§ 1-2.0 **County device of arms.** The following is hereby adopted as a device of arms of the County of Nassau and is hereby declared to be clearly described as follows: Arms, azure, lion rampant or between seven billets or.

³ In an action entitled *Jackson, et al. v. Nassau County Board of Supervisors, et al.*, 818 F. Supp. 509 (1993), the U.S. District Court declared the Nassau County Board of Supervisors and its system of weighted voting to be unconstitutional. By Order, dated June 30, 1993, the Court established guidelines and recommendations for the adoption of an alternative form of government which would conform to the "one person, one vote" principles embodied in the U.S. Constitution. Based upon that order, Local Law 11-1994 was approved by the Board of Supervisors and placed before and approved by the voters of Nassau County in a referendum on November 8, 1994. The Local Law established the form, powers, structure and districts of a new County Legislature with members elected from nineteen districts replacing the six member Board of Supervisors. The law provided that revised form of county government would maintain a separation of powers between the legislative branch and the executive branch. The Local Law did not become effective until January 1, 1996 when the Nassau County Legislature was established. Pursuant to Nassau County Charter §102, any reference in this Administrative Code to the Board of Supervisors is deemed to be a reference to the County Legislature.

§ 1-3.0 **County Seal**

A duplicate of the County seal shall be procured and kept at the Office of the Clerk of the Board of Supervisors and such seal may be affixed by the Clerk of the Board of Supervisors to contracts, leases, and deeds executed by the County Executive on behalf of the County and for such purpose the Clerk of the Board of Supervisors shall also be a Deputy County Clerk.
(Subdiv. c added by L. 1942 Ch. 266, In effect April 1, 1942.)

§ 1-4.0 **County flag.** The flag of the County of Nassau is hereby adopted and declared to be orange, charged with the arms of the County of Nassau.

§ 1-4.1 **Closing hours of county offices.** Notwithstanding any inconsistent provision of law, general, special or local, the offices of the clerks of the courts of record, the County Clerk and all county offices shall be kept open for the transaction of business at a minimum every day in the year, except Saturdays, Sundays and other days and half days declared by provision of law or any collective bargaining agreement with the County to be holidays or half holidays, from such hour in the forenoon to such hour in the afternoon as the County Legislature may fix; provided, however, that the County Legislature may provide that such offices shall remain closed for additional days or hours in order to address or avoid a fiscal emergency.

Whenever the last day on which any paper shall be filed or act done or performed expires on any Saturday during such period of Saturday closing as herein provided, the time therefore is hereby extended to and including the next business day.

(Added by L. 1945 Ch. 24 § 1, in effect February 26, 1945; amended by local law 5-2009, signed by the County Executive on March 10, 2009)

§ 1-4.2 **Petty Cash funds.** The Board of Supervisors may authorize the County Treasurer to furnish any officer or department of the County with a petty cash fund, in such amount as the Board of Supervisors may specify by resolution. Expenditures from such a fund shall be covered by itemized vouchers or claims in the name of the fund, verified by the oath of the officer or head of the department for whom the fund was established. Upon audit of such vouchers or claims and by means of a warrant drawn on the County Treasurer, signed by the Comptroller, the County Treasurer shall reimburse to

- (4) Unless the real property is the legal residence of and is occupied in whole or in part by the disabled person; except where the disabled person is absent from the residence while receiving health-related care as an inpatient of a residential health care facility, as defined in section twenty-eight hundred one of the public health law, provided that any income accruing to that person shall be considered income for purposes of this section only to the extent that it exceeds the amount paid by such person or spouse or sibling of such person for care in the facility.
- (5) In the case of real property where a child resides if such child attends a public school of elementary or secondary education, no school tax should be exempted.
- (d) This exemption shall apply to real property owned by a cooperative apartment corporation. - (b) As used in this section, "qualifying residential real property" shall mean property owned by a Gold Star Parent which is used exclusively for residential purposes, provided, however, that in the event any portion of such property is not so used exclusively for residential purposes but is used for other purposes, such portion shall be subject to normal taxation and the remaining portion only shall be entitled to the exemption provided by this section. Such property must be the primary residence of the Gold Star Parent or the remarried surviving spouse of the Gold Star Parent, unless the Gold Star Parent or unremarried spouse is absent from the property due to medical reasons or institutionalization.

- a) The property of a senior citizen that qualifies for and receives the enhanced exemption pursuant to subdivision four of section four hundred twenty-five of the Real Property Tax Law shall be eligible to

receive an abatement of county taxes equal to one hundred percent of the general tax rate increases for the roll finally completed in the year two thousand two as compared to the tax rate applicable to the assessment roll finally completed in calendar year two thousand one. This abatement shall not limit increases in tax that result from changes to the full taxable value of property or from subsequent tax rate increases or from increases in taxes other than the general county tax.

- b) No separate application shall be required for the abatement authorized by subdivision a of this section. The Assessor of Nassau County shall compute and apply the abatement when extending the tax on eligible property. Eligibility for such abatement shall be determined annually provided that a property that becomes eligible for a year subsequent to the initial year in which such abatement is authorized shall receive the abatement for such subsequent year and for each year thereafter while it remains eligible and until the authorization for the abatement expires. If the enhanced extension granted pursuant to subdivision four of section four hundred twenty-five of the Real Property Tax Law is later discontinued or revoked, the abatement granted pursuant to this section shall likewise be discontinued or revoked. If eligibility for the abatement or the amount of the abatement changes after the extension of taxes, the Assessor shall notify the official responsible for the collection or refund of taxes, who shall calculate and impose or refund the difference in taxes accordingly.
- c) The general county tax extended on an eligible parcel shall be abated by the abatement amount, which shall be calculated by multiplying the taxable assessed valuation, after application of all exemptions for which such parcel is eligible for general county tax purposes, by the abatement tax rate determined pursuant to this section, provided that the abatement shall not exceed the general county tax otherwise chargeable to such eligible parcel. The legislature shall determine separate abatement tax rates for each class of property, each roll year and each portion of the County for which a general county tax is determined. The abatement rate shall be the base abatement tax rate calculated pursuant to this subdivision multiplied by the abatement ratio. The abatement ratio shall be set forth in the local law, as it may be amended from time to time, which adopts the abatement authorized by this section. Such ratio shall be one-half if no other ratio is specified in the local law. In no event shall the abatement ratio be greater than one.
- (d) For the general county tax levied on the assessment roll finally completed in calendar year two thousand two, the base abatement tax rate for a class shall be the general county tax rate, for such class applicable to such assessment roll less the tax rate for such class for the roll finally completed in calendar year two thousand one.

VI. Department of Assessment: Title B, Assessment Review Commission

- (e) In each subsequent year, the base abatement tax rate shall be adjusted to account for changes in the level of assessment by multiplying the base abatement tax rate calculated pursuant to paragraph (e) of this subdivision by the ratio between the class equalization rate for such class for the roll completed in calendar year two thousand two and the class equalization rate for such class for the assessment roll for such subsequent year.
- (f) If the equalized tax rate for a class in any year is less than the equalized tax rate for the roll finally completed in calendar year two thousand two but more than the rate for the roll completed in calendar year two thousand one, the base abatement tax rate shall be recalculated by dividing the difference between such equalized tax rates by the class equalization ratio for the roll year of the taxes to be abated.
- (g) If the equalized tax rate for a class and roll year after calendar year two thousand two is less than the equalized tax rate for the roll completed in calendar year two thousand one, no abatement shall be granted for property in such class for such roll year.
- (h) For purposes of this section, "class" shall have the meaning provided by section eighteen hundred two of this chapter and "class equalization rate" shall have the meaning provided by section twelve hundred two of this chapter. The term "equalized tax rate" shall mean:
 - i) The general county tax rate for a class and roll year multiplied by the class equalization rate for such class and year.
 - ii) The abatement authorized by this section shall apply to taxes on real property owned by a cooperative corporation and to trailers and mobile homes to the extent such taxes are attributable to the property of eligible shareholders or owners and shall be credited against the taxes or rent otherwise payable by or chargeable to such eligible individuals in the same manner as if provided within the exemption granted by section four hundred twenty-five of the Real Property Tax Law.
(Section added by Local Law 17-2002, effective Nov. 15, 2002 with abatement remaining in effect through and including the roll finally completed in the year two thousand fifteen.)

(b) Definitions. As used in this section:

(1) "Cold War veteran" means a person, male or female, who served on active duty for a period of more than three hundred sixty-five days in the United States armed forces, during the time period from September second, nineteen hundred forty-five to December twenty-sixth, nineteen hundred ninety-one, and was discharged or released therefrom under honorable conditions.

(2) "Armed forces" means the United States army, navy, marine corps, air force, and coast guard.

(5) "Qualified owner" means a Cold War veteran, the spouse of a Cold War veteran, or the unremarried surviving spouse of a deceased Cold War veteran. Where property is owned by more than one qualified owner, the exemption to which each is entitled may be combined. Where a veteran is also the unremarried surviving spouse of a veteran, such person may also receive any exemption to which the deceased spouse was entitled.

(6) "Qualified residential real property" means property owned by a qualified owner that is used exclusively for residential purposes; provided, however, that in the event that any portion of such property is not used exclusively for residential purposes, but is used for other purposes, such portion shall be subject to taxation and only the remaining portion used exclusively for residential purposes shall be subject to the exemption provided by this section. If, before the expiration of such ten year period, such exempt property is sold and replaced with other residential real property, such exemption may be granted pursuant to this subdivision for the unexpired portion of the ten year exemption period.
- (f) Application for exemption shall be made by the owner, or all of the owners, of the property on a form prescribed by the state board. The owner or owners shall file the completed form in the Nassau County Assessor's office on or before the first appropriate taxable status date.

VI. Department of Assessment: Title B, Assessment Review Commission

2. That any property subject to taxation has been omitted for any preceding year from the County assessment roll or any special district column thereof or from the school district assessment roll, the Board of Supervisors shall insert such property on such roll for the current year at a valuation to be fixed by the Board of Assessors in its petition. The valuation so inserted shall be the value for the year omitted. The Board of Supervisors shall make the appropriate entry in the special district column in which the omission occurred. The Board of Supervisors shall also insert in such assessment roll in addition to the amount of the tax or assessment for benefit for the current year and in a separate column properly designated, the amount of tax or assessment for benefit which such property should have borne for the year when such property was omitted. The tax shall be computed at the tax rate of the omitted year.
3. That any property subject to taxation has been omitted for the current year from the County assessment roll or any special district column thereof or from the school district assessment roll, the Board of Supervisors shall place such property on the roll from which it was omitted at a valuation to be fixed by the Board of Assessors in its petition or shall make the appropriate entry in such special district column. The Board of Supervisors also shall place the amount of the tax or assessment for benefits on such property. The tax shall be computed at the tax rate of the current year.
4. That any property subject to taxation has been assessed erroneously or illegally, for either the County assessment roll or for the school district assessment roll, the Board of Supervisors shall cancel on such roll such assessment and the tax or assessment for benefit on such property.

(Amended by L. 1948 Ch. 205, in effect March 12, 1948.)

7. The Board of Supervisors, when authorizing the correction of an error in the assessment rolls based upon a verified petition submitted to it by the Board of Assessors pursuant to any subdivision of this section, or when it shall appear that such taxes or assessments for benefit have not been paid because of errors or omissions not the fault of the owner and which cannot be corrected under other provisions of this act may modify or waive the penalties, charges, costs and interest to be paid on such taxes or assessments.

§ 6-24.1 Determination of new assessment upon change in taxable status or construction or destruction of improvements.¹⁶

- a. When the tentative assessment roll fails to reflect the filing of an application for a new exemption, a change in eligibility for exemption, or the construction or destruction of improvements, which occurred after the taxable status date applicable to such roll, but on or before the taxable status date applicable to the assessment roll for the following year, the Board of Assessors shall determine a new assessment pursuant to the provisions of this section. For purposes of this section, construction of improvements shall include the construction of a new building or other structure, the expansion of an existing building or structure, or the addition to property of other articles of real property. Destruction of improvements shall include the full or partial destruction of a building or other structure or other articles of real property by fire or other casualty or by demolition.
- b. Notwithstanding the provisions of section 6-2.1 of this title, an application for a new exemption based on eligibility as of a date occurring on or before the second day of January may be filed in the form and manner and within the time period specified by law and shall apply to the next published tentative or final assessment roll. No request pursuant to subdivision c of this section shall be necessary for purposes of obtaining such new exemption.
- c. Except in the case of an application for a new exemption, only the owner or any other taxpayer who would be entitled to file an application for correction pursuant to section 523-b of the Real Property Tax Law may

In the event that improvements are destroyed in full or in part by fire or other casualty, such application may be filed by such date or sixty (60) days after such destruction, whichever is later.

- d. Notwithstanding the provisions of section 6-2.1 of this title, upon a change in eligibility for exemption or the construction or destruction of improvements, the Board of assessors shall determine a new assessed valuation and taxable assessed valuation and shall, if appropriate, reclassify the property pursuant to section 1802 of the Real Property Tax Law.
 1. Such new assessment shall be based on the value, use and condition of the property as of the second day of January occurring on or after the date of such change in eligibility for exemption, construction or destruction.
 2. Notwithstanding paragraph one of this subdivision, if the only change relates to eligibility for a personal exemption, the assessment shall remain the same as it appeared on the tentative assessment roll except to the extent of the change in such exemption. For purposes of this paragraph a "personal exemption" includes an exemption granted pursuant to section 425, 458, 458-a, 459-c, 460 or 467, or any similar provision of the Real Property Tax Law granting a partial exemption based on ownership and residency by an individual who is a member of a class specified in the statute conferring the exemption.
- e. When the Board of Assessors determines a new assessment pursuant to this section it shall be entered on the next following tentative assessment roll, except that where the new assessment is less than the original assessment but is not determined in sufficient time for entry on the next tentative assessment roll, it may be entered on the final roll. In the case of an increased assessment entered on the tentative assessment roll, the Board of Assessors shall send a notice to the owner in the manner provided by section 510 of the Real Property Tax Law.
- f. In the event that the Board of Assessors enters a new assessment on the next tentative assessment roll pursuant to this section, or fails to grant an exemption or determine a new assessment as required by this section, the owner or other taxpayer may apply to the Assessment Review Commission for correction of such assessment within the time provided by section 523-b of the Real Property Tax Law for review of assessments appearing on such next tentative assessment roll. If an application for correction has been previously filed, the owner or other taxpayer need

not file a new application; the previously filed application shall remain valid for review of the assessment.

- g. In the event that no application for correction has been filed, the Board of Assessors shall enter the new assessment on the roll. The Board of Assessors shall also enter all exemption changes on the roll. Except in the case of an exemption change only, where an application for correction has been filed, the Board of Assessors shall transmit its determination and supporting documents to the Assessment Review Commission for disposition. The commission may increase the assessment to the same or a lesser amount than was determined by the assessors and may take any other action that it may take on an application for correction.

(Section 6-24.1 added by Chapter 401 of the Laws of 2002; amended by Chapter 402 of the Laws of 2002.)

§ 6-25.0 Petition; notice of presentation. A copy of the petition for the correction of an error which correction would increase the valuation of property on the County assessment roll or on the school district assessment roll and the copy of the petition for the correction of an error pursuant to subdivision two or three of section 6-24.0 of the code, with due notice of the presentation of such petition to the Board of Supervisors shall be served in such manner as the Board of Supervisors may direct or approve on the person or corporation alleged to be liable to taxation. The Board of Supervisors shall take no action on such petition unless proof of the manner of service of such petition and notice be made to them by affidavit. The Board of Supervisors shall give an opportunity to be heard to the person alleged to be liable to taxation for such property and on such hearing and review, the Board of Supervisors shall have all the powers that the Board of Assessors have in reviewing and correcting the assessment rolls. The person or corporation alleged to be liable to taxation shall have the right to make an agreement in writing with the Board of Assessors consenting to the increase in valuation of the property on the County assessment roll or on the school district assessment roll. Upon the execution of such an agreement by the parties thereto, the Board of Assessors shall submit such written agreement to the Board of Supervisors together with the verified petition certifying the error to be corrected and in such event notice of the presentation of such petition to the Board of Supervisors need not be served on the person or corporation alleged to be liable to taxation and no hearing on said petition and agreement shall be necessary.

(Amended by L. 1943 Ch. 354 § 3, in effect April 17, 1943.)

If under subdivision five of section 6-24.0 of the code, any tax or assessment for benefit is apportioned, the receiver of taxes and treasurer shall receive the same separately when so apportioned. If under subdivision seven of section 6-24.0 of the code, any penalty, charge, cost or interest and any tax or assessment for benefit is waived, the receiver of taxes shall receive the amount of tax or assessment without such penalty, charge, cost or interest when a certified copy of the resolution waiving the same is filed with him.

(Amended by L. 1947 Ch. 378 § 1, in effect March 25, 1947.)

b. If:

1. Any tax or assessment for benefit shall be illegal under subdivision four of section 6-24.0 of the code;

3. In the case of a reassessment and relevy of an erroneous assessment, tax or assessment for benefit, the amount of tax or assessment for benefit finally due is less than the amount of tax or assessment for benefit as shown on the roll, or any special district column thereof, before such tax or assessment for benefit was found to be erroneous, then

 - (b) In the case of town assessments for benefit other than a special district assessment for benefit, the amount of such refund or reduction, irrespective of whether the same appears upon the tax books in the possession of the town, receiver of taxes or upon the tax books of the County Treasurer, shall be certified by the County

(Subparagraphs (a) and (b) amended and subparagraph (c) added by L. 1948 Ch. 851, in effect April 16, 1948.)

