# Contract Summary: AMENDMENT NO. 1 CFPW10000060

<b>Description:</b> Design Services Agreement for the Bay Park Modifications to the Influent Screening Facility.
<b>Purpose:</b> The screening facility currently utilizes outdated technologies with worn equipment at the end of its useful life, resulting in a maintenance intensive and odorous process. This project will design improvements to the facility that will ensure its continued reliability for the next 25 year life cycle, while decreasing operation and maintenance burdens as well as bringing the building up to current standards to reduce odorous air.
<b>Method of Procurement:</b> Qualification Based Selection (QBS) procedure for the procurement of professional services, developed in accordance with procedures stipulated in the Board of Supervisor's Resolution 928-1993 and the County Executive's Order No 1-1993.
<b>Procurement History:</b> On May 10, 2010, the Department issued an RFP (request for proposals) to procure design services for the Screening Facility. Six (6) Firms responded and their proposals were evaluated. The Firm of Dvirka and Bartilucci received the highest technical rating & proposed the lowest reasonable cost. The Department recommended that we retain the services of D&B. The justification for selecting the Firm of D&B was approved by the office of the County Executive on August 24, 2010.
<b>Description of General Provisions:</b> This Amendment No. 1 requests continued design services during construction to this ongoing project, as well as completion of the one year project certification.
<b>Impact on Funding / Price Analysis:</b> Priority projects caused by Hurricane Sandy resulted in an eighteen (18) month delay in bidding the project after D&B completed the design. The project was advertised during October 2013 with bid opening on November 26, 2013. Notice to proceed with construction occurred on May 27, 2014. We are requesting an Extension of Time for two (2) years. <b>NO ADDITIONAL FUNDING REQUESTED.</b>
<b>Change in Contract from Prior Procurement:</b> <b>EXTENSION OF TIME ONLY</b>
<b>Recommendation:</b> (approve as submitted) Approve as submitted.

The contract was originally executed by Nassau County on January 4, 2011. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP (copies of the relevant pages are attached). The original contract was entered into after evaluation of six (6) proposals were received in response to our Request for Proposals. This amendment is to extend the Term of the contract and does not change the dollar amount of the Agreement.

**IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.**

- ☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**

**V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.**

- ☐ A. There are only one or two providers of the services sought or less than three providers' submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.
- ☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).
- ☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. \_\_\_\_\_, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

For any such contract, where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☒ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

**Instructions with respect to Sections VIII, IX and X:** All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

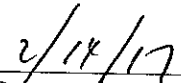

**VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts.** The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

**IX. ☒ Department MWBE responsibilities.** To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

**X. ☐ Vendor will not require any sub-contractors.**

**SUBJECT:** Bay Park Influent Screening Facility Improvements  
Extension of Design and Design Services during Construction for  
Dvirka & Bartilucci Consulting Engineers  
Agreement No. S3B120-01C

Dvirka & Bartilucci (D&B), was procured to provide detailed design and design services during construction for the above subject Bay Park project. It is the intent of this Department to amend the existing agreement to extend those services for two (2) years from January 3, 2017 to January 3, 2019. No additional funds are requested, just an extension of time.

The Original five (5) year Term of the Agreement was extended through an extension letter for one (1) year to January 3, 2017. County priority projects caused by Hurricane Sandy resulted in an eighteen (18) month delay in bidding the project after D&B completed the design. The project was advertised during October 2013 with bid opening on November 26, 2013. Notice to proceed with construction occurred on May 27, 2014, with a targeted completion date scheduled for early April 2017. In addition to this ongoing work, there will be construction ending paperwork and one year project certification that will need to be completed. D&B cannot be reimbursed without an amendment to their agreement.

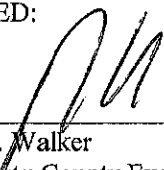

If you approve or disapprove of the foregoing, please signify by signing below and returning a copy of this memo.

Project No. 3B120

Project Title: Bay Park Sewage Treatment Plant  
Screening Facilities

Service Requested: The Department of Public Works desires to procure a firm to provide engineering services in regard to the design and construction administrative of modifications to the bar screen facility of the 70 mgd Bay Park Sewage Treatment Plant (STP) in East Rockaway, New York.

Justification: The screening facility was constructed and put into operation in the mid 1980s and is currently at the end of its useful life of 20 years. The equipment is outdated, significantly worn and requires a significantly high amount of maintenance, coupled with increasing expenditures to keep it maintained in-service. In addition, the manual transfer of screenings from a 1-cubic yard container to the 20-cubic yard container using a hoist has created operational problems including the spillage of excess water creating slippery conditions for operators due to poor drainage conditions.

Design and Construction-Related Services  
Bay Park Sewage Treatment Plant  
Improvements to the Influent Screening Facility  
Capital Project No. 3B120  
Recommendation of Firm for Design Services

This Department intends to procure design and construction related services for the improvements to the Influent Screening Facility at the Bay Park Sewage Treatment Plant. The screening facility currently utilizes outdated technologies with worn equipment at the end of its useful life, resulting in a maintenance intensive process. This Department is seeking to retain a consulting engineering firm to plan and design improvements to the facility that will ensure its continued reliability for the next 25 year life cycle, while decreasing operation and maintenance burdens. Services shall include detailed design, based upon a previously approved Technical Design Report that performed an assessment of the overall condition and recommended a cost-effective alternative; and construction-related services.

A "Request for Proposal" was prepared in conformance with the Department's policy for assessing technical understanding, statement of qualification, and a proposed project schedule. The Request for Proposal was posted on the County's website on May 10, 2010 and advertised in *Newsday*.

