their
18	service. They always come in with a good,
19	reasonable price, and the county gets a good bang
20	for the buck with the service.
21	The Board of Elections controls the
22	entire process, from concept to contract, with
23	the truckers. Everything is done in a bipartisan
24	manner. The bid specs are put together using the
25	forms the county has for consistency, but when
	DECAL DEDODTING SEDVICES

1	Rules Committee - 4-11-16 37
2	the bids come in they are locked up in a dual-
3	locked cabinet so neither one side or the other
4	can get at the material without the other side
5	being present. So everything here is above
6	board, completely transparent. As a result of
7	doing that, we were able to add a new vendor this
8	year through some competitive bidding.
9	LEGISLATOR ABRAHAMS: I have a
10	question.
11	CHAIRWOMAN GONSALVES: Minority Leader.
12	LEGISLATOR ABRAHAMS: Mr. Nedelka, when
13	you came and gave a presentation a couple of
14	weeks back, I believe that item was tabled.
15	MR. NEDELKA: One of them was sir, yes.
16	What happened was originally we sent the
17	documents through, and two of the documents came
18	back looking for additional information.
19	Actually, those two we got. The one that was
20	tabled had not been sent back for the
21	information. We thought it wasn't required but
22	it turned out that that one slipped through the
23	cracks when it came back from one of the other
24	agencies. So we cured that problem by getting
25	that document modified, and that's the one that's

1	Rules Committee - 4-11-16 38
2	going to come off the table earlier - that's
3	Nuzzi Brothers. All American is a new ad.
4	LEGISLATOR ABRAHAMS: Gotcha. And this
5	is for the primary next Tuesday.
6	MR. NEDELKA: Right. Starts with the
7	primary April 19. It will cover the June 28
8	federal primary, the September 13 state and local
9	primary, the general election, and then we have,
10	built into this, as we have for the last few
11	years, two one-year additional extensions, which
12	we will opt on unless we feel we can get a better
13	price by rebidding earlier.
14	LEGISLATOR ABRAHAMS: Okay. And this
15	process, I know you said it but I just want to
16	make sure I hear you right. This process was
17	handled by the Nassau County Board of Elections.
18	MR. NEDELKA: Right. Everything is
19	cleared through both the democratic and
20	republican commissioners, up to and including the
21	sign off on the awards after they've been
22	analyzed.
23	LEGISLATOR ABRAHAMS: Thank you.
24	CHAIRWOMAN GONSALVES: Any other
25	questions or comments from the legislators?

14	Any abstentions?
15	(Abstain.)
16	Four-zero-three.
17	The next item is E-83, a resolution
18	authorizing the county executive to execute a
19	personal services agreement between the County of
20	Nassau, acting on behalf of the Department of
21	Social Services, and Family and Children
22	Association Inc.
23	Motion, please?
24	LEGISLATOR DUNNE: So moved.
25	LEGISLATOR NICOLELLO: Second.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 41
2	CHAIRWOMAN GONSALVES: Moved by
3	Legislator Dunne, seconded by Legislator
4	Nicolello.
5	MR. SHANK: Ed Shank, Nassau County
6	Probation Department.
7	This contract is also with the Family and
8	Children's Association. It is also for juvenile
9	supervision and treatment services for juveniles.
10	It does provide for community-based supervision,
11	including, but not limited to: counseling, case
12	management, family and support, crisis
13	intervention for youth and their families with an
14	emphasis, again, on the Hempstead and Uniondale
15	communities. This is for a different period than
16	the previous one that was voted on earlier.
17	CHAIRWOMAN GONSALVES: Any questions or
18	comments for Mr. Shank?
19	(No verbal response.)
20	There being none; all those in favor of
21	E-83 signify by saying aye.
22	(Aye.)
23	Legislator Solages.
24	LEGISLATOR SOLAGES: Thank you very
25	much, Presiding Officer.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 42
2	Good afternoon.
3	MR. SHANK: Good afternoon.
4	LEGISLATOR SOLAGES: Let me just be
5	clear here. The period for which this contract
6	provides for, has that period of time passed
7	already?
8	MR. SHANK: Yes, it has. The
9	appropriation for the grant wasn't done until
10	December of last year, that's why this is being
11	done at this time. The paperwork for the this
12	one is entirely funded by the State Office of
13	Children and Family Services, and the grant
14	funding was only adopted by the legislature in
15	December of 2015, so I could not put this through
16	until that was done.
17	LEGISLATOR NICOLELLO: The State
18	Legislature?
19	MR. SHANK: No. The County Legislature,
20	appropriating the funds as a supplemental. It
21	was Item 519-15 on the December 21 calendar.
22	LEGISLATOR SOLAGES: Were there issues
23	during the contracting process? I'm trying to
24	understand. This is an ongoing service.
25	MR. SHANK: It is an ongoing service.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 43
2	This was originally a bifurcated contract with
3	the county portion provided by human services in
4	the past. The probation had picked up with the
5	state funding subsequent to that. The one that
6	was voted on earlier, all of the funding was in
7	the same agreement.
8	LEGISLATOR SOLAGES: Okay. Thank you
9	very much.
10	CHAIRWOMAN GONSALVES: And now for the
11	vote on E-83.
12	All those in favor of E-83 signify by
13	saying aye.
14	(Aye.)
15	Any against?
16	(No verbal response.)
17	Any abstentions?
18	(Abstain.)
19	Four-zero-three.
20	MR. SHANK: Thank you.
21	CHAIRWOMAN GONSALVES: Thank you, Mr.
22	Shank.
23	E-84, a resolution authorizing the county
24	executive to execute an amendment to a personal
25	services agreement between the County of Nassau,
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 44
2	acting on behalf of the Nassau County Police
3	Department and Motorola Inc.
4	Motion, please?
5	LEGISLATOR DUNNE: So moved.
6	LEGISLATOR NICOLELLO: Second.
7	CHAIRWOMAN GONSALVES: Moved by
8	Legislator Dunne, seconded by Legislator
9	Nicolello.
10	I see we have Lieutenant behind you.
11	LIEUTENANT STEPHANOFF: Good afternoon.
12	Lieutenant Greg Stephanoff. I have with me
13	Deputy Inspector Robert Torres from our support
14	services sections.
15	CHAIRWOMAN GONSALVES: Welcome. What
16	are you going to tell us about this one?
17	E-84-16 is a contract amendment to move a
18	radio tower for the Eighth Precinct community
19	center, which is the second precinct south.
20	We're going to build a new building for the
21	Eighth Precinct community center, and it requires
22	moving the radio tower to accommodate the
23	building.
24	To give you a history. Back in 2004, we
25	had a decision to change our radio system. We
	REGAL REPORTING SERVICES 516-747-7353

1	
1	Rules Committee - 4-11-16 45
2	had a 1982 radio system that was UHF frequency,
3	and we were given, from the FCC, a 500 megahertz
4	band to operate on. So we upgraded our radio
5	system from the UHF to the 500 megahertz band.
6	Because at the time with the UHF we were also
7	sharing the UHF with New Jersey so it made it
8	difficult to expand, we had limited resources on
9	that system, and it was basically an outdated
10	system.
11	Back in July of '04 we put an RFP out for
12	the new radio system. We asked for proposals to
13	design, install, and implement a new public
14	safety land radio mobile system on the police
15	department's recently acquired 500 megahertz
16	frequency that would guarantee 97 percent
17	portable radio on-street coverage and 95 percent
18	in-building coverage, along with inter-
19	operability with local villages and city police
20	agencies and Nassau County's DPW system,
21	including 71 fire districts.
22	Proposals were received from two
23	nationally recognized firms in the business -
24	Motorola and M/A Com, were the two companies that
25	submitted proposals. There was a cost evaluation
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 46
2	and technical evaluation team that was put
3	together. The two teams were made up of
4	different members operating independently of each
5	other. The teams included members of the Nassau
6	County Police Department, the County Department
7	of Public Works, the Police Benevolent
8	Association, and village police departments.
9	After an exhausting five month process,
10	which included oral presentations and written
11	clarifications from both vendors, the cost
12	evaluation team and technical evaluation team
13	submitted final reports to the contract selection
14	committee, which also included representatives of
15	the County Police Department, the County
16	Department of Public Works, and the Police
17	Benevolent Association.
18	By unanimous vote, Motorola was chosen to
19	implement this new radio system that we currently
20	have in place today.
21	The item before you is a CA to move, like
22	I said, the existing radio tower, which is a
23	radio and data tower - it transmits data to the
24	MDTs and it also transmits radio systems to the
25	police radio units in the police cars - to a new
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 47
2	location to accommodate the new building, the new
3	construction. This will include a new tower,
4	which will be 25 feet higher than the current
5	tower, which will be able to accommodate future
6	expansion of the new system as new technology
7	comes out. We will also be including a temporary
8	housing of the equipment in a shelter while the
9	building is going on so we will have full
10	functionality of our radio system and our data
11	MDT system. Once the building is fully built and
12	the room is prepared for the new radio equipment,
13	this contract amendment will also include moving
14	the equipment from the temporary shelter over to
15	the new building for a permanent hookup.
16	There will be no diminished coverage
17	before, during, or after the building is
18	complete. This new tower and the new equipment,
19	at a cost of \$636,158 will be from the capital
20	plan.
21	CHAIRWOMAN GONSALVES: Legislator Dunne.
22	LEGISLATOR DUNNE: The location of the
23	temporary shelter is where? Do you have a
24	location for that?
25	MR. TORRES: Next to the new tower. The
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 48
2	new tower is going to go up.
3	LEGISLATOR DUNNE: Same site?
4	MR. TORRES: Same site, yes. Right next
5	to the new tower. It's just temporary until the
6	building is complete, and then we can move it
7	into the permanent structure.
8	LEGISLATOR DUNNE: What part has OEM
9	played in this?
10	MR. TORRES: OEM wasn't a component of
11	this. It's physically just the current tower is
12	in the footprint of the new building, so we just
13	physically had to move the tower out of the way.
14	The tower is actually moving about 75 to 80 feet.
15	LEGISLATOR DUNNE: That's all this is,
16	just moving the tower and putting a new tower in.
17	MR. TORRES: Yes.
18	LEGISLATOR DUNNE: Thank you.
19	CHAIRWOMAN GONSALVES: Any other
20	questions or comments? Legislator Jacobs.
21	LEGISLATOR JACOBS: Yes. Could I just
22	ask you one question? I know, because we have a
23	large tower at the Second Precinct but it's not
24	near any residences. When this new construction
25	is finished and the tower is permanently placed
	DECAL DEDODTING SEDVICES

1	Rules Committee - 4-11-16 49
2	near it, you said there's a difference of maybe
3	75 feet to where it is now. Does that bring it
4	closer to the residences that are there?
5	MR. TORRES: It actually brings it
6	further away. Right now the current tower is on
7	the north side of the site.
8	LEGISLATOR JACOBS: Right.
9	MR. TORRES: It's actually going to come
10	more toward the center of the site. It's
11	actually going to come away from it.
12	LEGISLATOR JACOBS: Okay. Thank you.
13	CHAIRWOMAN GONSALVES: There being no
14	other questions or comments; all those in favor
15	of E-84 signify by saying aye.
16	(Aye.)
17	Any opposed?
18	(No verbal response.)
19	Any abstentions?
20	(Abstain.)
21	The item passes four-zero-three.
22	Thank you very much.
23	LIEUTENANT STEPHANOFF: Thank you.
24	MR. TORRES: Thank you.
25	CHAIRWOMAN GONSALVES: The next item is
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 50
2	E-86, a resolution authorizing the county
3	executive to execute an amendment to a personal
4	services agreement between the County of Nassau,
5	acting on behalf of the Nassau County District
6	Attorney's Office and Precise Court Reporting
7	Services.
8	Motion, please?
9	LEGISLATOR KOPEL: So moved.
10	LEGISLATOR NICOLELLO: Second.
11	CHAIRWOMAN GONSALVES: Moved by
12	Legislator Kopel, seconded by Legislator
13	Nicolello.
14	And we have?
15	MR. MCMANUS: Bob McManus, District
16	Attorney's Office.
17	CHAIRWOMAN GONSALVES: Welcome.
18	MR. MCMANUS: Good afternoon. The
19	District Attorney's Office is required by law to
20	provide transcripts of our grand jury proceedings
21	to defendants and their counsel upon request.
22	This is an extension of an existing agreement
23	that was the result of a formal RFP and
24	competitive bidding process. This vendor was
25	selected during that process, and we wish to
	DECAL DEDODTING SEDVICES

1	Rules Committee - 4-11-16 51
2	continue the agreement because the vendor's
3	performance has been very satisfactory.
4	CHAIRWOMAN GONSALVES: Any questions of
5	Mr. McManus?
6	(No verbal response.)
7	There being none; all those in favor of
8	E-86 signify by saying aye.
9	(Aye.)
10	Any opposed?
11	(No verbal response.)
12	Any abstentions?
13	(No verbal response.)
14	It passes unanimously.
15	Thank you very much, Mr. McManus.
16	The next item is $E-87$, a resolution
17	affirming to a special counsel contract entering
18	into by the Nassau County Attorney and Vecchione,
19	Vecchione & Connors, LLP.
20	Motion, please?
21	LEGISLATOR NICOLELLO: So moved.
22	LEGISLATOR DUNNE: Second.
23	CHAIRWOMAN GONSALVES: Moved by
24	Legislator Nicolello, seconded by Legislator
25	Dunne.

1	Rules Committee - 4-11-16 52
2	Mr. Locurto.
3	MS. LOCURTO: Good afternoon, Presiding
4	Officer and legislators. This is a contract for
5	legal services. It was the result of a request
6	for proposals to provide legal services to
7	represent the county before the New York State
8	Worker's Compensation Board. As stated, they
9	will represent the county at the board. They
10	will provide legal counsel and advice.
11	This particular firm was selected in the
12	RFP process because they provided the lowest bid
13	and also because of the quality of their service
14	and their extensive experience and knowledge
15	specifically in worker's compensation claims and
16	defenses for other municipalities.
17	CHAIRWOMAN GONSALVES: Any questions or
18	comments for Ms. Locurto?
19	(No verbal response.)
20	There being none; all those in favor of
21	E-87 signify by saying aye.
22	(Aye.)
23	Any opposed?
24	(Nay.)
25	Any abstentions?

1	Rules Committee - 4-11-16 53
2	(No verbal response
3	I'm going to assume it's seven nothing.
4	It's unanimous. I didn't hear anything. It's
5	four-zero-three. Just four-three, period.
6	The next one is E-88, a resolution
7	authorizing the county executive to execute a
8	personal services agreement between the County of
9	Nassau, acting on behalf of the Medical Examiner,
10	and Dr. Peter Farmer.
11	Motion, please?
12	LEGISLATOR DUNNE: So moved.
13	LEGISLATOR NICOLELLO: Second.
14	CHAIRWOMAN GONSALVES: Moved by
15	Legislator Dunne, seconded by Legislator
16	Nicolello.
17	And we have?
18	MR. TEMPESTA: Good afternoon, Madam
19	Presiding Officer, Legislators. Kim Tempesta,
20	Medical Examiner's Office. The item before you
21	is for us to renew our contract for a forensic -
22	neuro-forensic psychologist. We vitally depend
23	on his services in helping to determine cause and
24	manner of death. This is actually going into the
25	third year renewal on a five-year contract.

I	
1	Rules Committee - 4-11-16 54
2	CHAIRWOMAN GONSALVES: Legislator Kopel.
3	LEGISLATOR KOPEL: So, does the county
4	not employ dedicated pathologists who do this
5	kind of function? Do we not have anyone in-house
6	or is there just not enough demand for it, or
7	what?
8	MS. TEMPESTA: This is actually a sub-
9	sub specialty in pathology, in the field of
10	pathology. This is Manor from Heaven. Dr.
11	Farmer is Manor for Heaven for us. He's rare.
12	We are very lucky to have him in our catchment
13	area. He lives just miles from our agency.
14	LEGISLATOR KOPEL: He's a neuro-
15	pathologist, is that what it is? And how often
16	is there call for that?
17	MS. TEMPESTA: Regularly. Actually, all
18	the babies that present to us get the full
19	workup, including a neuropathologist workup.
20	LEGISLATOR KOPEL: Are you looking for
21	shaken baby or that sort of thing?
22	MS. TEMPESTA: He's there to investigate
23	any of the natural diseases of the brain -
24	cancer, Alzheimer's, stroke victims.
25	LEGISLATOR KOPEL: So there's a fairly
	DECAL DEDODTING SEDVICES

1	Rules Committee - 4-11-16 55
2	heavy demand.
3	MS. TEMPSESTA: Yes.
4	LEGISLATOR KOPEL: And what you're
5	saying is there are no people available for full
6	time.
7	MS. TEMPESTA: That is correct. He's
8	been with us for 35 years. We have reached out -
9	if there is anyone willing to do this, and there
10	really is no one willing to do this. We are very
11	fearful of what's going to happen when this man
12	decides to retire.
13	LEGISLATOR KOPEL: Okay. Let's make
14	sure he doesn't, I guess. Okay.
15	CHAIRWOMAN GONSALVES: Minority Leader.
16	LEGISLATOR ABRAHAMS: I'm sorry. I
17	didn't catch your name.
18	MS. TEMPESTA: Kim Tempesta, Deputy
19	Medical Examiner from Administration.
20	LEGISLATOR ABRAHAMS: Good. I'm
21	reading from your memo that you sent to, I guess
22	it was Deputy County Attorney Mary Norey
23	(phonetic).
24	MS. TEMPESTA: Yes.
25	LEGISLATOR ABRAHAMS: Where you had
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 56
2	specified that - the same that you had specified
3	on the record - that Dr. Farmer's credentials and
4	obviously this being something about as close as
5	you're going to get to a sole source just because
6	of his expertise and his abilities and his
7	willingness. We just wanted to confirm, you
8	know, within the catchment area, you don't see
9	any other.
10	MS. TEMPESTA: Absolutely not.
11	LEGISLATOR ABRAHAMS: Okay. All right.
12	Thank you very much, Ms. Tempsta.
13	MS. TEMPESTA: Tempest, with an A.
14	Tempesta.
15	LEGISLATOR ABRAHAMS: Thank you.
16	CHAIRWOMAN GONSALVES: There being no
17	other comments; all those in favor of E-88
18	signify by saying aye.
19	(Aye.)
20	Any opposed?
21	(No verbal response.)
22	Any abstentions?
23	(No verbal response.)
24	It's seven-nothing. It's unanimous.
25	Thank you very much.
	REGAL REPORTING SERVICES

I	
1	Rules Committee - 4-11-16 57
2	Thank you, Ms. Tempesta.
3	The next item is E-89, a resolution
4	authorizing the county executive to execute an
5	amendment to a personal services agreement
6	between the County of Nassau acting on behalf of
7	the Nassau County Medical Examiner and Robert
8	Wass.
9	And you're back again.
10	Motion, please?
11	LEGISLATOR DUNNE: So moved.
12	LEGISLATOR NICOLELLO: Second.
13	CHAIRWOMAN GONSALVES: Moved by
14	Legislator Dunne, seconded by Legislator
15	Nicolello.
16	Ms. Tempesta.
17	MS. TEMPESTA: Once again, we do have
18	need for the sub-sub specialty. Mr. Wass brings
19	to us a level of expertise that's very rare and
20	very uncommon. We've reached out within our
21	regional partners to see if there is anyone like
22	him. As it turns out, Suffolk County ME's office
23	does use him when need arises. And we have had a
24	need to use him in the past, three times since we
25	actually entered into a contract with him.

1	Rules Committee - 4-11-16 58
2	This is just for renewal off of his
3	contract. He is there to investigate all sorts
4	of casualties involving marine, pool, or
5	electrical failures. So, once again, we are here
6	before you to seek approval to renew his
7	contract.
8	CHAIRWOMAN GONSALVES: Minority Leader.
9	LEGISLATOR ABRAHAMS: Thank you. Thank
10	you, Madam Presiding Officer.
11	Just again, I just want to cover through
12	the skill sets here again.
13	Is this very similar to Dr. Farmer, where
14	you see this as a sole source contract because of
15	the catchment area as well or are there other
16	individuals that can provide this service,
17	similar to what Mr. Robert Wass does?
18	MS. TEMPESTA: I've been in healthcare
19	close to 30 years, and this is the first of my
20	learning of this sub-sub specialty. He is not an
21	MD. He actually is someone who has carved out
22	this niche in investigating casualties that have
23	to do with electrical equipment failure, scuba
24	dive equipment failure, any marine types of
25	casualties. They are very uncommon.

1	Rules Committee - 4-11-16 59
2	We did reach out to our regional
3	partners, other Office of Medical Examiner
4	offices, and no one had anything compared to what
5	he offers us. He came highly recommended from
6	the Suffolk County ME's office, and we have had
7	no problem heretofore with his reports, analysis
8	and investigations; they are very thorough and
9	comprehensive. We just don't know where to look
10	outside of him.
11	LEGISLATOR ABRAHAMS: Okay. Thank you.
12	CHAIRWOMAN GONSALVES: There being no
13	other questions; all those in favor of E-89
14	signify by saying aye.
15	(Aye.)
16	Any opposed?
17	(No verbal response.)
18	Abstentions?
19	(No verbal response.)
20	It's seven to zero.
21	Thank you, Ms. Tempesta.
22	MS. TEMPESTA: Thank you.
23	CHAIRWOMAN GONSALVES: The next contract
24	is E-90, a resolution authorizing the county
25	executive to execute an amendment to a personal
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 60
2	services agreement between the County of Nassau,
3	acting on behalf of the Nassau County Office of
4	Management and Budget, and AJ Consulting
5	Services, LLC.
6	Motion, please?
7	LEGISLATOR DUNNE: So moved.
8	LEGISLATOR NICOLELLO: Second.
9	CHAIRWOMAN GONSALVES: Moved by
10	Legislator Dunne, seconded by Legislator
11	Nicolello.
12	Who do we have?
13	MR. CONKLIN: Good afternoon. Steve
14	Conklin from the Budget Office.
15	CHAIRWOMAN GONSALVES: Welcome.
16	MR. CONKLIN: This is a contract
17	amendment to extend the term with AJ Consulting
18	through the end of 2016. The total dollar amount
19	payable under the contract would not be
20	increased. We are looking to extend the term of
21	the contract since the vendor, among other
22	things, continues to help the budget office
23	analyze the county's tax receipts and is
24	assisting us in conversations with the state on
25	that topic. If at the end of this year we feel
	DECAL DEDODTING SEDVICES

1	Rules Committee - 4-11-16 61
2	we still need these services, we'd go out with a
3	new RFP.
4	CHAIRWOMAN GONSALVES: Any questions or
5	comments? Legislator Jacobs.
6	LEGISLATOR JACOBS: Hi. I was wondering
7	if I could ask you something. Why can't the OMB
8	staff do this type of work, or can they?
9	MR. CONKLIN: We can, but it is kind of
10	a unique task. The information that we receive
11	from the state is a database just of vendors -
12	like 5,000 lines to database. It is difficult to
13	get into conversations with the state on this
14	topic. Some of the employees at AJ Consulting,
15	they have extensive experience working with the
16	state. One of their new employees, Michelle
17	Cummings, who joined the company in 2015 worked
18	for the New York State Department of Taxation and
19	Finance, so she is very helpful in those
20	conversations with the state. Again, this is not
21	a topic that's easy to get a lot of information.
22	They have been very valuable assisting in those
23	discussions with the state.
24	LEGISLATOR JACOBS: Let me ask you this.
25	It says here that perhaps, as you go forward,
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 62
2	when this actually expires, this particular
3	contract, you may choose not to renew or you have
4	that ability? What would make it happen? What
5	would you need in OMB to make this part of the
6	daily existence of OMB?
7	MR. CONKLIN: When we first entered into
8	this contract a few years ago, it was really to
9	help the budget office with the multi-year plan
10	process, the 2012-2015 multi-year plan. They've
11	been helping us with other topics; this is just
12	the new topic that they've been helping us with.
13	They've helped us with different budget
14	initiatives, looking where to have on expenses,
15	increased revenues. It's my understanding that
16	they've helped in negotiations with employee
17	contracts, labor union contracts. This is not
18	the only thing that they've been helping us on,
19	but this is a more recent initiative that they've
20	been helping us with. It's not their only focus.
21	Again, if at the end of this year we need
22	help in this area or other areas, at that time
23	we'd go out with a new RFP. But it is possible
24	if, at that point, we feel we don't need any more
25	assistance in this regard.

