RE: 2017 GENERAL REQUIREMENTS CONTRACT
FOR VARIOUS CIVIL/SITE RECONSTRUCTION
HIGHWAYS, DRAINAGE, BRIDGES, SITE, PARKING LOTS AND PARK
RELATED SPECIALIZED ITEMS

Contract No. H66302V

ADDENDUM No. 1

To all prospective Bidders:

Replace page 180 of 616 of subject contract book with the attached amended page.

Amended wording is as follows:

E. BONDS

The Contractor shall execute both a Performance Bond and a Labor and Material Bond, each in the amount of ~~\$2,000,000.00, two million dollars,~~ to remain in effect for the duration of the contract, which includes the Maintenance/Guarantee period.

All other terms and conditions shall remain un-amended.

END OF ADDENDUM No. 1

C

C

C

3. Limits of liability are described in the Schedule of Requirements (Article XXVI) of this agreement.

B. CONTRACTOR'S PUBLIC LIABILITY INSURANCE

The contractor shall procure such Public Liability Insurance as shall protect him and his subcontractor(s) or any one directly or indirectly employed by either of them from claims for damage for bodily injury, including death, as well for claims for damage to property which may arise from operations under this contract.

C. WORKER'S COMPENSATION INSURANCE

In accordance with the laws of The State of New York, failure to comply with this provision shall make this contract void.

D. OWNER'S CONTINGENT PUBLIC LIABILITY INSURANCE

The Contractor shall also furnish Owners Contingent Public Liability Insurance protecting, as the named insured;

1. The County of Nassau;
2. all Municipalities, Municipal Sub-Divisions; and
3. Fee Owners of Properties,
4. Consultants

on which work is being done, each to the full limits of liability as are listed in the Schedule of Requirements (Article XXVI) of this agreement, against claims arising from the operations of the Contractor and his subcontractors.

E. BONDS

The Contractor shall execute both a Performance Bond and a Labor and Material Bond, each in the amount of \$2,000,000.00, two million dollars, to remain in effect for the duration of the contract, which includes the Maintenance/Guarantee period. Such bonds to be executed by a surety company authorized to do business in the State of New York and acceptable to the County; Copies of both bond forms are provided with the Contract Bid Documents, and must be used, no other forms are acceptable. The Performance bond and Labor and Material Bond shall serve as security for the faithful performance of this Contract and for the payment of all persons performing labor and furnishing materials in connection with this Contract.

All Bonds shall be issued by a Surety Company authorized to do business in the State of New York as evidenced by the Surety Company's most recent Certificate of Solvency under Section 1111 of the New York Insurance Law, a copy of which must be attached to the Bond. The amount of said Bond shall not exceed the limits set by the aforesaid Certificates of Solvency.

THE LANDTEK GROUP, INC.

**BACKGROUND & EXPERIENCE
OF
PRINCIPAL MEMBERS**

PRESIDENT

HUMANITARIAN AFFILIATIONS:

- The Marty Lyons Foundation
- Suffolk County P.A.L.
- Contractor for Kids
- Nassau County P.A.L.

COMMITTEES:

Michael Ryan has been quite active in regional and national committees related to sports field management and development.

Board of Directors of the Suffolk County Sports Hall of Fame, a nonprofit organization that honors outstanding persons, living or deceased, who have gained prominence and have made substantial contributions on behalf of themselves and Suffolk County in the fields of professional and amateur sports.

Mr. Ryan is also on the Board of Directors for St. Joseph's College, an Institution that prepares students for lives of integrity, social responsibility and service.

EXPERIENCE

Mr. Ryan has over 30 years' experience in the construction industry and has become a leader in professional, college and high school athletic field and golf course construction. The company specializes in natural and synthetic field design and construction. Over the years, The LandTek Group has built state-of-the-art facilities for the New York Mets, the New York Yankees, the New York Jets and Giants, and the New York Red Bulls, as well as Columbia University, Stony Brook University, Dowling College, Hofstra University and numerous other universities, colleges, school districts and municipalities throughout the Northeast.

In 1979, after many years as a landscape and tree care expert, Michael Ryan founded the LandTek Group. He expanded his expertise into turf care and athletic fields. This enhanced knowledge brought LandTek into the specialized industry of athletic field construction. Always forward thinking, Mike foresaw the need for improvement in the athletic field industry and began researching the new synthetic turf materials that were coming on the market. Recognizing that the new turf designs were safer for the athletes, cost effective to the school districts and municipalities, and easier to maintain, Mr. Ryan took this opportunity to expand into this market and provide organizations and communities with better and safer facilities. To date, Mike has constructed and overseen more than half a billion dollars' worth of sports facilities, built several golf courses, and acted as a site developer for multiple projects. Mike has acted as a consultant on numerous jobs for architects and engineers, where his expertise has proven invaluable. His knowledge and leadership in the industry has led to many engagements as the keynote speaker at seminars focused on athletic field development, synthetic turf, under-field drainage and quality control. Mr. Ryan's proficiency, capability and motivation have driven The LandTek Group to become to the top builder of sports fields in the United States.

