A & B: The mission of the Safe Center LI is to protect, assist and empower victims of family violence and sexual assault while challenging and changing social systems that tolerate and perpetuate abuse. The Safe Center is the only organization in Nassau County providing free comprehensive services to child and adult victims of family violence and sexual assault. Some of our services include Crisis Intervention provided through a 24 hour hotline (responding to over 6000 calls a year), emergency room advocacy, and outreach to victims after Police intervention. Our Safe Home for Abused Families provides safety and shelter for victims of domestic abuse, and our Transitional Housing Services provides case management and post shelter housing. The Child Advocacy Center houses a co-located multidisciplinary team including the NCPD Special Victims Squad, two Child Protective Services units, a NC Assistant District Attorney and an Article 28 Clinic of NUMC, working closely with The Safe Center Child Victim Advocates in navigating the forensic investigation, supporting prosecution of the offender, and minimizing the trauma to the child and family. Individual and group counseling are provided to adult victims and domestic and sexual assault and our Children's Mental Health Program provides services to child victims of domestic violence, teen dating violence, sexual assault and commercial exploitation. Our Adult Sex Trafficking Program works with the NC Trafficking Court to provide advocacy and counseling to victims. Our Legal Department provides civil legal assistance to Nassau County victims of domestic violence, dating violence, sexual assault and stalking. All of our client services are trauma informed and culturally sensitive, and particularly responsive to the needs of the un-served and underserved populations within the county. In addition to these direct client services, our Education Department, working closely with our many community partners, provides educational programs in schools and communities and training about the issues for professionals in such fields as education, law enforcement and medicine to increase awareness and prevent abuse.

The Safe Center LI is a successful merger of The Nassau County Coalition Against Domestic Violence and The Coalition Against Child Abuse & Neglect. The two agencies co-located an office space in Bethpage on February of 2010 to create comprehensive one-stop-center for victims of domestic violence, rape/sexual assault and child abuse, and were formally merged on January 3 of 2014. Both organizations and thus The Safe Center have long standing histories of providing services to the residents of Nassau County and are basically the sole providers of such services.

(The Coalition Against Child Abuse & Neglect was established in 1979, and The Nassau County Coalition Against Domestic Violence in 1978) Since the merger, the agency has continued to grow and has added several new initiatives including an Adult Victim Advocate program, an Adult Trafficking program and a Safe Harbor program for sexually commercially exploited children.

Conflict of Interest Policy

Section 1. Purpose. The purpose of this "Conflicts of Interest Policy" (the "Policy") is to protect the interests of the Corporation when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Director, Officer, or Key Employee of the Corporation. The Corporation will not enter into any such transaction or arrangement unless it is determined by the Board in the manner described below to be fair, reasonable and in the best interests of the Corporation at the time of such determination.

This Policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to non-for-profit and charitable organizations. All capitalized terms not defined in this Policy shall have the meaning assigned to them in Appendix A, attached.

Section 2. Related Party Transactions and Duty to Disclose. A Related Party Transaction is not necessarily a prohibited transaction. Under this Policy, if the Corporation contemplates entering into a Related Party Transaction, the Independent Directors of the Board must determine if the transaction is fair, reasonable, and in the best interests of the Corporation at the time of such determination.

If at any time during his or her term of service a Related Party acquires any Financial Interest or when any matter for decision or approval comes before the Board in which a Related Party has a Financial Interest, that Financial Interest or potential Related Party Transaction must be promptly disclosed in writing to each member of the Board, the President, and to the Chair of any appropriate Board Committee, together with all material facts. The Board will then follow the procedures in Section 4 of this Policy.

Section 3. Disclosure and Voting.

Disclosure. Any Related Party shall disclose in good faith all material facts of his or her Financial Interest to the Board.

Non-Participation and Review. All transactions, agreements or any other arrangements between the Corporation and a Related Party, and any other transactions which may involve a potential conflict of interest, shall be reviewed by the Independent Directors of the Board. All Related Parties with a Financial Interest shall leave the room in which such deliberations are conducted. The Independent Directors of the Board will then determine whether the contemplated Related Party Transaction is fair, reasonable, and in the best interests of the Corporation at the time of such determination. The Corporation will not enter into any Related Party Transaction unless it is determined to be fair, reasonable and in the best interest of the Corporation at the time of such determination.

Consideration of Alternate Transactions and Comparability Data.

If the contemplated Related Party Transaction pertains to compensation for services or the transfer of property or other economic benefit to a Related Party, the Independent Directors of

the Board must determine that the value of the economic benefit provided by the Corporation to the Related Party does not exceed the value of the consideration received in exchange by obtaining and reviewing appropriate comparable data prior to entering the transaction.

In those instances where the contemplated Related Party Transaction does not involve compensation, transfer of property or benefits to a Related Party, the Independent Directors of the Board must consider alternative transactions to the extent possible, prior to entering into such transaction.

Comparability Data. When considering the comparability of compensation, for example, the types of relevant Comparability Data that the Independent Directors of the Board may consider include, but are not limited to (1) compensation levels paid by similarly situated organizations, both exempt and non-exempt; (2) the availability of similar services within the same geographic area; (3) current compensation surveys compiled by independent firms; and (4) written offers from similar institutions competing for the same person's services. When the transaction involves the transfer of real property as consideration, the relevant factors include, but are not limited to (i) current independent appraisals of the property, and (ii) offers received in a competitive bidding process.

Voting. The Board shall, after considering alternate transactions and/or comparability data, determine in good faith by vote of the Independent Directors of the Board whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of such decision. The transaction shall be approved by not less than a majority vote of the Independent Directors or Committee members present at the meeting. In conformity with the above criteria, the Board shall make its decision as to whether to enter into the transaction or arrangement and shall document the meeting contemporaneously under Section 5 of this Policy.

All Related Parties with a Financial Interest must not be present for deliberations and voting on the transaction or arrangement in which he or she has a Financial Interest. However, Related Parties are not prohibited from providing information regarding the transaction to the Board prior to the Board's deliberations. Only Independent Directors of the Board shall vote on Related Party Transactions. No Director or Officer shall vote, act, or attempt to influence improperly the deliberations on any matter in which he or she has been determined by the Board to have a Financial Interest. Any attempt to vote, act, or improperly influence deliberations by a Related Party on any matter with which such person has a Financial Interest may be grounds for removal from the Board or termination from the Corporation.

Compensation.

A voting member of the Board of Directors or an Officer who receives compensation directly or indirectly from the Corporation for services or a Director serving as a voting member of any Committee whose jurisdiction includes compensation matters is precluded from voting or acting on matters pertaining to that Director's or Officer's compensation.

No voting member of the Board or any Committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation, either individually or collectively, is prohibited from providing information to any Committee

regarding compensation.

Section 4. Audit Committee Review. The Board may delegate to the Audit Committee, which shall be composed solely of Independent Directors, the adoption, implementation of and compliance with this policy. The Board may delegate to the Audit Committee review and approval of any Related Party Transaction involving a Related Party and the Corporation, as contained in this Policy; provided that if the Related Party Transaction is of a magnitude that would otherwise require full Board approval, the Committee shall submit the Related Party Transaction to the Board for consideration, providing its recommendation as to whether or not to approve it.

In the event the Board delegates the review and approval of Related Party transactions to a committee, all references to Board in this Policy shall be deemed to refer to such Committee and all references to a majority of the Board shall be deemed to refer to a majority of such Committee.

