CONTRACTOR NAME: The LandTek Group, Incorporated

CONTRACTOR ADDRESS: 235 County Line Road, Amityville, NY 11701

FEDERAL TAX ID #: 11 2945683

Instructions: Please check the appropriate box ("☑") after one of the following roman numerals, and provide all the requested information.

I. ☐ The contract was awarded to the lowest, responsible bidder after advertisement for sealed bids. The contract was awarded after a request for sealed bids was published in _____ [newspaper] on _____ [date]. The sealed bids were publicly opened on _____ [date]. _____ [#] of sealed bids were received and opened.

II. ☐ The contractor was selected pursuant to a Request for Proposals.

The Contract was entered into after a written request for proposals was issued on _____ [date]. Potential proposers were made aware of the availability of the RFP by advertisement in _____ [newspaper], posting on industry websites, via email to interested parties and by publication on the County procurement website. Proposals were due on _____ [date]. _____ [state #] proposals were received and evaluated. The evaluation committee consisted of: _____

_____ (list # of persons on committee and their respective departments). The proposals were scored and ranked. As a result of the scoring and ranking, the highest-ranking proposer was selected.

III. ☒ This is a renewal, extension or amendment of an existing contract.

The contract was originally executed by Nassau County on January 22, 2015. This is a renewal or extension pursuant to the contract, or an amendment within the scope of the contract or RFP.

IV. ☐ Pursuant to Executive Order No. 1 of 1993, as amended, at least three proposals were solicited and received. The attached memorandum from the department head describes the proposals received, along with the cost of each proposal.

☐ A. The contract has been awarded to the proposer offering the lowest cost proposal; **OR:**

☐ B. The attached memorandum contains a detailed explanation as to the reason(s) why the contract was awarded to other than the lowest-cost proposer. The attachment includes a specific delineation of the unique skills and experience, the specific reasons why a proposal is deemed superior, and/or why the proposer has been judged to be able to perform more quickly than other proposers.

V. ☐ Pursuant to Executive Order No. 1 of 1993 as amended, the attached memorandum from the department head explains why the department did not obtain at least three proposals.

☐ A. There are only one or two providers of the services sought or less than three providers submitted proposals. The memorandum describes how the contractor was determined to be the sole source provider of the personal service needed or explains why only two proposals could be obtained. If two proposals were obtained, the memorandum explains that the contract was awarded to the lowest cost proposer, or why the selected proposer offered the higher quality proposal, the proposer's unique and special experience, skill, or expertise, or its availability to perform in the most immediate and timely manner.

☐ B. The memorandum explains that the contractor's selection was dictated by the terms of a federal or New York State grant, by legislation or by a court order. (Copies of the relevant documents are attached).

☐ C. Pursuant to General Municipal Law Section 104, the department is purchasing the services required through a New York State Office of General Services contract no. _____, and the attached memorandum explains how the purchase is within the scope of the terms of that contract.

☐ D. Pursuant to General Municipal Law Section 119-o, the department is purchasing the services required through an inter-municipal agreement.

VI. ☐ This is a human services contract with a not-for-profit agency for which a competitive process has not been initiated. Attached is a memorandum that explains the reasons for entering into this contract without conducting a competitive process, and details when the department intends to initiate a competitive process for the future award of these services. For any such contract,

where the vendor has previously provided services to the county, attach a copy of the most recent evaluation of the vendor's performance. If the contractor has not received a satisfactory evaluation, the department must explain why the contractor should nevertheless be permitted to contract with the county.

In certain limited circumstances, conducting a competitive process and/or completing performance evaluations may not be possible because of the nature of the human services program, or because of a compelling need to continue services through the same provider. In those circumstances, attach an explanation of why a competitive process and/or performance evaluation is inapplicable.

VII. ☐ This is a public works contract for the provision of architectural, engineering or surveying services. The attached memorandum provides details of the department's compliance with Board of Supervisors' Resolution No. 928 of 1993, including its receipt and evaluation of annual Statements of Qualifications & Performance Data, and its negotiations with the most highly qualified firms.

Instructions with respect to Sections VIII, IX and X: All Departments must check the box for VIII. Then, check the box for either IX or X, as applicable.

VIII. ☒ Participation of Minority Group Members and Women in Nassau County Contracts. The selected contractor has agreed that it has an obligation to utilize best efforts to hire MWBE sub-contractors. Proof of the contractual utilization of best efforts as outlined in Exhibit "EE" may be requested at any time, from time to time, by the Comptroller's Office prior to the approval of claim vouchers.

