EXECUTIVE SUMMARY

OVERVIEW

The Office of Management and Budget (OMB) is pleased to issue the 2014 October Financial Report. Historically, the County has reported its financial results on a budgetary basis, a comparison to the County's Adopted Budget. This document continues this method, and maps and reports County expenses and revenues versus the 2014 Adopted Budget. During the 2012 Budget Adoption process, an agreement was reached with the Nassau County Interim Finance Authority (NIFA) to achieve structural balance in 2015.

The County acknowledges that it continues to project a deficit by NIFA's standards, which excludes other financing sources, in each year until 2015. The NIFA control period will likely need to extend through that time, as the County plans to use transitional borrowing to substantially fund tax certiorari refunds, other judgments and settlements, and accrued leave time termination payments.

The County continues to be successful in its workforce reduction efforts. The fulltime headcount for the major funds at the end of October 2014 was 7,260 positions compared to 7,861 at the end of December 2011, representing a reduction of 601 positions. The full time headcount is inclusive of the latest October Police class of 62 recruits and Corrections class of 27 officers.

The projections in the tables that follow in this report are based on the headcount at the end of October 2014, which includes an additional police class of 120 in December. The salary projections are reflective of the passage of Labor Agreements on April 7, 2014, by the Nassau County Legislature and approved by NIFA on May 3, 2014 of the three police unions and the Civil Service Employees Association as well as the Sheriff's Correction Officers Benevolent Association's (COBA) agreement which was passed by the County Legislature and approved by the NIFA board on September 10, 2014.

The County successfully obtained New York State legislation authorizing 56 speed camera zones (one for each school district). The County Legislature approved a contract amendment with American Traffic Solutions on May 19, 2014, in which rollout began in July so that the program could conform with school openings. The current October projection includes \$14.2 million of net revenues associated with this new program.

Long Island's punishing winter, with snowfall 400% above average and extremely low temperatures' took a toll on the County's sales tax revenue. Heavy snow and subzero cold trapped many residents at home and curtailed their shopping.

These record weather conditions led to increased costs resulting from certain operational issues such as pothole repairs, which rose 83% from the previous year. Overtime and supply costs significantly increased for the County's highway department, which is tasked with clearing and

maintaining roadways. In addition the County experienced lower attendance at several county parks facilities causing revenue shortfalls.

The chilling winter weather also affected the economy as home sales declined by 2% and auto sales declined by 5%. Most economists attributed the recent stretch of poor retail sales and slow job growth to the cold temperatures and snowstorms. To account for the winter slowdown, the County has decreased its 2014 year-end sales tax projection by \$51.5 million to reflect the impact of weak sales thorough the third quarter. The administration believes a projected growth of 5.9% factored for the remaining quarters is achievable and conservative considering it is below the 6.3% growth the County achieved in 2013.

Prior to corrective action, the County is projecting a deficit of \$32.4 million in the major funds due to several factors: an estimated shortfall of \$51.5 million in sales tax revenues based on third quarter receipts; \$5.9 million of increased salary and wages due to contractual increases, overtime, and termination costs, countered by unfilled vacancies and attrition due to the recent Voluntary Separation Incentive; \$18.9 million in lower Federal and State aid due to lower inmate population, TANF, and Early Intervention & Preschool caseloads; and \$10.0 million shortfall for departmental revenues for Department of Parks, Police Department and the County Clerk and \$10.0 non-use of Fund Balance. These deficits are offset by: \$14.2 million in newly projected net speed camera revenue; \$14.7 million from reduced prior year contractual obligations; \$9.4 million lower than anticipated debt service costs; \$11.2 million due to lower than budgeted fringe benefit and workers compensation; \$4.1 million in lower than anticipated Early Intervention and Preschool costs; \$8.3 million in net lower social services programs; \$2.0 million unused contingency and \$3.0 million savings in Local Government Assistance.

The projected results after corrective actions are:

| Deficit Prior to Corrective Actions (\$'s in millions) | \$ | (32.4) |
|--|--------|--------|

EXPENDITURE RESULTS

Salaries, Wages & Fees

Projected Salaries Expense in Fiscal Year 2014 for the five major funds is \$838.9 million, which is \$5.9 million greater than the 2014 Modified Budget. This projected variance is primarily being driven by costs associated with the NIFA approved labor settlements with the County's three police unions, COBA and the CSEA as well as higher projected overtime and termination pay for the Police Department. This shortfall is offset by vacancies and attrition savings generated due to the recent Voluntary Separation Incentive offered.

Headcount

The full-time headcount for the major funds as of October 31, 2014 was 7,260 positions, which is essentially flat with year-end 2013 levels. The overall headcount reductions represent a decrease of approximately 21% when compare d to the number of positions in the 2009 Adopted Budget.

Overtime

Through October 31, 2014, the Police Department incurred approximately \$45.2 million in overtime expense. OMB is projecting that the Police Department will end 2014 with \$65.0 million in overtime expense. Through October 31, 2014, the Sheriff/Correctional Center incurred approximately \$11.5 million.

Fringe Benefits

The 2014 Modified Budget for Employee Benefits provided for the five major funds is \$505.4 million. This includes a variety of expenses, the largest of which are employee and retiree health insurance, pensions and the County's portion of the FICA payroll tax. Including Workers Compensation, Employee Benefits for 2014 are projected to be \$494.3 million, an \$11.2 million savings from the 2014 Modified Budget, primarily attributable to lower than budgeted health insurance costs due to lower composite based premium increases (Approximately 2.2% vs. budgeted 3.7%), vacancies through October and lower indemnity payments in Workers' Compensation partially offset by higher projected FICA costs mainly attributable to the above mentioned labor settlement costs. See the selected Fringe Benefits (AB) schedules immediately following the departmental tables for more details regarding current projections on some of the more significant fringe benefit items.