1	Rules Committee - 4-11-16 63
2	LEGISLATOR JACOBS: Let me ask you a
3	question just for my own information. Would this
4	be equivalent to what PFM was a number of years
5	ago?
6	MR. CONKLIN: We still have a contract
7	with PFM. I mean, it's in the area of finance.
8	PFM, really where their expertise is is helping
9	us when we go to the market to bonds. This firm,
10	as I said, they have a lot of experience working
11	in governments, where PFM has experience with
12	clients and governments but they've worked in the
13	city and the state and so on.
14	LEGISLATOR JACOBS: Thank you.
15	MR. CONKLIN: You're welcome.
16	CHAIRWOMAN GONSALVES: There being no
17	other questions or comments; all those in favor
18	of Contract E-90 signify by saying aye.
19	(Aye.)
20	Any opposed?
21	(No verbal response.)
22	Any abstentions?
23	(Abstain.)
24	Four-zero-three.
25	MR. CONKLIN: Thank you.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 64
2	CHAIRWOMAN GONSALVES: Thank you.
3	The next contract is E-91, a personal
4	services agreement between the County of Nassau,
5	acting on behalf of the Nassau County Department
6	of Parks, Recreation and Museums, and the
7	Atlantic Wind Symphony, Inc.
8	Motion, please?
9	LEGISLATOR DUNNE: So moved.
10	LEGISLATOR NICOLELLO: Second.
11	CHAIRWOMAN GONSALVES: Moved by
12	Legislator Dunne, seconded by Legislator
13	Nicolello.
14	Ms. Krieb.
15	MS. KRIEB: Good afternoon. Eileen
16	Krieb from the Parks Department.
17	This is a special service contract for
18	Atlantic Wind Symphony, who performs traditional
19	19th Century brass ensembles, concerts at Old
20	Bethpage Village, which enhances all of our
21	programs during the entire year. It's funded
22	through hotel/motel funding.
23	CHAIRWOMAN GONSALVES: Legislator
24	Nicolello.
25	LEGISLATOR NICOLELLO: I just have a
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 65
2	quick question. Do you know about how many times
3	they play at Old Bethpage?
4	MS. KRIEB: It's on Exhibit A. I think
5	it's about 25 times. They mix it up between six
6	piece and 12.
7	LEGISLATOR NICOLELLO: Great. Thank
8	you.
9	CHAIRWOMAN GONSALVES: There being no
10	other questions or comments; E-91, all those in
11	favor signify by saying aye.
12	(Aye.)
13	Any opposed?
14	(No verbal response.)
15	Any abstentions?
16	(Abstain.)
17	Four-zero-three.
18	Now, we do have several items that will
19	be untabled. I will call a motion to untable the
20	items, but I will then call each one separately.
21	Motion to untable $E-5$, $E-49$, $E-54$, and $E-$
22	57. A motion to untable, please?
23	LEGISLATOR NICOLELLO: So moved.
24	LEGISLATOR DUNNE: Second.
25	CHAIRWOMAN GONSALVES: Moved by
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 66
2	Legislator Nicolello, seconded by Legislator
3	Dunne.
4	All those in favor of untabling those
5	items signify by saying aye.
6	(Aye.)
7	Any opposed?
8	(No verbal response.)
9	Those items are untabled.
10	The first one is E-5, a personal services
11	agreement between the County of Nassau, acting on
12	behalf of the Nassau County District Attorney's
13	Office, and Fund for the City of New York Center
14	for Court Innovation.
15	Motion, please? I'm sorry. I don't need
16	a motion; I just untabled.
17	MR. MCMANUS: Bob McManus, District
18	Attorney's Office.
19	The Fund for the City of New York, Center
20	for Court Innovation is a partnership between New
21	York State Unified Court System and the Fund for
22	the City of New York. The Center has an ongoing
23	formal contractual relationship with the unified
24	court system, and functions as its research and
25	development arm. The Fund for the City of New
	RECAL REPORTING SERVICES

2	York works with counties on this project
3	throughout the state. The organization itself
4	has worked with New York State courts now for 15
5	years.
6	This particular agreement is to provide
7	and supervise a full-time dedicated resource
8	coordinator for the new Nassau County adolescent
9	part. The purpose of this program is to ensure
10	that adolescents, ages 16 and 17, receive the
11	benefit of appropriate services to reduce the
12	likelihood that they will be trapped in a cycle
13	or reoffending. This program is open to youth
14	that have committed misdemeanors and non-violent
15	felonies.
16	CHAIRWOMAN GONSALVES: Any comments or
17	questions from the legislators? Legislator
18	Kopel.
19	LEGISLATOR KOPEL: Good afternoon.
20	MR. MCMANUS: Good afternoon.
21	LEGISLATOR KOPEL: Is this similar to
22	54-16, the Hempstead item on Family and
23	Children's Association?
24	MR. MCMANUS: No, sir. It's a separate
25	item.

7

1	Rules Committee - 4-11-16 68
2	LEGISLATOR KOPEL: I know it's a
3	separate item. I said similar. If it's a
4	similar kind of program.
5	MR. MCMANUS: This is a much smaller
6	program than the other program. I guess you
7	could say it's similar, except that this
8	particular program is only for 16 and 17 years
9	olds, where the other program is for adults and
10	children, both.
11	LEGISLATOR KOPEL: So what kind of
12	services? This is only for misdemeanors.
13	MR. MCMANUS: That's correct, sir.
14	LEGISLATOR KOPEL: And only non-violent;
15	would that be right?
16	MR. MCMANUS: That is exactly right.
17	LEGISLATOR KOPEL: They have been doing
18	this for?
19	MR. MCMANUS: This has been about two
20	years now since this program began.
21	LEGISLATOR KOPEL: And what have been
22	the results?
23	MR. MCMANUS: We feel the results have
24	been good. I don't have any statistics today to
25	demonstrate the results. But the program has
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 69
2	been very successful, in terms of diverting
3	youthful offenders into programs to prevent their
4	recurring of criminal activity.
5	LEGISLATOR KOPEL: In other words, how
6	much is this costing?
7	MR. MCMANUS: Excuse me?
8	LEGISLATOR KOPEL: How much will this
9	cost?
10	MR. MCMANUS: This particular item, one
11	second please. This is \$96,743 of forfeiture
12	funds.
13	LEGISLATOR KOPEL: So you are
14	recommending that we move forward based upon a
15	gut feeling?
16	MR. MCMANUS: No, sir. I didn't say a
17	gut feeling.
18	LEGISLATOR KOPEL: Forgive me; I put
19	words in your mouth. I agree. In other words, a
20	few weeks ago we asked for statistics on that
21	other program, E-54, and they were supplied to us
22	on the results, in terms of the prevention of
23	recidivism. And you don't have anything at all?
24	MR. MCMANUS: In terms of statistics?
25	LEGISLATOR KOPEL: Yes.

1	
1	Rules Committee - 4-11-16 70
2	MR. MCMANUS: I'm checking the backup.
3	LEGISLATOR KOPEL: I really wish, you
4	know, that when these things are brought to us,
5	at least I'm speaking for myself, I'd like to
6	hear why. When I say why I mean why are we
7	spending this money, are we getting something for
8	it, and why do you think so?
9	MR. MCMANUS: What would you like us to
10	provide, sir?
11	LEGISLATOR KOPEL: Rates. Success rate.
12	CHAIRWOMAN GONSALVES: Mr. McManus, I
13	think he's looking for a success rate.
14	MR. MCMANUS: Okay.
15	LEGISLATOR KOPEL: In other words, that
16	other program showed that they came back with
17	some statistics to the effect that there was, I
18	believe, a 17 percent differential in the
19	recidivism rate between those who participated in
20	the program and those who did not. That's the
21	kind of thing I'd be interested in hearing.
22	Does everyone participate in this
23	program? Is it a voluntary thing? How does that
24	work?
25	MR. MCMANUS: No, sir. It's basically,
	DECNI DEDODTINO SEDVICES

1	Rules Committee - 4-11-16 71
2	as I said, 16 and 17 year olds who have
3	LEGISLATOR KOPEL: No. I meant among
4	the 16 and 17 year olds, do all of these people
5	participate? Is participating in the program
6	mandatory? How do you select?
7	MR. MCMANUS: I have that for you. All
8	cases involving 16 and 17 years old charged with
9	misdemeanors and, in certain cases, non-violent
10	felonies are assigned to the adolescent part.
11	Each defendant is then required to have a
12	validated assessment by probation, using the
13	youth assessment screening instrument. The
14	research coordinator, which is what this
15	agreement is for, reviews each assessment and
16	makes a recommendation to the court regarding
17	appropriate treatment or alternative referrals.
18	LEGISLATOR KOPEL: We're doing it for
19	two years. The City of New York, I'm assuming,
20	has been doing it for far longer.
21	MR. MCMANUS: No, sir. This program is
22	relatively new statewide. They may have had
23	similar programs, but the youth adolescent
24	program is a relatively new program throughout
25	the state.

1	Rules Committee - 4-11-16 72
2	LEGISLATOR KOPEL: And who are the
3	people who are selected to actually provide this
4	guidance? What are their credentials, their
5	qualifications?
6	MR. MCMANUS: As I had said, the Fund
7	for the City of New York - are you referring to
8	the -
9	LEGISLATOR KOPEL: I guess so. In other
10	words, that's just a name and doesn't mean
11	anything to me.
12	MR. MCMANUS: They have a contractual
13	arrangement with the New York State Unified Court
14	System and the Fund for the City of New York,
15	which is the administrative arm of the courts
16	within the City. The Center, meaning the vendor
17	here, has an ongoing formal contractual
18	relationship with the Unified Court System and
19	functions as its research and development arm.
20	LEGISLATOR KOPEL: In other words, the
21	people that are employed by this outfit, who are
22	they and what are their qualifications?
23	MS. MCMANUS: What are their what?
24	LEGISLATOR KOPEL: The qualifications of
25	the people who actually are in the field who are
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 73
2	actually doing this work, who are actually
3	meeting with these youngsters.
4	MR. MCMANUS: In terms of the
5	qualifications of the individuals that work
6	there, I don't have that information available
7	for you.
8	LEGISLATOR KOPEL: I would assume that
9	this outfit should have this information plus the
10	statistics. I would imagine that they would have
11	all that.
12	MR. MCMANUS: They will have the
13	information regarding the qualifications. I'm
14	sure that we have statistics that we can provide
15	to you.
16	LEGISLATOR KOPEL: I would like to see
17	both and would like to see that whenever you
18	come.
19	CHAIRWOMAN GONSALVES: Mr. McManus,
20	would you please get that information to us? And
21	the other question I have is how many students, I
22	should say adolescents, are enrolled in this
23	program at any given time?
24	MR. MCMANUS: Yes, ma'am. I'd be happy
25	to get that information for you as quickly as
	REGAL REPORTING SERVICES

П	
1	Rules Committee - 4-11-16 74
2	possible.
3	CHAIRWOMAN GONSALVES: I would
4	appreciate that, and Mr. Kopel would.
5	Legislator Jacobs.
6	LEGISLATOR JACOBS: Yes. I just wanted
7	to clarify something, make sure I'm reading this
8	correctly. This is a 100 percent grant from the
9	state?
10	MR. MCMANUS: It's forfeiture funds.
11	LEGISLATOR JACOBS: Forfeiture funds.
12	MR. MCMANUS: Yes.
13	LEGISLATOR JACOBS: Okay. So it's not
14	out of the operating or anything like that?
15	MR. MCMANUS: Absolutely not.
16	LEGISLATOR JACOBS: Okay. And this is
17	the, I assume the state decided to go this way
18	because this is the recommendation now, in the
19	21st Century, to try to avoid repeat offenders
20	with young people.
21	MR. MCMANUS: Yes, ma'am, I would say
22	that. Yes.
23	LEGISLATOR JACOBS: Thank you very much.
24	CHAIRWOMAN GONSALVES: There being no
25	other comments; all those in favor of Ms.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 75
2	Mereday, please.
3	MS. MEREDAY: Meta Mereday, Baldwin, New
4	York. Again, when I read about this resolution I
5	had a spark of hope, but of course that was
6	dashed. My concern had to do with any part of
7	this funding or process being utilized for the
8	veteran's court, or do we still have a veteran's
9	court in Nassau County? A lot of the
10	conversation today has been addressing at-risk
11	youth, adolescents in trouble, and that sort of
12	thing. We are continuing to allocate a lot of
13	funding and resources, notwithstanding that might
14	be the need, but I have yet to really see
15	anything in-depth, or comprehensive, or
16	alternative, or collaborative that's addressing
17	the rising issues. If we look at Lackland Air
18	Force Base, Fort Hood, etcetera, what is
19	happening within our veteran community and in our
20	own community - we have had veterans who have
21	committed suicide in our own jails.
22	I'm still concerned that we are getting
23	state funding and we are getting federal funding
24	and we, as a county, not just we as a country,
25	but we, particular as a county, continue to fail
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 76
2	to address the diverse needs of our veterans, and
3	particularly with regard to the veteran's court,
4	that I haven't heard or seen anything about, so
5	for all I know it could have started up and just
6	gone extinct.
7	LEGISLATOR DUNNE: District Attorney
8	Kathleen Rice instituted the courts when they
9	first came about, so they do have an - our courts
10	do have the veteran's court.
11	MS. MEREDAY: I was a part of that. And
12	one of the problems with the court, as it
13	pertained to Nassau County, is that it was not
14	inclusive of issues derived from DPW and DUI. I
15	was a part of the advocacy group that put that
16	court in process. Unfortunately, Nassau County,
17	or whoever within Nassau County, deemed it unwise
18	to include the aspect of the DUI and the DWI,
19	which is the largest concern that is impacting
20	our returning veterans.
21	LEGISLATOR DUNNE: Okay. Ms. Mereday,
22	we will look into that. Mr. McManus, is there
23	any response you can give to us on that or no?
24	MR. MCMANUS: I know that - I concur
25	that those individuals were not included in the
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 77
2	program. I know that was a definite decision made
3	by our office. But in terms of explaining the
4	rationale behind it, I don't really have that
5	information.
6	LEGISLATOR DUNNE: I know the other
7	counties had it included, and maybe the new
8	district attorney may include it. Maybe we'll
9	look into that, Ms. Mereday.
10	Thank you for bringing that to our
11	attention.
12	MS. MEREDAY: Okay.
13	CHAIRWOMAN GONSALVES: There being no
14	other questions or comments; all those in favor
15	of E-5 signify by saying aye.
16	(Aye.)
17	Any opposed?
18	(Nay.)
19	The item passes six to one.
20	Thank you, Mr. McManus.
21	MR. MCMANUS: Thank you.
22	CHAIRWOMAN GONSALVES: Mr. McManus, we
23	still would like that information. Okay?
24	MR. MCMANUS: Yes.
25	CHAIRWOMAN GONSALVES: Thank you very
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 78
2	much.
3	E-49, a personal services agreement
4	between the County of Nassau, acting on behalf of
5	the Nassau County Department of Human Services,
6	Office of Mental Health, Chemical Dependency and
7	Development Disabilities Services, and Psch, Inc.
8	Motion, please? I'm sorry. We don't
9	need a motion, it was untabled.
10	Who is going to speak on this?
11	MR. HALL: Brian Hall, Human Services.
12	CHAIRWOMAN GONSALVES: Okay. So what
13	are you going to tell us?
14	MR. HALL: This is a contract between
15	Human Services and PSCH. It's to provide
16	comprehensive mental health services for mentally
17	disabled adults, children, and their families
18	residing in the county. It's 100 percent grant
19	funded by New York State.
20	This vendor was picked by New York State
21	Department of Mental Health and assigned to us.
22	CHAIRWOMAN GONSALVES: Minority Leader.
23	LEGISLATOR ABRAHAMS: How are you, sir?
24	MR. HALL: Good.
25	LEGISLATOR ABRAHAMS: The last time
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 79
2	this was before us it was tabled, and I don't
3	know if you would be able to share some light on
4	it. I thought it was tabled because of New York
5	State Comptroller DiNapoli's report, which
6	specified that there was found that the not-for-
7	profit received \$150,000 in reimbursements from
8	the State Office of Mental Health for
9	inappropriate expenses, including almost 11,000
10	for alcohol at a two-day executive board retreat
11	in Montauk; that was part of the comptroller's
12	report. I was wondering if you had any light to
13	shed on the vendor's point of view from the
14	particular incidents that were raised in the
15	report.
16	MR. HALL: We've been in touch with the
17	state, and as of this point now, we haven't
18	received any further direction, other than the
19	fact that they had assigned this vendor to us
20	through the county. We don't pick. Some of
21	these vendors are just given to us automatically
22	by the state. The state gives a state aid
23	letter. We appropriate the money and give it out
24	to the agencies who are assigned. We are like a
25	go between.

1	Rules Committee - 4-11-16 80
2	At this point, we haven't received
3	anything from the New York State Department of
4	Mental Health changing anything, even though
5	we're aware of what you brought up. We have been
6	in touch with the state asking them if they had
7	any reason to go back on this plan, and so far we
8	haven't received anything.
9	LEGISLATOR ABRAHAMS: I understand it's
10	100 percent New York funded program; however, it
11	just brings to light the 1.6 million expenses
12	that were claimed by the agency, according to the
13	consolidated fiscal report put together by the
14	New York State comptroller. It just seems like a
15	lot of these expenses were not allowable
16	expenses. According to the report also, it
17	specified that almost 98,000 were duplicate,
18	inappropriate, or unsubstantial charges. I just
19	don't see why we would enter into, even though I
20	know it's 100 percent funded, I just don't see
21	why we would enter into a contract with an entity
22	that has this looming over them, according to the
23	comptroller's report.
24	MR. HALL: Well, I'll be honest with
25	you. We've been in touch with them over the last
	REGAL REPORTING SERVICES

1	
1	Rules Committee - 4-11-16 81
2	several days trying to get something from them, I
3	guess to sign off saying that they are aware of
4	these problems and they still want to give us the
5	money, but we haven't been able to receive
6	anything with those exact wordings.
7	LEGISLATOR ABRAHAMS: You're saying
8	they; they meaning the state or the agency?
9	MR. HALL: The Department of Mental
10	Health, New York State Department of Mental
11	Health. An ideal thing would have them say we're
12	aware of what's going on with the comptroller's
13	office and we still want to give you the funds,
14	we still want you to give the funds out, or we no
15	longer want to do it. At this point, now we
16	haven't been able to receive that secondary
17	letter letting us know which way to go. So far
18	we are going on the they're just giving us the
19	letter giving us the okay to give the money at
20	this point.
21	LEGISLATOR ABRAHAMS: So they're giving
22	you a letter indicating that we should go
23	forward?
24	MR. HALL: They are not acknowledging
25	the comptroller's report in their letter at this
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 82
2	point.
3	LEGISLATOR ABRAHAMS: And you brought
4	the comptroller's report to their attention.
5	MR. HALL: Yes.
6	LEGISLATOR ABRAHAMS: And their
7	response is?
8	MR. HALL: There has not been a
9	response. The ideal response would be we're
10	aware of the comptroller's report but we still
11	want to give you the money or we want to pull it
12	back; we haven't been able to either one at this
13	point.
14	We are still back with the original
15	letter telling us they'll give the money, and
16	that's as far as they've gone with us at this
17	point.
18	LEGISLATOR ABRAHAMS: Excuse me one
19	second.
20	I just think that seems to be, on the
21	state's part, very dangerous, to be able to not
22	give the county some level of confidence. This
23	entity could very well be working with the
24	comptroller to explain some of the things that
25	are in that report. Without us knowing it
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 83
2	Madam Presiding Officer, I'm just curious with
3	this was untabled because it doesn't sound to me
4	that the county has at the request of the
5	department. Oh.
6	CHAIRWOMAN GONSALVES: Let me ask you a
7	question. Are you finished, Minority Leader?
8	LEGISLATOR ABRAHAMS: Yes, I am. Thank
9	you.
10	CHAIRWOMAN GONSALVES: I have a
11	question. And the question is what would be the
12	ramifications if we did not pass this item today?
13	MR. HALL: I guess the ideal thing would
14	be if we can get a letter from them solving this
15	one way or the other.
16	CHAIRWOMAN GONSALVES: Just again, to
17	clarify. The vendor was selected by the state
18	not by us.
19	MR. HALL: Yes. Not by us. That's
20	correct.
21	CHAIRWOMAN GONSALVES: I hate to do
22	this. Possibly by the end of the day we can
23	revisit it. I'm going to call for a motion to
24	table it.
25	LEGISLATOR NICOLELLO: So moved.
	DECNI DEDODTING CEDUICES

1	Rules Committee - 4-11-16 84
2	LEGISLATOR KOPEL: Second.
3	CHAIRWOMAN GONSALVES: Moved by
4	Legislator Nicolello, seconded by Legislator
5	Kopel.
6	All those in favor of tabling E-49
7	signify by saying aye.
8	(Aye.)
9	Any opposed?
10	(No verbal response.)
11	The item is tabled. By the end of the
12	day we can untable it if you come back with
13	additional information.
14	MR. HALL: I'll be honest with you. I do
15	not see the state getting me a letter by the end
16	of the day telling me
17	CHAIRWOMAN GONSALVES: Well, you know
18	what? I need to know. I know that the
19	commissioner was very anxious to see this item
20	passed today. Perhaps maybe she can come down
21	later on and make the case for this item.
22	MR. HALL: Okay.
23	CHAIRWOMAN GONSALVES: Right now we
24	tabled it.
25	MR. HALL: Okay.

1	Rules Committee - 4-11-16 85
2	CHAIRWOMAN GONSALVES: It's still here.
3	MR. HALL: Okay.
4	CHAIRWOMAN GONSALVES: Thank you very
5	much.
6	MR. HALL: Okay.
7	CHAIRWOMAN GONSALVES: The next item is
8	E-50, a personal I'm sorry E-54, a personal
9	services agreement between the County of Nassau,
10	acting on behalf of the Nassau County District
11	Attorney's Office, and Office of Family and
12	Children's Association.
13	Motion, please? I don't need a motion.
14	I keep forgetting. It's untabled.
15	Mr. McManus.
16	MR. MCMANUS: I also have the pleasure
17	of being accompanied by Assistant District
18	Attorney Dana Boyland, who is the director of re-
19	entry initiative and youth development
20	programming for the district attorney's office to
21	answer questions that you might have.
22	CHAIRWOMAN GONSALVES: Can you shed some
23	light on this particular agreement, please?
24	MR. BOYLE: Good afternoon. I'll start
25	by giving you some background as to what COTA,
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 86
2	Counsel of Thought and Action does and what it
3	hopes to accomplish.
4	It is a community initiative focused on
5	prevention, intervention, and re-entry. It also
6	provides alternative to incarceration prosecution
7	option.
8	The target community for our COTA
9	initiative are really all community members who
10	need help with criminalgenic concerns. And what
11	I mean by that is that there are certain factors
12	that research has established will often play a
13	role in your involvement in the criminal justice
14	system - lack of housing, under education or lack
15	of education, under employment or lack of
16	employment, chemical dependency, etcetera; those
17	are all known criminalgenic factors. Community
18	members who are in need of services or resources,
19	to help them through those issues, are the
20	communities that we focus on.
21	A large percentage of the people, 90
22	percent or above, are folks who have been
23	involved in the criminal justice system, no
24	surprise there, and they actually do have those
25	needs and we work with them to connect them to
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 87
2	the resources needed to prevent recidivism,
3	promote community safety, all of which have a
4	nexus to law enforcement.
5	CHAIRWOMAN GONSALVES: Any questions or
6	comments? Legislator Kopel.
7	LEGISLATOR KOPEL: And I see that you've
8	supplied us with some statistics over here as
9	well on this case.
10	MS. BOYLE: Yes, sir.
11	LEGISLATOR KOPEL: I'm satisfied with
12	this this time, and I commend you on that. I
13	would like to encourage the administration,
14	seriously, every time you bring us something
15	where we have to spend money, and I don't care
16	where it's funded from, this is what you need to
17	do. You need to give us the information telling
18	us why this is a good way to spend money.
19	I'm satisfied with this one.
20	MS. BOYLE: Thank you, sir. Duly noted.
21	LEGISLATOR KOPEL: I'm not dissatisfied
22	with the last one, in terms of the value of it.
23	But I just don't have enough information and
24	that's why I voted against it.
25	Thank you.