A caring and humble individual, Michael Ryan leads by example. He has contributed many hours of his time to assist individuals and families in need and has supported many charitable groups and causes without seeking recognition or honors. Due to his dedication to helping individuals (especially children) and communities, Mr. Ryan has been named The Marty Lyons Foundation Man of the Year, the Suffolk County PAL Man of the Year and the St. Joseph's College Man of the Year. He is an active member of these and numerous other nonprofit organizations, which are dedicated to supporting children and their families living under difficult circumstances. Mike and The LandTek Group deliver on the promise of "Building Champions from the Ground Up."

EDWARD RYAN, VICE PRESIDENT, SECRETARY, TREASURER

**VICE PRESIDENT, SECRETARY,
TREASURER**

EDUCATION:

- SUNY Farmingdale, Farmingdale, NY
- Rutgers University, New Brunswick, NJ

PROFESSIONAL PROFILE:

- Multiple Fields Town of Oyster Bay - Nassau County, N.Y.
- Multiple Fields Town of Babylon - Suffolk County, N.Y.
- Multiple fields Town of Brookhaven - Suffolk County, N.Y.
- Synthetic soccer fields - Town of Smithtown - Suffolk County, N.Y.
- Synthetic Softball/Softball field - Town of Hempstead - Nassau County, N.Y.
- Numerous projects for the Diocese of Rockville Centre, N.Y.
- Multiple High School and College Athletic Fields located in Nassau, Suffolk, Westchester Counties and Staten Island.

EXPERIENCE

Edward Ryan joined the LandTek Group, Inc. in 1990 and currently has over 30 years' experience in athletic field construction. He has been instrumental in the establishment and development of the Synthetic Division of The LandTek Group and has garnered an excellent reputation within the industry. Edward attended SUNY Farmingdale, Farmingdale NY as well as Rutgers University, New Brunswick, NJ studying horticulture and construction, consulting, research on new equipment and construction methods.

As the Vice President of the Athletic/Synthetic Divisions, Edward strives to maintain its exemplary reputation. His main duties are overseeing the estimating department, and managing all quotes and proposals. He personally oversees all athletic construction projects taken on by The LandTek Group insuring that they meet the highest standards and maintain quality control.

Edward has personally been involved in the building and award of over a quarter billion dollars' worth of sports field construction and was responsible for The LandTek Group being awarded its first project with a professional sports team.

The LandTek Group, Inc.

JOHN SULINSKI, VICE PRESIDENT OF OPERATIONS, COO

**VICE PRESIDENT OF OPERATIONS,
CHIEF OPERATING OFFICER**

EDUCATION:

- Stony Brook University, Stony Brook, N.Y.
- Bachelor of Engineering

AFFILIATIONS:

- American Red Cross
- OSHA Certified
- Member of ASCE (American Society of Civil Engineers)
- Knights of Columbus-Council 468
- Member of the Metropolitan Executive & Professional Registry
- DEC Stormwater Certification
- PAL Certified Lacrosse Instructor

PROFESSIONAL PROFILE:

- New York Jets Practice Facility, Hofstra University, Hempstead, NY
- Stony Brook University, Stony Brook, NY
- Aviator Sports Complex, Floyd Bennett Field, Gateway National Park, Brooklyn, NY
- Dowling College, Oakdale, NY
- Adelphi University, Garden City, NY
- Citi Field - NY Mets - MLB
- Red Bull Arena, Harrison, NJ
- Multiple High School and College Fields (Natural and Synthetic)
- Multiple Sports Complexes for Municipalities and Townships

EXPERIENCE

John joined The LandTek Group in February 2003 as a Senior Manager. In 2011 he was promoted to Vice President of Operations/COO. His 20 years of construction knowledge has been instrumental in developing our multi-talented workforce. Since starting with The LandTek Group, John has implemented the use of project management and computer aided design software. He has also researched and implemented the use of Laser Grading Technology and Robotic Surveying Equipment. These technological advances have helped The LandTek Group stay at the leading edge of design and construction.

