Re: Contract H6158752G

Dear Commissioner,

In response to the following questions Investigation by the City of New York Office of the Comptroller and the Lawsuit of Donald Little and Terrence Johnson), Nassau County would like to know the following:

- What is the status of this Investigation and Lawsuit?

The investigation by the Comptroller, as far as we know, has concluded. The Comptroller did not discern any wrongdoing and therefore did not assess any fines or penalties.

- What are the corrective action taken?

The lawsuit has Summary Judgment motions pending, and we do not know when the Court will rule upon them.

- What is your position as of now?

Our position has not changed, as the Comptroller found in its investigation, and as it relates to promptly paying our workforce in full, and while we do not know what you mean by "corrective action" we have ensured, as always, that the men and women who work on our Projects are paid appropriately. We have thus stopped utilizing A & B Contractors and hire and utilize our own crossing guards to make sure they are paid.

In response to the Lawsuit of Donald Little and Terrence Johnson, there are two other companies being listed. 1) SHIPS POINT INDUSTRIES, LTD. & 2) A&B CONTRACTORS, LLC.

What is your affiliation with these two companies? Who owns them, what kind of work they did for your company?

- What is your affiliation with these two companies? Who owns them, what kind of work they did for your company?

A&B Contractors, owned by Kevin Quick, provided Crossing Guards, they would provide crossing guards as a subcontractor to Carlo Lizza. We have no affiliation with them, and no longer use them as a subcontractor.

IRAN DIVESTMENT ACT – CERTIFICATION

Pursuant to New York State Finance Law §165-a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

The Certification is as follows:

- ☒ a. **Certification that the Bidder is not on the List:** Each person, where person means natural person, corporation, company, limited liability company, business association, partnership society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,
- ☐ b. **Certification that the Bidder's investment in Iran is ceasing:** The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.