1	Rules Committee - 4-11-16 88
2	CHAIRWOMAN GONSALVES: Minority Leader.
3	LEGISLATOR ABRAHAMS: Ms. Boyle, it's
4	been researched in our backup that the business
5	history form and the principal questionnaire form
6	are not in the backup; are you aware of that?
7	MR. BOYLE: I'll defer to Mr. McManus on
8	that.
9	MR. MCMANUS: They were provided, Mr.
10	Abrahams. Later, after the contract was
11	submitted we submitted that information, and I
12	have copies of it here that I will be happy to
13	LEGISLATOR ABRAHAMS: If you don't
14	mind.
15	MR. MCMANUS: Not at all.
16	LEGISLATOR ABRAHAMS: If we can just
17	take a quick look at it.
18	MR. MCMANUS: Certainly.
19	LEGISLATOR ABRAHAMS: Madam Presiding
20	Officer, would that be okay? We haven't seen it.
21	If we can just take a quick look before we take
22	the vote that would be helpful. I'm asking for
23	30 seconds to take a quick look. We just need to
24	take a look to make sure all the questions were
25	answered, and then we'll be happy to take the

1	Rules Committee - 4-11-16 89
2	vote.
3	Our counsel has advised us it looks fine.
4	CHAIRWOMAN GONSALVES: Okay. Therefore,
5	at this point, we'd be in order to move E-54.
6	All those in favor signify by saying aye.
7	(Aye.)
8	Any opposed?
9	(No verbal response.)
10	Any abstentions?
11	(No verbal response.)
12	It's all yes?
13	VOICES: Yes.
14	CHAIRWOMAN GONSALVES: The last contract
15	is E-57, a resolution authorizing the county
16	executive to execute an amendment to a personal
17	services agreement between the County of Nassau,
18	acting on behalf of the Nassau County Department
19	of Parks, Recreation and Museums, and Ed Moore
20	Advertising, Inc.
21	Ms. Krieb, do you have anything to
22	enlighten us with or are we already enlightened?
23	MR. KRIEB: Eileen Krieb, Department of
24	Parks.
25	This is merely an amendment to an
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 90
2	existing contract for an additional funding of
3	\$25,000 for advertising and media promotion for
4	programs that were developed toward the end of
5	the year and were going to implement in the
6	beginning of 2016.
7	CHAIRWOMAN GONSALVES: Minority Leader.
8	LEGISLATOR ABRAHAMS: Ms. Krieb, is
9	this past work? Our backup indicates this was
10	over on March 31, 2016.
11	MR. KRIEB: The contract started. It
12	was signed by the vendor in December. It took a
13	while to get to this level. It was for programs,
14	such as summer camp and the skating rinks that
15	they brought on
16	LEGISLATOR ABRAHAMS: So the contract
17	that they signed in December was for a contract
18	that they started the work on April 1, 2015?
19	MR. KRIEB: No, no. We have a contract
20	already existing. This is just an amendment to
21	bring more money into the contract.
22	LEGISLATOR ABRAHAMS: Alright. So let
23	me make sure I understand it. Basically, our
24	backup, the term of the agreement is April 1,
25	2015 to March 31, 2016. They signed the
	RECAL REDORTING SERVICES

1	Rules Committee - 4-11-16 91
2	contract, you're saying
3	MS. KRIEB: December 15. The amendment,
4	not the contract.
5	LEGISLATOR ABRAHAMS: The amendment in
6	December 2015 for April 1, 2016 going forward.
7	MS. KRIEB: They signed the amendment in
8	December. The amendment is for January 2016 to
9	March.
10	LEGISLATOR ABRAHAMS: Something is not
11	tying out. My backup doesn't indicate anything
12	about January. It indicates April 1.
13	MS. KRIEB: Do you have the amendment
14	document? It says on behalf of January
15	LEGISLATOR ABRAHAMS: We will pull the
16	contract. In our backup notes it indicates the
17	period of the term.
18	MS. KRIEB: The term isn't changing;
19	it's just the amount of money that we're adding
20	to it.
21	LEGISLATOR ABRAHAMS: So what is the
22	term?
23	MS. KRIEB: The term is exactly what
24	you're saying, April 1, 2015 to March 2016, but
25	all the money has been spent as of December '15
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 92
2	so we amended it for just the amount of money.
3	We didn't do anything with the term.
4	LEGISLATOR ABRAHAMS: That's the term
5	that I have here.
6	MS. KRIEB: Yes. Your term is correct.
7	We're just adding money to the contract.
8	LEGISLATOR ABRAHAMS: I understand.
9	But are we basically approving money for the
10	contract for the period that has already passed?
11	MS. KRIEB: Being that we're in April,
12	you mean? Yes. It happened the first quarter of
13	this year.
14	LEGISLATOR ABRAHAMS: But the contract
15	originated a year ago.
16	MS. KRIEB: But the contract went through
17	until March 31, 2016.
18	LEGISLATOR ABRAHAMS: I'm saying it was
19	originated -
20	MS. KRIEB: April 1, 2015.
21	LEGISLATOR ABRAHAMS: It commenced on
22	April 1, 2015.
23	MS. KRIEB: Correct. So the last
24	quarter of the contract we didn't have funding.
25	LEGISLATOR ABRAHAMS: What's the
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 93
2	December?
3	MS. KRIEB: The amendment to this
4	contract for the money was signed by the vendor
5	in December.
6	LEGISLATOR ABRAHAMS: And that
7	amendment is for what term? What period?
8	MS. KRIEB: It had nothing to do with the
9	term. The term still stays with the original
10	agreement, which goes to March 2016. All I'm
11	doing is increasing it from 100 to 125.
12	CHAIRWOMAN GONSALVES: Legislator Kopel.
13	LEGISLATOR KOPEL: So, if I understand
14	correctly, you've essentially already spent this
15	money and now you're coming for approval.
16	MS. KRIEB: We spend the initial \$100,000
17	that was
18	LEGISLATOR KOPEL: No. The additional
19	money that you're looking to add today, that's
20	already spent.
21	MS. KRIEB: Yeah, because of the time it
22	took to get to the calendar. It was spent
23	January through March 2016.
24	LEGISLATOR KOPEL: Here's what I don't
25	understand. Shouldn't you be coming to us to get
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 94
2	money, additional money before you spend it,
3	before you need it?
4	MS. KRIEB: Correct. We should.
5	LEGISLATOR KOPEL: I'm sorry?
6	MS. KRIEB: Theoretically, yes. But as I
7	said, the vendor signed this amendment in
8	December and it didn't get calendared until now,
9	so it's been circulating for a while.
10	LEGISLATOR KOPEL: The vendor signed it
11	in December. When was it given to the vendor?
12	MS. KRIEB: In December, the amendment.
13	LEGISLATOR KOPEL: It was first given to
14	the vendor in December.
15	MS. KRIEB: The amendment was given to
16	the vendor.
17	LEGISLATOR KOPEL: The amendment, I
18	understand. The work was already
19	MS. KRIEB: It hadn't been done in
20	December.
21	LEGISLATOR KOPEL: Essentially, isn't
22	this really just going ahead and doing work
23	without asking us or awarding money without
24	asking us?
25	MS. KRIEB: We were seeking approval but
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 95
2	the programs we were advertising, like the summer
3	camp, it's timing. It had to be out early.
4	LEGISLATOR KOPEL: You didn't know about
5	these things in October or September? Were these
6	a surprise?
7	MS. KRIEB: No, they were just new
8	programs. The skating rinks and those type of
9	things, if we don't promote them it doesn't
10	LEGISLATOR KOPEL: I'm sorry. That's
11	not my question. I'm sorry. You didn't know
12	that these things would be needed back when there
13	was time to come to us first and ask us?
14	CHAIRWOMAN GONSALVES: Mr. May, do you
15	want to address that comment? Because I don't
16	want to. I could but I don't want to.
17	MR. MAY: This is my second day back, so
18	I guess it's okay to start beating me up here.
19	I'm sorry. The question is what exactly,
20	Legislator Kopel?
21	LEGISLATOR KOPEL: The question is the
22	services what you're doing is you're coming to
23	us asking for retroactive authorization after
24	you've already gone ahead and spent money. Isn't
25	that going backwards?

1	Rules Committee - 4-11-16 96
2	MR. MAY: Yes, chronologically that is
3	going backwards. It looks like the vendor signed
4	it, if I'm reading this right, November 12, 2015,
5	it was received by I guess the department later,
6	probably in December, like Ms. Krieb is saying,
7	and it started the circulation process February
8	1. Since it was on the table, I have to imagine
9	it was in for the Rules Committee meeting in
10	March. For whatever reason it was tabled in
11	March. It could have been approved
12	LEGISLATOR KOPEL: Shouldn't it have
13	been in the Rules Committee in January or
14	December?
15	MR. MAY: Sure. It could have been.
16	Processing time alone is going to take a month.
17	In an ideal world, yes, it would have been here
18	in December.
19	LEGISLATOR KOPEL: Forgive me. Maybe I
20	am trying to give you a hard time, I don't know.
21	MR. MAY: That's fine.
22	LEGISLATOR KOPEL: We're looking for an
23	ideal world, aren't we? We have a job here,
24	which is to authorize money before you spend it.
25	MR. MAY: Correct.

1	Rules Committee - 4-11-16 97
2	LEGISLATOR KOPEL: And over here you've
3	gone ahead and spent it and now you're coming for
4	authorization. It's not an emergency. It's not
5	even something that you wouldn't have known about
6	several months earlier.
7	MR. MAY: I really can't speak to the
8	timing issues. It certainly seems like the
9	contract was sent out to the vendor timely to get
10	an amendment completed, and for whatever reason
11	the internal processing took a while.
12	LEGISLATOR KOPEL: The amendment,
13	shouldn't we authorize actually the amendment
14	before it's signed?
15	MR. MAY: I'm sorry?
16	LEGISLATOR KOPEL: Shouldn't we actually
17	have not authorized only the money but the actual
18	signing of the amendment?
19	MR. MAY: No, not by the vendor.
20	LEGISLATOR KOPEL: So it has not yet
21	been signed by the county.
22	MR. MAY: Not at all.
23	LEGISLATOR KOPEL: Okay. I understand.
24	MR. MAY: If you guys vote this down
25	nothing gets paid.

1	
1	Rules Committee - 4-11-16 98
2	LEGISLATOR KOPEL: Okay.
3	MR. MAY: We're still coming to you for
4	authorization. Nothing is happening without your
5	approval.
6	CHAIRWOMAN GONSALVES: This is not being
7	paid until we approve the amendment; correct?
8	MR. MAY: Correct. Yes. The additional
9	money that is part of this amendment would only
10	be authorized when you guys, as a body, approve
11	the contract, and then it still, I believe, has
12	to go to NIFA at this point since this contract
13	is I think the total amount is 125,000. This
14	is going to end up going to NIFA anyway. If you
15	approve it, it then goes to NIFA, and if they
16	approve it then it gets executed by the county,
17	and then these individuals can get paid or this
18	company can get paid.
19	CHAIRWOMAN GONSALVES: Legislator
20	Nicolello.
21	LEGISLATOR NICOLELLO: Is there any sort
22	of procedure or system in place to track this
23	type of thing? Money is being spent, certainly
24	not an emergency item, it's advertising - to
25	track the spending of money to make sure it's not
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 99
2	going on when the approval is not in place?
3	MR. MAY: The larger answer to that
4	question is we have been working on a
5	computerized or digitized contract routing
6	process that once it goes live should really
7	reduce the amount of time it takes for a contract
8	to go from start to finish. So when the vendors
9	sends us back a contract in November, which would
10	be sort of timely for these services and this
11	payment, it would much more quickly propagate to
12	the Rules Committee so that the issue that we're
13	having here wouldn't happen.
14	I understand exactly what you're saying.
15	And, yes, we're working towards a system where
16	none of this would happen. This is obviously not
17	our ideal scenario for a contract or contract
18	amendment. We want everything in place prior to
19	work being commenced.
20	LEGISLATOR NICOLELLO: We understand
21	that there are certain services that the county
22	provides that are more of an emergency nature and
23	needed for basic functioning. This is
24	advertising. It's kind of difficult to swallow
25	that we now have to approve this advertising
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 100
2	after the fact.
3	MR. MAY: I certainly appreciate the
4	frustration of the body on this. But Ms. Krieb
5	is also telling me that there was some of the
6	additional disclosure forms that were required
7	last session, which is why this was tabled in the
8	first place. That documentation process was new.
9	These are all obviously excuses and we don't want
10	to be continuing these practices. So to the
11	extent that I can apologize for this not being as
12	timely as everyone would prefer, I am, and we are
13	working to address those issues systematically.
14	CHAIRWOMAN GONSALVES: Legislator Dunne.
15	LEGISLATOR DUNNE: Just to put it in
16	some proper perspective.
17	The advertising for the skating rink and
18	other venues that became available, became
19	available late in the year so you had to add
20	25,000 to the 100,000. So it's not 125,000 that
21	we're voting on, just the 25,000 we're voting on
22	right now.
23	MR. MAY: Correct.
24	LEGISLATOR DUNNE: That's because the
25	additional venues became available and you can
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 101
2	put the camps in there and you need to advertise
3	for it. Actually, it's just catch-up work. It's
4	not really a big failure of the system, it just
5	got caught up in the timely elements.
6	MR. MAY: Right. I wouldn't
7	characterize this as a failure of a system. It's
8	just more symptomatic of the existing system that
9	we're working to streamline and really take care
10	of. Obviously, this is not something that we're
11	happy about.
12	CHAIRWOMAN GONSALVES: Any other
13	comments?
14	(No verbal response.)
15	There being none; here we go. All those
16	in favor of E-57 please signify by saying aye.
17	(Aye.)
18	Any opposed?
19	(Nay.)
20	It goes down. I think it's two to five.
21	That's it. It's down.
22	MR. MAY: I'm sorry. That was three to
23	four?
24	CHAIRWOMAN GONSALVES: No. It's two for
25	and five against.

1	Rules Committee - 4-11-16 102
2	MR. MAY: Two for and five against?
3	CHAIRWOMAN GONSALVES: It's two for and
4	five against. It's down. It went down.
5	MR. MAY: Right. Yeah. Right. Okay.
6	Right. Yes.
7	CHAIRWOMAN GONSALVES: I didn't say
8	anything. I did vote for it. But I will tell
9	you right now, there is no reason why, after
10	several months, that we should be asked to vote
11	on an amendment that could have come to us three
12	months ago. And I don't know where the problem
13	is, but I'm not going to believe it was in parks.
14	I have to believe that it goes through the system
15	after parks brings it to us. And so I think
16	maybe we better get our ducks in a row and
17	hopefully make sure that something like this
18	doesn't happen again.
19	I guess the vendor is going to be out
20	\$25,000 unless we put it before them again. But
21	let me tell you something, it must be done, the
22	process must be correct. We just can't wait
23	four, five months before we submit it here.
24	So, please, on behalf of the residents in
25	this county, we owe it to them to be diligent
	REGAL REPORTING SERVICES 516-747-7353

1	
1	Rules Committee - 4-11-16 103
2	about these contracts that are coming to us, and
3	I think we're trying to do that. It's very
4	difficult to vote against projects that are in
5	the park system that benefits most of our
6	residents here in Nassau County, but it has to be
7	done in the right way.
8	MR. MAY: Absolutely.
9	CHAIRWOMAN GONSALVES: It could have
10	been a zero to seven.
11	MR. MAY: If I had the power to change
12	the timing on this contract I would have. I
13	think I'm just taking the medicine today.
14	CHAIRWOMAN GONSALVES: I know there's a
15	lot of paperwork now that's required and often
16	times there are forms missing and we wait, and
17	wait and wait until we get the forms. But you
18	know what? The vendors also have to know that
19	they have to diligent and get the forms to us
20	ASAP. When they submit the request then they
21	should submit all of the forms. I think we're
22	clear as to what those forms are at this point.
23	MR. MAY: Yes, absolutely.
24	CHAIRWOMAN GONSALVES: Okay. You and I
25	voted for it. Go ahead.

1	Rules Committee - 4-11-16 104
2	LEGISLATOR DUNNE: Just quickly. Mr.
3	May, in my 43 years in Nassau County, I have been
4	under every administration there's been in 43
5	years, and from time to time something like this
6	does come up. If a simple note would be sent to
7	the legislative leader, the presiding officer,
8	saying this is in the works, don't hold it
9	against us, if somebody would give us a quick
10	heads up on it, then the reason for the delay
11	would be a lot easier to explain, because you did
12	give us a heads up that it is in the process.
13	From time to time this has happened.
14	I've seen it plenty of times. Not frequent.
15	Let's make this part of the process then. This
16	is going to be late. Let's get this in right
17	away. Get a note to the presiding officer.
18	MR. MAY: Absolutely. Like I said,
19	we're really just working to streamline the
20	entire process.
21	CHAIRWOMAN GONSALVES: We have one
22	personal services agreement that is also going to
23	be untabled because we just discovered that the
24	information that we needed is here, and that's
25	the personal services agreement E-50. A motion
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 105
2	to untable E-50.
3	Motion?
4	LEGISLATOR DUNNE: So moved.
5	LEGISLATOR NICOLELLO: Second.
6	CHAIRWOMAN GONSALVES: Moved by
7	Legislator Dunne, seconded by Legislator
8	Nicolello.
9	All those willing - in favor of untabling
10	E-50 signify by saying aye.
11	(Aye.)
12	Any opposed?
13	(No verbal response.)
14	That is untabled.
15	E-50 is a personal services agreement
16	between the County of Nassau, acting on behalf of
17	the Nassau County Board of Elections and Nuzzi
18	Brothers Moving Service, Inc.
19	Who is going to talk to us about this
20	item? You may speak on this item. I think there
21	was a missing form, and I believe at this point
22	everything has been submitted; correct? Please,
23	if you want, you can address this particular
24	personal services agreement.
25	MR. NEDELKA: Yes. Larry Nedelka from
	REGAL REPORTING SERVICES

2	the Board of Elections. This was one of the two
3	that were up in March. There was one document, a
4	section had been accidentally left blank. It was
5	called to our attention and we had the vendor
6	come in right away and fix it. This is the first
7	opportunity to have it removed from the table
8	with this amended form to submit with the rest of
9	the contract.
10	It is a new vendor. It's the third
11	vendor we have for voter equipment transportation
12	
12	to and from the polling places.
	CHAIRWOMAN GONSALVES: Okay. I'm happy
14	that we're able to do this.
15	There are no comments. I think we'll
16	agree that the information that was missing has
17	been given to us.
18	All those in favor of E-50 signify by
19	saying aye.
20	(Aye.)
21	Any opposed?
22	(No verbal response.)
23	Any abstentions?
24	(No verbal response.)
25	Guess what? Thank you, Mr. Nedelka.

2	MR. NEDELKA: Thank you very much.
3	CHAIRWOMAN GONSALVES: It passes
4	unanimously.
5	We're going to take a recess. The next

7	after the other committees have been able to go

14	CHAIRWOMAN GONSALVES: I'm going to ask
15	for a motion to suspend the rules.
16	LEGISLATOR DUNNE: So moved.
17	LEGISLATOR KOPEL: Second.
18	CHAIRWOMAN GONSALVES: Moved by

23	Any opposed?

25	The rules are now suspended.

2	for the immunization action plan. This is 100
3	percent funded through New York State Department

8	(No verbal response.)
9	Any public comment?
10	(No verbal response.)
11	Number 105.
12	MS. LAURAIN: Number 105-16 is a
13	supplemental appropriation for the bathing beach
14	water quality monitoring and notification
15	program. This is in the amount of \$55,355. This
16	allows us to conduct beach water quality
17	monitoring from May through Labor Day.
18	CHAIRWOMAN WALKER: Any comments or
19	questions from the Legislators?
20	(No verbal response.)
21	I can't wait to think about beach
22	weather.
23	MS. LAURAIN: You'll be getting all of
24	the notifications from me, hopefully not too
25	many.

1	Rules Committee - 4-11-16 111
2	CHAIRWOMAN WALKER: Any public comment?
3	(No verbal response.)
4	Okay. Number 106.
5	MS. LAURAIN: Item 106-16 is a
6	supplemental appropriation in the amount of
7	\$15,238. This is for the sexually transmitted
8	disease intervention services. This is an
9	additional COLA award and is funded through New
10	York State Department of Health. The mission is

18	Clerk Item 107.
19	MS. LAURAIN: Item 107-16 is a
20	supplemental appropriation in the amount of
21	\$523,600. This is for the tuberculosis public
22	health campaign. This is 100 percent funded
23	through New York State Department of Health.
24	This is for comprehensive services to prevent the
25	spread of tuberculosis in Nassau County.

7	Clerk Item 109-16.
8	MS. LAURAIN: Item 109-16 is a
9	supplemental appropriation in the amount of
10	\$155,000. This is for HIV expanded services
11	grant, also funded through New York State
12	Department of Health. This grant helps those

20	Clerk Item 110.
21	MS. LAURAIN: Item 110-16 is a
22	supplemental appropriation in the amount of
23	\$145,955. This is for drinking water enhancement
24	program. This is funded through New York State
25	Department of Health. This ensures the safety of

1	Rules Committee - 4-11-16 113
2	the 46 water districts in Nassau County.
3	CHAIRWOMAN WALKER: Any questions or
4	comments from the legislators? Legislator
5	DeRiggi-Whitton.
6	LEGISLATOR DERIGGI-WHITTON: I'm just
7	curious. With this and with 105, do you have a
8	regular schedule that you check the beaches and
9	you check with the water districts? Is it
10	monthly or?
11	MS. LAURAIN: 105 is the beach monitoring
12	program.
13	LEGISLATOR DERIGGI-WHITTON: Yeah.
14	MS. LAURAIN: We begin that program,
15	actually I said May but it's actually April we
16	begin our surveys. It's for every permitted
17	beach in Nassau County.
18	The ocean beaches are a little less
19	because of the amount of water and the volume.
20	The north shore beaches, we're up there a few
21	times a week and after heavy rain it may even be
22	more frequent. After a half inch of rain we will
23	advise the beaches that they may not want to
24	open.
25	LEGISLATOR DERIGGI-WHITTON: So it's
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 114
2	safe to say the beaches on the north shore are
3	checked once at week, at least.
4	MS. LAURAIN: More than once a week. I
5	would say, at a minimum, twice a week.
6	LEGISLATOR DERIGGI-WHITTON: Okay. And
7	as far as the water districts go, do we have a
8	regular schedule with checking the water?
9	MS. LAURAIN: The water districts, we
10	analyze and review over 200,000 to 300,000
11	reports annually. The water districts provide
12	their own sampling and they must submit it to the
13	Department of Health for analysis, and then, in
14	addition, we conduct our own surveillance samples
15	throughout each district.
16	LEGISLATOR DERIGGI-WHITTON: Do you do
17	that in a separate lab?
18	MS. LAURAIN: We do that - the water
19	districts use their own labs, and then we do our
20	own in our laboratory.
21	LEGISLATOR DERIGGI-WHITTON: Okay.
22	Thank you.
23	CHAIRWOMAN WALKER: Any public comment?
24	Ms. Mereday.
25	MS. MEREDAY: Thank you. Just in
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 115
2	reference to the drinking water enhancement, in
3	light of the activities taking place in Flint,
4	Michigan, Pennsylvania, Newark, etcetera, and the
5	fact that we have the issue in Bethpage with the
6	Grumman plume. Where can someone get maybe the
7	information or if there is some type of alert
8	that the public needs to be aware of ahead of
9	time. How has your operation changed in light of
10	the water crisis that's taking place nationwide?
11	MS. LAURAIN: The water district is
12	required to immediately provide notification to
13	their constituents should there be any concern
14	with the water, whether it be an e-coli or some
15	type of bacteria. They are required to do
16	immediate notification. And we are very
17	fortunate that we have not had to do that in a
18	while. I've been with the department 26 years,
19	and I can only remember a few times having to do
20	that, fortunately.
21	CHAIRWOMAN WALKER: I know the water
22	districts will even notify us if, for some
23	reason, say they're flushing the hydrants or
24	whatever and it could cause the water to be
25	discolored. They notify you even for that. I
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 116
2	know they're very, very good about keeping the
3	residents informed.
4	MS. LAURAIN: And the spring is when
5	they do flush because in the winter the water
6	volume is not as much water is used. Also, all
7	the water districts are required to provide an
8	annual drinking water survey to their
9	constituents; that usually goes out I believe in
10	May. I believe it goes out with the water bill.
11	CHAIRWOMAN WALKER: Legislator Bynoe.
12	LEGISLATOR BYNOE: Thank you,
13	Chairwoman.
14	I have questions along the lines of the
15	testing and notification to community as well.
16	Are the water districts required to
17	provide you a copy of their notification to
18	community when there is an issue?
19	MS. LAURAIN: Yes.
20	LEGISLATOR BYNOE: I guess my concern is
21	that
22	MS. LAURAIN: To the Department of
23	Health?
24	LEGISLATOR BYNOE: Yes.
25	MS. LAURAIN: Yes.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 117
2	LEGISLATOR BYNOE: Okay. My concern is
3	that out in Lakeview, Malvern, Lynbrook there has
4	been an ongoing problem regarding iron in the
5	water and a severe discoloration, quite frankly.
6	While the Department of Health has stated that
7	the water is of good quality and can be consumed
8	and be used by those residents, it's alarming.
9	It has a significant quality of life issue.
10	People will not drink that water. They are, in
11	fact, going out to buy water to do everything
12	under the sun, except, obviously, to wash their
13	clothes because there is no way to add water to
14	your machine in that way. But their tiles, their
15	bathroom fixtures are becoming discolored. The
16	expense of spending the money to buy water.
17	Quite frankly, they're bathing in this water and
18	they don't feel comfortable.
19	I've been in contact with American Water.
20	I've had a meeting in my community regarding this
21	issue. I want to know, number one, why American
22	Water had not actually reached out to the
23	community. If you have proof that they have, I'd
24	like to have a copy of it.
25	MS. LAURAIN: Iron is not something that
	DECAL DEDODTING CEDUICES

1	Rules Committee - 4-11-16 118
2	would require that notification. Iron, while
3	it's an aesthetic issue, it doesn't pose a health
4	concern so that wouldn't be a requirement of the
5	water. But the water is safe to drink. I can
6	tell you it's much more regulated, highly
7	regulated. I drink the water. Personally, the
8	bottled water is not regulated the way our tap
9	water is.
10	LEGISLATOR BYNOE: So you're drinking
11	the discolored water?
12	MS. LAURAIN: I have. I drink my tap
13	water. I know it's an aesthetic issue for
14	people. I agree with them that they shouldn't
15	have to have discolored water. I know the water
16	district is installing an iron filtration system
17	which should alleviate that.
18	LEGISLATOR BYNOE: That's a good point.
19	I'm understanding that even for the water that's
20	been provided to the community in Lakeview that
21	they are waiting, I guess, an approval from the
22	Department of Health so for a water filtration
23	system that they are going to have.
24	MS. LAURAIN: The Department of Health I
25	believe approved that system in January; I'd have
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 119
2	to get I think you spoke to Mr. Irwin, who is
3	the Director of Environmental Health.
4	LEGISLATOR BYNOE: I believe I did. And
5	I received an update from American Water as late
6	as Friday saying that American Water was waiting
7	for the Department of Health to make an approval
8	and they were hopeful that it would arrive by
9	April 15.
10	MS. LAURAIN: Let me just see if I have
11	the email of when that was approved.
12	The construction of the additional
13	filters in the Lakeview communities was approved
14	by the Department of Health January 16, 2016.
15	LEGISLATOR BYNOE: Give me one second,
16	if you wouldn't mind.
17	MS. LAURAIN: But I can certainly have
18	you speak to Mr. Irwin again about that.
19	LEGISLATOR BYNOE: I think that would
20	probably be best. I know it's not just the
21	Lakeview community. While I'm advocating for
22	Lakeview in particular, it is there are other
23	areas that are actually affected by this. I
24	think the real resolve is to replace the mains,
25	from what I'm understanding.