- c. A tax or an assessment for benefit which is made greater shall not be a lien on the real property for such additional amount as against purchasers or mortgagees in good faith, if pursuant to section 6-24.0 of the code, the increase is due to the fact that:
1. omitted property subject to taxation has been added to the rolls;
 2. there has been a reassessment and relevy of any tax or assessment for benefit;
 3. there has been a correction of an error.

§ 6-27.0 Validity of assessment roll. Any incorrect statement of the name of the owner or owners of any property described in the County or school district assessment rolls, shall in no way affect the validity of such assessment roll.

 - (ii) The Grievant shall include with the submission of either a Certified Appraisal or a Reasonable Basis Proposal, a certification for the pending tentative assessed valuation executed by the Grievant or his representative in which the Grievant agrees to be bound by the assessed value set forth in either the Certified Appraisal or the Reasonable Basis Proposal. If ARC accepts such value or ARC fails to respond within 150 days as provided herein, the County shall be bound by such value.
 - (iii) Within one hundred and fifty (150) days of the submission to ARC of a Certified Appraisal, ARC shall respond by either accepting the assessed value set forth in the Certified Appraisal or by making a Reasonable Offer to Settle with the Grievant. If ARC does not respond within one hundred and fifty (150) days, ARC shall correct the tentative assessment to reflect the assessed value in the Certified Appraisal.
 - (iv) Within one hundred and fifty (150) days of the submission to ARC of a Reasonable Basis Proposal, ARC shall respond by either accepting the Reasonable Basis Proposal or by making a Reasonable Offer to Settle with the commercial property owner. If ARC does not respond within one hundred and fifty (150) days, ARC shall correct the tentative assessment to reflect the assessed value in the Grievant's Reasonable Basis Proposal.
 - (v) A Grievance shall be deemed finally determined and shall be binding on the Grievant and the County if ARC makes a Reasonable Offer to Settle in response to a Reasonable Basis Proposal under paragraph (i) of this subdivision, and the Grievant accepts ARC's Reasonable Offer to settle
- c) Notwithstanding the forgoing provisions of law, ARC may choose to sustain the challenged assessment as valid, and such determination shall be deemed to be a Reasonable Offer to Settle.

VI. Department of Assessment: Title B, Assessment Review Commission

- d) In the event that:
- (i) ARC accepts a Reasonable Basis Proposal that is eighty-seven and one-half percent (87.5%) or more of the assessed value determined by the Assessor on the tentative assessment roll; or
 - (ii) A Reasonable Basis Proposal that is eighty-seven and one-half percent (87.5%) or more of the assessed value determined by the Assessor on the tentative assessment roll is implemented due to ARC's failure to respond pursuant to Section 6-41.0(b)(iv) of this code; or
 - (iii) ARC makes a Reasonable Offer to Settle in response to a Reasonable Basis Proposal under paragraph (i) or this subdivision, and the Grievant accepts ARC's Reasonable Offer to settle; and
 - (iv) where, in addition to the circumstances under paragraphs (i), (ii) and (iii) of this subdivision, the Reasonable Basis Proposal was not accompanied by credible evidence supporting the amount of the proposal or other relevant financial information, then (except for where a factor under Section 6-41.0(a)(9) of this code is present), the County and the commercial property owner shall be bound by the assessed value either in the Reasonable Basis Proposal or in ARC's Reasonable Offer to Settle for the lesser period of (1) the final assessment roll for the tax year that is the subject of the grievance application, as well as for the next succeeding year assessment roll, or (2) for the balance of the County's assessment cycle or (3) until such time as the County performs a general reassessment of all properties within the County.
- e) Upon the filing of a grievance with ARC and opting to file a Reasonable Basis Proposal, the Grievant shall be provided with, acknowledge receipt of, and agree to be bound by this section of law and the applicable ARC rules.
- f) Where Grievant rejects ARC's Reasonable Offer to Settle, which rejection shall be in writing, filed not later than thirty days after the written issuance of the Reasonable Offer to Settle, ARC shall correct the tentative assessment to reflect the assessed value in the Reasonable Offer to Settle.

VI. Department of Assessment: Title B, Assessment Review Commission

- g) In the event that a Grievant fails to: (1) submit a Certified Appraisal; (2) make a Reasonable Basis Proposal; or (3) withdraw the pending Grievance, then the Grievance shall be dismissed with respect to any claim raised within said pending Grievance, with prejudice, and the Commission shall make a finding and shall promptly inform the Grievant of the basis for dismissal. Failure to comply with the foregoing shall preclude the Grievant from filing any Petition with the New York State Supreme Court for judicial review under Article VII of the Real Property Tax Law with respect to any claim raised within said pending Grievance, of the property's assessment for the lesser period of (1) the final assessment roll for the tax year that is the subject of the grievance application, as well as for the next succeeding year assessment roll, or (2) for the balance of the County's assessment cycle or (3) until such time as the County performs a general reassessment of all properties within the County.
- h) The Grievant may, within 35 days of the issuance of the determination, request in writing that ARC reopen the grievance on the basis that a Certified Appraisal or Reasonable Basis Proposal was submitted, or, alternatively, that the grievance was withdrawn.
- i) In the event that the penalties set forth in subdivision (d)(iv) and (g) are determined by a Court of competent jurisdiction, to be illegal, ineffective or unenforceable precluding dismissal of the Grievance with prejudice, or in the event that the penalties set forth in such subdivisions are for any reason determined to be ineffective to preclude the Grievant from filing with the New York State Supreme Court a Petition, under the New York Real Property Tax Law, for judicial review challenging the assessment for the tax year corresponding to the year in the dismissed Grievance, then such Grievant shall be liable for the payment to the County of a civil penalty, recoverable in a civil action, in the sum of \$4000 per grievance. This penalty provision shall only apply prospectively in the event that subdivision (g) is deemed illegal, ineffective or unenforceable and shall not be applied cumulatively, but rather alternatively to subdivision (g).
(Local Law added June 28, 2010 with compliance voluntary through 2010 but mandatory effective January 1, 2011).

g.

1. In this subdivision:

- (a) "Property" means and includes personal property, money, negotiable instruments, securities or any interest in a thing of value, excepting real property.
- (b) "Proceeds of a crime" means any property obtained through the commission of any offense and includes any appreciation in value of such property.
- (c) "Substituted proceeds of a crime" means any property obtained by the sale or exchange of proceeds of a crime, and any gain realized by such sale or exchange.
- (d) "Instrumentality of a crime" means any property, other than real property and any buildings, fixtures, appurtenances, and improvements thereon, whose use contributes directly and materially to the commission of any offense.

- 2. Except as provided in Article 13-A of the Civil Practice Law and Rules, proceeds of a crime, substituted proceeds of a crime or any instrumentality of a crime delivered to the property clerk shall be subject to forfeiture as prescribed in this section.
- 3. The County of Nassau may commence a civil action for forfeiture to the County of Nassau of the proceeds of a crime, substituted proceeds of a crime or instrumentality of a crime seized subsequent to an arrest for a misdemeanor crime or petty offense as such terms are defined in the penal law and the criminal procedure law, respectively, or upon a conviction for such misdemeanor crime or petty offense against any person having an interest in such property. Any person from whom property is seized incident to his or her arrest for a misdemeanor crime or petty offense will receive written notice at the time the property is seized and inventoried or as soon thereafter as practicable that the County of Nassau may commence an action for forfeiture of such property as the proceeds of a crime, substituted proceeds of a crime or instrumentality of a crime.
(Amended by Local Law No. 4-2003, in effect March 10, 2003.)

- 4. Except for a felony offense, as defined in section eleven hundred ninety-three of the Vehicle and Traffic Law, which may give rise to a

VIII. Police Department §8-7.0: Property Clerk

forfeiture action pursuant to article thirteen-A of the Civil Practice Law and Rules, the County of Nassau may commence a civil action for forfeiture to such county of any vehicle as such term is defined in subdivision fourteen of section 10.00 of the Penal Law when such vehicle is operated by a person charged with a violation of section eleven hundred ninety-two of the Vehicle and Traffic Law and such person is convicted or pleads guilty to any subdivision of such section where it is proved by a preponderance of the evidence in a civil forfeiture proceeding that such person was driving in violation of such section. Subject to the provisions of subparagraph f of this paragraph, the interest of a lienholder in such property shall not be subject to forfeiture pursuant to this paragraph, provided, however, that this provision shall not be construed to entitle a lienholder to more than the outstanding balance of the lien. For purposes of this section, the term "lienholder" shall mean any person, corporation, partnership, firm, agency, association or other entity who at the time of an arrest pursuant to this section has a financial interest recorded as a lien with the Department of Motor Vehicles of New York State or any other state, territory, district, province, nation or other jurisdiction, except that "lienholder" shall not mean an entity that leases vehicles pursuant to a written agreement subject to the New York state personal property law or the uniform commercial code. Nothing in this provision shall be construed to prevent a lienholder whose lien is not so recorded from intervening in any action or proceeding under this paragraph.

- a. A person from whom a vehicle has been removed and impounded by the police pursuant to an arrest for a violation of any provision of section eleven hundred ninety-two of the Vehicle and Traffic Law shall receive notice at the time of arrest on such charge and by certified mail, return receipt requested, as soon thereafter as practical informing such person how and when the vehicle may be reclaimed and that the vehicle is subject to a civil forfeiture proceeding. In the event that the driver is not the registered owner of the vehicle, separate notice shall be provided to the registered owner of the vehicle. Notice shall also be provided to any lienholder. A vehicle removed and impounded pursuant to this section shall be subject to a reasonable fee upon release of the vehicle covering the cost of removal and storage.
- b. In the event that the driver of the vehicle has a prior conviction, within the past ten years, for a violation of any provision of section eleven hundred ninety-two of the Vehicle and Traffic Law or an offense involving the use of alcohol or a controlled substance while operating a vehicle in another jurisdiction, the County may retain the vehicle and shall apply to the court, after having provided

VIII. Police Department §8-7.0: Property Clerk

notice as required to the persons or entities set forth in subparagraph a of this paragraph, within fifteen days for a prompt hearing to request the court to take measures to protect the public safety and to protect the vehicle from destruction or sale during the pendency of the forfeiture proceeding. At such hearing the court shall determine the probable validity of the retention of the vehicle by the County, or other such appropriate measures, including but not limited to the installation at the expense of the owner of an interlock device to prevent the operation of the vehicle while the driver is under the influence of alcohol, the posting of a bond or an order restraining the sale or transfer of title of the vehicle. The hearing shall take into consideration, but not be limited to: (i) the existence of probable cause for the underlying arrest; (ii) the likelihood of success on the merits of the forfeiture action; and (iii) the driver's prior conviction, within the past ten years, for a violation of any provision of section eleven hundred ninety-two of the Vehicle and Traffic Law or for an offense regarding the use of alcohol or a controlled substance while operating a vehicle in another jurisdiction.

- c. The owner of a vehicle subject to forfeiture pursuant to this paragraph must notify the County of any intention to transfer ownership or possession of such vehicle, no later than fifteen days prior to such transfer. Notice provided pursuant to subparagraph a of this paragraph shall set forth the time and manner and procedures for such notification to the County. The provisions of this subparagraph shall remain in effect until the resolution of the forfeiture proceeding, provided, however, that the notice requirement herein shall expire one hundred twenty days after an arrest pursuant to this paragraph in the event the County has not commenced such a proceeding within such period.
 - (i) Nothing in this subparagraph shall be construed to affect the ability of an entity that leases vehicles or a lienholder to exercise its lawful rights to obtain possession of a vehicle under a contract or applicable law.
 - (ii) In the event of a transfer of title or possession pursuant to clause (i) of this subparagraph, the person or entity that affects such transfer shall provide notice to the County of its action as soon as practicable and in no event later than seventy-two hours subsequent to such action.
- d. Upon receiving notification pursuant to subparagraph c of this paragraph, the County may apply for a court order to ensure that the vehicle remain available pending the outcome of the civil

VIII. Police Department §8-7.0: Property Clerk

forfeiture proceeding pursuant to this paragraph. At such hearing the County may request appropriate measures including, but not limited to, an order of the court restraining the transfer of title or possession of such vehicle, retention by the County of the vehicle pending the outcome of the forfeiture proceeding, or a bond in the amount of fifteen hundred dollars plus the fair market value of the vehicle at the time of the arrest, as set forth in subparagraph e of this paragraph.

- e. A person who transfers title or possession of a vehicle without providing notice to the County as required by subparagraph c of this paragraph shall be subject, upon a judgment that the vehicle shall be forfeited, to a penalty in the amount of fifteen hundred dollars in addition to the fair market value of the vehicle at the time of the arrest. Evidence of such fair market value may be established with reference to publications such as, but not limited to, Kelley Blue Book or NADA guide.
- f. It shall be an affirmative defense to an action brought pursuant to this paragraph that the owner of the vehicle other than the person arrested for violation of any provision of section eleven hundred ninety-two of the Vehicle and Traffic Law did not know, or had no reason to know, that there was a reasonable likelihood that the vehicle would be used in violation of any such provision.
- g. Following a determination by the court pursuant to this paragraph that a vehicle shall be forfeited, an owner may petition the court for relief from such determination. Such petition shall contain an affirmation that the loss of the vehicle would cause a substantial and unwarranted hardship because the owner has no reasonable access to public transportation or to the use of another vehicle and lacks the financial resources to purchase another vehicle and that possession of a vehicle is a necessary incident to his or her employment, business, trade, occupation or profession; or to his or her travel to and from a class or course at an accredited school, college or university or at a state approved institution of vocational or technical training; or necessary travel to and from a necessary medical examination or necessary medical treatment for such owner or a member of his or her household. Upon demonstration of these factors satisfactory to the court, the court may grant relief from the forfeiture determination upon such terms and conditions as will provide maximum protection to the public safety.

VIII. Police Department §8-7.0: Property Clerk

- h. Notice pursuant to this paragraph shall be to the address recorded with the Department of Motor Vehicles by certified mail, return receipt requested.

5. A civil action seeking forfeiture brought pursuant to this section shall be commenced in the County of Nassau within one hundred twenty (120) days after the seizure of the property. Upon motion of the defendant, the County Attorney or District Attorney, said action shall be stayed during the pendency of the criminal action relating to the property.

Such notice shall identify the property to be sold, the place where the terms of the sale may be obtained, and the final date and time that auction bids may be received. In addition, if the property is offered for sale on an Internet auction site, the notice shall set forth the uniform resource locator (URL) for such site. The Commissioner may reject any bidder that is unable to or appears to be unable to comply with the terms of the sale. When no bid or acceptable bid is received via auction, property may be reoffered at private sale or otherwise disposed of in furtherance of the interests of the Department. The proceeds of such sale, and any other monies realized as a consequence of the forfeiture, shall be paid into the police headquarters fund of the County of Nassau to be used by Nassau County Police Department for narcotics enforcement purposes.
(Amended by Local Law 13-2009, in effect July 9, 2009)
7. If a person charged with a misdemeanor crime or petty offense is not convicted or does not plead guilty to any misdemeanor crime or petty offense, any property seized incident to that person's arrest will be returned to him or, in the event that another person has a superior right of possession in such property, to such other person, by the property clerk of the Nassau County Police Department.
(Amended by Local Law No. 5-1966 § 1, in effect September 27, 1966: new subdivision 9 added by Local Law No. 17-1990, in effect November 26, 1990, amended by Local Law No. 4-2003, in effect March 10, 2003; amended by Local Law 13-2009, signed by the County Executive on July 9, 2009.)

Title B

Transmissions from Automatic Alarm System

§ 8-40.0 Legislative intent. The Legislature finds it important to ensure that the alarms being called into the Police Department have valid permits. In addition, while the Legislature recognizes the importance of alarm systems, the Legislature finds that there have been an excessive number of false alarms and the costs associated with false alarms should be borne by the people who have alarm systems. Therefore, the alarm permit fees will offset the administrative and operational expenses caused by the large number of responses by the Police Department. In addition, in order to reduce the number of false alarms the Legislature is hereby creating a graduated penalty schedule to be assessed against the permit holder whose alarm system is generating the false alarms, based on the number of false alarms generated to the Police Department by the permit holder's alarm system.

§ 8-40.1 Definitions. As used in this Title, the term:

1. "Alarm System" shall mean any transmission from or to a privately operated central station or any alarm device which automatically dials the emergency telephone number of the police and uses a pre-taped or pre-recorded message to alert police that an emergency exists or that the services of that department are needed. "Alarm System" shall also mean any alarm device, which automatically emits an audible, visual or other similar response upon the occurrence of any hazard or emergency, and is intended to alert persons outside the building to the existence of said hazard or emergency.

5. "False Alarm Notification" shall mean an alarm notification to the police department, when there is no evidence of a criminal offense or attempted criminal offense. Excluded in this definition are:
 - (a) Alarms occurring during severe electrical storms, hurricanes, tornadoes, blizzards and acts of God; or
 - (b) An intermittent disruption of the telephone circuits beyond the control of the privately operated central station and/or alarm user; or,
 - (c) Electrical power disruption or failure.
6. "Panic Alarm System" shall mean any alarm system where a signal is generated by manual activation of a device that will automatically send a signal, directly to the Police Department, that a life threatening or emergency situation exists. (Added by Local Law 7-2015, effective October 20, 2015).
7. "Critical Infrastructure" shall mean any school or religious institution, or any building or facility designated as "critical" by the Commissioner of Police or his designee.
(Added by Local Law 7-2015, effective October 20, 2015).