John is responsible for overseeing the management of all the divisions within the company. Our multi diversified group consists of: Athletic Field Construction, Natural Turf Maintenance, Synthetic Turf Maintenance, Concrete, Fence, Fleet Maintenance, and University Field Care. John also oversees all company purchases of equipment and field related construction tools and supplies. He has been instrumental in our design build projects and has a connection to many architects, engineers and suppliers.

Having over 20 years of professional engineering experience in sports field construction has enabled him to design multiple facilities for The LandTek Group, and many Owners and Architects.

John was responsible for managing the field construction for the New York Mets, New York Jets, and the New York Red Bulls and Brooklyn Cyclones. He was directly involved with large scale construction projects at St. Dominic's, Dowling College, Stony Brook Lavallo Stadium, and St. Joseph's College.

MARTY LYONS, VICE PRESIDENT MARKETING & PUBLIC RELATIONS

VICE PRESIDENT OF MARKETING & PUBLIC RELATIONS

EDUCATION:

- University of Alabama
- 1978, All-American
- 1978, SEC Defensive Player of the Year
- 1978, Alabama Defensive Player of the Year
- 1978, Outstanding Defensive Lineman in the Nation; Awarded by the Columbus

QUARTERBACK CLUB:

- Defensive Player of the Decade -- 1970s
- Election to the Alabama Team of the Century
- Captain of the 1978 National Champions
- 2006, Sports Illustrated All-time Alabama Team

2011 NATIONAL FOOTBALL FOUNDATION COLLEGE HALL OF FAME

NATIONAL FOOTBALL LEAGUE - N.Y. Jets

- 1979, Number One Draft Choice
- 1981, Member of the New York Sack Exchange
- 1982, Pro-Bowl Alternate
- 1983, Pro-Bowl Alternate
- 1984, National Football League Man of the Year
- 1991, Retired after 12 seasons
- 2003, Member of All Time New York Jets Four Decade Team

EXPERIENCE

Marty Lyons joined the LandTek Group as the Director of Sales & Marketing in 2006, was appointed Senior Vice President of Operations in 2007 and recently promoted to Vice President of Marketing and Public Relations. He has enjoyed a long successful career in the worlds of sports, business and philanthropy and has successfully merged his renown in sports and business savvy to greatly contribute to the company's growth as one of the premier "turf" installation business.

Mr. Lyons' football experience matured under the guidance of the late Paul "Bear" Bryant at the University of Alabama where he was recognized as an All-American in 1978. His peers elected him captain of the NCAA Division I National Champion football team that same year. His athletic skill propelled him to be a first round draft pick in the 1979 National Football League draft. Mr. Lyons joins the 2011 class of the College Football Hall of Fame.

Mr. Lyons' professional football career with the New York Jets spanned twelve (12) years; during which time, he played both defensive tackle and defensive end. He played a key role in the formation of "the New York Sack Exchange" which led the league in quarterback sacks in 1981. His performance on the field led to his selection as a Pro Bowl alternate in 1982 and 1983. Experience and leadership enabled him to serve as one of the defensive team captains in 1988.

In 1982, Mr. Lyons realized that there was more to life than football. According to Mr. Lyons, "In March 1982, three events altered my life. In the period of one week, my father, Leo, passed away suddenly; Keith, a little boy to whom I was a Big Brother, passed away from leukemia; and my first son, Rocky, was born. Imagine being on top of the world, and in the period of seven days you are forced to see the frailty, unfairness, and the wonder of life. I decided to use my name and my God-given talent to make a difference in the lives of terminally ill children."

Mr. Lyons is a featured athlete in Bear's Boys: Thirty-Six Men Whose Lives Were Changed by Coach Paul Bryant by Bill Gold. Bear's Boys is a collection of inspiring stories featuring 40 men whose lives were altered by their encounter with the legendary coach while they were players and coaches at Alabama. The stories of star players such as Joe Namath, Ken Stabler, Marty Lyons, Bob Baumhower, Cornelius Bennett, and Gene Stallings show how the Coach forever changed them as young men and ball players on the field and later in life after football. Marty was also featured in Legends of Alabama Football by Richard Scott in 2004.

Marty is currently Color Analyst and Outback Bowl for the New York Jets, ESPN 1050 Game Day.

JEFFREY A. LONG

REGIONAL VICE PRESIDENT OF CONSTRUCTION

EXPERIENCE

Jeff joined the LandTek Group, Inc as a project manager in 1988 and currently has over 24 years' experience. He has been exposed to all aspects of field construction and has earned a high standard reputation in the industry and become well diversified as a project manager in landscape, golf and athletic field construction.