Section 5. Records of Proceedings. The minutes of all meetings of the Board and all Committee meetings at which a Related Party Transaction is considered shall contain:

- The names of the persons who disclosed or otherwise were determined to have a potential or actual Financial Interest and/or conflict of interest, the nature of the potential or actual Financial Interest and/or conflict of interest, any action taken to determine whether a Financial Interest or conflict of interest exists, and the Board's decision as to whether a Financial Interest and/or conflict of interest exists.
- The names of the persons who were present for discussions and votes relating to any determinations under Section 3 above, including whether the Related Party and any members not considered to be Independent Directors left the room during any such discussions, the content of such discussions, including discussion of alternative transactions, and whether or not the transaction with the Related Party was approved by the Board.
- The minutes shall be documented contemporaneously to the decision and discussion regarding the Financial Interest or conflict of interest.

Section 6. Initial and Annual Written Disclosures. Prior to a Director's initial election to the Board, or an Officer or Key Employee's employment at the Corporation, and thereafter on an annual basis, all Directors, Officers, and Key Employees shall disclose in writing to the Secretary of the Corporation:

- (i) Any entity of which such person or a Relative of such person is an officer, director, trustee, member, owner, or employee and with which the Corporation has a relationship,
- (ii) Any Financial Interest such person may have in any corporation, organization, partnership or other entity which provides professional or other goods or services to Corporation for a fee or other compensation, and

(iii) Any position or other material relationship such Director, Officer, Key Employee, or Relative of such person, may have with any not-for-profit corporation with which the Corporation has a business relationship.

A copy of each disclosure statement shall be kept in Corporation's files and made available to any Director, Officer, or Key Employee upon request.

Section 7. Annual Statements. Each Director, Officer, and Key Employee shall annually sign and submit to the Secretary of the Corporation a statement which affirms such person: (a) has received a copy of this Policy, (b) has read and understands the Policy, and (c) has agreed to comply with the Policy.

I hereby confirm that I have read The Safe Center LI, Inc.'s Conflict of Interest Policy, and that my responses to the above questions are complete and correct to the best of my knowledge and belief. I will promptly report any information of which I become aware that may change this disclosure or require disclosure under this Policy.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12649.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.

The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, the occurrence of which shall be determined solely by the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.

(a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties and the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding.

The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (ii) if contracting in whole or part for professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall

require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement copies of the insurance policies required by this Agreement, or certificates of insurance evidencing such coverage, shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement policies, certificates of insurance, and/or amendatory endorsements. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take any action, or omit to take any action, that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain (i) Workers' Compensation Insurance shall render this contract void and of no effect and (ii) the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

10. Assignment; Amendment; Waiver; Subcontracting. (a) This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment or other disposal without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

(b) It shall be a condition to the consent of the County Executive to any assignment or subcontract that the Person to or with whom or which such assignment or subcontract is made agrees in writing that, except as provided in the following sentence with respect to amounts payable by the County, such Person shall be bound by the terms and conditions of this Agreement as though an original party hereto. Unless the action being approved is an assignment of every right and obligation of the Contractor under this Agreement (i) the Contractor shall remain responsible for the full performance of its obligations under this Agreement and (ii) no amounts payable by the County under this Agreement shall be or become payable by the County to any Person other than the Contractor.

11. Termination. (a) Generally. (b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Contractor delivering to the Commissioner of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance Upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, assist the County in transitioning the Contractor's responsibilities and shall take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement). The provisions of this subsection shall survive the termination of this Agreement.

(d) Accounting Upon Termination. (i) Within thirty (30) days of the termination of this Agreement the Contractor shall provide the Department with a complete accounting up to the date of termination of all monies received from the County and shall immediately refund to the County any unexpended balance remaining as of the time of termination.

(e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations" and Circular A-133 "Exhibit B" annexed hereto. Such Records shall at all times be available for audit and inspection by the County Comptroller or his or her duly designated

representative (the "Comptroller"), the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Inventory. (a) Title to all equipment, supplies, and material purchased with funds paid under this Agreement (the "Equipment") shall vest in the County and the Equipment shall not be disposed of without the prior written approval of the County.

(b) The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, a complete and accurate inventory (the "Inventory") of the Equipment. The Inventory shall describe the Equipment with reasonable specificity so that the Equipment can be readily identified. The Inventory shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the disposition or use of funds paid to the Contractor in connection with this Agreement, and any of their duly designated representatives.

(c) Within thirty (30) days of the termination of this Agreement, the Contractor shall file with the Department and the Comptroller a final Inventory. The Contractor shall dispose of the Equipment in accordance with instructions of the County. If the County does not provide disposition instructions within thirty (30) days of termination, then the Contractor shall contact the Commissioner in writing and request disposition instructions.

(d) The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents sent or delivered to the Applicable DCE under this Section to each of (i) the Department and (ii) the County Attorney, at the address specified above for the County, on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this

Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the

greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any

sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or

orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and

standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.

- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

APPENDIX A**STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.
4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.
5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of

race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. **WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. **NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 106.4).

9. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. **IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.**

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's Identification number. The number is any or all of the following: (i) the payee's Federal employer Identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and § NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting

agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. **CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. **GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. **LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. **NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. **SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ('CPLR'), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. **PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. **MACBRIDE FAIR EMPLOYMENT PRINCIPLES.** In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2008), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and

allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.
2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.
3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.
4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 6-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.
2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.
3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such

quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with

Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter
Report Due

January 1 - March 31
April 30

April 1 - June 30
July 31

July 1 - September 30
October 31

October 1 - December 31
January 31

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be

incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

10/30/2015

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 21, Cost Principles for Educational Institutions;

OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;

OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and

OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee; additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed Itemization forms provided

by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)

The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

APPENDIX C

PAYMENT AND REPORTING SCHEDULE

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.
2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.
3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.
4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see <http://www.criminaljustice.ny.gov/ofpa/forms.htm>). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.
5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.
6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services

If the project is not operational within 90 days of the original starting date of the grant period, the Grantee will submit a second statement of OPDF explaining the delay. The State may either cancel the project and redistribute the funds or extend the implementation date of the project beyond the 90-day period when warranted by extenuating circumstances.

The State will not be liable for payments pursuant to any contract, grant or agreement made pursuant to an appropriation in any account of this fund if insufficient monies are available for transfer to such account of this fund after required transfers pursuant to section 99-d(3) of the State Finance Law.

Grantee will provide written certification (in a form prescribed by DCJS) of time spent by each employee on the grant and maintain a system of time sheets. Time sheets will be signed by the individual and countersigned by the supervisor in a higher level position at the end of each payroll period.

Although paragraph 21 of Appendix A1 requires four (4) quarterly progress reports, for purposes of this grant award, grantees should submit progress reports as follows: Four (4) progress reports for contracts of \$100,000 or more. Two (2) progress reports for contracts between \$1 and \$99,999. Notwithstanding paragraph 21 of Appendix A1 of this Agreement, the Grantee is only required to submit one program progress report to DCJS/OPDF under the Agreement when the Grantee is a municipality and the purchase of equipment is the only task. The progress report, which will be considered a final, must describe the purchase process, delivery, installation and use of the equipment for which funding is provided pursuant to this grant award Agreement. The Report must be accompanied by a signed certification from the head of the Grantee Agency that the future use of the equipment will be consistent with the intended purpose of the State grant award. The Final (Equipment Only) Report should also be accompanied by a DCJS Equipment Inventory Report, a State Aid Voucher for the balance of grant funding due for the purchase of the equipment, and a final Fiscal Cost Report (FCR) with supporting documentation reporting total related expenditures of the grant funded project, according to terms of this Agreement.

