iv) **State of incorporation (if applicable)**

Delaware.

v) **The number of employees in the firm**

There are over 50 employees in the Construction Services company and a total of over 300 in the combined Hardesty & Hanover, LLC and Hardesty & Hanover Construction Services, LLC firms.

vi) **Annual revenue of firm**

The annual revenue of the Hardesty & Hanover companies has been between \$50 and \$60 million for the last several years.

vii) **Summary of relevant accomplishments**

Hardesty & Hanover has worked on some of the largest and most important construction management projects in the area. We led the award-winning construction inspection of the Robert Moses NB Causeway over the Great South Bay (ACEC 2013 Platinum Award) and provided design and construction support services for the award-winning complex replacement of the Route 25A Viaduct over Hempstead Harbor and approach roadways in Roslyn. We also completed the design, construction support, and resident engineering/construction inspection for the rehabilitation of Nassau County Bridge Authority's Atlantic Beach Bridge, and also provided CI services for the Long Beach Boulevard Bridge. We provided CM services for the Bruckner Expressway Reconstruction and the Grand Concourse Reconstruction, both in the Bronx. Current work includes high profile Hurricane Sandy infrastructure reconstruction in the Belle Harbor area of Queens.

viii) **Copies of all state and local licenses and permits.**

N/A

B. **Indicate number of years in business.**

The firm has been in business for 129 years, and has been providing resident engineering services for more than 100 years. The firm has had an office in New York for the last 99 years.

C. **Provide any other information which would be appropriate and helpful in determining the Proposer's capacity and reliability to perform these services.**

H&H has been providing highway/bridge design and construction management in Nassau and Suffolk Counties since the NYS Department of Transportation was formed in the 1950s.

Through its offices on Long Island and in NYC, H&H has successfully completed a wide variety of both design and construction inspection contracts.