Jeff is the primary liaison between The LandTek Group and owners, architects and engineers on each project and is responsible for all construction projects awarded in New Jersey and Pennsylvania. His main duties include overseeing project supervisors, maintaining quality control, operating the day to day activities of multiple projects and handling all aspects of business development. Jeff's specific expertise is in golf course and athletic field construction and renovation.

Jeff has overseen over 80 projects and was responsible for managing over 100 projects including the field construction for Seton Hall University, Rider University and Montclair State University.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)
5/4/2016

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

PRODUCER Cafarelli Insurance Agency 1030 Jericho Turnpike Smithtown NY 11787		CONTACT NAME: James A. Cafarelli PHONE (A/C No. Ext): (631) 543-6363 FAX (A/C No.): (631) 543-4891 E-MAIL ADDRESS:

GRASSI & CO.

Accountants and Success Consultants®

Accounting, Auditing, Tax, Litigation Support,
Valuation, Management & Technology Consulting

To The Stockholders
The LandTek Group, Inc. and Affiliate
Amityville, New York

We have audited the combined financial statements of The LandTek Group, Inc. and Affiliate (the "Company") at and for the year ended December 31, 2016, and have issued our report thereon dated March 27, 2017. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as the information related to the planned scope and timing of our audit and certain information related to our audit findings.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated February 8, 2017, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility for the supplementary information accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Planned Scope and Timing of the Audit

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit involved judgment about the number of transactions to be examined and the areas to be tested.

Our audit included obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Company are described in Note 2 to the financial statements. During the year ended December 31, 2016 the Company elected to adopt FASB ASU 2015-03, *Simplifying the Presentation of Debt Issuance Costs*. We noted no transactions entered into by the Company during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Opinion

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of The Landtek Group, Inc. and Affiliate at December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 1 - Nature of Operations and Principles of Combination

Business Activity

The LandTek Group, Inc. ("LandTek") is a contractor specializing in the design and installation of athletic fields throughout the eastern United States. Construction work is generally performed under fixed-price and unit-price contracts. The length of the company's contracts varies but typically ranges from six months to two years.

Islip Yards, LLC ("Islip Yards") owns property which it rents to LandTek under a long-term lease agreement.

Principles of Combination

The combined financial statements include the accounts of LandTek and Islip Yards, the affiliate, referred to collectively as the "Company." The companies are affiliated through common ownership and management. All intercompany balances and transactions have been eliminated in combination.

Note 2 - Summary of Significant Accounting Policies

Revenue and Cost Recognition

Revenues from long-term contracts are recognized under the percentage of completion method at the time the job is considered to be in process, pursuant to the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Subtopic 605-35-25. A job is considered to be in process once the company starts performing work at the physical job site. Prior to the job being in progress, costs are capitalized and revenue from billing is deferred. Under this method, progress towards completion is recognized according to the percentage of incurred costs to estimated total costs. This method is used because management considers the "cost to cost" method the most appropriate in the circumstances. Revenue from maintenance contracts is recognized under the accrual basis of accounting. Under this method, the Company recognizes revenue from products and services when (1) persuasive evidence of an arrangement exists; (2) delivery has occurred or services have been rendered; (3) the selling price is fixed and determinable; and (4) collectability is reasonably assured. Determination of criteria (3) and (4) is based on management's judgment regarding the fixed nature of the selling prices of the products delivered and the services rendered and the collectability of those amounts.

Contract costs include all direct material and labor costs and all other direct and indirect costs related to contract performance. General and administrative costs are charged to expense as incurred. Provisions for estimated losses on uncompleted contracts are made in the period in which such losses are determined. Changes in job performance, job conditions and estimated profitability, including those arising from settlements, may result in revisions to costs and income and are recognized in the period in which the revisions are determined. As there is an inherent uncertainty in estimating the costs to complete on contracts in process, it is at least reasonably possible that the estimates used will change in the near term. Profit incentives are included in revenues when their realization is reasonably assured. An amount equal to contract costs attributable to claims is included in revenues when realization is probable and the amount can be reliably estimated.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Revenue and Cost Recognition (cont'd.)

The Asset, "Costs and estimated earnings in excess of billings on uncompleted contracts," represents revenues recognized in excess of amounts billed. The Liability, "Billings in excess of costs and estimated earnings on uncompleted contracts," represents billings in excess of revenues recognized.

In accordance with normal construction industry practice, LandTek includes in current assets and current liabilities amounts relating to construction contracts realizable and payable over a period in excess of one year.

Revenues from Sell Yard are recognized under the accrual basis of accounting.