Notwithstanding paragraph 20 of Appendix A1, appropriations in the Community Projects Fund lapse on September 15 following the end of the fiscal year, and are available for the payment of liabilities incurred until that date. To insure payment, vouchers must be received by DCJS/OPDF by August 15th of the year following the fiscal year in which funds were appropriated.

This contract may be extended, increased, decreased, terminated, renewed, amended or renegotiated at the discretion of the Commissioner of the Division of Criminal Justice Services.

The following condition will apply to contracts between two New York State governmental entities: This is an agreement between two New York State governmental entities, and as such the provisions contained herein with respect to grants are applicable only to the extent that the provisions would otherwise be applicable between New York State governmental entities.

Strategy Special Conditions:

Grantee agrees that if funding is being provided for the implementation of any DCJS crime reduction strategies including, but not limited to Operation GIVE; Youth Violence Reduction; DNA Evidence Collection; Road to

Recovery or Re-Entry, that the Implementing agency will develop a formal interactive relationship with those other strategy initiatives in the county.

Participating law enforcement agencies that are funded by DCJS to conduct drug, firearms or vehicle theft or vehicle related insurance fraud investigations shall register with SAFETNet. Participation in SAFETNet obligates the registered agency to submit information regarding persons or addresses under active investigation in accordance with SAFETNet standard operating procedures. In addition, the agency agrees to participate in the Upstate New York Regional Intelligence Center (UNYRIC) or the New York/New Jersey High Intensity Drug Trafficking Area Regional Intelligence Center (NY/NJ HIDTA RIC) as appropriate.

Participating grantees agree to submit information through NYSPIN on guns seized, recovered, or found. 'GGUN' submissions for crime guns will be automatically forwarded to the NYSP Crime Gun ClearingHouse and ATF.

All criminal justice information management software which grantee may purchase or develop with funds provided under the terms of this agreement must conform to established New York State Criminal Justice Data Standards as documented in the most current version of the New York Statewide Criminal Justice Data Dictionary. In addition, all such information management software purchased or developed with funds provided under the terms of this agreement must conform to statewide standards for the collection, processing and reporting of criminal justice information as documented in the New York State Standard Practices Manual for the Processing of Fingerprintable Criminal Cases. The latest versions of both documents referenced above can be accessed at the DCJS web site or obtained by calling the DCJS Customer Contact Center at 800-262-3257.

Grantee shall enroll as a user of eJusticeNY and make use of the eJusticeNY suite of services as applicable.

Law enforcement agencies must submit full UCR Part 1 crime reports, including supplemental homicide reports, to DCJS by 30 days following the end of the month. These monthly reports may be submitted either under the Uniform Crime Reporting System (UCR) or under the Incident Based Reporting Program (IBR). Quick Reports will not be accepted. Failure to submit this information may result in grant funds being withheld.

UCR agencies must fill out the Domestic Violence Victim Data table found on the last page of the Return A in accordance with the new domestic violence reporting requirements. These requirements can be found on-line at http://www.criminaljustice.state.ny.us/crimnet/cjsa/crimereporting/domestic_violence_reporting_alert_5-08-08.pdf. Failure to submit this information may result in grant funds being withheld. Agencies reporting through IBR do not submit a supplemental report for domestic violence. The required data is automatically collected through the monthly submission of an IBR file.

Participating police departments receiving GIVE funds will submit monthly progress reports within 30 days following the end of each month. Said monthly reports will include the number of shooting incidents involving injury, the number of shooting victims, the number of individuals killed by gun violence, the number of firearms recovered, and the number of firearms submitted to the lab for entry into NIBIN.

No materials, items or publications resulting from award activities may use the DCJS logo or provide any attribution to DCJS in any form, without the prior approval from the Commissioner of DCJS or his designee. Requests for such approval must be submitted in writing to DCJS's Agency Counsel at least 30 days before requested use. Determinations of such requests will be made by the DCJS Commissioner on a case-by-case basis.

Appendix M MWBE Contract Requirements (Local Assistance)**PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS: REQUIREMENTS AND PROCEDURES****I. General Provisions**

A. The Division of Criminal Justice Services (DCJS) is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 (MWBE Regulations) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.

B. The Contractor to the subject contract (the Contractor and the Contract, respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the DCJS, to fully comply and cooperate with the DCJS in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (EEO) and contracting opportunities for certified minority and women-owned business enterprises (MWBEs). Contractors demonstration of good faith efforts pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the Human Rights Law) or other applicable federal, state or local laws.

C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to Section VII of this Appendix or enforcement proceedings as allowed by the Contract.

II. Contract Goals

A. For purposes of this contract, the DCJS has established overall goals for Minority and Women-Owned Business Enterprises (MWBE) participation which are specified in the contract workplan.

B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract Goals established in the contract workplan hereof, Contractor should reference the directory of New York State Certified MBWEs found at the following Internet address: <http://www.esd.ny.gov/mwbe.html>. Additionally, Contractor is encouraged to contact the Division of Minority and Women Business Development (518) 292-5250; (212) 803-2414; or (716) 846-8200 to discuss additional methods of maximizing participation by MWBEs on the Contract.

C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the DCJS for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the Division). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

B. Contractor shall comply with the following provisions of Article 15-A:

<https://grants.criminaljustice.ny.gov/Project/ReportContractAward.jsp>

10/30/2015

1. Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
2. The Contractor shall maintain an EEO policy statement and submit it to the DCJS if requested.
3. If Contractor or Subcontractor does not have an existing EEO policy statement, Section 4 below may be used to develop one.
4. The Contractor's EEO policy statement shall include the following, or similar, language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph E of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. Contractors shall complete the Local Assistance MWBE Equal Employment Opportunity Staffing Plan form and submit it as part of their bid or proposal or within a reasonable time, but no later than the time of award of the contract.

D. Workforce Employment Utilization Report

1. Once a contract has been awarded and during the term of Contract, Contractor is responsible for updating and providing notice to the DCJS of any changes to the previously submitted Local Assistance MWBE Equal Employment Opportunity Staffing Plan. This information is to be submitted annually or as otherwise required by the DCJS during the term of the contract, for the purpose of reporting the actual workforce utilized in the performance of the contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Local Assistance MWBE Workforce Employment Utilization Report form must be used to report this information.
2. Separate forms shall be completed by Contractor and any Subcontractor performing work on the Contract.
3. In limited instances, Contractor may not be able to separate out the workforce utilized in the performance of the Contract from Contractor's and/or subcontractor's total workforce. When a separation can be made, Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided relates to the actual workforce utilized on the Contract. When the workforce to be utilized on the contract cannot be separated out from Contractor's and/or subcontractor's total workforce,

Contractor shall submit the Local Assistance MWBE Workforce Employment Utilization Report and indicate that the information provided is Contractor's total workforce during the subject time frame, not limited to work specifically under the contract.

E. Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

A. The Contractor represents and warrants that Contractor has submitted a Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form either prior to, or at the time of, the execution of the contract.

B. Contractor agrees to use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in the contract workplan.

C. Contractor further agrees that a failure to submit and/or use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, DCJS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

IV. Waivers

A. If the DCJS, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report determines that a Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the DCJS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. MWBE Subcontractor Utilization Quarterly Report

Contractor is required to report MWBE Subcontractor utilization, as part of the quarterly claim process, to the DCJS by the last day of the month following the end of each calendar quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

VII. Liquidated Damages - MWBE Participation

A. Where DCJS determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of Contract and DCJS may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

B. Such liquidated damages shall be calculated as an amount equaling the difference between:
1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the DCJS, Contractor shall pay such liquidated damages to the DCJS within sixty (60) days after they are assessed by the DCJS unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Woman Business Development pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the liquidated damages shall be payable if Director renders a decision in favor of the DCJS.

