**Narrative**

**Purpose:** To authorize and award a Blanket Purchase Order for Milk and Milk Products for the Nassau County Correctional Center to Cream-O-Land Dairies, LLC.

**Discussion:** This bid was advertised in Newsday, posted to the Nassau County Website Bid Solicitation Board, where four vendors were notified electronically of the bid. Minority Affairs was given a copy of the bid. One vendor located in Florence, New Jersey submitted a bid. The other major milk company, Elmhurst Dairy, located in Queens, New York, closed for business August 2016. Of the twenty (20) milk processing plants in New York as recently as 25 years ago, none remain in the City or Nassau, Westchester, Rockland or Putnam counties. Predominantly, the city's milk comes from further upstate, New Jersey and Pennsylvania. Cream-O-Land Dairies, LLC is the vendor of milk to the East Meadow Schools and to the Nassau County Medical Center in East Meadow which makes deliveries to the Correctional Center viable and cost efficient.

**Past Procurement History:** Historically, Cream-O-Land Dairies has held milk requirement contracts with Nassau County with satisfactory performance and is the current provider of milk to the Nassau County Correctional Center.

**Impact on Funding:** Estimated cost for this one (1) year contract is Two Hundred Ten Thousand One Hundred Ninety-Seven Dollars (\$210,197.00) from General Funds.

**Recommendation:** Purchasing recommends awarding this contract to Cream-O-Land Dairies, LLC. as the lowest responsible bidder meeting specifications.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

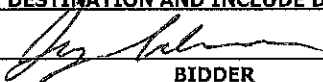

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition,

Cream-O-Land Dairy started back in 1943 as a processor of milk delivering to small grocery stores and homes in New Brunswick, NJ. Cream-O-Land Dairy gave up its processing facility, moved to Florence, NJ and is now one of the oldest, largest, and most trusted dairy distributors in the United States. Family owned and operated for three generations, Cream-O-Land Dairy is committed to providing the highest quality dairy products. Our customer service is among the very best in the industry, responsive and reliable, and equipped with state-of-the art technology for dispatching, tracking, and customer contact. We have the newest delivery fleet of refrigerated trucks in the market so that your product arrives on time.

Cream-O-Land Dairy has a tradition of quality and service generations in the making. In an industry increasingly populated with huge mega-dairies, Cream-O-Land Dairy has forged key strategic partnerships with a variety of large dairy providers while at the same time, steadfastly holding onto our independent status. The result is a company that combines the capabilities of a large regional dairy with the care and attention to detail of a closely held and deeply personal family business. Cream-O-Land Dairy now delivers may thousands of customers in New Jersey, New York, Connecticut, Pennsylvania, Delaware, Maryland, South Florida and the Caribbean Islands. Our distribution network delivers to the largest populated metropolitan areas in the United States. Cream-O-Land Dairy delivers to public and private schools, nursing homes, prisons, state institutions, restaurants, grocery and convenience stores.

We deliver many corporate customers such as MSNBC, Goldman Sachs and pharmaceutical companies such as Sanofi, Merck and Johnson & Johnson.

As you can see by the myriad base of our customers, Cream-O-Land Dairy is capable of delivering in very complex, difficult, and varied delivery situations. Our employees must go through and pass a very difficult hiring process that includes criminal background checks, state criminal sexual database checks, 10 panel drug testing for all distribution employees, including warehouse employees. Social Security Verifications, physicals and motor vehicle abstracts (based on job classifications). Cream-O-Land Dairy's focus will be on primarily on the children you are serving, the Food Service Department and your employees.

Our drivers are the most experienced and courteous drivers in the industry. The multitude of cultures, languages and backgrounds of our drivers and dispatch personnel gives our company a unique ability to communicate the focus we have for the clients we serve. Our drivers are thoroughly trained in Good Manufacturing Practices, ensuring the safety, quality and integrity of all products delivered. Every warehouse employee is trained in Good Manufacturing Practices. Three shifts run to ensure warehouse cleanliness, and deliveries inbound and outbound are handled according to check lists carefully made adhering to food safety, employee safety, and accuracy of orders received and picked to be loaded. Cream-O-Land Dairy distribution centers are true just-in-time. Product that comes in today goes out tonight or tomorrow. Cream-O-Land Dairy has found the opportunity to find the right combination of motivation and talent in our management. Our management appreciates the chance to wear many hats, and get a better view of the entire operation, making them more versatile. Our employee's opportunity to grow in their careers as Cream-O-Land grows is very much a reality. Our employees are not numbers; they are people with faces who can actually implement their and your ideas. Our employees are our most valuable assets.

Our inventory order and control personnel maintain strict procedures maximizing shelf life and food safety. Product is inventoried and received daily with date codes inputted, and product is ordered with freshness in mind. Mock recalls are made on a periodic basis to ensure compliance with all FDA and bioterrorism regulations. Our Quality Control Manager works with our different suppliers to certify all procedures required by the various state and federal agencies are met. The dairy industry is a very highly regulated industry, right down to the price. But to maintain and improve procedures we require ourselves and our suppliers to go through third party audits. Cream-O-Land Dairy's last audit scoring based on Good Manufacturing practices requirements include the implementation and maintenance of a HACCP based food safety system, and with relevant industry specific pre-requisite programs achieved a rating of 97.2% with the highest rating possible of "Superior" from GAI Global, an independent auditing service.