1	Rules Committee - 4-11-16 120
2	MS. LAURAIN: Iron is naturally
3	occurring in the environment. I want to say it's
4	probably ubiquitous in the environment. You see
5	it more on the south shore because of the way
6	Long Island is composed. You see it much more on
7	the south shore than you do on the north shore.
8	LEGISLATOR BYNOE: And just for
9	reference, so that when Mr. Irwin calls, it's
10	Plant Number 2 and it's the potable iron removal
11	treatment plant.
12	MS. LAURAIN: The potable water, it is
13	called -
14	LEGISLATOR BYNOE: And it's awaiting
15	approval. That's what's supposed to give some
16	relief to those families.
17	MS. LAURAIN: Yes. It will filter it
18	out. I know there are other water districts also
19	installing.
20	I spoke to Mr. Irwin this morning about
21	it, and he did tell me that it was approved on
22	January 16. So I will speak to him again,
23	tomorrow, and have him give you a call.
24	LEGISLATOR BYNOE: Okay. Thank you.
25	MS. LAURAIN: You're welcome.

7	I believe that was 110.
8	MS. LAURAIN: Yes, 110.
9	CHAIRWOMAN WALKER: Clerk Item 113-16.
10	MS. LAURAIN: Clerk Item 113-16 is a

22	Any public comment? Ms. Mereday.
23	MS. MEREDAY: I would just want to know

25	to do a research study, but it is clear that
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 122
2	there is a growth in the percentage of young
3	people who are smoking cigarettes. I don't know
4	if just checking to see who is buying them at the
5	stores or 7-11 is enough. I'm just asking is
6	there something else tied to this program or is
7	this specifically for this particular aspect?
8	MS. LAURAIN: State grant funds only
9	allow us to do certain. Of course, when we go
10	out and do education, we are health care
11	providers so we discourage smoking among anybody.
12	We do have a 96 percent compliance rate. We
13	sting all the retailers in the county using 16,

15	CHAIRWOMAN WALKER: Any other comments?

17	Clerk Item 114-16.
18	MS. LAURAIN: Item 114-16 is a

21	is New York State Department of Health funded,

5	I just would like to take a minute and
6	thank you for the information, notifying myself
7	and Legislator Schaefer right away in regards to
8	- I'm sure that many of you saw that there was a
9	rabid raccoon in the Hicksville community.
10	MS. LAURAIN: I could add to that. Since
11	that notification, I believe it was last month
12	sometime, we have enhanced our surveillance in a
13	radius of where that animal was found, and we
14	probably submitted 40 specimens or so to New York
15	State Department of Health, and thus far all have
16	been negative. We're hoping that continues.
17	CHAIRWOMAN WALKER: Thank you.
18	Clerk Item 117-16.
19	MS. LAURAIN: Item 117-16 is a

21	CHAIRMAN DUNNE: Thank you very much.
22	Just a thumb nail sketch of what this is about.
23	MS. DOOLING: Sure. This is a \$7,000

3	services and the ability to test more drugs. It
4	will be for supplies and overtime for chemists.
5	CHAIRMAN DUNNE: When you say no match,
6	it means it's coming from where?
7	MS. DOOLING: New York State, Division
8	of Criminal Justice.
9	CHAIRMAN DUNNE: It's pass-through money
10	then.
11	MS. DOOLING: Yep.
12	CHAIRMAN DUNNE: Okay. Any questions
13	from any of the legislators?
14	(No verbal response.)
15	Any public comment?
16	(No verbal response.)
17	There being none; all in favor indicate
18	by saying aye.
19	(Aye.)
20	Any against?
21	(No verbal response.)
22	It passes on to Finance.
23	The next item to come before us - there
24	are two items coming.
25	111-16, an ordinance supplemental to the
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 127
2	annual appropriations ordinance in connection
3	with the Traffic Safety Board.
4	In addition, 115-16, an ordinance
5	supplemental to the annual appropriations
6	ordinance in connection with the Traffic Safety
7	Board.
8	And we have?
9	MR. MISTRON: Christopher Mistron, Stop
10	DWI Coordinator, Nassau County.
11	For Number 111 -
12	CHAIRMAN DUNNE: Motion by Denise Ford,
13	seconded by Don MacKenzie.
14	Chris, it's all yours.
15	MR. MISTRON: Number 111 is a grant.
16	It's a pass-through grant that comes from the
17	governor of Traffic Safety Committee to the New
18	York State Stop DWI Coordinator's Association.
19	It's called the DWI Foundation Grant. It's for
20	special holiday enforcement that is for all the
21	departments within Nassau County. Specifically,
22	we've geared for July 4, Labor Day, Memorial Day,
23	and some of the departments also do some of the
24	smaller ones like St. Patrick's Day, which is not
25	a smaller one. These are just special holiday
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 128
2	details for holidays.
3	CHAIRMAN DUNNE: Legislator Ford has a
4	comment. I thought you wanted to comment on it.
5	LEGISLATOR FORD: As always, I thank you
6	very much. Honestly, Chris, thank you very much.
7	I know that these programs are very, very
8	important. All too often we're still reading
9	about people who are dying because of drunk
10	driving. I think we had a senior couple, I
11	guess, further east, where somebody was drinking,
12	hit a car, and they got hit. So any effort that
13	can be made.
14	I thank the officers that do stands out
15	in all kinds of weather, regardless, stopping a
16	lot of people and just trying to check to make
17	sure that they are not impaired while they're
18	driving.
19	Thank you.
20	CHAIRMAN DUNNE: Any other comments from
21	any of the legislators?
22	(No verbal response.)
23	Any public comment?
24	(No verbal response.)
25	There being none; all in favor of 111

4	Any against?

6	It passes unanimously and goes on to
7	Finance.
8	115.
9	MR. MISTRON: 115 is for the regular -
10	I'm sorry. Was there a motion on that one?
11	CHAIRMAN DUNNE: It's already been
12	motioned.
13	MR. MISTRON: 115 is for the Stop DWI
14	program itself. It's a continuous grant program
15	of sorts from year to year. It's fully funded
16	from the fine monies collected for those
17	convicted of DWI. It has several components to
18	it the way in which it is outlined. The major
19	one is for enforcement purposes. Second, monies
20	are provided to the district attorneys for the
21	prosecution of DWI specific cases. Third, we
22	have monies that are provided to the probation
23	department for purposes of monitoring those that
24	are convicted of DWI. We also have a component
25	within the program that provides money to drug

1	Rules Committee - 4-11-16 130
2	and alcohol for working on rehabilitation
3	programs with individuals that have been
4	convicted, as well as administrative education
5	programs that go into everything from the schools
6	into the community as well as the administration
7	of the program.
8	CHAIRMAN DUNNE: Any questions from any
9	legislator?
10	(No verbal response.)
11	Any public comment?
12	(No verbal response.)
13	There being none; all in favor indicate
14	by saying aye.
15	(Aye.)
16	Any against?
17	(No verbal response.)
18	It passes on to Finance.
19	The last item for today is Item 112-16,
20	an ordinance supplemental to the annual
21	appropriation ordinance in connection with the
22	District Attorney's Office.
23	Mr. McManus.
24	MR. MCMANUS: Thank you. Bob McManus,
25	District Attorney's Office.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 131
2	CHAIRMAN DUNNE: Motion by Denise Ford,
3	seconded by Vincent Muscarella.
4	My apologies. Go ahead.
5	MR. MCMANUS: The Nassau County District
6	Attorney's Office has been nominated by the
7	American Society for the Prevention of Cruelty to
8	Animals, the ASPCA, to be a recipient of the
9	fifth annual ASPCA Scholarship Fund Grant Award.
10	This grant award will enable one of our
11	special investigators, someone who is assigned to
12	animal cruelty cases when they do come up, to
13	attend the animal care expo in Las Vegas from May
14	11 through May 14 of this year, to join more than
15	2,000 animal care experts and law enforcement
16	professionals from around the globe to learn new
17	skills and strategies to combat animal abuse and
18	cruelty and to investigate crimes related to that
19	issue.
20	CHAIRMAN DUNNE: There is no excuse to
21	cruelty to animals or cruelty to anything or
22	anybody.
23	Any questions from any of the
24	legislators? Yes. Legislator Bynoe.
25	LEGISLATOR BYNOE: Thank you, Chairman
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 132
2	Dunne.
3	One quick question. Does this cover all
4	the costs associated with the travel?
5	MR. MCMANUS: It covers the hotel and the
6	airfare. I think it depends on the individual.
7	It's supposed to cover meals, airfare, and
8	hotels. If the individual wants to buy souvenirs
9	or that kind of thing let's put it this way.
10	I'm sure the investigator is going to have to
11	spend some of her own money. I think she's very
12	proud to be a part of this meeting.
13	LEGISLATOR BYNOE: Okay. Thank you.
14	CHAIRMAN DUNNE: Any other questions?
15	(No verbal response.)
16	Any public comment?
17	(No verbal response.)
18	There being none; all in favor indicate
19	by saying aye.
20	(Aye.)
21	Any against?
22	(No verbal response.)
23	It passes on to Finance.
24	That concludes our committee.

16	And we have Ms. Mary Ellen Laurain here.
17	MS. LAURAIN: Good afternoon. Mary Ellen
18	Laurain, Department of Health.
19	Item 104-16 is a supplemental
20	appropriation in the amount of \$300,000. This is
21	for the immunization action plan. This is 100

24	preventable diseases.
25	CHAIRWOMAN WALKER: Any questions from

6	Number 105.
7	MS. LAURAIN: Number 105-16 is a
8	supplemental appropriation for the bathing beach
9	water quality monitoring and notification
10	program. This is in the amount of \$55,355. This
11	allows us to conduct beach water quality
12	monitoring from May through Labor Day.
13	CHAIRWOMAN WALKER: Any comments or
14	questions from the Legislators?
15	(No verbal response.)
16	I can't wait to think about beach
17	weather.
18	MS. LAURAIN: You'll be getting all of
19	the notifications from me, hopefully not too
20	many.
21	CHAIRWOMAN WALKER: Any public comment?
22	(No verbal response.)
23	Okay. Number 106.

13	Clerk Item 107.
14	MS. LAURAIN: Item 107-16 is a

19	This is for comprehensive services to prevent the

-

2	Clerk Item 109-16.
3	MS. LAURAIN: Item 109-16 is a
4	supplemental appropriation in the amount of
5	\$155,000. This is for HIV expanded services
6	grant, also funded through New York State
7	Department of Health. This grant helps those
8	infected with HIV/AIDS who may not be receiving
9	medical care.
10	CHAIRWOMAN WALKER: Any questions or
11	comments from the legislators?
12	(No verbal response.)
13	Any public comment?
14	(No verbal response.)
15	Clerk Item 110.
16	MS. LAURAIN: Item 110-16 is a
17	supplemental appropriation in the amount of
18	\$145,955. This is for drinking water enhancement
19	program. This is funded through New York State
20	Department of Health. This ensures the safety of
21	the 46 water districts in Nassau County.
22	CHAIRWOMAN WALKER: Any questions or
23	comments from the legislators? Legislator
24	DeRiggi-Whitton.
25	LEGISLATOR DERIGGI-WHITTON: I'm just
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 138
2	curious. With this and with 105, do you have a
3	regular schedule that you check the beaches and
4	you check with the water districts? Is it
5	monthly or?
6	MS. LAURAIN: 105 is the beach monitoring
7	program.
8	LEGISLATOR DERIGGI-WHITTON: Yeah.
9	MS. LAURAIN: We begin that program,
10	actually I said May but it's actually April we
11	begin our surveys. It's for every permitted
12	beach in Nassau County.
13	The ocean beaches are a little less
14	because of the amount of water and the volume.
15	The north shore beaches, we're up there a few
16	times a week and after heavy rain it may even be
17	more frequent. After a half inch of rain we will
18	advise the beaches that they may not want to
19	open.
20	LEGISLATOR DERIGGI-WHITTON: So it's
21	safe to say the beaches on the north shore are
22	checked once at week, at least.
23	MS. LAURAIN: More than once a week. I
24	would say, at a minimum, twice a week.
25	LEGISLATOR DERIGGI-WHITTON: Okay. And
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 139
2	as far as the water districts go, do we have a
3	regular schedule with checking the water?
4	MS. LAURAIN: The water districts, we
5	analyze and review over 200,000 to 300,000
6	reports annually. The water districts provide
7	their own sampling and they must submit it to the
8	Department of Health for analysis, and then, in
9	addition, we conduct our own surveillance samples
10	throughout each district.
11	LEGISLATOR DERIGGI-WHITTON: Do you do
12	that in a separate lab?
13	MS. LAURAIN: We do that - the water
14	districts use their own labs, and then we do our
15	own in our laboratory.
16	LEGISLATOR DERIGGI-WHITTON: Okay.
17	Thank you.
18	CHAIRWOMAN WALKER: Any public comment?
19	Ms. Mereday.
20	MS. MEREDAY: Thank you. Just in
21	reference to the drinking water enhancement, in
22	light of the activities taking place in Flint,
23	Michigan, Pennsylvania, Newark, etcetera, and the
24	fact that we have the issue in Bethpage with the
25	Grumman plume. Where can someone get maybe the
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 140
2	information or if there is some type of alert
3	that the public needs to be aware of ahead of
4	time. How has your operation changed in light of
5	the water crisis that's taking place nationwide?
6	MS. LAURAIN: The water district is
7	required to immediately provide notification to
8	their constituents should there be any concern
9	with the water, whether it be an e-coli or some
10	type of bacteria. They are required to do
11	immediate notification. And we are very
12	fortunate that we have not had to do that in a
13	while. I've been with the department 26 years,
14	and I can only remember a few times having to do
15	that, fortunately.
16	CHAIRWOMAN WALKER: I know the water
17	districts will even notify us if, for some
18	reason, say they're flushing the hydrants or
19	whatever and it could cause the water to be
20	discolored. They notify you even for that. I
21	know they're very, very good about keeping the
22	residents informed.
23	MS. LAURAIN: And the spring is when
24	they do flush because in the winter the water
25	volume is not as much water is used. Also, all
	REGAL REPORTING SERVICES

EGAL REPORTING SER 516-747-7353

1	Rules Committee - 4-11-16 141
2	the water districts are required to provide an
3	annual drinking water survey to their
4	constituents; that usually goes out I believe in
5	May. I believe it goes out with the water bill.
6	CHAIRWOMAN WALKER: Legislator Bynoe.
7	LEGISLATOR BYNOE: Thank you,
8	Chairwoman.
9	I have questions along the lines of the
10	testing and notification to community as well.
11	Are the water districts required to
12	provide you a copy of their notification to
13	community when there is an issue?
14	MS. LAURAIN: Yes.
15	LEGISLATOR BYNOE: I guess my concern is
16	that
17	MS. LAURAIN: To the Department of
18	Health?
19	LEGISLATOR BYNOE: Yes.
20	MS. LAURAIN: Yes.
21	LEGISLATOR BYNOE: Okay. My concern is
22	that out in Lakeview, Malvern, Lynbrook there has
23	been an ongoing problem regarding iron in the
24	water and a severe discoloration, quite frankly.
25	While the Department of Health has stated that

1	Rules Committee - 4-11-16 142
2	the water is of good quality and can be consumed
3	and be used by those residents, it's alarming.
4	It has a significant quality of life issue.
5	People will not drink that water. They are, in
6	fact, going out to buy water to do everything
7	under the sun, except, obviously, to wash their
8	clothes because there is no way to add water to
9	your machine in that way. But their tiles, their
10	bathroom fixtures are becoming discolored. The
11	expense of spending the money to buy water.
12	Quite frankly, they're bathing in this water and
13	they don't feel comfortable.
14	I've been in contact with American Water.
15	I've had a meeting in my community regarding this
16	issue. I want to know, number one, why American
17	Water had not actually reached out to the
18	community. If you have proof that they have, I'd
19	like to have a copy of it.
20	MS. LAURAIN: Iron is not something that
21	would require that notification. Iron, while
22	it's an aesthetic issue, it doesn't pose a health
23	concern so that wouldn't be a requirement of the
24	water. But the water is safe to drink. I can
25	tell you it's much more regulated, highly

1	Rules Committee - 4-11-16 143
2	regulated. I drink the water. Personally, the
3	bottled water is not regulated the way our tap
4	water is.
5	LEGISLATOR BYNOE: So you're drinking
6	the discolored water?
7	MS. LAURAIN: I have. I drink my tap
8	water. I know it's an aesthetic issue for
9	people. I agree with them that they shouldn't
10	have to have discolored water. I know the water
11	district is installing an iron filtration system
12	which should alleviate that.
13	LEGISLATOR BYNOE: That's a good point.
14	I'm understanding that even for the water that's
15	been provided to the community in Lakeview that
16	they are waiting, I guess, an approval from the
17	Department of Health so for a water filtration
18	system that they are going to have.
19	MS. LAURAIN: The Department of Health I
20	believe approved that system in January; I'd have
21	to get I think you spoke to Mr. Irwin, who is
22	the Director of Environmental Health.
23	LEGISLATOR BYNOE: I believe I did. And
24	I received an update from American Water as late
25	as Friday saying that American Water was waiting
	RECAL REDORTING SERVICES

1	Rules Committee - 4-11-16 144
2	for the Department of Health to make an approval
3	and they were hopeful that it would arrive by
4	April 15.
5	MS. LAURAIN: Let me just see if I have
6	the email of when that was approved.
7	The construction of the additional
8	filters in the Lakeview communities was approved
9	by the Department of Health January 16, 2016.
10	LEGISLATOR BYNOE: Give me one second,
11	if you wouldn't mind.
12	MS. LAURAIN: But I can certainly have
13	you speak to Mr. Irwin again about that.
14	LEGISLATOR BYNOE: I think that would
15	probably be best. I know it's not just the
16	Lakeview community. While I'm advocating for
17	Lakeview in particular, it is there are other
18	areas that are actually affected by this. I
19	think the real resolve is to replace the mains,
20	from what I'm understanding.
21	MS. LAURAIN: Iron is naturally
22	occurring in the environment. I want to say it's
23	probably ubiquitous in the environment. You see
24	it more on the south shore because of the way
25	Long Island is composed. You see it much more on
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 145
2	the south shore than you do on the north shore.
3	LEGISLATOR BYNOE: And just for
4	reference, so that when Mr. Irwin calls, it's
5	Plant Number 2 and it's the potable iron removal
6	treatment plant.
7	MS. LAURAIN: The potable water, it is
8	called -
9	LEGISLATOR BYNOE: And it's awaiting
10	approval. That's what's supposed to give some
11	relief to those families.
12	MS. LAURAIN: Yes. It will filter it
13	out. I know there are other water districts also
14	installing.
15	I spoke to Mr. Irwin this morning about
16	it, and he did tell me that it was approved on
17	January 16. So I will speak to him again,
18	tomorrow, and have him give you a call.
19	LEGISLATOR BYNOE: Okay. Thank you.
20	MS. LAURAIN: You're welcome.
21	CHAIRWOMAN WALKER: Any other
22	legislators?
23	(No verbal response.)
24	Any other public comment?
25	(No verbal response.)
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 146
2	I believe that was 110.
3	MS. LAURAIN: Yes, 110.
4	CHAIRWOMAN WALKER: Clerk Item 113-16.
5	MS. LAURAIN: Clerk Item 113-16 is a
6	supplemental appropriation in the amount of
7	\$23,764 for the Adolescent Tobacco Use Prevention
8	Act. This is New York State Department of Health
9	grant funded. This is an additional COLA award.
10	Total funding after this award is \$320,068. This
11	program allows us to conduct certification checks
12	to tobacco retailers in the county and complies
13	with the Tobacco 18 Law.
14	CHAIRWOMAN WALKER: Any questions or
15	comments from the legislators?
16	(No verbal response.)
17	Any public comment? Ms. Mereday.
18	MS. MEREDAY: I would just want to know
19	what else is being done. I wouldn't want to have
20	to do a research study, but it is clear that
21	there is a growth in the percentage of young
22	people who are smoking cigarettes. I don't know
23	if just checking to see who is buying them at the
24	stores or 7-11 is enough. I'm just asking is
25	there something else tied to this program or is

1	Rules Committee - 4-11-16 147
2	this specifically for this particular aspect?
3	MS. LAURAIN: State grant funds only
4	allow us to do certain. Of course, when we go
5	out and do education, we are health care
6	providers so we discourage smoking among anybody.
7	We do have a 96 percent compliance rate. We
8	sting all the retailers in the county using 16,
9	17 year olds.
10	CHAIRWOMAN WALKER: Any other comments?
11	(No verbal response.)
12	Clerk Item 114-16.
13	MS. LAURAIN: Item 114-16 is a
14	supplemental appropriation in the amount of
15	\$18,784. This is for our rabies programs. This
16	is New York State Department of Health funded,
17	and this objective, primary objective is to
18	prevent the spread of rabies in Nassau County.
19	CHAIRWOMAN WALKER: Any questions or
20	comments from the legislators?
21	(No verbal response.)
22	Any public comment?
23	(No verbal response.)
24	I just would like to take a minute and
25	thank you for the information, notifying myself
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 148
2	and Legislator Schaefer right away in regards to
3	- I'm sure that many of you saw that there was a
4	rabid raccoon in the Hicksville community.
5	MS. LAURAIN: I could add to that. Since
6	that notification, I believe it was last month
7	sometime, we have enhanced our surveillance in a
8	radius of where that animal was found, and we
9	probably submitted 40 specimens or so to New York
10	State Department of Health, and thus far all have
11	been negative. We're hoping that continues.
12	CHAIRWOMAN WALKER: Thank you.
13	Clerk Item 117-16.
14	MS. LAURAIN: Item 117-16 is a
15	supplemental appropriation in the amount of
16	\$16,751. This is for the lead poisoning
17	prevention grant. This is a COLA award. Total
18	funding after this award is \$215,176. This is
19	grant funded through New York State Department of
20	Health. It is to reduce the prevalence of blood
21	lead levels in children.
22	CHAIRWOMAN WALKER: Any questions or

25	Any public comment?

3	Clerk Item 118-16.
4	MS. LAURAIN: Item 118-16 is a
5	supplemental appropriation in the amount of
6	\$198,425. This is also for the childhood lead
7	poisoning prevention grant, the one I just spoke
8	about. This is grant funded through New York
9	State Department of Health.
10	CHAIRWOMAN WALKER: Any questions or
11	comments from the legislators?
12	(No verbal response.)
13	Any public comment?
14	(No verbal response.)
15	Hearing none, we'll vote on Clerk Items
16	104-16, 105-16, 106-16, 107-16, 109-16, 110-16,
17	113-16, 114-16, 117-16, and 118-16.
18	All those in favor signify by saying aye.
19	(Aye.)
20	Any opposed?
21	(No verbal response.)
22	They move on to Finance.
23	(Whereupon, the following are the minutes
24	of the April 11, 2016 Public Safety Committee

	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 150
2	and 115-16.)
3	The first item to come before this
4	committee is Item 108-16, an ordinance
5	supplemental to the annual appropriation
6	ordinance in connection with the Medical
7	Examiner's Division of Forensic Services.
8	Motion from Vincent Muscarella, seconded
9	by Denise Ford.
10	Mr. May is here.
11	MR. MAY: How are you? Again. Again.
12	I came back for more, both today and globally, I
13	guess.
14	We have Ms. Karen Dooling to speak on
15	this item.
16	CHAIRMAN DUNNE: Thank you very much.
17	Just a thumb nail sketch of what this is about.
18	MS. DOOLING: Sure. This is a \$7,000
19	no-match grant from the Division of Criminal
20	Justice Services. It will be used for the crime
21	lab, for the chemistry department to expand their
22	services and the ability to test more drugs. It
23	will be for supplies and overtime for chemists.
24	CHAIRMAN DUNNE: When you say no match,
25	it means it's coming from where?

