Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

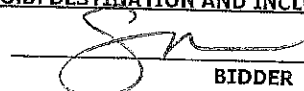

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

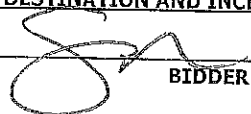

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

The Director of the Office of Purchasing (hereinafter known as the Director) reserves the right before making award to make investigations as to whether or not the items, qualifications, services or facilities offered by the Bidder meet the requirements set forth herein and are ample and sufficient to insure the proper performance in the event of an award. The Bidder must be prepared, if requested by the Director, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery, trained personnel and capacity for the rendition of the service on which he is bidding. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before award; and it is further understood that, if such examination is made, it in no way relieves the Bidder from fulfilling all requirements and conditions of the bid.

ACCESS CLAUSE: Contractor, including its satellites, offices and/or subcontractors, if any, shall maintain full and complete books and records of accounts pertaining to this agreement, in accordance with accepted accounting practices and such other records as may be reasonably prescribed by the County of Nassau. Such books and records shall at all times be available for audit and inspection by the completion of all the services described in this agreement. Such records will be available in accordance with the above for the period of six (6) years after the furnishing of any of the services described in this contract.

If it is found that the conditions of the bid are not complied with or that the services or equipment proposed to be furnished do not meet the requirements called for, or that the qualifications, financial standing, or facilities are not satisfactory, the Director may reject such bids. It is distinctly understood, however, that nothing in the foregoing shall mean or imply that it is obligatory upon the Director to make any examinations before an award; and it is further understood that, if such examination is made, it in no way relieves the bidder from fulfilling all requirements and conditions of the bid.

IMPORTANT NOTE: The Director reserves the right to accept or reject any and all bids, or separable portions of offers, and waive technicalities, irregularities, and omissions if the Director determines the best interests of the County of Nassau will be served. Appendix EE

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

vi) Annual revenue of the firm;

Our firm has long recognized that our financial health matters to our clients and impacts our ability to deliver client service and invest for the future, and we are committed to maintaining one of the strongest balance sheets in the legal industry. We are recognized by three of the leading industry watchers – Citigroup Law Firm Banking Group, Wells Fargo's Law Firm Banking Group and PricewaterhouseCoopers – to be among the healthiest U.S.-origin law firms.

We consistently look for opportunities to conserve financial resources and limit borrowing, including cost-savings initiatives, judicious use of bank lines of credit, renegotiations of long-term leases, and negotiating favorable office renovation and build-out terms. For example, most of the firm's support functions are located at our Global Operations Center in Wheeling, West Virginia, which has a substantially lower cost structure than the major metropolitan areas.

Our \$913 million in 2015 revenue was derived from a diverse group of more than 20 practice groups, almost evenly split between transactional and litigation practices and with approximately 25% of revenue generated outside of the United States. No individual office

represents more than 25% of revenue, no individual practice group represents more than 16% of revenue, and no single client represents more than 4 % percent of our revenue.

PricewaterhouseCoopers LLP, our auditors, issued a clean financial opinion for the firm for its 2015 fiscal year.

(c) Timing of Payment Claims. Counsel shall submit its claim no later than three (3) months following the County's receipt of the services that are the subject of the claim, and no more frequently than once a month.

(d) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between Counsel and any funding source including the County.

5. No Arrears or Default. Counsel is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. Counsel shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, disclosure of information and vendor registration in connection with its performance under this Agreement. In furtherance of the foregoing, Counsel is bound by and shall comply with the terms of Appendix EE attached hereto and with the County's registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules,

regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, Counsel agrees as follows:

- (i) Counsel shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Counsel has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) It shall be a continuing obligation of Counsel to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. Counsel acknowledges that Counsel Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify Counsel of such request prior to disclosure of the Information so that the Counsel may take such action as it deems appropriate.

7. Ownership of Records. All County Information provided to Counsel by the County shall remain the property of the County. All reports, documents or information created by Counsel on behalf of the County shall be deemed the property of the County. Upon the County's request, completion of Services, or termination of this Agreement, all such County Information, reports, documents or information shall be returned to the County.

8. Service Standards. Regardless of whether required by Law: (a) Counsel shall, and shall cause Counsel Agents to, conduct his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) Counsel shall deliver Services under this Agreement in a professional manner consistent with the best practices of the legal profession. Counsel shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Counsel Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. No Conflict Representation. During the term of this Agreement, Counsel shall not represent any party whose interest is or may be adverse to or in conflict with, or whose interest may appear to be adverse to or in conflict with the County, nor shall it commence any action or proceeding, or act as Counsel in any action or proceeding that is adverse to the County or any County officer or

employee, without the County's prior written consent.

10. Indemnification; Defense; Cooperation. (a) Counsel shall indemnify, defend and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities arising out of or in connection with performance under this Agreement by Counsel or a Counsel Agent, provided, however, that the Counsel shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) Counsel shall, upon the County's demand and at the County's direction, promptly and diligently defend, at Counsel's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which Counsel is responsible under this Section, and, further to Counsel's indemnification obligations, Counsel shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) Counsel shall, and shall cause Counsel Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of Counsel and/or a Counsel Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

11. Insurance. (a) Types and Amounts. Counsel shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000.00) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000.00) per claim (iii) compensation insurance for the benefit of the Counsel's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by Counsel pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. Counsel shall be solely responsible for the payment of all deductibles to which such policies are subject. Counsel shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by Counsel under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, Counsel shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. Counsel shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of Counsel to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of Counsel to maintain the other required

coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to Counsel, (ii) for "Cause" by the County immediately upon the receipt by Counsel of written notice of termination, (iii) upon mutual written Agreement of the County and the Counsel, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By Counsel. This Agreement may be terminated by Counsel if performance becomes impracticable through no fault of the Counsel, where the impracticability relates to Counsel's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by Counsel delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that Counsel is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Counsel's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Counsel Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Counsel shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning Counsel's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Accounting Procedures; Records. Counsel shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles or such other standard accounting principles that are acceptable within the industry and, if Counsel is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this

Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief, Counsel shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. Counsel shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of Counsel shall allege that the above-described actions and inactions preceded Counsel's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Counsel is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Counsel is using a Counsel Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Counsel Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

18. Notices. Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed

Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
 - b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of

the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or

purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. ☒ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☒ a review of the criteria set forth by the Internal Revenue Service, Revenue Ruling No. 87-41, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

APPENDIX C

- A. Brian Rosenberg is the founder and president of BRNY founded in New York, February 2009. Brian Rosenberg holds the sole officer in the company with two full time employees. BRNY located at 320 Endo Blvd, 2nd Floor, Garden City, NY 11758 is an all-in-one hospitality brand impact and marketing company, currently the leading firm of its kind on Long Island. Although Mr. Rosenberg began this venture as Brian Rosenberg Productions back in 1984 as a part-time venture, he is now devoting all of his time and effort into BRNY totaling 32 years of experience.
- B. Over the course of 32 years, Mr. Rosenberg achieved a reputation in New York's hospitality industry as one of its foremost experts. He was employed by the prominent Garden City Hotel - Long Island's leading luxury hotel - from 1990-2007, during which time Mr. Rosenberg's titles included Managing Director of Food & Beverage, Vice President of Special Projects, Vice President of Operations, and finally, Vice President of Sales & Marketing. In each of these capacities, Rosenberg was called upon by ownership to bring to life their evolving vision of the property's entertainment assets, fine dining establishments, and catering and sales departments, respectively; each of which he successfully achieved with historically unmatched results. Mr. Rosenberg was credited with being at the core of achieving an unsurpassed \$32 million in annual revenue for the property. His accomplishments at the hotel also included supervision of a multi-million-dollar renovation of the property's grand lobby and two upscale restaurants. Subsequently, the new restaurants were then marketed and rebranded by Rosenberg, both of which were enormously successful and met with previously unparalleled critical acclaim from both Zagat and the New York Times, among many others.
- C. Additionally, Mr. Rosenberg served as general manager and promoter of the hotel's former nightclub for over 16 years. Most notably, he was responsible for the progressive rebranding and marketing of the venue, which he continued to revitalize over the years keeping in line with modern nightlife trends. From its inception as Club G in 1990, to its final incarnation, Posh Ultra lounge, which closed in 2007, the nightclub was regarded as the most popular nightlife experience on Long Island. Rosenberg's high-profile A-list parties, such as those featuring the casts of The Sopranos and Sex and the City, helped to keep the venue competing with the top nightclubs in the New York Metropolitan area.

Prior to 1990, Rosenberg promoted nightclubs and concerts in every genre of music - from rock to hip-hop and dance music - in and around the New York City nightlife scene, building himself a solid resume of success with many iconic nightclubs, such as the famed Studio 54. Some of his most notable concert events included the talent of such industry legends as Bon Jovi, Madonna and LL Cool J.

As of 2013 BRNY partnered with Live Nation, the country's biggest concert event company and exclusive independent promoter on Long Island as he is the only independent promoter at the Theater at Westbury. BRNY began producing around 20 concerts a year all over the Northeast including venues such as Westbury Music Fair on Long Island, Wellmont Theater in New Jersey, Emporium Theater in Patchogue, Hudson Civic Center, Poughkeepsie NY Tower Theaters in Philadelphia, The Pennysaver Ampitheater, Brookhaven, Paramount in Huntington, Long Island and Kings Ampitheater at Coney Island. The future includes Jones Beach Theater and Radio City Music Hall.

Brian Rosenberg New York is currently Managing, Tommy Boy recording artist T.K.A, Long Islands Most famous cover band, The Mystic and house music phenon Kim Sozzi. Brian Rosenberg NY has also been one of the chosen promoters at the Lakeside Theater in Garden City NY featuring such shows as Taylor Dayne, Grand Funk Railroad, The Billy Joel Tribute Band and Movin Out. Brian Rosenbergs Lakeside free concerts have ranged from 8,000-10,000 attendees the past years.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

A. Brian Rosenberg is the founder and president of BRNY founded in New York, February 2009. Brian Rosenberg holds the sole officer in the company with two full time employees. BRNY located at 320 Endo Blvd, 2nd Floor, Garden City, NY 11758 is an all-in-one hospitality brand impact and marketing company, currently the leading firm of its kind on Long Island. Although Mr. Rosenberg began this venture as Brian Rosenberg Productions back in 1984 as a part-time venture, he is now devoting all of his time and effort into BRNY totaling 32 years of experience.

B. Over the course of 32 years, Mr. Rosenberg achieved a reputation in New York's hospitality industry as one of its foremost experts. He was employed by the prominent Garden City Hotel - Long Island's leading luxury hotel - from 1990-2007, during which time Mr. Rosenberg's titles included Managing Director of Food & Beverage, Vice President of Special Projects, Vice President of Operations, and finally, Vice President of Sales & Marketing. In each of these capacities, Rosenberg was called upon by ownership to bring to life their evolving vision of the property's entertainment assets, fine dining establishments, and catering and sales departments, respectively; each of which he successfully achieved with historically unmatched results. Mr. Rosenberg was credited with being at the core of achieving an unsurpassed \$32 million in annual revenue for the property. His accomplishments at the hotel also included supervision of a multi-million-dollar renovation of the property's grand lobby and two upscale restaurants. Subsequently, the new restaurants were then marketed and rebranded by Rosenberg, both of which were enormously successful and met with previously unparalleled critical acclaim from both Zagat and the New York Times, among many others.

C. Additionally, Mr. Rosenberg served as general manager and promoter of the hotel's former nightclub for over 16 years. Most notably, he was responsible for the progressive rebranding and marketing of the venue, which he continued to revitalize over the years keeping in line with modern nightlife trends. From its inception as Club G in 1990, to its final incarnation, Posh Ultra lounge, which closed in 2007, the nightclub was regarded as the most popular nightlife experience on Long Island. Rosenberg's high-profile A-list parties, such as those featuring the casts of The Sopranos and Sex and the City, helped to keep the venue competing with the top nightclubs in the New York Metropolitan area.

Prior to 1990, Rosenberg promoted nightclubs and concerts in every genre of music - from rock to hip-hop and dance music - in and around the New York City nightlife scene, building himself a solid resume of success with many iconic nightclubs, such as the famed Studio 54. Some of his most notable concert events included the talent of such industry legends as Bon Jovi, Madonna and LL Cool J.

As of 2013 BRNY partnered with Live Nation, the country's biggest concert event company and exclusive independent promoter on Long Island as he is the only independent promoter at the Theater at Westbury. BRNY began producing around 20 concerts a year all over the Northeast including venues such as

Westbury Music Fair on Long Island, Wellmont Theater in New Jersey, Emporium Theater in Patchogue, Hudson Civic Center, Poughkeepsie NY Tower Theaters in Philadelphia, The Pennysaver Ampitheater, Brookhaven, Paramount in Huntington, Long Island and Kings Ampitheater at Coney Island. The future includes Jones Beach Theater and Radio City Music Hall.

Brian Rosenberg New York is currently Managing, Tommy Boy recording artist T.K.A, Long Islands Most famous cover band, The Mystic and house music phenon Kim Sozzi. Brian Rosenberg NY has also been one of the chosen promoters at the Lakeside Theater in Garden City NY featuring such shows as Taylor Dayne, Grand Funk Railroad, The Billy Joel Tribute Band and Movin Out. Brian Rosenbergs Lakeside free concerts have ranged from 8,000-10,000 attendees the past years.

Contract Summary Amendment 1

CFPW 13000019

Description: Additional Funds for Construction Management Services and Time Extension for the Bay Park Sewage Treatment Plant Influent Screening Facility Improvements.

Purpose: Amendment to continue construction management services required to complete work on construction of the Bay Park Influent Screening Facility Improvements. The amendment is necessary to continue construction management on the project.

Method of Procurement: Qualification Based Selection (QBS) procedure for the procurement of professional services, developed in accordance with procedures stipulated in the Board of Supervisor's Resolution 928-1993 and the County Executive's Order No. 1-1993.

Procurement History: A Request for Proposal (RFP) was advertised in Newsday and the County website in April, 2013, with technical proposals received on May 24, 2013. Eight (8) firms responded to this RFP and their proposals were evaluated. The Firm of Gannett Fleming received the highest technical rating & proposed the lowest cost. The Department recommended that we retain the services of Gannett Fleming. The justification for selecting the Firm of Gannett Fleming was approved by the office of the County Executive on August 8, 2013 (Memo dated July 29, 2013).

Description of General Provisions: This Amendment No. 1 requests continued construction management services during construction to this ongoing project, as well as a one (1) year time extension.

Impact on Funding / Price Analysis: Notice to proceed with construction occurred on May 27, 2014 with substantial completion scheduled for November 24, 2016. The contract has experienced delays and completion is forecast for May 19, 2017. GF was issued authorization to proceed on January 6, 2014, however, did not start services until March 22, 2014 approximately one month prior to construction per the agreement. We are requesting funds to continue CM services to the end of July 2017 which allows two (2) months for project closeout. At the end of the project, the Department will perform a delay analysis on the construction contract to determine if any penalties are due the County.

Change in Contract from Prior Procurement: Request to Increase the Maximum Amount of the Agreement to \$1,450,887 from \$1,351,764 and one (1) year Time Extension.

Recommendation: Approve as submitted

3.1. Gannett Fleming

Gannett Fleming has continuously demonstrated a sensitivity and commitment to the needs and expectations of our clients. We have five (5) offices located across the New York metropolitan area.

Construction Management makes up one of the largest Divisions of our company. With more than 200 engineering, construction, and other professionals to draw from, our firm has the available resources to successfully meet the needs of this project.

The Construction Management Division of Gannett Fleming routinely manages and inspects more than \$500 million in construction values each year. As such, we have the necessary procedures in place to control costs, monitor schedules, and confirm that the Owner's project requirements are consistently met. Our program and construction management approach will be integrated with the County's goals for this project.

Our construction management, resident engineering, and inspection personnel work as an extension of our client's staff to represent their interests throughout the phases of the project. We identify the preconstruction requirements, including project risks, programming, design, jurisdictional requirements, and approvals needed. We develop a design and construction schedule for staying on track. We prepare progress estimates during the various design phases to confirm that the project is staying on budget and make recommendations for modifications where appropriate. We also perform constructability reviews and identify value engineering ideas, phasing opportunities, and procurement strategies and consider operation and maintenance costs for the life of the facilities. We work with the design professionals to prepare bid documents and oversee the bidding and award process. During the construction phase, we manage and administer all aspects of the project to adhere to the project contract documents. Our Team can hold and/or manage for the Owner key independent consultant contracts. At substantial completion and prior to occupancy, our comprehensive closeout procedures confirm that the facilities are ready for use and meet the basis of design and all project requirements.

As construction managers, we have integrated our engineering expertise with the construction management process, symbiotically combining the managerial and technical expertise required to deliver successful projects. Our construction management objective is to assist our clients, in whatever way necessary, to achieve their project goals. Ultimate success requires a wide range of construction management, engineering, and support services; it is our broad scope of abilities that has led to our continued success as construction managers.

As demonstrated in Section 4, Key Personnel and Staffing, our Construction Management Team is comprised of personnel with the capabilities and experience commensurate with the requirements of this assignment.

DEPARTMENT OF PUBLIC WORKS
Inter-Departmental Memo

TO: Office of the County Executive
Att: Richard R. Walker, Chief Deputy County Executive

FROM: Department of Public Works

DATE: March 3, 2017

SUBJECT: Construction Management Services for Bay Park Sewage Treatment Plant
Influent Screening Facility Improvements
Proposed Amendment No. 1 for Additional Services
Gannett Fleming Engineers, P.C.
Agreement No. S3B120-01M

This Department is requesting approval of an amendment to the above subject agreement to adjust the exiting cost ceiling for Construction Management Services for Gannett Fleming Engineers, P.C. (GF) as outlined in the attached February 10, 2017, proposal. The firm of GF was retained for construction management for the Influent Screening Facility Improvements project at the Bay Park Sewage Treatment Plant.

The costs ceiling increase is based upon projected level of effort (man-hours) for actual staff to be utilized through the period May 1, 2017 to July 31, 2017, in the amount of \$76,248.00. The original construction completion date was November 24, 2016, and the most recent CPM schedule is now projecting completion by May 19, 2017. Accordingly, GF is projecting additional CM services to the end of July 2017 which allows two (2) months for project closeout.

The new costs ceiling is being determined based upon the following:

Existing Cost Ceiling	\$1,351,764
Extra Services	\$ 76,248
New 30% Contingency	\$ 22,875
New Total Cost Ceiling	\$1,450,887

Accordingly, we propose to increase the cost ceiling of existing Agreement No. S3B120-01M by \$99,123.00 to \$1,450,887.00. In addition to the above, the current contract Term, which was extended by letter dated September 26, 2016, expires on August 13, 2017. By this Amendment, we are requesting that the contract term be extended one (1) year to August 13, 2018. Funding for these services is available from Capital Project No. 3B120.

If you approve or disapprove of the above request, please signify below and return the memo to this office for appropriate action.

Instructions: Please check the appropriate box ("☑") after one of the following
roman numerals, and provide all the requested information.

**I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement
for sealed bids.** The contract was awarded after a request for sealed bids was published
in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of
sealed bids were received and opened.

II. The contractor was selected pursuant to a Request for Proposals.

III. This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on October 2, 2009. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after evaluation of proposals. Please see the attached Staff Summary and attachments for further details.

IV. (X) Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

(X) A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**

☐ **B.** The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ **A.** There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.

