For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

To Whom It May Concern,

Please accept this cover letter and the attached resume as my formal request to be considered for the position of Community Coalition Developer within the Nassau County Department of Human Services Office of Mental Health, Chemical Dependency and Developmental Disabilities Services.

I am uniquely qualified for this position due to my extensive knowledge of behavioral health issues, both mental health and substance use, as well as, other co-occurring disorders and the connection to physical health. In addition, I have been active in the development of the Behavioral health Awareness Campaign from its inception.

My work as the Community Coalition Developer and the Nassau County Director of Project Hope has allowed me to cultivate and continue to maintain positive relations with all levels of county and state representatives and their offices, as well as community organizations, coalitions, service providers and recipients of services. These relationships are invaluable to our goal to raising awareness about the risk and protective factors related to behavioral health issues.

I also have a long standing history of teaching within the community and for providing workshops for professionals and residents of Nassau County. The skill of public presenting is necessary for engaging the public, which is an essential skill for any community developer.

Within the role of community developer I assisted in rebranding and re-launching the Behavioral Health Helpline, reestablishing our internship program and in the development of our website.

I am confident that my skill set encompasses the knowledge and expertise you are seeking in for the position of Community Coalition Developer. I look forward to meeting with you to discuss the plans and future of the Behavioral Health Awareness Campaign.

Thank you in advance for your consideration and time.

Sincerely yours,

David Hymowitz

(a) The Contractor shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the Contractor or a Contractor Agent, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Contractor shall not be responsible for that portion, if any, of a Loss that is caused by

the negligence of the County.

(b) The Contractor shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Contractor's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Contractor is responsible under this Section, and, further to the Contractor's indemnification obligations, the Contractor shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Contractor shall, and shall cause Contractor Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Contractor and/or a Contractor Agent in connection with this Agreement.

(d) The provisions of this Section shall survive the termination of this Agreement.

10. Insurance. (a) Types and Amounts. The Contractor shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Contractor's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

(b) Acceptability; Deductibles; Subcontractors. All insurance obtained and maintained by the Contractor pursuant to this Agreement shall be (i) written by one or more commercial insurance carriers licensed to do business in New York State and acceptable to the County, and which is (ii) in form and substance acceptable to the County. The Contractor shall be solely responsible for the payment of all deductibles to which such policies are subject. The Contractor shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Contractor under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Contractor shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Contractor shall cause all insurance to remain in full force and effect throughout the term of this Agreement and

shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Contractor to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Contractor to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

11. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the "County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

12. Termination. (a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Contractor, (ii) for "Cause" by the County immediately upon the receipt by the Contractor of written notice of termination, (iii) upon mutual written Agreement of the County and the Contractor, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Contractor. This Agreement may be terminated by the Contractor if performance becomes impracticable through no fault of the Contractor, where the impracticability relates to the Contractor's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance.

Termination under this subsection shall be effected by the Contractor delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Contractor is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Contractor's right to terminate under this subsection. A copy of the notice given to the Commissioner shall be given to the Deputy County Executive who oversees the administration of the Department (the "Applicable DCE") on the same day that notice is given to the Commissioner.

(c) Contractor Assistance upon Termination. In connection with the termination or impending termination of this Agreement the Contractor shall, regardless of the reason for termination, take all actions reasonably requested by the County (including those set forth in other provisions of this Agreement) to assist the County in transitioning the Contractor's responsibilities under this Agreement. The provisions of this subsection shall survive the termination of this Agreement.

13. Accounting Procedures; Records. The Contractor shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Contractor is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Contractor shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Contractor shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Contractor shall allege that the above-described actions and inactions preceded the Contractor's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Contractor is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Contractor is using a Contractor Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Contractor Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose name the Contractor shall obtain from the Department) at the address specified above for the County, (iii) if to the Comptroller, to the attention of the Comptroller at 240 Old Country Road, Mineola, NY 11501, and (iv) if to the Contractor, to the attention of the person who executed this Agreement on behalf of the Contractor at the address specified above for the Contractor, or in each case to such other persons or addresses as shall be designated by written notice.