1	Rules Committee - 4-11-16 151
2	MS. DOOLING: New York State, Division
3	of Criminal Justice.
4	CHAIRMAN DUNNE: It's pass-through money
5	then.
6	MS. DOOLING: Yep.
7	CHAIRMAN DUNNE: Okay. Any questions
8	from any of the legislators?
9	(No verbal response.)
10	Any public comment?
11	(No verbal response.)
12	There being none; all in favor indicate
13	by saying aye.
14	(Aye.)
15	Any against?
16	(No verbal response.)
17	It passes on to Finance.
18	The next item to come before us - there
19	are two items coming.
20	111-16, an ordinance supplemental to the
21	annual appropriations ordinance in connection
22	with the Traffic Safety Board.
23	In addition, 115-16, an ordinance
24	supplemental to the annual appropriations
25	ordinance in connection with the Traffic Safety

2	Board.
3	And we have?
4	MR. MISTRON: Christopher Mistron, Stop
5	DWI Coordinator, Nassau County.
6	For Number 111 -
7	CHAIRMAN DUNNE: Motion by Denise Ford,
8	seconded by Don MacKenzie.
9	Chris, it's all yours.
10	MR. MISTRON: Number 111 is a grant.
11	It's a pass-through grant that comes from the
12	governor of Traffic Safety Committee to the New
13	York State Stop DWI Coordinator's Association.
14	It's called the DWI Foundation Grant. It's for
15	special holiday enforcement that is for all the
16	departments within Nassau County. Specifically,
17	we've geared for July 4, Labor Day, Memorial Day,
18	and some of the departments also do some of the
19	smaller ones like St. Patrick's Day, which is not
20	a smaller one. These are just special holiday
21	details for holidays.
22	CHAIRMAN DUNNE: Legislator Ford has a
23	comment. I thought you wanted to comment on it.
24	LEGISLATOR FORD: As always, I thank you
25	very much. Honestly, Chris, thank you very much.

1	Rules Committee - 4-11-16 153
2	I know that these programs are very, very
3	important. All too often we're still reading
4	about people who are dying because of drunk
5	driving. I think we had a senior couple, I
6	guess, further east, where somebody was drinking,
7	hit a car, and they got hit. So any effort that
8	can be made.
9	I thank the officers that do stands out
10	in all kinds of weather, regardless, stopping a
11	lot of people and just trying to check to make
12	sure that they are not impaired while they're

14	Thank you.
15	CHAIRMAN DUNNE: Any other comments from

3	115.
4	MR. MISTRON: 115 is for the regular -
5	I'm sorry. Was there a motion on that one?
6	CHAIRMAN DUNNE: It's already been
7	motioned.
8	MR. MISTRON: 115 is for the Stop DWI
9	program itself. It's a continuous grant program
10	of sorts from year to year. It's fully funded
11	from the fine monies collected for those
12	convicted of DWI. It has several components to
13	it the way in which it is outlined. The major
14	one is for enforcement purposes. Second, monies
15	are provided to the district attorneys for the
16	prosecution of DWI specific cases. Third, we
17	have monies that are provided to the probation
18	department for purposes of monitoring those that
19	are convicted of DWI. We also have a component
20	within the program that provides money to drug
21	and alcohol for working on rehabilitation
22	programs with individuals that have been
23	convicted, as well as administrative education
24	programs that go into everything from the schools
25	into the community as well as the administration

2	of the program.
3	CHAIRMAN DUNNE: Any questions from any

8	There being none; all in favor indicate

10	(Aye.)

13	It passes on to Finance.
14	The last item for today is Item 112-16,
15	an ordinance supplemental to the annual

17	District Attorney's Office.
18	Mr. McManus.
19	MR. MCMANUS: Thank you. Bob McManus,

21	CHAIRMAN DUNNE: Motion by Denise Ford,

23	My apologies. Go ahead.
24	MR. MCMANUS: The Nassau County District

3	Animals, the ASPCA, to be a recipient of the
4	fifth annual ASPCA Scholarship Fund Grant Award.
5	This grant award will enable one of our
6	special investigators, someone who is assigned to
7	animal cruelty cases when they do come up, to
8	attend the animal care expo in Las Vegas from May
9	11 through May 14 of this year, to join more than
10	2,000 animal care experts and law enforcement
11	professionals from around the globe to learn new
12	skills and strategies to combat animal abuse and
13	cruelty and to investigate crimes related to that
14	issue.
15	CHAIRMAN DUNNE: There is no excuse to
16	cruelty to animals or cruelty to anything or
17	anybody.
18	Any questions from any of the
19	legislators? Yes. Legislator Bynoe.
20	LEGISLATOR BYNOE: Thank you, Chairman
21	Dunne.
22	One quick question. Does this cover all
23	the costs associated with the travel?
24	MR. MCMANUS: It covers the hotel and the
25	airfare. I think it depends on the individual.
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 157
2	It's supposed to cover meals, airfare, and

4	or that kind of thing let's put it this way.
5	I'm sure the investigator is going to have to
6	spend some of her own money. I think she's very
7	proud to be a part of this meeting.
8	LEGISLATOR BYNOE: Okay. Thank you.

5	LEGISLATOR CURRAN: On what basis was

7	MR. MAY: I don't have the item in front

9	LEGISLATOR CURRAN: It is Suffolk County
10	National Bank.
11	CHAIRMAN NICOLELLO: Item 137-2016. Mr.
12	Jefferson is behind you.
13	MR. JEFFERSON: Hi. Good afternoon.
14	Beaumont Jefferson, County Treasurer.
15	The selection of banks are made - from
16	time to time you have banks who come to the - who
17	call the treasurer's office and they are
18	interested in doing business with the county. In
19	order for us to make any deposits with a bank,
20	they have to be on our approved list. One of the
21	things that we look for is that they have a
22	presence in Nassau County, also in New York, and
23	we also review the bank's standings. We use a
24	website to just verify that the banks are in good
25	standing and they at least have a four start

1	Rules Committee - 4-11-16 161
2	rating, four or five star rating.
3	LEGISLATOR CURRAN: Thanks.
4	CHAIRMAN NICOLELLO: Any other
5	discussion?
6	(No verbal response.)
7	Any public comment? Ms. Mereday.
8	MS. MEREDAY: Thank you. I was also
9	questioning, in terms of the process by which
10	this - that this took place. In addition to
11	asking about the presence in Nassau County, what
12	are the types of services that they are providing
13	as it pertains to community reinvestment and
14	things of that nature? It's like what is this
15	overall.
16	CHAIRMAN NICOLELLO: Mr. Jefferson, I
17	don't know if you heard Ms. Mereday's comments.
18	MR. JEFFERSON: Yes. The website that
19	we use is borrowfinancial.com. We do look at the
20	community reinvestment rating. On Suffolk
21	Community Bank that's before you the rating is
22	outstanding. That information is public
23	information and that's one of the categories that
24	we look at when we select banks.
25	CHAIRMAN NICOLELLO: Thank you.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 162
2	MR. JEFFERSON: You're welcome.
3	CHAIRMAN NICOLELLO: Any other public
4	comment?
5	(No verbal response.)
6	All in favor signify by saying aye.
7	(Aye.)
8	Those opposed?
9	(No verbal response.)
10	The item carries unanimously.
11	Item 142-2016 is an ordinance
12	supplemental to the annual appropriation
13	ordinance and to transfer appropriations
14	heretofore made within to reconcile the county's
15	financial records for the budget year of 2015.
16	LEGISLATOR WALKER: So moved.
17	LEGISLATOR MUSCARELLA: Second.
18	CHAIRMAN NICOLELLO: Moved by Legislator
19	Walker, seconded by Legislator Muscarella.
20	The item is before us.
21	Ms. D'Alleva, can you tell us what we're
22	doing here.
23	MS. D'ALLEVA: This is a customary item
24	that we do at the end of every fiscal year. It's
25	basically produced by the county comptroller
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 163
2	pursuant to the Charter, Section 307, in terms of
3	clearing all the negative balances by control
4	center.
5	CHAIRMAN NICOLELLO: I noticed that some
6	of the contract lines seem to have been over
7	budget in 2015, including county attorney, IT,
8	DPW. Could you tell us why that happened and
9	whether the 2016 budget is any more realistic?
10	MS. D'ALLEVA: I think currently, during
11	the month 13 process, the county attorney's
12	office had some additional contracting invoices
13	that they had to accrue for 2016 that were
14	unforeseen. Those contracts were accrued for
15	2016 in month 13 that we weren't aware of, but
16	they were accrued with the county comptroller's
17	office for services that were rendered.
18	According to accounting principles, we have to
19	basically account for those services during the
20	year.
21	CHAIRMAN NICOLELLO: When you say 2016 -
22	MS. D'ALLEVA: 2015, I'm sorry. '15.
23	CHAIRMAN NICOLELLO: Any other questions
24	on these items? Legislator Curran.
25	LEGISLATOR CURRAN: Hi. About the FIT,
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 164
2	it's \$2.87 million. Weren't we not withholding
3	local government assistance from towns and
4	villages for these shortfalls?
5	MS. D'ALLEVA: Those are the fourth
6	quarter adjustments that we do make. The
7	original appropriation - this has to do with the
8	appropriation in the budget line. Because more
9	students actually went to FIT there was a higher
10	level of appropriation that was needed, and
11	that's what this is dealing with.
12	LEGISLATOR CURRAN: So it was more than
13	expected.
14	MS. D'ALLEVA: Yes.
15	LEGISLATOR CURRAN: Registration.
16	MS. D'ALLEVA: Yes.
17	LEGISLATOR CURRAN: Okay. Am I correct
18	in my understanding that it was local government
19	assistance from towns and villages?
20	MS. D'ALLEVA: Sales tax. Our local
21	government assistance fourth quarter sales tax is
22	netted for any outstanding balances that the
23	towns have to remit to the county because we pay
24	on their behalf.
25	LEGISLATOR CURRAN: Thank you.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 165
2	I have another question about the eight
3	million in retirement reserve. My first question
4	is do you know how much has been deferred in
5	pension expenses in general?
6	MS. D'ALLEVA: We've deferred
7	approximately, since 2012, approximately \$269
8	million.
9	LEGISLATOR CURRAN: And will this eight
10	million go to cover some of that?
11	MS. D'ALLEVA: Yes. I would say we
12	could use some of the eight million to prepay
13	what we've deferred if we choose to.
14	LEGISLATOR CURRAN: Eight million to
15	prepay.
16	MS. D'ALLEVA: Right.
17	LEGISLATOR CURRAN: But it hasn't
18	happened yet.
19	MS. D'ALLEVA: No, it hasn't happened
20	yet.
21	LEGISLATOR CURRAN: Okay. And all of
22	these items, have so have any of them been
23	done already?
24	MS. D'ALLEVA: I'm sorry. I don't
25	understand.

1	Rules Committee - 4-11-16 166
2	LEGISLATOR CURRAN: Have they been paid
3	out already?
4	MS. D'ALLEVA: Of?
5	LEGISLATOR CURRAN: Of all of the items
6	on the list.
7	MS. D'ALLEVA: This item is to correct
8	the balances of all the accounts in the 2015
9	budget. Yeah, some of them probably have
10	actually been expended. I guess an example would
11	be the DE contracts in certain venues that
12	required additional appropriation could have been
13	expended and paid through the comptroller's
14	office. We would have to check. I'm not really
15	sure.
16	LEGISLATOR CURRAN: Okay. My concern is
17	what came up before, if this has been done before
18	we approve it, of any of these items.
19	MS. D'ALLEVA: This is done customarily
20	at the end of every year. So the comptroller's
21	office has to clean up the negative balances.
22	Because the legislature votes and adopts the
23	budget according to appropriation by control
24	center and object code, if any one of those
25	control centers and object codes actually falls
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 167
2	short, the comptroller's office puts together
3	this year-end board transfer so that they can
4	give the trial balance to the auditors, in this
5	case it's McGladdery, RMS or whatever they call
6	themselves, and they can audit our books and
7	issue a CAFR, a year-end CAFR.
8	LEGISLATOR CURRAN: Thanks.
9	CHAIRMAN NICOLELLO: Any other
10	discussion?
11	(No verbal response.)
12	Any public comment? I'm sorry.
13	Legislator DeRiggi-Whitton.
14	LEGISLATOR DERIGGI-WHITTON: On the FEMA
15	fund it's 20,000; do you know what that's for?
16	MS. D'ALLEVA: 20,000?
17	LEGISLATOR DERIGGI-WHITTON: 20,852.13,
18	a transfer. The fund or the transfer, whatever
19	you want to call it.
20	MS. D'ALLEVA: I believe this was for -
21	oh, there was a shortfall in DD expenditures. I
22	believe it was something to do with generators.
23	They had appropriation left over in the salary
24	line. Whatever they had appropriated, they
25	didn't use that funding so they had used it and
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 168
2	they are expenditures for general expenditures on
3	a PW that they have to cover.
4	LEGISLATOR DERIGGI-WHITTON: So this
5	item is including an appropriation for the 15
6	million funds received from New York State Office
7	of Emergency Management and FEMA for Super Storm
8	Sandy expenses.
9	MS. D'ALLEVA: Yes. What happened is
10	that we were required to have a ten percent local
11	match originally. FEMA was supposed to only
12	reimburse us for 90 percent. Through the
13	governor's office we were able to secure funding
14	from CDBGR community block grant funding, so we
15	were able to secure those funds but the ten
16	percent local match, the county had sustained
17	that local match through the major funds. So we
18	had already - the \$15 million is to ensure that
19	we can transfer it back and make the major funds
20	whole.
21	LEGISLATOR DERIGGI-WHITTON: Okay. So
22	we are getting reimbursement from FEMA -
23	MS. D'ALLEVA: We're getting
24	reimbursement from the governor's office for our
25	ten percent local match that we paid out.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 169
2	LEGISLATOR DERIGGI-WHITTON: And that's
3	what we're using for these appropriations.
4	MS. D'ALLEVA: Yes.
5	LEGISLATOR DERIGGI-WHITTON: Have all
6	the other FEMA lines that have been extended been
7	reimbursed already?
8	MS. D'ALLEVA: Currently, in total
9	expenses, since 2012, we have about \$208 million
10	of expenses. I believe the county has received,
11	in cash reimbursement, approximately \$175
12	million. We have started to go through the
13	closeout process with our project worksheets. We
14	have not closed out any one project worksheet;
15	so, therefore, there is a \$33 million "balance"
16	that FEMA would still have to pay us.
17	LEGISLATOR DERIGGI-WHITTON: So we're
18	still looking for 33 million. I'm surprised
19	we're not using this 15 million towards that gap.
20	MS. D'ALLEVA: What gap?
21	LEGISLATOR DERIGGI-WHITTON: The 33
22	million came out of -
23	MS. D'ALLEVA: It's a grant. FEMA said
24	that they at this point we're being reimbursed
25	for 100 percent of our expenses. We expended
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 170
2	\$208 million. We will receive \$208 million. We
3	don't have a gap.
4	LEGISLATOR DERIGGI-WHITTON: We just
5	haven't received the 33 million.
6	MS. D'ALLEVA: The issue with the 15
7	million was because there was a ten percent local
8	shared required match, the county had put up that
9	money in previous fiscal years. That 15 million
10	is actually coming to fund balance now.
11	LEGISLATOR DERIGGI-WHITTON: I've asked
12	this before. Can I possibly just get a written
13	breakdown of what the 33 million that we're
14	waiting for was pertaining to?
15	MS. D'ALLEVA: There are several project
16	worksheets that were issued over the course of
17	the three years. There's probably about 42 of
18	them. There are many project worksheets. Don't
19	quote me on that number. There are many project
20	worksheets. But the balance is very little, it's
21	maybe 15 percent of the total. We're doing very
22	well in terms of cash receipts.
23	LEGISLATOR DERIGGI-WHITTON: It's three
24	and a half years later. I know. We've talked
25	about it.

1	Rules Committee - 4-11-16 171
2	If I could just find out.
3	MS. D'ALLEVA: Sure.
4	LEGISLATOR DERIGGI-WHITTON: I just want
5	to see where it is that we're still hoping to get
6	reimbursed.
7	MS. D'ALLEVA: The largest is probably
8	our debris removal project worksheet, project
9	worksheet 120. It's about \$9 million that we're
10	still owed on that.
11	LEGISLATOR DERIGGI-WHITTON: Again, I
12	would just like to see what it is just so we can
13	have an idea going forward if there are any
14	changes we should make to make it easier to get
15	reimbursed should there be another situation like
16	this.
17	MS. D'ALLEVA: The 15 million is our ten
18	percent that we put in, which is actually a
19	little less than ten percent but that's fine.
20	MS. D'ALLEVA: They're slightly behind.
21	It's through 2014 expenditures. They're
22	reviewing them. So we filled out applications to
23	get reimbursed for our ten percent local match,
24	and it's been through the 2014 applications,
25	that's what that 15 million represents.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 172
2	LEGISLATOR DERIGGI-WHITTON: Thank you.
3	CHAIRMAN NICOLELLO: Legislator Curran.
4	LEGISLATOR CURRAN: Have these transfers
5	been posted in the financial system?
6	MS. D'ALLEVA: I would have to - I
7	believe that they may not have been approved in
8	the financial system but it is initiated through
9	the comptroller's office yes. They are
10	transitioning to handing over the books or they
11	have already handed over the books for the trial
12	balance to the auditors to close out the year.
13	LEGISLATOR CURRAN: So that means that
14	they are? They have been posted?
15	MS. D'ALLEVA: I'm not sure if it's
16	posted and executed, but I believe that since
17	they handed the trial balances over to the
18	accounting firm, I believe they may be posted.
19	LEGISLATOR CURRAN: I think - speaking
20	for the legislature as a body, it kind of renders
21	us impotent if this is done before we get a
22	chance to approve it.
23	MS. D'ALLEVA: It doesn't render you
24	impotent at all. Basically, if you do not vote
25	on this then we would have to reverse anything
	DECNI DEDODTINO CEDUICEO

1	Rules Committee - 4-11-16 173
2	that was done in the financial system. It's not
3	an issue that way.
4	LEGISLATOR CURRAN: Okay. Maybe in the
5	future, I don't know if everyone agrees with me,
6	I think it would be good for us to be able to
7	approve this before that happens.
8	MS. D'ALLEVA: I think by - not sure -
9	by Charter - actually, the comptroller's office
10	has to issue a CAFR by June 30. So this is kind
11	of like March is - usually by March we have a
12	year-end board transfer that we present to the
13	legislature to vote on.
14	LEGISLATOR CURRAN: Okay. Fair enough.
15	Thank you.
16	CHAIRMAN NICOLELLO: Thank you.
17	Any other discussion?
18	(No verbal response.)
19	Any public comment? Ms. Mereday.
20	MS. MEREDAY: Yes. My comment had to do
21	with - unfortunately I don't have that
22	information in front of me that you all do.
23	Again, you are the stewards of my tax dollars.
24	But having an operational background, just one
25	thing that jumped out for me, because there are

Rules Committee - 4-11-16 so many contract requests in here for legal counsel, I'm just curious as to how many peopl actually work for the county attorney's office how many outside contracts do we actually have that we're funding? 1	Rules Committee - 4-11-16 175
2	CHAIRMAN NICOLELLO: Ms. D'Alleva, just
3	clarify your comments earlier.
4	MS. D'ALLEVA: I think the difference is
5	in the county attorney's office they already had
6	contracts in place with the appropriate levels of
7	funding and terms of the contract. It's just
8	that when we were looking at the current
9	obligation in December, December 31, when we were
10	ending the year, to us it did not look at spent.
11	But pursuant to that, they had had invoices that
12	had come in for services that were rendered but
13	they had the contracts in place to fund that.
14	Also, there are approximately, as of
15	December there were 59 county attorneys in the
16	county attorney's office, almost half of what was
17	in the previous administration.
18	In terms of managing expenses and
19	relating to taxpayers, I do feel that the county
20	attorney has really done a phenomenal job in
21	terms of really managing outside contracts,
22	inside salaries, and headcount to actually give
23	us the best efficiencies, in terms of spending.
24	CHAIRMAN NICOLELLO: Thank you.
25	Appreciate it. Thank you, Ms. D'Alleva.

12	100-2016 is a resolution authorizing the

6	utility companies, as set forth in various
7	actions pursuant to the County Law.
8	LEGISLATOR WALKER: So moved.
9	LEGISLATOR MUSCARELLA: Second.
10	CHAIRMAN NICOLELLO: Moved by Legislator
11	Walker, seconded by Legislator Muscarella.
12	Those items are before the committee.
13	Legislator MacKenzie makes a motion to go

23	(Whereupon, the Finance Committee

25	CHAIRMAN NICOLELLO: We have several
	REGAL REPORTING SERVICES

2	items to vote on. First one is Item 100-16.
3	All in favor of Item 100-2016, which is
4	the Butindari settlement signify by saying aye.
5	(Aye.)
6	Those opposed?

12	(Aye.)
13	Those opposed?
14	(No verbal response.)
15	That item carries unanimously.
16	The last one is the executive session
17	item 143 relating to the utility companies.
18	Legislator DeRiggi-Whitton has a
19	question. I'm sorry. Legislator Curran.
20	LEGISLATOR CURRAN: Hi. First thing, we
21	didn't get a copy of the settlement agreement in
22	the backup for this, and I'm wondering why we
23	didn't.
24	MS. LOCURTO: I apologize, Legislator.
25	I think it was just an oversight. It just didn't
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 179
2	get to you until today. We'll address that in
3	the future.
4	LEGISLATOR CURRAN: Okay. Thank you.
5	I'm willing to vote yes on this to pass
6	this through, but I would very much like to see
7	that before the Full Leg in two weeks.
8	MS. LOCURTO: Absolutely.
9	LEGISLATOR CURRAN: Thank you very much.
10	Also, I have some questions for OMB on
11	this, not legal. Oh, wait. I don't. Never
12	mind. I'm sorry.
13	DEPUTY COUNTY EXECUTIVE NAUGHTON: We
14	were ready, though.
15	LEGISLATOR CURRAN: Wait for the next
16	one. Stay there.
17	CHAIRMAN NICOLELLO: That was weird.
18	LEGISLATOR CURRAN: I'm sorry. Sorry
19	about that.
20	DEPUTY COUNTY EXECUTIVE NAUGHTON: Not a
21	problem.
22	LEGISLATOR CURRAN: Now that I've got
23	you.
24	I'm not getting into the legal because I
25	know we can't talk about that in public. But the
	REGAL REPORTING SERVICES

I	
1	Rules Committee - 4-11-16 180
2	settlement for this, how are we going to pay for
3	this?
4	DEPUTY COUNTY EXECUTIVE NAUGHTON: My
5	understanding is that we're going to be using our
6	litigation fund. The 2016 budget included
7	approximately \$20 million as an appropriation in
8	the litigation fund to cover any potential
9	judgments.
10	LEGISLATOR CURRAN: So that won't cover
11	it though, \$20 million.
12	DEPUTY COUNTY EXECUTIVE NAUGHTON: I
13	don't know how much I can say about the payment.
14	MS. D'ALLEVA: I don't want to have to
15	go into executive session.
16	LEGISLATOR CURRAN: Okay. Fine.
17	MS. D'ALLEVA: It's a total dollar
18	amount. How it will be paid - there is
19	sufficient monies in the litigation fund to cover
20	the entire amount.
21	LEGISLATOR CURRAN: Okay. Fair enough.
22	You're right.
23	My concern is with the other towns, we're
24	currently dealing with the other towns with
25	similar kinds of cases and I'm worried there will
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 181
2	not be enough money to pay everything that we
3	have to pay coming down the pick, with Hempstead
4	and North Hempstead.
5	DEPUTY COUNTY EXECUTIVE NAUGHTON: I
6	think my only statement to that would be we would
7	address it if there is some type of settlement
8	with those. We may also be litigating those
9	cases.
10	LEGISLATOR CURRAN: Right. Can we talk
11	about how much is due in pending judgments
12	currently being litigated in regard to this sort
13	of judgment, this sort of case with the Town of
14	Hempstead?
15	MS. LOCURTO: With the Town of
16	Hempstead, we have between actual judgments that
17	have been reduced, it's approximately 25 million.
18	Of those that have not been reduced to judgment,
19	it is significantly higher. We've estimated a
20	substantial amount for those in excess of the 25
21	million that just have been reduced to judgment
22	to date.
23	LEGISLATOR CURRAN: Okay. Because to me
24	this is a budget issue. I'm worried that these
25	settlements will put at risk, if they have to -
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 182
2	if the litigation fund is depleted it will have
3	to come out of operating funds and that could put
4	a hole in our budget for other programs.
5	DEPUTY COUNTY EXECUTIVE NAUGHTON: I
6	will state that we have sufficient funds in our
7	litigation fund, and it will not deplete the
8	entire fund.
9	LEGISLATOR CURRAN: So you're confident
10	that the litigation fund would cover this and
11	perhaps other towns as well?
12	DEPUTY COUNTY EXECUTIVE NAUGHTON:
13	Without knowing how much those other towns would
14	be, I don't know. Clearly, that could also be
15	part of the negotiating factor, how much money
16	you have available to settle with.
17	LEGISLATOR CURRAN: Okay. Just another
18	question. I don't know if this is an OMB
19	question. I'm just wondering if it's fair to
20	settle with the Town of Oyster Bay before we know
21	what we have to do with Hempstead and North
22	Hempstead.
23	MS. LOCURTO: I think any time that the
24	county has an opportunity to settle a case that
25	is favorable and in the best interest of the
	REGAL REPORTING SERVICES