☐ **B.** The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).

☐ **C.** Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

☐ **D.** Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains

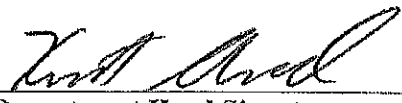

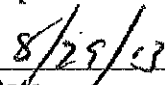

the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. [X] This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

FROM: Department of Public Works

DATE: July 29, 2013

SUBJECT: Bay Park Influent Screening Facilities Improvements
Selection of Firm for Construction Management Services
Project Number: 3B120-01

This Department intends to procure construction management services, through a personal service agreement, for construction management (CM) services for the Bay Park Influent Screening Facilities Improvement project. Services shall include a full-time resident engineer, inspection, office engineer, critical path method (CPM) scheduling, PLA administration, cost estimating and constructability review.

Requests for Proposals (RFPs) were advertised to provide construction management services for the subject. Proposals from eight (8) firms were received on May 24, 2013. The technical proposals were evaluated by Rakhal Maitra, P.E., Richard P. Millet, Kenneth G. Arnold, P.E., Richard A. Webber, P.E., and James Gallagher, with the results of the technical ratings, as well as the proposed costs, as follows:

Gannett Fleming	1	93.2	\$1,126,470	\$1,351,764

The costs above, with contingencies added, represent the final cost to perform the work associated with our RFP. As Gannett Fleming was the highest rank firm but not the lowest cost, we negotiated and asked them for their best possible cost.

Re: Bay Park Influent Screening Facilities Improvements
Selection of Firm for Construction Management Services
Project Number: 3B120-01

The firm lowered their cost from \$1,491,421.00 to \$1,351,764.00 resulting in the lowest cost overall. Gannett Fleming submitted an outstanding RFP which indicated a firm knowledge of the intricacies of a project of this size at a sewage treatment plant.

In our professional judgment, we contend that Gannett Fleming's proposal is the best value to Nassau County being the highest ranked technically and second lowest cost. Therefore, we recommend proceeding with a Personal Service Agreement with Gannett Fleming for \$1,351,764.00 to provide Construction Management Services for the Bay Park Influent Screening Facility Improvements project.

The funding for these professional services is available under Capital Project 3B120.

In accordance with the procedural guidelines, CSEA has been notified of this proposed agreement.

If you approve or disapprove of the foregoing, please signify by signing below and returning a copy of this memo.

1. Term.

The term of this Agreement shall commence on the date on which this Agreement is executed by the County (the "Commencement Date") and terminate on the thirty third (33rd) month anniversary of the Commencement Date (the "Expiration Date") unless sooner terminated or extended in accordance with its terms. Notwithstanding the foregoing, the Department, in its sole discretion, shall have the right to extend this Agreement one year by delivering a notice of extension to the Firm at least thirty (30) days prior to the Expiration Date. (1) The direct cost of expenses for travel to locations other than the County and/or the project site, including transportation (coach unless otherwise authorized by the County), reasonable meal and lodging expenses, at rates established by the County for its own employees, and as have been approved in advance by the County.

(2) Testing Laboratory Services.

(d) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Firm and any funding source including the County.

(e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Firm following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Firm received notice that the County did not desire to receive such services.

(b) Patents and Inventions. Any discovery or invention arising out of or developed in the course of performance of this Agreement shall be promptly and fully reported to the Department, and if this work is supported by a federal grant of funds, shall be promptly and fully reported to the Federal Government for determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

(c) Pre-existing Rights. In no case shall 4(a) or 4(b) above apply to, or prevent the Firm from asserting or protecting its rights in any report, document or other data, or any invention which existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

(d) Infringements of Patents, Trademarks, and Copyrights. The Firm shall indemnify and hold the County harmless against any claim for any infringement by the Firm of any copyright, trade secrets, trademark or patent rights of design, systems, drawings, graphs, charts, specifications or printed matter furnished or used by the Firm in the performance of this Agreement. The Firm shall indemnify and hold the County harmless regardless of whether or not the infringement arises out of compliance with the scope of services/scope of work.

(e) Antitrust. The Firm hereby assigns, sells, and transfers to the County all right, title and interest in and to any claims and causes of action arising under the antitrust laws of the State of New York or of the United States relating to the particular goods or services procured by the County under this Agreement.

5. Independent Contractor. The Firm is an independent contractor of the County. The Firm shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Firm (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

6. No Arrears or Default. The Firm is not in arrears to the County upon any debt or contract and it is not in default as surety, Firm, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

7. Compliance with Law.

(a) Generally. The Firm shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, and disclosure of information, in connection with its performance under this Agreement. In furtherance of the foregoing, the Firm is bound by and shall comply with the terms of Appendix "EE" attached hereto and hereby made a part hereof. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Firm agrees as follows:

- (i) Firm shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Firm has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached to this Agreement as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Firm acknowledges that Firm Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Firm of such request prior to disclosure of the Information so that the Firm may take such action as it deems appropriate.

(d) Protection of Client Information. The firm acknowledges and agrees that all information that the Firm acquires in connection with the performance under this Agreement

shall be strictly confidential, used solely for the purpose of performing services to or on behalf of the County, and shall not be disclosed to third parties except (i) as permitted under this Agreement, (ii) with the written consent of the County (and then only to the extent of the consent), or (iii) upon legal compulsion.

8. Minimum Service Standards. Regardless of whether required by Law:

(a) The Firm shall, and shall cause Firm Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Firm shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the Firm operates. The Firm shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Firm Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

9. Indemnification; Defense; Cooperation.

(a) The Firm shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Firm or a Firm Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Firm shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Firm shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Firm's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Firm is responsible under this Section, and, further to the Firm's indemnification obligations, the Firm shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Firm shall, and shall cause Firm Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Firm and/or a Firm Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

10. Insurance.

(a) Types and Amounts. The Firm shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability

insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than two million dollars (\$2,000,000) per occurrence and four million dollars (\$4,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Firm's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Firm pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Firm shall be solely responsible for the payment of all deductibles to which such policies are subject. The Firm shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Firm under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Firm shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Firm shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Firm to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Firm to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

11. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

12. Termination.

(a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Firm, (ii) for "Cause" by the County immediately upon the receipt by the Firm of written notice of termination, (iii) upon mutual written

Agreement of the County and the Firm, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Firm. This Agreement may be terminated by the Firm if performance becomes impracticable through no fault of the Firm, where the impracticability relates to the Firm's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Firm delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Firm is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Firm's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Firm Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Firm shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Firm's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

13. Accounting Procedures; Records. The Firm shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Firm is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Firm shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing

to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Firm shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Firm shall allege that the above-described actions and inactions preceded the Firm's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Firm is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Firm is using a Firm Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Firm Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Firm shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Firm, to the attention of the person who executed this Agreement on behalf of the Firm at the address specified above for the Firm, or in each case to such other persons or addresses as shall be designated by written notice.

18. All Legal Provisions Deemed Included; Severability; Supremacy and Construction.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed

inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

19. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

21. Administrative Service Charge. The Firm agrees to pay the County an administrative service charge of Five Hundred Thirty Three Dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by the Firm upon signing this Agreement.

22. Joint Venture.

(a) If the Firm is comprised of more than one legal entity or any group of partners or joint venturers associated for the purpose of undertaking this Agreement, each such entity acknowledges and hereby affirmatively represents and agrees that each has the power to bind the Firm and each of the others hereunder; and as such, each acts both as principal and agent of the Firm and of each of the others hereunder. Each further acknowledges and agrees that all such entities, partners or joint ventures associated for the purposes of undertaking this Agreement shall be jointly and severally liable to third parties, including but not limited to the County, for the acts or omissions of the Firm or any other entity, partner or joint venturer hereunder.

DETAILED SCOPE OF SERVICES

The FIRM shall provide comprehensive construction and post-construction phase services. The scope of services to be performed in the respective phases (which may overlap) is summarized below.

Construction Phase Services

Commencement and Duration - The Construction Phase will commence with the award of a construction contract for the project and will terminate upon final acceptance of the Project in its entirety by the County. The construction phase is scheduled for 30 months. The Construction Manager ("CM") should include one (1) month of pre-construction duties and two (2) months of post-construction duties in their proposal.

General Construction Administration - The CM shall provide administration of the Project and shall administer all construction contracts on the County's behalf. This project is being built under a Project Labor Agreement (PLA) using a single prime Construction Contractor ("CC"). Therefore, the CM is required to perform as the PLA administrator of Nassau County's Master Project Labor Agreement as amended for this project. The CM will be provided a copy of "the Procedure Manual for Project Management" prepared by the Nassau County Department of Public Works, as a guide to the County's standard administrative procedures. Administer the construction of the Project, including scheduling of the Work and coordination of the Construction Contractor (CC). The CM shall maintain competent full-time staff at the project site to administer the project, at all times Work is being performed by CC. The FIRM shall furnish his staff with personal equipment required for project administration, including, but not limited to personal protective equipment, digital cameras, cellular telephones, etc.

Site Conditions - As portions of the Work become accessible, CM shall promptly and diligently investigate existing conditions and report to the County and the Design Engineer, those conditions which differ substantially from the information contained in the Construction Documents. Collaborate with the County and the Design Engineer to devise appropriate modifications to the Contract Documents.

Quality Assurance - The FIRM shall create and implement a Quality Assurance Program consisting, at the minimum, of testing, controlled inspection, and the CM's routine observation of the Work of the CC with respect to conformance to the Construction Documents. The CM shall endeavor to guard the Owner against defects and deficiencies in the Work, and shall coordinate testing and controlled inspection by third parties with the Work of the CC. The CM shall promptly notify the County, Design Engineer, and CC, as applicable, of defective, deficient, and/or non-conforming Work, and shall make recommendations for correction/resolution. Track all defective and non-conforming Work through correction until final acceptance by the County.

Scheduling - The CC shall prepare the Master Construction Schedule (baseline) and monthly updates. This Schedule shall be prepared using the critical path method (CPM) and Primavera P3 (or later version) software as approved, and shall be broken down in sufficient detail to be useful for monitoring progress, delay analysis, and administering the CC's contract provisions. The schedule shall be cost and resource loaded by the CC. The CM is responsible for monitoring accuracy and completeness of the CPM Schedule, to review Baseline and updates, analysis of delay, preparation of reports as required by the County, negotiation of delay claims and recommendation for recovery or necessary changes to complete the project within budget and schedule. The CM is responsible for detailed review of all logic, logic changes, durations, Work Breakdown Structure (WBS), resource and cost loading and acceptance. The CM shall evaluate CC's requests for extension of the Contract time, and advise the County confidentially on the quantum and merits of such requests. The CC shall update the Master Schedule monthly to show progress, compile 2-week look-ahead schedules from the Master Schedule and augment same. The CM shall follow up with the CC who will prepare Schedule updates as necessary to reflect changes and show the impact of changes to the critical path and completion milestones. The CM shall review, in a timely manner as per contract specifications. Subsequent to each monthly update, the CM shall prepare/distribute the schedule report consisting of project status, current critical issues, upcoming concerns, analysis of attribution of delays and suggested recovery by CC.

Cash Flow Forecast - With the cooperation of the CC, CM shall prepare a cash flow forecast for the entire project, based on the project schedule, and shall revise same, whenever there is a significant change in the schedule that would warrant a revision to the cash flow forecast.

Monitor Progress - Monitor the progress of the CC's work and prepare written daily reports documenting the type and location of work performed, the CC's trade labor and equipment, and all pertinent details relative to the progress of the Work. Augment the written reports with photographic documentation of the work in progress. Photographs are required when unforeseen conditions, disputed work, or deficiencies in the Work are encountered. Pro-actively monitor the progress of the Work, taking such steps (on behalf of the County) as are authorized under the CC's contract, to ensure that the CC's workforce is sufficient and the work is being diligently prosecuted. Where progress is impeded by actions/inactions of the Design Engineer, or others, bring such matters promptly to the attention of the County for resolution. The CM shall monitor the progress in such a manner as to complete the project within the schedule and budget, on behalf of Nassau County.

Information Management System - Implement an information management system to track and update the status of all pertinent project information, including CM's daily reports. Develop and maintain paper and electronic project files, including, but not limited to, project correspondence, contract drawings and documents, submittals, payment requisitions, standard forms (such as insurance certificates, bonds, lien waivers, releases, etc.) and reports. Documents and records will be maintained by the CM for a period of six (6) years after completion of services. The CM shall track all drawings, CC submittals, meeting minutes, requests for information, bulletins, change orders, CC requisitions/payments, correspondence, reports, and all documents, which should be part of the project record. Project records, including the project directory and emergency contact information, will be kept well organized and the information maintained current at all times. The CM shall receive the CC's submittals such as shop drawings, product data, and samples, promptly review them for completeness and responsiveness, log and finally distribute them to the Design Engineer for review and approval; within 48 hours of

receipt by CM of CC's submittals. The CM shall return submittals to the CC within 24 hours of receipt from the Design Engineer, and shall update the submittal log accordingly. CM shall collect and compile as-built drawings, operations and maintenance manuals, spare parts and attic stock provided by the CC and is responsible for documenting acceptability and the transfer of these items to Plant Operations.

CC Payments: - Receive, review, and recommend for processing by the County, all schedules of values, invoices, and requests for payments prepared by the CC. CM shall correlate CC's payment requests with the progress of the work and take into account any deficiencies in the work for which payment is being requested, in making his recommendation. The CM's recommendation for payment shall constitute a representation to the County, that, to the best of the CM's knowledge, information and belief, the Work has progressed to the point indicated, and the quality of the Work is in accordance with the Contract Documents. All payments shall be based on the cost loaded CPM schedule and CM shall be responsible for certifying such payments.

Meetings - Schedule and conduct regular weekly job progress meetings with the CC, the Design Engineer, the County, and others, where necessary to plan and coordinate the Work, discuss progress, and solve problems related to the Project. The CM shall also attend weekly meetings with the County and/or the Design Engineer. Prepare and timely distribute meeting minutes and agenda. Special meetings will be scheduled as the need arises and participation by the CM at these meetings shall be at no additional cost to the County.

Reporting - The CM shall prepare monthly written progress reports and deliver 5 copies of same to the County, no later than the 10th day of the following month. Such reports shall include the following information at a minimum:

- A. Executive Summary
- B. Progress Narrative - supported by photographs and the project schedule updated to show progress
- C. Issues Report - Report on all critical and important issues, which require the attention of the County
- D. Change Orders - log the status of change orders (e.g., potential, proposed, pending, processed)
- E. CC Payment Summary - include a discussion of variances between amounts paid to date and the cash flow forecast
- F. Budget Report
- G. Log of Non-conforming or deficient work
- H. Attachments - attach photographs, logs, reports, etc. which are germane to the Issues Report.

Safety - The CM shall require the CC to submit its safety program and shall serve a central role in dissemination of safety-related information between the CC and the Nassau County Plant and Construction personnel. The CM shall not have control over or charge of the Work and the CM shall not be responsible for CC's means, methods, techniques, sequences or procedures, and/or for safety precautions and programs in connection with the work of the CC, since these are solely the CC's responsibility. The CM shall not be responsible for the CC's failure to carry out the Work in accordance with the CC's Safety Programs, and/or applicable safety rules and regulations. Nevertheless, the CM shall promote safety and endeavor to guard against the creation of unsafe conditions by the CC. The CM must review the CC safety program and inform the Department of its adequacy.

Changes - The CM shall review all Supplementary Bulletins prepared by the Design Engineer prior to their issuance; prepare cost estimates; review CC's proposals; and

submit formal written recommendations, including confidential memoranda to the County, clearly delineating the scope and reason for the changed work. Evaluate the CC's proposed adjustment to contract price and time; and assist the County in negotiating Change Orders. Where changes are, or may be, the result of the Design Engineer's error or omission, the CM shall confidentially inform the County of such, and shall track all such changes separately on the County's behalf. Keep a log of all Requests for Information, Bulletins, Proposals and Change Orders.

Partial Occupancy and Beneficial Use - The CM shall assist the County in determining dates of Partial Occupancy of the Work, or portions thereof, designated by the County; and shall assist in obtaining any necessary temporary occupancy certificates. Review any lists prepared by the Design Engineer of incomplete or unsatisfactory work, prepare schedules for completing and correcting the Work, and monitor the completion/correction.

Field Office - The CM will be provided space at the Bay Park Sewage Treatment Plant for use as temporary offices, during the construction phase. This will either be on the 2nd floor of the Administration Building and/or in field trailers located on site. All CM's office equipment and supplies, including, but not limited to computers (with software and high speed internet access), printers, copiers, scanners, facsimile machines, etc. shall be provided, maintained, and subsequently removed by the CM, and the cost of same is included in the CM's Fee. Telephone service and up to 2 lines and telephones will be provided to the CM for exclusive use on this project, by the County.

Construction and Pre and Post-Construction Phase Services

Constructability review --As soon as the CM agreement is executed, the CM is to perform a full constructability review of the contract documents to, at the very least, identify inconsistencies between spec sections/disciplines, as well as identify inconsistencies between plans and specs for the purpose of reducing change orders. Depending upon the timing of awarding this CM contract as it relates to bidding the actual contract, the plans and specifications may have already been bid and/or the construction contract awarded. Nonetheless, a constructability review is to be performed.

Contract Closeout - Conduct final inspections with Design Engineer and the County, at the completion of each phase of the project, and prepare detailed punch lists (observed discrepancies, deficiencies and incomplete items of work), as required. It is understood that the project will be completed in phases and that multiple final inspections are needed. Compile project record documents collected during the construction phase and supplement with any information collected following occupancy. Review the as-built drawings provided by the CC and verify that the as-built drawings, to the best of the CM's knowledge, based upon the CM's observations during the progress of the project, document the actual construction of the project. The CM shall then transmit the verified as-built drawings to the Design Engineer for the preparation of record drawings. THE COUNTY RESERVES THE RIGHT TO REQUIRE THE CM TO DIGITIZE CONTRACT CLOSEOUT DOCUMENTS IN A FORMAT NOT YET CHOSEN. COMPENSATION WILL BE BASED UPON THE EXTRA SERVICES SECTION OF THE AGREEMENT. Schedule and record/document the training of County personnel with respect to the operation and maintenance of components and systems.

CC Claims and Disputed Work - The CM shall promptly review the CC's claims for additional compensation and/or extension of time, whether these claims are received during or after construction. Where the Work is disputed, promptly refer the matter(s) under dispute to the Design Engineer for interpretation. Confer with the Design Engineer, and advise the County on the quantum and merits of each claim, and/or recommended resolution of each dispute. At the County's request, and at no additional cost to the County, schedule and attend dispute resolution meetings related to each claim/dispute,

whether or not such meetings are held during the construction or post-construction phase. With the County's concurrence, prepare written response to CC's claims, incorporating the Design Engineer's determination, where applicable.

Limitation of Services - Nothing contained in this Agreement shall be deemed to require or authorize the CM to perform any act or render any services other than those of a professional Construction Manager, as defined herein. The services, recommendations, and advice furnished by the CM shall not be deemed to be warranties, or guarantees, or constitute the practice of any profession other than that of a professional Construction Manager. Notwithstanding any language to the contrary, this Agreement shall neither require, nor authorize, the Construction Manager to assume any duty, role, responsibility, or obligation; or perform any task, function, or activity, which is properly that of the Design Engineer.