Technical and Cost Proposals were submitted by the six (6) firms listed below on June 18, 2010. The Technical Proposals were evaluated by professionals from within the Department of Public Works. Following the review, the technical rank was established and the cost proposals were opened. The results of the technical evaluation are summarized below, along with each firm's total proposed project fee (based upon a \$15,000,000 construction budget):

PROPOSER	Technical Rank	Technical Score	Total Project Fee (Detail Design & Construction Services)	Total Cost Proposal with Contingency

In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

**VII. ☒ This is a public works contract for the provision of architectural, engineering or surveying services.** The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No.928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Any discovery or invention arising out of or developed in the course of performance of this Agreement shall be promptly and fully reported to the Department, and if this work is supported by a federal grant of funds, shall be promptly and fully reported to the Federal Government for determination as to whether patent protection on such invention shall be sought and how the rights in the invention or discovery, including rights under any patent issued thereon, shall be disposed of and administered in order to protect the public interest.

(c) Pre-existing Rights. In no case shall 4(a) or 4(b) above apply to, or prevent the Firm from asserting or protecting its rights in any report, document or other data, or any invention which existed prior to or was developed or discovered independently from the activities directly related to this Agreement.

(d) Infringements of Patents, Trademarks, and Copyrights. The Firm shall indemnify and hold the County harmless against any claim for any infringement by the Firm of any copyright, trade secrets, trademark or patent rights of design, systems, drawings, graphs, charts, specifications or printed matter furnished or used by the Firm in the performance of this Agreement. 7. Compliance with Law.

(a) Generally. The Firm shall comply with any and all applicable Federal, State and local Laws, including, but not limited to those relating to conflicts of interest, human rights, a living wage, and disclosure of information, in connection with its performance under this Agreement. In furtherance of the foregoing, the Firm is bound by and shall comply with the terms of Appendix "EE" attached hereto and hereby made a part hereof. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

- (i) Firm shall comply with the applicable requirements of the Living Wage Law, as amended;
- (ii) Failure to comply with the Living Wage Law, as amended, may constitute a material breach of this Agreement, such breach being determined solely by the County. Firm has the right to cure such breach within thirty days of receipt of notice of breach from the County. In the event that such breach is not timely cured, the County may terminate this Agreement as well as exercise any other rights available to the County under applicable law.
- (iii) On a yearly basis, Firm shall provide the County with any material changes to its Certificate of Compliance, attached hereto and hereby made a part hereof as Appendix "L."

(c) Records Access. The parties acknowledge and agree that all records, information, and data ("Information") acquired in connection with performance or administration of this Agreement shall be used and disclosed solely for the purpose of performance and administration of the contract or as required by law. The Firm acknowledges that Firm Information in the County's possession may be subject to disclosure under Article 6 of the New York State Public Officer's Law ("Freedom of Information Law" or "FOIL"). In the event that such a request for disclosure is made, the County shall make reasonable efforts to notify the Firm of such request prior to

disclosure of the Information so that the Firm may take such action as it deems appropriate.

(d) Protection of Client Information. The Firm acknowledges and agrees that all information that the Firm acquires in connection with performance under this Agreement shall be strictly confidential, used solely for the purpose of performing services to or on behalf of the County, and shall not be disclosed to third parties except (i) as permitted under this Agreement, (ii) with the written consent of the County (and then only to the extent of the consent), or (iii) upon legal compulsion.

9. Indemnification; Defense; Cooperation.

(a) The Firm shall be solely responsible for and shall indemnify and hold harmless the County, the Department and its officers, employees, and agents (the "Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorneys' fees and disbursements) and damages ("Losses"), arising out of or in connection with any negligent acts or omissions of the Firm or a Firm Agent, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same; provided, however, that the Firm shall not be responsible for that portion, if any, of a Loss that is caused by the negligence of the County.

(b) The Firm shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the Firm's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties for which the Firm is responsible under this Section, and, further to the Firm's indemnification obligations, the Firm shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.

(c) The Firm shall, and shall cause Firm Agents to, cooperate with the County and the Department in connection with the investigation, defense or prosecution of any action, suit or proceeding in connection with this Agreement, including the acts or omissions of the Firm and/or a Firm Agent in connection with this Agreement.

#### 10. Insurance.

(a) Types and Amounts. The Firm shall obtain and maintain throughout the term of this Agreement, at its own expense: (i) one or more policies for commercial general liability insurance, which policy(ies) shall name "Nassau County" as an additional insured and have a minimum single combined limit of liability of not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate coverage, (ii) if contracting in whole or part to provide professional services, one or more policies for professional liability insurance, which policy(ies) shall have a minimum single combined limit liability of not less than two million dollars (\$2,000,000) per occurrence and four million dollars (\$4,000,000) aggregate coverage, (iii) compensation insurance for the benefit of the Firm's employees ("Workers' Compensation Insurance"), which insurance is in compliance with the New York State Workers' Compensation Law, and (iv) such additional insurance as the County may from time to time specify.

The Firm shall require any subcontractor hired in connection with this Agreement to carry insurance with the same limits and provisions required to be carried by the Firm under this Agreement.

(c) Delivery; Coverage Change; No Inconsistent Action. Prior to the execution of this Agreement, copies of current certificates of insurance evidencing the insurance coverage required by this Agreement shall be delivered to the Department. Not less than thirty (30) days prior to the date of any expiration or renewal of, or actual, proposed or threatened reduction or cancellation of coverage under, any insurance required hereunder, the Firm shall provide written notice to the Department of the same and deliver to the Department renewal or replacement certificates of insurance. The Firm shall cause all insurance to remain in full force and effect throughout the term of this Agreement and shall not take or omit to take any action that would suspend or invalidate any of the required coverages. The failure of the Firm to maintain Workers' Compensation Insurance shall render this contract void and of no effect. The failure of the Firm to maintain the other required coverages shall be deemed a material breach of this Agreement upon which the County reserves the right to consider this Agreement terminated as of the date of such failure.