18. All Legal Provisions Deemed Included; Severability; Supremacy. (a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

19. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

21. Administrative Service Charge. The Contractor agrees to pay the County an administrative service charge of **One Hundred Sixty** dollars (**\$160.00**) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 128-2006. The administrative service charge shall be due and payable to the County by the Contractor upon signing this Agreement.

22. Executory Clause. Notwithstanding any other provision of this Agreement:

Appendix EE
Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County

pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

1.13 Standard Transactions. "Standard Transactions" shall have the meaning set forth in 45 C.F.R. §162.103.

2. PERMITTED USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION BY THE CONTRACTOR

2.1 Use and Disclosure to Provide the Services to the Contractor. The Contractor provides or will provide to, for, or on behalf of the County certain services (the "Services"), which Services require the use and/or disclosure of PHI pursuant to and as described in the Agreement, of which this Addendum is made a part. Except as otherwise expressly provided herein, the Contractor may use or disclose PHI in relation to such Services only as necessary to comply with applicable state and federal laws and to satisfy its obligations hereunder, as long as such use or disclosure of PHI would not violate (a) the Privacy Rule if done by the County and (b) any other applicable federal or state law which imposes requirements of confidentiality on the use and/or disclosure of PHI more stringent than those imposed by the Privacy Rule ("Other Legal Requirements").

If there shall exist any conflict between the requirements of the Privacy Rule and the Other Legal Requirements, the Contractor shall comply with both, to the extent possible, and otherwise with the more stringent requirements. All other uses or disclosures of the PHI not expressly authorized herein are strictly prohibited.

2.2 Use and Disclosure for Management and Administration Purposes. In addition to the uses and disclosures described above, the Contractor may:

a. use PHI for management and administration purposes and to satisfy any present or future legal responsibilities of the Contractor provided that such uses are permitted under applicable state and federal laws;

b. disclose PHI in its possession to third parties for management and administration purposes and to satisfy any present or future legal responsibilities of the Contractor, provided that the Contractor shall represent to the County, promptly in writing, that: (i) the disclosures are Required by Law, or (ii) the Contractor has obtained from the third party written assurances regarding its confidential handling of such PHI as required under 45 C.F.R. §164.504(e)(4). For such written assurances to be satisfactory, they must bind the third party to:

i) maintain the confidentiality of PHI in its possession and limit the use and/or disclosure of such PHI to the purposes for which the Contractor disclosed the PHI to the third party, unless otherwise Required by Law; and

ii) immediately notify the Contractor (who shall immediately notify the County) of any instance in which the third party learns of any unauthorized use and/or disclosure of such PHI.

3. RESPONSIBILITIES OF THE CONTRACTOR WITH RESPECT TO PHI

3.1 Contractor's Responsibilities. With respect to any use and/or disclosure of PHI, the Contractor hereby agrees that it shall:

a. use and/or disclose PHI only as permitted or required by this Addendum, as required by the Privacy Rule, or as otherwise Required by Law;

b. implement comprehensive procedures for mitigating any harmful effects from any unauthorized use and/or disclosure of PHI by the Contractor, its agents or subcontractors;

c. report to the County's designated Privacy Officer, in writing, any use and/or disclosure of PHI which is not authorized hereunder of which the Contractor becomes aware or has knowledge within one (1) day of the Contractor's discovery of such unauthorized use and/or disclosure. The Contractor's report of such unauthorized use and/or disclosure shall specify at least: (i) the nature of the unauthorized use and/or disclosure; (ii) the specific PHI that was disclosed; (iii) the party responsible for making the unauthorized use and/or disclosure; (iv) what, if any, actions the Contractor has taken or will take to limit the extent of the unauthorized use(s) and/or disclosure(s), and to mitigate the damage resulting therefrom; (v) what, if any, corrective actions the Contractor has or will take to prevent further unauthorized uses and/or disclosures; (vi) when such corrective measures will be taken (if they have not already been completed), and, as applicable, an explanation of why they have not already been completed; and (vii) provide the County with any other information it reasonably requests;