In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgrading, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgrading, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor

must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Reward of a County Contract alone shall not be deemed or interpreted as approval of all Contractors' Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators' award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase

However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation.
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be

Included with the Best Effort Documentation

1. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of the County Contractor. Contract Summary

Description:

The Contractor will provide the County and the Office of Management & Budget ("OMB") with financial advisory services in connection with a potential public-private partnership transaction involving the County's sewer system (the "System").

Purpose:

The County is exploring the possibility of a potential public-private partnership transaction involving the System (the "Transaction" or "P3 Transaction"), which Transaction may consist of the concession, lease, or other similar arrangement. This resolution authorizes the County Executive to execute an Agreement between the County and KPMG LLP for financial advisory services (the "Agreement")

Method of Procurement:

Request for Proposals

Procurement History:

On May 17, 2016 the County issued a Request for Proposals ("RFP") for investment banking and/or financial advisory services in connection with a potential transaction involving the System. Proposals were due on June 8, 2016. The RFP was published in Newsday and the Bond Buyer, and posted on the County's website and the New York State Contract Reporter website. Proposals were received from the following firms: BMO Capital Markets; Ernst & Young Infrastructure Advisors, LLC; Goldman Sachs & Co.; JP Morgan Securities LLC; KPMG LLP; Loop Capital Financial Consulting Services, LLC; NW Financial Group, LLC; Public Financial Management, Inc.; and Ramirez & Co. Inc.

An Evaluation Committee was formed to review the proposals. The Committee consisted of members from the Office of Management & Budget, the Department of Public Works, and the County Attorney's office. Each Committee member scored each of the proposals based on the evaluation criteria in the RFP. The Committee recommended the firm with the highest average score. However, the County ended contract negotiations with the recommended firm after the parties could not come to agreement on some critical terms in the contract. The County then entered into negotiations with the firm that received the second highest score from the Committee (there was a difference of only 0.1 in the scores of the top two firms).

The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

- VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

- VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

- IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

CONFIDENTIAL MEMORANDUM

To: Nassau County Legislature

From: Evaluation Committee
RFP# BU0506-1613

Subject: Proposed Personal Services Agreement with KPMG LLP
P3 Transaction Facilitator Services for the Nassau County Sewer System

Date: August 22, 2016

Transaction Rationale

On May 17, 2016, the County issued a Request for Proposals ("RFP") seeking proposals from qualified banks and financial advisors authorized to do business in the State of New York to provide investment banking and/or financial advisory services (the "Services") to the County in connection with a potential public-private partnership transaction (the "P3 Transaction") with a concessionaire or lessee involving the County's sewer system (the "System").

SUEZ Water Long Island Inc. ("SUEZ") is currently operating, maintaining and managing the system and providing operational expertise. Under the SUEZ agreement, and coupled with the ongoing FEMA repairs, the sewer treatment plants and the System generally are being hardened and repaired, and the operational deficiencies are being addressed. Unfortunately, the value of the System is not being optimized and current sewer revenues are insufficient to meet the System's future needs.

- The County has slowed the decline in cash and fund balance. However, despite the operational efficiencies being obtained as a result of the SUEZ agreement, the County will still be unable to fund operations and long-term capital improvements, which will result in the depletion of the sewer district's reserves in the near term
- Current revenues from ratepayers are not recovering the full costs of the System (operations, maintenance, and lifecycle costs)
- The status quo would require significant annual tax increases to cover the cost of operations

A P3 Transaction could ensure a high quality of service for all users of the System for many years to come while also accomplishing a number of the County's key objectives, including:

- Retaining public ownership of the System
- Retaining rate setting authority - transparent and stable rate-setting process

- Transferring risk of long-term capital investment to the concessionaire to achieve the County-agreed asset condition during and at the end of the term of the agreement
- The concessionaire may commit to making substantial capital expenditures to the System that will result in a meaningful upgrade to operations and maintenance
- Improving safety and environmental performance
- Transferring risk of compliance with environmental regulations and discharge requirements to the concessionaire

Based on current market conditions, the County believes a P3 Transaction would generate substantial value for the County. The transaction proceeds would be used for the long-term benefit of the County.

- Proceeds from the P3 Transaction would be used to retire or economically defease all sewer-related debt of the System
- Additional upfront money could be used by the County to retire or economically defease additional general obligation debt of the County
- Provide recurring debt service savings
- Improve cash flow liquidity for the County
- Strategic investments in the County, along with recurring debt service savings, will place the County in a position to achieve structural budget balance by fiscal year 2018

RFP Process

The RFP was publicized as follows:

- Advertised in Newsday and the Bond Buyer
- Posted on the County's website and the New York State Contract Reporter website
- Emailed to the following firms:
 - A.C. Advisory, Inc. ("A.C. Advisory")
 - BMO Capital Markets ("BMO")
 - Ernst & Young Infrastructure Advisors, LLC ("Ernst & Young")
 - Goldman Sachs & Co. ("Goldman Sachs")
 - KPMG LLP ("KPMG")
 - Morgan Stanley & Co. LLC ("Morgan Stanley")
 - NW Financial Group, LLC ("NW Financial")
 - Public Financial Management, Inc. ("PFM")
 - Ramirez & Co. Inc. ("Ramirez")

The Services requested in the RFP to be provided in connection with the P3 Transaction consists of providing financial advisory services to the County.

In addition to the Services requested in the RFP, Appendix A of the RFP contained a list of the

anticipated Tasks of the P3 Transaction. See Appendix I of this memorandum for the list of Tasks included in the contract.

Importantly, the RFP also stated that the transaction facilitator would be required to provide the County with a preliminary valuation before the request for qualifications for the P3 Transaction is released.

Proposals

Proposals were received from the following nine (9) firms: BMO; Ernst & Young; Goldman Sachs; KPMG; NW Financial; PFM; Ramirez; JP Morgan Securities LLC ("JP Morgan"); and Loop Capital Financial Consulting Services, LLC ("Loop Capital").

An Evaluation Committee (the "Committee") consisting of members from the Office of Management & Budget, the Department of Public Works and the County Attorney's office was formed to review the proposals.

As stated in the RFP, the proposals were evaluated based on the following criteria:

- (i) Contract Requirements and Proposed Solution – 25%
- (ii) Proposer Profile: Organization, Capacity, Staffing, Resumes – 25%
- (iii) Related Experience – 25%
- (iv) Total Cost (Fee Proposal) – 25%

In addition to the foregoing, the County could also consider any other relevant factors as determined by the Committee.

Selection Process

Each member of the Committee scored each of the nine (9) proposals based on the first three (3) evaluation criteria (i.e., (i) Contract Requirements and Proposed Solution; (ii) Proposer Profile: Organization, Capacity, Staffing, Resumes; and (iii) Related Experience) in order to determine the technical capabilities of each proposer. The Committee members were not provided with the fee proposals in this first round of scoring.

Based on the scores of each proposal from each Committee member, and an analysis on the merits of each proposer, the following five (5) proposers were invited to make a presentation to the Committee: BMO, Goldman Sachs, KPMG, Loop Capital and Ernst & Young (the "Short-Listed Proposers").

Regarding the proposers that were not invited to make a presentation, the general view of the Committee, as substantiated by the scores, was that these proposers either had limited or no relevant experience serving as a municipal financial advisor on public-private partnership transactions, had limited depth and resources, or had experience and/or depth and resources that could not compare with the Short-Listed Proposers. As a result, the Committee determined that the experience and technical capacity of these proposers was less advantageous to the County than

the Short-Listed Proposers.

Following the receipt of best and final offers and clarification responses from the Short-Listed Proposers, each Committee member completed his or her scoring sheet for each of the Short-Listed Proposers by including a score for the total cost criterion. The average scores for the Short-Listed Proposers were as follows:

	<u>Goldman</u>	<u>KPMG</u>	<u>BMO</u>	<u>Loop Capital</u>	<u>Ernst & Young</u>
Contract Requirements and Proposed Solution	22.75	23.50	22.33	19.50	18.00
Proposer Profile	22.83	22.67	22.33	18.58	18.41
Related Experience	23.17	23.33	22.50	19.17	17.25
Subtotal - Technical Merit	68.75	69.50	67.16	57.25	53.66
Total Cost	21.17	20.25	20.25	24.42	20.67
Total Score	89.92	89.75	87.41	81.67	74.33

While BMO, Ernst & Young and Loop Capital have varying levels of P3 experience and abilities, the committee believed that Goldman Sachs and KPMG demonstrated a greater understanding of the County's requirements for the proposed transaction and are best suited to achieve the County's goals. The committee considered these two firms to be best able to meet the County's goals and timetable in the P3 Transaction based on their superior experience and transaction teams. Their overall scores from the committee were virtually identical, with KPMG receiving a slightly higher technical score.

Based on the foregoing, the Committee recommended that the County enter into negotiations with Goldman Sachs, since such firm had the highest total score. However, the parties ended contract negotiations after they could not come to agreement on certain critical terms in the contract. The County then entered into negotiations with KPMG.

Fee Proposal

Each proposer was required to submit fee proposals based on the same structure. The structure of KPMG's fee proposal is as follows:

Tasks I-IV

A flat fee per Task for Tasks I-IV as follows:

Task I	\$197,925
Task II	\$207,585

Task III	\$118,620
Task IV	\$363,438

The fee per Task will be payable upon completion of each Task.

During Task I, the transaction facilitator would model the following scenarios:

- (1) A forward projection of current County operations assuming that the County continues to finance and manage the capital-intensive investment that is required under the current organizational structure,
- (2) A forward projection assuming that there is a long-term concession lease of the System that transfers responsibility and risk for the capital-intensive investment that is required to a private entity.

If the second scenario does not demonstrate that it is likely that the County would receive sufficient proceeds in the P3 Transaction to retire or economically defease all sewer debt, and provide some amount of additional proceeds to the County, then the County would not continue with the process. (Appendix 1-A has a list of Future Services). The County will have the option to terminate the contract at any time. In the event the contract is terminated, the County would only be liable to pay fees for the Tasks within Tasks I-IV completed by the transaction facilitator.

In Tasks II, III and IV, the transaction facilitator would assist in the preparation of a Request for Qualifications ("RFQ"), and review and evaluate responses to the RFQ.

Appendix I

TASK I – Evaluate Impact on Rates of Status Quo and Concessionaire Scenarios

- Contractor will prepare, working with the County and its technical and legal advisors, a forward projection of current County operations assuming that the County continues to finance and manage the capital-intensive investment that is required under the current organizational structure.
- Contractor will prepare, working with the County and its technical and legal advisors, a forward projection assuming that there is a long-term concession lease of the System that transfers responsibility and risk for the capital-intensive investment that is required to a private entity. This will require the creation of three (3) scenarios based on a low, moderate and high rate of return for the investor.

TASK II - Pre-Request for Qualifications and Due Diligence Period

- Assist the County and County advisors in obtaining information and conducting due diligence necessary to prepare the request for qualifications for the P3 Transaction (“RFQ”).
- Attend pre-draft meetings and conference calls with the County, County advisors and the Nassau County Interim Finance Authority (“NIFA”) to discuss the RFQ, the objectives for the RFQ, and confirm Contractor’s role and participation in the RFQ development process.
- Market the transaction as necessary.

TASK III - Assistance in the Preparation of a Request for Qualifications

- Provide the County and County advisors with assistance in the development of the RFQ.
- Assist in review of the initial draft of the RFQ with the County and County advisors.

- Market the transaction as necessary.

TASK IV - Review and Evaluation of Responses to Request for Qualifications

- Provide responses to questions and requests for clarification submitted by the respondents to the RFQ.

KPMG attempts to promptly address and resolve issues with clients, so that clients do not invoke contractual termination or default clauses. While the firm does not centrally track contract terminations. KPMG is not aware of any significant issues, relating to contracts with other clients in the last 5 years, or any terminations of those contracts, which would present any concerns with respect to KPMG's ability to successfully perform the services contemplated by this proposal.

If Yes, provide details for each such investigation. As is the case with all major professional services firms, given the large number of KPMG clients who are registered with, or otherwise regulated by, the SEC, FDIC, Federal Reserve Board, various stock exchanges or other regulatory or self-regulatory entities ("Regulators"), or who may otherwise be the subject of an investigation or informal inquiry by a Regulator or other government agency (including, but not limited to the Department of Justice, Internal Revenue Service, various federal, state and local Offices of Inspectors General, state attorneys general and other federal, state and local law enforcement agencies, collectively "Investigators"). KPMG regularly is asked to, and does, cooperate with informal inquiries and formal investigations by responding to numerous subpoenas and informal requests for information from various Regulators and Investigators related to services provided to clients, or investigations by Regulators (including by the SEC, the Public Companies Accounting Oversight Board and/or various state boards of accountancy) regarding KPMG's compliance with laws, rules and regulations. Many of these investigations are not public, and we are frequently not privy to the Regulator's or Investigator's thoughts or focus with respect to the investigation. In the vast majority of cases, investigations in which KPMG receives a subpoena or other request for information are closed without any action being threatened or taken against KPMG. We are not aware of any pending investigation by any Regulator or Investigator that would materially affect the firm's operations or our ability to provide services under this proposal.

In the vast majority of cases, investigations in which KPMG receives a subpoena or other request for information are closed without any action being threatened or taken against KPMG. We are not aware of any pending investigation by any Regulator or Investigator that would materially affect the firm's operations or our ability to provide services under this proposal.

Occasionally, our regulators, primarily the SEC or PCAOB, have commenced administrative proceedings against an individual partner and have sought penalties such as suspension from practicing before the SEC. Actions brought by the SEC are a matter of public record, but administrative proceedings commenced by the PCAOB are privileged and confidential pursuant to Section 105 of the Sarbanes-Oxley Act and any PCAOB discipline or sanction becomes public only after being affirmed by the Board.

In January 2013, the SEC announced that it had instituted an administrative proceeding against a current KPMG audit partner and senior manager, arising out of KPMG's audit of the financial statements of TierOne Bank for the fiscal year ended December 31, 2008. (The Firm was not charged.) The SEC claimed that our partner and senior manager did not satisfy professional standards in planning and performing the 2008 audit, including the audit procedures relating to management's estimates of the Allowance for Loan Losses and Leases and related internal controls over financial reporting. In the fall of 2012, the SEC filed two separate enforcement actions against three former senior executives of TierOne Bank (the CEO, COO, and chief credit officer), alleging that they participated in a fraudulent scheme to understate millions of dollars in losses and mislead investors and federal regulators. Significantly, the SEC complaints against the Bank's former executives allege that they defrauded the KPMG auditors by making materially false statements in connection with KPMG's work for TierOne. Our partner and senior manager presented the facts in support of their work at a trial in late 2013. Respected expert witnesses supported the work of our audit team, and testified that they acted appropriately, and that the TierOne audit work was conducted in accordance with professional standards. In July 2014 KPMG received the Initial Decision of the SEC administrative law judge. The judge ruled that the partner and senior manager did not comply with applicable auditing standards, and she ruled that the partner should be precluded from practicing before the SEC for a period of 1-year, and that the senior manager should be precluded from practicing before the SEC for 6 months. As to each individual, reinstatement of the right to practice before the SEC would occur automatically after the expiration of the time periods noted above. KPMG respectfully disagrees with the judge's ruling, and the partner and senior manager have appealed. The SEC has accepted the individuals' appeal, and as provided in the Initial Decision itself, the decision will not become final (and the restrictions on the individuals' rights to practice before the SEC will not take effect) until the appeals process is concluded.

From time to time, a state board of accountancy may discipline or impose a sanction on an individual KPMG partner or employee, for example, for failure to renew a CPA license on a timely basis, or for a

failure to obtain the required amount of CPE on a timely basis. We do not believe that these matters materially affect the Firm's operations or our ability to perform services for you.

15) In the past (5) years, has this business or any of its owners or officers, or any other affiliated business had any sanction imposed as a result of judicial or administrative proceedings with respect to any professional license held?

Yes X

17) Conflict of Interest:

a) Please disclose any conflicts of interest as outlined below. **NOTE: If no conflicts exist, please expressly state "No conflict exists."**

(i) Any material financial relationships that your firm or any firm employee has that may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists.

(ii) Any family relationship that any employee of your firm has with any County public servant that may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists.

(iii) Any other matter that your firm believes may create a conflict of interest or the appearance of a conflict of interest in acting on behalf of Nassau County.

No conflict exists.

b) Please describe any procedures your firm has, or would adopt, to assure the County that a conflict of interest would not exist for your firm in the future.

Our firm has more than 1,800 partners and more than 20,000 employees across the country, and it would be impossible for us to canvass all of our partners and employees to determine whether

(a) any individual partner or employee has a financial relationship that might create a conflict of interest or the appearance of a conflict of interest in connection with KPMG acting as a collection agent on behalf of Nassau County, or

TM

(b) whether any individual partner or employee has a family relationship with any Nassau County public servant that might create a conflict of interest or the appearance of a conflict of interest in

connection with KPMG acting as collection agent TM on behalf of Nassau County. However, we have canvassed the proposed members of the KPMG engagement team, and to the best of our knowledge the currently proposed members of the engagement team do not have any financial or family relationships with any Nassau County employee which would give rise to a conflict of interest.

KPMG uses comprehensive procedures and a suite of technology tools to help safeguard that the firm and applicable personnel are independent of the firm's audit clients. The Lead partner on an engagement is responsible for KPMG's continued independence from the client and will continually monitor our service and investment relationships by using the tools described below. In addition, the firm provides mandatory annual independence training for all professionals and holds them personally accountable for their independence. Our independence procedures meet or exceed standards set by the SEC, PCAOB, Government Accountability Office, and all other applicable regulatory bodies. We have substantially completed our independence due diligence and are confident that we can be independent upon appointment.

KPMG's Independence Technology Tools

Service Independence – Our automated services reporting system, Sentinel, helps make sure that KPMG does not perform any audit or non-audit services anywhere in the world that could jeopardize our independence. The lead partner will be notified through Sentinel whenever any KPMG partner anywhere attempts to begin a new engagement with a client, and he/she must approve that engagement before the work can begin. The lead partner will obtain your requirements from your audit committee, and the information will be entered into this system.

Investment Independence – The KPMG Independence Compliance System (KICS) is a Web-based tracking system to monitor investments and other financial interests of the firm and personal investments of partners and managers. Before buying stocks of public companies, KPMG professionals must access the system to determine if the investment is restricted. They must enter all new investments into KICS within 14 days. Individuals who have reported holdings of investments that later become restricted are automatically notified and must sell the investment within five business days.

Compliance with Rules – All KPMG professionals must use our electronic independence and code of conduct confirmation process at least once a year to confirm their understanding of and compliance with the firm's code of conduct and independence rules. As an extra safeguard, KPMG audits selected confirmations and information reported in KICS.

Business Relationship Independence – The KPMG Conflicts Check System uses a conflicts database that contains up-to-date information on business relationships, current and prohibited. At the request of the engagement team, a conflict report is generated from this database. The lead partner reviews the report and acts on its findings.

Our promise of professionalism to each other, our clients, and the capital markets we serve is the basis for everything we do at KPMG and the foundation for each of our strategic priorities. To uphold our promise of professionalism, we maintain an extensive system of quality controls that meet or exceed the rules and standards issued by the PCAOB and the requirements of the AICPA.

KPMG has made significant enhancements to its system of quality controls over the past three years, including the separation within the firm of responsibility for Operations, Professional Practice/Risk Management, and Legal and Compliance. This separation was implemented at the top of the firm, by assigning our deputy chairman responsibility for Professional Practice/Risk Management. We also established an executive vice chair position for Operations and an executive vice chair for Legal and Compliance, each of whom reports directly to the chairman. Each individual measure within our quality

control system is strengthened by the "tone at the top" of our organization—one of strict adherence to ethics and integrity.