11. Assignment; Amendment; Waiver; Subcontracting. This Agreement and the rights and obligations hereunder may not be in whole or part (i) assigned, transferred or disposed of, (ii) amended, (iii) waived, or (iv) subcontracted, without the prior written consent of the County Executive or his or her duly designated deputy (the

"County Executive"), and any purported assignment, other disposal or modification without such prior written consent shall be null and void. The failure of a party to assert any of its rights under this Agreement, including the right to demand strict performance, shall not constitute a waiver of such rights.

## 12. Termination.

(a) Generally. This Agreement may be terminated (i) for any reason by the County upon thirty (30) days' written notice to the Firm, (ii) for "Cause" by the County immediately upon the receipt by the Firm of written notice of termination, (iii) upon mutual written Agreement of the County and the Firm, and (iv) in accordance with any other provisions of this Agreement expressly addressing termination.

As used in this Agreement the word "Cause" includes: (i) a breach of this Agreement; (ii) the failure to obtain and maintain in full force and effect all Approvals required for the services described in this Agreement to be legally and professionally rendered; and (iii) the termination or impending termination of federal or state funding for the services to be provided under this Agreement.

(b) By the Firm. This Agreement may be terminated by the Firm if performance becomes impracticable through no fault of the Firm, where the impracticability relates to the Firm's ability to perform its obligations and not to a judgment as to convenience or the desirability of continued performance. Termination under this subsection shall be effected by the Firm delivering to the commissioner or other head of the Department (the "Commissioner"), at least sixty (60) days prior to the termination date (or a shorter period if sixty days' notice is impossible), a notice stating (i) that the Firm is terminating this Agreement in accordance with this subsection, (ii) the date as of which this Agreement will terminate, and (iii) the facts giving rise to the Firm's right to terminate under this subsection. The provisions of this subsection shall survive the termination of this Agreement.

13. Accounting Procedures; Records. The Firm shall maintain and retain, for a period of six (6) years following the later of termination of or final payment under this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to performance under this Agreement. Records shall be maintained in accordance with Generally Accepted Accounting Principles and, if the Firm is a non-profit entity, must comply with the accounting guidelines set forth in the federal Office of Management & Budget Circular A-122, "Cost Principles for Non-Profit Organizations." Such Records shall at all

times be available for audit and inspection by the Comptroller, the Department, any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefore, and any of their duly designated representatives. The provisions of this Section shall survive the termination of this Agreement.

14. Limitations on Actions and Special Proceedings against the County. No action or special proceeding shall lie or be prosecuted or maintained against the County upon any claims arising out of or in connection with this Agreement unless:

(a) Notice. At least thirty (30) days prior to seeking relief the Firm shall have presented the demand or claim(s) upon which such action or special proceeding is based in writing to the Applicable DCE for adjustment and the County shall have neglected or refused to make an adjustment or payment on the demand or claim for thirty (30) days after presentment. The Firm shall send or deliver copies of the documents presented to the Applicable DCE under this Section to each of (i) the Department and the (ii) the County Attorney (at the address specified above for the County) on the same day that documents are sent or delivered to the Applicable DCE. The complaint or necessary moving papers of the Firm shall allege that the above-described actions and inactions preceded the Firm's action or special proceeding against the County.

(b) Time Limitation. Such action or special proceeding is commenced within the earlier of (i) one (1) year of the first to occur of (A) final payment under or the termination of this Agreement, and (B) the accrual of the cause of action, and (ii) the time specified in any other provision of this Agreement.

15. Work Performance Liability. The Firm is and shall remain primarily liable for the successful completion of all work in accordance this Agreement irrespective of whether the Firm is using a Firm Agent to perform some or all of the work contemplated by this Agreement, and irrespective of whether the use of such Firm Agent has been approved by the County.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

17. Notices. Any notice, request, demand or other communication required to be given or made in connection with this Agreement shall be (a) in writing, (b) delivered or sent (i) by hand delivery, evidenced by a signed, dated receipt, (ii) postage prepaid via certified mail, return receipt requested, or (iii) overnight delivery via a nationally recognized courier service, (c) deemed given or made on the date the delivery receipt was signed by a County employee, three (3) business days after it is mailed or one (1) business day after it is released to a courier service, as applicable, and (d)(i) if to the Department, to the attention of the Commissioner at the address specified above for the Department, (ii) if to an Applicable DCE, to the attention of the Applicable DCE (whose

18. All Legal Provisions Deemed Included; Severability; Supremacy and Construction.

(a) Every provision required by Law to be inserted into or referenced by this Agreement is intended to be a part of this Agreement. If any such provision is not inserted or referenced or is not inserted or referenced in correct form then (i) such provision shall be deemed inserted into or referenced by this Agreement for purposes of interpretation and (ii) upon the application of either party this Agreement shall be formally amended to comply strictly with the Law, without prejudice to the rights of either party.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

19. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

20. Entire Agreement. This Agreement represents the full and entire understanding and agreement between the parties with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

21. Administrative Service Charge. The Firm agrees to pay the County an administrative service charge of five hundred thirty-three dollars (\$533) for the processing of this Agreement pursuant to Ordinance Number 74-1979, as amended by Ordinance Number 201-2001. The administrative service charge shall be due and payable to the County by the Firm upon signing this Agreement.

22. Joint Venture.

(a) If the Firm is comprised of more than one legal entity or any group of partners or joint venturers associated for the purpose of undertaking this Agreement, each such entity acknowledges and hereby affirmatively represents and agrees that each has the power to bind the Firm and each of the others hereunder; and as such, each acts both as principal and agent of the Firm and of each of the others hereunder. Each further acknowledges and agrees that all such entities, partners or joint venturers associated for the purposes of undertaking this Agreement shall be jointly and severally liable to third parties, including but not limited to the County, for the acts or omissions of the Firm or any other entity, partner or joint venturer hereunder.