§ 8-40.2 Automatic dialing devices.

1. No unauthorized person shall use, operate or install any device that, upon activation by automatic means, initiates the dialing, calling or other connection with Nassau County Police Department "911" emergency telephone number or any other Nassau County Police Department telephone number designate as a "police emergency number." Authorized automatic dialing devices shall transmit messages only to such numbers as shall be designated for that purpose by the Commissioner of Police
2. Notwithstanding any other law or regulation, a panic alarm system may be installed in any critical infrastructure upon the approval of the Commissioner of Police and payment of an administration fee. The fee shall be fixed by ordinance.

VIII. Department of Police

and the purposes thereof.

- (b) Panic alarm systems shall not be subject to false alarm notifications.
(Amended by Local Law 7-2015, effective October 20, 2015).

§ 8-40.3 **Delay.** Upon the activation of a burglary (break-in) alarm, there shall be a mandatory delay of at least 15 seconds before the transmission of a signal to the Police Department to enable the user to abort the signal in the event that it was triggered inadvertently. This delay shall not be applicable to a robbery (holdup or medical emergency alarm. Any system installed on or after the effective date of this ordinance must comply with this section. Pre-existing installations must comply within six (6) months of the effective date of this ordinance.

§ 8-40.4 **Timing device.** The user of every alarm system, emitting an audible, visual or other similar response shall, at the time such system is installed or within six (6) months of the effective date of this ordinance in the case of existing systems, install or cause to be installed an automatic timing device which shall deactivate such alarm within thirty (30) minutes or less.

Title C

§ 8-50.0 **Legislative Intent.** The Board of Supervisors hereby finds that there have occurred in the past certain solicitations of businesses and members of the public by solicitors on behalf of police-related organizations, and that such solicitations have been made by organizations in no way affiliated with the County of Nassau and have on occasion been made with "high pressure tactics." All such actions or proceedings shall be brought in the name of the County by the County Attorney. In addition, the County Attorney may institute any other action or proceeding in any court of competent jurisdiction that may be appropriate or necessary for the enforcement of the provisions of this title, including actions to secure permanent injunctions enjoining any acts or practices which constitute a violation of any provision of this title, mandating compliance with the provisions of this title or for such other relief as may be appropriate, in any such action or proceeding, the County may apply to any court of competent jurisdiction, or to a judge or justice thereof, for a temporary restraining order or preliminary injunction enjoining and restraining all persons from violating any provision of this title, mandating compliance with the provisions of this title, or for such other relief as may be appropriate, until the hearing and determination of such action or proceeding and the entry of final judgment or order therein. § 8-70.0 **Legislative Intent.** It is the intent of the County of Nassau, as an exercise of its police power to enact this local law to thwart the increase in the number of thefts of boats, marine motors and marine equipment which is occurring in Nassau County. It is the further finding of the Board of Supervisors that the prohibition against the alteration or removal of serial numbers or identification numbers or symbols from marine motors, marine equipment or boat hulls will aid in the apprehension and prosecution of criminals by prohibiting concealment activities which enhance the marketability of such items.

§ 8-70.1 **Definitions.** As used in this section.

background investigation of each applicant must be completed, including a criminal history check. The Nassau County Police Department can no longer submit fingerprint cards of auxiliary police applicants directly to the Federal Bureau of Investigation for criminal history verification. It is the finding of the Board of Supervisors that the screening and fingerprinting of police auxiliary applicants will aid in the approval process for auxiliary police officers.

§ 8-80.1 Screening by New York State Division of Criminal Justice Services.

Nassau County.

- (C) "Service supplier" means a telephone corporation which provides local exchange access service within a 911-service area.
- (D) "System cost" means the costs associated with obtaining and maintaining the telecommunication equipment and the telephone services costs necessary to establish and provide an E911 system.

§ 8-100.1 Surcharge Authorization

- (A) The service supplier is hereby authorized, empowered and directed, in accordance with Article 6 of the County Law, to impose a thirty-five cent surcharge per access line per month on each telephone subscriber in Nassau County to pay for the costs associated with implementing, installing and maintaining the E911 system. On the effective date of this title, the service provider shall begin to add such surcharge to the billings of its customers.
- (B) Any such surcharge shall have uniform application and shall be imposed throughout the entire county to the greatest extent possible in conformity with the availability of such E911 system within the County.

§ 8-100.2 Collection of Surcharge.

- (A) The appropriate service supplier or suppliers serving a 911 service area shall act as collection agent for Nassau County and shall remit the funds collected as the surcharge to the Nassau County Comptroller monthly, no later than thirty (30) days after the last business day of each month.

- (C) The surcharge required to be collected by the service supplier shall be added to and stated separately in its billings to customers.
- (D) The service supplier shall annually provide to the Nassau County Comptroller an accounting of the surcharge amounts billed and collected.

VIII. Department of Police

§ 8-100.3 Liability for Surcharge.

- (A) Each service supplier customer who is subject to the provisions of this chapter shall be liable to the County of Nassau for the surcharge until it has been paid to the County of Nassau, except that payment to a service supplier is sufficient to relieve the customer from further liability for such surcharge.
- (B) The service supplier shall have no obligation to take any legal action to enforce the collection of any surcharge. Whenever the service supplier remits the funds collected as the surcharge to the County of Nassau, it shall also provide the County of Nassau with the name and address of any customer refusing or failing to pay the surcharge imposed by this title and shall state the amount of such surcharge remaining unpaid.

§ 8-100.4 System revenues; adjustment of surcharge. All surcharge moneys remitted to the County of Nassau by a service supplier and all other moneys dedicated to the payment of system costs from whichever source derived or received by the County of Nassau shall be expended only upon appropriation of the County Legislature and only for payment of system costs as permitted by this title. The County of Nassau shall separately account for and keep adequate books and records of the amount and source of all such revenues and of the amount and object or purpose of all expenditures thereof. If at the end of any fiscal year the total amount of all such revenues exceeds the amount necessary and expended for payment of system costs in such fiscal-year, such unencumbered cash surplus shall be carried over for the payment of system costs in the following fiscal year. If at the end of any fiscal year such unencumbered cash surplus exceeds an amount equal to five percent (5%) of that necessary for the payment of system costs in such fiscal year, the County Legislature shall amend this title to reduce the surcharge for the following fiscal year to a level which more adequately reflects the system costs requirements of its E911 system. The County Legislature may also amend this title to re-establish or increase such surcharge if the revenues generated by such surcharge and by any other source are not adequate to pay for system costs.

§ 8-100.5 Severability. If any section of this title or the application thereof to any person or circumstances shall be adjudged invalid by a court of competent jurisdiction. Such order or judgment shall be confined to its operation to the controversy in which it was rendered, and shall not affect or invalidate the remainder. Any other provision or any section or the application of any part thereof to any other person or circumstances, and to this end, the provisions of each section of this title shall be deemed to be severable.

- §8-100.2 Criminal history review by Nassau County Police Department.

§ 8-100.0 **Legislative Intent.** Certain Division of Law Enforcement employees of the Nassau County Society for the Prevention of Cruelty to Animals (NCSPCA) are peace officers, pursuant to New York State Criminal Procedure Law, section 2.10(7), with powers enumerated in New York State Criminal Procedure Law, section 2.20, and comply with the training requirement of section 2.30 of the New York State Criminal Procedure Law. At this time there is no means for the NCSPCA to thoroughly investigate and process those applicants for employment who would be employed in the capacity of peace officers. The Nassau County Police Department will perform criminal history record checks on NC SPCA Law Enforcement applicants only after Nassau County confers such authority by Local Law. The Nassau County Legislature finds that the screening, fingerprinting, and criminal records check of NC SPCA Law Enforcement applicants who would be employed in the capacity of peace officers, would aid in the employment process for NC SPCA, Division of Law Enforcement.

Dissemination of Information Concerning Residency Restrictions and the Monitoring of Sex Offenders³³

Section	8-130.1	Legislative Intent
	8-130.2	Definitions.
	8-130.3	Mandatory dissemination of information.
	8-130.4	Promulgation of rules and procedures.
	8-130.5	Database of entities with vulnerable populations.
	8-130.6	Residency restrictions.
	8-130.7-a	Notification.
	8-130.7-b	Hotel, Motel and Shelter Notification.
	8-130.7-c	Nursing Home Screening Requirements and Notification
	8-130.8	Exemption.
	8-130.9	Location Monitoring.
	8-130.10	County Not Liable.
	8-130.11	Penalties.

§ 8-130.1 **Legislative intent.** This legislature finds that sex offenders are prone to recidivism. The community has an interest in protecting vulnerable populations from sex offenders who may relapse into criminal behavior. This public interest can best be served by disseminating information about such

³³ Residency restrictions voided by NY Court of Appeals in *People v. Diack*, 24 N.Y.3d 674 (2015).

VIII. Department of Police

offenders to groups or entities that are made up of children, seniors, women or others who are vulnerable to victimization by sex offenders. The New York State Sex Offender Registration Act (“SORA”) provides for the registration of convicted sex offenders and the release of certain information about them by local law enforcement agencies. While this law is an invaluable tool for informing the public about the presence of certain convicted sex offenders in their communities, this legislature finds that it can be made more effective by requiring the county’s law enforcement agencies to notify entities with vulnerable populations about such offenders residing in their vicinity. This local law is therefore necessary to ensure the widest possible dissemination of information about level 2 and level 3 sex offenders consistent with SORA.

The legislature further finds that sex offenders present a particular danger when they live in close proximity to schools and parks - areas where children learn, play, and congregate. The county’s compelling governmental interest in ensuring that children do not become victims of sex crimes is best served by limiting the occasions for contact between children, especially those that were previously victimized, and registered sex offenders and the residency restriction contained in this law is therefore necessary to protect a vulnerable population from sex offenders.

This legislature further finds and determines that in order to protect the residents of Nassau County, particularly children, sex offenders who pose a high risk of repeating an offense should be electronically monitored.

This legislature further finds that residents of nursing homes are particularly vulnerable to exploitation by sex offenders due to their advanced age and/or medical condition. Although nursing homes generally require criminal background checks for their employees, some employees and volunteers are not subject to such screening. Furthermore, this Legislature also finds that nursing home operators are not required to screen their residents/patients or, if they have knowledge that a registered sex offender is residing in their facility, they are not required to notify other residents of this fact.

Title M. Hal Doliner Silver Alert

Section	8-132.1	Legislative Intent
	8-132.2	Definitions
	8-132.3	Procedures
	8-132.4	Severability

§ 8-132.0 **Short Title.** This law shall be known as the “Hal Doliner Silver Alert.”

§ 8-132.1 **Legislative intent.** This Legislature finds senior citizens and other individuals afflicted with Alzheimer’s disease, dementia and other cognitive disorders are at an increased risk of wandering away from their loved ones and/or caretakers.

The Legislature further finds that seniors and other individuals suffering from these disorders are at an increased risk of harm or abuse when they wander from their caretakers’ supervision, with this risk increasing exponentially the longer they remain missing. Hal Doliner a long time resident of Port Washington died in an automobile accident on March 22, 2008, as a consequence of Alzheimer’s disease and in April of 2009, Vincent Frodella, an 80 year old resident of Carle Place, who suffered from Alzheimer’s disease, wandered from his home and was struck and killed on the Meadowbrook Parkway. According to records kept at the Nassau County Department of Senior Citizens Affairs there are approximately 25,347 senior citizens in Nassau County that are afflicted with Alzheimer’s disease, dementia and other cognitive disorders.

Therefore, the primary purpose of this law is to establish a Silver Alert System, similar in nature to the Amber Alert System that will provide a rapid dissemination of information regarding missing senior citizens and other individuals suffering from Alzheimer’s disease, dementia and other cognitive disorders to the public in an effort to expedite the search and safe recovery of these individuals.

§ 8-132.2 **Definitions.** As used in this title:

“Police Department” shall mean the Nassau County Police Department and its members, agents and officers employed by such department.

“Sliver Alert System” shall mean a system that will provide the rapid dissemination of information regarding missing senior citizens and other

VIII. Department of Police

individuals suffering from Alzheimer's disease, dementia and other cognitive disorders.

§ 8-132.3 **Procedures.**

- (a) The Police Department shall establish a Silver Alert System, develop guidelines and set up procedures for issuing a Silver Alert and maintain a database of media, organizations and other outlets to be contacted when a senior citizen or other individual suffering from Alzheimer's disease, dementia or other cognitive disorders is reported missing.
- (b) The Police Department will work jointly with the various cities, towns, villages and other police departments within Nassau County to rapidly disseminate information regarding missing senior citizens and other individuals suffering from Alzheimer's disease, dementia or other cognitive disorders.
- (c) The Police Department will issue a Silver Alert, unless it is deemed inappropriate due to the particular circumstances, each time a senior citizen or other individual suffering from Alzheimer's disease, dementia or other cognitive disorders is reported missing to the Police Department.
- (d) The Silver Alert distributed to the public shall contain the following information:
 - i. The missing individual's name;
 - ii. The missing individual's age;
 - iii. A physical description of the missing individual, including, if known, a description of the clothing the individual was last seen wearing;
 - iv. The last location where the missing individual was seen; and
 - v. The description of any motor vehicle the missing individual may be driving and the direction in which it was last seen traveling.

§ 8-132.4. **Severability.** If any clause, sentence, paragraph, subdivision, section or part of this local law or the application thereof to any person, individual, corporation, firm, partnership, entity or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, effect or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law or in its application to the person, individual, corporation, firm, partnership, entity or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

TITLE F. CHARITABLE MEDICAL CARE

Section	9-23.0	Legislative Intent.
	9-23.1	Definitions.
	9-23.2	Reporting to the Department of Health.
	9-23.3	Notification
	9-23.4	Authority to Adopt Rules and Regulation.
	9-23.5	Hospital Noncompliance.
	9-23.6	Severability
	9-23.7	Annual Report

§ 9-23.0 **Legislative intent.** Nassau County Legislature recognizes the importance of providing charity medical care to indigent persons who would otherwise be left untreated. The Legislature further finds that it is the responsibility of all hospitals within the County to provide proper medical treatment to indigent persons. Many of these hospitals are not for profit and have the obligation to provide charity care in exchange for favorable tax treatment by the government.

The Legislature finds, therefore, that it is essential for the Nassau County Department of Health to evaluate, on an ongoing basis, the need for charity

IX Health Department

care in the County and the level of care that is being provided to indigent persons by hospitals within Nassau County. In order for the County to be able to evaluate this care, the County needs information from hospitals with regard to their policies on the availability, access, procedures and criteria for providing charity care. The County further needs information concerning the amount of charity care provided to indigent persons by each hospital in order to better fashion an appropriate response to unmet needs for charity care, including the recommendation of budgetary, regulatory or other action at the local, state and federal levels.

To maximize the access to charity care within the community and to enhance the health of the public by informing individuals of the availability of charity care, it shall be the policy of the County of Nassau that each hospital provide notice to every patient of its charity care policy. Such notice shall include visually prominent multilingual postings explaining the hospital's policy on charity care. It shall also be the policy of the County of Nassau to encourage hospitals, when practicable, to notify patients verbally at the time of admission about the availability of charity care and the process for applying or qualifying for such care.

TITLE G TANNING FACILITIES

Section	9-24.0	Short Title.

	9-24.2	Definitions
	9-24.4	Applicability
	9-24.5	Operating Regulations
	9-24.6	Protective Eyewear
	9-24.7	Posted Warning and Disclosure Required
	9-24.8	Parental Consent Required
	9-24.9	Records Required
	9-24.10	Penalties
	9-24.11	Rules

§ 9-24.0 **Short Title.** This law shall be known as the “Colette Coyne skin cancer prevention act.”

§ 9-24.1 **Legislative intent.** This Legislature finds that many physicians and scientists now warn that the risks associated with sun-tanning are greater when tanning with artificial ultraviolet light. These risks include, but are not limited to, sunburn, premature aging, skin cancer, retinal damage, formation of cataracts, suppression of the immune system, and damage to the vascular system. Certain medications, cosmetics, and foods are “photosensitizing,” which means that in some people they react unfavorably with ultraviolet light to produce skin rashes or burns. Sunlamps and other artificial sources of ultraviolet light are known to intensify these effects. The Legislature finds, therefore, that a local law is necessary in order to protect and promote the public health, safety and welfare of those persons who use tanning facilities in Nassau County.

§ 9-24.2 **Definitions.** As used in this title, the following terms shall have the following meanings:

“Operator” shall mean a person designated by the tanning facility owner or tanning equipment lessee to operate, or to assist and instruct the customer in the operation and use of, the tanning facility or tanning equipment.

“Customer” shall mean any individual who enters a tanning facility for the purpose of using an ultraviolet radiation device.

“Tanning facility” shall mean any location, place, area, structure, or business which provides persons access to any tanning equipment, including, but not limited to, tanning salons, health clubs, apartments, or condominiums regardless of whether a fee is charged for access to the tanning equipment.