Subject: RE: Nassau County contract questions from Legislature

Jaclyn,

Thanks for talking with me today about the questions that were raised on the Firm's form.

With respect to Q. 5, here is a revised response:

KPMG LLP is a Delaware limited liability partnership with more than 2,000 partners and principals, none of which owns more than 5 percent of the voting shares of the partnership. As it is impractical to list all of them, KPMG is identifying those individuals who will be working on the subject contract:

Thomas Mulvihill, an Advisory Managing Director, is leading the engagement. Edwin Crooks, an Advisory Managing Director, is also assigned to the contract. The following partners/principals are subject matter experts who are expected to be consulted during the course of contract performance:

1. Timothy Wilschetz
2. Anthony Dalessio
3. Edward Lee
4. David Neuenhaus
5. Gregory Driscoll
6. Stephen Guy
7. Iain Tester
8. Henry Berling

With respect to Q. 7(b), here is a revised response:

As noted above, Ed Lee and Tom Mulvihill are registered with the State of New York and Nassau County as lobbyists. With respect to this matter, however, all communications have been in accordance with the requirements of the RFP. No communications have taken place outside of the normal procurement process.

Please let me know if there are any other questions.

Kind regards,
Chad

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least thirty (30) days prior to the termination date (or a shorter period if thirty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. 22. Management Decisions. The County acknowledges and agrees that Contractor's services may include advice and recommendations; but, all decisions in connection with the implementation of such advice and recommendations shall be the responsibility of, and made by, the County. The Contractor will not perform management functions or make management decisions for the County.

23. Third Party Usage. Any advice, recommendations, information, deliverables or other work product provided to the County under this Agreement is for the sole use of the County, and is not intended to be, and may not be, relied upon by any third party, and all advice, recommendations, information, deliverables, or other work product may be marked to so indicate. Except for disclosures that are required by law or that are expressly permitted by this Agreement, the County will not disclose or permit access to such advice, recommendations, information, deliverables, or other work product to any third party without the Contractor's prior written consent. 24. Electronic Communications. Contractor may communicate with the County by electronic mail or otherwise transmit documents in electronic form during the course of this engagement. The County accepts the inherent risks of these forms of communication (including the security risks of interception of or unauthorized access to such communications, the risks of corruption of such communications and the risks of viruses or other harmful devices, to the extent the Contractor has taken reasonable steps to protect the security of these communications). The County agrees that the final hardcopy version of a document, including a deliverable, or other written communication that Contractor transmits to the County shall supersede any previous versions transmitted electronically by Contractor to the County unless no such hard copy is transmitted.

25. Active Spreadsheets and Electronic Files. Contractor may use models, electronic files, and spreadsheets with embedded macros created by Contractor to assist Contractor in providing the services under the Agreement. If the County requests a working copy of any such model, electronic file or spreadsheet, Contractor may, at its discretion, which shall not be unreasonably withheld, make such item available to the County for the County's internal use only and such item shall be considered a deliverable (subject to the requirements herein); provided that the County is responsible for obtaining the right to use any third-party products necessary to use or operate such item.

Contractor will have full responsibility to cause these vendors to comply with such conditions of confidentiality and Contractor shall be responsible for any consequences of their failure to comply. Contractor will perform an internal search for any potential client conflicts relating to any of the County's vendors identified by the County as having a role in connection with Contractor's performance of this Agreement. The County hereby agrees that a vendor's status as a Contractor client does not in and of itself impact Contractor's engagement to perform this Agreement. Contractor will advise the County of any conflicts of interest that could prevent it from performing the Agreement. However, Contractor is a large firm that is engaged by new clients on a daily basis and as a result it cannot guarantee that, following its conflict search, an engagement for any other related party will not be accepted somewhere else in Contractor's firm, provided that the Contractor implements reasonable controls to identify actual or potential client conflicts. Should any new information come to Contractor's attention, Contractor will promptly notify the County. Contractor shall perform this Agreement in accordance with applicable professional standards and in no event does this provision intend to exempt the Contractor from professional obligations with respect to client conflicts.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

~~(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.~~

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

-
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- (i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- (k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
-
- (l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law

No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

Contract Summary

Purpose: Department requires assistance in the complex and time-consuming process of preparing the CAFR due to resource limitations within the Department and increasingly complex government accounting standards.
Method of Procurement: RFP
Procurement History: The Comptroller's Office issued a request for proposals. AVZ was the sole firm to respond. The Selection Committee, composed of three (3) employees from the Comptroller's office, evaluated the proposals based on the criteria set forth in the RFP. AVZ demonstrated its vast array of knowledge with respect to government accounting. Most importantly, AVZ has prepared CAFRs for other governmental agencies in the past, including the three towns in Nassau County.
Description of General Provisions: Prepare and print the County's fiscal year 2015, 2016 and 2017 CAFRs in accordance with Generally Accepted Accounting Principles (GAAP); prepare all CAFR drafts and final financial exhibits; meet with the outside auditors and County representatives to discuss the details of required reporting; work with the County to ensure that all blended and discretely presented component units are appropriately identified and included in the CAFR; and ensure that all applicable current and future GASB pronouncements are reflected in the CAFR.
Impact on Funding / Price Analysis: \$21,250.00.

Additional Response for NIFA form question #3

Due to the inadequacies of the County's current financial system, it is necessary to utilize the services of an outside accounting firm, AVZ, to assist in the compilation of the County's Comprehensive Annual Financial Report (CAFR). AVZ's process, by use of their proprietary software, acts as a secondary review of the data compiled to ensure that the County's financial statements are accurate.

During the 2015 year-end audit, several issues occurred that required additional work by AVZ that was outside the scope of the original contract. One such issue was the delay in receiving the Nassau Medical Center's (NUMC's) financial statements seven weeks after the requested deadline. This required additional draft CAFRs to be prepared and reviewed by AVZ, thus necessitating additional staffing on their part to expedite the issuance of the CAFR as close to the June 30th deadline as possible. The Medical Center has missed this deadline over the past three years. Because there is a deadline for releasing the County's CAFR, the Comptroller's Office instructed the firms to do what was necessary to complete the work needed for the issuance of the CAFR.

Delays in the release of the CAFR affect NYS reporting, rating agencies' review of the County's financials, Federal Awards and bond covenants, therefore, it is in the best interest of the County to release the annual CAFR as close to the deadline as possible.

RESOLVED, that the Rules Committee of the Nassau County Legislature authorizes the County Executive to execute the said agreement with Albrecht, Viggiano, Zureck & Company, P.C.

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

AMENDMENT NO. 1

This AMENDMENT (together with any appendices or exhibits hereto, this "Amendment") dated as of March 1, 2017 between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Office of the Nassau County Comptroller, having its principal office at 240 Old Country Road, Mineola, New York 11501 (the "Department"), and (ii) Albrecht, Viggiano, Zureck & Company, P.C., a New York State corporation having its principal office at 25 Suffolk Court, Hauppauge, New York 11788 (the "Contractor").

WITNESSETH:

WHEREAS, pursuant to County contract number CQCO16000001 between the County and the Contractor, executed on behalf of the County on April 11, 2016 (hereby referred to as the "Original Agreement"), the Contractor provides services in connection with assisting the Department in its preparation of the Fiscal Year Comprehensive Annual Financial Reports and related services, which services are more fully described in the Original Agreement (the services contemplated by the Original Agreement, the "Services"); and

WHEREAS, the term of the Original Agreement was from January 1, 2016, and terminate on December 31, 2018, provided that the Department has the option to renew the Original Agreement for two separate additional one year periods, or unless sooner terminated in accordance with the terms of the Original Agreement (the "Original Term"); and

WHEREAS, the maximum amount that the County agreed to reimburse the Contractor for Services under the Original Agreement, as full compensation for the Services, was Eight-five Thousand Dollars (\$85,000) per Fiscal Year, for a total of Two Hundred Fifty-Five Thousand and 00/100 Dollars (\$255,000.00) for all three Fiscal Years ("Maximum Amount"); and

WHEREAS, the Original Agreement provides that, where there is a change in the scope of Services or any agreed-upon additional accounting-related services necessary to complete the County's financial statement to be provided under the Original Agreement, or in any material circumstance with respect to the Original Agreement, the parties shall negotiate in good faith to make an equitable adjustment to the Maximum Amount or rates payable; and

WHEREAS, the County and Contractor deem it in their respective best interests to include additional accounting-related services as part of the Services and to increase the Maximum Amount to provide funds for such additional accounting-related services; and

WHEREAS, the County and the Contractor desire to amend the Original Agreement as and to the extent set forth in this Amendment; and

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Amendment, the parties agree as follows:

1. Amount of Consideration: The Maximum Amount in the Original Agreement shall be increased pursuant to Section 3(b) of the Original Agreement by Twenty-One Thousand Two Hundred and Fifty and 00/100 Dollars (\$21,250.00) as compensation for additional accounting-related services relating to the Contractor's assistance with the preparation of the County's financial statements for Fiscal Year 2015, which additional compensation represents an equitable adjustment to the Maximum Amount as a result of good faith negotiation between the parties. Accordingly, the maximum amount that the County shall pay the Contractor as full consideration for all Services provided under the Original Agreement, as amended by this Amendment (the "Amended Agreement"), shall not exceed One Hundred And Six Thousand Two Hundred and Fifty and 00/100 Dollars (\$106,250.00) for Fiscal Year 2015 related Services, and a total maximum amount of Two Hundred Seventy-six Thousand Two Hundred Fifty and 00/100 Dollars (276,250.00) for all three Fiscal Year Services (the "Amended Maximum Amount").

2. Services: The Services to be provided by the Contractor as set forth in Section 2 of the Original Agreement shall be amended to include the following additional services performed by Contractor in relation to the following items, with their respective costs:

- a. Issuing an additional revised draft of the financial statements to include a restatement of the Capital Fund for the prior year, due to audit adjustments required to be made after final worksheets were provided to the Contractor and the draft of the financial statements was complete;
- b. Additional time incurred in preparing a reconciliation of the general fund, including adjustments to correct the FEMA fund.

3. Full Force and Effect. All the terms and conditions of the Original Agreement not expressly amended by this Amendment shall remain in full force and effect and govern the relationship of the parties for the term of the Amended Agreement.

Contract Summary

Description: This is a three year contract. According to paragraph 3 of the agreement, the County shall pay contractor \$85,000.00 per year over the life of the contract.

Purpose: Department requires assistance in the complex and time-consuming process of preparing the CAFR due to resource limitations within the Department and increasingly complex government accounting standards.

Method of Procurement: RFP

Procurement History: The Comptroller's Office issued a request for proposals. AVZ was the sole firm to respond. The Selection Committee, composed of three (3) employees from the Comptroller's office, evaluated the proposals based on the criteria set forth in the RFP. Most importantly, AVZ has prepared CAFRs for other governmental agencies in the past, including the three towns in Nassau County.

Description of General Provisions: Prepare and print the County's fiscal year 2015, 2016 and 2017 CAFRs in accordance with Generally Accepted Accounting Principles ("GAAP"); prepare all CAFR drafts and final financial exhibits; meet with the outside auditors and County representatives to discuss the details of required reporting; work with the County to ensure that all blended and discretely presented component units are appropriately identified and included in the CAFR; and ensure that all applicable current and future GASB pronouncements are reflected in the CAFR.

Impact on Funding / Price Analysis: \$85,000.00 per year for three years.

Change in Contract from Prior Procurement: N/A

Recommendation: approve as submitted

Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

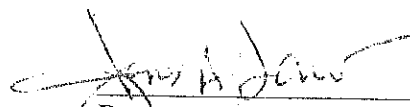

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The Selected Contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of best efforts as outlined in Exhibit "EE" may be requested by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to the contract being submitted to the Comptroller.

X. ☒ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

Mineola, NY 11501

Dear Mr. Aloisio:

Nassau County hereby provides notice of its intent to enter into a contract with Albrecht, Viggiano, Zureck & Company, P.C (AVZ).

The work involves assisting the County in the preparation of its 2015 Fiscal Year Comprehensive Annual Financial Report ("CAFR"), which will include, but not be limited to, preparing all CAFR drafts and final financial exhibits; meeting with the outside auditors and County representatives to discuss the details of all required reporting; working with the County to ensure that all blended and discretely presented component units are appropriately identified and included in the CAFR; and ensuring that all applicable current and future Government Accounting Standards Board ("GASB") pronouncements are reflected in the CAFR. These services are necessary due primarily to the inability to retrieve the data from the current legacy financial system in a manner consistent with the increased complexity required in the reporting as new GASB pronouncements.

The CAFR, in prior years, had been created internally using Microsoft Excel workbook formats with data manually inputted from reports run from the financial system, and then manually linking spreadsheets. This data was then manually adjusted to adhere to the GASB requirements. The complexity introduced by annual additions of new GASB regulation, renders the old methodology using Excel spreadsheets impractical.

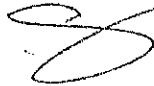

The current process still requires the County staff to prepare the CAFR as before, but AVZ's services helps alleviate some of the manual compilation and cross-referencing that is performed by the County staff, and acts as an important secondary review to ensure that the County's financial statements are correct and in compliance with all governmental accounting reporting standards. Without a new financial system or AVZ's assistance in the compilation of the CAFR, the County would not be able to meet the required reporting deadlines set by the Federal and State governments. The firm provides valuable assistance to the Comptroller's Office Accounting staff. Please note that the Towns of Hempstead, North Hempstead and Oyster Bay all currently use AVZ to prepare their CAFRs.

Since March 2014, the Comptroller's Accounting Department has filled two open positions (Accounting System Specialist and Accountant IV) and hired an Accountant II to replace the employee who took the September 2015 VSIP. There is another Accountant position and an Inspector/Comptroller position that should be backfilled next year (it is being held for a promotion). No County positions have been lost as a result of the AVZ contract.

The following notification is to comply with the spirit of Section 32 of the CSEA-Nassau County Collective Bargaining Agreement.

Should you wish to propose an alternative to this proposed contract, please respond to me within ten (10) days of this letter.

Sincerely,

Sergio A. Blanco, Esq.

Re: 2015 CAFR—Albrecht, Viggiano, Zureck & Company

Dear Hon. George Maragos:

As per our discussion with some of your Accounting staff for the contract referenced above and in the interest of bargaining in good faith, CSEA withdraws its objection to the above referenced contract. You may release said document.

However, this does not waive CSEA rights to object to any future work being done by this vendor, or any other sub-contractors, and in no way does this waive any of CSEA's other rights under Section 32.

Very Truly Yours,

THIS AGREEMENT, dated as of _____, 2015 (together with the schedules, appendices, attachments and exhibits, if any, this "Agreement"), is entered into by and between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the Office of the Nassau County Comptroller, having its principal office at 240 Old Country Road, Mineola, New York 11501 (the "Department"), and (ii) Albrecht, Viggiano, Zureck & Company, P.C., a New York State corporation having its principal office at 25 Suffolk Court, Hauppauge, New York 11788 (the "Contractor").

W I T N E S S E T H:

WHEREAS, the County desires to hire the Contractor to perform the services described in this Agreement; and

WHEREAS, this is a personal service contract within the intent and purview of Section 2206 of the County Charter;

WHEREAS, the Contractor desires to perform the services described in this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, the parties agree as follows:

1. Term. This Agreement shall commence on January 1, 2016 and terminate on December 31, 2018, unless sooner terminated in accordance with the provisions of this Agreement. The Department shall have an option to renew this Agreement for one (1) additional year, covering the time period from January 1, 2019 through December 31, 2019, for completion of the Services (as defined below) for the fiscal year ending December 31, 2018. In the event the Department exercises said option, it shall then have a second option to renew this Agreement for one (1) additional year, covering the time period from January 1, 2020 through December 31, 2020, for completion of the Services for the fiscal year ending December 31, 2019. The Department shall exercise each such renewal option by giving written notice thereof to the Contractor.

2. Services. The services to be provided by the Contractor under this Agreement shall consist of assisting the Department in its preparation of the 2015, 2016, and 2017 Fiscal Year Comprehensive Annual Financial Reports ("CAFR"), including, but not necessarily limited to, the specific services listed in Exhibit "A" (the "Services").

3. Payment. (a) Amount of Consideration. Except as otherwise provided in Section 3(b) hereof, the maximum amount to be paid to the Contractor as full consideration for the Contractor's Services under this Agreement, including during any renewal periods of this Agreement, as provided above, shall be subject to encumbrance and payable in accordance with the provisions of this Agreement and with the pricing structure set forth as follows:

Fiscal year	Maximum Fee
2015	\$85,000.00
2016	\$85,000.00
2017	\$85,000.00

2018	\$87,000.00, if renewal option exercised
2019	\$89,000.00, if renewal option exercised

During the term of this agreement Contractor shall submit claim vouchers for payment in four (4) equal monthly installments, beginning in May and ending in August for each fiscal year. The last installment payment for each fiscal year is not to be made before the month following the final issuance of the CAFR. The Contractor, prior to each installment payment, will provide the Department, at least monthly, with an updated status of Services that have been performed and completed, which will be reviewed and approved by the Department.

(b) If there is a change (i) in the scope of Services or any agreed-upon additional accounting-related services to be provided under this Agreement, or (ii) in any material circumstance with respect to this Agreement (or any attachments hereto), the parties shall negotiate in good faith to make an equitable adjustment to the maximum amount or rates payable and incorporate said adjustments into written contract amendments.

(c) Vouchers; Voucher Review, Approval and Audit. Payments shall be contingent upon (i) the Contractor submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, including compliance with the monthly status report requirements described in Section 3(a) above, and (ii) review, approval and audit of the Voucher by the Department and/or the County Comptroller or his or her duly designated representative (the "Comptroller").

(d) Timing of Payment Claims. The Contractor shall submit claims no later than three (3) months following the County's receipt of the services that are the subject of the claim and no more frequently than once a month.

(e) No Duplication of Payments. Payments under this Agreement shall not duplicate payments for any work performed or to be performed under other agreements between the Contractor and any funding source including the County.

(f) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

4. Independent Contractor. The Contractor is an independent contractor of the County. The Contractor shall not, nor shall any officer, director, employee, servant, agent or independent contractor of the Contractor (a "Contractor Agent"), be (i) deemed a County employee, (ii) commit the County to any obligation, or (iii) hold itself, himself, or herself out as a County employee or Person with the authority to commit the County to any obligation. As used in this Agreement the word "Person" means any individual person, entity (including partnerships, corporations and limited

liability companies), and government or political subdivision thereof (including agencies, bureaus, offices and departments thereof).

5. No Arrears or Default. The Contractor is not in arrears to the County upon any debt or contract and it is not in default as surety, contractor, or otherwise upon any obligation to the County, including any obligation to pay taxes to, or perform services for or on behalf of, the County.

6. Compliance with Law. (a) Generally. The Contractor shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, discrimination, a living wage, disclosure of information, and vendor registration, in connection with its performance under this Agreement. In furtherance of the foregoing, the Contractor is bound by and shall comply with the terms of Appendix EE attached hereto with the County's vendor registration protocol. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

(b) Nassau County Living Wage Law. Pursuant to LL 1-2006, as amended, and to the extent that a waiver has not been obtained in accordance with such law or any rules of the County Executive, the Contractor agrees as follows:

- (i) Contractor shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. Contractor has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) It shall be a continuing obligation of the Contractor to inform the County of any material changes in the content of its certification of compliance, attached as Appendix L, and shall provide to the County any information necessary to maintain the certification's accuracy.