**EXHIBIT "A"****DETAILED SCOPE OF SERVICES****Bay Park Sewage Treatment Plant (STP) Improvements to Influent Screening Facility****Basic Services of the Firm****Division B - Detailed Design Services**

The Firm agrees to perform all the usual and necessary design services in connection with the preparation of detailed contract drawings, specifications and estimates suitable for public bidding.

The contract drawings shall be prepared in an AutoCAD release acceptable to the County. The Firm shall furnish the contract drawings on CD-ROM, and only if necessary on computer diskettes. In all circumstances, the hard copy of any such plans and drawings shall be relied on by the County, and shall control in the event of any conflict or discrepancies.

The full-size contract drawings shall be produced on material suitable for reproduction (either mylar or vellum) in order that the County may make the necessary copies of such drawings. It is understood and agreed that, in addition to the drawings, the Firm shall prepare all necessary technical specifications as part of the construction documents, and deliver the same to the County in order that necessary reproductions and copies of the same may be prepared by the County.

During the preparation of these documents the Firm shall perform the following services:

1. Submit preliminary (40% design completion), draft bid (70% design completion) and pre-bid (100% design completion) plans and specifications for County review (eight [8] sets for each) and approval.
2. Attend review meetings on the average of twice per month in order to review job progress and to resolve design and other questions. A representative of the Firm will prepare draft and final minutes of each meeting and after County approval distribute final minutes to all attendees.
3. Submit three (3) copies of a draft detailed construction cost estimate (at 40% design completion) and three (3) copies of a final detailed construction cost estimate (at 70% and 100% design completion). This final detailed estimate will have a breakdown by CSI division for each cost item in the estimate.
4. Prepare and submit the necessary Environmental Impact Forms.
5. Prepare permit applications, reports or submittals required by other agencies having jurisdiction. This work task will not be considered

complete until it culminates in a permit or pre/post design approval by the appropriate agency or agencies. The Firm must be aware of the latest applicable codes and agency procedural requirements in order to expeditiously complete this design task. Correspondence shall be submitted directly to the agency for review/approval with at least two copies to the County, unless otherwise directed. Typical regulatory agencies involved in our Environmental Engineering Projects may include but will not be limited to the following:

- a. New York State Department of Environmental Conservation – Title V Plant-wide Emission Source Update Submittals permits, SPDES General Permit-02 for runoff from construction sites
  - b. New York State Environmental Facilities Corp. – Design Checklists, responses to comments, design certifications, etc.
  - c. Nassau County agencies – Fire Marshall and/or Health Department
  - d. Other Local agencies (Towns, Villages...)
6. Submit written responses to all County review comments.
7. Make periodic site visits as necessary for a complete understanding of the system operation.
8. Submittal of mylar or vellum bid plans and a master specification book. The County shall have the required number of sets of bid documents printed without the assistance of the Firm.
9. Review all comments and/or questions posed by prospective bidders.
10. Prepare all necessary addenda to the contract documents.
11. Review all bid proposals received and provide a written recommendation regarding award of the construction contracts.
12. If requested, the Firm will provide copies of any and all design calculations.
13. If the total amount of the lowest responsible construction bids should exceed the final approved construction cost, which is based on the Firm's final construction cost estimate, by more than fifteen (15) percent, the County may require the Firm to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of construction. The Firm is responsible for obtaining construction budget information from the County.

14. In preparing the contract specifications, the County shall furnish the Firm with a copy of the standard contract "Front End" consisting of the Notice to Bidders, Instructions to Bidders, Agreement and General Conditions. The Proposal Forms, Special Conditions (Division 1) and all other sections of the technical specifications shall be developed by the Firm. The specifications shall be written following the CSI format.

*The Firm shall not commence the services described in Divisions C, D and E until such time as the necessary capital funds are appropriated by the Nassau County Legislature, encumbered thereof by the Nassau County Comptroller for the required purpose and authorized by the Commissioner.*

#### Division C - General Inspection Services

Prior to and during the course of project construction, the Firm shall perform the following General Inspection Services:

1. Conform the contract bid documents (plans and specifications) to reflect changes made by any addenda and provide the County with one (1) set of conformed mylar or vellum plans and a master specification book.
2. Provide representation at the site(s) pre-construction conference.
3. Review and approve detailed construction, shop and erection drawings.
4. Review and approve all proposed deviations and substitutions which do not constitute significant changes to the scope of work or design intent of the contract drawings.
5. Review all laboratory, shop, mill, material and equipment test reports.
6. Prepare supplemental sketches, if required, to reflect actual field conditions.
7. Make periodic field visits as necessary or reasonably required to observe the construction work and confer with the County and Prime Construction Contractors on construction progress and problems which arise during the progress of the construction work.
8. Assist the County in interpreting the construction contract documents.
9. Review change orders and prepare supplementary drawings and detailed independent cost estimates in a timely fashion so as not to impede construction progress.
10. Arrange for the Firm's project manager and support staff to attend update (one [1] per month) and job (one [1] per month) meetings.

11. Witness and provide a written report on shop tests for all major equipment.
12. Provide consultation on special construction problems by specialists in specific fields of work.
13. Assist the County in the final inspection of the work to determine if each construction contract has been completed in accordance with the contract documents. Provide written certification that project completion was in accordance with the contract documents.
14. Throughout the construction period and at the completion of the construction activities, field verify and check the Prime Construction Contractor's Record Drawings on which the Prime Construction Contractors have indicated changes in the construction work as-built to the extent possible based on the Firm's periodic site visits. This task shall include, but not be limited to the following:
  - a. That all equipment is shown as installed and that furnished dimensions are correct.
  - b. That all required wiring diagrams, conduit schedules, etc. are provided and are in agreement with the field installation.
  - c. That all changes, additions and deletions are shown.
  - d. That the record drawings are legible and clearly drawn.
  - e. That all supplemental and detailed drawings are included.
15. Check Prime Construction Contractor prepared as-built drawings and modify digital computer files of contract drawings to reflect work as actually constructed. Provide two (2) CD-ROM copies of these as-built digital computer files of the contract drawings.