M/WBE AND EEO POLICY STATEMENT

The Contractor agrees to adopt the following policies or similar policies with respect to the project being developed or services rendered in this contract with the Division of Criminal Justice Services:

M/WBE

This organization will and will cause its contractors and subcontractors to take good faith actions to achieve the M/WBE contract participations goals set by the State for that area in which the State-funded project is located, by taking the following steps:

- (1) Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations.
- (2) Request a list of State-certified M/WBEs from AGENCY and solicit bids from them directly.
- (3) Ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs.
- (4) Where feasible, divide the work into smaller portions to enhanced participations by M/WBEs and encourage the formation of joint venture and other partnerships among M/WBE contractors to enhance their participation.
- (5) Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.

Ensure that progress payments to M/WBEs are made on a timely basis so that undue financial hardship is avoided, and that bonding and other credit requirements are waived or appropriate alternatives developed to encourage M/WBE participation.

EEO

(a) This organization will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing programs of affirmative action to ensure that minority group members are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on state contracts.

(b) This organization shall state in all solicitation or advertisements for employees that in the performance of the State contract all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex disability or marital status.

(c) At the request of the contracting agency, this organization shall request each employment agency, labor union, or authorized representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of this organizations obligations herein.

(d) Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

(e) This organization will include the provisions of sections (a) through (d) of this agreement in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the State contract.

Contractor agrees to comply with all MWBE and EEO contract goals reflected on the MWBE Utilization Plan and Staffing Plan respectively, that have been submitted with the application for this contract.

Re: The Safe Center, LI, Inc. DCJS Domestic Violence Task Force Program - 2016

Dear Paul Broderick:

Please allow this letter to serve as a response to the Nassau County correspondence received on June 13, 2016 regarding the above mentioned assignment of CSEA Unit work to persons not in the CSEA Unit.

Your notification of intent to subcontract fails to offer sufficient detail of the "County's needs" pursuant to Section 32-3 of the CSEA/County C.B.A.

Notwithstanding the lack of sufficient detail provided by the County regarding said proposed subcontract and pursuant to Section 32-3(b) of the C.B.A., CSEA proposes as an "alternative to satisfy the County's needs", that current or anticipated County employees (who are or would be CSEA bargaining unit members), perform the duties requested in the proposed subcontract. Pursuant to Section 32-3, the County is required to provide notice to CSEA of its needs and in order to propose alternatives we need the following information: Proposed vendor; cost analysis for CSEA members to perform said duties for contracted service, anticipated start date and specific good faith efforts made to avoid the unnecessary assignment of CSEA unit work to said subcontractor.

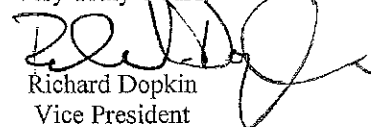

Further, due to the fact that Class Specifications of the Nassau County Civil Service allow for civil servants and therefore *CSEA Bargaining Unit Employees* to perform said proposed tasks, it is only logical and in "Good Faith" that County employees be allowed to "satisfy the County's needs", thereby avoiding "the unnecessary assignment of CSEA unit work to persons not in the CSEA Unit", (section 32-1 of the C.B.A.).

Finally, pursuant to Section 32-3, I am ready, willing and able to meet with you at your earliest convenience to meet and confer with respect to CSEA's proposals.

Please immediately advise as to your availability.

Thank you for your anticipated cooperation. If you have any questions, please feel free to contact me.

Very Truly Yours,

Unless the action being approved is an assignment of every right and obligation of the Contractor under this Agreement (i) the Contractor shall remain responsible for the full performance of its obligations under this Agreement and (ii) no amounts payable by the County under this Agreement shall be or become payable by the County to any Person other than the Contractor.

11. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" immediately upon the receipt by the Contractor of written notice of termination from the County, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with the other provisions of this Agreement expressly addressing termination, if any.

Termination under this subsection shall be effected by the Contractor delivering to the Commissioner of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, assist the County in transitioning the Contractor's responsibilities and shall take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement). The provisions of this subsection shall survive the termination of this Agreement.

(d) Accounting Upon Termination. (e) Payments in Connection with Termination or Notice of Termination. Unless a provision of this Agreement expressly states otherwise, payments to the Contractor following the termination of this Agreement shall not exceed payments made as consideration for services that were (i) performed prior to termination, (ii) authorized by this Agreement to be performed, and (iii) not performed after the Contractor received notice that the County did not desire to receive such services.

12. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. representative (the "Comptroller"), the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

13. Inventory. (a) Title to all equipment, supplies, and material purchased with funds paid under this Agreement (the "Equipment") shall vest in the County and the Equipment shall not be disposed of without the prior written approval of the County.

(b) The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, a complete and accurate Inventory (the "Inventory") of the Equipment. The Inventory shall describe the Equipment with reasonable specificity so that the Equipment can be readily identified. The Inventory shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the disposition or use of funds paid to the Contractor in connection with this Agreement, and any of their duly designated representatives.

(c) Within thirty (30) days of the termination of this Agreement, the Contractor shall file with the Department and the Comptroller a final Inventory. The Contractor shall dispose of the Equipment in accordance with instructions of the County. If the County does not provide disposition instructions within thirty (30) days of termination, then the Contractor shall contact the Commissioner in writing and request disposition instructions.

(d) The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings Against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents sent or delivered to the Applicable DCE under this Section to each of (i) the Department and (ii) the County Attorney, at the address specified above for the County, on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this

Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, all claims or actions with respect to this Agreement shall be resolved exclusively by litigation before a court of competent jurisdiction located in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof. The provisions of this Section shall survive the termination of this Agreement.

17. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or to such other persons or addresses as shall be designated by written notice.

18. All Legal Provisions Deemed Included; Severability. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

19. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the

greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any

sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and

standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.

- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix amendment for that PERIOD.

C. This AGREEMENT incorporates the face page attached as presented in the Grants Management System (GMS) AWARD online printable report, and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement. Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, change in scope, or change in term is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. APPENDIX A**STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, 'the contract' or 'this contract') agree to be bound by the following clauses which are hereby made a part of the contract (the word 'Contractor' herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.
2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.
3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 366 or Section 6218 of the Education Law), if this contract exceeds \$60,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.
4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.
5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of

race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, If this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, 'the Records'). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the 'Statute') provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 6 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the 'Work') except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting

agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 16, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. 24. PROCUREMENT LOBBYING. To the extent this agreement is a 'procurement contract' as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS. To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the - Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012 - (Prohibited Entities List) posted at: <http://www.oga.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

APPENDIX A1**AGENCY-SPECIFIC CLAUSES**

1. If this Agreement exceeds \$50,000, it shall not take effect until it is executed by the parties hereto and approved by the Attorney General and the Comptroller of the State of New York. If this Agreement is for \$50,000 or less, it shall not take effect until it is executed by both parties.

2. This Agreement sets forth the entire understanding of the parties and may not be altered or amended except in format approved by DCJS and the NYS Office of the State Comptroller, and electronically signed by the parties hereto.

3. The failure of a party to enforce a contractual obligation shall not eliminate the other party's obligation to perform such contractual obligation.

4. In the event that any provision of this Agreement is determined to be null and void, all remaining provisions shall continue to be in full force and effect.