2 county, it is what the county - it is what we 3 would recommend for the county to do. I can't	
3 would recommend for the county to do. I can't	
4 say for certain but it may help us bring	
5 resolution to these cases that have been ongoin	ng
6 for over 15 years. So creating certainty and	
7 bringing an end to litigation that only has	
8 created substantial liability, potential	
9 liability for the county, I think it's overall	a
10 good decision, and that's why we're recommending	ı g
11 settlement.	
12 LEGISLATOR CURRAN: From what I	
13 understand, this was filed on Friday.	
14 MS. LOCURTO: Yes.	
15 LEGISLATOR CURRAN: I'm wondering why	
16 this is being rushed. Here we are on Monday ar	nd
17 we're being asked to vote on this so quickly.	
18 MS. LOCURTO: I think once the	
19 opportunity for a real settlement was reached a	nd
20 struck by all the parties, I think we wanted to)
21 bring it to the legislature as soon as possible	2
22 to cut off, if you will - I don't want to go to	0
23 much because we discussed it broadly in executi	ve
24 session. These judgments do carry interest on	
25 them. I don't want to say too much in the publ	ic

1	Rules Committee - 4-11-16 184
2	forum. But that is a savings. If the settlement
3	presents a savings to the county.
4	LEGISLATOR CURRAN: I see that point.
5	Back to OMB. I am very worried, because
6	this is the Finance Committee, just from the
7	budgetary point of view that we're not going to
8	blow a hole in our budget with these sorts of
9	things since we're not going to be using bonded
10	money for them, obviously, and that the
11	litigation fund would cover - I'm not going to
12	talk about any amounts - but hypothetically could
13	cover these sorts of things going forward.
14	DEPUTY COUNTY EXECUTIVE NAUGHTON: The
15	administration is very comfortable that we have
16	sufficient funds in our litigation fund to
17	address this settlement. I think you have to
18	address each potential settlement as they happen.
19	LEGISLATOR CURRAN: Okay. Thank you.
20	CHAIRMAN NICOLELLO: I just wanted to
21	say they are all very good points raised by
22	Legislator Curran. But I think if we have, what
23	I consider to be, a very favorable settlement
24	before us, I would not want to lose that
25	settlement by delaying a decision on this.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 185
2	Legislator DeRiggi-Whitton.
3	LEGISLATOR DERIGGI-WHITTON: Is it
4	possible to get a list of all the garbage
5	districts and copies of all that are
6	litigating just to see where we are and what the
7	status is for each one?
8	MS. LOCURTO: Legislator, we can provide
9	that list.
10	LEGISLATOR DERIGGI-WHITTON: Could we
11	have that before Full Leg?
12	MS. LOCURTO: On the 25th, certainly.
13	LEGISLATOR DERIGGI-WHITTON: Again, I'm
14	stating also that we really need a copy. I'm not
15	going to vote for this because I have not seen a
16	copy of the decision - settlement, rather, and I
17	don't, you know, I don't even know what the terms
18	are. I haven't read it and neither has my
19	counsel. You have to provide us with this
20	information. Something that's this much money
21	can't be an oversight. It's a very important
22	part of our day. You can't neglect to give us
23	the information.
24	MS. LOCURTO: I appreciate that,
25	Legislator. And I believe everything that was
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 186
2	discussed in executive session outlined all the
3	terms of the settlement. If you have any
4	questions, I'd be more than happy to address them
5	in executive session again and go through it with
6	you.
7	LEGISLATOR DERIGGI-WHITTON: No. I
8	would like to just read it. I appreciate your
9	efforts, but we really have to have it in hand
10	before we can vote on it because nothing is
11	recorded in executive session.
12	CHAIRMAN NICOLELLO: So we will have
13	that by the Full Leg.
14	LEGISLATOR DERIGGI-WHITTON: Can I just
15	ask Maurice to come up, please? Maurice, Mr.
16	Chalmers, let me apologize.
17	MR. CHALMERS: Maurice Chalmers, OMB.
18	LEGISLATOR DERIGGI-WHITTON: Maurice,
19	can you give me your most recent account for the
20	balance that we have in the litigation settlement
21	account?
22	MR. CHALMERS: It's approximately \$20
23	million for the 2016 budget.
24	LEGISLATOR DERIGGI-WHITTON: And what is
25	it today?

I	
1	Rules Committee - 4-11-16 187
2	MR. CHALMERS: I could check for you. I
3	would probably guess it was close to 20 million.
4	I can check and give you an exact amount.
5	LEGISLATOR DERIGGI-WHITTON: Do you know
6	how much of that has been obligated already?
7	MR. CHALMERS: I would have to check and
8	get back to you and tell you the exact amount.
9	LEGISLATOR DERIGGI-WHITTON: That's a
10	different amount from what I heard.
11	MS. D'ALLEVA: Currently, we're showing
12	in the current obligation is around 18. We also
13	have other settlements that are paid through
14	payroll that are going to be moving over. What
15	we will be having available is approximately 15.
16	LEGISLATOR DERIGGI-WHITTON: That's the
17	number I heard, 15. So we have 15 million
18	available. Alright.
19	LEGISLATOR CURRAN: One more quick one.
20	Thank you.
21	With the litigation fund this could
22	cover, hypothetically, these sorts of things.
23	But what if there are other suits and damages
24	that are unrelated to this, other kinds of suits
25	and damages? Are you confident that those could
	REGAL REPORTING SERVICES

I	
1	Rules Committee - 4-11-16 188
2	be covered as well?
3	DEPUTY COUNTY EXECUTIVE NAUGHTON: Yes.
4	LEGISLATOR CURRAN: Can you explain,
5	excuse my ignorance, how it is replenished?
6	DEPUTY COUNTY EXECUTIVE NAUGHTON: Sure.
7	The fund is generated by either surpluses that we
8	anticipate generating during the year, and then
9	we move the money into the fund.
10	LEGISLATOR CURRAN: Surpluses.
11	DEPUTY COUNTY EXECUTIVE NAUGHTON:
12	Right. Because what we are trying to do is build
13	so that we're not borrowing for these types of
14	expenses.
15	LEGISLATOR CURRAN: Right. So you're
16	confident that the litigation fund, we would get
17	enough in surpluses to cover this sort of thing
18	plus any other suits and damages that we might
19	not predict, that we don't know, that come from
20	left field.
21	DEPUTY COUNTY EXECUTIVE NAUGHTON:
22	Correct. We've been in consultation with the
23	county attorney's office, looking at things that
24	they think they may settle during the year, and
25	we feel that we have sufficient funding.

1	Rules Committee - 4-11-16 189
2	LEGISLATOR CURRAN: Okay. Thanks.
3	CHAIRMAN NICOLELLO: Legislator Bynoe.
4	LEGISLATOR BYNOE: Good evening. So on
5	replenishment, you said it's replenished using
6	surplus funds, correct?
7	DEPUTY COUNTY EXECUTIVE NAUGHTON:
8	Correct.
9	LEGISLATOR BYNOE: So on Item 142-16,
10	where we did the transfer, anticipating that we'd
11	be settling this case and that fund would be
12	close to being depleted, why didn't we consider
13	moving some of these surplus funds into the
14	litigation fund?
15	DEPUTY COUNTY EXECUTIVE NAUGHTON: As I
16	stated earlier, the 2016 budget, you, actually as
17	a body, voted to appropriate \$20 million into the
18	fund.
19	LEGISLATOR BYNOE: Okay. Based on the
20	settlement, we're going to work through a good
21	portion of that, right?
22	DEPUTY COUNTY EXECUTIVE NAUGHTON: That
23	is correct.
24	LEGISLATOR BYNOE: So we just did some
25	transfers and I'm wondering why we didn't
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 190
2	consider moving anything into that account based
3	on the fact that we knew we were going to work
4	through a considerable amount of what's currently
5	existing.
6	DEPUTY COUNTY EXECUTIVE NAUGHTON: It's
7	not necessary at this time. And as the year goes
8	on, if we feel that we need to add more money to
9	that fund at that point we will do so.
10	LEGISLATOR BYNOE: Knowing that we have
11	two other entities, both North Hempstead and the
12	Town of Hempstead, we think the remaining funds
13	are going to take care of those?
14	DEPUTY COUNTY EXECUTIVE NAUGHTON:
15	Again, each settlement will be handled on its own
16	merits, and it depends on what is negotiated.
17	LEGISLATOR BYNOE: Okay. You'll be
18	back.
19	CHAIRMAN NICOLELLO: I just have one
20	brief comment and then we can vote on this, which
21	is simply that it is completely ridiculous to me
22	that the county guarantee applies to this case,
23	but that's not something that's my call, it was
24	decided by a judge. It's completely absurd, and
25	I think we all agree with that.

1	Rules Committee - 4-11-16 191
2	In any event; all in favor signify by
3	saying aye.
4	(Aye.)
5	Those opposed?
6	(Nay.)
7	Abstaining?
8	(Abstain.)
9	Five-zero-two. Five ayes, zero nos, and
10	two abstentions. Legislator Curran voted for it.
11	(Whereupon, the following is the minutes
12	of the April 11, 2016, Veterans and Senior
13	Affairs pertaining to Clerk 141-16.)
14	There is one item on the addendum today,
15	which is Clerk Item 141-16, which is a Local Law
16	to add Title 82 to the Miscellaneous Laws of
17	Nassau County in relation to ensuring service-
18	disabled veterans have greater participation in
19	county contracts.
20	May I have a motion?
21	LEGISLATOR MUSCARELLA: So moved.
22	LEGISLATOR DUNNE: Second.
23	CHAIRMAN GAYLOR: Muscarella and Dunne,
24	second by Dunne.
25	The item is before us.

1	Rules Committee - 4-11-16 192
2	Do I have anyone here from the
3	administration here to speak on behalf?
4	MR. MAY: Yes, Mr. Chairman. I'm going
5	to speak on behalf of this item.
6	This is a Local Law proposed by the
7	county executive to help the veterans in our
8	county establish or better participate in the
9	contracts process of Nassau County. It creates a
10	service-disabled veterans program which is
11	similar in concept to the MWBE program that we
12	have, based off of state legislation that was
13	passed in 2014. And state certified veteran-
14	owned businesses will be, you know, contacted
15	during the bid process to let them know that
16	there are county contracts available and make any
17	best efforts on behalf of the county to get them
18	involved in the contract process.
19	LEGISLATOR DUNNE: Through the Chair.
20	CHAIRMAN GAYLOR: Legislator Dunne.
21	LEGISLATOR DUNNE: I want you to relay
22	back to the administration that we appreciate
23	this. We've been fighting for this for a long
24	time. We've been asking and asking that it be
25	included. I, being a disabled veteran myself, I

1	Rules Committee - 4-11-16 193
2	have a lot of friends that are disabled veterans
3	who own businesses and could be doing work with
4	the county. If they just had a little bit of a
5	leg up, they might be able to get in. The state
6	legislation provides for that. I appreciate it.
7	We always have to look to make it better.
8	This is step one. Let's secure this and then we
9	will go from there.
10	Please let Mr. Mangano know that we
11	appreciate that we're opting into this. It has
12	my full support.
13	MR. MAY: Excellent. I'll let him know.
14	And thank you for all of your support.
15	CHAIRMAN GAYLOR: Legislator Solages.
16	LEGISLATOR SOLAGES: Thank you very
17	much, Chair Gaylor.
18	Good afternoon, Mr. May.
19	MR. MAY: Good afternoon.
20	LEGISLATOR SOLAGES: Is there a
21	particular percentage, goal of contracts that
22	will be awarded to this new category of service-
23	disabled veterans?
24	MR. MAY: I believe the goal is six
25	percent, but of course that's just a baseline.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 194
2	As the program goes, we will seek to expand that,
3	as appropriate.
4	LEGISLATOR SOLAGES: Six percent of
5	what?
6	MR. MAY: Excuse me. I believe it's six
7	percent of all county contracts.
8	LEGISLATOR SOLAGES: Of the value of all
9	county contracts or just a number?
10	MR. MAY: I believe it's just a number,
11	but I hear what you're saying and it's something
12	we could certainly look into.
13	LEGISLATOR SOLAGES: Yes. I just wanted
14	to be more clear.
15	MR. MAY: I understand. You're trying
16	to clarify. When we say six percent, six percent
17	of what? I understand. There could be a huge
18	difference between six percent of a number of
19	contracts and six percent of the value of
20	contracts. I hear what you're saying. This is
21	the start of the program. We can certainly
22	evaluate when we go on to see if we are reaching
23	the goals that we want to reach. Just having six
24	percent of the contracts may not be enough. We
25	may want to look at six percent of the total

1	Rules Committee - 4-11-16 195
2	value of contracts.
3	Again, this is the very ground floor of
4	this program. Like I tell the people who work
5	with me at my other job at the TLC, everyone is
6	in at the ground floor. We have the opportunity
7	to work through issues at the start. That's
8	where we are with this, just right at the
9	beginning.
10	LEGISLATOR SOLAGES: Understood, sir.
11	In addition, you know, this is all -
12	these are all great goals. I agree with my
13	colleague, Legislator Dunne, that we need to do
14	more for our veterans. But what's important here
15	is how we do this. And who will be responsible
16	for monitoring this?
17	MR. MAY: The Office of Minority Affairs
18	is tasked with monitoring this program and
19	implementing it.
20	LEGISLATOR SOLAGES: So they will be
21	charged with the best efforts initiative, I
22	guess.
23	MR. MAY: Correct.
24	CHAIRMAN GAYLOR: If I may.
25	LEGISLATOR SOLAGES: Of course. Yes,
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 196
2	Mr. Chairman, of course.
3	CHAIRMAN GAYLOR: The Office of Minority
4	Affairs also monitors the contracts pertaining to
5	minority-based woman enterprises?
6	MR. MAY: Yes. They will be doing
7	similar work to the existing MWBE program, which
8	is why we felt it was most appropriate to task
9	that office with this Local Law.
10	CHAIRMAN GAYLOR: Okay. Good.
11	LEGISLATOR SOLAGES: Thank you.
12	LEGISLATOR BIRNBAUM: I have a question.
13	CHAIRMAN GAYLOR: Go ahead.
14	LEGISLATOR BIRNBAUM: This six percent,
15	how does it compare to the others? Is there a
16	set percentage for women and minority, in terms
17	of numbers of contracts or values of contracts?
18	MR. MAY: I don't know. Let me turn to
19	my counsel here to see if he has an answer. The
20	answer is we believe six percent as well.
21	LEGISLATOR BIRNBAUM: That number is the
22	same as the others?
23	MR. MAY: Yes.
24	LEGISLATOR BIRNBAUM: This is just to
25	possibly increase the amount? Are we saying in
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 197
2	the past that we don't know if the number has
3	even been close to six percent?
4	MR. MAY: Which number close to six
5	percent?
6	LEGISLATOR BIRNBAUM: For the veterans.
7	MR. MAY: We haven't studied it. This
8	is a new program.
9	LEGISLATOR BIRNBAUM: So we don't know
10	what the number has been all along?
11	MR. MAY: We haven't delineated it, in
12	terms of this program because this program hasn't
13	existed. So as we get information on the
14	program, we will be able to see. You have to
15	understand
16	LEGISLATOR BIRNBAUM: Statistics haven't
17	been kept. Is that what you're saying, we don't
18	know?
19	MR. MAY: Yes. But I want to be very
20	hesitant to how I say yes to that. It's not that
21	these numbers existed and we haven't tracked it.
22	This program, under state law, only recently came
23	into existence. The state law was passed in
24	2014. The state is responsible for determining
25	which business qualifies or is certified as a
	DECAL DEDODTING SEDVICES

1	
1	Rules Committee - 4-11-16 198
2	service-disabled veteran business. So this is
3	all brand new. It's not like we had a number of
4	these. To put it differently, we didn't know
5	this class of business under the law because it
6	did not exist before.
7	LEGISLATOR BIRNBAUM: Got it.
8	MR. MAY: So that's why we don't have a
9	number to track. It's not that we were just
10	ignoring the issue. The designation is new.
11	LEGISLATOR BIRNBAUM: It's a similar
12	endeavor to the others.
13	MR. MAY: Correct.
14	LEGISLATOR BIRNBAUM: So this is a new
15	category that we're going -
16	MR. MAY: Correct.
17	LEGISLATOR BIRNBAUM: to be. Okay. Are
18	we hopeful that this office will be tracking it?
19	Is that the idea?
20	MR. MAY: Yes.
21	LEGISLATOR BIRNBAUM: The Office of
22	Minority Affairs will keep track.
23	MR. MAY: Yes.
24	LEGISLATOR BIRNBAUM: We'll get
25	clarification of whether it's the amount of
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 199
2	contracts or the value of the contracts.
3	MR. MAY: Yes, we can certainly clarify
4	that.
5	CHAIRMAN GAYLOR: If I may, Mr. May. I
6	think the way that the local law is written is
7	that it's a percentage of the contracts, not the
8	dollar value. It's the number of contracts.
9	MR. MAY: Correct. Correct.
10	CHAIRMAN GAYLOR: Okay. And this six
11	percent is in addition to any other percentages
12	that are already applied for minority or women
13	based businesses, correct? It's not being lumped
14	in with the same six percent.
15	MR. MAY: That is correct. This will be
16	a discreet number.
17	CHAIRMAN GAYLOR: What I would like to
18	do is publicly thank the minority, and especially
19	Legislator Laura Curran who has been working with
20	me for the last three or four months to try to
21	get this before the committee. On behalf of all
22	of on this side, we thank all of you on that side
23	as well to make this happen, as well as the
24	county exec.
25	MR. MAY: Thank you. We certainly
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 200
2	appreciate it. It's very nice when everyone is
3	working cooperatively towards these same goals.
4	A lot of good things can get done.
5	CHAIRMAN GAYLOR: Legislator, a question
6	up here.
7	MR. MAY: We already said thank you to
8	everybody.
9	LEGISLATOR DERIGGI-WHITTON: It's not
10	over. I think you're happy to be back, I might
11	be wrong.
12	MR. MAY: It is a lot of fun being here.
13	I shouldn't say that on the record, they may hold
14	me to it.
15	LEGISLATOR DERIGGI-WHITTON: I know
16	we're harping on a minor detail, but we want to
17	make sure it goes smooth.
18	The six percent participation rate of
19	state certified business on county contracts is
20	what's in the backup - in the resolution, rather.
21	What is the participation rate? How would we be
22	able to clarify that?
23	MR. MAY: It would just be six percent of
24	the total amount of contracts in the county. I
25	could take a stab at it. Typically, our
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 201
2	contracts, you see the bulk of them, in terms of
3	the A, B, or E contracts. Any given year it's
4	about 500 contracts. Then there are the blanket
5	resolution contracts, which are typically social
6	services contracts. I'm going to say
7	conservatively there are probably about 700
8	contracts that the county enters into on an
9	annual basis. Whatever six percent of that is.
10	LEGISLATOR DERIGGI-WHITTON: Forty-two.
11	MR. MAY: There you go.
12	LEGISLATOR DERIGGI-WHITTON: Do we have
13	any way of an update per quarter just to make
14	sure we're kind of on goal. For instance, what
15	if we are falling short at that number? Do you
16	have any idea of what we should do?
17	MR. MAY: Again, it's the ground floor of
18	a new program and a new process. We're not going
19	to know if we've even hit those targets for
20	probably a full year after the program is in
21	place. Then once we have that in place, we can
22	start an analysis of if there was a shortfall
23	why. First thing we have to do is we have to
24	work off the state certified disabled veterans
25	business list. And then we have to see how many
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 202
2	people have received bids, how did they receive
3	the bids? Why didn't they respond to the bids?
4	There will be a whole series of questions that
5	would have to be asked, and it's really premature
6	at this point to say what happened. Why didn't
7	we meet our goals when we haven't actually had
8	the opportunity to attempt to achieve the goals?
9	I think it would be more apt for this body to ask
10	the county executive a year from now, a year and
11	a half from now, whether it's this committee or
12	this body as a whole, to say, hey, we'd like a
13	report on how you're doing.
14	Again, I think it's premature now. We
15	haven't even started.
16	LEGISLATOR DERIGGI-WHITTON: Just
17	getting back to what the chair mentioned. Is it
18	the six percent in addition to what's already the
19	baseline? We don't even know what the baseline
20	is, right, because we don't keep track of it. So
21	I don't know how we can be reassured that it's
22	above what we have now if we don't know.
23	MR. MAY: I think the chair was asking
24	is the six percent, in addition to the MWBE goal,
25	and the answer to that is yes. Again, we would
	DECAL DEDODUTING CEDULCES

1	Rules Committee - 4-11-16 203
2	still have to have the program in place, operate
3	it, and then do an analysis on our first year
4	numbers. It would be like anything else. If we
5	were a private company and we were doing sales
6	and put a new product out, how do you know what
7	you're going to sell? You don't. You put it out
8	there, see what the numbers are the end of the
9	year, and then analyze why you hit your targets
10	or you didn't hit your targets.
11	LEGISLATOR DERIGGI-WHITTON: Are we
12	going to give preference to anybody that is a
13	veteran-based company when we're going out to
14	bid? Are we going to ask that question in our
15	RFP or anything?
16	MR. MAY: I don't know that we can do
17	that.
18	LEGISLATOR DERIGGI-WHITTON: I don't
19	know if we can, to be honest.
20	MR. MAY: I don't think we can add
21	points to somebody's RFP based on their status.
22	I think the idea for getting these numbers in is
23	to reach out to these businesses in the first
24	place. It may be that they are newly established
25	businesses who aren't familiar with the process.