#### Division D - Facility Operation and Maintenance Manual

Under this division of work, the Firm shall update the pertinent sections of the existing sections of the Operation and Maintenance Manual ("O&M Manual") using the EPA Publication, "Considerations for preparation of Operation and Maintenance Manuals (EPA-430/9-74001)" as a guideline.

The O&M Manual provides a detailed description of the treatment facilities, process control strategies, start-up and shutdown procedures, laboratory test procedures, emergency response procedures, safety guidelines, troubleshooting procedures, equipment preventive maintenance schedules as well as process flow schematics, isometric figures, cross section and plan diagrams, valve schedules, single line diagrams, and miscellaneous tables.

The completion of the appropriate O&M Manual sections will coincide with each segment of construction. A draft version of the O&M manual sections will be submitted for county review and approval prior to payment for the 90% completion point in construction. A final version of the O&M manual sections will be submitted for County review and approval at the 100%

construction completion point to incorporate issues learned during startup. The final O&M manual sections will be supplemented with cataloged and bound copies of the approved equipment manufacturers' O&M Manuals.

Fifteen (15) copies of the draft O&M Manual Sections will be submitted for County review. Two (2) copies of the electronic files (both text and graphics) used to produce the manuals will be turned over to the County. In addition, two (2) hard copies (bound) of the final O&M Manual Sections will be submitted for County review and approval. The County requires compatibility of software as described in the subsequent paragraph.

Prepare and provide to the County, Standard Operating Procedures (SOPs) to assist Operating Staff in the routine operation, maintenance and monitoring of all key components of the enhanced/improved odor control facility at each site. The SOPs's shall be site and equipment specific and be stand-alone documents with a maximum length of two (2) pages. The SOPs are to be mounted, laminated and then posted near the appropriate equipment or control panel.

Two (2) additional copies of the SOP's shall be included in the appropriate O&M Manual. Copies of the electronic files (both text and graphics) used to produce the SOPs will be turned over to the County. The software is to be compatible with existing County software and if not, the Firm will supply additional copies to the County.

#### Division E - Facility Start-Up, Staffing and Training Services

Under this division of work the Firm shall provide the following services:

##### 1. Start-Up Services.

- a. The Firm shall conduct start-up services during construction and shall continue until initiation of the one (1) year project performance period
- b. Scheduling. The Firm, in conjunction with the County, shall develop an overall start-up sequencing schedule that will define in detail significant start-up activities. The overall start-up sequencing schedule shall be coordinated with the County and Construction Contractors and updated as necessary.
- c. Start-Up Assistance. The Firm shall provide expert on-site start-up assistance prior to and during initial flow-through for the process units. Start-up assistance during the first year of operation will be provided on a reasonable "on-call" basis for troubleshooting, debugging, cost-effective process optimization, and general startup supervision. Services to be provided include:
- d. Strategic Start-Up Plan. This plan is designed to delineate major and minor events expected when placing into operation equipment installed in connection with the Influent Screening Facility Improvements. The Start-up Plan shall identify specific

plant components and unit processes that will affect each other and establish a network of related steps that will lead to a logical and smooth start-up. The strategic Start-up Plan shall also define the roles and responsibilities of the participants (County, Firm and construction Firms). This plan shall be reviewed with the County. Emphasis throughout the start-up will be on the O&M responsibilities of the plant staff to ensure protection of equipment warranties.

e. Establish Process Parameters. The Firm shall review the process design and process operational parameters and establish start-up procedures for each unit process

f. Checklists, Logs, Records and Reports. Although various checklists and plant operating logs are in use, the Firm shall, if necessary, upgrade the system by reviewing existing shift checklists, operating logs, records and reports for all processes affected by the new construction work. The Firm shall provide recommendations for upgrading existing record-keeping, checklists and logs for all components associated with these systems and develop new checklists and logs for new or modified plant processes.

g. Troubleshooting and Debugging. It is anticipated that equipment problems will arise during and following start-up. The Firm shall provide assistance to address problems encountered by the County during the project performance period, analyze these problems and develop solutions that will minimize the overall effects on plant personnel and processes.

h. Process Optimization. The Firm shall provide operations start-up assistance to ensure that steps are taken to adjust and "fine tune" the processes and associated equipment once they have been started up and stabilized.

## 2. Training Services.

a. The Firm, in conjunction with the County, shall assist in the coordination of manufacturer's training for all new components of the construction work. This training shall be geared toward the following areas:

- i. Process theory/process control.
- ii. Mechanical, electrical, instrumentation and HVAC component function and interface.
- iii. Preventative/corrective maintenance.
- iv. Safety.
- v. Laboratory training.
- vi. "Hands-on" training.

b. This training shall be coordinated with the County's on-going training program. Any materials developed shall be turned over to the County for future use and reference.

c. General training shall be given during the construction period prior to start-up. Supplemental training, if deemed necessary by the County as a result of process modifications during the one-year performance period, shall be provided by the Firm and given prior to the conclusion of the one-year performance period, and shall incorporate any adjustments in the process resulting from operational experience.

3. One (1) Year Project Operating Report.

a. The Firm shall monitor the performance of the facilities installed for the first year of operation and provide documentation to report on the capability of the project of meeting the overall performance criteria. One (1) year after the initiation of operation of the systems, the Firm shall prepare an evaluation report for review and acceptance by the County, if required by the Commissioner. In the event that the improvements do not operate as planned, a report defining the problem and corrective work necessary will be prepared.

