If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☒ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

On an annual, and as needed basis, Bonadio & Co., LLP solicits information from all employees as to any potential conflicts with any of the firm's clients. We work exhaustively to ensure that no conflict exists at the outset by limiting our Medicaid Compliance audit activities to provider types for which we perform no, or extremely limited, accounting services. Both of these strategies work collaboratively to ensure, as much as possible, that whatever provider selected by Nassau County would not create a perceived or actual conflict of interest. In the rare instance that a conflict (real or perceived) was to arise, the County will be notified immediately and Bonadio & Co., LLP would recuse ourselves from conducting the Medicaid Compliance audit.

Bonadio & Co., LLP, founded in 1978 in Rochester, NY with two partners and one part-time employee, has grown to become the largest independent provider of accounting, consulting and financial services in Upstate New York, currently employing 585 professionals and with annual revenues of [REDACTED]

Bonadio & Co., LLP currently provides expert Medicaid Compliance Auditing Services to Suffolk and Niagara Counties. WE were the first contractors to have an audit plan approved by OMIG, first to conduct an audit, first to issue a final report and first to defend our audit results at Administrative Hearing. We are the only provider to have the same personnel conducting Medicaid Compliance audits today as attended the original OMIG sponsored training on the County Demonstration Program before its inception. Clearly, we have significant hands on practical experience navigating the audit process and working with staff at all levels at OMIG. WE also have significant experience in dealing with the various strategies used by defense attorneys. Our audits have resulted in cases being referred to the NYS Attorney General's office and our audits have uncovered issues which resulted in our conducting special investigations for possible 145(b) litigation.

Our strength is in conducting Medicaid Compliance audits and fraud investigation. Our Medicaid Compliance audits and our fraud investigation projects have a similar objective of uncovering potential abuse of taxpayer dollars for unsubstantiated Medicaid service, with documented proof subjected to rigorous scrutiny and submitted to the County for further action.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

12. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

13. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

14. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

15. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

16. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

17. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be

19. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

20. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

21. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

22. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of Five Hundred Thirty Three Dollars (\$533.00) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. Such certification shall be relied upon by the County as a binding representation; and

(b) if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. Said notification shall include, but not be limited to: (i) a statement that the Contractor has, in good faith, determined that it is infeasible to return or destroy the PHI in its possession and/or in the possession of its subcontractors or agents, as applicable, (ii) identification of the PHI that the Contractor believes it is infeasible to return or destroy, and (iii) the specific reasons for such determination. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

ARTICLE VII. INDEMNIFICATION

Section 7.01 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor's control.

Section 7.02 Control of Defense. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or any subcontractor, agent, Individual, or organization under the Contractor's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent its interests, in which case the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

Section 7.03 Control of Resolution. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

ARTICLE VIII. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

ARTICLE IX. MISCELLANEOUS

Section 9.01 Survival. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 6.4, and 7, solely with respect to PHI the Contractor retains in accordance with Section 6.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely.

Section 9.02 Amendments. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. Notwithstanding anything in the Agreement to the contrary, to the extent that the Privacy Rule, or any other applicable privacy law are materially amended, updated, or revised following the execution of this Addendum, the parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the County to comply with the requirements of the Privacy Rule and HIPAA.

Section 9.03 No Third Party Beneficiaries. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

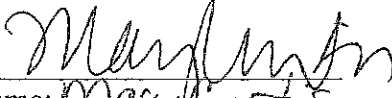

Section 9.04 Disputes. If any controversy, dispute, or claim arises between the parties with respect to the Agreement (including, but not limited to, this Addendum), the parties shall make reasonable good faith efforts to resolve such matters informally.

9.7 Interpretation. Any ambiguity in the Agreement (including, but not limited to, this Addendum) shall be resolved in favor of a meaning that permits the County to comply to the greatest extent possible with the Privacy Rule.
IN WITNESS WHEREOF, each of the undersigned has caused this Addendum to be duly executed in its name and on its behalf effective as of June 16, 2009

PRIVACY POLICY STATEMENT

for
County Medicaid Demonstration Project

Purpose:

The HIPAA Privacy Rule requires our covered entity clients to enter into written contracts or other arrangements with business associates which protect the privacy of protected health information; but covered entities are not required to monitor or oversee the means by which their business associates carry out privacy safeguards or the extent to which the business associate abides by the privacy requirements of the contract. Nor is the covered entity (client) liable for the actions of its business associates.

However, if a covered entity discovers a material breach or violation of the contract by the business associate it must take reasonable steps to cure the breach or end the violation, and if unsuccessful, terminate the contract with the business associate. If termination is not feasible (e.g. where there are no other viable business alternatives for the covered entity), the covered entity must report the problem to the Department of Health and Human Services Office for Civil Rights.

By virtue of the fact that we have entered into Business Associate Agreements with our covered entity clients we are bound to certain terms and conditions as regards our use and disclosure of the protected health information shared with us during the course of our client work.

This policy sets forth a summary of the terms to which we have agreed to adhere.

Discussion and Examples of HIPAA Breaches:

The HIPAA Privacy Rule requires that, if a covered entity learns of a material breach or violation of the business associate agreement by the business associate, it must take reasonable steps to cure the breach or end the violation, and if unsuccessful, terminate the contract with the business associate. If termination is not feasible (e.g. where there are no other viable business alternatives for the covered entity), the covered entity must report the problem to the Department of Health and Human Services Office for Civil Rights.

The Business Associate Agreements we have signed stipulate that we have an affirmative obligation to notify our covered entity clients of any inappropriate disclosures that we make or become aware of, unless they are incidental to an appropriate use or disclosure. The following is a list of the types of inappropriate disclosures we are obligated to bring to the attention of our clients.

Type of Breach	Mitigating Circumstances	HIPAA Sanctions to CE

- Bonadio employee has client file with work papers in the backseat of the car, stops at a store on the way home, and leaves the car unattended and unlocked while in the store. Breach exists even when the car has not been accessed during the employee's absence.

Breach exists even if no complaint is filed and the employee does nothing with the information obtained.
- Bonadio employee intentionally accesses client database of individual health information while at client site. Employee tells client that they have been instructed to access this database. Breach exists even if no complaint is filed and employee does nothing with the information.

Type of Breach	Mitigating Circumstances	HIPAA Sanctions to CE
Obtains or discloses individually identifiable health information in violation of HIPAA	Obtained or disclosed information with the intent to sell, transfer, or use the information for commercial advantage, personal gain or malicious harm.	(\$250,000 fine and up to ten years imprisonment)
Examples:		

- Bonadio employee discovers, while performing legitimate Bonadio business with a covered entity client, that a wealthy individual person has a terminal illness and could benefit from estate planning or other service offered by Bonadio subsidiary.