“Tanning equipment” shall mean any device that emits electromagnetic radiation with wavelengths in the air between two hundred to four hundred nanometers used for tanning of the skin, including, but not limited to, a sunlamp, tanning booth, or tanning bed.

“Commissioner” shall mean the Commissioner of the Nassau County Department of Health.

“Person” shall mean an individual, corporation, partnership, joint venture, or any business entity.

[Editor’s Note: There is no §9-24.3]

§ 9-24.4 **Applicability.** This title shall apply to any tanning facility in Nassau County; provided, however, that it shall not apply to any physician duly licensed to practice medicine who uses, in the practice of medicine, medical diagnostic and therapeutic equipment that emits ultraviolet radiation or any person who owns tanning equipment exclusively for personal, noncommercial use.

§ 9-24.5 **Operating regulations.**

1. A tanning facility shall have an operator present during operating hours who is sufficiently knowledgeable in the correct operation of the tanning equipment used at the facility so that he or she is able to inform and assist each customer in the proper use of such tanning equipment.
2. The tanning facility operator shall:
 - (a) instruct each customer on:

IX Health Department

- (1) the proper position to maintain relative to the tanning equipment;
 - (2) the position of the safety railing, where applicable;
 - (3) the manual switching device to terminate radiation; and
 - (4) the maximum time of exposure permitted by the tanning facility;
- (b) monitor the use of the facility to ensure that the interior temperature does not exceed one hundred degrees Fahrenheit;
- (c) comply with sanitizing procedures specified by the manufacturer of the tanning equipment between users; and
- (d) Show each customer how to use suitable physical aids, such as handrails and markings on the floor, to maintain proper exposure distance as recommended by the manufacturer of the tanning equipment.

§ 9-24.6 **Protective Eyewear.**

1. A tanning facility shall provide to each customer, at no extra charge, protective eyewear for use with the tanning equipment which meet the requirements of Code of Federal Regulations, Title 21, Part 1040.20 (c)(4).
2. A tanning facility shall not permit any customer to use such facility's tanning equipment without wearing the protective eyewear required by this section.

§ 9-24.7 **Posted warning and disclosure required.**

1. A tanning facility shall post a warning sign at the front or main entrance to such facility and within three feet of each tanning station within such facility. Such sign shall be clearly visible and legible so that it can be easily viewed by customers, having dimensions not less than seventeen inches by twenty-two inches, and shall read as follows:

Danger – Indoor tanning can be hazardous to your health and may cause skin cancer and long term eye damage as well as other eye and skin damage. Indoor tanning has no known health benefits. Exposure to either UVA or UVB rays can cause damage to the skin and eyes. You must wear protective eyewear. Medications or cosmetics may increase your sensitivity to the ultraviolet radiation. Consult a physician before using sunlamp or tanning equipment if you are using medications or have a

history of skin problems or believe yourself to be especially sensitive to sunlight.

2. A tanning facility shall provide to each customer, upon his or her first visit to such facility, the following written warning, which shall be signed, witnessed and dated prior to the use of any tanning equipment at such facility and thereafter kept on file by such facility:

Danger - ultraviolet radiation warning

- Follow instructions.**

Such consent shall consist of the parent or legal guardian signing and dating the warning statement required under § 9-24.7 of this title.
2. No tanning facility shall permit a person under the age of sixteen to use such facility unless such person is accompanied by a parent or legal guardian.

§ 11-16.0 Determination of manner of acquisition and of portion of cost to be born by property benefited.

- a. The Board shall determine whether the compensation to be made to the owners of the real property to be acquired shall be ascertained by the supreme court, without a jury, or by three commissioners of estimate, to be appointed either by the supreme court or by the County court as the Board shall determine.
- b. The Board may also determine and direct in accordance with rules adopted by it, that the whole or a specified portion of the cost of the acquisition shall be borne by the real property benefited thereby.
- c. The Board may authorize two or more highways or portions thereof, to be included in one acquisition.
- d. The Board shall specify the duration of any easement being acquired.

§ 11-17.0 Determination of the portion of the cost and expense of acquisition to be borne by the County and by the real property benefited.

- a. Whenever real property is being acquired for the purposes set forth in section 11-15.0 of the code, the Board of Supervisors may determine that all or a portion of the cost of such acquisition shall be borne by the real property benefited thereby, and it may also determine that all or a corresponding portion of the expense of the acquisition shall be borne by

the real property deemed by such board to be so benefited.

- b. The Board may also determine in any such acquisition that all or a portion of the expense of the office of the County Attorney incurred by reason of the provisions of this title and the expense incurred by the Department of Public Works in the preparation of any rule, damage and benefit and tax maps required by such provisions, shall be borne by the real property deemed by such board to be benefited thereby.
- c. The determination of such board as to placing all or a portion of the cost and expense upon the real property deemed benefited by such improvement may, after it shall have been made and announced, be reopened and reconsidered and a change of such determination or decision made as to the portion of the cost and expense of the acquisition to be borne and paid by the real property benefited, at any time before the entry of the final decree of the court as to the assessments, or before the final confirmation of the report of the Commissioner of Assessment appointed in the acquisition, as the case may be. Such portion may be reduced but not increased. In such event, such board shall cause to be published, once each week for two consecutive weeks in the official newspapers of the County, a notice that it proposes to reopen and reconsider such determination or decision and that at a time and place specified in the notice, which time shall be not less than ten days after the first publication of such notice, the Board will hold a hearing in respect to a reopening and reconsideration of its former determination or decision, at which time it will afford a reasonable opportunity to all interested persons to be heard.

§ 11-18.0 **Sum to be equally and proportionately assessed.** The portion of the cost of the acquisition and of the expenses thereof, which the Board of Supervisors shall have directed to be borne by the real property benefited, shall be assessed by the court or by the Commissioner of Assessment, as the case may be, equally and proportionately, so far as the same may be practicable, upon the real property which such board shall deem benefited by such acquisition. Such assessment shall be a lien and charge on the real property specified in the final decree of the court or in the report of the Commissioner of Assessment, as the case may be, from the date of the entry of such decree or of the order confirming such report and shall be collected by the County Treasurer in the manner provided by law for the collection of delinquent taxes. Nothing herein contained shall affect any agreement between landlord and tenant or other contracting parties respecting the payment of such assessment.

§ 11-19.0 **Reapportionment of the cost and expense of acquisition to be borne by the County and by the real property benefited.**

- a. Notwithstanding the provisions of section 11-17.0 of the code, the Board

of Supervisors, by the concurrence of two-thirds of the voting strength of such board, within five years after the date of the final confirmation of assessments for an assessable improvement, may authorize a reapportionment of the cost, or of the cost and expense of such improvement, as fixed and determined in the resolution or ordinance authorizing the institution of the acquisition therefore. Such reapportionment may reduce, but shall not increase the portion of such cost, or of such cost and expense, to be borne by the real property assessed for benefit in such improvement. All such assessments shall be proportionately reduced to conform to such reapportionment.

- b. The Board shall give notice, in the manner provided in subdivision c of section 11-170 of the code, whenever it proposes to consider the advisability of such reapportionment.
- c. All persons who are entitled to a refund from the County by reason of such reapportionment shall make demand therefore, in writing, upon the County Treasurer within one year from the date of the resolution or ordinance authorizing the reapportionment. Failure to make such timely demand shall constitute a waiver of such refund.
- d. No interest shall be paid on any refund due as a result of a reapportionment provided for by this section.

§ 11-20.0 Adoption of area of assessment.

- a. Whenever the Board of Supervisors shall have determined that the cost and expense of the acquisition or of a portion thereof, shall be borne by the real property benefited thereby, it shall, when directing the institution of the acquisition, or at any time before the entry of the final decree, if the acquisition be before the supreme court without a jury, or before the date of the entry of the order confirming their report, if the acquisition be before commissioners of estimate, fix and determine upon an area or areas of assessment for benefit. The Board may review and alter such area of assessment at any time before the entry of the final decree of the court as to assessments or the entry of the order of the court confirming the report of the Commissioner of Assessment, as the case may be.
- b. The Board may also divide the area or areas of assessment or partial or separate areas of assessment determined upon by it into zones or sub-areas of benefit and may direct what proportion in percentage of the cost and expense of the acquisition shall be made a charge upon and shall be distributed by the court, or by the Commissioner of Assessment, as the case may be, over and upon such zones or sub-areas of benefit in proportion to the benefit received.

- c. When the Board proposes to fix an area of assessment or zone or sub-areas of benefit, it shall give notice in the manner provided in subdivision c of section 11-17.0 of the code, of the proposed area of assessment for each assessable improvement, and of the proposed zones or sub-areas of benefit contained within the entire area of assessment and of the proposed proportion in percentage of the cost and expense of the acquisition, which it may direct to be distributed within such zones or sub-areas, and of the time and place of a hearing thereon. Such notice may set forth and describe the proposed area of assessment and the zones and sub-areas thereof and the respective percentages of the cost and expense to be borne by such zones and sub-areas by a general description of the boundaries or by a diagram which shall show the same with reference to the acquisition. In accordance with such notice a hearing shall be held at which the Board shall hear all interested persons. A hearing shall be had and similar notice shall be given in the event of a proposed revision or alteration of the area or sub-area of assessment theretofore fixed by such board, or of the partial or separate areas or zones or sub-areas theretofore fixed by it, or of the percentages which it may have directed to be distributed, levied and raised upon such areas.
- d. The Board shall establish uniform rules for the determination of areas and zones or sub areas of benefit and of the proportion of the cost of an acquisition to be distributed therein.

§ 11-21.0 Acquisition of real property in villages and cities; appropriation of moneys therefor.

- b. If any real property being acquired in an assessable improvement lies within a municipality, the cost of the acquisition of such real property shall be estimated by the Commissioner of Public Works, who shall include in his estimate the cost of such real property and the expense necessarily incident to the acquisition thereof.
- c.
 - 1. The governing board of such municipality may, by contract with the County, provide, that the cost and expense of such acquisition, or any part thereof, shall be paid in whole or in part by such municipality, or may provide that a sum of money specified in such contract shall be paid by the municipality on account of such cost and expense, and in

either event shall appropriate the money necessary for such purpose.

2. If such contract and appropriation be made by a city, the moneys therefor may be raised by taxation or by the issuance of obligations pursuant to the local finance law.
 3. If such contract and appropriation be made by a village, the moneys therefor maybe raised by taxation or by the issuance of obligations pursuant to the local finance law.
 4. The purposes for which such contract and appropriations may be made and such moneys raised, as provided in this subdivision, are hereby declared to be city and village purposes, as the case may be. (Subd. c amended by L. 1943 Ch. 710 § 111 as last amended by L. 1945 Ch. 338, in effect September 2, 1945.)⁴⁰
- d. After the contract has been entered into between the municipality and the County, the Board of Supervisors may determine to proceed with the proposed acquisition in such municipality. In such event, the County shall provide for the payment of the cost and expense thereof, other than that appropriated by such municipality, in accordance with the provisions of this title and of such contract.
 - e. Thereafter, the County Treasurer shall prepare and deliver to the treasurer or similar officer of such municipality, from time to time, as the moneys appropriated by such municipality may be required, his certificate stating the amounts required and the date or dates when payment thereof is to be made, and the treasurer or similar officer shall, out of money so appropriated, pay over to the County Treasurer the sums of money set forth in such certificate on the dates therein specified. The County Treasurer shall deposit such moneys to the credit of the land acquisition fund and shall disburse the same in accordance with the provisions of this title for the purposes named in the resolution of the governing board by which such moneys were appropriated. The County Treasurer shall, within sixty days after the entry of the final decree of the court, or the entry of the order confirming the report of the Commissioners of estimate, as the case may be, or within thirty days after the demand in writing by the governing board, render to such board an itemized account of the disposition of such moneys received by him.
 - f. Nothing in this section contained shall be deemed to alter or impair the right of the County to acquire real property in a municipality in accordance with the other provisions of this article.

⁴⁰ Amendment required by Local Finance Law § 10.00, 11.00, 21.00, 23.00, 28.00 and 30.00.

§ 11-22.0 Acquisition map; preparation and filing of.

- a. Before an acquisition is commenced the Board of Supervisors shall cause to be prepared a map of the real property affected thereby, distinctly indicating thereon the several parcels to be acquired. In all cases the parcels and lots shall be designated on the map by the same description as shall be used to designate such real property on the County tax map and land value map if available. The map shall indicate the names of the last known owners of such parcels, as recorded in the block indices of the County Clerk; and the dimensions and bounds of each such parcel. The map shall also indicate all the real property which adjoins the parcel being acquired and is in the same ownership. A certified copy of the ordinance or resolution authorizing the preparation of the map shall be filed forthwith in the office of the County Clerk.
- b. Such map shall be filed in the office of the Department of Public Works. Thereupon, the Board of Supervisors shall cause to be published three times in the official newspapers of the County a notice of the filing of such map, and that at a time and place specified in the notice, which time shall be not less than twenty days from the day of the first publication of such notices the Board will hold a hearing in respect to such map, at which time it will afford a reasonable opportunity to all interested persons to make objections thereto or suggest changes therein. The clerk of the Board of Supervisors shall transmit such notice by ordinary mail to the owner as shown on such map at least ten days prior to said hearing. The failure of such owner to receive notice as required by the section shall not invalidate the proceeding or impair any title acquired pursuant to this article.
(Subds. a and b amended by Local Law No. 10, 1967, in effect June 19, 1967.)
- c. After such hearing, the Board of Supervisors may modify such map and, by ordinance or resolution, shall adopt the same with modification or without change. A certified copy of such ordinance or resolution and a copy of such map as adopted shall be filed forthwith in the office of the County Clerk.
- d. The Board of Supervisors, its agents, engineers, surveyors, appraisers and such other persons as may be necessary to enable it to perform its duties under this title, are hereby authorized to enter upon any real property for the purpose of making surveys, appraisals, examinations or investigations and of preparing maps, and for such other purposes as may be necessary in the performance of its duties under this title.

The County Attorney shall furnish the court or the Commissioners of Estimate and the Commissioner of Assessment, as the case may be, such necessary clerks and other employees as may be required, and shall provide such suitable offices for the Commissioners, clerks and other employees as may be required to enable the court or commissioners, as the case may be, to fully and satisfactorily discharge the duties imposed by law. All necessary expenses and disbursements which the County, the Commissioner of Public Works of the County and the County Attorney, on behalf of the County, shall incur under the provisions of this title including expenses of title examination, shall be paid by the County Treasurer out of the land acquisition fund or the works or facilities fund as the case may be, and if provided by the Board of Supervisors, the salaries of the employees of the Department of Public Works of the County engaged in the preparation of maps, surveys and diagrams pursuant to section 11-24.0 of the code shall also be paid out of such fund. Such sums, paid or payable out of the appropriate fund, shall be included in, and taxed by, the court, upon due proof of services rendered and disbursements charged, as part of the necessary costs and expenses of the acquisition. An amount estimated to be sufficient to cover the legally taxable costs, charges, expenses and disbursements of such Department of Public Works or of the County Attorney or of the County, which are necessary to be incurred in an acquisition, between the date to which the final bill of costs shall be made up and the date of the entry of the final decree of the court or of the order confirming the report of the Commissioners, as the case may be, shall be taxed by the court.

§ 11-26.0 Expenses to be certified to County Attorney; inclusion in assessments. the preparation of tentative and final decrees and reports shall be certified by the County Attorney. The whole of the expenses of the County, the County Attorney and such Commissioner of Public Works incurred by reason of the acquisition, or such part of such expenses as the Board of Supervisors shall determine, shall be included in the assessment for benefit after the same shall have been taxed by the court.

§ 11-27.0 Notice of application to condemn where acquisition is before supreme court without a jury. Whenever the Board of Supervisors shall have determined that the compensation to be made to the owners of the real property being acquired shall be ascertained by the supreme court without a jury, the County Attorney shall institute an acquisition, and shall give notice by advertisement published once in each week for two consecutive weeks in the official newspapers of the County, and by causing copies of such notice in the form of handbills to be posted for the same period in three conspicuous places upon or near such real property, and mail said notice by ordinary mail to the address of the last known owner of record, that he intends to make application to condemn to the supreme court at a time and place specified in such notice. Such notice shall indicate the real property to be taken by reference to the maps on file in the office of the County Clerk. In the case of an assessable improvement, such notice shall also refer to the area of assessment as fixed by the Board. Such area of assessment may be described in such notice by means of a map or diagram instead of by metes and bounds.
(Amended by Local Law No. 3-1963, in effect March 9, 1963.)

§ 11-28.0 Presentation of petition. The County Attorney shall present to the court a petition, signed and verified by him, setting forth:

A prayer that the compensation to be made to the respective owners of the real property being acquired be ascertained and determined by the court without a jury, and in a proper case that the cost of such acquisition, or such portion thereof as the Board shall direct, be assessed by the court upon such real property as may have been deemed by such board to be benefited thereby, in accordance with the area of assessment as fixed by such board.

(Amended by L. 1948 Ch. 184, in effect March 10, 1948.)

§ 11-29.0 Order granting application to condemn. At the time and place

mentioned in such notice, unless the court shall adjourn the application to a subsequent day, and in that event at the time and place to which the same may be adjourned, upon due proof to its satisfaction of the publication and posting of the notice referred to in section 11-27.0 of the code, and upon the filing of such petition, the court shall enter an order granting the application. Such order shall be filed in the office of the County Clerk.