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Contractor acknowledges that Contractor Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Contractor of such request prior to disclosure of the Information so that the Contractor may take such action as it deems appropriate.

(d) Protection of Client Information. The parties further acknowledge that in the course of this Agreement each may have access to and/or be in possession of proprietary or confidential information of the other party. "Confidential Information" shall mean information regarded by the disclosing party as confidential; provided that, information deemed confidential by the disclosing party shall be clearly marked "Confidential", "Restricted" or with another similar legend. Each party agrees to use the Confidential Information of the other party solely for the purposes of this Agreement, and will not disclose such Confidential Information to any third party without the other party's consent. Each party shall maintain the Confidential Information of the other party in confidence using at least the same degree of care as it employs in maintaining in confidence its own proprietary and confidential information, but in no event less than a reasonable degree of care. Provided that, the receiving party shall have met the foregoing standard of care, an inadvertent or accidental disclosure by the receiving party of Confidential Information of the disclosing party shall not constitute a breach hereof. Neither party shall use the Confidential Information of the other party for its own benefit or for the benefit of any third party, except as expressly permitted in this Agreement. A receiving party also may disclose Confidential Information to the extent required by an order of a court of competent jurisdiction, administrative agency or governmental body, or by any law, rule or regulation, or by court ordered subpoena, summons or other administrative or legal process, or by applicable regulatory or professional standards, or in connection with any judicial or other proceeding involving Contractor and County relating to Contractor's Services for County or this Agreement. If requested by the County or any of its departments or agencies, the Contractor agrees to execute, and cause its subcontractors to execute, a commercially reasonable non-disclosure agreement.

7. Minimum Service Standards. Regardless of whether required by Law: (a) The Contractor shall, and shall cause Contractor Agents to, conduct its, his or her activities in connection with this Agreement so as not to endanger or harm any Person or property.

(b) The Contractor shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

8. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

9. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars (\$1,000,000) per occurrence, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain

the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained

in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

14. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

15. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

16. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or

made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

17. All Legal Provisions Deemed Included; Severability; Supremacy.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

18. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

19. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

20. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-three dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-

2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

21. Executory Clause. Notwithstanding any other provision of this Agreement:

(a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County and other governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

The filing of the CAFR must be completed no later than June 30 of each year.

The required services will include, but not be limited to, the following:

1. At the start of each fiscal year, the Contractor will provide the County with an annual timetable, which should include County deliverable dates and the expected date that the Contractor anticipates providing a complete first draft of the CAFR to the County and the County's external auditors, with a constraint that this date should be no later than June 1 of each year.
2. The Contractor will prepare all CAFR drafts and final financial exhibits including, but not limited to, statistical sections and tables included in the Management's Discussion and Analysis ("MD&A"), which reflect Government Accounting Standards Board ("GASB") Statement 34, GASB Statement 45 and GASB Statement 54, and all other applicable current and future official GASB statements; the Table of Contents; and the Footnotes accompanied by work papers adequate for the outside auditors to review.
3. The Contractor will meet with the outside auditors and County representatives to discuss the details of all required reporting.
4. The Contractor will work with the County to ensure that all blended and discretely presented component units are appropriately identified and included in the CAFR.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions,

finer or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement

or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the

M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department Head approval prior to subcontracting shall not

apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, states, or the federal government is not required.

Additional Response for NIFA form question #3

The County's Comprehensive Annual Financial Report (CAFR), is audited annually by the County's independent audit firm, RSM US, LLP.

During the 2015 year-end audit, several issues occurred that required additional work by RSM that was outside the scope of the original contract. One such issue was the delay in receiving the Nassau Medical Center's (NUMC's) financial statements seven weeks after the requested deadline. This required additional draft CAFRs to be prepared and reviewed by RSM, thus necessitating additional staffing on their part to expedite the issuance of the CAFR as close to the June 30th deadline as possible. The Medical Center has missed this deadline over the past three years. Because there is a deadline for releasing the County's CAFR, the Comptroller instructed the firm to do what was necessary to complete the work needed for the issuance of the CAFR.

Delays in the release of the CAFR affect NYS reporting, rating agencies' review of the County's financials, Federal Awards and bond covenants, therefore, it is in the best interest of the County to release the annual CAFR as close to the deadline as possible.

State and local government experience

As a national firm, RSM serves the audit, compliance and consulting needs of over 800 governmental entities. Our governmental clients include cities and towns, utilities, housing authorities, redevelopment agencies and transportation authorities. This translates into considerable knowledge of the unique challenges faced by government organizations.

We understand that current economic conditions demand state, county, city, municipal and special purpose governments to do more with less and recognize your need to shift priorities in response to fluctuations in local, state and federal funding.

As a firm, we have committed resources to help our government clients address these challenges and anticipate future changes. The County will have the benefit of dedicated resources that closely monitor public sector developments and provide regular communications on important accounting, regulatory, and tax pronouncements and other matters pertinent to our state and local government clients.

We serve the financial and compliance audit needs of a number of governments on an annual basis, many of whom also count on us to assist them in earning the GFOA Certificate of Achievement for Excellence in Financial Reporting

Uniform guidance

A large number of state and local governments receive federal funds. Our ability to effectively serve these entities is based on significant knowledge and experience previously with OMB No. A-133, *Audits of States, Local Governments and Non-profit Organizations* and now with Subpart F of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Your proposed engagement team members collectively possess the skills, knowledge and experience to perform financial and compliance audits under *Government Auditing Standards* and Uniform Guidance—and have undergone requisite training.

Licenses, certifications or educational requirements the firm holds in order to be in compliance with state and federal regulations

RSM US and its individually licensed certified public accountants are regulated by a number of state and federal requirements. All partners in the firm are CPAs. All CPAs must be licensed in the state in which their office is located. Our licensing department ensures that our firm and its individual employees are in compliance with the licensing requirements in the states where active firm and individual licenses are held.

Many state licensing boards require that CPAs maintain and improve their skills through continuing professional education courses and other opportunities for professional development. Certain competency requirements also must be met for professionals who perform engagements in accordance with standards established by the Comptroller General of the United States (i.e., *Government Auditing Standards*).

RSM US is a registered sponsor with the National Association of State Boards of Accountancy. We ensure our internal training meets the requirements of the AICPA/NASBA Statement on Standards for Continuing Professional Education (CPE) Programs.

Our assurance and tax partners and professional staff, including CPAs and non-CPAs, are required to participate in at least 20 hours of qualifying CPE every year and at least 120 hours every three years. In addition to these requirements, there are additional minimum standards for professionals who practice in certain industries. It is the responsibility of each professional to be familiar with the various CPE requirements for the states in which they are licensed, and to properly register and complete the necessary CPE requirements when renewing state licenses to practice. Our National Office of Risk Management monitors compliance with CPE requirements.

While all of our professionals receive a minimum of 80 hours of CPE every two years, all employees who participate in audits of governmental clients are required to fulfill a minimum of 24 hours of CPE every two years in subjects directly related to:

- Current public sector environment, including unique accounting rules and applications
- Auditing techniques, including those specifically pertaining to the satisfaction of governmental audit requirements
- Professionals who serve governmental entities satisfy the 24-hour CPE requirement by attending the following internal training sessions as appropriate:
 - Governmental accounting, auditing and financial reporting
 - Advanced governmental accounting and auditing
 - Governmental auditing for in-charge auditors
 - Government compliance auditing workshop
 - Government financial auditing
 - Government financial and compliance auditing conference
 - Our training programs

AMENDMENT NO. 2

This AMENDMENT (together with any appendices or exhibits hereto, this "Amendment") dated as of March 1, 2017 between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting for and on behalf of the Office of the Nassau County Comptroller, having its principal office at 240 Old Country Road, Mineola, New York 11501 (the "Department"), and (ii) RSM US, LLP ("RSM", f/k/a McGladrey LLP), having its principal office at 1185 Avenue of the Americas, New York, New York 10036 (the "Contractor").

WITNESSETH:

WHEREAS, pursuant to County contract number CQCO14000004 between the County and the Contractor, executed on behalf of the County on December 15, 2014, as amended by the arrangement letter, dated January 6, 2015, and as amended by Amendment 1, County contract number CLCO16000002, executed on behalf of the County on April 11, 2016 (together, the "Original Agreement"), the Contractor provides services in connection with the complete annual financial audit of the County and single audits of federally funded programs, which services are more fully described in the Original Agreement (the services contemplated by the Original Agreement, the "Services"); and

WHEREAS, the term of the Original Agreement was from the commencement of the audit of the County's financial statements, and shall end with the completion of all Audit Services for the fiscal year ending December 31, 2016, provided that the County has the option to extend the Original Agreement for up to two (2) additional years, with each extension covering the period from commencement through completion of audit services for each respective fiscal year through fiscal year ending December 31, 2018, or unless sooner terminated in accordance with the terms of the Original Agreement (the "Original Term"); and

WHEREAS, the maximum amount that the County agreed to reimburse the Contractor for Services under the Original Agreement, as full compensation for the Services, was Nine Hundred Sixty-Four Thousand Seven Hundred and Eighty-Three and 00/100 Dollars (\$964,783.00) ("Maximum Amount"); and

WHEREAS, the Original Agreement provided that where there is a change in the scope of Services or any agreed-upon additional audit-related services to be provided under the Original Agreement, or in any circumstance with respect to the Original Agreement, the parties shall negotiate in good faith to make an equitable adjustment to the rates; and

WHEREAS, the County and Contractor deem it in their respective best interests to include additional audit-related services as part of the Services and to increase the Maximum Amount to provide funds for such additional audit-related services; and

WHEREAS, the County and the Contractor desire to further amend the Original Agreement as and to the extent set forth in this Amendment; and

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Amendment, the parties agree as follows:

1. Amount of Consideration: The Maximum Amount in the Original Agreement shall be increased pursuant to Section 4 (A) (3) of the Original Agreement by Forty-Five Thousand Seven Hundred and Sixty-Six and 00/100 Dollars (\$45,766.00) as compensation for additional audit related services relating to the Contractor's audit of the County's financial statements, so that the maximum amount that the County shall pay the Contractor as full consideration for all Services provided under the Original Agreement, as amended by this Amendment (the "Amended Agreement"), shall not exceed One Million Ten Thousand Five Hundred and Forty-Nine and 00/100 dollars (\$1,010,549.00) (the "Amended Maximum Amount").

2. Services: The Services to be provided by the Contractor as set forth in Section 2 of the Original Agreement shall be amended to include the following additional services performed by Contractor in relation to the following items, with their respective costs:

- a. Unexpected circumstances required significant additional work above and beyond the normal scope of testing which ultimately led to the need for a restatement of opening fund balance for the County's capital funds to ensure the completeness and accuracy of the adjusting entries required as well as additional examination of the underlying schedules and records for 2015 and 2014 at a maximum cost of Eighteen Thousand One Hundred and Eighty-Two and 00/100 Dollars (\$18,182.00);
- b. Two of the County's federally funded grant programs required qualified opinions from the Contractor (instead of unmodified, or clean, opinions) due to unanticipated matters which occurred during the performance of the auditing procedures above the normal scope of the audit. Because of the lateness of obtaining responses to questions and support for selections, and because of the significance of the findings that required the Contractor to qualify its opinions on the two programs, the Contractor had to spend more staff time than anticipated following up and had to bring more staff out at times not originally scheduled or budgeted. This resulted in additional costs for the supplementary staff necessary to complete the testing that is required by the Federal government at a maximum cost of Twenty-Two Thousand Four Hundred Eighty-Three and 00/100 Dollars (\$22,483.00);
- c. An unexpected circumstance occurred with the County Executive's indictment after the CAFR audit but before the DOT audit was issued. Risk mitigation procedures were required in order for the Contractor to be able to issue the DOT report. Contractor had to work with its National Office of Risk Management to evaluate the indictment and available news information, additional required procedures in order to issue the DOT report at a maximum cost of Five Thousand One Hundred and One and 00/100 Dollars (\$5,101.00).

3. Full Force and Effect. All the terms and conditions of the Original Agreement not expressly amended by this Amendment shall remain in full force and effect and govern the relationship of the parties for the term of the Amended Agreement.

[Remainder of Page Intentionally Left Blank.]

IN WITNESS WHEREOF, the parties have executed this Amendment as of the Effective Date.

- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The Objective and Scope of the Audit of the Financial Statements

We will author a management letter communicating the results of the study and evaluation of the County's system of internal accounting controls performed as part of the audit of the financial statements. The management letter will also provide recommendations about other aspects of the County's operations where opportunities for improvement were observed. The management letter will be delivered

$$\frac{\partial \Delta V}{\partial x} = -\left(\frac{dV_{eff}}{dx} + eE_0 \right) = 0$$

within 60 days after the release of the CAFR and/or Single Audit but no later than the last day of the fiscal year in which the reports are released.

We will attend all Audit Advisory Committee meetings as requested by the County Comptroller.

We will meet all requirements of the County as outlined in Section II, Scope of Work, of RFP No. CO0107-1402, Issued January 13, 2014.

The Responsibilities of the Auditor

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS); *Government Auditing Standards* issued by the Comptroller General of the United States (GAS); the provisions of the Single Audit Act; Subpart F of Title 2 U.S. CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*; the U.S. Office of Management and Budget's (OMB) Compliance Supplement; and applicable guidance provided in Part 43 of the New York State Codification of Rules and Regulations (NYCRR) issued by the New York State Department of Transportation. Those standards, regulations, supplements and guides require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements. The determination of abuse is subjective; therefore, GAS does not expect us to provide reasonable assurance of detecting abuse.

In making our risk assessments, we consider internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate to the County Legislature and Audit Advisory Committee (a) any fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements that becomes known to us during the audit, and (b) any instances of noncompliance with laws and regulations that we become aware of during the audit (unless they are clearly inconsequential).

The funds that you have told us are maintained by the County and that are to be included as part of our audit are listed here:

- General Fund
- NIFA Fund
- Police District Fund
- Sewer and Storm Water District Fund
- Capital Fund
- Nonmajor Governmental Funds

The federal financial assistance programs and awards that you have told us that the County participates in and that are to be included as part of the single audit are listed in an attachment (Appendix A)

We are responsible for the compliance audit of major programs under the Uniform Guidance, including the determination of major programs, the consideration of internal control over compliance, and reporting responsibilities.

Our report(s) on internal control will include any significant deficiencies and material weaknesses in controls of which we become aware as a result of obtaining an understanding of internal control and performing tests of internal control consistent with requirements of the standards and circulars identified above. Our report(s) on compliance matters will address material errors, fraud, abuse, violations of compliance obligations, and other responsibilities imposed by state and federal statutes and regulations or assumed by contracts; and any state or federal grant, entitlement or loan program questioned costs of which we become aware, consistent with requirements of the standards and circulars identified above.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;

2. To evaluate subsequent events through the date the financial statements are issued or available to be issued, and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not evaluate subsequent events earlier than the date of the management representation letter referred to below;
3. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
4. For establishing and maintaining effective internal control over financial reporting, and for informing us of all significant deficiencies and material weaknesses in the design or operation of such controls of which it has knowledge;
5. For report distribution; and
6. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence;

As part of our audit process, we will request from management and, when appropriate, those charged with governance written confirmation concerning representations made to us in connection with the audit, including among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this letter; and
2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for identifying and ensuring that the County complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management is responsible for the design and implementation of programs and controls to prevent and detect fraud or abuse, and for informing us about all known or suspected fraud or abuse affecting the entity involving management, employees who have significant roles in internal control, and others where the fraud or abuse could have a material effect on the financial statements or compliance. Management is also responsible for informing us of its knowledge of any allegations of fraud or abuse, or suspected fraud or abuse, affecting the entity received in communications from employees, former employees, analysts, regulators or others.

Management is responsible for the preparation of the required supplementary information (RSI) and supplementary information presented in relation to the financial statements as a whole in accordance with accounting principles generally accepted in the United States of America. Management agrees to include the auditor's report on the RSI and supplementary information in any document that contains the supplementary information and indicates that the auditor has reported on such RSI and supplementary information. Management also agrees to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary

information no later than the date of issuance of the supplementary information and the auditor's report thereon.

Because the audit will be performed in accordance with the Single Audit Act and the Uniform Guidance, management is responsible for (a) identifying all federal awards received; (b) preparing the schedule of expenditures of federal awards (including notes and noncash assistance received) in accordance with Uniform Guidance requirements; (c) internal control over compliance; (d) compliance with federal statutes, regulations, and the terms and conditions of federal awards; (e) making us aware of significant vendor relationships where the vendor is responsible for program compliance (f) following up and taking corrective action on audit findings, including the preparation of a summary schedule of prior audit findings and a corrective action plan; and (g) submitting the reporting package and data collection form.

The County Legislature and Audit Advisory Committee are responsible for informing us of their views about the risks of fraud or abuse within the County, and their knowledge of any fraud or abuse or suspected fraud or abuse affecting the County.

You have informed us that you may issue public debt in the future and that you may include our report on your financial statements in the offering statement. You have further informed us that you do not intend for us to be associated with the proposed offering.

We agree that our association with any proposed offering is not necessary, providing the County agrees to clearly indicate that we are not associated with the contents of any such official statement or memorandum. The County agrees that the following disclosure will be prominently displayed in any such official statement or memorandum:

RSM US LLP, our independent auditor, has not been engaged to perform, and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. RSM US LLP also has not performed any procedures relating to this official statement.

Because RSM US LLP will rely on the County and its management and County Legislature and Audit Advisory Committee to discharge the foregoing responsibilities, the County holds harmless and releases RSM US LLP and its partners and employees from all claims, liabilities, losses and costs arising in circumstances where there has been a knowing misrepresentation by a member of the County's management that has caused, in any respect, RSM US LLP's breach of contract or negligence. This provision shall survive the termination of this arrangement for services.

Records and Assistance

If circumstances arise relating to the condition of the County's records, the availability of appropriate audit evidence or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting or misappropriation of assets which, in our professional judgment, prevent us from completing the audit or forming an opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

During the course of our engagement, we may accumulate records containing data that should be reflected in the County's books and records. The County will determine that all such data, if necessary, will be so reflected. Accordingly, the County will not expect us to maintain copies of such records in our possession.

The assistance to be supplied by County personnel, including the preparation of schedules and analyses of accounts, has been discussed and coordinated with the Comptroller's Office Accounting Department. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report.

Other Relevant Information

RSM US LLP may mention the County's name and provide a general description of the engagement in RSM US LLP's client lists and marketing materials.

From time to time and depending upon the circumstances, we may use third-party service providers to assist us in providing professional services to you. In such circumstances, it may be necessary for us to disclose confidential client information to them. We enter into confidentiality agreements with all third-party service providers and we are satisfied that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In addition, we may utilize financial information you have provided to us in connection with this engagement for purposes of creating benchmarking data to be used by RSM US LLP professionals and other clients. This benchmarking data is aggregated with data from a minimum of five other entities so that users of the data are unable to associate the data with any single entity in the database.

In accordance with GAS, a copy of our most recent peer review report is enclosed for your information.