Use of Estimates

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase the comparability of fair value measurements, a three-tier fair value hierarchy, which prioritizes the inputs used in the valuation methodologies, is as follows:

Level 1 - Valuations based on quoted prices for identical assets and liabilities in active markets.

Level 2 - Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Valuations based on unobservable inputs reflecting the Company's own assumptions, consistent with reasonably available assumptions made by other market participants. These valuations require significant judgment.

At December 31, 2016, the fair value of the Company's financial instruments including cash, contract receivables, advances to affiliates, accounts payable and accrued expenses, approximated book value due to the short maturity of these instruments.

At December 31, 2016, the Company does not have assets or liabilities required to be measured at fair value in accordance with FASB ASC Topic 820, *Fair Value Measurements*.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Contract Receivables

LandTek carries its contract receivables at cost less an allowance for doubtful accounts. LandTek estimates the allowance for doubtful accounts based upon a review of outstanding receivables and historical collection information by customer. Normally, contract receivables are due within 30 days after the date of the requisition. Contract retentions are generally due within 30 days after completion of the project and acceptance of the owner. Where the contract provides for guarantee retainage provisions, such retainage is generally due within one year of completion and acceptance of the project. Receivables more than 90 days old are considered past due. Contract receivables are written off when they are determined to be uncollectible. LandTek does not accrue interest on past due receivables.

Property and Equipment

Property and equipment is stated at cost. The costs of additions and betterments are capitalized and expenditures for repairs and maintenance are expensed in the period incurred. When items of property and equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Depreciation of property and equipment is provided utilizing straight-line and accelerated methods over the estimated useful lives of the respective assets as follows:

Transportation equipment	5 years
Machinery and equipment	3 to 5 years
Furniture and fixtures	5 to 7 years

Leasehold improvements are amortized over the shorter of the remaining term of the lease or the useful life of the improvement utilizing the straight-line method.

No depreciation is recorded on building work in process until construction is completed and placed in service.

Deferred Mortgage Costs

The costs for obtaining the Islip Yards mortgage, including all related legal fees, are netted against the mortgage and are being amortized over the life of the mortgage. For the year ended December 31, 2016, amortization expense on deferred mortgage costs was \$10,936 and is included in interest expense.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2010

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Income Taxes

Generally, income taxes have not been provided because the stockholders have elected to have LandTek treated as an S corporation for income tax purposes as provided in Section 1362(a) of the Internal Revenue Code. As such, the corporation's income or loss and credits are passed through to the stockholders and reported on their individual income tax returns. The accompanying provision for income taxes represents only state and local taxes.

Islip Yards is treated as a partnership for income tax purposes and does not incur income taxes. Instead, members are taxed individually on their share of company earnings. The company's net income or loss is allocated to the members based upon their profit and loss percentages. Accordingly, no provision for income taxes is made in the financial statements for Islip Yards.

Construction contracts are reported for tax purposes using the percentage of completion method.

Pension Plans

LandTek has a qualified 401(k) deferred compensation plan, which provides that eligible employees may defer payment of taxes on a portion of their salary by making contributions to the plan through payroll deductions. Starting October 1, 2008, the Company makes a matching contribution in an amount up to 50% of the employees' first 3% of compensation.

Union employees are covered by collectively bargained employee benefit plans under which LandTek makes contributions to a union administered 401(k) plan on a monthly basis.

Variable Interest Entities

The Company elected to adopt the accounting policy described in FASB ASC 810-10-15-17AB, which allows nonpublic companies to not consolidate Variable Interest Entities ("VIE") for which the company is the primary beneficiary if certain criteria are met, including that the company and the VIE are under common control, the company has a lease from the VIE, and substantially all the activities between the company and the VIE relate to leasing activities between the two entities.

Thus, under this accounting policy election, the real estate entity holding an office lease with the Company has not been consolidated in the Company's combined financial statements.

New Accounting Pronouncements

ASU No. 2016-02

In February 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-02, *Leases (Topic 842)*. This ASU is the result of a joint project of the FASB and the International Accounting Standards Board ("IASB") to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements for U.S. GAAP and International Financial Reporting Standards ("IFRS"). The guidance in this ASU affects any entity that enters into a lease (as that term is defined in this ASU), with some specified scope exemptions. The guidance in this ASU will supersede Topic 840, *Leases*.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 2 - Summary of Significant Accounting Policies (cont'd.)

New Accounting Pronouncements (cont'd.)

ASU No. 2016-02 (cont'd.)

The ASU provides that lessees should recognize lease assets and lease liabilities on the balance sheet for leases previously classified as operating leases that exceed 12 months, including leases existing prior to the effective date of this ASU. It also calls for enhanced leasing arrangement disclosures.