**EXHIBIT B****Payment Schedule****Bay Park Sewage Treatment Plant (STP) Improvements to the Influent Screening Facility**

Payment to the Firm for all services as outlined in "Exhibit A," including any extra services that may be authorized under this Agreement, shall be made as follows:

**Detailed Design (Division B) & Construction Related Services (Divisions C, D, & E)**  
 – The Firm shall be paid a fee equal to a percentage of the net total cost of construction, exclusive of Extra Services and Reimbursable expenses, as full compensation for all services associated with all work to complete Divisions B, C, D, and E as outlined in the appropriate sections of Exhibit A. The fee percentage will be determined by a straight line interpolation (the percentage shall be rounded off to two [2] decimal places) between the limits of the net construction costs as follows:

<u>NET CONSTRUCTION COST</u>	<u>DESIGN FEE PERCENTAGE</u>
\$25,000,000 and above	5.10%
\$20,000,000	5.50%
\$15,000,000	6.00%
\$10,000,000 and below	7.50%

Until the actual cost of construction is established by the award of the construction contract(s), the Firm's fee for Divisions B, C, D and E shall be based upon the latest approved construction cost estimate. An estimated net total construction cost of **\$15,000,000** will be used as the initial basis for progress payments. Any interim adjustments to the estimated construction cost, as mutually agreed upon by the parties with the approval of the Commissioner, shall be used to determine the payments to the Firm.

When the actual cost of construction is determined, the total amount paid to the Firm for services regarding Divisions B, C, D and E, shall be adjusted to such actual cost of construction, and any overpayment or underpayment of fees shall be adjusted accordingly.

The Firm's fee for services regarding Divisions B, C, D and E shall be apportioned to each Division as follows:

<u>Phase of Work</u>	<u>% of Fee</u>
B. Detailed Design (including assist during bidding)	55 %
C. General Inspection Services	35 %
D. Facility Operation and Maintenance Manual	5%
E. Facility Start-Up, Staffing and Training Services	5 %

**Partial Payments** - The Firm's fee for services shall be paid in monthly installments. The amount of each partial monthly payment shall be determined by the portion of the Firm's work completed for each Division, as approved by the Commissioner.

**Overtime** - Payment vouchers which include overtime shall not be approved by the Department without the Firm having obtained prior written approval of the Department for such overtime. The premium pay for overtime, above the straight hourly rate shall not be subject to any multiplier. In computing the cost to the County for overtime work performed, the overtime period shall be paid at the straight hourly rate times the applicable multiplier, plus the overtime premium cost incurred.

**Construction Costs** - It is agreed that the net total cost of construction shall be the final total cost of the construction contract(s), including extra change order amounts, except that, in computing the total cost of construction the following items shall not be included:

- a. Fees paid to the design firm, design firm subcontractor and construction managers, cost of land acquisition or legal fees and the cost of equipment purchased outside of the construction contracts.
- b. The cost for the disposal, if required, of contaminated soils resulting from the construction work.
- c. Moneys paid by the County to a contractor or subcontractor by way of settlement or satisfaction of any claims or legal actions for delay brought against the County.
- d. Work for which the Firm has already been paid such as "Extra Work."
- e. The cost of any and all change orders required by reason of the failure of the Firm to include such change order items in the contract documents, or by reason of errors made by the Firm in the preparation of the contract documents.

In the event the Firm's services result in change order "Credits" to the County, such credit amounts shall not be deducted from the final cost of construction. It is the intention of the parties that the Firm shall be compensated for services rendered, notwithstanding that such services may result in a change order credit which reduces the final cost of construction.

If in the further event the credit change order requires the Firm to perform additional services, then, subject to the approval of the Commissioner, the Firm shall be paid for such services pursuant to the subsection entitled "Extra Services or Additional Costs," herein.

If the total amount of the lowest responsible construction bids should exceed the final approved estimated construction cost by more than fifteen (15) percent, the County may require the Firm to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of the construction.

If the award of the construction contract(s) is not made prior to the expiration or termination of this Agreement, then with respect to payment for the Division B, C, D and E services, instead of being paid based on the total cost of construction as outlined above, the Firm shall be paid a fair and reasonable amount based on services actually rendered as mutually agreed by the Department and the Firm.

**Extra Services or Additional Costs** - If the Firm is required to perform extra services, or incurs additional expenses due to substantial changes ordered by the Department, which changes are not due to the fault or negligence of the Firm; the Firm shall be compensated for such extra expense and services. Payment terms for any additional services shall be as mutually agreed by the Department and Firm, as either a lump sum or based on actual salaries of personnel as stipulated herein, and as further defined below. Such extra services are to be provided only after written authorization by the Department.

- a. For any additional services to be paid on actual salaries, the Firm shall be compensated for such extra services by an amount equal to two and seventy-five hundredths (2.75) times the actual salaries or wages paid to the technical personnel engaged in this phase of the work, exclusive of payroll taxes, insurance, and any and all fringe benefits. The Firm shall be compensated for such services performed by principals while engaging in a technical capacity in the project, based on the principal's hourly rate, times two and seventy-five hundredths (2.75), exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier, shall not exceed one **hundred seventy five dollars (\$175)** per hour.
- b. In the event that the County shall direct the Firm to supply a resident engineer or full time site representative during construction, the Firm shall be paid for such extra services an amount equal to two and three tenths (2.3) times the direct salaries of personnel assigned to such tasks, exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier, shall not exceed one **hundred seventy five dollars (\$175)** per hour.

**Appendix "EE"****Equal Employment Opportunities for Minorities and Women**

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.

- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county

contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

16. Consent to Jurisdiction and Venue; Governing Law. Unless otherwise specified in this Agreement or required by Law, exclusive original jurisdiction for all claims or actions with respect to this Agreement shall be in the Supreme Court in Nassau County in New York State and the parties expressly waive any objections to the same on any grounds, including venue and forum non conveniens. This Agreement is intended as a contract under, and shall be governed and construed in accordance with, the Laws of New York State, without regard to the conflict of laws provisions thereof.

