SERVICE: <u>Personal Services Contract for Lakeside Theatre Programming:</u>

<u>Desert Highway Band</u>

Re: Live Musical Performance on August 19, 2016 at Lakeside Theatre, Eisenhower Park

The above contractor will provide a professional musical performance for the residents of Nassau County for the above mentioned concert. The compensation to this presenter is consistent with fees for unique artistic presentations of this kind. It was engaged directly without the assistance (or fee) of an agent, broker or producer.

Desert Highway's tribute performance of Eagles music is returning to the Lakeside Theatre due to its history of attracting a significant audience and its reasonable fee, complying with the Parks Department's initiative to provide quality talent at minimum cost. Last year, the attendance at Lakeside surpassed 8,000, a number usually expected for national acts. The show ended at 9:30 but the audience would have stayed for hours more if permitted. This group offers a genuine representation of the music, performing for a fraction of the price of the original. This band is the most successful Eagles tribute band on Long Island and is celebrated as local talent. This service is specialized and involves skills that cannot be evaluated through a competitive bid process. These services cannot be provided by any staff currently employed by the County.

Performances at Lakeside Theatre in Eisenhower Park have been presented free to the Nassau County public since the Theater's creation in the late 1960's