d. develop, implement, maintain and utilize appropriate administrative, technical, and physical safeguards, in compliance with the Social Security Act § 1173(d) (42 U.S.C. § 1320d-2(d)), the Privacy Rule, and any other regulations now in effect or later issued by HHS which implement HIPAA, to preserve the integrity and confidentiality, and to prevent unauthorized use and/or disclosure, of PHI;

e. require any of its subcontractors and/or agents that receive, use, or have any access to PHI, as authorized by this Addendum, to enter into a written agreement, which agreement shall contain provisions substantially similar to this Addendum, to comply with the same obligations and restrictions as are required of the Contractor hereunder;

f. provide the Secretary of HHS with access to all records, books, agreements, policies, and procedures relating to the use and/or disclosure of PHI for compliance investigations;

g. within ten (10) days of receipt of a written request, provide the County with access to all records, books, agreements, policies, and procedures relating to the use and/or disclosure of PHI for purposes of enabling the County to determine the Contractor's compliance with the terms of this Addendum. Such access shall be at the Contractor's place of business during normal operating hours;

h. within five (5) days of receipt of a written request from the County, provide the County with such information as is requested to permit it to respond to a request by an Individual for an accounting of disclosures of all PHI related to the Individual;

i. subject to Section 7.4 below, within thirty (30) days of the earlier of the termination of the Agreement or this Addendum, return to the County or destroy all PHI in its possession. The Contractor shall not retain any copies of such information in any form; and

j. disclose to its subcontractors, agents, and any other third parties, and request from the County, only the minimum PHI necessary to conduct or fulfill a specific function authorized hereunder.

3.2 Responsibilities of the Contractor with Respect to Access, Amendment, Restrictions, and Accounting of Disclosures of PHI. The Contractor hereby agrees to do the following with respect to providing access to PHI, amending inaccuracies contained in PHI, restrictions regarding PHI, and accounting for disclosures of PHI in its possession:

a. at the request of, and in the time and manner designated by the County, provide access to any PHI contained in a Designated Record Set to the County or to the Individual who is the subject of such PHI or his or her authorized representative, as applicable, to satisfy a request for inspection and/or copying under 45 C.F.R. § 164.524;

b. at the request of, and in the time and manner designated by the County, make any amendment(s) that the County so directs, or permit the County access to amend, any portion of the PHI pursuant to 45 C.F.R. § 164.526 to allow the County to comply with the Privacy Rule;

c. at the request of, and in the time and manner designated by the County, comply with any restrictions that the County has agreed to adhere to with regard to the use and disclosure of PHI of any Individual that materially affects and/or limits the uses and disclosures which are otherwise permitted; and

d. record each disclosure that the Contractor makes of PHI for the County to respond to an Individual's request for an accounting in accordance with 45 C.F.R. §164.528. Such record shall include, but not be limited to: (i) the date of disclosure; (ii) the name and address of the Individual or organization to whom the disclosure was made; (iii) a description of the PHI disclosed; and (iv) a statement of the purpose for the disclosure (collectively the "disclosure information"). If the Contractor makes multiple disclosures of PHI to the same person or entity for a single purpose, the Contractor may provide: (i) the disclosure information for the first disclosure; (ii) the frequency, periodicity, or number of these repetitive disclosures; and (iii) the date of the last of these repetitive disclosures. Such disclosure information must be kept by the Contractor for a period of not less than six (6) years from the date of disclosure.