(b) In the event that any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(c) Unless the application of this subsection will cause a provision required by Law to be excluded from this Agreement, in the event of an actual conflict between the terms and conditions set forth above the signature page to this Agreement and those contained in any schedule, exhibit, appendix, or attachment to this Agreement, the terms and conditions set forth above the signature page shall control. To the extent possible, all the terms of this Agreement should be read together as not conflicting.

(d) Each party has cooperated in the negotiation and preparation of this Agreement. Therefore, in the event that construction of this Agreement occurs, it shall not be construed against either party as drafter.

19. Section and Other Headings. The section and other headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

The Firm is responsible for obtaining construction budget information from the County.

A draft version of the O&M manual sections will be submitted for county review and approval prior to payment for the 90% completion point in construction. A final version of the O&M manual sections will be submitted for County review and approval at the 100%

construction completion point to incorporate issues learned during startup. The final O&M manual sections will be supplemented with cataloged and bound copies of the approved equipment manufacturers' O&M Manuals.

Fifteen (15) copies of the draft O&M Manual Sections will be submitted for County review. Two (2) copies of the electronic files (both text and graphics) used to produce the manuals will be turned over to the County. In addition, two (2) hard copies (bound) of the final O&M Manual Sections will be submitted for County review and approval. The County requires compatibility of software as described in the subsequent paragraph.

Prepare and provide to the County, Standard Operating Procedures (SOPs) to assist Operating Staff in the routine operation, maintenance and monitoring of all key components of the enhanced/improved odor control facility at each site. The SOPs's shall be site and equipment specific and be stand-alone documents with a maximum length of two (2) pages. The SOPs are to be mounted, laminated and then posted near the appropriate equipment or control panel.

Two (2) additional copies of the SOP's shall be included in the appropriate O&M Manual. Copies of the electronic files (both text and graphics) used to produce the SOPs will be turned over to the County. The software is to be compatible with existing County software and if not, the Firm will supply additional copies to the County.

#### Division E - Facility Start-Up, Staffing and Training Services

Under this division of work the Firm shall provide the following services:

##### 1. Start-Up Services.

- a. The Firm shall conduct start-up services during construction and shall continue until initiation of the one (1) year project performance period
- b. Scheduling. The Firm, in conjunction with the County, shall develop an overall start-up sequencing schedule that will define in detail significant start-up activities. The overall start-up sequencing schedule shall be coordinated with the County and Construction Contractors and updated as necessary.
- c. Start-Up Assistance. The Firm shall provide expert on-site start-up assistance prior to and during initial flow-through for the process units. Start-up assistance during the first year of operation will be provided on a reasonable "on-call" basis for troubleshooting, debugging, cost-effective process optimization, and general startup supervision. Services to be provided include:
- d. Strategic Start-Up Plan. This plan is designed to delineate major and minor events expected when placing into operation equipment installed in connection with the Influent Screening Facility Improvements. The Start-up Plan shall identify specific

plant components and unit processes that will affect each other and establish a network of related steps that will lead to a logical and smooth start-up. The strategic Start-up Plan shall also define the roles and responsibilities of the participants (County, Firm and construction Firms). This plan shall be reviewed with the County. Emphasis throughout the start-up will be on the O&M responsibilities of the plant staff to ensure protection of equipment warranties.

e. Establish Process Parameters. The Firm shall review the process design and process operational parameters and establish start-up procedures for each unit process

f. Checklists, Logs, Records and Reports. Although various checklists and plant operating logs are in use, the Firm shall, if necessary, upgrade the system by reviewing existing shift checklists, operating logs, records and reports for all processes affected by the new construction work. The Firm shall provide recommendations for upgrading existing record-keeping, checklists and logs for all components associated with these systems and develop new checklists and logs for new or modified plant processes.

g. Troubleshooting and Debugging. It is anticipated that equipment problems will arise during and following start-up. The Firm shall provide assistance to address problems encountered by the County during the project performance period, analyze these problems and develop solutions that will minimize the overall effects on plant personnel and processes.

h. Process Optimization. The Firm shall provide operations start-up assistance to ensure that steps are taken to adjust and "fine tune" the processes and associated equipment once they have been started up and stabilized.

## 2. Training Services.

a. The Firm, in conjunction with the County, shall assist in the coordination of manufacturer's training for all new components of the construction work. This training shall be geared toward the following areas:

- i. Process theory/process control.
- ii. Mechanical, electrical, instrumentation and HVAC component function and interface.
- iii. Preventative/corrective maintenance.
- iv. Safety.
- v. Laboratory training.
- vi. "Hands-on" training.

b. This training shall be coordinated with the County's on-going training program. Any materials developed shall be turned over to the County for future use and reference.

c. General training shall be given during the construction period prior to start-up. Supplemental training, if deemed necessary by the County as a result of process modifications during the one-year performance period, shall be provided by the Firm and given prior to the conclusion of the one-year performance period, and shall incorporate any adjustments in the process resulting from operational experience.

3. One (1) Year Project Operating Report.

a. The Firm shall monitor the performance of the facilities installed for the first year of operation and provide documentation to report on the capability of the project of meeting the overall performance criteria. One (1) year after the initiation of operation of the systems, the Firm shall prepare an evaluation report for review and acceptance by the County, if required by the Commissioner. In the event that the improvements do not operate as planned, a report defining the problem and corrective work necessary will be prepared.