For nonpublic entities, the amendments of ASU No. 2016-02 are effective for annual reporting periods beginning after December 15, 2019, and interim periods within annual periods beginning after December 15, 2020. Early application is permitted for all entities.

ASU No. 2014-09

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU is the result of a joint project of the FASB and the IASB to clarify the principles for recognizing revenue and to develop a common revenue standard for U.S. GAAP and IFRS. The guidance in this ASU affects any entity that either enters into contracts with customers to transfer goods or services or enters into contracts for the transfer of nonfinancial assets unless those contracts are within the scope of other standards.

The ASU provides that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. An entity should apply the following five-step process to recognize revenue:

- Step 1: Identify the contract with a customer.
- Step 2: Identify the performance obligations in the contract.
- Step 3: Determine the transaction price.
- Step 4: Allocate the transaction price to the performance obligations in the contract.
- Step 5: Recognize revenue when (or as) the entity satisfies a performance obligation.

For nonpublic entities, the amendments of ASU No. 2014-09 are effective for annual reporting periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. Early application is permitted under certain circumstances.

The Company has not yet determined if these ASUs will have a material effect on its combined financial statements.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 3 - Concentration of Credit Risk

The Company maintains cash balances in two financial institutions which are insured by the Federal Deposit Insurance Corporation ("FDIC") for up to \$250,000 per institution. From time to time, the Company's balances may exceed these limits.

Note 4 - Contract Receivables

Contract receivables, net are summarized as follows:

Leasehold improvements	[REDACTED]
Building work in progress	[REDACTED]
Less: Accumulated depreciation and amortization	[REDACTED]
	\$ [REDACTED]

Depreciation and amortization expense related to property and equipment amounted to \$1,999,282 for the year ended December 31, 2016.

Note 7 - Related Party Transactions

At December 31, 2016, LandTek advanced \$8,659,044 to its stockholders. The advances are unsecured, earning interest of 2.5% and management has determined that \$2,200,000 is expected to be collected within one year. Interest income earned on advances to stockholders totaled approximately \$91,000 for the year ended December 31, 2016.

At December 31, 2016, the Company advanced \$1,747,547 to various affiliates related by common control and management. The advances are unsecured, noninterest-bearing, and management has determined that \$400,131 is expected to be collected within one year.

For the year ended December 31, 2016, the Company paid rent in the amount of \$246,641 to entities related by common control and management. This amount is included in general and administrative expenses.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 8 - Accounts Payable

Accounts payable includes retainages payable to subcontractors aggregating [REDACTED] at December 31, 2016.

Note 9 - Note Payable - Bank

Pursuant to an arrangement with its bank, LandTek may borrow up to [REDACTED] inclusive of a [REDACTED] sublimit for standby letters of credit (see Note 13) under a renewable line of credit secured by substantially all of its assets. The line of credit expired in September 2016 and bears interest at the bank's prime rate or 2.25% over LIBOR (totaling 3.75% or 2.87%, respectively at December 31, 2016). The line of credit is subject to maintenance of certain minimum financial conditions determined by the bank and is subject to an annual 30-day clean-up provision. At December 31, 2016, there are no outstanding borrowings on the line of credit. Subsequent to December 31, 2016, the line of credit was renewed to September 30, 2017.

During 2016, the Company entered into an additional agreement with its bank to convert \$2,500,000 of its existing outstanding balance on the line of credit to a new term note. The new term loan matures on December 31, 2017 and requires monthly interest-only payments at the bank's prime rate or 2.25% over LIBOR (totaling 3.75% or 2.87%, respectively at December 31, 2016). The term noted is subject to maintenance of certain minimum financial conditions determined by the bank. At December 31, 2016, there is \$2,500,000 outstanding on this term note.

LandTek also has available a [REDACTED] equipment line of credit. Borrowings on this line totaled [REDACTED] at December 31, 2016, which is included in long-term debt (see Note 10).

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 10 - Long-Term Debt

Long-term debt is summarized as follows:

Equipment loans payable - In equal monthly installments ranging from [REDACTED] including interest at 0%, through dates ranging from April 2017 to December 2019, secured by related property with a net book value of \$331,198 (see Note 9). \$ [REDACTED]

Installment loans payable - In equal monthly installments ranging from [REDACTED] including interest ranging from 0% to 4.29% per annum through dates ranging from January 2017 to June 2020, secured by related equipment with a net book value of [REDACTED] [REDACTED]