5. The Grantee must notify DCJS in writing of any change in the number, title, job duties or rate of remuneration of project staff which changes the Personal Service Project Budget line by 10 percent or under. Any change in the number, title, job duties or rate of remuneration of project staff which changes the Project Budget line more than 10 percent must be approved in writing by DCJS prior to implementation. The Grantee agrees to provide DCJS with resumes and supporting documentation upon request.

6. The Grantee shall submit detailed Itemization forms for personal service and fringe benefit expenditures, in a format determined by DCJS, with any voucher and Fiscal Cost Reports requesting payment for expenditures.

7. The Grantee must maintain specific documentation as support for project related personal service expenditures, depending upon whether this grant contract project is supported by State or Federal funds:

A. For State funded grants:

For all Grantee's staff whose salaries are paid in whole or in part from grant funds provided under this Agreement, the Grantee shall maintain a time recording system which shows the time devoted to the grant project. The system shall consist of time sheets, computerized workload distribution reports, or equivalent systems. The time devoted to grant activities must be determinable and verifiable by DCJS. If time sheets are used, each must be signed by the individual and certified by the individual's supervisor in a higher level position at the end of each time reporting period.

B. For Federally funded grants:

Depending upon the nature or extent of personal service provided under this Agreement, the Grantee shall maintain semi-annual (or more frequent) personal service certifications and/or an after-the-fact personnel activity reporting system (or equivalent) which complies with the requirements of the Federal Office of Management and Budget (OMB) Circulars A-21, A-87 or A-122, as applicable:

1. OMB Circular A-21 [Item J, General provisions for selected items of cost] identifies documentation required for educational institutions as support for grant project personnel costs.

2. OMB Circular A-87 [Attachment B, Selected Items of Cost] identifies the documentation required for local government agencies as support for grant project personnel costs.

3. OMB Circular A-122 [Attachment B, Selected Items of Cost] identifies the documentation required for non-profit organizations as support for grant project personnel costs.

The most current version of these Federal OMB Circulars may be viewed on-line at: http://www.whitehouse.gov/omb/circulars_default/. The Grantee is to ensure full compliance with specific personal service documentation requirements of these OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

8. Budget amendments are governed as follows:

A. Any proposed modification to the contract must be submitted for prior approval by DCJS and the NYS Office of the State Comptroller (OSC) when:

1. The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars; or
2. The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of five million dollars or more.

An Appendix X setting forth the proposed amendment must be electronically signed via the Grants Management System by the Grantee for approval by DCJS and the NYS Office of the State Comptroller before the next voucher and/or fiscal cost report will be approved.

B. For proposed modifications to the contract below the DCJS/OSC approval thresholds as set forth in 8 (A), the following shall apply:

1. The Grantee is not permitted to reallocate funds between Personal Service and Non-Personal Service budget categories without the prior approval of DCJS. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
2. The Grantee is not permitted to reallocate funds between Non-Personal Service budget categories without the prior approval of DCJS when the amount of the modification is equal to or greater than ten percent of the category. A grant amendment setting forth the proposed reallocation must be approved by DCJS via the Grants Management System before the next voucher and/or fiscal cost report will be approved.
3. Prior approval by DCJS is not required for Non-Personal Service budget changes which are less than 10 percent. These changes, however, must be submitted to DCJS with the next voucher or fiscal cost report submission.

Requests for modifications must be made in writing by an authorized representative of the Grantee.

9. Space rental provided by this Agreement must be supported by a written lease, maintained on file and made available by the Grantee upon request.

10. The Grantee's request for travel, meals or lodging reimbursement shall be in accordance with Appendix B, Budget, and, unless prior written authorization has been received from DCJS, shall not exceed rates authorized by the NYS Office of the State Comptroller.

11. The Grantee's employment of a consultant must be supported by a written agreement executed by the Grantee and the consultant. A consultant is defined as an individual or organization hired by the Grantee for the stated purpose of accomplishing a specific task relative to the funded project. A copy of the agreement must be submitted to DCJS with the appropriate voucher for payment. All consultant services must be obtained in a manner that provides for fair and open competition. The Grantee shall retain copies of all solicitations seeking a consultant, written agreements and documentation justifying the cost and selection of the consultant. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of the consultant as if it were its own.

A. The rate for a consultant should not exceed \$650 for an eight-hour day (not including travel and subsistence costs). A rate exceeding \$650 per eight-hour day requires prior written approval from DCJS and may be approved on a case-by-case basis where adequate justification is provided and expenses are reasonable and

allowable.

B. In addition to the above requirements, a Grantee that is a local government or a not-for-profit must adhere to the following guidelines at a minimum when obtaining consultant services:

1. Consultant services that cost up to \$999 under this grant agreement can be obtained at the Grantee's discretion.
2. Consultant services that cost between \$1,000 and \$4,999 under this grant agreement must be supported by at least three telephone quotes and a record created of such quotes.
3. Consultant services that cost between \$5,000 and \$9,999 under this grant agreement must be supported by at least three written quotes on a vendor's stationery and a record created of competitive procurement process utilized.
4. A Grantee obtaining consultant services that cost in excess of \$10,000 must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

C. A Grantee who proposes to obtain consultant services from a particular vendor without competitive bidding, must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and basis upon which the price was determined to be reasonable. Further, such consultant services must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

D. Notwithstanding the provisions of this paragraph, the Parties agree that DCJS' prior written approval is not required for the employment of a consultant when such employment is secured in relationship to a criminal matter as an expert witness, consultant or investigator. The Parties agree that the employment shall be supported by a written agreement and that all requests for reimbursement shall be supported by documentation identifying the criminal matter involved, services provided, time commitment and schedule. Such agreement and documentation shall be submitted to DCJS with the appropriate voucher for payment.

12. All procurements, other than consultant services, shall be conducted in the following manner. Written justification and documentation for all procurements must be maintained on file and made available upon request. Detailed itemization forms for non-personal service expenditures, in a format determined by DCJS, shall accompany each voucher and Fiscal Cost Report requesting payment. All procurements must be made in a fair and open manner and in accordance with the pre-determined methodology established for evaluating bids (e.g., lowest responsive bidder or best value).

A. A Grantee that is a state entity must make all procurements in accordance with State Finance Law Article 11, and any other applicable regulations.

B. A Grantee that is a local government must make procurements in accordance with General Municipal Law Article 6-A and any other applicable regulations.

C. In addition, a Grantee that is a not-for-profit must also make all procurements as noted below:

1. If the Grantee is eligible to purchase an item or service from a government contract or is able to purchase such item or service elsewhere at a lower than or equal price, then such purchase may be made immediately.
2. A Grantee may purchase any single piece of equipment, single service or multiples of each that cost up to \$999 at its discretion.
3. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$1,000 and \$4,999, a Grantee must secure at least three telephone quotes and create a record for audit of such

quotes.

4. Before purchasing any piece of equipment, service or multiples of each that have an aggregate cost between \$5,000 and \$9,999, the Grantee must secure at least three written quotes on a vendor's stationery and maintain a record of the competitive procurement process for audit purposes.

5. A Grantee spending in aggregate of \$10,000 and above must use a competitive bidding process. Guidance may be obtained from DCJS. At a minimum, the competitive bidding process must incorporate the following: open, fair advertisement of the opportunity to provide services; equal provision of information to all interested parties; reasonable deadlines; sealed bids opened at one time before a committee who will certify the process; establishment of the methodology for evaluating bids before the bids are opened; and maintenance of a record of competitive procurement process.

6. A Grantee who proposes to purchase from a particular vendor without competitive bidding must obtain the prior written approval of DCJS. The request for approval must be in writing and set forth, at a minimum, a detailed justification for selection and the basis upon which the price was determined to be reasonable. Further, such procurement must be in accordance with the guidelines, bulletins and regulations of the NYS Office of the State Comptroller, State Procurement Council, and the U.S. Department of Justice. A copy of DCJS' approval must also be submitted with the voucher for payment.