4. RESPONSIBILITIES OF THE COUNTY WITH RESPECT TO PHI

4.1 Responsibilities of the County. With respect to any use and/or disclosure of PHI, the County hereby undertakes to do the following to the extent material to the PHI held by the Contractor:

a. inform the Contractor of any changes in the County's Notice of Privacy Practices (the "Notice"), which the County provides to Individuals pursuant to 45 C.F.R. §164.520, and provide the Contractor a current copy of such Notice and a copy of all updated versions thereof prior to their effective date;

b. inform the Contractor of any changes in, or withdrawal of, any relevant authorization provided to the County by Individuals pursuant to 45 C.F.R. §164.508, which impact the Contractor under the Agreement;

c. inform the Contractor of any applicable decisions made by any Individual to opt-out of allowing his or her PHI to be used for fundraising activities of the County pursuant to 45 C.F.R. §164.514(f), which impact the Contractor under the Agreement; and

d. notify the Contractor, in writing, of any arrangements permitted or required under 45 C.F.R. parts 160 and 164, which impact the use and/or disclosure of PHI by the Contractor under the Agreement, including, but not limited to, restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. §164.522 agreed to by the County.

4.2 Responsibilities of the County with Respect to Access, Amendment, Restrictions and Accounting of Disclosures of PHI. The County hereby agrees to do the following regarding access to PHI, amendments to inaccuracies contained in PHI, and restrictions regarding PHI in the Contractor's possession, to the extent material to the PHI held by the Contractor:

a. notify the Contractor, in writing, of any PHI that the County seeks to make available to an Individual pursuant to 45 C.F.R. § 164.524 and the time, manner, and form which the Contractor shall provide such access;

b. notify the Contractor, in writing, of any amendment(s) to PHI in the possession of the Contractor that the Contractor shall make and inform the Contractor of the time, form, and manner in which such amendment(s) shall be made; and

c. notify the Contractor, in writing, of any restrictions that the County has agreed to adhere to with regard to the use and disclosure of PHI of any Individual that materially affects and/or limits the uses and disclosures which are otherwise permitted.

5. RESPONSIBILITIES OF THE CONTRACTOR WITH RESPECT TO EPHI

5.1 The Contractor's Responsibilities. With respect to any use and/or disclosure of EPHI, Contractor agrees that it shall:

a. implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Contractor creates, receives, maintains, or transmits on behalf of the County. Contractor shall be responsible for ensuring that such safeguards are adequate to comply with the requirements of the Security Rule.

b. ensure that any agent to whom it provides EPHI, including a subcontractor, agrees to implement reasonable and appropriate safeguards to protect such EPHI.

c. report to the County, in writing, any Security Incident within three (3) business days of becoming aware of such Security Incident. Without limiting the foregoing, the Contractor shall report to the County regarding whether such Security Incident has resulted in a breach of the Security Rule.

d. upon the County's request, provide the County with immediate access to the Contractor's security systems and programs in order for the County to investigate any Security Incident or to audit the Contractor's security systems and programs. The Contractor acknowledges that the County has the right, but not the obligation, to access and audit the Contractor's security systems and programs.

e. provide the Secretary of HHS with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for compliance investigations.

f. within ten (10) days of receipt of a written request, provide the County with access to all records, books, agreements, policies and procedures relating to the use and/or disclosure of EPHI for purposes of enabling the County to determine the Contractor's compliance with the terms of this Agreement. Such access shall be at the Contractor's place of business during routine operating hours.

6. COMPLIANCE WITH STANDARD TRANSACTIONS

6.1 Compliance with Standard Transactions by the Contractor. If the Contractor conducts in whole or in part Standard Transactions for or on behalf of the County, the Contractor shall:

a. comply and require all subcontractors and agents of the Contractor to comply with each applicable requirement of 45 C.F.R. Part 162; and

b. not enter into, or permit its subcontractors or agents to enter into, any trading partner addendum or agreement in connection with the conduct of Standard Transactions for or on behalf of the County that:

i) alters the definition, data condition, or use of any data element or segment in any Standard Transaction;

ii) adds any elements or segments to the maximum defined data set;

iii) uses any code or data element that is marked "not used" in the Standard Transaction's specifications for execution or is not in the Standard Transaction's specifications for execution; or

iv) changes the meaning or intent of the Standard Transaction's specifications for implementation.