Mortgage payable - Interest-only payments until June 30, 2017. Interest rate is LIBOR plus 2.25% (totaling 2.87% at December 31, 2016). The mortgage is secured by the related property with a net book value of [REDACTED] and is guaranteed by LandTek. Upon completion of the construction of the property, LandTek intends to consolidate this mortgage with the construction loan and convert it into a long-term mortgage. [REDACTED]

Construction loan payable - interest-only payments until June 30, 2017. Interest rate is LIBOR plus 2.25% (totaling 2.87% at December 31, 2016). The construction loan is secured by the related property with a net book value of [REDACTED] and is guaranteed by LandTek. Upon completion of the construction of the property, LandTek intends to consolidate this construction loan with the mortgage and convert it into a long-term mortgage. [REDACTED]

Long-Term Debt \$ [REDACTED]

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 10 - Long-Term Debt (cont'd.)

Aggregate maturities of long-term debt are as follows:

Years Ending December 31:

2017

\$ [REDACTED]

2018

[REDACTED]

2019

[REDACTED]

2020

[REDACTED]

\$ [REDACTED]

Note 11 - Pension Plan

LandTek's pension expense relating to its 401(k) plan amounted to \$46,873 for the year ended December 31, 2016.

Note 12 - Multemployer Plans

LandTek's union employees are covered by collectively bargained employee benefit plans under which LandTek makes contributions on a monthly basis. For the year ended December 31, 2016, LandTek contributed approximately [REDACTED] to these plans, which includes pension costs.

Note 13 - Contingencies

LandTek is contingently liable to its surety under a general indemnity agreement. Under this agreement, the company agrees to indemnify the surety for any payments made on its behalf. The company believes that all contingent liabilities will be satisfied by its performance on the specific contracts covered by the agreement.

LandTek has a letter of credit outstanding aggregating \$688,000 for the benefit of its insurance company. The letter of credit expires May 20, 2017. The letter of credit has not been drawn upon at December 31, 2016.

LandTek is involved in various legal proceedings and litigation arising in the ordinary course of business. The Company intends to vigorously dispute liability for the various claims. It is too early to determine whether the outcome of such proceedings and litigation will have a material adverse effect on the Company's financial statements.

THE LANDTEK GROUP, INC. AND AFFILIATE
NOTES TO COMBINED FINANCIAL STATEMENTS
DECEMBER 31, 2016

Note 14 - Provision For Income Taxes

The provision for income taxes is summarized as follows:

Current:

State and local

\$ [REDACTED]

The Company files income tax returns in the U.S. in both federal and State of New York jurisdictions. With few exceptions, the Company is no longer subject to U.S. federal, state or local tax examinations by taxing authorities for years before 2013. The years 2013 to 2016 remain subject to examination by taxing authorities.

Note 15 - Backlog

The following schedule is a reconciliation of backlog representing signed contracts at December 31, 2016:

Balance, December 31, 2015

\$ [REDACTED]

Contract adjustments

[REDACTED]

New contracts - year ended December 31, 2016

[REDACTED]

Less: Contract revenues

[REDACTED]

Balance, December 31, 2016

\$ [REDACTED]

In addition, the Company has entered into additional construction contracts with estimated revenues of approximately \$15,598,000.

Note 16 - Subsequent Events

The Company has evaluated all events or transactions that occurred after December 31, 2016 through the date of these combined financial statements, which is the date that the combined financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure, except as disclosed in Note 9.

Danielle Graber, Compliance Manager
The Landtek Group Inc.
235 County Line Road
Amityville, New York 11701

Dear Ms. Graber:

In response to your request, be advised that your company, as licensed with the Nassau County Office of Consumer Affairs, under license number H2218000000, has been upgraded to permit the following home improvement work in addition to masonry:

- Fences
- Railings
- Driveways
- Sidewalks
- Curbs
- Curb cuts

According to our records, this company has received no complaints. Records of the Nassau County Office of Consumer Affairs are kept for six years as required by law.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Mary J. Nori", is written over a horizontal line.

Mary J. Nori, Esq.

**Certification Regarding
Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions
(Sub-Recipient)**

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 28 CFR Part 67, Section 67.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 *Federal Register* (pages 19160-19211).
(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Michael Ryan/President

05/09/2017

Name and Title of Authorized Representative

m/d/yy

Signature

05/09/17

Date

The LandTek Group, Inc.

Name of Organization

235 County Line Rd. Amityville New York 11701

Address of Organization

U.S. GPO: CJP FORM 4061/1 (REV. 2/89) Previous editions are obsolete

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion -- Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction; unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

QUALIFICATION STATEMENT

Note: All blanks in the form are to be filled in. Where blanks are not applicable to your firm, so indicate in each instance.