§ 11-30.0 Acquisition before supreme court without a jury; claims by property owners; notice; filing. Thereupon, the County Attorney shall cause to be published in the official newspapers of the County, once a week for two consecutive weeks, a notice containing a general description of the real property being acquired and a statement that the order granting the application to condemn has been filed and requiring that all owners of such property, on or before a date therein specified, shall individually file with the County Clerk a written claim or demand, duly verified in the manner required by law for the verification of pleadings in an action, setting forth the real property owned by such claimant, by reference to the map in the proceeding on file in the office of the County Clerk, and his post office address, together with an inventory or itemized statement of the fixtures, if any, for which compensation is claimed. In case such claim or demand for compensation in respect to any fixtures is made by a lessee or tenant of the real property being acquired, a copy of the verified claim or demand of such lessee or tenant, together with such inventory or itemized statement, shall be served upon the owner of such real property or upon his attorney. The claimant, or his attorney on or before the date specified in the published notice shall serve on the County Attorney a copy of such verified claim or demand.

§ 11-31.0 Acquisition before supreme court without a jury; proof of ownership. The proof of title to the real property being acquired, in all cases where the same is undisputed together with proof of liens or encumbrances thereon, shall be submitted by the claimant to the County Attorney, or to such assistant as he shall designate. The County Attorney shall serve upon all parties or their attorneys, who have served upon him a copy of their verified claims, a notice of the time and place at which he will receive such proofs. If the title of the claimant be disputed, the court shall determine the ownership of such real property upon the proofs submitted to the court during the trial. In addition, the court shall have power to determine all questions of title incident to the acquisition.

§ 11-32.0 Examination before trial of party or witness. An acquisition shall be deemed a special proceeding, in which testimony may be taken by deposition pursuant to the provisions of article twenty-nine of the Civil Practice Act and the Rules of Civil Practice and subject to the provisions of this section. The pendency of such an acquisition shall constitute special circumstances which render it proper that the deposition of any person not an owner be taken, pursuant to section two hundred eighty-eight of the Civil Practice Act.

XI County Attorney

Such deposition may be taken upon any question or issue in the acquisition and for the purpose of obtaining testimony as to any sale or lease as described in subdivision a of section 11-35.0 of the code at the instance of the County or of any owner or at the direction of the court at any time after the expiration of the date fixed for filing claims. Any owner desiring to obtain testimony by deposition shall give at least five days' notice or, if service is made through the post office, at least eight days' notice to the County Attorney and to all other owners or their attorneys who have duly filed their verified claims. If the County Attorney shall desire to obtain testimony by deposition he shall give at least five days' notice to all owners or their attorneys who have duly filed and served on him copies of their verified claims. For the purpose of any such examination before trial brought on by an owner and noticed for and held at the office of the County Attorney or at such other place as the County Attorney shall designate, the County Attorney shall at the expense of the County provide proper stenographic service and shall furnish to the owner bringing on such examination a copy of the typewritten transcript of such examination, duly certified by the officer before whom the same was taken. In all other cases, the party bringing on such examination shall at his own cost and expense provide proper stenographic service and shall furnish to the County Attorney two copies of the typewritten transcript of such examination duly certified by the officer before whom it was taken. The deposition of a witness need not be subscribed by him, if such subscription shall be waived by the parties appearing upon his examination. The County Attorney, at the office address subscribed by him upon the papers in the acquisition, shall, from and after the date of his receipt thereof, keep on file, available for inspection by all parties to the acquisition and by any owner of property within the area of assessment, if any, a certified copy of each such deposition in the acquisition.

§ 11-33.0 Note of Issue.

- a. After all parties who have filed verified claims, as provided in section 11-30.0 of the code, have proved their title or have failed to do so after being notified by the County Attorney of the time and place when and where such proof of title would be received by him, the County Attorney shall serve upon all parties or their attorneys who have appeared in the acquisition a note of issue thereof, and shall file such note of issue with the clerk of the court.
- b. The note of issue shall be served at least ten days before, and shall be filed at least eight days before, the date designated for trial in such note of issue. It shall briefly state the title of the acquisition, the date and place of the entry of the order granting the application to condemn, the names and addresses of the parties who have filed claims, the names and addresses of their respective attorneys, and a brief statement as to the extent of the real property to be acquired.

- c. The clerk of the court must thereupon enter the acquisition upon the proper calendar according to the date of the entry of the order granting the application to condemn. When a note of issue has been served and filed the acquisition must remain on the calendar until finally disposed of.
- d. All acquisitions shall have preference over all other civil actions and proceedings except those actions specified in section one hundred thirty-nine of the Civil Practice Act.

§ 11-34.0 **View by court.** It shall be the duty of the justice trying any such acquisition, to view the real property being thereby acquired, and if he shall deem a view of the real property in the area of assessment necessary or useful he shall also make such view. Where title to the real property being acquired shall have been vested in the County, and buildings or improvements situated thereon shall have been removed or destroyed by the County, or pursuant to its authority, prior to the trial of the acquisition, and whereby the justice trying the acquisition is deprived of a view of the buildings or improvements so removed or destroyed, the fact that the justice has not had a view thereof shall not preclude the court from receiving at such trial testimony and evidence as to the damages sustained by the claimant by reason of the taking thereof, when offered on behalf of either the claimant or the County.

§ 11-35.0 **Trial of acquisition: evidence.**

- a. Upon the trial, evidence of the price and other terms upon any sale, or of the rent reserved and other terms upon any lease, relating to any of the real property taken or to be taken or to any other property in the vicinity thereof, shall be relevant, material and competent, upon the issue of value or damage and shall be admissible on direct examination, if the court shall find the following:
 - 1. That such sale or lease was made within a reasonable time of the vesting of title in the County;
 - 2. That it was freely made in good faith in the ordinary course of business; and
 - 3. In case such sale or lease relates to other than property taken, that it relates to property which is similar to the property taken or to be taken.

No such evidence, however, shall be admissible as to any sale or lease, which shall not have been the subject of an examination before trial, either at the instance of the County or of an owner, unless at least twenty days before the trial the attorney for the party proposing to offer such evidence shall have

served a written notice in respect to such sale or lease, which notice shall specify the names and addresses of the parties to the sale or lease, the date of making the same, the location of the premises, the office, liber and page of the record of the same, if recorded, and the purchase price or rent reserved and other material terms, or unless such sale or lease shall have occurred within twenty days before the trial. Such notice by the County Attorney shall be served upon all owners or their attorneys who have appeared in the acquisition, or, if served on behalf of the owner, shall be served upon the County Attorney and upon all other owners or their attorneys who have appeared in the acquisition. The testimony of a witness as to his opinion or estimate of value or damage shall be incompetent, if it shall appear that such opinion or estimate is based upon a sale or lease of any of the property taken or to be taken or of any of the property in the vicinity thereof, which shall not have been the subject of an examination before trial, unless it shall have been specified in a notice served as aforesaid or shall have occurred within twenty days before the trial.

- b. Upon the trial, no map or plan of proposed streets, drains or sewers for the subdivision and improvement of any property, nor any drawing or other specification of excavation or filling or piling or of any proposed structure above or underground deemed necessary or proper to provide a foundation for a suitable or adequate improvement, or of any other structure or improvement not existing on the property on the date that title thereto may vest in the County, nor any oral or written estimate of the cost or expense of constructing the streets, drains or sewers in conformity with such map or plan, nor any oral or written estimate of the cost of making such excavation or filling or piling or of constructing any such other proposed structure or improvement in conformity with such drawing or other specification thereof, nor any evidence of value or damage based upon any of the foregoing, shall be received in evidence, unless the party offering the same in evidence shall have served upon the adverse party, at least thirty days prior to the trial, a notice of intention to offer such evidence on the trial and of the particulars thereof, including a true copy of the map or plan or drawing and other specifications and the estimate of cost or expense to be so offered in evidence. However, when offered, such evidence shall be subject to objection upon any legal ground.
- c. Upon the trial, no evidence shall be admitted as against an owner of real property being acquired, of an offer made by or on behalf of such owner, for:
 - 1. The sale of his property, or any part thereof, to the County.
 - 2. The sale or assignment of any right or title to the award or awards, or any part thereof, to be made for such property, or any part thereof.

3. The settlement of the compensation to be paid such owner by the County for such property, or any part thereof.
- d. Upon such trial, no evidence shall be admitted, as against the County, of any offer made to such owner, by or on its behalf, for:
 1. The purchase of such property, or any part thereof, by the County.
 2. The purchase of any right or title to the award or awards, or any part thereof, to be made for such property, or any part thereof.
 3. The settlement of the compensation to be paid such owner by the County for such property, or any part thereof.

§ 11-36.0 Tentative awards and assessments.

- a. The court, after hearing such testimony and considering such proofs as may be offered, shall ascertain and estimate the compensation which should justly be made by the County to the respective owners of the real property being acquired and, in addition thereto, in the case of an assessable improvement proceeding, shall make a just and equitable estimate of the assessment of the value of the benefit and advantage of such improvement to the respective owners of the real property within the area of assessment. The court shall instruct the County Attorney to prepare separate tabular abstracts of the estimate of damage and, in a proper case, of the estimate of assessments for benefit.
- b. The County Board of Assessors shall furnish to the County Attorney duplicate sets of the tax map of the County, relating to the real property being acquired or assessed in the acquisition if available, for filing and for convenience of reference in the tabular abstract of estimated assessments. The County Clerk shall furnish to the County Attorney block and lot maps relating to such real property and shall furnish information necessary to keep the maps furnished as accurate as practicable.

§ 11-37.0 Tentative decree; contents; where filed.

- a. The tabular abstract of the estimated damage, and, in addition thereto, in the case of an assessable improvement, the tabular abstract of the estimated assessments for benefit, respectively, shall set forth separately the amount of loss and damage, and, where necessary, in addition thereto, the amount of benefit and advantage to each and every parcel of real property affected by the proceeding, the names of the respective owners of each and every parcel of real property affected thereby, so far

as the same shall be ascertained, and a sufficient designation or description of the respective lots or parcels of real property acquired and assessed by reference to the numbers of the respective parcels indicated upon the surveys, diagrams, maps or plans which shall be used by the court, or copies thereof, which, together with all of the affidavits and proofs upon which such estimates are based, shall accompany or be attached to such abstracts. The assessment against each parcel owned by the County shall be separately stated therein.

- b. In the case of an assessable improvement, the court shall assess all real property within the area of the assessment adopted by the Board. In proportion to the amount of the benefit received. No parcel of real property shall be assessed more than one-half its full value. Such full value of each parcel assessed shall be set forth in the abstract.
- c. Such tabular abstracts shall be signed by the justice trying the proceeding and filed with the County Clerk. When so filed such abstract or abstracts shall constitute the tentative decree of the court as to awards for damages and as to assessments for benefit, if any.

§ 11-38.0 Notice of filing tentative decree; objections thereto.

- a. Upon the filing of the tentative decree, the County Attorney shall give notice by advertisement in the official newspapers of the County, once a week for two consecutive weeks, that such tentative decree has been filed, that the County and all other parties interested in the acquisition, or in any of the real property affected thereby, having any objection thereto must file such objections, in writing, with the County Clerk within twenty days after the first publication of such notice, and that the County Attorney on a date specified in such notice, will apply to the justice who made the tentative decree to fix a time when he will hear the parties so objecting. Such notice shall also provide that the objections be duly verified in the manner required by law for the verification of pleadings in actions and setting forth the real property owned by the objector and his post office address. The objector shall within the same time serve on the County Attorney a copy of the objections filed by him. Upon such application the justice shall fix the time when he will hear the parties. Similar notice shall be given of the filing of any new, supplemental or amended tentative decree and for the filing of objections thereto. All notices required by this section shall also be given to the attorneys of record in the acquisition.
- b. At the time fixed, the justice shall hear the person or persons who have objected to the tentative decree, or to the new, supplemental or amended tentative decree, and who may then and there appear, and shall have power to adjourn from time to time until all parties who have filed

objections and who desire to be heard shall have been fully heard.

- c. After the filing of the tentative decree or of any new or supplemental or amended tentative decree, no award for damages shall be diminished nor any assessment for benefit increased without notice to the owner of the real property affected or his attorney appearing in the acquisition and an opportunity given for a hearing in regard thereto before signing the final decree.
- d. Notwithstanding any other provision of this section to the contrary, in the event that any individual parcel or parcels in a proceeding on the trial calendar of the supreme court is settled by the claimant or his attorney and the County Attorney, either at or prior to trial, and a stipulation of settlement is entered on the record of the court, the provisions of this section shall be waived providing no other parties are adversely affected and a final decree prepared pursuant to section 11-40.0 of the code shall be filed in the office of the County Clerk.

§ 11-46.0 **Hearing before commissioners; notice.** The Commissioners of estimate shall fix a day when they will meet, at a place furnished by the County Attorney, for the purpose of hearing the parties claiming an interest in the damages to be awarded by reason of the acquisition. Such full value of each parcel assessed shall be set forth in such abstract.
- b. Such report, together with the minutes of the proceedings of the Commissioners, and of the affidavits and proofs used by them in making their abstracts, shall be filed in the office of the County Clerk.

Such notice shall also provide that the objections shall be duly verified in the manner required by law for the verification of pleadings In actions setting forth the real property owned by the objector and his post office address. Similar notice shall be given of any new, supplemental or amended report, and for the filing of objections thereto. All notices required by this section shall be given to the attorneys of record in the acquisition.
- b. At the time and place named in such notice, the Commissioners shall hear the person or persons who have objected to such report, or to the new, supplemental or amended report, and who may then appear, and shall have power to adjourn from time to time until all parties who have filed objections and desire to be heard shall have been fully heard.
- c. After the filing of the tentative report, or of any new, supplemental or amended report, no award for damages shall be diminished nor any assessment for benefit increased, unless the person or persons affected by such diminution or increase, as the case may be, or their attorneys, shall have had notice thereof and opportunity of being heard by the Commissioners before their report shall be presented to the court for confirmation.

§ 11-51.0 Correction of errors; change, of ownership. - c. Upon such motion, the court may confirm the report, or may set it aside for irregularity or other error of law in the proceedings before the Commissioners, or upon the ground that the award is excessive or insufficient or that the assessment for benefit, if any, was not properly made.
- d. If the report is set aside, the court may direct a rehearing before the same commissioners, or may appoint new commissioners for that purpose, and the proceedings upon such rehearing shall be conducted in

the manner prescribed for the original hearing, and the same proceedings shall be had for the confirmation of the second report as are herein prescribed for the confirmation of the first report.

§11-62.0 Advance payments by County.

- a. Whenever title to the real property being acquired by the County shall have become vested, the Board of Supervisors may authorize the County Treasurer to pay to the person entitled to an award for such real property a sum to be determined by the Board of Supervisors in advance of the final determination of damages. The sum authorized to be paid under this section as an advance payment shall be one and one-half times the assessed value of the property so taken in such acquisition, but in no event exceeding sixty per centum of the County Attorney in such acquisition, which amount shall be certified to the County Treasurer by the County Attorney. Before any such advance payment shall be made, the County Treasurer shall procure the certificate of the County Attorney showing that the person to whom payment is to be made is the person legally entitled to receive the same. If the Board of Supervisors shall authorize an advance payment under this section interest on the sum authorized to be paid shall cease to run on and after a date five days after such person shall have been notified by mail or otherwise that the treasurer is ready to pay the same.
- b. In case the person entitled to an award at the date of the vesting of title to the real property in the County shall have transferred or assigned his claim, such transfer or assignment made by him, or by his successor in interest or legal representative, shall not become binding upon the County unless the instrument or instruments evidencing such transfer or assignment shall have been executed and filed in the office of the County Treasurer as provided in section 11-66.0 of the code, prior to any such advance payment.
- c. Whenever real property acquired by the County is less than an entire

plot, the Board of Assessors, at the request of the Board of Supervisors or of the County Attorney shall immediately apportion the assessed valuation of such real property.

(Subd. a amended and Subd. c added by Local Law No. 10, 1964, in effect December 10, 1964.)

- d. In case an advance payment shall have been authorized and the person entitled thereto shall have been notified by mail or otherwise that the County Treasurer is ready to make such advance payment, interest on the amount so authorized to be paid in advance from a date five days after notification by such treasurer that he is ready to make such advance payment to the time the person entitled thereto shall accept such advance payment, shall be deducted by such treasurer on paying the awards therefore from such award.

§ 11-63.0 Payment of damage, cost, charges and expenses.

- a. All damages awarded by the court, with interest thereon from the date of vesting title, shall be paid by the County to the respective owners mentioned or referred to in such final decree, or in the report of the Commissioners of estimate, as the case may be, and all costs, charges and expenses which may be taxed shall be paid by the County to the persons and parties in whose favor such costs, charges or expenses shall be taxed. Damages awarded as compensation shall be payable immediately upon the entry of the final decree of the court, or upon the entry of the order confirming the report of the Commissioners of estimate, as the case may be.
- b. Interest shall cease to run:
 - 1. On the sums awarded as damages to known owners ten days after they shall have been notified by the County Attorney that the County Treasurer will pay the amount of the award at his office.
 - 2. On the sums awarded as damages to known owners, in those cases where the County Attorney has not so notified such owners, six months after the date of the filing of the final decree or after the date of the entry of the order confirming the report of the Commissioners of estimate, as the case may be, unless within that time demand therefore, in writing, be served upon the County Treasurer.
 - 3. On the sums awarded as damages to unknown owners or persons under legal disability from the date of the order directing the same to be retained by the County Treasurer or to be paid into court as provided by section 11-64.0 of the code.