Fees, Costs, and Access to Workpapers

Our fees for the services described above are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from County personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement

If any of the aforementioned criteria are not met, then fees may increase for out of scope charges. Interim billings will be submitted as work progresses. Billings are due upon submission. The payment schedule for the aforementioned services is as follows:

First progress billing	February 28, 2017	\$ 60,000

Our professional standards require that we perform certain additional procedures, on current and previous years' engagements, whenever a partner or professional employee leaves the firm and is subsequently employed by or associated with a client in a key position. Accordingly, the County agrees it

will compensate RSM US LLP for any additional costs incurred as a result of the County's employment of a partner or professional employee of RSM US LLP.

In the event we are requested or authorized by the County or are required by government regulation, subpoena or other legal process to produce our documents or our personnel as witnesses with respect to our engagement for the County, the County will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests. Such costs will be discussed with the County in advance.

The documentation for this engagement is the property of RSM US LLP. However, you acknowledge and grant your assent that representatives of the cognizant or oversight agency or their designee, other government audit staffs, and the U.S. Government Accountability Office shall have access to the audit documentation upon their request and that we shall maintain the audit documentation for a period of at least six years after the date of the report, or for a longer period if we are requested to do so by the cognizant or oversight agency. Access to requested documentation will be provided under the supervision of RSM US LLP audit personnel and at a location designated by our firm.

You have informed us that you intend to prepare a comprehensive annual financial report (CAFR) and submit it for evaluation by the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting. Our association with the CAFR is to consist of assisting the County in its annual effort to maintain its Certificate of Achievement for Excellence in Financial Reporting from the GFOA by subjecting the CAFR and the application to a review to ensure that all criteria have been met.

Claim Resolution

The County and RSM US LLP agree that no claim arising out of services rendered pursuant to this agreement shall be filed more than two years after the date of the audit report issued by RSM US LLP or the date of this arrangement letter if no report has been issued. The County waives any claim for punitive damages. RSM US LLP's liability for all claims, damages and costs of the County arising from this engagement is limited to the amount of fees paid by the County to RSM US LLP for the services rendered under this arrangement letter.

If any term or provision of this agreement is determined to be invalid or unenforceable, such term or provision will be deemed stricken and all other terms and provisions will remain in full force and effect.

Reporting

We will issue a written report upon completion of our audit of the County's financial statements. Our report will be addressed to the County Executive and members of the County Legislature. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In addition to our report on the County's financial statements, we will also issue the following types of reports:

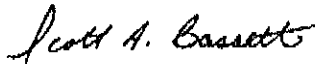

1. A report on the fairness of the presentation of the County's schedule of expenditures of federal awards for the year ended December 31, 2016;
2. Reports on internal control related to the financial statements and major programs. These reports will describe the scope of testing of internal control and the results of our tests of internal control;

3. Reports on compliance with laws, regulations, and the provisions of contracts or grant agreements. We will report on any noncompliance that could have a material effect on the financial statements and any noncompliance that could have a material effect, as defined by Subpart F of Title 2 U.S. CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, on each major program;
4. An accompanying schedule of findings and questioned costs; and
5. A report on the New York State Department of Transportation mandated Schedule of State Transportation Assistance Expended that addresses compliance with requirements that could have a direct and material effect on each State Transportation Program and internal control over compliance in accordance with Part 43 of the NYS Codification of rules and regulations. The responsibility we are to take for the material included in this report will be the same as that we assume for the single audit reports.

This letter, in conjunction with the contract dated November 13, 2014 and the RFP dated January 13, 2014, constitutes the complete and exclusive statement of agreement between RSM US LLP and the County, superseding all proposals, oral or written, and all other communications with respect to the terms of the engagement between the parties.

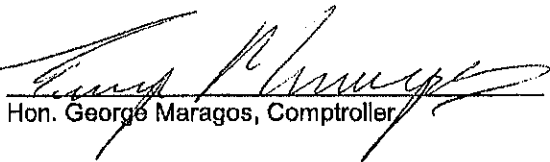

Please sign and return a copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements, including our respective responsibilities.

Public Accountants Peer Review Board

We have reviewed the system of quality control for the accounting and auditing practice of RSM US LLP (the "firm") applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended April 30, 2016. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards*, audits of employee benefit plans, audits performed under FDICIA, and audits of carrying broker-dealers, and examinations of service organizations [Service Organizations Control (SOC) 1 and 2 engagements].

In our opinion, the system of quality control for the accounting and auditing practice of RSM US LLP applicable to non-SEC issuers in effect for the year ended April 30, 2016, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. RSM US LLP has received a peer review rating of *pass*.

The Objective and Scope of the Audit of the Financial Statements

You have requested that we audit Nassau County's (the County) governmental activities, aggregate discretely presented component units, each major fund, the aggregate remaining fund information and the budgetary comparison (general fund, police district fund and sewer and storm water district fund) as of and for the year ended December 31, 2015 (with the Nassau Community College as of and for the year ended August 31, 2015), which collectively comprise the basic financial statements. Our audit will include the general fund and you acknowledge that we are the group auditor of the County's basic financial statements as of and for the year ended December 31, 2015. We will not audit the financial statements of the Nassau Regional Off-Track Betting Corporation, the Nassau County Industrial Development Agency, the Nassau County Local Economic Assistance Corporation, the Nassau County Bridge Authority and the Nassau Health Care Corporation, all discretely presented component units. Those financial statements will be audited by component auditors.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

Our audit will be conducted with the objective of our expressing an opinion on the financial statements and the accompanying supplementary information presented in relation to the basic financial statements.

We will also perform the audit of the County as of December 31, 2015 so as to satisfy the audit requirements imposed by the Single Audit Act and Subpart F of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

We will perform an audit of the New York State Department of Transportation mandated Schedule of State Transportation Assistance Expended that addresses compliance with requirements that could have a direct and material effect on each State Transportation Program and internal control over compliance in accordance with Part 43 of the NYS Codification of rules and regulations.

We will provide the County with our consent to release preliminary fiscal year results by the second week in April of each year subsequent to the end of the fiscal year being audited, and deliver the final audit and the comprehensive annual financial report (CAFR) by June 30 of each year subsequent to the end of the fiscal year being audited.

We will author a management letter communicating the results of the study and evaluation of the County's system of internal accounting controls performed as part of the audit of the financial statements. The management letter will also provide recommendations about other aspects of the County's operations where opportunities for improvement were observed. The management letter will be delivered

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

within 60 days after the release of the CAFR and/or Single Audit but no later than the last day of the fiscal year in which the reports are released.

We will attend all Audit Advisory Committee meetings as requested by the County Comptroller.

We will meet all requirements of the County as outlined in Section II, Scope of Work, of RFP No. CO0107-1402, issued January 13, 2014.

The Responsibilities of the Auditor

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS); *Government Auditing Standards* issued by the Comptroller General of the United States (GAS); the provisions of the Single Audit Act; Subpart F of Title 2 U.S. CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*; the U.S. Office of Management and Budget's (OMB) Compliance Supplement; and applicable guidance provided in Part 43 of the New York State Codification of Rules and Regulations (NYCRR) issued by the New York State Department of Transportation. Those standards, regulations, supplements and guides require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Also, an audit is not designed to detect errors or fraud that are immaterial to the financial statements. The determination of abuse is subjective; therefore, GAS does not expect us to provide reasonable assurance of detecting abuse.

In making our risk assessments, we consider internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate to the County Legislature and Audit Advisory Committee (a) any fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements that becomes known to us during the audit, and (b) any instances of noncompliance with laws and regulations that we become aware of during the audit (unless they are clearly inconsequential).

The funds that you have told us are maintained by the County and that are to be included as part of our audit are listed here:

- General Fund
- NIFA Fund
- Police District Fund
- Sewer and Storm Water District Fund
- Capital Fund
- Nonmajor Governmental Funds
 - Environmental Protection Fund (Special Revenue)
 - Tobacco Settlement Corp (Special Revenue)
 - Sewer Financing Authority (Special Revenue)
 - Grant Fund (Special Revenue)
 - FEMA Fund (Special Revenue)
 - Tobacco Settlement Corp (Debt Service)
 - Sewer Financing Authority (Debt Service)
 - NIFA (Debt Service)

The component units whose financial statements you have told us are to be included as part of the County's basic financial statements are listed here:

- Nassau Community College
- Nassau Health Care Corporation
- Nonmajor Discretely Presented Component Units
 - The Nassau Regional Off-Track Betting Corporation (Proprietary)
 - The Nassau County Industrial Development Agency (Proprietary)
 - The Nassau County Local Economic Assistance Corporation (Proprietary)
 - The Nassau County Bridge Authority (Proprietary)
- Blended Component Units
 - Nassau County Interim Finance Authority
 - The Nassau County Tobacco Settlement Corporation
 - The Nassau County Sewer and Storm Water Finance Authority

There are no component units whose financial statements you have told us will be omitted from the basic financial statements. Should it be determined during the course of the audit that related organizations are deemed to be component units for financial reporting purposes, they too will be included.

The federal financial assistance programs and awards that you have told us that the County participates in and that are to be included as part of the single audit are listed in an attachment (Appendix A).

Our report(s) on internal control will include any significant deficiencies and material weaknesses in controls of which we become aware as a result of obtaining an understanding of internal control and performing tests of internal control consistent with requirements of the standards and circulars identified above. Our report(s) on compliance matters will address material errors, fraud, abuse, violations of compliance obligations, and other responsibilities imposed by state and federal statutes and regulations or assumed by contracts; and any state or federal grant, entitlement or loan program questioned costs of which we become aware, consistent with requirements of the standards and circulars identified above.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;
2. To evaluate subsequent events through the date the financial statements are issued or available to be issued, and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not evaluate subsequent events earlier than the date of the management representation letter referred to below;
3. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
4. For establishing and maintaining effective internal control over financial reporting, and for informing us of all significant deficiencies and material weaknesses in the design or operation of such controls of which it has knowledge;
5. For (a) making us aware of significant vendor relationships where the vendor is responsible for program compliance, (b) following up and taking corrective action on audit findings, including the preparation of a summary schedule of prior audit findings and a corrective action plan, and (c) report distribution, including submitting the reporting packages; and
6. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters;
 - b. Additional information that we may request from management for the purpose of the audit;
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence;
 - d. When applicable, a summary schedule of prior audit findings for inclusion in the single audit reporting package; and
 - e. If applicable, responses to any findings reported on the schedule of findings and questioned costs.

As part of our audit process, we will request from management and, when appropriate, those charged with governance written confirmation concerning representations made to us in connection with the audit, including among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this letter; and
2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for identifying and ensuring that the County complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management is responsible for the design and implementation of programs and controls to prevent and detect fraud or abuse, and for informing us about all known or suspected fraud or abuse affecting the entity involving management, employees who have significant roles in internal control, and others where the fraud or abuse could have a material effect on the financial statements or compliance. Management is also responsible for informing us of its knowledge of any allegations of fraud or abuse, or suspected fraud or abuse, affecting the entity received in communications from employees, former employees, analysts, regulators or others.

Management is responsible for the preparation of the required supplementary information (RSI) and supplementary information presented in relation to the financial statements as a whole in accordance with accounting principles generally accepted in the United States of America. Management agrees to include the auditor's report on the RSI and supplementary information in any document that contains the supplementary information and indicates that the auditor has reported on such RSI and supplementary information. Management also agrees to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance of the supplementary information and the auditor's report thereon.

The County Legislature and Audit Advisory Committee are responsible for informing us of their views about the risks of fraud or abuse within the County, and their knowledge of any fraud or abuse or suspected fraud or abuse affecting the County.

You have informed us that you may issue public debt in the future and that you may include our report on your financial statements in the offering statement. You have further informed us that you do not intend for us to be associated with the proposed offering.

We agree that our association with any proposed offering is not necessary, providing the County agrees to clearly indicate that we are not associated with the contents of any such official statement or memorandum. The County agrees that the following disclosure will be prominently displayed in any such official statement or memorandum:

RSM US LLP, our independent auditor, has not been engaged to perform, and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. RSM US LLP also has not performed any procedures relating to this official statement.

Because RSM US LLP will rely on the County and its management, the County Legislature and Audit Advisory Committee to discharge the foregoing responsibilities, the County holds harmless and releases RSM US LLP and its partners and employees from all claims, liabilities, losses and costs arising in circumstances where there has been a knowing misrepresentation by a member of the County's management that has caused, in any respect, RSM US LLP's breach of contract or negligence. This provision shall survive the termination of this arrangement for services.

Records and Assistance

If circumstances arise relating to the condition of the County's records, the availability of appropriate audit evidence or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting or misappropriation of assets which, in our professional judgment, prevent us from completing the audit or forming an opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

During the course of our engagement, we may accumulate records containing data that should be reflected in the County's books and records. The County will determine that all such data, if necessary, will be so reflected. Accordingly, the County will not expect us to maintain copies of such records in our possession.

The assistance to be supplied by County personnel, including the preparation of schedules and analyses of accounts, has been discussed and coordinated with the Comptroller's Office Accounting Department. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report.

Other Relevant Information

RSM US LLP may mention the County's name and provide a general description of the engagement in RSM US LLP's client lists and marketing materials.

From time to time and depending upon the circumstances, we may use third-party service providers to assist us in providing professional services to you. In such circumstances, it may be necessary for us to disclose confidential client information to them. We enter into confidentiality agreements with all third-party service providers and we are satisfied that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In addition, we may utilize financial information you have provided to us in connection with this engagement for purposes of creating benchmarking data to be used by RSM US LLP professionals and other clients. This benchmarking data is aggregated with data from a minimum of five other entities so that users of the data are unable to associate the data with any single entity in the database.

In accordance with GAS, a copy of our most recent peer review report has been provided to you.

Fees, Costs, and Access to Workpapers

Our fees for the audit and accounting services described above are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from County personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement

If any of the aforementioned criteria are not met, then fees may increase for out of scope charges. Interim billings will be submitted as work progresses. Billings are due upon submission.

The payment schedule for the aforementioned services is as follows:

First progress billing	January 29, 2016	\$ 30,000
Second progress billing	February 29, 2016	30,000
Third progress billing	March 31, 2016	30,000

Final billing	After delivery of management letter or NYS DOT report, whichever is later	30,000
Total		\$ 300,000

Our professional standards require that we perform certain additional procedures, on current and previous years' engagements, whenever a partner or professional employee leaves the firm and is subsequently employed by or associated with a client in a key position. Accordingly, the County agrees it will compensate RSM US LLP for any additional costs incurred as a result of the County's employment of a partner or professional employee of RSM US LLP.

In the event we are requested or authorized by the County or are required by government regulation, subpoena or other legal process to produce our documents or our personnel as witnesses with respect to our engagement for the County, the County will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests. Such costs will be discussed with the County in advance.

The documentation for this engagement is the property of RSM US LLP. However, you acknowledge and grant your assent that representatives of the cognizant or oversight agency or their designee, other government audit staffs, and the U.S. Government Accountability Office shall have access to the audit documentation upon their request and that we shall maintain the audit documentation for a period of at least six years after the date of the report, or for a longer period if we are requested to do so by the cognizant or oversight agency. Access to requested documentation will be provided under the supervision of RSM US LLP audit personnel and at a location designated by our firm.

You have informed us that you intend to prepare a CAFR and submit it for evaluation by the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting. Our association with the CAFR is to consist of assisting the County in its annual effort to maintain its Certificate of Achievement for Excellence in Financial Reporting from the GFOA by subjecting the CAFR and the application to a review to ensure that all criteria have been met.

Claim Resolution

The County and RSM US LLP agree that no claim arising out of services rendered pursuant to this agreement shall be filed more than two years after the date of the audit report issued by RSM US LLP or the date of this arrangement letter if no report has been issued. The County waives any claim for punitive damages. RSM US LLP's liability for all claims, damages and costs of the County arising from this engagement is limited to the amount of fees paid by the County to RSM US LLP for the services rendered under this arrangement letter.

If any term or provision of this agreement is determined to be invalid or unenforceable, such term or provision will be deemed stricken and all other terms and provisions will remain in full force and effect.

Reporting

We will issue a written report upon completion of our audit of the County's financial statements. Our report will be addressed to the County Executive and members of the County Legislature. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In addition to our report on the County's financial statements, we will also issue the following types of reports:

1. A report on the fairness of the presentation of the County's schedule of expenditures of federal awards for the year ended December 31, 2015;
2. Reports on internal control related to the financial statements and major programs. These reports will describe the scope of testing of internal control and the results of our tests of internal control;
3. Reports on compliance with laws, regulations, and the provisions of contracts or grant agreements. We will report on any noncompliance that could have a material effect on the financial statements and any noncompliance that could have a material effect, as defined by Subpart F of Title 2 U.S. CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, on each major program;
4. An accompanying schedule of findings and questioned costs; and
5. A report on the New York State Department of Transportation mandated Schedule of State Transportation Assistance Expended, that addresses compliance with requirements that could have a direct and material effect on each State Transportation Program and internal control over compliance in accordance with Part 43 of the NYS Codification of rules and regulations. The responsibility we are to take for the material included in this report will be the same as that we assume for the single audit reports.

This letter, in conjunction with the contract dated November 13, 2014 and the RFP dated January 13, 2014, constitutes the complete and exclusive statement of agreement between RSM US LLP and the County, superseding all proposals, oral or written, and all other communications with respect to the terms of the engagement between the parties.

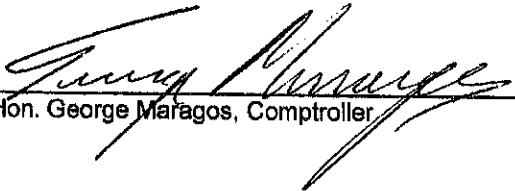

Please sign and return a copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements, including our respective responsibilities.

Hon. George Maragos
Comptroller
County of Nassau, New York
240 Old Country Road
Mineola, NY 11501

This letter is submitted to you along with Invoice No. M-4712816-138 in the amount of \$64,783 for out of scope contract work during the 2014 audit period. The contract, dated November 13, 2014, which includes the terms of the arrangement letter, dated January 6, 2015, by reference, stipulated that the scope of work would include items A-D below. Item E specifies what work would be out of scope and billable in addition.

- a. Anticipated cooperation from County personnel.
- b. Timely responses to our inquiries.
- c. Timely completion and delivery of client assistance requests.
- d. Timely communication of all significant accounting and financial reporting matters.
- e. The assumption that unexpected circumstances will not be encountered during the engagement.

The total amount of the invoice of \$64,783 is comprised of the following matters:

1. Untimely and Unexpected Circumstances in Adjusting Entries and Ontop entries: \$24,705

Background

The preliminary trial balance that was provided to us for audit was substantially incomplete. 106 adjusting entries were booked after we were provided with the trial balance, consisting of over 1,600 debits and credits and changing revenues and expenses by \$625 million and \$725 million, respectively. Of the 1,600 lines of entries that were processed after the cut-off, some were due to late submissions by the departments and administration and others were due to errors identified by the Comptroller's office or us. This was a material weakness for the 2014 audit.

Explanation for Out of Scope

This represents an untimely completion and delivery of client assistance requests and unexpected circumstances. Timely completion was not met since the preliminary trial balance provided was not substantially complete in time for the audit. This was an unexpected circumstance because the timing of the audit was agreed upon prior to commencement of fieldwork and because we expect a trial balance provided for audit to be substantially complete and ready for audit. The 106 adjusting entries resulted in significant effort by the team to record the adjusting entries and audit them given that we had already started procedures on the previously provided balances. Essentially, we had to perform our audit procedures twice – once on the preliminary trial balance numbers and again on the adjusted numbers. Once the trial balance is handed off to the auditors, adjusting journal entries after that should be minimal.