IX. ☒ Department MWBE responsibilities. To ensure compliance with MWBE requirements as outlined in Exhibit "EE", Department will require vendor to submit list of sub-contractor requirements prior to submission of the first claim voucher, for services under this contract being submitted to the Comptroller.

X. ☐ Vendor will not require any sub-contractors.

In addition, if this is a contract with an individual or with an entity that has only one or two employees: ☐ a review of the criteria set forth by the Internal Revenue Service, *Revenue Ruling No. 87-41*, 1987-1 C.B. 296, attached as Appendix A to the Comptroller's Memorandum, dated February 13, 2004, concerning independent contractors and employees indicates that the contractor would not be considered an employee for federal tax purposes.

**BACKGROUND & EXPERIENCE
OF
PRINCIPAL MEMBERS**

PRESIDENT**HUMANITARIAN AFFILIATIONS:**

- The Marty Lyons Foundation
- Suffolk County P.A.L.
- Contractor for Kids
- Nassau County P.A.L.

COMMITTEES:

Michael Ryan has been quite active in regional and national committees related to sports field management and development.

Board of Directors of the Suffolk County Sports Hall of Fame, a nonprofit organization that honors outstanding persons, living or deceased, who have gained prominence and have made substantial contributions on behalf of themselves and Suffolk County in the fields of professional and amateur sports.

Mr. Ryan is also on the Board of Directors for St. Joseph's College, an Institution that prepares students for lives of integrity, social responsibility and service.

EXPERIENCE

Mr. Ryan has over 30 years' experience in the construction industry and has become a leader in professional, college and high school athletic field and golf course construction. The company specializes in natural and synthetic field design and construction. Over the years, The LandTek Group has built state-of-the-art facilities for the New York Mets, the New York Yankees, the New York Jets and Giants, and the New York Red Bulls, as well as Columbia University, Stony Brook University, Dowling College, Hofstra University and numerous other universities, colleges, school districts and municipalities throughout the Northeast.

In 1979, after many years as a landscape and tree care expert, Michael Ryan founded the LandTek Group. He expanded his expertise into turf care and athletic fields. This enhanced knowledge brought LandTek into the specialized industry of athletic field construction. Always forward thinking, Mike foresaw the need for improvement in the athletic field industry and began researching the new synthetic turf materials that were coming on the market. Recognizing that the new turf designs were safer for the athletes, cost effective to the school districts and municipalities, and easier to maintain, Mr. Ryan took this opportunity to expand into this market and provide organizations and communities with better and safer facilities. To date, Mike has constructed and overseen more than half a billion dollars' worth of sports facilities, built several golf courses, and acted as a site developer for multiple projects. Mike has acted as a consultant on numerous jobs for architects and engineers, where his expertise has proven invaluable. His knowledge and leadership in the industry has led to many engagements as the keynote speaker at seminars focused on athletic field development, synthetic turf, under-field drainage and quality control. Mr. Ryan's proficiency, capability and motivation have driven The LandTek Group to become to the top builder of sports fields in the United States.

A caring and humble individual, Michael Ryan leads by example. He has contributed many hours of his time to assist individuals and families in need and has supported many charitable groups and causes without seeking recognition or honors. Due to his dedication to helping individuals (especially children) and communities, Mr. Ryan has been named The Marty Lyons Foundation Man of the Year, the Suffolk County PAL Man of the Year and the St. Joseph's College Man of the Year. He is an active member of these and numerous other nonprofit organizations, which are dedicated to supporting children and their families living under difficult circumstances. Mike and The LandTek Group deliver on the promise of "Building Champions from the Ground Up."

- 1981, Member of the New York Sack Exchange
- 1982, Pro-Bowl Alternate
- 1983, Pro-Bowl Alternate
- 1984, National Football League Man of the Year
- 1991, Retired after 12 seasons
- 2003, Member of All time New York Jets Four Decade Team

EXPERIENCE

Marty Lyons joined the LandTek Group as the Director of Sales & Marketing in 2000, was appointed Senior Vice President of Operations in 2007 and recently promoted to Vice President of Marketing and Public Relations. He has enjoyed a long successful career in the worlds of sports, business and philanthropy and has successfully merged his renown in sports and business savvy to greatly contribute to the company's growth as one of the premier "turf" installation business.