13. Applicable equipment purchased with funds provided by this Agreement as listed in Appendix B, Budget, shall be assigned a unique inventory number. The Grantee shall list all applicable equipment purchased with such funds in the GMS Property Module at the time the last program progress report is filed or sooner. Items of equipment costing less than \$600 do not need to be listed in the GMS Property Module although the Grantee is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Grantee, DCJS will consider a request for continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a criminal justice program.

14. Grant funds may be expended only for purposes and activities set forth in this Agreement. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures. If the Grantee receives funding from two or more sources, all necessary steps must be taken to ensure that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.). Grantee agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.

This Agreement may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Agreement. Such audits may include review of the Grantee's accounting, financial, and reporting practices to determine compliance with the Agreement and reporting requirements; maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles; and specific compliance with allowable cost and expenditure documentation standards prescribed by applicable Federal, State, and DCJS guidelines.

15. Where advance payments are approved by DCJS, the Grantee agrees to expend the advance payments in accordance with the purposes set forth in Appendix D and consistent with Appendix B.

16. DCJS reserves the right to suspend program funds if the Grantee is found to be in noncompliance with the provisions of this Agreement or other grant agreements between the Grantee and DCJS or, if the Grantee or principals of the Grantee are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgment, the services provided by the Grantee under the Agreement are unsatisfactory or untimely. DCJS shall provide the Grantee with written notice of noncompliance. Upon the Grantee's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Agreement, recoup funds and recover any assets purchased with the proceeds of this Agreement. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Grantee, or upon reasonable assurance that the Grantee is not in compliance with

Agreement terms.

17. The Grantee agrees, as a material condition of the Agreement, to comply with all applicable provisions of the Hatch Act (5 U.S.C. "1501 et seq.) as amended.

18. Program income earned by the Grantee during the funding period as a direct result of the grant award must be reported in writing to DCJS, in addition to any other statutory reporting requirements. This includes income received from seized and forfeited assets and cash, as well as: sale of grant purchased property; royalties; fees for services; and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Grantee agrees to report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated by the use of these grant funds will be used to enhance the grant project.

19. If applicable, the Grantee agrees to obtain not-for-profit status, a federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish DCJS with this information as soon as it is available.

20. Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

21. The Grantee will submit program progress reports to DCJS via the GMS system and additional information or amended data as required in Appendix D.

A. Program progress reports will be due on the last day of the month following the end of each calendar quarter or on an alternate schedule as prescribed in Appendix D. The first program progress report will be due on the last day of the month following the last day of the calendar quarter from the start date of the contract.

Program progress reports thereafter will continue to be made until such time as the funds subject to this Agreement are no longer available, have been accounted for, and/or throughout the Agreement period or project duration.

Calendar quarters, for the purposes of making program progress reports, shall be as follows:

Calendar Quarter
Report Due

January 1 - March 31
April 30

April 1 - June 30
July 31

July 1 - September 30
October 31

October 1 - December 31
January 31

B. The final progress report will summarize the project's achievements as well as describe activities for that quarter.

22. If for any reason the State of New York or the federal government terminates its appropriation through DCJS or fails to pay the full amount of the allocation for the operation of this program, this Agreement may be terminated or reduced at the discretion of DCJS, provided that no such reduction or termination shall apply to allowable costs already incurred by the Grantee where funds are available to DCJS for payment of such costs. Upon termination or reduction of the Agreement, all remaining funds paid to the Grantee that are not subject to allowable costs already incurred by the Grantee shall be returned to DCJS. In any event, no liability shall be

incurred by DCJS or by the State of New York beyond monies available for the purposes of this Agreement. The Grantee acknowledges that any funds due to DCJS because of disallowed expenditures after audit shall be its responsibility.

23. If Appendix B, Program Budget, makes provisions for overtime payment, the Grantee agrees to submit vouchers for such payment of overtime charges by the last day of the month following the last day of the quarter for the reporting period. The Grantee further agrees to limit overtime earnings to no more than 25 percent (25%) of the employee's annual personnel cost (salary plus fringe benefits) during the term of this Agreement. No reimbursements for overtime charges in excess of this 25 percent (25%) limit will be made unless prior written approval has been obtained from DCJS.

24. None of the goals, objectives or tasks set forth in Appendix D shall be subawarded to another organization without specific prior written approval by DCJS. Where the intention to make subawards is clearly indicated in the application, DCJS' approval is deemed given, if these activities are funded as proposed.

If this Agreement makes provisions for the Grantee to subgrant funds to other recipients, the Grantee agrees that all subgrantees shall be held accountable by the Grantee for all terms and conditions set forth in this Agreement. The Grantee further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Agreement and the Grantee must guarantee the work of any subgrantee as if it were its own.

The Grantee agrees that all subgrantee arrangements shall be formalized in writing between the parties involved. The writing must, at a minimum, include the following information:

Activities to be performed;

Time schedule;

Project policies;

Other policies and procedures to be followed;

Dollar limitation of the Agreement;

Appendix A, Appendix A-1, Appendix C, Appendix M, Certified Assurances for Federally Supported Projects, Certification Regarding Lobbying, Debarment and Suspension and any special conditions set forth in the Agreement; and

Applicable Federal and/or State cost principles to be used in determining allowable costs.

The Grantee will not be reimbursed for subgranted funds unless all expenditures by a subgrantee are listed on certification forms. Backup documentation for such expenditures must be made available upon request. All expenditures must be programmatically consistent with the goals and objectives of this Agreement and with the financial plan set forth in Appendix B.

25. Federal Funds

A. In accordance with Federal requirements, a Grantee which receives during its fiscal year \$500,000 or more of Federal funds (including pass-through and direct) from all sources, including this Agreement, must agree to have an independent audit of such Federal funds conducted in accordance with the Federal Office of Management and Budget (OMB) Circular A-133. OMB Circular A-133 further requires that the final report for such audit be completed within nine months of the end of the Grantee's fiscal year. The Grantee further agrees to provide one copy of such audit report(s) to DCJS within nine months of the end of its fiscal year(s).

B. In accordance with Federal requirements, a Grantee receiving Federal pass-through funds must also agree to comply with the terms and conditions of any and all applicable Federal OMB Circulars. For the convenience of the Grantee, the following OMB circulars are noted as the most common applicable to federal funds passed through DCJS:

OMB Circular A 21, Cost Principles for Educational Institutions;

OMB Circular A 87, Cost Principles for State, Local and Indian Tribal Governments;

OMB Circular A 102, Grants and Cooperative Agreements With State and Local Governments;

OMB Circular A 110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Non Profit Organizations; and

OMB Circular A 122, Cost Principles for Non Profit Organizations.

The Parties agree that, dependent upon the status of the Grantee, additional circulars may also be applicable. The most current version of all Federal OMB Circulars may be viewed on-line at:
http://www.whitehouse.gov/omb/circulars_default/.

The Grantee is to ensure full compliance with all cost documentation requirements of OMB Circulars as applicable directly to the Grant recipient and to any sub-recipient (or collaborative agency/organization). Failure to do so may result in disallowance of costs upon audit.

26. Any creative or literary work developed or commissioned by the Grantee with grant support provided by DCJS shall become the property of DCJS, entitling DCJS to assert a copyright therein, unless the parties have expressly agreed otherwise in a written instrument signed by them.