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

2. Untimely and Unexpected Circumstances in FEMA and Cash: \$5,748

Background

The Treasurer's office collected \$76 million of cash during 2015 (recorded in the bank) but did not record it in the financial system in the funds. This had the effect of understating year-end cash, revenue and other balance sheet accounts in the financial statements. This was a material weakness for the 2014 audit.

Explanation for Out of Scope

This represents unexpected circumstances. Given the review of previously issued management letters, we did not identify any significant findings related to auditing cash. Our fee was determined based on hours by audit area. For cash, we estimated hours for standard cash testing procedures which consist of testing reconciling items and confirming balances. Identifying the source of \$76 million worth of funds not recorded in NIFS and holding several meetings with management to unwind what occurred was not part of our anticipated scope.

3. Untimely and Unexpected Circumstances in Grants Received in Advance: \$8,689

Background

During the year-end audit, it was noted that Behavioral Health had over \$25 million of Deferred Revenue in the Grant fund that should have been recognized as revenue. This was not identified until May/June 2015. Several different versions of the account balance detail were provided requiring additional testing and analysis of each version. Further, the information dated back several years in order to arrive at the ending balance as of December 31, 2014. Accounting had numerous conversations with the department staff and the Administration and provided recommendations on how to revise their procedures to ensure that this revenue recognition is performed each year on a timely basis going forward. This was a significant deficiency for the 2014 audit.

Explanation for Out of Scope

This is out of scope for the audit of the 2014 financial statements since it required us to analyze several years' worth of data and represents unexpected circumstances since we had to spend additional time on calls and analyzing data related to the account balance. Standard procedures for this account balance would be to make selections, test them and, should any errors arise, make additional selections to gain comfort on the balance. In this situation, it was not as simple as making additional selections. We uncovered that the schedule provided for audit was not reliable and needed to be re-done. All of our testing had to be reperformed.

4. Untimely and Unexpected Circumstances in Restatement Related to Nassau County Tobacco Settlement Corporation: \$7,097

Background

Due to an inconsistency with the 2007 adoption of GASB 48 between the County and NCTSC, the NCTSC financial statements and the CAFR had to be restated. This required additional work by the auditors, technical partners and their national office.

Explanation for Out of Scope

This is out of scope for the audit of the 2014 financial statements since it relates to 2007 and represents unexpected circumstances. Given that we were auditing the year ended December 31, 2014, we did not anticipate an error dating back to 2007. We had to go back to the 2007 NCTSC financial statements and the 2007 CAFR to unwind the initial accounting. This is not part of the scope to audit the 2014 financial statements.

5. Untimely and Unexpected Circumstances in Single Audit: \$18,544

Background

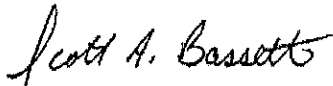

There was a required change in the reporting of FEMA expenditures for Single Audit reporting, and in order to comply with that change additional information was required. Accounting and the auditors had a difficult time obtaining this information from the Administration. An outside consultant is being used to track the FEMA costs and the Administration had to have the consultant go back and re-do the previous reporting, which took time. Thus the final Single Audit numbers were delayed and required additional staffing on the auditors part in order to complete the Single Audit. In addition, due to numerous findings in one of the Housing programs (HOME), which resulted in a qualified opinion for that program, additional analysis was required. The FEMA issue should not be a concern going forward as the Administration is now aware of the required information.

Explanation for Out of Scope

The standard scope of a single audit is to obtain the population for a major program to make selections. We were unable to be provided with a reliable population for several months.

For the HOME program, we qualified our audit opinion. A qualification is a modification to a standard audit report and requires additional procedures above the normal scope of the audit.

We are aware that the County has already started the process of addressing many of the comments and observations that we communicated during the 2014 audit that led to these out of scope billings and hope to have fewer out of scope items going forward. We appreciate the opportunity to continue to be of service to the County and look forward to the 2015 audit.

Mr. George Maragos, Comptroller
Nassau County
240 Old Country Road
Mineola, NY 11501

Dear Mr. Maragos:

The Objective and Scope of the Audit of the Financial Statements

You have requested that we audit the financial statements of Nassau County's (the "County") governmental activities, aggregate discretely presented component units, each major fund and aggregate remaining fund information as of and for the year-ended December 31, 2014 (with the Nassau Community College for the year ended August 31, 2014) which collectively comprise the basic financial statements. You acknowledge that we are the group auditor of the County's basic financial statements as of and for the year ended December 31, 2014. We will not audit the financial statement of the Nassau Regional Off-Track Betting Corporation, the Nassau County Industrial Development Agency, Nassau County Local Economic Assistance Corporation, the Nassau County Bridge Authority and the Nassau Health Care Corporation, all discretely presented component units. Those financial statements will be audited by component auditors.

We are pleased to confirm our understanding of this audit engagement by means of this letter. Our acceptance of this engagement is subject to our satisfactorily completing our normal engagement acceptance procedures, including review of the audit documentation of your previous auditors, adverse data searches and background checks and communication and coordination efforts with component auditors. We will notify you promptly if we become aware of anything during our acceptance procedures or the review of audit documentation that results in our not being able to continue this engagement.

Our audit will be conducted with the objective of our expressing an opinion on the financial statements, and the accompanying supplementary information presented in relation to the basic financial statements.

We will also perform the audit of the County as of December 31, 2014, so as to satisfy the audit requirements imposed by the Single Audit Act and the U. S. Office of Management and Budget (OMB) Circular No. A-133.

We will provide the County with our consent to release preliminary fiscal year results by the third week in March of each year subsequent to the end of the fiscal year being audited, and deliver the final audit and the CAFR by June 30 of each year subsequent to the end of the fiscal year being audited.

We will author a management letter communicating the results of the study and evaluation of the County's system of internal accounting controls performed as part of the audit of the financial statements.

RECEIVED-FRONT OFFICE
14 JAN -7 AM 3:56
NASSAU COUNTY
COMPTROLLER'S OFFICE

The management letter will also provide recommendations about other aspects of the County's operations where opportunities for improvement were observed. The management letter will be delivered within 60 days after the release of the CAFR and/or Single Audit but no later than the last day of the fiscal year in which the reports are released.

We will attend all Audit Committee meetings as requested by the County Comptroller.

We will meet all requirements of the County as outlined in Section II, Scope of Work, of **RFP No. CO0107-1402**, issued January 13, 2014.

The Responsibilities of the Auditor

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS); "Government Auditing Standards" issued by the Comptroller General of the United States; the provisions of the Single Audit Act, OMB Circular A-133, OMB's Compliance Supplement and guidance provided in the preliminary Draft Part 43 of the New York State Codification of Rules and Regulations (NYCRR) issued by the New York State Department of Transportation. Those standards, circulars, supplements and guides require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Also, an audit is not designed to detect errors or fraud that is immaterial to the financial statements. The determination of abuse is subjective; therefore, Government Auditing Standards do not expect us to provide reasonable assurance of detecting abuse.

In making our risk assessments, we consider internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.

We will also communicate to the County Legislature and the Audit Committee: (a) any fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements that becomes known to us during the audit, and (b) any instances of noncompliance with laws and regulations that we become aware of during the audit (unless they are clearly inconsequential).

The funds that you have told us are maintained by the County and that are to be included as part of our audit are listed here:

- General Fund
- NIFA Fund

- Police District Fund
- Sewer and Storm Water District Fund
- Capital Fund
- Nonmajor Governmental Funds
 - Environmental Protection Fund (Special Revenue)
 - Tobacco Settlement Corp (Special Revenue)
 - Sewer Financing Authority (Special Revenue)
 - Grant Fund (Special Revenue)
 - FEMA Fund (Special Revenue)
 - Tobacco Settlement Corp (Debt Service)
 - Sewer Financing Authority (Debt Service)
 - NIFA (Debt Service)

The existing component units whose financial statements you have told us are to be included as part of the County's basic financial statements are listed here:

- Nassau Community College
- Nassau Health Care Corporation
- Nonmajor Discretely Presented Component Units
 - The Nassau Regional Off-Track Betting Corporation (Proprietary)
 - The Nassau County Industrial Development Agency (Proprietary)
 - The Nassau County Local Economic Assistance Corporation (Proprietary)
 - The Nassau County Bridge Authority (Proprietary)
- Blended Component Units

There are no component units whose financial statements you have told us will be omitted from the basic financial statements. Should it be determined during the course of the audit that related organizations are deemed to be component units for financial reporting purposes, they too will be included.

Our report(s) on internal control will include any significant deficiencies and material weaknesses in controls of which we become aware as a result of obtaining an understanding of internal control and performing tests of internal control consistent with requirements of the standards and circulars identified above. Our report(s) on compliance matters will address material errors, fraud, abuse, violations of compliance obligations, and other responsibilities imposed by state and federal statutes and regulations or assumed by contracts, and any state or federal grant, entitlement, or loan program questioned costs of which we become aware, consistent with requirements of the standards and circulars identified above.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that management and when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

- a. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;

- b. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
- c. For establishing and maintaining effective internal control over financial reporting and for informing us of all significant deficiencies and material weaknesses in the design or operation of such controls of which it has knowledge;
- d. For (1) following up and taking corrective action on audit findings, including the preparation of a summary schedule of prior audit findings, and a corrective action plan, and (2) report distribution including submitting the reporting packages; and
- e. To provide us with:
 - (1) Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - (2) Additional information that we may request from management for the purpose of the audit;
 - (3) Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence;
 - (4) When applicable, a summary schedule of prior audit findings for inclusion in the single audit reporting package; and
 - (5) If applicable, responses to any findings reported on the schedule of findings and questioned costs.

As part of our audit process, we will request from management and when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit including among other items:

- a. That management has fulfilled its responsibilities as set out in the terms of this letter; and
- b. That it believes the effects of any uncorrected misstatements, where applicable, aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for identifying and ensuring that the County complies with the laws and regulations applicable to its activities, and for informing us about all known material violations of such laws or regulations. In addition, management is responsible for the design and implementation of programs and controls to prevent and detect fraud or abuse, and for informing us about all known or suspected fraud or abuse affecting the entity involving management, employees who have significant roles in internal control, and others where the fraud or abuse could have a material effect on the financial statements or compliance. Management is also responsible for informing us of its knowledge of any allegations of fraud or abuse or suspected fraud or abuse affecting the entity received in communications from employees, former employees, analysts, regulators, or others.

Management is responsible for the preparation of the required supplementary information (RSI) and supplementary information presented in relation to the financial statements as a whole in accordance with accounting principles generally accepted in the United States of America. Management agrees to include the auditor's report on the RSI and supplementary information in any document that contains the supplementary information and that indicates that the auditor has reported on such RSI and supplementary information. Management also agrees to present the supplementary information with the

audited financial statements or, if the supplementary information will not be presented with audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance of the supplementary information and the auditor's report thereon.

The County Legislature is responsible for informing us of its views about the risks of fraud or abuse within the entity, and its knowledge of any fraud or abuse or suspected fraud or abuse affecting the County.

You have informed us that you may issue public debt in the future and that you may include our report on your financial statements in the offering statement. You have further informed us that you do not intend that we be associated with the proposed offering.

We agree that our association with any proposed offering is not necessary, providing the County agrees to clearly indicate that we are not associated with the contents of any such official statement or memorandum. The County agrees that the following disclosure will be prominently displayed in any such official statement or memorandum:

McGladrey LLP, our independent auditor, has not been engaged to perform, and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. McGladrey LLP also has not performed any procedures relating to this official statement.

Because McGladrey LLP will rely on the County and its management and the County Legislature to discharge the foregoing responsibilities, the County holds harmless and releases McGladrey LLP, its partners, and employees from all claims, liabilities, losses, and costs arising in circumstances where there has been a knowing misrepresentation by a member of the County's management which has caused, in any respect, McGladrey LLP's breach of contract or negligence. This provision shall survive the termination of this arrangement for services.

The County's Records and Assistance

If circumstances arise relating to the condition of the County's records, the availability of appropriate audit evidence, or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment, prevent us from completing the audit or forming an opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an opinion, issue a report, or withdraw from the engagement.

During the course of our engagement, we may accumulate records containing data that should be reflected in the County's books and records. The County will determine that all such data, if necessary, will be so reflected. Accordingly, the County will not expect us to maintain copies of such records in our possession.

The assistance to be supplied by County personnel, including the preparation of schedules and analyses of accounts, has been discussed and coordinated with the Comptroller's Office Accounting Department. The timely and accurate completion of this work is an essential condition to our completion of the audit and issuance of our audit report.

Other Relevant Information

In accordance with *Government Auditing Standards*, a copy of our most recent peer review report is enclosed, for your information. In such circumstances, it may be necessary for us to disclose confidential client information to them. We enter into confidentiality agreements with all third-party service providers and we are satisfied that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In addition, we may utilize financial information you have provided to us in connection with this engagement for purposes of creating benchmarking data to be used by McGladrey LLP professionals and other clients. This benchmarking data is aggregated with data from a minimum of five other entities so that users of the data are unable to associate the data with any single entity in the database.

Fees, Costs, and Access to Work papers

Our fees for the audit and accounting services described above are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work is based upon the following criteria:

- a. Anticipated cooperation from County personnel.
- b. Timely responses to our inquiries.
- c. Timely completion and delivery of client assistance requests.
- d. Timely communication of all significant accounting and financial reporting matters.
- e. The assumption that unexpected circumstances will not be encountered during the engagement.

The documentation for this engagement is the property of McGladrey LLP. However, you acknowledge and grant your assent that representatives of the cognizant or oversight agency or their designee, other government audit staffs, and the U.S. Government Accountability Office shall have access to the audit documentation upon their request and that we shall maintain the audit documentation for a period of at least six years after the date of the report, or for a longer period if we are requested to do so by the cognizant or oversight agency. Access to requested documentation will be provided under the supervision of McGladrey LLP audit personnel and at a location designated by our Firm.

You have informed us that you intend to prepare a comprehensive annual financial report (CAFR) and submit it for evaluation by the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting. We will assist the County in its annual effort to maintain its Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association ("GFOA") by subjecting the CAFR and the application to a review to ensure that all criteria have been met.

Claim Resolution

The County and McGladrey LLP agree that no claim arising out of services rendered pursuant to this agreement shall be filed more than two years after the date of the audit report issued by McGladrey LLP or the date of this arrangement letter if no report has been issued. The County waives any claim for punitive damages. McGladrey LLP's liability for all claims, damages and costs of the County arising from this engagement is limited to the amount of fees paid by the County to McGladrey LLP for the services rendered under this arrangement letter.

If any term or provision of this Agreement is determined to be invalid or unenforceable, such term or provision will be deemed stricken, and all other terms and provisions will remain in full force and effect.

Reporting

We will issue a written report upon completion of our audit of the County's financial statements. Our report will be addressed to the County Executive and members of the County Legislature. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In addition to our report on the County's financial statements, we will also issue the following types of reports:

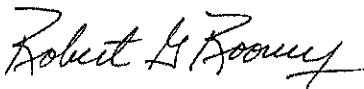

- A report on the fairness of the presentation of the County's schedule of expenditures of federal awards for the year ending December 31, 2014.
- Reports on internal control related to the financial statements and major programs. These reports will describe the scope of testing of internal control and the results of our tests of internal controls.
- Reports on compliance with laws, regulations, and the provisions of contracts or grant agreements. We will report on any noncompliance which could have a material effect on the financial statements and any noncompliance which could have a material effect, as defined by OMB Circular No. A-133, on each major program.
- A schedule of findings and questioned costs.

- A report on the New York State Department of Transportation mandated Schedule of State Transportation Assistance Expended, that addresses compliance with requirements that could have a direct and material effect on each State Transportation Program and internal control over compliance in accordance with Part 43 of the NYS Codification of rules and regulations. The responsibility we are to take for the material included in this report will be the same as that we assume for the OMB Circular A-133 report.

This letter, in conjunction with the contract dated November 13, 2014 and the RFP dated January 9, 2014, constitutes the complete and exclusive statement of agreement between McGladrey LLP and the County, superseding all proposals, oral or written, and all other communications, with respect to the terms of the engagement between the parties.

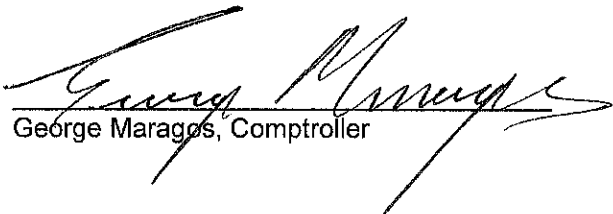

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities.

CONTRACTOR NAME: McGladrey LLP

CONTRACTOR ADDRESS: 1185 Avenue of the Americas, New York, New York
10036

FEDERAL TAX ID #: 420714325

Instructions: Please check the appropriate box ("☑") after one of the following roman numerals, and provide all the requested information.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

II. ☒ The contractor was selected pursuant to a Request for Proposals.

The Contract was entered into after a written request for proposals was issued on 1/8/13. Potential proposers were made aware of the availability of the RFP by newspaper advertisement, and posting on website. 3 potential proposers requested copies of the RFP. Proposals were due on 3/14/14. 3 proposals were received and evaluated. The evaluation committee consisted of: Judy Bejarano; Lisa Tsikouras and Christopher Leimone. The proposals were scored and ranked. As a result of the scoring and ranking (attached), the highest-ranking proposer was selected.

III. ☐ This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on _____ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after _____

_____, [describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- ☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

In addition, if this is a contract with an individual or with an entity that has only one or two employees:

☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

(b) The Contractor shall deliver services under this Agreement in a professional manner consistent with the best practices of the industry in which the Contractor operates. The Contractor shall take all actions necessary or appropriate to meet the obligation described in the immediately

preceding sentence, including obtaining and maintaining, and causing all Contractor Agents to obtain and maintain, all approvals, licenses, and certifications ("Approvals") necessary or appropriate in connection with this Agreement.

11. Assignment; Amendment; Subcontracting; Waiver. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his duly designated deputy. Any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

12. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the County Comptroller (the "Comptroller"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the County Comptroller shall be given to the County Attorney on the same day that notice is given to the Comptroller.

(c) Contractor Assistance Upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this Section shall survive the termination of this Agreement.

13. Indemnification; Defense; Cooperation. (a) The Contractor shall be solely responsible for and shall indemnify, defend and hold harmless the County, its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same;

provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence, fault or default of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement to the extent allowable by industry professional standards.

(d) The provisions of this Section shall survive the termination of this Agreement.

14. Insurance. (a) **Types and Amounts.** The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured via a blanket endorsement with "Nassau County" as certificate holder, and have a minimum single combined limit of liability of not less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) aggregate coverage; (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than One Million Dollars (\$1,000,000) per occurrence and Two Million dollars (\$2,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance including, without limitation, builder's all risk, if applicable, automobile liability insurance and umbrella liability insurance as may be agreed to by the parties.