1. How many years has your firm been in the business under your present business name? 19 Years
2. How many years experience in the construction work of a similar type as this contract has your firm had;

a. as a Prime Contractor 38 Years

b. as a Subcontractor 38 Years

3. List below the construction projects your firm has under way as of this date:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer
--------------------	------------------	----------------------	---

Please see attached open job list provided with attachments

(use additional blank sheets if additional space is necessary)

4. List the projects which your firm as a firm has performed in the past few years which you feel will qualify you for this work:

Contract Amount	Class of work	Percent Completed	Name and Address of Owner or Contracting Officer
--------------------	------------------	----------------------	---

Please see attached completed job list provided with attachments

(use additional blank sheets if additional space is necessary)

5. Have you:
 - a. ever failed to complete any work awarded to You? No
If so; identify the project, the owner, the contract amount, the circumstances and date of all such failures to complete.
 - b. ever been defaulted on a contract? No
If so; identify the project, the owner, the contract amount, the circumstances and the date of all default actions

NO TEXT ON THIS PAGE

- c. ever been declared a non-responsible bidder by any municipality or public agency? NO
If so; identify the project, the owner, the contract amount, the circumstances and the date of all such declarations

- d. ever been barred from bidding municipal or public contracts? No
If so; identify the municipality or public agency, the circumstances, date and term of disbarment for all debarments.

(use additional blank sheets if additional space is necessary)

6. Has any officer, partner or principal of your firm ever been on officer, partner or principal of some other firm:

- a. that failed to complete a construction contract? No
If so, state name of individual and identify the name of firm, the project, the owner, the contract amount, the circumstances and the date of all such failures to complete for all principals of the firm.

- b. that has ever been defaulted on a contract? No
If so; state the name of the individual and identify the name of the firm, the project, the owner, the contract amount, the circumstances and the date of all default actions for all principals of the firm.

- c. that has ever been declared a non-responsible bidder by any municipality or public agency? No
If so; state the name of the individual and identify the name of the firm, the project, the owner, the contract amount, the circumstances and the date of all such declarations for all principals of the firm.

NO TEXT ON THIS PAGE

d. that has ever been barred from bidding municipal or public contracts? No

If so; state the name of the individual and identify the name of the firm, the municipality or public agency, the circumstances, date and term of debarment for all debarments for all principals of the firm.

(use additional blank sheets if additional space is necessary)

7. Has any officer or partner of your firm ever failed to complete a construction contract handled in his name? No
If so, state name of individual, name of owner and reason therefor:

8. Disclose any and all violations of the Prevailing Wage and Supplemental Payment Requirements of the Labor Law of New York State.

Please see attached prevailing wage log provided with attachments

9. Disclose any and all other Labor Law Violations, including, but not limited to, child labor violations, failure to pay wages, or unemployment insurance tax delinquencies within the past five years.

No

10. In what other lines of business are you financially interested?

Site Work, Synthetic Turf, Athletic Fields, Concrete, Landscape, Drainage, Fence and Landscape

NO TEXT ON THIS PAGE

11. What is the construction experience of the principal individuals of your firm?

Individual's Name	Present Position or Office	Years of Construction Experience	Magnitude and type of work	In what Capacity
----------------------	----------------------------------	--	----------------------------------	------------------------

Please see attached resumes provided with attachments.

(use additional blank sheets if additional space is necessary)

12. List below the equipment that you own that is available for the proposed work, giving present location where it may be inspected:

Item	Description, Size Capacity, Year, etc.	Years of Service	Present Location
------	---	---------------------	---------------------

Please see attached equipment list provided with attachments

(use additional blank sheets if additional space is necessary)

NOTE: Should the equipment be moved from the above mentioned location, the submitted hereby agrees upon request of the County to state the new location where same may be found.

13. If any of the above equipment is covered by chattel mortgage, conditional bill of sale, lien, or like encumbrance, state the complete details as to nature and amount of encumbrance, the name and address of the holder, etc.

N/A

(use additional blank sheets if additional space is necessary)

NO TEXT ON THIS PAGE

- () 14. In what manner have you inspected this proposed work?
Explain in detail.

Per spec & plans. LandTek also holds the current contract.

(use additional blank sheets if additional space is necessary)

15. Explain your plan and lay-out for performing the proposed work.

Per spec & plans. LandTek also holds the current contract.

16. If a contract is awarded or a permit is issued, to your firm, who
will have the personal supervision of the work? Attach resume.

) John Sulinski - Please see attached resumes.

17. Insurance carried by your firm:

Type	Company	Limits of Coverage	Term
------	---------	--------------------	------

Please see attached sample provided with attachments