A. If DCJS shares its right to copyright such work with the Grantee, DCJS reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with grant support.

B. If the grant support provided by DCJS is federally sponsored, the federal awarding agency also reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use: (a) the copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and (b) any rights of copyright to which a Grantee, Subgrantee, or a Contractor purchases ownership with such grant support.

C. The Grantee shall submit one copy of all reports and publications resulting from this Agreement to DCJS. Any publications must contain the following statement, in visible print, of any document generated pursuant to a grant administered by DCJS:

This project was supported by a grant administered by the New York State Division of Criminal Justice Services. Points of view in this document are those of the author and do not necessarily represent the official position or policies of the Division of Criminal Justice Services.

27. Original records must be retained for six years following the submission of the final claim against this Agreement. In the event of a fiscal audit, the project manager or a designated responsible party must be prepared to produce source documents that substantiate claimed expenditures. DCJS requires that all documentation materials be organized, readily accessible, and cross-referenced to the Fiscal Cost Reports previously submitted. If fiscal records, such as purchase orders, vouchers, payroll registers, payroll tax records, etc., are to be kept in a fiscal office which is separate and apart from the program office, the project manager must have access to these original records. Such fiscal records must readily identify the associated project. In addition, a separate set of records must be retained for each project year.

28. Grant-related expenditures shall be reported on Fiscal Cost Reports and detailed Itemization forms provided

by DCJS. These reports must be prepared periodically as defined in Appendix C of this Agreement. All reported expenditures must reconcile to the program accounting records. Prior period adjustments shall be reported in the same accounting period that the correction was made.

29. General Responsibility Language

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

30. Suspension of Work (for Non-Responsibility)

The Commissioner of the New York State Division of Criminal Justice Services or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Commissioner of the New York State Division of Criminal Justice Services or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

31. Termination (for Non-Responsibility)

Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency officials or staff, the Contract may be terminated by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee at the Contractor's expense where the Contractor is determined by the Commissioner of the New York State Division of Criminal Justice Services or his or her designee to be non-responsible. In such event, the Commissioner of the New York State Division of Criminal Justice Services or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

APPENDIX C**PAYMENT AND REPORTING SCHEDULE**

NOTE: Additional payment provisions associated with the schedule(s) below are detailed in Appendix A-1.

For All Grantees:

1. The Grantee agrees that this is a reimbursement-based contract; an advance may be provided through Appendix D (Special Conditions). All requests for reimbursement must reflect actual costs that have been disbursed or items received by the Grantee. A purchase order issued without receipt of the items or service is not eligible for reimbursement.
2. Grantees must submit all required fiscal reports, supporting documentation and program progress reports. Failure to meet these requirements will result in the rejection of associated vouchers. Failure to submit the final program report, or interim progress report designated as the final report, may result in a disallowance of 25 percent (25%) of the grant amount. The Grantee must also refund all unexpended advances (see Item three below.) Final vouchers, reimbursement payment and reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.
3. If at the end of this grant contract there remains any unexpended balance of the monies advanced under this contract in the possession of the Grantee, the Grantee shall submit a certified check or money order for the unexpended balance payable to the order of the State of New York and return it to the DCJS Office of Financial Services with its final fiscal cost report by the last day of the month following termination of this grant contract.
4. Vouchers shall be submitted in a format acceptable to DCJS and the Office of the State Comptroller (see <http://www.criminaljustice.ny.gov/ofpa/forms.htm>). Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the Project Budget (Appendix B) and during the contract period. When submitting a voucher, such voucher shall also be deemed to certify that: a) the payments requested do not duplicate reimbursement from other sources of funding; and b) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Grantee for this program. Requirement b) does not apply to Legislative sponsored State grants.
5. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. Payment shall be preceded by an inspection period of 15 business days which shall be excluded from calculations of the payment due date for purposes of determining eligibility for interest payments. The Grantee must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment.
6. Timely and properly completed New York State vouchers, with supporting documentation when required, shall be submitted to:

NYS Division of Criminal Justice Services
Office of Financial Services
80 S. Swan St.
Albany, NY 12210

All submitted vouchers will reflect the Grantee's actual expenditures and will be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required, and by a fiscal cost report for the reporting period. DCJS reserves the right not to release subsequent grant awards pending Grantee compliance with this Agreement. In the event that any expenditure for which the Grantee has been reimbursed by grant funds is subsequently disallowed, DCJS in its sole discretion may reduce the voucher payment by the amount disallowed. If necessary, the Grantee may be required to submit a final budget reallocation. Fiscal cost reports showing grant expenditures and/or obligations for each quarter of the grant must be submitted by the last day of the month after the last day of the reporting period.

A & B: The mission of the Safe Center LI is to protect, assist and empower victims of family violence and sexual assault while challenging and changing social systems that tolerate and perpetuate abuse. The Safe Center is the only organization in Nassau County providing free comprehensive services to child and adult victims of family violence and sexual assault. Some of our services include Crisis Intervention provided through a 24 hour hotline (responding to over 6000 calls a year), emergency room advocacy, and outreach to victims after Police intervention. Our Safe Home for Abused Families provides safety and shelter for victims of domestic abuse, and our Transitional Housing Services provides case management and post shelter housing. The Child Advocacy Center houses a co-located multidisciplinary team including the NCPD Special Victims Squad, two Child Protective Services units, a NC Assistant District Attorney and an Article 28 Clinic of NUMC, working closely with The Safe Center Child Victim Advocates in navigating the forensic investigation, supporting prosecution of the offender, and minimizing the trauma to the child and family. Individual and group counseling are provided to adult victims and domestic and sexual assault and our Children's Mental Health Program provides services to child victims of domestic violence, teen dating violence, sexual assault and commercial exploitation. Our Adult Sex Trafficking Program works with the NC Trafficking Court to provide advocacy and counseling to victims. Our Legal Department provides civil legal assistance to Nassau County victims of domestic violence, dating violence, sexual assault and stalking. All of our client services are trauma informed and culturally sensitive, and particularly responsive to the needs of the un-served and underserved populations within the county. In addition to these direct client services, our Education Department, working closely with our many community partners, provides educational programs in schools and communities and training about the issues for professionals in such fields as education, law enforcement and medicine to increase awareness and prevent abuse.

The Safe Center LI is a successful merger of The Nassau County Coalition Against Domestic Violence and The Coalition Against Child Abuse & Neglect. The two agencies co-located an office space in Bethpage on February of 2010 to create comprehensive one-stop-center for victims of domestic violence, rape/sexual assault and child abuse, and were formally merged on January 3 of 2014. Both organizations and thus The Safe Center have long standing histories of providing services to the residents of Nassau County and are basically the sole providers of such services. (The Coalition Against Child Abuse & Neglect was established in 1979, and The Nassau County Coalition Against Domestic Violence in 1978) Since the merger, the agency has continued to grow and has added several new initiatives including an Adult Victim Advocate program, an Adult Trafficking program and a Safe Harbor program for sexually commercially exploited children.

Conflict of Interest Policy

Section 1. Purpose. The purpose of this "Conflicts of Interest Policy" (the "Policy") is to protect the interests of the Corporation when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Director, Officer, or Key Employee of the Corporation. The Corporation will not enter into any such transaction or arrangement unless it is determined by the Board in the manner described below to be fair, reasonable and in the best interests of the Corporation at the time of such determination.

This Policy is intended to supplement, but not replace, any applicable state and federal laws governing conflicts of interest applicable to non-for-profit and charitable organizations. All capitalized terms not defined in this Policy shall have the meaning assigned to them in Appendix A, attached.