(b) **Acceptability; Deductibles; Subcontractors.** All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State, and (ii) in form and substance reasonably acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) **Delivery; Coverage Change; No Inconsistent Action.** Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the County Attorney's office. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall endeavor to provide written notice to the County Attorney's office of the same and deliver to the County Attorney's office renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take any action, or omit to take any action that would suspend or invalidate any of the required

coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

15. Accounting Procedures; Records.

A. The Contractor shall maintain and retain, for a period of six (6) years, following the latter of termination of, or final payment, under this agreement, complete and accurate records, documents, accounts and other evidence whether maintained electronically or manually ("Records") pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Government Auditing Standards ("GAGAS") and, to the extent not inconsistent with GAGS, the Contractor's policies and procedures.. Such Records shall at all times be available for audit and inspection of the County Comptroller (to the extent that such audit would not compromise the auditors' independence), the Comptroller General of the United States or any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

B. Notwithstanding anything to the contrary contained in section 9 (a), upon prior written notice, where possible and during normal business hours, the Contractor shall provide access to the time sheets, invoices, time records, policies and procedures and expense receipts pertaining to the Services (the "Billing Records"), to the extent reasonably necessary to substantiate payment hereunder, for inspection by the Comptroller's Office. Information contained in the Contractor's Billing Records which constitute confidential personal information shall be excluded.

16. Non-exclusivity. The County acknowledges that the Contractor shall have the right to provide services of any kind or nature whatsoever to any person or entity as the Contractor in its sole discretion deems appropriate and nothing herein shall be construed to conflict with that right.

17. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against either party upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the County Attorney's Office and the Counsel to the Comptroller for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the County Comptroller under this section to the County Attorney (at One West Street, Mineola, NY 11501) on the same day that documents are sent or delivered to the County Comptroller. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

18. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement, irrespective of whether the

Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

19. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, all claims or actions with respect to this Agreement shall be resolved exclusively by a court of competent jurisdiction located in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

20. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (ii) if to the County Attorney, to the attention of the County Attorney at 1 West Street, Mineola, NY 11501, and (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

21. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement, so if any construction is made of the Agreement it shall not be construed against either party as a drafter.

22. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

23. **Administrative Service Charge.** The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty-Three dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

Contractor checks for the administrative service charge should be payable to the order of "Nassau County."

24. **Entire Agreement.** This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

25. **Executory Clause.** Notwithstanding any other provision of this Agreement:

(a) **Approval and Execution.** The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person unless (i) all County and governmental approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive (as defined in this Agreement).

(b) **Availability of Funds.** The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any Person beyond funds appropriated and encumbered.

IN WITNESS WHEREOF, the Contractor and the County have executed this Agreement as of the date first above written.

Appendix EE

Equal Employment Opportunities For Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the

Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the

respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the

advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

REQUEST FOR PROPOSALS (RFP) FOR ANNUAL AUDIT SERVICES

Proposal Issuance Date: January 13, 2014

Proposal Submission Date: February 7, 2014

RFP No. CO0107-1402

I. GENERAL INFORMATION

A. Introduction.

The Nassau County Comptroller (“Comptroller”), on behalf of Nassau County (the “County”), is soliciting proposals for the annual audit of the County’s financial statements, the preparation of management letters, federally mandated single audits, New York State agency mandated single audits, and other related services. This Request for Proposals (“RFP”) describes the scope of work to be performed; minimum proposer qualifications; required proposal format and content; proposal evaluation criteria; and required terms of any agreement resulting from this RFP.

The County’s 2014 annual budget exceeds \$3.4 billion as reported in the five (5) major operating funds¹ and the sewer and storm water district fund. The major governmental funds of the County, as reported in the County’s Comprehensive Annual Financial Report (“CAFR”) are: (1) the general fund², (2) the police district fund, (3) the sewer and storm water district fund, and the capital fund. Other non-major County governmental funds reported in the CAFR include the capital fund, the grant fund, the FEMA fund, the retirement contribution fund, the employee benefit accrued liability reserve fund, and the environmental protection fund. County transactions are recorded through the Nassau Integrated Financial System (“NIFS”), an automated mainframe system acquired by the County in 1999.

The selected vendor will be required to attend all meetings of the Nassau County Comptroller’s Audit Advisory Committee (the “Audit Committee”), and will be asked to brief the Audit Committee on the progress of the audit and to discuss any concerns that have arisen during the course of the audit. The Audit Committee meets at the discretion of the Board Members and the County Comptroller.

The County expects to enter into an agreement with the vendor who submits the proposal most advantageous to the County. Potential vendors with verifiable qualifications and demonstrated ability are invited to submit proposals for the RFP services.

Nassau County is committed to a policy of equal opportunity and does not discriminate against vendors on the basis of age, sex, sexual orientation, race, color, creed, religion, ethnicity, national origin, disability, marital status, familial status, veteran status or any other basis protected under federal, state, and local laws, regulations and ordinances.

¹ The five major operating funds of the County are: the general fund, the police district fund, the police headquarters fund, the fire prevention fund, and the debt service fund.

² In accordance with Governmental Accounting Standards’ Board Statement No. 54, for reporting purposes, the general fund now includes several major operating funds, such as the police headquarters fund, the fire prevention fund, and the debt service fund, and non-major governmental funds, such as the technology fund and the open space fund.

Office of the Nassau County Comptroller
240 Old Country Road, Suite 210
Mineola, New York 11501

C. Proposed Preparation Costs.

Neither the Comptroller nor the County shall be liable for any costs incurred in the preparation and production of a proposal in response to this RFP or for any work performed prior to the issuance of a contract.

D. Rejection of Proposals.

Termination under this subsection shall be effected by the Contractor delivering to the County Comptroller, at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection.

Notice shall be provided at least one hundred and twenty (120) days prior to termination, except as otherwise required by any such law, rule, regulation, standard, interpretation or decision. Prior to any such termination, the Contractor agrees (i) to inform the County of any such law, rule, regulation, standard, interpretation or decision, and (ii) to work in good faith with the County to seek any reasonable alternatives to termination in accordance with such law, rule, regulation, standard, interpretation or decision. Notwithstanding the foregoing, the Contractor may terminate this Agreement immediately upon written notice for reasons related to professional standards, law or regulation, including but not limited to, the independence of the Contractor, the County's failure to provide information (including written representation) or refusal to cooperate, or unresolved accounting or financial reporting disagreements.

9. **Accounting Procedures; Records.** (a) The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Government Auditing Standards ("GAGAS") and, to the extent not inconsistent with GAGS, the Contractor's policies and procedures. Such Records shall at all times be available for audit and inspection by the County Comptroller, to the extent that such audit would not compromise the auditors' independence, Comptroller General of the United States or any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

(b) Notwithstanding anything to the contrary contained in section 9 (a), upon prior written notice, where possible and during normal business hours, the Contractor shall provide access to the time sheets, invoices, time records, policies and procedures and expense receipts pertaining to the Services (the "Billing Records"), to the extent reasonably necessary to substantiate payment hereunder, for inspection by the Comptroller's Office. The Contractor shall send or deliver copies of the documents presented to the County Comptroller under this Section to the County Attorney (at One West Street, Mineola, NY 11501) on the same day that documents are sent or delivered to the County Comptroller. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

12. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

13. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional antidiscrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No.14-2002, for the purpose of granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to

issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or

does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project. As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation.
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.

e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.

f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.

g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.

h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.

i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Re: Best and Final Offer RFP CO0107-1402 Annual Audit Services

Dear Chris:

We appreciate the opportunity to provide additional clarification in response to the County's BAFO letter dated May 23, 2014. The McGladrey team enjoyed our oral interview in Mineola with you, the Comptroller and the evaluation committee members.

Following are our responses to each of the questions:

1. The annual cost proposal for the services requested for the years covered in the RFP.

Original Fee Proposal. McGladrey's proposed lump sum fees by major audit area by year in our initial proposal were:

	2014	2015	2016	2017	2018
Financial statement audit	\$240,000	\$240,000	\$240,000	\$250,000	\$250,000
Single audit	70,000	70,000	70,000	75,000	75,000
Total not-to-exceed costs	\$310,000	\$310,000	\$310,000	\$325,000	\$325,000

Best and Final Offer. To demonstrate our desire to work with Nassau County, we will provide an additional discount from our initial fees, for each audit and each year:

	2014	2015	2016	2017	2018
Financial statement audit	\$235,000	\$235,000	\$235,000	\$245,000	\$245,000
Single audit	<u>65,000</u>	<u>65,000</u>	<u>65,000</u>	<u>70,000</u>	<u>70,000</u>
Total not-to-exceed costs	<u>\$300,000</u>	<u>\$300,000</u>	<u>\$300,000</u>	<u>\$315,000</u>	<u>\$315,000</u>

2. Whether the cost proposal includes any services in relation to the County's transition to a new financial system that may be implemented during the contract period, and what those services would be.

Yes, our proposal does include certain services related to a new financial system transition. These include:

- Discussions with the County relative to the planned functionality of the system, the number of modules expected to be implemented (general ledger, fixed assets, accounts payable, budget, treasury, HR and payroll, etc.), our experience with other financial system transitions, typical challenges, and the County's plan to oversee and manage the transition.

- Meeting with the System Integrator selected by the County to understand the timeline, controls and approach for the new system.
- Consideration of revised controls, including manual vs. automated controls (such as work flow approval of invoices). We will adopt our audit approach to consider these new controls and processes.
- Review of the data conversion and migration process, from the existing application to the new financial system, to create a solid audit trail and accurate transition.
- Informal input on the systems RFP and potential integration vendors, if desired.
- Note: Our assumption is that the County's implementation would be timely and not result in any data errors, unreconciled amounts or misstated balances. If these are detected during our audit testing, we would discuss any additional audit effort or fees with you.

3. Describe the number of grants that will be tested in the County's single audit that are included in the cost proposal, and whether the proposal contemplates the County as a high-risk entity.

The number of grant major programs expected to be tested as part of the County's Single Audit is 18. Our budget was prepared based on the historic level of Federal funding received and expended by the County, excluding the effect of ARRA funded programs in recent years. Based on that analysis, it appears that, on average, between 15 and 20 major programs are being tested annually.

Our audit testing will determine whether the County is deemed as a high-risk or low risk auditee. In either case, our fees will not change, as we do not believe that there would be a significant effect on the scope of the Single Audit. Based on the size and number of programs that will have to be rotated through as major programs over a three year cycle, we deem it highly unlikely that the percentage of coverage would drop below the level that would have an impact.

As discussed during our oral presentation, we will also consider the effect of the new OMB super-circular, and have a planning session with you.

4. Describe the requirements and procedures that will be necessary for the firm to meet the requirement that the budgetary year-end numbers be released at the end of February.

Immediately upon the execution of our arrangement letter, we will schedule a meeting with key County personnel to discuss the timing, availability of financial information related to accounts that could impact your budgetary year-end numbers and individuals who will be responsible for the preparation of such.

We will then develop a prepared by client (PBC) listing and a time-table for completion of the various analysis and schedules and obtain concurrence from management. We will then assign various areas of testing to members of our engagement team.

Our engagement Director, Bob Rooney, has been associated with the County's audit from 1998 to 2009. During his tenure, the timing for the release of the County's budgetary year-end numbers was never missed. Bob's knowledge of the operations of the County and his years of experience will ensure that the appropriate accounts impacting your budgetary numbers will be addressed timely so that your press release deadline will be met.

5. Describe whether the firm would charge the County an additional fee for including the County's financials, without an update, in its bond and note offerings, and what that charge would be.

There will be no charge to the County for including McGladrey's audit opinion on the County's financial statements in any bond or note offerings.

Upon completion of our audit, we will provide the County with the appropriate Auditor's Report that would be used in any of the County's offering documents. We would expect the County to include appropriate language recommended by the Government Finance Officers' Association in all such offering documents, which would inform the readers that no additional procedures were performed by the auditor.

Should the underwriters request our firm to perform agreed-upon procedures and render a Comfort Letter, we would discuss with management, the time required and a fee estimate using our hourly contract rates.

6. Describe the extent of training that the firm would provide to the Comptroller's Office personnel assisting the firm on the audit, as well as training provided to County personnel, in relation to the single audit.

Once or twice a year, McGladrey holds a webcast for clients and non-clients. Topics usually center on new accounting pronouncements, auditing standards, best practices or upcoming changes in the public sector industry. Various members of County management have been invited to attend several past presentations, at no cost.

In addition, we will conduct an annual half day or one day training for County employees in the accounting function on accounting or public sector topics that may be of interest to them.

In 2013, Bob Rooney conducted a one day training session for accounting personnel from various County Departments who were involved in the process of expending Federal funds. Bob was supported by Dan Bonnette, from our Boston office, who enlightened the attendees on the various components of the Single Audit Act and its compliance and reporting requirements. Bob then discussed the County's process that was in place to capture the reporting of expenditures by program so that the County could accurately complete the Schedule of Expenditures of Federal Awards on a timely basis. He also described the types of documentation required to be provided to the auditor in order to adhere to the Federal Compliance regulations. We would continue to conduct this training on an annual basis.

There is **no cost** to the County for the webcasts, half or one day training on applicable accounting or public sector topics or the single audit training.

7. Describe whether the reissuance of the County's 2012 Comprehensive Annual Financial Report will have an impact on your annual cost proposal or any audit procedures.

There will be no impact on our audit cost. Part of our audit procedures will include an understanding of the circumstances as to why the reissuance was required and the specific pension plan reporting errors detected. In addition, we will inquire about any new processes that were put into place to strengthen the financial reporting.

8. Describe what types of additional services your firm will provide as part of the not-to-exceed fee. For example, if the County required assistance with accounting issues or the accounting treatment of transactions, what services would be provided without an additional cost and how would you determine what services would require an additional fee?

There would be no additional fees charged for consultation on accounting issues or the accounting treatment of transactions. We believe in timely communication and advance discussion of emerging accounting standards.

We would discuss with management the additional fees for services resulting from significant changes required by major new accounting pronouncements (i.e. GASB 34); any requests for opinion letters from our firm regarding the treatment of proposed transactions; or any agreed-upon procedures reports that may be required by underwriters, regulators or third-party transactions.

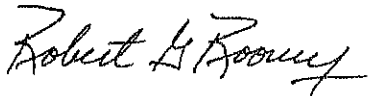

9. Describe whether the firm would charge the County an additional fee to speak to grantors on the County's behalf should the need to address grantor's follow-up questions, issues or concerns that arise as a result of any Single Audit findings.

Telephone calls or meetings with grantors to discuss the resolution or impact of our single audit findings would not require additional charges.

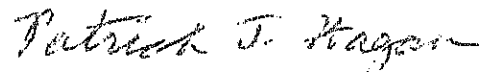

If the regulators requested additional or expanded audit testing or rework is required as a result of findings, then we would incur additional fees. We would discuss the amount of time estimated with management prior to the commitment or performance of such work.

Please contact Bob or Pat at with any questions or comments. The entire McGladrey team would be honored to work with Nassau County. Thank you for your consideration.

Sincerely,

Robert G. Rooney

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

II. ☐ The contractor was selected pursuant to a Request for Proposals. The Contract was entered into after a written request for proposals was issued on _____ [date]. As a result of the scoring and ranking, the highest-ranking proposer was selected.

III. ☐ This is a renewal, extension or amendment of an existing contract:

The contract was originally executed by Nassau County on _____ [date]. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after _____

[describe procurement method, i.e., RFP, three proposals evaluated, etc.] Attach a copy of the most recent evaluation of the contractor's performance for any contract to be renewed or extended. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. X Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- X A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

Instructions with respect to Sections VII, VIII and IX: All Departments must check the box for VII. Then, check either box Section VIII or IX, as applicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. ☒ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☒ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41, 1987-1 C.B. 296*, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

Service: Personal Services Contract for Christopher Eyers Yerlig

The above mentioned performer will provide professional performances of miming and mechanical man entertainment to benefit Nassau County residents at Old Bethpage Village Restoration for the 2017 season.

This service is specialized and unique as a Civil War Era Brass Band. Each artist and musical performer, possesses such individual skills that they cannot be evaluated through a competitive bidding process. In fact, an increasing number of states, municipalities and sub-divisions have codified the determination that entertainers and artists are considered sole source. These include the New York City Department of Education, the States of Virginia and West Virginia, the District of Columbia, and several state universities, among others.

These services cannot be provided by any staff currently employed by the county.

A handwritten signature in black ink, appearing to read "Brian Nugent", is written over the printed name and title.

If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to continue to contract with the county.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**
- ☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. X Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

- X A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

- ☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

Instructions with respect to Sections VII, VIII and IX: All Departments must check the box for VII. Then, check either box Section VIII or IX, as applicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. X Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☐ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. X Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: X a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41*, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

SERVICE: Personal Services Contract for Lakeside Theatre Programming:

Dr. K's Motown Revenue

Re: Live Musical Performance on August 4, 2017 at Lakeside Theatre, Eisenhower Park

The above contractor will provide a professional musical performance for the residents of Nassau County for the above mentioned concert. The compensation to this presenter is consistent with fees for unique artistic presentations of this kind. It was engaged directly without the assistance (or fee) of an agent, broker or producer.

Dr. K's Motown Revue has previously performed at the Lakeside Theatre for the TD Bank Celebrate America show and has appeared at the Executive and Legislative Building in Mineola. They are returning to the Lakeside Theatre due to their history of attracting a significant audience and its reasonable fee complies with the Park's Department's initiative to provide quality talent at minimum cost. This group offers a lively, audience-participatory performance, showcasing a wealth of local talent with many musicians and singers. Performances at Lakeside Theatre in Eisenhower Park have been presented free to the Nassau County public since the Theater's creation in the late 1960's.

Each artist and musical performer, possesses such individual skills that they cannot be evaluated through a competitive bidding process. In fact, an increasing number of states, municipalities and sub-divisions have codified the determination that entertainers and artists are considered sole source. These include the New York City Department of Education, the States of Virginia and West Virginia, the District of Columbia, and several state universities, among others.

Paul Korman, aka Dr. K, in his visionary quest to create the ultimate Motown tribute band has put together an array of seasoned musicians and singers to form the Dr. K's Motown Revue Band (DKMRB). I'd like to take a moment to provide some background on the band and show you how our services can take your upcoming events to another level.

The DKMRB is a professional self contained 11 piece Motown tribute band. They take you through the Motown experience of the 60s performing hits by the Supremes, Temptations, Martha and the Vandellas and many other Motown artists. Dr. K. devotes a segment of every show to Diana Ross hits as well as the memorable duets of Marvin Gaye and Tammi Terrell. Audiences are enthralled because it is not just the songs but the memories associated with them that have left an indelible stamp on the hearts and souls of generations of Motown fans around the world.

The band includes seven musicians (rhythm, wind, keyboard and percussion sections) and four lead vocalists sporting snazzy coordinated costumes and performing snappy dance routines. The DKMRB plays various venues and repeat performances including:

- Lincoln Center for the Performing Arts
- Central Park
- United Nations
- Jones Beach Bandshell
- Mystic Seaport
- Seawanhaka Corinthian Yacht Club
- Town of Oyster Bay Parks Department
- Town of Hempstead Parks Department
- City of New Britain, CT Parks Department
- Numerous Corporate Events
- Mohegan Sun's Wolf's Den
- BB King Blues Club in NYC multiple times a year for the past 8 years
- Sellersville Theatre New Year's Eve Party for the last 6 years

Paul Korman has been leading bands for over 30 years and knows what it takes to get a good sound, stage presence and exceptional presentation from his musicians and vocalists. The DKMRB is phenomenal and will bring any audience to life.

Dr. K's reputation for service is second to none. We stand ready to work around your budget and with you in any way we can be of assistance. Please take a moment to view the attached DVD to give you an idea of just how phenomenal this band really is. Once you've reviewed our press kit and DVD I'm sure you'll be impressed and delighted.