Mr. Lyons' football experience matured under the guidance of the late Paul "Bear" Bryant at the University of Alabama where he was recognized as an All-American in 1978. His peers elected him captain of the NCAA Division 1 National Champion football team that same year. His athletic skill propelled him to be a first round draft pick in the 1979 National Football League draft. Mr. Lyons joins the 2011 class of the College Football Hall of Fame.

Mr. Lyons' professional football career with the New York Jets spanned twelve (12) years; during which time, he played both defensive tackle and defensive end. He played a key role in the formation of "the New York Sack Exchange" which led the league in quarterback sacks in 1981. His performance on the field led to his selection as a Pro Bowl alternate in 1982 and 1983. Experience and leadership enabled him to serve as one of the defensive team captains in 1988.

In 1982, Mr. Lyons realized that there was more to life than football. According to Mr. Lyons, "In March 1982, three events altered my life. In the period of one week, my father, Leo, passed away suddenly; Keith, a little boy to whom I was a Big Brother, passed away from leukemia; and my first son, Rocky, was born. Imagine being on top of the world, and in the period of seven days you are forced to see the frailty, unfairness, and the wonder of life. I decided to use my name and my God-given talent to make a difference in the lives of terminally ill children."

Mr. Lyons is a featured athlete in Bear's Boys: Thirty-Six Men Whose Lives Were Changed by Coach Paul Bryant by Eli Gold. Bear's Boys is a collection of inspiring stories featuring 40 men whose lives were altered by their encounter with the legendary coach while they were players and coaches at Alabama. The stories of star players such as Joe Namath, Ken Stabler, Marty Lyons, Bob Baumhower, Cornelius Bennett, and Gene Stallings show how the Coach forever changed them as young men and ball players on the field and later in life after football. Marty was also featured in Legends of Alabama Football by Richard Scott in 2004.

Marty is currently Color Analyst and Outback Bowl for the New York Jets, ESPN 1050 Game Day.

**Certification Regarding
Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions
(Sub-Recipient)**

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR Part 67, Section 67.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 *Federal Register* (pages 19150-19211).

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

AMENDMENT NUMBER ONE

This AMENDMENT (together with any appendices or exhibits attached hereto, this "Amendment"), dated as of the date this amendment is executed by Nassau County (the "Effective Date") between (i) Nassau County, a municipal corporation having its principal office at 1550 Franklin Avenue, Mineola, New York 11501 (the "County"), acting on behalf of the Department of Public Works having its principal office at 1194 Prospect Avenue, Westbury, New York 11590 and (ii) The LandTek Group, Inc., 235 County Line Road, Amityville, New York 11701 (the "Contractor").

W I T N E S S E T H:

WHEREAS, pursuant to County contract number H66302U between the County and the Firm, executed on behalf of the County on January 22, 2015 (the "Original Agreement"), the Firm performed "on-call" construction services consisting of the rehabilitation and/or installation, modification and/or removal of highways, drainage systems, pavement, parking lots and parks related work and/or emergency work at various locations to be selected in Nassau County, which services are more fully described in the Original Agreement (the services contemplated by the Original Agreement, the "Services");

WHEREAS, the term of the Original Agreement was for twenty-four (24) months or two (2) years (the "Term");

WHEREAS, the maximum amount that the County agreed to reimburse the Firm for Services under the Original Agreement, as full compensation for the Services, was eight million dollars (\$8,000,000) (the "Maximum Amount"); and

WHEREAS, the County and the Contractor desire to modify the Term and the Maximum Amount of the Agreement as provided herein ("Amendment Number One"); and

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Amendment, the parties agree as follows:

1. Term Extension. The Term shall be extended so that the Amended Term of the Agreement shall expire on January 22, 2018 ("Amended Term").

2. Maximum Amount. The Maximum Amount shall be increased by one million dollars (\$1,000,000), so that the total maximum amount the county shall pay the Contractor shall not exceed nine million dollars (\$9,000,000) (the "Amended Maximum Amount").

3. Full Force and Effect. All the terms and conditions of the Original Agreement not expressly amended by this Amendment Four shall remain in full

force and effect and govern the relationship of the parties for the term of the amended Agreement or as otherwise provided the Original Agreement.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties have executed this Amendment as of the date first above written.