1	Rules Committee - 4-11-16 204
2	I don't know that we can do that.
3	LEGISLATOR DERIGGI-WHITTON: Do you know
4	how many businesses that are state certified at
5	this point? Do you know how many there are?
6	MS. MEREDAY: There are about 35 service
7	disabled veterans businesses, and most of them
8	are not from New York State. I happen to be an
9	expert.
10	MR. MAY: I'm not going to testify on her
11	behalf. So the number that I'm hearing from the
12	audience is 35. I have no way to confirm that
13	right now. I could look at the Department of
14	State website and see what the numbers are that
15	they have certified. And as counsel is reminding
16	me and as I mentioned before, this is a new
17	program for the state as well. The law was
18	signed into effect at the end of 2014, so they
19	are just getting their ducks in a row.
20	Again, this is a brand new program for
21	everybody.
22	LEGISLATOR DERIGGI-WHITTON: I think
23	it's great and I'm hoping - I really want to
24	follow through with it. If it's true, I've also
25	heard that the number is low. To find these
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 205
2	companies, I don't think we can give them special
3	preference, as far as RFPs are involved. I'm
4	just hoping we can reach our goal because it's
5	sort of set up that if the companies are not, you
6	know, known to us and are not local and for them
7	to come as lowest bid and hit all the other
8	qualifications, it just seems like a good effort.
9	MR. MAY: Play that scenario out. Say
10	there are only 35 disabled veteran service
11	companies, and let's say all of them get
12	contracts with the county but we need to hit 46
13	in order for it to be six percent. We know the
14	answer. Why didn't you reach six percent?
15	Because there are not enough certified companies
16	to make that number. These are all
17	hypotheticals.
18	LEGISLATOR DERIGGI-WHITTON: I know.
19	MR. MAY: We would have to run the
20	program and see the result at the end of at least
21	the first year.
22	LEGISLATOR DERIGGI-WHITTON: I'm just
23	trying to analyze it going forward. It just
24	looks like our pool is very small. We legally
25	probably can't give any special preference. I
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 206
2	don't know what our number is going in. I
3	haven't heard any good feedback, as far as our
4	history with using veteran companies.
5	MR. MAY: I don't know that the
6	distinction was every made under state law. Once
7	again -
8	LEGISLATOR DERIGGI-WHITTON: We don't
9	know.
10	MR. MAY: Right.
11	LEGISLATOR DeRIGGI-WHITTON: We don't
12	know where we're starting from. We know the pool
13	is going to be small, and there's really nothing
14	we can do to legally promote.
15	MR. MAY: It's a program that started
16	last year, so we can assume that the number
17	previous to this, as far as the category, legal
18	category goes, was zero. Presumably, we can only
19	go up from there. Again, at the end of a year or
20	two of operation of this program, we will have
21	better numbers and better information. Remember,
22	as this program goes on, the state is going to
23	certify more and more companies.
24	LEGISLATOR DERIGGI-WHITTON: Right.
25	MR. MAY: I understand your concern, but
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 207
2	I don't know that it's necessarily appropriate at
3	this time.
4	LEGISLATOR DERIGGI-WHITTON: I'm not
5	even really worried about this. I'm just saying
6	the six percent might be high for right now.
7	MR. MAY: It might be high. But let's
8	challenge ourselves and get it done.
9	LEGISLATOR DERIGGI-WHITTON: I hope we
10	are successful with it.
11	MR. MAY: Me too.
12	LEGISLATOR DERIGGI-WHITTON: Okay.
13	CHAIRMAN GAYLOR: And so the six percent
14	matches the state suggested goal as well,
15	correct?
16	MR. MAY: That is correct.
17	CHAIRMAN GAYLOR: Do we have any public
18	comment? Ms. Mereday, the floor is yours.
19	MS. MEREDAY: Thank you. Finally.
20	Finally. And as I said earlier, this is a start.
21	But, yes, I do happen to have extensive
22	background in business development as it pertains
23	to diverse suppliers, including minority, women,
24	veterans, disabled, local businesses, etcetera.
25	To answer some of the earlier questions
	DECNI DEDODTING SEDVICES

1	Rules Committee - 4-11-16 208
2	and concerns. The federal mandate is only three
3	percent as it pertains to service-disabled
4	business, service-disabled veteran businesses,
5	and that's not by the number of contracts.
6	Again, you can't say contracts because you don't
7	know what the contract is for, you don't know
8	what industry specific it pertains to. So that
9	random number does not suggest the inclusion
10	aspects. Then if you go by the value of the
11	contract itself, you've given authorizations to a
12	wide range of contracting opportunities, ranging
13	from the millions to a couple thousand dollars.
14	So one service disabled veteran, if you go by the
15	percentage of a contract itself, one service
16	disabled veteran could get a \$100 million
17	contract and you can say our goal was \$100
18	million for service disabled veterans and you
19	have supported one company. So you really have
20	to be specific in that arena.
21	The number I mentioned with regard to 35
22	is a figure that I received about six months ago
23	when I attended a session that was sponsored by
24	the New York State - one of the New York City
25	departments actually but also in conjunction with
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 209
2	the MTA. Because of the lack of outreach and
3	development within New York State, the majority
4	of those service-disabled businesses do not
5	reside or do business in New York State. So the
6	first thing that we have to do is to generate the
7	business pool within our community.
8	Again, and I'm sure it's on the record,
9	I'm tired of saying it but sometimes it bears
10	repeating. Long Island has the largest veteran
11	population in New York State and the northeast
12	corridor. All of the veterans that live on Long
13	Island, a majority of them are what we would
14	considered service-disabled veterans. Some of
15	them have service-disabled veteran businesses.
16	Statistically, less than ten percent of veteran
17	businesses, including service disabled and
18	veteran-owned business, less than ten percent
19	have the capacity to hire anybody, along with
20	another veteran. So you've got 90 percent, an
21	approximate number, 90 percent of veteran-owned
22	businesses, including both categories, who don't
23	have the capacity to hire somebody else. What
24	does that say? That says that the majority of
25	the nation's veteran-owned businesses, even those

1	Rules Committee - 4-11-16 210
2	that qualify under the federal mandated three
3	percent, could not even conduct any outreach of
4	the contracts that take place. So it really is a
5	building from the bottom, so to speak. That's
6	not to say that we cannot bring in service-
7	disabled veteran business that are qualified,
8	which I have been trying to I have been
9	proposing to do. A lot of the teeth and the
10	background information for this particular law
11	was presented to this body, via Legislator Laura
12	Curran, by me.
13	So, that is where we are in terms of what
14	we need to do. We need to start the development.
15	We need to do the outreach. We need to build the
16	model. Now, Nassau County can be an example of
17	that, in terms of all of the contracting
18	opportunities that we have bringing in qualified
19	and established service-disabled veterans who can
20	hire our student veterans who cannot afford to
21	stay here. They can co-partner with the smaller
22	veteran businesses and service-disabled veteran
23	businesses that are here so that that business
24	can grow and hire someone else, so that the
25	veterans that are about to lose their home can

1	Rules Committee - 4-11-16 211
2	keep a job and stay here and contribute to the
3	taxes. So it's not just a cookie cutter model.
4	I agree that this is a start. It is
5	appreciated. But there is still a great deal of
6	work to do as opposed to just, again, putting out
7	a press release, patting ourselves on the back.
8	And I have to once again address veterans that
9	are homeless or about to be evicted, student
10	veterans that have graduated leave here and
11	trying to keep somebody from staying here.
12	CHAIRMAN GAYLOR: Absolutely. And I
13	think all the legislators on the committee here
14	will agree with you.
15	On behalf of all of your efforts and your
16	advocating, thank you. And keep up the good work
17	for our veterans, please.
18	LEGISLATOR DERIGGI-WHITTON: Can I just
19	ask one other quick question?
20	CHAIRMAN GAYLOR: Absolutely.
21	LEGISLATOR DERIGGI-WHITTON: This is
22	under the Office of Minority Affairs. But who
23	specifically is going to be overseeing it? Do we
24	have any type of outreach program?
25	CHAIRMAN GAYLOR: Mr. May, are you going
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 212
2	to take that one on?
3	MR. MAY: Sure. The question was who
4	is going to be responsible for
5	CHAIRMAN GAYLOR: Getting the word out.
6	LEGISLATOR DERIGGI-WHITTON: Right.
7	Maybe even being proactive maybe, since we are
8	all behind this. Is it the compliance office?
9	MR. MAY: Again, new program, we have to
10	work out the kinks here. It's going to be based
11	out of the Office of Minority Affairs. We're
12	also going to have the Office of Purchasing
13	handle making sure that the registered businesses
14	all get the bids that go out to all the other
15	businesses. So there will be some initial
16	outreach, as far as bidding on contracts goes as
17	well.
18	LEGISLATOR DERIGGI-WHITTON: What are
19	the outreach efforts? Are you going to reach out
20	to veteran halls?
21	MR. MAY: Reaching out to veteran halls
22	wouldn't necessarily help because they have to be
23	a state registered, state certified service-
24	disabled veteran owned business.
25	LEGISLATOR DERIGGI-WHITTON: I think it
	DECAL DEDODTING CEDUICES

1	Rules Committee - 4-11-16 213
2	would be worthwhile to meet with the veterans
3	personally, just to put the idea in their head.
4	There might even be people that aren't certified
5	that might want to get certified. Not everyone
6	watches us on live stream.
7	MR. MAY: My colleague, Deputy County
8	Executive Eric Naughton, has asked that he be
9	tagged in.
10	DEPUTY COUNTY EXECUTIVE NAUGHTON: One
11	method that we've decided we're going to use is
12	we have the list from the state of the certified
13	disabled veterans. So working with Constituent
14	Affairs, Minority Affairs will send out a letter
15	to them to let them know about our new law and
16	suggest to them that they meet with our
17	Purchasing Department, let them know of all of
18	the opportunities that the county does have so we
19	can make this very effective.
20	LEGISLATOR DERIGGI-WHITTON: Is that
21	number approximately what we were mentioning
22	before, the number of companies in the state that
23	are certified?
24	DEPUTY COUNTY EXECUTIVE NAUGHTON: No.
25	The list that we've seen from the state, it's
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 214
2	roughly about 34 pages, we think it's probably
3	closer to about 200 vendors in the state.
4	LEGISLATOR DERIGGI-WHITTON: Okay.
5	Maybe we can just get a copy of it. Would you
6	mind sending me a copy of that list? Would you
7	mind just forwarding a copy of the list of
8	vendors?
9	DEPUTY COUNTY EXECUTIVE NAUGHTON: Sure.
10	LEGISLATOR DERIGGI-WHITTON: I would
11	appreciate just taking a look at it.
12	DEPUTY COUNTY EXECUTIVE NAUGHTON: Not a
13	problem.
14	LEGISLATOR DERIGGI-WHITTON: Thank you.
15	CHAIRMAN GAYLOR: If you would, just
16	send it to the chair and then I'll distribute it
17	to all of the legislators.
18	DEPUTY COUNTY EXECUTIVE NAUGHTON: Will
19	do that.
20	CHAIRMAN GAYLOR: Thank you much.
21	Do we have any other public comment?
22	(No verbal response.)
23	At this time we'll take a vote.
24	All those in favor of passing this item
25	please signify by saying aye.
	REGAL REPORTING SERVICES

I	
1	Rules Committee - 4-11-16 215
2	(Aye.)
3	Any opposed?
4	(No verbal response.)
5	The item passes unanimously.
6	(Whereupon, the following is the
7	continuation of the minutes of the April 11,
8	2016, Rules Committee meeting.)
9	CHAIRWOMAN GONSALVES: Now we go back to
10	those items that are rules only.
11	I am going to begin with Item 36, which
12	is a resolution opting into the state legislation
13	in relation to special retirement plans for
14	sheriffs, undersheriffs, and deputy sheriffs.
15	Motion, please?
16	LEGISLATOR KOPEL: So moved.
17	LEGISLATOR NICOLELLO: Second.
18	CHAIRWOMAN GONSALVES: Moved by
19	Legislator Kopel, seconded by Legislator
20	Nicolello.
21	And who is here to speak on this one?
22	MR. MAY: I'm going to handle this one,
23	Madam Presiding Officer.
24	This is a resolution opting the county
25	into state law, just as you said. It allows for
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 216
2	the sheriff to designate at the beginning of
3	somebody's employment that they are qualifying
4	for the 50 percent time accrual for law
5	enforcement purposes so they qualify for the 20
6	year retirement.
7	CHAIRWOMAN GONSALVES: Okay. Any
8	questions for Mr. May?
9	(No verbal response.)
10	Any public comment?
11	(No verbal response.)
12	There being none; all those in favor of
13	36 signify by saying aye.
14	(Aye.)
15	Any opposed?
16	(No verbal response.)
17	Any abstentions?
18	(No verbal response.)
19	The item passes unanimously.
20	The next item is Item 120, a resolution
21	to accept a gift offered by a donor to the Nassau
22	County Police Department.
23	I'm going to ask for a motion, please.
24	LEGISLATOR DUNNE: So moved.
25	LEGISLATOR NICOLELLO: Second.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 217
2	CHAIRWOMAN GONSALVES: Moved by
3	Legislator Dunne, seconded by Legislator
4	Nicolello.
5	Okay. Lieutenant.
6	LIEUTENANT STEPHANOFF: Good afternoon.
7	Lieutenant Greg Stephanoff.
8	This is a donation from the Nassau County
9	Police Department Foundation to donate 100 t-
10	shirts, valued at \$750, for the police youth
11	academy program.
12	CHAIRWOMAN GONSALVES: Any questions of
13	the Lieutenant?
14	(No verbal response.)
15	Any public comment?
16	(No verbal response.)
17	There being none; all those in favor of
18	Item 120 signify by saying aye.
19	(Aye.)
20	Any opposed?
21	(No verbal response.)
22	Any abstentions?
23	(No verbal response.)
24	The item passes unanimously.
25	LIEUTENANT STEPHANOFF: Thank you.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 218
2	CHAIRWOMAN GONSALVES: Okay. Thank you,
3	Lieutenant.
4	The next item is Item 129, a resolution
5	requesting the Legislature of the State of New
6	York to enact and the governor to approve and act
7	in relation to disability retirement benefits for
8	sheriffs, deputy sheriffs, undersheriffs, and
9	correction officers in Nassau County.
10	Motion, please?
11	LEGISLATOR DUNNE: So moved.
12	LEGISLATOR NICOLELLO: Second.
13	CHAIRWOMAN GONSALVES: Moved by
14	Legislator Dunne, seconded by Legislator
15	Nicolello.
16	Are you going to talk to this one too?
17	MR. MAY: Yes, I am, Madam Presiding
18	Officer.
19	CHAIRWOMAN GONSALVES: Okay.
20	MR. MAY: This is an item, a home rule
21	message requesting that the State Legislature
22	change retirement disability services for
23	corrections officers. Currently, a correction
24	officer can earn 3/4 disability if they are
25	assaulted by an inmate in prison, injuries
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 219
2	leading to disability retirement. However, the
3	same offer is not presented to the officers if
4	they are assaulted by somebody who is not an
5	inmate. In other words, if there God forbid
6	this every occurred - if an officer is sitting at
7	the guard booth, a drunk driver drives into the
8	guard booth, the officer would have to retire at
9	one-third, which is basic retirement. But if
10	they were assaulted by a drunk driver who was in
11	custody, they would earn the three-quarters
12	retirement, disability retirement. This is just
13	to give the correction officers disability
14	retirement protections in case they are injured
15	while on the job but not by an inmate, if that
16	makes sense.
17	CHAIRWOMAN GONSALVES: Any questions of
18	Mr. May on this item?
19	(No verbal response.)
20	There being none; all those in favor of
21	Item 129 signify by saying aye.
22	(Aye.)
23	Any opposed?
24	(No verbal response.)
25	Any abstentions?
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 220
2	(No verbal response.)
3	The item passes unanimously.
4	Thank you, Mr. May.
5	The next three items can be called
6	together because all three are IMAs.
7	The first one is Item 131, which, by the
8	way, was clocked in at 4:57 on April 6, 2016,
9	which is a resolution to execute an IMA, an
10	inter-municipal agreement, with the Village of
11	Stewart Manor in relation to a project for a
12	streetscape project on the east side of Covert
13	Avenue, between the Long Island Rail Road and
14	Tulip Avenue.
15	132, another IMA with the East Meadow
16	Fire District in relation to obtaining 16
17	Panasonic "Toughpad" FZ-F1 Devices and related
18	equipment.
19	And the third IMA is Item 133 with the
20	Mineola Memorial Public Library to renovate the
21	Mineola Memorial Public Library.
22	Motion, please?
23	LEGISLATOR KOPEL: So moved.
24	LEGISLATOR NICOLELLO: Second.
25	CHAIRWOMAN GONSALVES: Moved by
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 221
2	Legislator Kopel, seconded by Legislator
3	Nicolello.
4	I don't know if we need to talk about
5	these.
6	MR. MAY: I can briefly describe what the
7	items are.
8	CHAIRWOMAN GONSALVES: Absolutely.
9	MR. MAY: The first one is an IMA with
10	Stewart Manor for a \$100,000 streetscape. For
11	the East Meadow Fire District, it is money for
12	portable data terminals so that the firefighters
13	have information onsite as opposed to at the
14	stationhouse, and \$10,000 for renovations to the
15	Mineola Memorial Library.
16	CHAIRWOMAN GONSALVES: Okay. Any
17	questions on these items?
18	(No verbal response.)
19	There being none; all those in favor
20	signify by saying aye.
21	(Aye.)
22	Any opposed?
23	(No verbal response.)
24	Any abstentions?
25	(No verbal response.)
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 222
2	There being none, the items pass
3	unanimously.
4	Now for the addendum. Item 136, an
5	ordinance for the prevention of fires by
6	establishing uniform regulations for the control
7	of fire hazards and for the enforcement of such
8	regulations.
9	Motion, please?
10	LEGISLATOR DUNNE: So moved.
11	LEGISLATOR NICOLELLO: Second.
12	CHAIRWOMAN GONSALVES: Moved by
13	Legislator Dunne, seconded by Legislator
14	Nicolello.
15	I have to say there are several people
16	who have been here practically all day to speak
17	on this item, and they are right behind you, Mr.
18	May.
19	MR. MAY: I know. I know they're right
20	behind me.
21	CHAIRWOMAN GONSALVES: Mr. Priest is
22	here.
23	MR. MAY: I'm going to get out of the
24	way.
25	MR. PRIEST: Good evening, Madam
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 223
2	Presiding Officer, members of the Legislature.
3	What is before you in this item is a full
4	rewrite, for the first time, in many, many years
5	of the Nassau County Fire Prevention Ordinance.
6	The Fire Prevention Ordinance is a unique
7	document in New York State which consistently
8	helps Nassau County rank among the lowest death
9	by fire rate of anywhere, especially for such a
10	populous county in the State of New York.
11	I'm here just to introduce it. I am
12	going to turn it over to Assistant Chief Michael
13	Yutaro. Assistant Chief Michael Yutaro literally
14	underwent an immense effort to get this done, if
15	you have any specific questions of him.
16	MR. YUTARO: Good evening, everybody.
17	CHAIRWOMAN GONSALVES: Good evening.
18	MR. YUTARO: I know we met with a couple
19	of you. I know we met with the minority side.
20	We also met with the counsels from both the
21	minority and the majority side. We discussed and
22	we gave a brief presentation about the
23	highlights. It's a document that's extended from
24	100-something pages to almost 400 pages. It
25	brings us into the 21st Century. We got a lot of

1	Rules Committee - 4-11-16 224
2	input from both fire protection contractors, the
3	public, the business communities, as well as fire
4	safety advocates, to try to basically tighten up
5	the document and make it a document that we can
6	work with moving forward.
7	If you have any questions, I'd be more
8	than happy to try to answer them.
9	CHAIRWOMAN GONSALVES: Any questions of
10	Mr. Yutaro? Legislator Nicolello.
11	LEGISLATOR NICOLELLO: I just have a
12	couple of quick points.
13	One of the things that this is doing is
14	continuing or implementing automatic
15	extinguishing systems at motor fuel dispensing
16	locations, gas stations, basically.
17	MR. YUTARO: Yes, sir. The state opted
18	not to adopt that part in the new State Code, and
19	we will be adopting it in our new ordinance.
20	LEGISLATOR NICOLELLO: We think that's a
21	very good idea.
22	Secondly, that requires fire alarm
23	systems, etcetera, at pet stores and places where
24	they have animals.
25	MR. YUTARO: Yes. Again, we have
	REGAL REPORTING SERVICES 516-747-7353

1	Rules Committee - 4-11-16 225
2	adopted that and amended our ordinance to include
3	that as well, with an adoption period to give
4	these businesses enough time to comply.
5	LEGISLATOR NICOLELLO: Very good. Thank
6	you.
7	CHAIRWOMAN GONSALVES: Minority Leader.
8	LEGISLATOR ABRAHAMS: More of a
9	comment. Just wanted to thank you for your time
10	on Thursday evening, for spending with members of
11	the caucus. We all felt that your presentation
12	was very well thought out and very well done. We
13	were very impressed. We just wanted to thank you
14	again for taking the time out. We plan to vote
15	in the affirmative for this ordinance. Thank
16	you, again.
17	MR. YUTARO: Thank you very much.
18	CHAIRWOMAN GONSALVES: Mr. Bivone, who
19	has been sitting here patiently all afternoon.
20	Mr. Bivone.
21	MR. BIVONE: Good evening, Presiding
22	Officer and members of the Legislature. Richard
23	M. Bivone. I have offices at 308 East Meadow
24	Avenue in East Meadow. I represent the Long
25	Island Business Counsel, and, also, I have a
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 226
2	private consulting firm that we are experts in
3	building codes and fire safety and have been
4	working with Nassau County Fire Marshals for many
5	years.
6	We believe in this overhaul of this
7	ordinance. The last, if I remember correctly,
8	was in 1980. It's a very old ordinance.
9	Historically, throughout New York State different
10	types of industry, what they do is they change
11	their code every three years to keep up with
12	construction methods and new materials. We think
13	it's very important that this ordinance is
14	changed at this time.
15	This will bring the ordinance into
16	compliance or into line with the New York State
17	Building Code, as it's very important. This will
18	make it easier for the developers, architects,
19	engineers, and also we believe for the small
20	businesses that are in Nassau County.
21	To date, Chief Tusa and his staff work
22	very hard. Actually, Assistant Chief Yutaro has
23	met with the Long Island Business Counsel twice
24	to discuss the fact that we are going to have a
25	new ordinance in place. I have read the previous
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 227
2	versions of this new ordinance since it's going
3	to be coming into the Full Legislature, we hope,
4	soon, and we are in full support of this
5	ordinance being passed.
6	We thank you, the Legislature, and also
7	the Fire Marshal's Office, which we think does a
8	great job, second to none.
9	Thank you.
10	CHAIRWOMAN GONSALVES: Mr. Bivone, this
11	will be on the April 25 calendar of the Full
12	Legislature.
13	MR. BIVONE: At five o'clock or six?
14	CHAIRWOMAN GONSALVES: I'm going to give
15	you a heads up.
16	I have to say thank you to the Fire
17	Marshal's Office as well. I know you have been
18	in communication with both sides of the aisle
19	over the years, and I would say as recently as
20	early 2016. So I thank you for all your hard
21	work. It's something that was a long time in
22	coming. But you know, sometimes, you know what
23	they say, anything worthwhile is waiting for.
24	Guess what? This is certainly worthwhile. I'm
25	sorry you had to wait so long.

1	Rules Committee - 4-11-16 228
2	Thank you for all your help. Thank you,
3	Mr. Bivone, for being here so long, and I hope
4	you got some business done while you were here.
5	Thank you so much.
6	All those in favor we have some more?
7	Okay. Come on.
8	MS. BARBOUR: Hi. My name is Melissa
9	Barbour, and I represent the New York Fire
10	Counsel, a division of Mechanical Contractors
11	Association. The contractors in our association
12	install, inspect, test, and maintain fire
13	suppression systems in tens of thousands of
14	buildings around New York City and Long Island.
15	We have reviewed the document. We've
16	worked with fire marshal's office. We applaud
17	the efforts of the fire marshal's office.
18	Obviously, this strengthens the requirements both
19	in installation, inspection, testing, and
20	maintenance, and also regarding the competency of
21	the people performing that work.
22	We have had some concerns. We still do,
23	including some of the requirements. But we are
24	in the process of working with the fire marshal's
25	office in the next week, and we are confident

1	Rules Committee - 4-11-16 229
2	that we are going to reach a resolution on those
3	and look forward to supporting it.
4	Thank you.
5	CHAIRWOMAN GONSALVES: Thank you very
6	much. I do have a slip here. I'm sorry,
7	Melissa. And thank you too for waiting so long.
8	Any other comments from the legislators?
9	(No verbal response.)
10	There being none; all those in favor of
11	136 signify by saying aye.
12	(Aye.)
13	Any opposed?
14	(No verbal response.)
15	Any abstentions?
16	(No verbal response.)
17	The item passes unanimously.
18	Now we're going to move along to - there
19	are three items that I can call together. They
20	are all a gift to the police department.
21	Items 138, 139, 140, the resolutions
22	pertain to a gift offered by donors to the Nassau
23	County Police Department.
24	Motion, please?
25	LEGISLATOR DUNNE: So moved.
	REGAL REPORTING SERVICES

1	Rules Committee - 4-11-16 230
2	LEGISLATOR NICOLELLO: Second.
3	CHAIRWOMAN GONSALVES: Moved by
4	Legislator Dunne, seconded by Legislator
5	Nicolello.
6	Okay. Lieutenant.
7	LIEUTENANT STEPHANOFF: Good afternoon.
8	Lieutenant Greg Stephanoff again.
9	138-16 is a donation from the Nassau
10	County Police Department Foundation to donate
11	NCPD plaques for the new precincts and policing
12	center, costing approximately \$3,189. These are
13	going to be the round NCPD seal that will go
14	behind the desks when the public walks in.
15	CHAIRWOMAN GONSALVES: Any questions of
16	the Lieutenant?
17	(No verbal response.)
18	There being none; you can move on to the
19	next one.
20	Item 139-16 is to allow the Nassau County
21	Police Foundation to donate approximately \$6,250
22	to purchase ambulance complete GM service support
23	package, for a two-year subscription. This is
24	the computer that the ambulance will plug into
25	that can read the computer on the ambulance and
	DECAL DEDODUTING GEDULGES

1	Rules Committee - 4-11-16 231
2	it can reset the computer. Without this
3	software, it would require a trip to the dealer.
4	So this will get the ambulance back on the street
5	quicker.
6	CHAIRWOMAN GONSALVES: Okay. Any
7	questions of the Lieutenant on this item?
8	(No verbal response.)
9	There being none; go on to 140.
10	Item 140-16 is to allow the Nassau County
11	Police Department Foundation to donate
12	approximately \$10,000 to host civilian police
13	academy classes. It will allow them to run more
14	classes.
15	CHAIRWOMAN GONSALVES: That's a good
16	thing.
17	Any questions on this item?
18	(No verbal response.)
19	There being none; all those in favor of
20	138, 139, 140 signify by saying aye.
21	(Aye.)
22	Any opposed?

3	LIEUTENANT STEPHANOFF: Thank you.
4	CHAIRWOMAN GONSALVES: Thank you very
5	much, Lieutenant.
6	The next item went through Finance;
7	however, I'm calling it. Item 143, a resolution
8	authorizing the county attorney to compromise and
9	settle the claims of different utility companies,
10	as set forth in various actions pursuant to the
11	County Law, the County Government Law of Nassau
12	County, and the Nassau County Administrative
13	Code.
14	Motion, please?
15	LEGISLATOR DUNNE: So moved.
16	LEGISLATOR NICOLELLO: Second.
17	CHAIRWOMAN GONSALVES: Moved by
18	Legislator Dunne, seconded by Legislator
19	Nicolello.
20	Any further questions regarding this
21	item?
22	(No verbal response.)
23	No further questions, so I'm going to
24	call the item. All those in favor of 143 signify
25	by saying aye.

Rules Committee - 4-11-16 233 1 2 (Aye.) 3 Any opposed? 4 (No verbal response.) 5 Any abstentions? 6 (Abstain.) 7 It's six to one. Six in favor, one abstention. It's six-zero-one. 8 9 Item 144, an ordinance to provide 10 information related to sun safety to lifequards 11 assigned to Nassau County outdoor pools, bathing 12 beaches, and Nickerson Beach. 13 I'm going to move it and you're going to second it. We have until next month. We have 14 15 two weeks. You have to second it, otherwise I'm not calling this thing. Melanoma Month is next 16 17 month. 18 LEGISLATOR JACOBS: I will second it. CHAIRWOMAN GONSALVES: It does what we 19 20 want it to do, Judy. 21 LEGISLATOR JACOBS: Okay. 22 CHAIRWOMAN GONSALVES: All those in 23 favor of 144 signify by saying aye. 24 (Aye.) 25 Any opposed?