XI County Attorney

4. On the sum or sums awarded as damages to an owner who shall have filed notice of appeal from the final decree of the court or from the order confirming the report of the Commissioner of estimate, as the case may be, ten days after notification by the County Attorney that the treasurer will pay the amount of such award at his office. The acceptance by such owner of such award shall not prejudice an appeal to have a greater sum awarded as damages.
- c. Such damages, posts, charges and expenses shall, except in an acquisition for works or facilities, be paid from the land acquisition fund. In the case of an acquisition for works or facilities such damages, costs, charges and expenses shall be paid from the particular account, in the works or facilities fund, for the acquisition of such works or facilities.
- d. The owners to whom an award shall be made in such acquisitions, and the person in whose favor costs and expenses may be taxed, shall not have an action at law against the County for such awards, costs or expenses, but the court in which such acquisitions shall have been had, upon the application of any such owner or person, in case of the failure of the County Treasurer to pay the same, within thirty days after demand therefore, shall by order require and direct such treasurer to pay such awards, costs and expenses from the appropriate fund, and enforce such order in the same manner as other orders of such court are enforced.
(Subd. e, Repealed by L. 1943 Ch. 712, as last amended by L. 1945 Ch. 339, in effect September 2, 1945.)
- e. However, when real property without the boundaries of the County shall have been acquired in the acquisition, such owner or person, in case of the failure of the County Treasurer to pay such sums within thirty days after demand therefore, may sue for and recover the same, with such lawful interest and the costs of suit. In any proper form of action against the County in any court having cognizance thereof, and in which it shall be sufficient to declare generally for so much money due the plaintiff or plaintiffs therein by virtue of the provisions of this title for real property taken for the County purpose or purposes acquired. The final decree of the court or the report of the Commissioners and order confirming such report, and the order or orders taxing such costs, charges and expenses, shall be conclusive evidence in such suit or action, and shall entitle plaintiff or plaintiffs to judgment therein.

§ 11-64.0 Moneys of persons under disability, how disposed of; moneys paid to persons not entitled thereto.

- a. When an owner, in whose favor an award shall have been made pursuant to acquisitions under this title, is under legal disability or unknown, or absent from the County, or when the name of the owner shall not be set

forth or mentioned in the final decree or in the report of the Commissioners of estimate, as the case may be, or when the owner, although named in such decree or report, cannot upon diligent inquiry be found, or where there are adverse or conflicting claims to the money awarded as compensation, the court in which the acquisition is pending, upon the application of the County, or of any persons entitled thereto, or claiming to be interested in the real property for which such awards have been made, or any part thereof, shall direct either that the same be retained by the County Treasurer, or be paid into the court, until the title thereto, or the respective estates and interests of all parties therein shall be determined by the court. Upon such application, the court shall take the proof and testimony of the claimant or person interested in the real property for which such award has been made, or refer the matter to a referee for such purpose.

- b. Payment of an award to a person named in the final decree of the court or the report of the Commissioners, which has been confirmed by the court, as the case may be, as the owner thereof, if not under legal disability shall, in the absence of notice in writing to the County Treasurer of adverse claims thereto, protect the County.
- c. Where an award shall be paid to a person not entitled thereto, the person to whom it ought to have been paid may sue the one to whom the award shall have been paid. The person entitled to the award shall recover the award with lawful interest and costs of suit as so much money had and received.

§ 11-65.0 **Purchase of awards by the County.** In any acquisition, in which title to the real property being acquired therein shall have become vested in the County prior to the entry of the final decree of the court, or of the order confirming the report of the Commissioners, as the case may be, the Board of Supervisors shall have power and is hereby authorized to purchase or to approve the purchase on behalf of the County from the individuals or corporations who were the owners of such real property at the date of vesting of title thereto, or their successors in interest, or legal representatives, their right and title to the award or awards, or any part thereof, to be made in such proceeding and to take an assignment thereof to the County. If such owner or owners or their successors in interest or legal representatives shall have transferred or assigned such claim, such transfer or assignment made by such owner or owners, or by their successors in interest or legal representatives shall not become binding upon the County unless the instrument or instruments evidencing such transfer or assignment shall have been executed and filed in the office of the County Treasurer as provided in section 11-66.0 of the code, prior to the completion of such purchase by the County.

§ 11-66.0 Instruments assigning or pledging awards; notices of lien or claim; filing of.

- a. In case of the pledge, sale, transfer or assignment of an award by the person entitled to receive the same by virtue of the final decree of the court, or the report of the Commissioners, as the case may be, or by other order of the court, the instrument evidencing such pledge, sale, transfer or assignment acknowledged or proved for the recording of transfer of real property, shall be filed in the office of the County Treasurer, who shall indorse on such instrument its number and the hour, day, month and year of its receipt. If an assignment of an award be contained in an instrument recorded in an office in which instruments affecting real property are by law required to be recorded, a certified copy thereof may be filed in the office of the County Treasurer in place of the original. Such instruments or assignments shall be subject to all the provisions of this article.
- b. An index shall be kept in alphabetical order under the name of the pledgor or assignor and also the pledgee or assignee, stating the title of the acquisition, the time of the filing of the instrument, the file number thereof, and the portion of the award assigned thereby. A memorandum of the file number of the instrument shall be made by the County Treasurer on the duplicate decree of the court or the duplicate report of the Commissioners, as the case may be, opposite the place where the amount of the award so assigned is set forth.
- c. Every such instrument not so filed shall be void as against any subsequent pledgee or assignee of the same award or of any portion thereof, who obtained the same in good faith and for a valuable consideration from the same pledgor or assignor, his heirs, administrators or assigns, and the assignment of which is first duly filed in the office of the County Treasurer. Payment to the assignee or pledgee shown to be entitled to the award by such record in the office of the County Treasurer shall protect the County from liability to any other person or persons.
- d. Verified notices of attorneys' liens and any other verified notices of liens or claims against any person to whom an award or sum of money shall be payable as the result of an acquisition shall be filed in the office of the County Treasurer. Such notices shall be filed in the same manner as pledges, sales, transfers, and assignments of awards. Failure to file such liens shall protect the County in its payment of the award to which the lien was attached.

§ 11-67.0 Assessments: set-off, lien.

- a. If an owner to whom an award shall have been made in the final decree of the court as to awards or in the confirmed report of the Commissioners of estimate, as the case may be, also owns real property against which an assessment in the final decree of the court as to assessments for benefit or in the report of the Commissioner of Assessment, as the case may be, shall have been entered for collection in the same acquisition, he may, at any time prior to receiving payment of the award, apply to the County Treasurer to have the award set off against the assessment, and thereupon such set-off shall be made as of the date of entry of the assessment for collection. If the award exceeds the assessment, the County shall be liable for interest only on the amount of such excess, if the assessment exceeds the award, the owner assessed shall be liable for interest on the amount of such excess as if no set-off had been made.
- b. If it shall appear by the final decree of the court as to awards or by the report of the Commissioners of estimate, as the case may be, or otherwise, that a person entitled to an award also owns property against which an assessment in the same acquisition shall have been entered for collection, the County may, without the assent of the person entitled to the award, set off the assessment against the award. Such set-off shall be made by the County in the same manner and have the same effect as if made on the application of the person entitled to the award.
- c. A lien for the amount of any assessment in a proceeding shall attach to any award made in such acquisition provided that such award be made either:
 1. To any person who was the owner of any real property at the time of the commencement of such proceeding, on which real property or any part thereof, an assessment has been levied in the proceeding; or
 2. To anyone who claims by or through such person.

§ 11-68.0 Interest to be charged on assessments if not paid within sixty days. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the "record of assessments confirmed," the County Treasurer shall charge, collect and receive interest thereon at the rate of seven per centum per annum to be calculated to the date of payment from the date when such assessment became a lien as provided by section 11-18.0 of the code.

§ 11-69.0 Payment of assessments in installments.

- a. Upon the application in writing of the owner of a parcel of real property affected by an unpaid assessment for benefit confirmed after the first day of January, nineteen hundred thirty-two, the amount of which exceeds three per centum of the valuation of such parcel, exclusive of improvements thereon, made in the annual assessment for the purpose of taxation in the calendar year next preceding such confirmation, the County Treasurer shall divide the assessment upon such parcel into ten parts as nearly equal as may be. One part thereof in any event shall be due and payable, and in each case as many more of such parts shall be due and payable as years may have elapsed since the entry of such original assessment for collection. Such parts thereof with interest at the rate of seven per centum per annum on the amount of the assessment unpaid, shall be paid within ten days after such division as, a condition of the extension of time of payment of the remainder as provided in this section.
- b. Upon payment of such parts and interest the balance of such assessments shall cease to be a lien upon such real property except as hereinafter provided, and the remaining parts shall be paid in annual installments as herein provided. After the time therein specified for the annual installment and interest to become due, the amount of the lien thereof shall bear interest at the rate of seven per centum per annum. The installments not due, with interest at the rate of five per centum per annum to the date of payment, may be paid at any time.
- c. In the event of the acquisition of any property upon which there are installments not due, such installments shall become due as of the date of the entry of the final decree of the court as to the assessment for benefit, or of the entry of the order confirming the report of the Commissioners in such acquisitions, as the case may be, and shall be set off against any award that may be made for the property acquired.
- d. When an award for damage shall accrue to the same person who is, or who was at the time the assessment was confirmed, liable for the assessment for benefit on the abutting property in the same proceeding, only the portion of the assessment in excess of such award may be considered in levying installments under the provisions of this title.
- e. Except as provided in this section, no such annual installments shall be a lien or deemed to be an encumbrance upon the title to the real property assessed until it becomes due as herein provided.
- f. Upon requisition of the County Treasurer for the assessed valuation of

the real property affected by any assessment, the Board of Assessors of the County shall forthwith certify the same to the County Treasurer.

§ 11-70.0 **Payments on account of assessments.** The County Treasurer shall accept and credit as payments on account of assessments now or hereafter levied against any parcel or plot of real property in an acquisition, such sums of money not less than fifty dollars or multiples thereof in amount as may be tendered for payment on account of any such assessments.

§ 11-71.0 **Vesting of title in county.**

- a. Should the Board of Supervisors at any time deem it for the public interest that the County shall become vested with the title or interest being acquired in fee or otherwise of, to or in all or any, of those parcels of real property, including slope and fill easements, indicated on the map or maps filed pursuant to the provisions of this title and described in the petition, such Board of Supervisors may direct by ordinance or resolution, to become effective upon one week's notice published in the official newspapers of the County, that upon the date of the entry of the order granting the application to condemn, if the application be before the supreme court without a jury, or, upon the date of the filing of the oaths of the Commissioners of estimate, as the case may be, or upon a specified date after either, but not later than the date of filing the final decree of the court, or the entry of the order confirming the report of the Commissioners, as the case may be, the title or interest being acquired shall be vested in the County. A certified copy of such ordinance or resolution and the affidavit of publication shall be filed forthwith in the office of the County Clerk. Such title or interest shall vest in the County for the time and purposes determined by the Board and authorized by this Title.
- b. In all cases, the title or the interest sought to be acquired shall vest in the County upon the filing of the final decree of the court or upon the entry of the order confirming the report of the Commissioners of estimate, as the case may be.
- c. The reversal on appeal of the final decree of the court or of the order of confirmation, as the case may be, shall not divest the County of title to the real property affected by the appeal.
- d. The County, upon becoming vested with the title or interest being acquired, may immediately or at anytime or times thereafter take possession of the same or of any part or parts thereof without any further action or proceeding at law.

(Former subdivision b repealed and former subdivisions c, d, and e relettered b, c, and d by L. 1942 Ch. 586 sections 1 and 2, effective April 30, 1942.)

§ 11-72.0 Effect of vesting on contracts of landlord and tenant or other contracting parties.

- a. Where the whole of any lot or parcel of real property under lease or other contract shall be taken by virtue of this title, all the covenants, contracts and engagements between landlord and tenant or any other contracting parties, respecting the same, or any part thereof, upon the vesting of the title in the County, shall cease and determine and be absolutely discharged.
- b. Where part only of a lot or parcel of real property, so under lease or other contract, shall be so taken, all contracts and engagements respecting the same, upon such vesting of title shall cease, determine and be absolutely discharged as to the part thereof so taken, but shall remain valid and obligatory as to the residue thereof.

§ 11-73.0 Amendments of defects. The court at any time may amend any defect or informality in any notice, petition, pleading, order, report, or decree in a proceeding authorized by this title, or cause real property affected by such defect, informality or lack of jurisdiction to be excluded therefrom, or other real property affected by such defect, informality or lack of jurisdiction to be included therein by amendment, upon ten days' notice, published and posted as provided by this title for the institution of an acquisition and may direct such further notices to be given to any party in interest as it shall deem proper.

§ 11-74.0 Discontinuance of acquisition by Board of Supervisors.

- a. The Board of Supervisors may discontinue any acquisition commenced for the purposes provided for in this title as to the whole or a part of the real property to be acquired in such proceeding, at any time before title to such real property to be thereby acquired shall have vested in the County, and may cause new proceedings to be instituted for the condemnation of such real property. The ordinance or resolution of the Board declaring any such proceeding discontinued shall affect the discontinuance of such proceeding or such part thereof as may be discontinued thereby.
- b. In the event of such discontinuance, the reasonable actual case disbursements, necessarily incurred and made in good faith by any party interested, shall be paid by the County after the same shall have been taxed by the justice or judge of the court in which the proceeding is pending, or by a referee under his special order, provided the application to have such disbursements taxed shall be made and presented to such court within one year after the adoption of the ordinance or resolution of the Board discontinuing the proceeding in whole or in part. The County

Attorney shall be given ten days' notice of the application for such taxation. The amounts taxed as disbursements shall be due and payable thirty days after written demand for payment thereof shall have been filed with the County Treasurer.

§ 11-75.0 Grants to owners abutting certain slope protection easements.

The Board of Supervisors may agree with owners respecting the extent and use of easements for slope protection and may grant to owners of land abutting upon lands acquired by the Board for the purposes set forth in and pursuant to the authority conferred by section 11-9.0 of the code, rights-of-way over and access to lands so acquired upon such terms and for such considerations, as to the Board may seem reasonable and proper.

§ 11-76.0 Pending proceedings. If, at the time this code takes effect, a proceeding instituted by the County for the acquisition of real property shall be pending, and the final decree of the court or the order confirming the report of the Commissioners, has not been filed therein, then such proceeding shall thereafter be conducted to completion in the manner provided by this article.

- b. The provisions in this article relating to the showing and setting forth in petitions or upon maps of assessed valuations of real property to be acquired shall apply only to acquisitions authorized by the Board of Supervisors after the first day of July, nineteen hundred forty.

Article 3

Excess Lands Acquisition Procedure

§ 11-77.0 Definitions. As used in this article, unless otherwise expressly stated, or unless the context or subject matter otherwise requires:

1. The term "project" means the laying out, widening, extending or relocating of a park or highway.
2. The term "excess lands" or "additional lands" or "additional real property" means the real property in addition to the real property needed or required for a project.
3. The term "block" means such extent of a proposed or existing highway affected by a project, as lies between the points at which such highway intersects legally existing highways.

§ 11-78.0 Construction. The provisions of this article shall be construed as supplementing and extending the effect of the provisions of article two of this title so as to provide for the acquisition of title to additional lands in connection with a project. Nothing in this article contained shall be construed as limiting

the effect of the provisions of article two of this title in their application to the acquisition of title to real property required for a project when acquired in an acquisition in which additional lands shall or shall not be acquired nor to the levying of assessments for benefit in such acquisitions, except as the provisions of article two of this title are in this article expressly so limited in their application.

§ 11-79.0 **Power to condemn excess lands.** The County, in acquiring real property for any project, may acquire more real property than is needed for the actual construction of such project. The Board of Supervisors may authorize the County to acquire additional real property in connection with any project, and direct (that the same be acquired with the real property to be acquired for such project. Such additional real property, however, shall be not more than sufficient to form suitable building sites abutting on the project. The title which the County shall acquire to additional real property shall in every case be a fee simple absolute. Additional real property shall be acquired by the County in connection with a highway project only when the title acquired for such project shall be in fee. When the Board of Supervisors shall have authorized the acquisition of title to additional real property in connection with a project, title to such additional real property shall be acquired by the County in the manner and according to the procedure, except in such respects as in this article set forth, provided for the acquisition of title to the real property required for the project and in the same acquisition in which title to the real property required for the project shall be acquired.

§ 11-80.0 **Amendment of acquisition to include or exclude excess lands.** After the institution of an acquisition for a project, the Board of Supervisors may amend such acquisition by authorizing the acquisition of lands additional to those required for the project, provided that title shall not have vested in the County to any parcel of real property being acquired for the project, between legally existing highways, embracing the additional lands sought to be acquired. The Board may also amend any acquisition so as to exclude any or all additional lands being acquired therein, provided title to such additional lands shall not have vested in the County. Thereafter such acquisition shall be conducted in the same manner as if the additional lands included or excluded by the amendment had been included or had not been included in the acquisition at the time of the institution thereof.