Contractual Services

OMB projects Contractual Services to be \$240.1 million, a \$3.2 million deficit when compared with the 2014 Modified Budget amount of \$236.9 million. The deficit is primarily attributed to the cost associated with the implementation of the Speed Camera Initiative, higher costs related to the Transdev Services Inc. (formerly Veolia Bus Transportation Service) contract after the approval of their 2014 Budget by the Transit Committee, and higher outside counsel rates. These unfavorable items are partially offset by lower projected contractual costs in the Assessment department mainly due to the recent passage of the disputed assessment fund legislation.

Interest & Principal

OMB projects Debt Service Expenses to be \$151.3 million, a \$16.4 million surplus when compared with the 2014 Modified Budget amount of \$167.7 million. The surplus is attributable to delayed borrowings at lower than planned borrowing amounts and lower interest rates.

Other Expenses

OMB projects Other Expenses to be \$241.7 million, a \$11.4 million surplus when compared with the 2014 Modified Budget amount of \$253.1 million. The surplus is attributable to delayed borrowings at lower than planned borrowing amounts and lower interest rates. The surplus is primarily attributable to lower than budgeted exposure on Interest Rate Swaps associated with NIFA debt and lower than budgeted bond issuance costs resulting from lower borrowing amounts.

Early Intervention/Special Education

OMB projects Early Intervention/Special Education Expenses to be \$135.0 million, a \$4.1 million surplus when compared with the 2014 Modified Budget amount of \$139.1 million. The surplus is primarily attributable to lower projected Pre-School expenses.

Recipient Grants

OMB projects Recipient Grants to be \$59.4 million, a \$3.8 million surplus when compared with the 2014 Modified Budget amount of \$63.2 million. The surplus is primarily attributable to a lower than anticipated number of caseloads under the Temporary Assistance for Needy Families (TANF) and Subsidized Adoption Programs.

Purchased Services

OMB projects Purchased Services to be \$66.7 million, a \$5.4 million deficit when compared with the 2014 Modified Budget amount of \$61.3 million. The deficit is primarily attributable to a

less rapid decline in Day Care caseloads than originally anticipated which is contingent upon caseload recertification as well as an increase in Day Care service rates.

Emergency Vendor Payments

OMB projects Emergency Vendor Payments to be \$51.1 million, a \$5.3 million surplus when compared with the 2014 Modified Budget amount of \$56.4 million. The surplus is projected primarily due to lower client related expenses under the Temporary Assistance for Needy Families, Safety Net, Juvenile Delinquency and Persons in Need of Supervision (PINS) programs.

Medicaid

OMB projects Medicaid to be \$248.7 million, a \$4.5 million surplus when compared with the 2014 Modified Budget amount of \$253.2 million. A surplus is projected due to the Medicaid Local Share Cap reduction that was enacted as part of the NYS 2014-2015 budget effective April 1, 2014. The State reduced the counties' weekly Medicaid cap payments.

REVENUE RESULTS

Fines & Forfeits

OMB projects Fines & Forfeits to be \$13.9 million higher than the \$67.9 million in the 2014 Modified Budget, primarily due to the installation of speed cameras in school zones which began in July to be in place for the beginning of the school year.

Rents & Recoveries

OMB projects Rents & Recoveries to be \$14.7 million higher than the \$22.4 million in the 2014 Modified Budget, primarily due to the anticipated recovery of unused prior year appropriations of Foster Care expenses in connection with the Persons in Need of Supervision (PINS) and Juvenile Delinquency programs.

Department Revenues

OMB projects Department Revenues to be \$10.0 million lower than the \$165.8 million in the 2014 Modified Budget primarily due to a lower number of documents processed in connection with Mortgage Recording fees, delays in the Tax Map Fee Verification, Online Procurement Registration and Franchise contract for Tow Truck Services Initiatives, and lower attendance at county parks.

Capital Resources for Debt

OMB projects Capital Resources for Debt to be \$4.2 million lower than the \$7.2 million in the 2014 Modified Budget is attributable to delayed borrowings at lower than planned borrowing amounts and lower interest rates.

Debt Service from Capital

Debt Service from Capital for 2014 is projected to be \$17.9 million lower than the \$325.1 in the 2014 Modified Budget is attributable to delayed borrowings at lower than planned borrowing amounts and lower interest rates.

Federal Aid

OMB projects Federal Aid to be \$10.0 million lower than the \$147.1 million in the 2014 Modified Budget, primarily due to lower than anticipated reimbursements because of lower than projected expenses in the Department of Social Services, lower reimbursements at the County's Correctional facility in connection with inpatient medical costs and a lower Federal inmate population. These unfavorable items are projected to be offset by an increase in NYS Child Care subsidy funding.

State Aid

OMB projects State Aid to be \$8.9 million lower than the \$220.6 million in the 2014 Modified Budget, primarily due to lower than anticipated expenses eligible for reimbursement as well as a NYS prior period Pre-School reimbursement adjustment in the Health Department, lower caseloads in the Safety Net, Institutional & Foster Care and Subsidized Adoption programs and lower reimbursements in the Sheriff's Department for enforcing child support mandates.

Sales Tax

OMB projects Sales Tax to be \$51.5 million lower than the \$1.165 billion in the 2014 Modified Budget, primarily due to extreme weather conditions impacting collections during the first quarter and lower than expected collections in second and third quarters.