3	Any abstentions?
4	(No verbal response.)
5	Okay. It passes unanimously. It will go
6	to the Full Leg on the 25th.
7	LEGISLATOR JACOBS: I just want to say
8	it's a very good thing. It shouldn't be needed,
9	but in this day and age, with all we've read
10	about melanoma and all the things that could
11	happen, the horrible things that could happen,
12	it's good that we're passing something that will
13	give people protection and awareness of the
14	dangers that they're out in, all of us, all the
15	time.
16	CHAIRWOMAN GONSALVES: And we're
17	obligating them to make sure that they do what
18	they have to do.
19	Guess what guys. Motion to adjourn?
20	LEGISLATOR DUNNE: So moved.
21	LEGISLATOR NICOLELLO: Second.
22	CHAIRWOMAN GONSALVES: Motion by

	REGAL REPORTING SERVICES

I	
1	Veterans and Senior Affairs - 4-11-16 6
2	Do I have anyone here from the
3	administration here to speak on behalf?
4	MR. MAY: Yes, Mr. Chairman. I'm going
5	to speak on behalf of this item.
6	This is a Local Law proposed by the
7	county executive to help the veterans in our
8	county establish or better participate in the
9	contracts process of Nassau County. It creates a
10	service-disabled veterans program which is
11	similar in concept to the MWBE program that we
12	have, based off of state legislation that was
13	passed in 2014. And state certified veteran-
14	owned businesses will be, you know, contacted
15	during the bid process to let them know that
16	there are county contracts available and make any
17	best efforts on behalf of the county to get them
18	involved in the contract process.
19	LEGISLATOR DUNNE: Through the Chair.
20	CHAIRMAN GAYLOR: Legislator Dunne.
21	LEGISLATOR DUNNE: I want you to relay
22	back to the administration that we appreciate
23	this. We've been fighting for this for a long
24	time. We've been asking and asking that it be
25	included. I, being a disabled veteran myself, I

1	Veterans and Senior Affairs - 4-11-16 7
2	have a lot of friends that are disabled veterans
3	who own businesses and could be doing work with
4	the county. If they just had a little bit of a
5	leg up, they might be able to get in. The state
6	legislation provides for that. I appreciate it.
7	We always have to look to make it better.
8	This is step one. Let's secure this and then we
9	will go from there.
10	Please let Mr. Mangano know that we
11	appreciate that we're opting into this. It has
12	my full support.
13	MR. MAY: Excellent. I'll let him know.
14	And thank you for all of your support.
15	CHAIRMAN GAYLOR: Legislator Solages.
16	LEGISLATOR SOLAGES: Thank you very
17	much, Chair Gaylor.
18	Good afternoon, Mr. May.
19	MR. MAY: Good afternoon.
20	LEGISLATOR SOLAGES: Is there a
21	particular percentage, goal of contracts that
22	will be awarded to this new category of service-
23	disabled veterans?
24	MR. MAY: I believe the goal is six
25	percent, but of course that's just a baseline.
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 8
2	As the program goes, we will seek to expand that,
3	as appropriate.
4	LEGISLATOR SOLAGES: Six percent of
5	what?
6	MR. MAY: Excuse me. I believe it's six
7	percent of all county contracts.
8	LEGISLATOR SOLAGES: Of the value of all
9	county contracts or just a number?
10	MR. MAY: I believe it's just a number,
11	but I hear what you're saying and it's something
12	we could certainly look into.
13	LEGISLATOR SOLAGES: Yes. I just wanted
14	to be more clear.
15	MR. MAY: I understand. You're trying
16	to clarify. When we say six percent, six percent
17	of what? I understand. There could be a huge
18	difference between six percent of a number of
19	contracts and six percent of the value of
20	contracts. I hear what you're saying. This is
21	the start of the program. We can certainly
22	evaluate when we go on to see if we are reaching
23	the goals that we want to reach. Just having six
24	percent of the contracts may not be enough. We
25	may want to look at six percent of the total

1	Veterans and Senior Affairs - 4-11-16 9
2	value of contracts.
3	Again, this is the very ground floor of
4	this program. Like I tell the people who work
5	with me at my other job at the TLC, everyone is
6	in at the ground floor. We have the opportunity
7	to work through issues at the start. That's
8	where we are with this, just right at the
9	beginning.
10	LEGISLATOR SOLAGES: Understood, sir.
11	In addition, you know, this is all -
12	these are all great goals. I agree with my
13	colleague, Legislator Dunne, that we need to do
14	more for our veterans. But what's important here
15	is how we do this. And who will be responsible
16	for monitoring this?
17	MR. MAY: The Office of Minority Affairs
18	is tasked with monitoring this program and
19	implementing it.
20	LEGISLATOR SOLAGES: So they will be
21	charged with the best efforts initiative, I
22	guess.
23	MR. MAY: Correct.
24	CHAIRMAN GAYLOR: If I may.
25	LEGISLATOR SOLAGES: Of course. Yes,
	REGAL REPORTING SERVICES 516-747-7353

1	Veterans and Senior Affairs - 4-11-16 10
2	Mr. Chairman, of course.
3	CHAIRMAN GAYLOR: The Office of Minority
4	Affairs also monitors the contracts pertaining to
5	minority-based woman enterprises?
6	MR. MAY: Yes. They will be doing
7	similar work to the existing MWBE program, which
8	is why we felt it was most appropriate to task
9	that office with this Local Law.
10	CHAIRMAN GAYLOR: Okay. Good.
11	LEGISLATOR SOLAGES: Thank you.
12	LEGISLATOR BIRNBAUM: I have a question.
13	CHAIRMAN GAYLOR: Go ahead.
14	LEGISLATOR BIRNBAUM: This six percent,
15	how does it compare to the others? Is there a
16	set percentage for women and minority, in terms
17	of numbers of contracts or values of contracts?
18	MR. MAY: I don't know. Let me turn to
19	my counsel here to see if he has an answer. The
20	answer is we believe six percent as well.
21	LEGISLATOR BIRNBAUM: That number is the
22	same as the others?
23	MR. MAY: Yes.
24	LEGISLATOR BIRNBAUM: This is just to
25	possibly increase the amount? Are we saying in
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 11
2	the past that we don't know if the number has
3	even been close to six percent?
4	MR. MAY: Which number close to six
5	percent?
6	LEGISLATOR BIRNBAUM: For the veterans.
7	MR. MAY: We haven't studied it. This
8	is a new program.
9	LEGISLATOR BIRNBAUM: So we don't know
10	what the number has been all along?
11	MR. MAY: We haven't delineated it, in
12	terms of this program because this program hasn't
13	existed. So as we get information on the
14	program, we will be able to see. You have to
15	understand
16	LEGISLATOR BIRNBAUM: Statistics haven't
17	been kept. Is that what you're saying, we don't
18	know?
19	MR. MAY: Yes. But I want to be very
20	hesitant to how I say yes to that. It's not that
21	these numbers existed and we haven't tracked it.
22	This program, under state law, only recently came
23	into existence. The state law was passed in
24	2014. The state is responsible for determining
25	which business qualifies or is certified as a
	DECAL DEDODTING CEDUICES

1	Veterans and Senior Affairs - 4-11-16 12
2	service-disabled veteran business. So this is
3	all brand new. It's not like we had a number of
4	these. To put it differently, we didn't know
5	this class of business under the law because it
6	did not exist before.
7	LEGISLATOR BIRNBAUM: Got it.
8	MR. MAY: So that's why we don't have a
9	number to track. It's not that we were just
10	ignoring the issue. The designation is new.
11	LEGISLATOR BIRNBAUM: It's a similar
12	endeavor to the others.
13	MR. MAY: Correct.
14	LEGISLATOR BIRNBAUM: So this is a new
15	category that we're going -
16	MR. MAY: Correct.
17	LEGISLATOR BIRNBAUM: to be. Okay. Are
18	we hopeful that this office will be tracking it?
19	Is that the idea?
20	MR. MAY: Yes.
21	LEGISLATOR BIRNBAUM: The Office of
22	Minority Affairs will keep track.
23	MR. MAY: Yes.
24	LEGISLATOR BIRNBAUM: We'll get
25	clarification of whether it's the amount of
	REGAL REPORTING SERVICES 516-747-7353

1	Veterans and Senior Affairs - 4-11-16 13
2	contracts or the value of the contracts.
3	MR. MAY: Yes, we can certainly clarify
4	that.
5	CHAIRMAN GAYLOR: If I may, Mr. May. I
6	think the way that the local law is written is
7	that it's a percentage of the contracts, not the
8	dollar value. It's the number of contracts.
9	MR. MAY: Correct. Correct.
10	CHAIRMAN GAYLOR: Okay. And this six
11	percent is in addition to any other percentages
12	that are already applied for minority or women
13	based businesses, correct? It's not being lumped
14	in with the same six percent.
15	MR. MAY: That is correct. This will be
16	a discreet number.
17	CHAIRMAN GAYLOR: What I would like to
18	do is publicly thank the minority, and especially
19	Legislator Laura Curran who has been working with
20	me for the last three or four months to try to
21	get this before the committee. On behalf of all
22	of on this side, we thank all of you on that side
23	as well to make this happen, as well as the
24	county exec.
25	MR. MAY: Thank you. We certainly
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 14
2	appreciate it. It's very nice when everyone is
3	working cooperatively towards these same goals.
4	A lot of good things can get done.
5	CHAIRMAN GAYLOR: Legislator, a question
6	up here.
7	MR. MAY: We already said thank you to
8	everybody.
9	LEGISLATOR DERIGGI-WHITTON: It's not
10	over. I think you're happy to be back, I might
11	be wrong.
12	MR. MAY: It is a lot of fun being here.
13	I shouldn't say that on the record, they may hold
14	me to it.
15	LEGISLATOR DERIGGI-WHITTON: I know
16	we're harping on a minor detail, but we want to
17	make sure it goes smooth.
18	The six percent participation rate of
19	state certified business on county contracts is
20	what's in the backup - in the resolution, rather.
21	What is the participation rate? How would we be
22	able to clarify that?
23	MR. MAY: It would just be six percent of
24	the total amount of contracts in the county. I
25	could take a stab at it. Typically, our
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 15
2	contracts, you see the bulk of them, in terms of
3	the A, B, or E contracts. Any given year it's
4	about 500 contracts. Then there are the blanket
5	resolution contracts, which are typically social
6	services contracts. I'm going to say
7	conservatively there are probably about 700
8	contracts that the county enters into on an
9	annual basis. Whatever six percent of that is.
10	LEGISLATOR DERIGGI-WHITTON: Forty-two.
11	MR. MAY: There you go.
12	LEGISLATOR DERIGGI-WHITTON: Do we have
13	any way of an update per quarter just to make
14	sure we're kind of on goal. For instance, what
15	if we are falling short at that number? Do you
16	have any idea of what we should do?
17	MR. MAY: Again, it's the ground floor of
18	a new program and a new process. We're not going
19	to know if we've even hit those targets for
20	probably a full year after the program is in
21	place. Then once we have that in place, we can
22	start an analysis of if there was a shortfall
23	why. First thing we have to do is we have to
24	work off the state certified disabled veterans
25	business list. And then we have to see how many
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 16
2	people have received bids, how did they receive
3	the bids? Why didn't they respond to the bids?
4	There will be a whole series of questions that
5	would have to be asked, and it's really premature
6	at this point to say what happened. Why didn't
7	we meet our goals when we haven't actually had
8	the opportunity to attempt to achieve the goals?
9	I think it would be more apt for this body to ask
10	the county executive a year from now, a year and
11	a half from now, whether it's this committee or
12	this body as a whole, to say, hey, we'd like a
13	report on how you're doing.
14	Again, I think it's premature now. We
15	haven't even started.
16	LEGISLATOR DERIGGI-WHITTON: Just
17	getting back to what the chair mentioned. Is it
18	the six percent in addition to what's already the
19	baseline? We don't even know what the baseline
20	is, right, because we don't keep track of it. So
21	I don't know how we can be reassured that it's
22	above what we have now if we don't know.
23	MR. MAY: I think the chair was asking
24	is the six percent, in addition to the MWBE goal,
25	and the answer to that is yes. Again, we would

1	Veterans and Senior Affairs - 4-11-16 17
2	still have to have the program in place, operate
3	it, and then do an analysis on our first year
4	numbers. It would be like anything else. If we
5	were a private company and we were doing sales
6	and put a new product out, how do you know what
7	you're going to sell? You don't. You put it out
8	there, see what the numbers are the end of the
9	year, and then analyze why you hit your targets
10	or you didn't hit your targets.
11	LEGISLATOR DERIGGI-WHITTON: Are we
12	going to give preference to anybody that is a
13	veteran-based company when we're going out to
14	bid? Are we going to ask that question in our
15	RFP or anything?
16	MR. MAY: I don't know that we can do
17	that.
18	LEGISLATOR DERIGGI-WHITTON: I don't
19	know if we can, to be honest.
20	MR. MAY: I don't think we can add
21	points to somebody's RFP based on their status.
22	I think the idea for getting these numbers in is
23	to reach out to these businesses in the first
24	place. It may be that they are newly established
25	businesses who aren't familiar with the process.

1	Veterans and Senior Affairs - 4-11-16 18
2	I don't know that we can do that.
3	LEGISLATOR DERIGGI-WHITTON: Do you know
4	how many businesses that are state certified at
5	this point? Do you know how many there are?
6	MS. MEREDAY: There are about 35 service
7	disabled veterans businesses, and most of them
8	are not from New York State. I happen to be an
9	expert.
10	MR. MAY: I'm not going to testify on her
11	behalf. So the number that I'm hearing from the
12	audience is 35. I have no way to confirm that
13	right now. I could look at the Department of
14	State website and see what the numbers are that
15	they have certified. And as counsel is reminding
16	me and as I mentioned before, this is a new
17	program for the state as well. The law was
18	signed into effect at the end of 2014, so they
19	are just getting their ducks in a row.
20	Again, this is a brand new program for
21	everybody.
22	LEGISLATOR DERIGGI-WHITTON: I think
23	it's great and I'm hoping - I really want to
24	follow through with it. If it's true, I've also
25	heard that the number is low. To find these
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 19
2	companies, I don't think we can give them special
3	preference, as far as RFPs are involved. I'm
4	just hoping we can reach our goal because it's
5	sort of set up that if the companies are not, you
6	know, known to us and are not local and for them
7	to come as lowest bid and hit all the other
8	qualifications, it just seems like a good effort.
9	MR. MAY: Play that scenario out. Say
10	there are only 35 disabled veteran service
11	companies, and let's say all of them get
12	contracts with the county but we need to hit 46
13	in order for it to be six percent. We know the
14	answer. Why didn't you reach six percent?
15	Because there are not enough certified companies
16	to make that number. These are all
17	hypotheticals.
18	LEGISLATOR DERIGGI-WHITTON: I know.
19	MR. MAY: We would have to run the
20	program and see the result at the end of at least
21	the first year.
22	LEGISLATOR DERIGGI-WHITTON: I'm just
23	trying to analyze it going forward. It just
24	looks like our pool is very small. We legally
25	probably can't give any special preference. I
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 20
2	don't know what our number is going in. I
3	haven't heard any good feedback, as far as our
4	history with using veteran companies.
5	MR. MAY: I don't know that the
6	distinction was every made under state law. Once
7	again -
8	LEGISLATOR DERIGGI-WHITTON: We don't
9	know.
10	MR. MAY: Right.
11	LEGISLATOR DERIGGI-WHITTON: We don't
12	know where we're starting from. We know the pool
13	is going to be small, and there's really nothing
14	we can do to legally promote.
15	MR. MAY: It's a program that started
16	last year, so we can assume that the number
17	previous to this, as far as the category, legal
18	category goes, was zero. Presumably, we can only
19	go up from there. Again, at the end of a year or
20	two of operation of this program, we will have
21	better numbers and better information. Remember,
22	as this program goes on, the state is going to
23	certify more and more companies.
24	LEGISLATOR DERIGGI-WHITTON: Right.
25	MR. MAY: I understand your concern, but
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 21
2	I don't know that it's necessarily appropriate at
3	this time.
4	LEGISLATOR DERIGGI-WHITTON: I'm not
5	even really worried about this. I'm just saying
6	the six percent might be high for right now.
7	MR. MAY: It might be high. But let's
8	challenge ourselves and get it done.
9	LEGISLATOR DERIGGI-WHITTON: I hope we
10	are successful with it.
11	MR. MAY: Me too.
12	LEGISLATOR DERIGGI-WHITTON: Okay.
13	CHAIRMAN GAYLOR: And so the six percent
14	matches the state suggested goal as well,
15	correct?
16	MR. MAY: That is correct.
17	CHAIRMAN GAYLOR: Do we have any public
18	comment? Ms. Mereday, the floor is yours.
19	MS. MEREDAY: Thank you. Finally.
20	Finally. And as I said earlier, this is a start.
21	But, yes, I do happen to have extensive
22	background in business development as it pertains
23	to diverse suppliers, including minority, women,
24	veterans, disabled, local businesses, etcetera.
25	To answer some of the earlier questions

1	Veterans and Senior Affairs - 4-11-16 22
2	and concerns. The federal mandate is only three
3	percent as it pertains to service-disabled
4	business, service-disabled veteran businesses,
5	and that's not by the number of contracts.
6	Again, you can't say contracts because you don't
7	know what the contract is for, you don't know
8	what industry specific it pertains to. So that
9	random number does not suggest the inclusion
10	aspects. Then if you go by the value of the
11	contract itself, you've given authorizations to a
12	wide range of contracting opportunities, ranging
13	from the millions to a couple thousand dollars.
14	So one service disabled veteran, if you go by the
15	percentage of a contract itself, one service
16	disabled veteran could get a \$100 million
17	contract and you can say our goal was \$100
18	million for service disabled veterans and you
19	have supported one company. So you really have
20	to be specific in that arena.
21	The number I mentioned with regard to 35
22	is a figure that I received about six months ago
23	when I attended a session that was sponsored by
24	the New York State - one of the New York City
25	departments actually but also in conjunction with
	REGAL REPORTING SERVICES

1 Ve	eterans and Senior Affairs - 4-11-16	23
2 th	he MTA. Because of the lack of outreach and	
3 d e	evelopment within New York State, the majority	
4 of	f those service-disabled businesses do not	
5 re	eside or do business in New York State. So the	
6 fi	irst thing that we have to do is to generate the	е
7 bi	usiness pool within our community.	
8	Again, and I'm sure it's on the record,	
9 I	'm tired of saying it but sometimes it bears	
10 re	epeating. Long Island has the largest veteran	
11 pc	opulation in New York State and the northeast	
12 cc	orridor. All of the veterans that live on Long	
13 Is	sland, a majority of them are what we would	
14 cc	onsidered service-disabled veterans. Some of	
15 tł	hem have service-disabled veteran businesses.	
16 St	tatistically, less than ten percent of veteran	
17 bi	usinesses, including service disabled and	
18 ve	eteran-owned business, less than ten percent	
19 ha	ave the capacity to hire anybody, along with	
20 ar	nother veteran. So you've got 90 percent, an	
21 ar	pproximate number, 90 percent of veteran-owned	
22 bi	usinesses, including both categories, who don't	
23 ha	ave the capacity to hire somebody else. What	
24 d.	oes that say? That says that the majority of	
25 tł	he nation's veteran-owned businesses, even those	е

1	Veterans and Senior Affairs - 4-11-16 24
2	that qualify under the federal mandated three
3	percent, could not even conduct any outreach of
4	the contracts that take place. So it really is a
5	building from the bottom, so to speak. That's
6	not to say that we cannot bring in service-
7	disabled veteran business that are qualified,
8	which I have been trying to I have been
9	proposing to do. A lot of the teeth and the
10	background information for this particular law
11	was presented to this body, via Legislator Laura
12	Curran, by me.
13	So, that is where we are in terms of what
14	we need to do. We need to start the development.
15	We need to do the outreach. We need to build the
16	model. Now, Nassau County can be an example of
17	that, in terms of all of the contracting
18	opportunities that we have bringing in qualified
19	and established service-disabled veterans who can
20	hire our student veterans who cannot afford to
21	stay here. They can co-partner with the smaller
22	veteran businesses and service-disabled veteran
23	businesses that are here so that that business
24	can grow and hire someone else, so that the
25	veterans that are about to lose their home can

1	Veterans and Senior Affairs - 4-11-16 25
2	keep a job and stay here and contribute to the
3	taxes. So it's not just a cookie cutter model.
4	I agree that this is a start. It is
5	appreciated. But there is still a great deal of
6	work to do as opposed to just, again, putting out
7	a press release, patting ourselves on the back.
8	And I have to once again address veterans that
9	are homeless or about to be evicted, student
10	veterans that have graduated leave here and
11	trying to keep somebody from staying here.
12	CHAIRMAN GAYLOR: Absolutely. And I
13	think all the legislators on the committee here
14	will agree with you.
15	On behalf of all of your efforts and your
16	advocating, thank you. And keep up the good work
17	for our veterans, please.
18	LEGISLATOR DERIGGI-WHITTON: Can I just
19	ask one other quick question?
20	CHAIRMAN GAYLOR: Absolutely.
21	LEGISLATOR DERIGGI-WHITTON: This is
22	under the Office of Minority Affairs. But who
23	specifically is going to be overseeing it? Do we
24	have any type of outreach program?
25	CHAIRMAN GAYLOR: Mr. May, are you going
	REGAL REPORTING SERVICES

1	Veterans and Senior Affairs - 4-11-16 26
2	to take that one on?
3	MR. MAY: Sure. The question was who
4	is going to be responsible for
5	CHAIRMAN GAYLOR: Getting the word out.
6	LEGISLATOR DERIGGI-WHITTON: Right.
7	Maybe even being proactive maybe, since we are
8	all behind this. Is it the compliance office?
9	MR. MAY: Again, new program, we have to
10	work out the kinks here. It's going to be based
11	out of the Office of Minority Affairs. We're
12	also going to have the Office of Purchasing
13	handle making sure that the registered businesses
14	all get the bids that go out to all the other
15	businesses. So there will be some initial
16	outreach, as far as bidding on contracts goes as
17	well.
18	LEGISLATOR DERIGGI-WHITTON: What are
19	the outreach efforts? Are you going to reach out
20	to veteran halls?
21	MR. MAY: Reaching out to veteran halls
22	wouldn't necessarily help because they have to be
23	a state registered, state certified service-
24	disabled veteran owned business.
25	LEGISLATOR DERIGGI-WHITTON: I think it
	DECAL DEDODTING CEDUICEC

_	
1	Veterans and Senior Affairs - 4-11-16 27
2	would be worthwhile to meet with the veterans
3	personally, just to put the idea in their head.
4	There might even be people that aren't certified
5	that might want to get certified. Not everyone
6	watches us on live stream.
7	MR. MAY: My colleague, Deputy County
8	Executive Eric Naughton, has asked that he be
9	tagged in.
10	DEPUTY COUNTY EXECUTIVE NAUGHTON: One
11	method that we've decided we're going to use is
12	we have the list from the state of the certified
13	disabled veterans. So working with Constituent
14	Affairs, Minority Affairs will send out a letter
15	to them to let them know about our new law and
16	suggest to them that they meet with our
17	Purchasing Department, let them know of all of
18	the opportunities that the county does have so we
19	can make this very effective.
20	LEGISLATOR DERIGGI-WHITTON: Is that
21	number approximately what we were mentioning
22	before, the number of companies in the state that
23	are certified?
24	DEPUTY COUNTY EXECUTIVE NAUGHTON: No.
25	The list that we've seen from the state, it's
	REGAL REPORTING SERVICES 516-747-7353

1	Veterans and Senior Affairs - 4-11-16 28
2	roughly about 34 pages, we think it's probably
3	closer to about 200 vendors in the state.
4	LEGISLATOR DERIGGI-WHITTON: Okay.
5	Maybe we can just get a copy of it. Would you
6	mind sending me a copy of that list? Would you
7	mind just forwarding a copy of the list of
8	vendors?
9	DEPUTY COUNTY EXECUTIVE NAUGHTON: Sure.
10	LEGISLATOR DERIGGI-WHITTON: I would
11	appreciate just taking a look at it.
12	DEPUTY COUNTY EXECUTIVE NAUGHTON: Not a
13	problem.
14	LEGISLATOR DeRIGGI-WHITTON: Thank you.
15	CHAIRMAN GAYLOR: If you would, just
16	send it to the chair and then I'll distribute it
17	to all of the legislators.
18	DEPUTY COUNTY EXECUTIVE NAUGHTON: Will
19	do that.
20	CHAIRMAN GAYLOR: Thank you much.
21	Do we have any other public comment?
22	(No verbal response.)
23	At this time we'll take a vote.
24	All those in favor of passing this item
25	please signify by saying aye.

2	(Aye.)
3	Any opposed?
4	(No verbal response.)
5	The item passes unanimously.
6	There being no other business in front of
7	this committee, may I have a motion to adjourn?
8	LEGISLATOR WALKER: So moved.
9	LEGISLATOR DUNNE: Second.
10	CHAIRMAN GAYLOR: Walker and Dunne.
11	All those in favor?
12	(Aye.)
13	The committee is now adjourned. We will
14	be followed by Finance.