§ 11-81.0 **Acquisition maps to be prepared.** When the Board of Supervisors shall authorize the acquisition of additional real property in connection with any project, it shall cause to be prepared and it shall adopt a map showing the real property to be acquired for the project and such additional real property in connection with the real property to be acquired for the project, in the same manner as an acquisition map is caused to be prepared and adopted in an acquisition in which no additional lands are being acquired.

§ 11-82.0 **Petition and notice.** When the Board of Supervisors shall have authorized the acquisition of additional real property in connection with any project, such additional real property shall be separately described in the notice of application to condemn and in the petition presented on any such application, and shall be separately shown on the map attached to the petition and on the acquisition map in the proceeding. Such notice and petition shall state what part of the real property to be condemned is required for the project, and what part thereof is to be acquired as additional real property. The acquisition of such additional real property, when authorized by such board, shall be deemed to be for a public purpose.

§ 11-83.0 **Vesting of title; seizing; possession.**

- a. In an acquisition in which additional real property shall be acquired, the Board of Supervisors may direct that on the date of the entry of the order granting the application to condemn by the supreme court without a jury, or appointing commissioners of estimate, as the case may be, or on a date thereafter, but not later than the date of filing the final decree of the supreme court or of the entry of the order confirming the report of the Commissioners of estimate, as the case may be, specified in the ordinance or resolution of the Board, the title to the whole but not less than the whole of such additional real property to be acquired in the proceeding shall vest in the County. Such ordinance or resolution shall also direct the vesting in such county, simultaneously, of the title to all of the real property being acquired in the acquisition. In a proceeding involving the acquisition of title to additional real property required for a highway, however, the Board shall not be required to vest, at one time, the title to all the additional real property to be acquired, provided that:
 1. In vesting title to parts of such additional real property every such part shall be of at least a block length along the project, and that no fractional portion of a block shall be contained in any such part.
 2. Such board shall also direct that all the real property required for the highway in such block or blocks shall vest in the County simultaneously.
- b. Upon the date of entry of the order granting the application to condemn or appointing commissioners of estimate, as the case may be, or upon such date thereafter, as may be specified by such board, but not later than the date of filing the final decree of the supreme court or of the entry of the order confirming the report of the Commissioners of estimate, as the case may be, the County shall be and become seized in fee simple absolute of such additional real property. In all other cases, except as herein otherwise provided, title in fee simple absolute to such

additional real property as may be acquired in any such proceeding shall vest in the County upon the filing of the final decree of the court or the order confirming the report of the Commissioners of estimate, as the case may be, as to such additional real property. The reversal on appeal of such final decree or order, or of any part thereof, shall not operate to divest the County of title to any of the real property so acquired. In an acquisition in which excess lands shall be acquired, the Board shall not have power to direct the vesting of title in the County to the real property required for the project without also directing the vesting of title in the County, simultaneously, to the excess lands being acquired in such proceeding in connection with the project except that the Board may direct, in the manner provided in subdivision a of this section, shall vest in the County in any block of such highway abutting which no excess lands are taken.

- c. In any proceeding in which excess lands shall be acquired, when title to any part less than the whole of the real property required for the highway in anyone block thereof shall vest in the County, upon and by virtue of the entry of the final decree of the court as to awards or of the order confirming the report of the Commissioners of estimate, as the case may be, title to the remainder of the real property required for the highway in the same block and title to the additional lands to be acquired in the proceeding abutting on such highway in the same block, shall vest in the County simultaneously. The reversal on appeal of such final decree or such order of the court, or of any part thereof, shall not operate to divest the County of title to any of the real property so acquired for the highway in the same block or to the additional lands abutting thereon.
- d. Upon the vesting of title, as in this section provided, to any such additional lands and to lands required for the project, the County, or any person adding under its authority, may immediately, or at any time thereafter, take possession of the additional lands so vested and of the real property required for the project so vested, or any part or parts thereof, without any suit or proceeding at law for that purpose.

§ 11-84.0 Ascertainment of damages where part of parcel is taken for a project and remainder as excess lands.

- a. Where part of a parcel of real property shall be acquired for a project, and the remainder or a portion of the remainder of such parcel in the same ownership shall be acquired in the same proceeding as excess lands, the portion of the damages due to the acquisition of the real property required for the project shall be determined and stated separately from the entire damage due to each such owner. In determining the damages due to the acquisition of so much of such parcel as may be required for the project, the same rule shall be applied

as would govern the determination of damages for the taking of the real property required for such project in case no excess lands were acquired. Where part of a parcel of real property shall be acquired for the project, and the remainder or a portion of the remainder thereof in the same ownership shall be acquired in the same proceeding as excess lands, the damages due to the acquisition of title to the real property required for the project shall, in every case, equal the amount which would be awarded to such owner in case only that part of his real property, which shall be required for the project were acquired.

- b. Nothing in this section contained shall be construed to authorize the award to an owner, part of whose real property is taken for the project, and the remainder or a portion of the remainder of whose property is taken as additional lands, of any greater amount of compensation than such owner would be entitled to by reason of the taking of his real property for the project and as additional lands, considered together as one parcel.

§ 11-85.0 **Sale and lease of acquired excess lands.** After title in the real property required for the project, and to the additional lands, shall have vested in the County, the additional lands may be either held and used by the County or sold or leased. The Board of Supervisors may provide that such additional lands shall be sold or leased subject to such restrictions, covenants or conditions as to location of buildings with reference to the real property acquired for the project, or the height of buildings or structures, or the character of construction and architecture thereof, or such other covenants, conditions or restrictions, as it may deem proper. Such additional lands shall be sold or leased subject to such restrictions, covenants, or conditions, if any, as the Board of Supervisors may have prescribed, which shall be set forth in the instrument of conveyance or lease.

The Executive Director shall act as Secretary of said Commission and perform such other duties as shall be assigned to him or her by the Commission.

§ 21-9.6. **Separability.** If any provision of this title or the application of such provision to any person or circumstance shall be held invalid, the remainder of such title or the application of such provision to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

(Added by Local Law No. 5, 1963, in effect April 8, 1963; amended by Local Law No. 7-2004, in effect June 28, 2004, amended by Local Law no. 9-2006, effective January 1, 2007.)

Title C-1
Open Housing

§ 21-9.7. **Open housing provisions.**

- a. **Policy.** There is no greater danger to the health, morals, safety, and welfare of the County and its residents than the existence of groups and persons antagonistic to each other because of actual or perceived differences of race, creed, color, gender, disability, age, religion, source of income, sexual orientation, familial status, marital status, ethnicity or national origin. Many persons have been compelled to live under substandard, unhealthful, unsanitary, and crowded living conditions because of discrimination and segregation in housing. The Legislature also finds that housing segregation creates economic instability by limiting access to quality education, health care and job opportunities for professionals and skilled workers. It creates pockets of poverty and increases the cost of housing in all neighborhoods. It limits the availability of housing for enterprises whose workforces reflect the efficiencies of diversity, and this limitation reduces the County's capacity for economic development, to the social and economic detriment of the entire County.

The Nassau County Legislature hereby finds and declares that acts of prejudice, intolerance, bigotry, and discrimination which deny a person the opportunity to sell, purchase or lease, rent, or obtain financing for

XXI Titles C, C-1, C-2, C-3
Human Rights

the purchase or lease of housing accommodations because of actual or perceived race, creed, color, gender, disability, age, religion, source of income, sexual orientation, familial status, marital status, ethnicity or national origin threaten the fundamental rights and privileges of the residents of the County of Nassau and undermine the foundations of a free democratic state. The Legislature further declares it to be the public policy of the County of Nassau to eliminate and prevent discrimination and segregation based on actual or perceived race, creed, color, gender, disability, age, religion, source of income, sexual orientation, ethnicity, familial status, marital status or national origin, and to safeguard the right of every person to sell, purchase, lease, rent, or obtain financing for the purchase or lease of housing accommodations without regard to actual or perceived race, creed, color, gender, disability, age, religion, source of income, sexual orientation, ethnicity, familial status, marital status or national origin.

The Nassau County Legislature further declares it to be the public policy of the County of Nassau to require that every department or other agency of the County which may be involved in any public construction program which could involve the removal of persons from their present housing accommodations and their relocation elsewhere, or which endeavor to implement any public or publicly-assisted or public-approved housing or relocation plan, promote the elimination of segregation in housing within the County.

It shall be the duty of all county officers, officials, and employees to exercise appropriate governmental functions relating to the use or occupancy of land, real property, or housing accommodations in such a manner consistent with law that all patterns of racially segregated housing existing in this county be eliminated and that the creation of any such patterns be prevented to the maximum extent that such a result can be achieved by such action.

- b. **Definitions.** The terms defined in section 21-9.2 of this chapter, unless otherwise defined herein, shall have the meanings set forth therein. In addition, the following terms shall have the following meanings:
1. "Agent" means a person with the authority to engage, on behalf of another, in any act associated with the offer, purchase, sale, rental, or occupancy of one or more housing accommodations.

- 8. "Real estate broker," "real estate salesperson," and "associate real estate broker" shall have, respectively, the meanings of "real estate broker," "real estate salesman," and "associate real estate broker" set forth in section four hundred forty of the Real Property Law. Notwithstanding any inconsistent provision, for the purposes of this title, a real estate broker shall be legally responsible for any act of a real estate salesperson or associate real estate broker, provided that:
 - (i) In connection with the offer, purchase, sale, rental, or lease of housing accommodations, the real estate broker has authorized such real estate salesperson or associate real estate broker to act on the broker's behalf and subject to his or her direction, supervision, or control; and

sub-lessee, assignee, or managing agent of, or other person having the right to sell, rent or lease housing accommodations, constructed or to be constructed, or any agent or employee thereof:

- (i) to refuse to sell, rent or lease any housing accommodation to any person or group of persons, or refuse to negotiate for the sale, rental or lease of any housing accommodation to any person or group or persons, because of the actual or perceived protected status of such person or persons, or to represent that any housing accommodation is not available for inspection, sale, rental or lease when in fact it is so available, or to otherwise deny or withhold any housing accommodation or any facilities of any housing accommodation from any person or group of persons because of the actual or perceived protected status of such person or persons;
- (ii) to discriminate against or harass any person in the terms, conditions or privileges of the sale, rental, lease, or occupancy of any such housing accommodations or in the furnishing of facilities or services in connection therewith because of the actual or perceived protected status of such person.
- (iii) to induce or attempt to induce any person to sell or rent any housing accommodation through the use of representations regarding the entry or prospective entry into the neighborhood of a person or persons of a particular race, color, creed, gender, age, disability, religion, source of income, sexual orientation, national origin and ethnicity.
- (iv) to print or circulate or cause to be printed or circulated any statement, advertisement, or publications, or to use any form of application for the purchase, rental, or lease of such housing accommodations, or to make any record or inquiry in connection with the prospective purchase, rental, or lease of such housing accommodations which expresses, directly or indirectly, any limitation, specification, or discrimination with respect to actual or perceived protected status.
- (v) to refuse to make reasonable modifications of existing premises occupied or to be occupied by a person with a disability if such modifications are made at the expense of the person with a disability and are necessary to afford such person full enjoyment of the premises; except that, in the case of a rental, the covered entity may where it is reasonable to do so condition permission for such modification on a tenant's agreement to restore, at his or her own expense, the interior of the premises to the condition that existed before the modification, reasonable wear and tear excepted;

XXI Titles C, C-1, C-2, C-3
Human Rights

- (vi) to refuse to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford a person with a disability equal opportunity to use and enjoy a dwelling;
- (vii) in connection with the design and construction of covered multifamily dwellings for first occupancy after the first of January two thousand seven, to fail to design and construct those dwellings in such a manner that—
 - (A) the public use and common use portions of such dwellings are readily accessible to and usable by disabled persons;
 - (B) all the doors designed to allow passage into and within all premises within such dwellings are sufficiently wide to allow passage by persons in wheelchairs; and
 - (C) all premises within such dwellings contain the following features of adaptive design:
 - (aa) a route into and through the dwelling accessible by persons in wheelchairs;
 - (bb) light switches, electrical outlets, thermostats, and other environmental controls in locations accessible to such persons;
 - (cc) reinforcements in bathroom walls that permit installations of grab bars; and
 - (dd) kitchens and bathrooms about which persons in wheelchairs can maneuver.

Compliance with the appropriate requirements of the American National Standard for Buildings and Facilities Providing Accessibility and Usability for Physically Handicapped People (“ANSI A117.1”), as such standard may from time to time be amended, suffices to satisfy the requirements of clause (C) of subparagraph (vii) of this paragraph. Nothing in subparagraphs (iv), (v) or (vi) of this paragraph requires that a dwelling be made available to a person whose tenancy would constitute a direct threat to his or her health or safety or to the health or safety of others or whose tenancy would result in substantial physical damage to the property of others.

The provisions of subparagraphs (i) through (iv) of this paragraph shall not apply: (1) to the rental of housing accommodations in a building which

XXI Titles C, C-1, C-2, C-3
Human Rights

contains housing accommodations for not more than two families if the owner of such building actually maintains and occupies one of such housing accommodations as his or her residence, or (2) to the rental of a room or rooms in a housing accommodation by a person who actually maintains and occupies such housing accommodation as his or her residence. With respect to familial status, the provisions of this title shall not apply to housing accommodations that fall under a state or federal program specifically designed and operated to assist elderly persons, as defined in such program; are intended for and solely occupied by persons sixty-two years of age or older; or are intended and operated for occupancy by persons fifty-five years of age or older, as such intention and operation is defined at subparagraph C of paragraph 2 of subdivision b of section eight hundred seven of the federal Fair Housing Amendments Act of 1988, as amended.

2. No person, bank, trust company, private banker, savings bank, industrial bank, saving and loan association, credit union, investment company, mortgage company, insurance company, or other financial institution or lender, doing business in the County and, if incorporated, regardless of whether incorporated under the laws of the state of New York, the United States, or any other jurisdiction, or any officer, agent or employee thereof, to whom application is made for financial assistance for the purchase, acquisition, construction, rehabilitation, repair or maintenance of any housing accommodations shall:
 - (i) discriminate against any such applicant or applicants because of the actual or perceived protected status of such applicant or applicants or any member, stockholder, director, officer, or employee of such applicant or applicants, or of the prospective occupants or tenants of such housing accommodations in the granting, withholding, extending, or in the fixing of the rates, terms or conditions of any such financial assistance.
 - (ii) use any form or application for such financial assistance or make any record or inquiry in connection with applications for such financial assistance which expresses, directly or indirectly, limitations, specification, preference or discrimination because of actual or perceived protected status.
3. No person shall aid, abet, incite, compel, or coerce the doing of any of the acts forbidden under this title, or attempt to do so.
4. No person shall coerce, intimidate, threaten, harass, or interfere with any person: (i) in the exercise or enjoyment of, or because he or she exercised or enjoyed any right granted or protected by this title; (ii) because he or she aided or encouraged any other person in the

XXI Titles C, C-1, C-2, C-3
Human Rights

exercise or enjoyment of any right granted or protected by this title; or (iii) because of the protected status of a person with whom such person has or is perceived to have a relationship or association.

d. Enforcement.

1. Administrative enforcement.

(i) It shall be the duty of the Commission to receive and investigate complaints and to initiate its own investigations of violations of this title, to hold hearings, compel the attendance of witnesses, administer oaths, take the testimony of any person under oath, and in connection thereof to require the production of any evidence relating to any matter under investigation or any question before the Commission, provided, however, that the Commission shall not have jurisdiction to hear a complaint if:

(A) the complainant has previously initiated a civil action in a court of competent jurisdiction with respect to the same grievance that is the subject of the complaint under this title unless such civil action has been dismissed without prejudice or withdrawn without prejudice;

(B) the complainant has previously filed and has an action or proceeding pending before an administrative agency of the state of New York with respect to the same grievance that is the subject of the complaint under this title; or

(C) the complainant has previously filed a complaint with the New York State Division of Human Rights with respect to the same grievance that is the subject of the complaint under this title and the complaint has not been dismissed pursuant to subdivision nine of section two hundred ninety-seven of the Executive Law.

(ii) Complainant-initiated complaints. Any person aggrieved by an unlawful discriminatory practice may, by himself or herself or such person's attorney, make, sign and file with the Commission a verified complaint. The Commission shall acknowledge the filing of the complaint and advise the complainant of the time limits and forum choices set forth in this title. It shall serve a copy of the complaint upon the respondent and all persons it deems to be necessary parties and shall advise the respondent and such parties of his or her procedural rights and obligations as set forth herein. The Commission shall not have jurisdiction over any complaint that has been filed more than one year after the alleged unlawful

XXI Titles C, C-1, C-2, C-3
Human Rights

discriminatory practice occurred, or over any complaint that has been filed more than one year after a complainant learns or should have learned that he or she has been harmed as a result of an act or acts prohibited under this section, whichever is later.