**EXHIBIT B****Payment Schedule****Bay Park Sewage Treatment Plant (STP) Improvements to the Influent Screening Facility**

Payment to the Firm for all services as outlined in "Exhibit A," including any extra services that may be authorized under this Agreement, shall be made as follows:

**Detailed Design (Division B) & Construction Related Services (Divisions C, D, & E)**  
 – The Firm shall be paid a fee equal to a percentage of the net total cost of construction, exclusive of Extra Services and Reimbursable expenses, as full compensation for all services associated with all work to complete Divisions B, C, D, and E as outlined in the appropriate sections of Exhibit A. The fee percentage will be determined by a straight line interpolation (the percentage shall be rounded off to two [2] decimal places) between the limits of the net construction costs as follows:

<u>NET CONSTRUCTION COST</u>	<u>DESIGN FEE PERCENTAGE</u>
\$25,000,000 and above	5.10%
\$20,000,000	5.50%
\$15,000,000	6.00%
\$10,000,000 and below	7.50%

Until the actual cost of construction is established by the award of the construction contract(s), the Firm's fee for Divisions B, C, D and E shall be based upon the latest approved construction cost estimate. An estimated net total construction cost of \$15,000,000 will be used as the initial basis for progress payments. Any interim adjustments to the estimated construction cost, as mutually agreed upon by the parties with the approval of the Commissioner, shall be used to determine the payments to the Firm.

When the actual cost of construction is determined, the total amount paid to the Firm for services regarding Divisions B, C, D and E, shall be adjusted to such actual cost of construction, and any overpayment or underpayment of fees shall be adjusted accordingly.

The Firm's fee for services regarding Divisions B, C, D and E shall be apportioned to each Division as follows:

<u>Phase of Work</u>	<u>% of Fee</u>
B. Detailed Design (including assist during bidding)	55 %
C. General Inspection Services	35 %
D. Facility Operation and Maintenance Manual	5%
E. Facility Start-Up, Staffing and Training Services	5 %

**Partial Payments** - The Firm's fee for services shall be paid in monthly installments. The amount of each partial monthly payment shall be determined by the portion of the Firm's work completed for each Division, as approved by the Commissioner.

**Overtime** - Payment vouchers which include overtime shall not be approved by the Department without the Firm having obtained prior written approval of the Department for such overtime. The premium pay for overtime, above the straight hourly rate shall not be subject to any multiplier. In computing the cost to the County for overtime work performed, the overtime period shall be paid at the straight hourly rate times the applicable multiplier, plus the overtime premium cost incurred.

**Construction Costs** - It is agreed that the net total cost of construction shall be the final total cost of the construction contract(s), including extra change order amounts, except that, in computing the total cost of construction the following items shall not be included:

- a. Fees paid to the design firm, design firm subcontractor and construction managers, cost of land acquisition or legal fees and the cost of equipment purchased outside of the construction contracts.
- b. The cost for the disposal, if required, of contaminated soils resulting from the construction work.
- c. Moneys paid by the County to a contractor or subcontractor by way of settlement or satisfaction of any claims or legal actions for delay brought against the County.
- d. Work for which the Firm has already been paid such as "Extra Work."
- e. The cost of any and all change orders required by reason of the failure of the Firm to include such change order items in the contract documents, or by reason of errors made by the Firm in the preparation of the contract documents.

In the event the Firm's services result in change order "Credits" to the County, such credit amounts shall not be deducted from the final cost of construction. It is the intention of the parties that the Firm shall be compensated for services rendered, notwithstanding that such services may result in a change order credit which reduces the final cost of construction.

If in the further event the credit change order requires the Firm to perform additional services, then, subject to the approval of the Commissioner, the Firm shall be paid for such services pursuant to the subsection entitled "Extra Services or Additional Costs," herein.

If the total amount of the lowest responsible construction bids should exceed the final approved estimated construction cost by more than fifteen (15) percent, the County may require the Firm to revise the plans, at no additional cost to the County, so as to stay within the final approved estimated cost of the construction.

If the award of the construction contract(s) is not made prior to the expiration or termination of this Agreement, then with respect to payment for the Division B, C, D and E services, instead of being paid based on the total cost of construction as outlined above, the Firm shall be paid a fair and reasonable amount based on services actually rendered as mutually agreed by the Department and the Firm.

**Extra Services or Additional Costs** - If the Firm is required to perform extra services, or incurs additional expenses due to substantial changes ordered by the Department, which changes are not due to the fault or negligence of the Firm; the Firm shall be compensated for such extra expense and services. Payment terms for any additional services shall be as mutually agreed by the Department and Firm, as either a lump sum or based on actual salaries of personnel as stipulated herein, and as further defined below. Such extra services are to be provided only after written authorization by the Department.

- a. For any additional services to be paid on actual salaries, the Firm shall be compensated for such extra services by an amount equal to two and seventy-five hundredths (2.75) times the actual salaries or wages paid to the technical personnel engaged in this phase of the work, exclusive of payroll taxes, insurance, and any and all fringe benefits. The Firm shall be compensated for such services performed by principals while engaging in a technical capacity in the project, based on the principal's hourly rate, times two and seventy-five hundredths (2.75), exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier, shall not exceed one **hundred seventy five dollars (\$175)** per hour.
- b. In the event that the County shall direct the Firm to supply a resident engineer or full time site representative during construction, the Firm shall be paid for such extra services an amount equal to two and three tenths (2.3) times the direct salaries of personnel assigned to such tasks, exclusive of payroll taxes, insurance and any and all fringe benefits. Notwithstanding the foregoing, the maximum billable rate, after application of the multiplier, shall not exceed one **hundred seventy five dollars (\$175)** per hour.

**Appendix "EE"****Equal Employment Opportunities for Minorities and Women**

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined herein and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

(a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

(b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(d) The Contractor shall make best efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, for the purpose of granting of Subcontracts.

(e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

(f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.

(g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.

(h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.

(i) In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.

(j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.

- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefor or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such a manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation

- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blue prints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in good faith with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county

contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring Department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.