7. TERMS AND TERMINATION

7.1 Term. This Addendum shall become effective as of the date first indicated above, and shall continue in effect until all of the PHI provided by the County to the Contractor, or created or received by the Contractor on behalf of the County, is destroyed or returned to the County, and all other obligations of the parties have been met, unless terminated by the County as provided in Section 7.2. If it is infeasible to return or destroy such PHI, then such PHI shall continue to be protected as set forth in Section 7.4.

7.2 Termination by the County. As provided for under 45 C.F.R. §§ 164.504(e)(2)(iii) and 164.314(a)(2)(i), the County may (a) exercise its rights under Section 7.3 below or (b) immediately terminate the Agreement if the County, in its sole discretion, determines that the Contractor has breached a material term of this Addendum. The County may exercise such right to terminate the Agreement by providing the Contractor with written notice of its intent to terminate specifying the material breach of the Agreement that provides the basis for termination. Such termination will be effective immediately, unless another date is specified in such notice.

7.3 Opportunity to Cure. As provided for under 45 C.F.R. § 164.504(e)(2)(iii) and notwithstanding Section 7.2 hereof, the County may terminate the Agreement, after notice and opportunity to cure as herein provided, if the County, in its sole discretion, determines that the Contractor has unintentionally breached a material term of this Addendum. If the County decides to provide an opportunity to cure in such case, it shall: (a) provide the Contractor with written notice of the existence of an alleged material breach; and (b) afford the Contractor an opportunity to cure the alleged material breach. Failure to cure within fourteen (14) days shall constitute grounds for the immediate termination of the Agreement by the County.

7.4 Effect of Termination. Upon the termination, cancellation, or any other conclusion of the Agreement, the Contractor shall, if feasible, return to the County or destroy all PHI, in whatever form or medium, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), including, but not limited to, PHI in the possession of its subcontractors and/or agents, within thirty (30) days of the effective date of the termination, cancellation, or other conclusion of the Agreement.

a. Once all PHI in the Contractor's possession or control, including, but not limited to, PHI in the possession or control of its subcontractors and/or agents, has been returned to the County or destroyed, the Contractor shall provide a written certification to the County regarding the return or destruction of such PHI within such thirty (30) day period. Such certification shall be relied upon by the County as a binding representation; and

b. if the Contractor believes that return or destruction of PHI in its possession and/or in the possession of its subcontractors or agents is infeasible, the Contractor shall notify the County of such infeasibility in writing. Said notification shall include, but not be limited to: (i) a statement that the Contractor has, in good faith, determined that it is infeasible to return or destroy the PHI in its possession and/or in the possession of its subcontractors or agents, as applicable, (ii) identification of the PHI that the Contractor believes it is infeasible to return or destroy, and (iii) the specific reasons for such determination. In addition to providing such notification, the Contractor shall certify within such thirty (30) day period that it will and will require its subcontractors or agents, as applicable, to limit any further uses and/or disclosures of such PHI to the purposes that make the return or destruction of the PHI infeasible.

8. INDEMNIFICATION

8.1 Indemnity. The Contractor agrees to indemnify and hold harmless the County and any of its affiliates, officers, directors, employees, attorneys, or agents (collectively, "Indemnitees") from and against any claim, cause of action, liability, damage, cost, or expense, including attorneys' fees and court or proceeding costs, and the fees and costs of enforcement of the indemnification rights provided herein, arising out of or in connection with any non-permitted or violating use or disclosure of PHI or other breach of this Addendum by the Contractor or any subcontractor, agent, person, or entity under the Contractor's control.