Section 2. Related Party Transactions and Duty to Disclose. A Related Party Transaction is not necessarily a prohibited transaction. Under this Policy, if the Corporation contemplates entering into a Related Party Transaction, the Independent Directors of the Board must determine if the transaction is fair, reasonable, and in the best interests of the Corporation at the time of such determination.

If at any time during his or her term of service a Related Party acquires any Financial Interest or when any matter for decision or approval comes before the Board in which a Related Party has a Financial Interest, that Financial Interest or potential Related Party Transaction must be promptly disclosed in writing to each member of the Board, the President, and to the Chair of any appropriate Board Committee, together with all material facts. The Board will then follow the procedures in Section 4 of this Policy.

Section 3. Disclosure and Voting.

Disclosure. Any Related Party shall disclose in good faith all material facts of his or her Financial Interest to the Board.

Non-Participation and Review. All transactions, agreements or any other arrangements between the Corporation and a Related Party, and any other transactions which may involve a potential conflict of interest, shall be reviewed by the Independent Directors of the Board. All Related Parties with a Financial Interest shall leave the room in which such deliberations are conducted. The Independent Directors of the Board will then determine whether the contemplated Related Party Transaction is fair, reasonable, and in the best interests of the Corporation at the time of such determination. The Corporation will not enter into any Related Party Transaction unless it is determined to be fair, reasonable and in the best interest of the Corporation at the time of such determination.

Consideration of Alternate Transactions and Comparability Data.

If the contemplated Related Party Transaction pertains to compensation for services or the transfer of property or other economic benefit to a Related Party, the Independent Directors of

the Board must determine that the value of the economic benefit provided by the Corporation to the Related Party does not exceed the value of the consideration received in exchange by obtaining and reviewing appropriate comparable data prior to entering the transaction.

In those instances where the contemplated Related Party Transaction does not involve compensation, transfer of property or benefits to a Related Party, the Independent Directors of the Board must consider alternative transactions to the extent possible, prior to entering into such transaction.

Comparability Data. When considering the comparability of compensation, for example, the types of relevant Comparability Data that the Independent Directors of the Board may consider include, but are not limited to (1) compensation levels paid by similarly situated organizations, both exempt and non-exempt; (2) the availability of similar services within the same geographic area; (3) current compensation surveys compiled by independent firms; and (4) written offers from similar institutions competing for the same person's services. When the transaction involves the transfer of real property as consideration, the relevant factors include, but are not limited to (i) current independent appraisals of the property, and (ii) offers received in a competitive bidding process.

Voting. The Board shall, after considering alternate transactions and/or comparability data, determine in good faith by vote of the Independent Directors of the Board whether the transaction or arrangement is fair, reasonable, and in the best interest of the Corporation at the time of such decision. The transaction shall be approved by not less than a majority vote of the Independent Directors or Committee members present at the meeting. In conformity with the above criteria, the Board shall make its decision as to whether to enter into the transaction or arrangement and shall document the meeting contemporaneously under Section 5 of this Policy.

All Related Parties with a Financial Interest must not be present for deliberations and voting on the transaction or arrangement in which he or she has a Financial Interest. However, Related Parties are not prohibited from providing information regarding the transaction to the Board prior to the Board's deliberations. Only Independent Directors of the Board shall vote on Related Party Transactions. No Director or Officer shall vote, act, or attempt to influence improperly the deliberations on any matter in which he or she has been determined by the Board to have a Financial Interest. Any attempt to vote, act, or improperly influence deliberations by a Related Party on any matter with which such person has a Financial Interest may be grounds for removal from the Board or termination from the Corporation.

Compensation.

A voting member of the Board of Directors or an Officer who receives compensation directly or indirectly from the Corporation for services or a Director serving as a voting member of any Committee whose jurisdiction includes compensation matters is precluded from voting or acting on matters pertaining to that Director's or Officer's compensation.

No voting member of the Board or any Committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Corporation, either individually or collectively, is prohibited from providing information to any Committee

regarding compensation.

Section 4. Audit Committee Review. The Board may delegate to the Audit Committee, which shall be composed solely of Independent Directors, the adoption, implementation of and compliance with this policy. The Board may delegate to the Audit Committee review and approval of any Related Party Transaction involving a Related Party and the Corporation, as contained in this Policy; provided that if the Related Party Transaction is of a magnitude that would otherwise require full Board approval, the Committee shall submit the Related Party Transaction to the Board for consideration, providing its recommendation as to whether or not to approve it.

In the event the Board delegates the review and approval of Related Party transactions to a committee, all references to Board in this Policy shall be deemed to refer to such Committee and all references to a majority of the Board shall be deemed to refer to a majority of such Committee.

Section 5. Records of Proceedings. The minutes of all meetings of the Board and all Committee meetings at which a Related Party Transaction is considered shall contain:

- The names of the persons who disclosed or otherwise were determined to have a potential or actual Financial Interest and/or conflict of interest, the nature of the potential or actual Financial Interest and/or conflict of interest, any action taken to determine whether a Financial Interest or conflict of interest exists, and the Board's decision as to whether a Financial Interest and/or conflict of interest exists.
- The names of the persons who were present for discussions and votes relating to any determinations under Section 3 above, including whether the Related Party and any members not considered to be Independent Directors left the room during any such discussions, the content of such discussions, including discussion of alternative transactions, and whether or not the transaction with the Related Party was approved by the Board.
- The minutes shall be documented contemporaneously to the decision and discussion regarding the Financial Interest or conflict of interest.

Section 6. Initial and Annual Written Disclosures. Prior to a Director's initial election to the Board, or an Officer or Key Employee's employment at the Corporation, and thereafter on an annual basis, all Directors, Officers, and Key Employees shall disclose in writing to the Secretary of the Corporation:

- (i) Any entity of which such person or a Relative of such person is an officer, director, trustee, member, owner, or employee and with which the Corporation has a relationship,
- (ii) Any Financial Interest such person may have in any corporation, organization, partnership or other entity which provides professional or other goods or services to Corporation for a fee or other compensation, and

(iii) Any position or other material relationship such Director, Officer, Key Employee, or Relative of such person, may have with any not-for-profit corporation with which the Corporation has a business relationship.

A copy of each disclosure statement shall be kept in Corporation's files and made available to any Director, Officer, or Key Employee upon request.

Section 7. Annual Statements. Each Director, Officer, and Key Employee shall annually sign and submit to the Secretary of the Corporation a statement which affirms such person: (a) has received a copy of this Policy, (b) has read and understands the Policy, and (c) has agreed to comply with the Policy.

I hereby confirm that I have read The Safe Center LI, Inc.'s Conflict of Interest Policy, and that my responses to the above questions are complete and correct to the best of my knowledge and belief. I will promptly report any information of which I become aware that may change this disclosure or require disclosure under this Policy.

PRINCIPAL QUESTIONNAIRE FORM

#10

Although The Safe Center LI is not certain whether this falls within the information request, during the past 5 years, 2 former employees had filed complaints with the New York State Division of Human Rights (NYSDHR). The complaints were not initiated by any governmental agency. However, once someone files a complaint with the NYSDHR, this automatically triggers an investigation by the NYSDHR. These matters have since been dismissed by the NYSDHR.

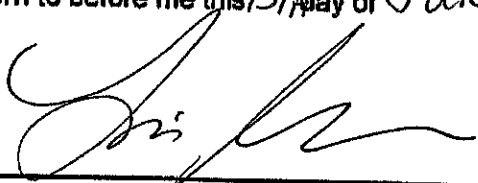

A complaint has been filed by a client of the agency and is currently under review by the NYSDHR.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12649.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