8.2 Control of Defense. If any Indemnitees are named a party in any judicial, administrative, or other proceeding arising out of or in connection with any use or disclosure of PHI by the Contractor or any subcontractor, agent, individual, or organization under the Contractor's control, and such use or disclosure of PHI was not permitted by this Addendum, then any Indemnitee shall have the option at any time either: (i) to tender defense to the Contractor, in which case the Contractor shall provide qualified attorneys, consultants, and other appropriate professionals to represent the Indemnitee's interests at the Contractor's expense, or (ii) undertake its own defense, choosing the attorneys, consultants, and other appropriate professionals to represent its interests, in which case the Contractor shall be responsible for and pay the fees and expenses of such attorneys, consultants, and other professionals.

8.3 Control of Resolution. The Indemnitees shall have the sole right and discretion to settle, compromise, or otherwise resolve any and all claims, causes of actions, liabilities, or damages against them, notwithstanding that the Indemnitees may have tendered their defense to the Contractor. Any such resolution will not relieve the Contractor of its obligation to indemnify the Indemnitees under this Section.

9. CONFIDENTIALITY

This Addendum does not affect any other obligations in the Agreement to the extent not inconsistent herewith or not involving the confidentiality, use, or disclosure of PHI. This Addendum, however, does supercede all other obligations in the Agreement to the extent they are inconsistent herewith and involve the confidentiality, use, or disclosure of PHI.

10. MISCELLANEOUS

10.1 Survival. The respective rights and obligations of the Contractor and the County under the provisions of Sections 3, 4, 5, 7.4, and 8, solely with respect to PHI the Contractor retains in accordance with Section 7.4 because it is not feasible to return or destroy such PHI, shall survive the termination of the Agreement indefinitely. In addition, Section 9 shall survive termination of this Addendum indefinitely, notwithstanding whether the Contractor retains PHI in accordance with Section 7.4 hereto.

10.2 Amendments. The Agreement (including the terms of this Addendum) may not be modified, nor shall any provision of the Agreement be waived or amended, except in a writing duly signed by authorized representatives of the parties and expressly referencing the Agreement. Notwithstanding anything in the Agreement to the contrary, to the extent that the Privacy Rule or Security Rule, or any other applicable law related to the privacy or security of health information is materially amended, updated, or revised following the execution of this Addendum, the parties agree to take such action as is necessary to amend this Addendum from time to time as is necessary for the County to comply with the requirements of HIPAA.

10.3 No Third Party Beneficiaries. Nothing contained in the Agreement (including, but not limited to, this Addendum), whether express or implied, is intended to confer, nor shall anything herein confer, upon any person other than the parties and their respective successors or assigns of the parties, any rights, remedies, obligations, or liabilities whatsoever in relation to the disclosure or use of PHI.

10.4 Cooperation and Disputes. Each party will reasonably cooperate with the other in the performance of the mutual obligations under this Addendum. If any controversy, dispute, or claim arises between the parties with respect to the Agreement (including, but not limited to, this Addendum), the parties shall make reasonable good faith efforts to resolve such matters informally.

10.5 Regulatory References. Any reference to any part or section of the CFR shall include such part or section as drafted upon the effective date of this Addendum and as it is subsequently updated, amended, supplemented, superceded, or revised.

10.6 Conflicts. Any conflicts or inconsistencies between the terms in this Addendum and terms in other parts of the Agreement shall be resolved in favor of the terms in this Addendum.

10.7 Interpretation. Any ambiguity in the Agreement (including, but not limited to, this Addendum) shall be resolved in favor of a meaning that permits the County to comply to the greatest extent possible with the Privacy Rule, the Security Rule and Other Legal Requirements.

IN WITNESS WHEREOF, each of the undersigned has caused this Addendum to be duly executed in its name and on its behalf effective as of the date first indicated above.