- (iii) Commission-initiated complaints. The Commission may itself make, sign and file a verified complaint alleging that a person has committed an unlawful discriminatory practice, provided that the Commission shall not have authority to file such complaint more than two years after the alleged unlawful discriminatory practice occurred or after a complainant learns or should have learned that he or she has been harmed as a result of an act or acts prohibited under this section, whichever is later.
 - (A) A verified complaint filed with the Commission pursuant to subparagraphs (ii) or (iii) shall conform to the requirements for verified pleadings set forth in the Civil Practice Law and Rules.
 - (B) The Commission shall not have jurisdiction to entertain a complaint if:
 - (aa) the complainant has previously initiated a civil action in a court of competent jurisdiction alleging an unlawful discriminatory practice as defined by this title with respect to the same grievance which is the subject of the complaint under this title, unless such civil action has been dismissed without prejudice or withdrawn without prejudice; or
 - (bb) the complainant has previously filed and has an action or proceeding before any administrative agency under any other law of the state alleging an unlawful discriminatory practice as defined by this title with respect to the same grievance which is the subject of the complaint under this title; or
 - (cc) the complainant has previously filed a complaint with the New York State Division of Human Rights alleging an unlawful discriminatory practice as defined by this title with respect to the same grievance which is the subject of the complaint under this title and a final determination has been made thereon.
 - (dd) such complaint alleges in whole or part that a zoning law, ordinance, regulation or rule duly enacted by a municipal corporation is or will be, pursuant to subparagraph (i) or (ii) of paragraph one of subdivision c of this section, an unlawful discriminatory practice by virtue of or as evidenced by its

XXI Titles C, C-1, C-2, C-3
Human Rights

disparate impact on persons having a protected status.
Nothing herein shall be construed to prohibit the
commencement of a civil action to obtain enforcement upon
such claim pursuant to paragraph three of this subdivision.

(iv) Answer.

- (A) A written, verified answer shall be filed with the Commission no later than thirty days after a copy of the complaint has been served upon the respondent by the Commission. The Commission shall cause a copy of such answer to be served upon the complainant and any necessary party.
- (B) All verified answers filed with the Commission pursuant to this section shall conform to the requirements for verified pleadings set forth in the Civil Practice Law and Rules;

(v) Withdrawal of complaints.

- (A) A complaint filed pursuant to paragraph one of this section may be withdrawn by the complainant as of right at any time prior to the commencement of a hearing before an administrative law judge. Such a withdrawal shall be in writing and signed by the complainant.
- (B) Unless such complaint is withdrawn pursuant to a conciliation agreement, the withdrawal of a complaint shall be without prejudice:
 - (aa) to the continued prosecution of the complaint by the Commission;
 - (bb) to the filing by the Commission of a complaint based in whole or in part upon the same facts;
 - (cc) to the commencement of a civil action pursuant to paragraph three of this subdivision; or
 - (dd) to the commencement of a civil action by the County Attorney based upon the same facts pursuant to paragraph two of this subdivision.

(vi) Dismissal of complaint.

- (A) The Commission may, in its discretion, dismiss a complaint:

XXI Titles C, C-1, C-2, C-3
Human Rights

- (aa) for administrative convenience at any time prior to the taking of testimony at a hearing. The grounds for dismissal of a complaint for administrative convenience may include, but shall not be limited to, the following:
 - (1) the complainant's objections to a proposed conciliation agreement are without substance;
 - (2) the complainant is unavailable or unwilling to participate in conciliation or investigation, or to attend a hearing, or has repeatedly engaged in conduct that is disruptive to the orderly functioning of the Commission;
 - (3) relief is precluded by the respondent's absence or other special circumstances;
 - (4) holding a hearing will not benefit the complainant;
 - (5) processing the complaint will not serve the public interest; or
 - (6) the complainant has initiated or intends to initiate an action or proceeding in another forum based on the same grievance.
- (bb) if the complaint is not within the jurisdiction of the Commission.
- (cc) if after investigation the Commission determines that probable cause does not exist to believe that the respondent has engaged or is engaging in an unlawful discriminatory practice, the Commission shall dismiss the complaint as to such respondent.
- (B) The Commission shall promptly serve notice upon the complainant, respondent and any necessary party of any dismissal pursuant to this section.
- (C) The complainant or respondent may, in accordance with the rules of the Commission, apply to the chairperson for review of any dismissal pursuant to this section. Upon such application, the chairperson shall review such action and issue an order affirming, reversing or modifying such determination or remanding the matter for further investigation and action. A copy of such order shall be served upon the complainant, respondent and any necessary party.

XXI Titles C, C-1, C-2, C-3
Human Rights

- (D) The Commission may reopen any proceeding, or vacate or modify any order or determination of the Commission, whenever justice so requires, in accordance with the rules of the Commission.

(vii) Investigation.

- (A) The Commission shall cause every complaint to be investigated according to standards and procedures adopted by the Commission.
- (B) Such standards and procedures shall include, but not be limited to, a requirement that proceedings with respect to a complaint be commenced within thirty days of its filing. They shall also include a requirement that, within one hundred days of the filing of a complaint, the Commission shall determine whether it has jurisdiction and, if so, whether there is probable cause to believe that the respondent named in the complaint has engaged or is engaging in activity prohibited under this section.
- (C) At the end of each investigation, the Commission shall prepare a final investigative report. The Commission shall make available on request of a complainant or respondent a copy of the final investigative report and the information derived from the investigation.

(viii) Injunction and temporary restraining order.

- (A) At any time after the filing of a complaint with the Commission alleging an unlawful discriminatory practice under this title, where there is reason to believe that the respondent, or any other person acting in concert with the respondent, may do or cause to be done any act that would tend to render ineffectual relief that could be ordered:
 - (aa) The County Attorney may commence a special proceeding in accordance with article sixty-three of the Civil Practice Law and Rules for an order to show cause why the respondent and such other persons should not be enjoined from doing or causing such acts to be done; and
 - (bb) Where the County Attorney has obtained injunctive relief pursuant to this paragraph, in order to prevent the involvement of innocent third parties in the rental or sale of

XXI Titles C, C-1, C-2, C-3
Human Rights

housing accommodations during the pendency of the complaint, a notice may be posted by the county in a conspicuous place on such housing accommodation stating that such accommodation is the subject of a complaint before the Commission and that prospective buyers or renters will take such accommodations at their own risk, provided, however, that no such notice shall be posted where the person charged with discrimination agrees in writing not to sell or rent such housing accommodations during the pendency of the action or proceeding against him or her. Any willful destruction, defacement, alteration or removal of such notice by the owner or the agents or employees of the owner shall be a misdemeanor punishable upon conviction by a fine of not less than five hundred dollars nor more than one thousand dollars.

(ix) Determination of probable cause.

- (A) Where the Commission determines that there is probable cause to believe that the respondent has engaged or is engaging in an act or acts prohibited under this section, the Commission shall issue a written notice to complainant and respondent so stating. A complaint initiated by the Commission shall be deemed a determination that there is such probable cause.
- (B) A determination of probable cause shall not be administratively or judicially reviewable.
- (C) Where the Commission has found probable cause pursuant to clause A of this subparagraph, the Commission shall refer the complaint to an administrative law judge and shall serve a notice upon the complainant, respondent and any necessary party that the complaint has been so referred.

(x) Investigative orders.

- (A) The Commission may at any time issue subpoenas requiring attendance and giving of testimony by witnesses and the production of books, papers, documents and other evidence relating to any matter under investigation or any question before the Commission.
- (B) Where the Commission has determined that probable cause exists to believe that any respondent engaged or is engaging in an act or acts prohibited under this title, the Commission may demand, with respect to records of the type made and kept by

XXI Titles C, C-1, C-2, C-3
Human Rights

such respondent and that the Commission determines is or could be relevant to determining whether such person or persons have committed unlawful discriminatory practices, that such respondent continue to make and keep such records until the termination of all proceedings relating to the complaint about which probable cause has been determined. The Commission may inspect such records or require them to be filed with the Commission.

- (C) The Commission shall establish by procedures enabling any person upon whom a demand has been made pursuant to this provision to object to such demand. Unless the Commission orders otherwise, the assertion of an objection shall not stay compliance with the demand.
 - (D) Upon the expiration of the time set pursuant to such rules for making an objection to such demand, or upon a determination that an objection to the demand shall not be sustained, the Commission shall order compliance with the demand.
 - (E) A proceeding may be brought by the County Attorney on behalf of the Commission in any court of competent jurisdiction seeking an order to compel compliance with an order issued pursuant to subparagraph (D) of this paragraph.
- (xi) Mediation and conciliation.

- (A) At any time after the filing of a complaint, the Commission may endeavor to resolve such complaint by any method of dispute resolution prescribed by rule of the Commission including but not limited to mediation and conciliation.
- (B) The terms of any conciliation agreement may contain such provisions as may be agreed upon by the Commission, the complainant and the respondent, including a provision for the entry in court of a consent decree or complaint with motion for conditional dismissal based upon a settlement agreement embodying the terms of the conciliation agreement.
- (C) The members of the Commission and its staff shall not publicly disclose what transpired during the processes of mediation and conciliation.
- (D) If a conciliation agreement is entered into, the Commission shall embody such agreement in an order and serve a copy of such order upon all parties to the conciliation agreement. The

XXI Titles C, C-1, C-2, C-3
Human Rights

Commission may impose civil penalties for a violation of a conciliation order as authorized under subparagraph (ii) of paragraph four of this subdivision.

- (E) Every conciliation agreement shall be available to the public except where, to the extent allowed by law, the Commission determines, either on its own or at the request of both complainant and respondent, that extraordinary circumstances exist that would make such disclosure contrary to the public interest.

(xii) Hearing.

- (A) A hearing on a complaint shall be held before an administrative law judge designated by the Commission. Notice of the date, time and place of such hearing shall be served upon the complainant, respondent and any necessary party.
- (B) The case in support of the complaint shall be presented before the Commission by prosecutors employed or otherwise designated by the Commission, under contract to the Commission, or attorneys assigned to the Commission for such purpose by the County Attorney.
- (C) An administrative law judge may, in his or her discretion, permit any person who has a substantial interest in the complaint to intervene as a party and may require the joinder of necessary parties.
- (D) An administrative law judge shall have the powers of the Commission as set forth at clause (A) of subparagraph (x) of this paragraph.
- (E) Evidence relating to endeavors at mediation or conciliation by, between or among the Commission, the complainant and the respondent shall not be admissible.
- (F) If the respondent has failed to answer the complaint within the time period prescribed in clause (A) of subparagraph (iv) of paragraph one of subdivision d of section 21-9.7 of this title, the administrative law judge shall enter a default and the hearing shall proceed to determine the evidence in support of the complaint.
- (G) Except as otherwise provided in this title, the Commission through its prosecutors, a respondent who has filed an answer

XXI Titles C, C-1, C-2, C-3
Human Rights

or whose default in answering has been set aside for good cause shown, a necessary party or a complainant or other person who has intervened pursuant to the rules of the Commission may appear at such hearing in person or otherwise, with or without counsel, and may cross-examine witnesses, present testimony and offer evidence.

- (H) A hearing shall be governed by rules of evidence adopted by the Commission and established to elicit the best evidence consistent with due process. The rules of evidence observed by courts need not be adopted. The testimony taken at such hearing shall be under oath and shall be transcribed.
 - (I) Subsequent to a hearing and to such briefing as the administrative law judge may direct, the administrative law judge shall prepare and forward to the Commission, along with the record, a recommended decision and order.
- (xiii) Decision and order.
- (A) If the Commission finds that a respondent has engaged in any unlawful discriminatory practice, it shall state its findings of fact and conclusions of law and issue and cause to be served on such respondent an order requiring such respondent to cease and desist from such unlawful discriminatory practice. Such order shall require the respondent to take such affirmative action as, in the judgment of the Commission, will effectuate the purposes of this title including, but not limited to: selling, renting or leasing, or approving the sale, rental or lease of housing accommodations, land or commercial space or an interest therein, or the provision of credit with respect thereto, without unlawful discrimination; requiring training, monitoring, or the adoption of alternative policies; payment of compensatory damages to the person aggrieved by such practice or act; and submission of reports with respect to the manner of compliance. The Commission may also direct the payment of civil penalties to the County in the amounts and under circumstances described in paragraph four of this subdivision. The Commission may also direct the payment of a prevailing complainant's reasonable attorney's and expert fees and costs.
 - (B) If the Commission finds that a respondent has not engaged in any such unlawful discriminatory practice, the Commission shall issue an order stating its findings of fact and conclusions of law and shall dismiss the complaint as to such respondent.

XXI Titles C, C-1, C-2, C-3
Human Rights

- (xiv) Judicial review. Any final order of the Commission shall be subject to review in the manner provided in article seventy-eight of the Civil Practice Law and Rules.
 - (xv) Enforcement of final orders of the Commission. The County Attorney may initiate any action or proceeding that may be appropriate or necessary for the enforcement of any final order issued by the Commission pursuant to this title, including actions to secure temporary or permanent injunctions enjoining any acts or practices that constitute a violation of any such order, mandating compliance with the provisions of any such order, imposing civil penalties pursuant to paragraph four of this subdivision, or for such other relief as may be appropriate.
2. Enforcement actions by County Attorney. In addition to any other enforcement provision of this title, the County Attorney is hereby authorized to obtain enforcement of the provisions of this title by commencing an administrative proceeding before the Commission or an action in any court of competent jurisdiction for any relief as provided under this title, including but not limited to injunctive relief, monetary and punitive damages to persons aggrieved, civil penalties, and attorney's fees. Such authority shall include the authority to appear as intervenor in any action commenced by a party pursuant to any provision of this title. Notwithstanding any other provision of law, any action taken by the County Attorney under this paragraph shall not require a resolution of the Legislature.
3. Civil cause of action.
- (i) Except where a complainant has filed a complaint with the Commission or the New York State Division of Human Rights or a federal enforcement agency with respect to the same grievance and such complaint has not been dismissed by such division pursuant to subdivision nine of section two hundred ninety-seven of the Executive Law, any person claiming to be aggrieved by a practice prohibited by this title shall have a cause of action in any court of competent jurisdiction for damages, including punitive damages and for injunctive relief or such other remedies as may be appropriate.
 - (ii) Notwithstanding any inconsistent provision of this subdivision, where a complaint filed with the Commission is dismissed for administrative convenience or by annulment of complainant's administrative remedy by the Commission or by the New York State Division of Human Rights, an aggrieved person shall maintain all rights to commence a civil action pursuant to this

XXI Titles C, C-1, C-2, C-3
Human Rights

section as if no such complaint had been filed.

- (iii) Notice of any civil action filed pursuant to this paragraph shall be delivered in person to the County Attorney within ten days of such filing, or by any method calculated to place the County Attorney in receipt thereof within ten days of such filing. In any such action, the County Attorney shall have the right to intervene whenever he or she determines such intervention necessary to vindicate the public interest.
- (iv) A civil action commenced under this section must be commenced within three years after the occurrence of the alleged unlawful discriminatory practice. Upon the filing of a complaint with the Commission and during the pendency of such complaint and any court proceeding for review of the dismissal of such complaint, such three-year limitations period shall be tolled.
- (v) Notwithstanding any inconsistent provision of this subdivision, where a complaint filed with the Commission is dismissed for administrative convenience and such dismissal is due to the complainant's malfeasance, misfeasance or recalcitrance, the three-year limitation period on commencing a civil action pursuant to this paragraph shall not be tolled.
- (vi) Any person shall be deemed to be injured by an unlawful discriminatory practice and shall have the right to commence an action pursuant to this paragraph or to file a complaint pursuant to subparagraph (ii) of paragraph one of this subdivision when such person or its agents:
 - (A) are deprived of truthful information in violation of section 21-9.7(c)(1)(i); or
 - (B) discover through investigation that a covered entity is engaging or has engaged in an unlawful discriminatory practice, provided that such person has expended funds to reveal the covered entity's unlawful discriminatory practice, regardless of whether such expenditure constituted a diversion of resources from his or her other activities.

This subparagraph shall not limit the availability of any other basis in law for alleging injury resulting from acts prohibited under subdivision d of this title. The measure of compensatory damages for a person injured as defined in this subparagraph shall include the fair market value of the efforts such person has undertaken to investigate and remedy the unlawful

XXI Titles C, C-1, C-2, C-3
Human Rights

discriminatory practice.

4. Civil penalties for unlawful discriminatory practices or for violating orders of the Commission.
 - (i) In any matter where the Commission or a court of competent jurisdiction finds that a person has engaged in a discriminatory practice in violation of this title, the Commission or such court shall impose a civil penalty in an amount not more than fifty thousand dollars. Where the Commission finds that an unlawful discriminatory practice was the result of the respondent's wanton or malicious act, the Commission or court shall impose a civil penalty in an amount not more than one hundred thousand dollars.
 - (ii) Any person who fails to comply with an order issued by the Commission pursuant to subparagraphs (x), (xi) or (xiii) of paragraph one of this subdivision shall be liable for a civil penalty of not more than fifty thousand dollars and an additional civil penalty of not more than one thousand dollars per day for each day that the violation continues.
 - (iii) Any civil penalties recovered pursuant to this chapter shall be paid into the general fund of the County.
5. Attorney's fees. In any administrative enforcement or civil action commenced pursuant to this subdivision, the Commission or court, in its discretion, may award the prevailing party or parties costs and reasonable attorney's fees regardless of the amount of damages awarded to a complainant in such action. For the purposes of this paragraph, the term "prevailing" includes a complainant or plaintiff and/or intervenor whose commencement and/or prosecution of litigation has been found by the Commission or court to have substantially resulted in the remediation of an unlawful discriminatory act on the part of the respondent or defendant, regardless of whether such remediation has been implemented voluntarily, as a result of a settlement or as a result of a judgment in such complainant's, plaintiff's or intervenor's favor.
6. Guidelines for construction and rules of procedure. Continuation of such use following notification of denial of a license shall constitute unlicensed activity subject to the fines and other penalties provided in this title. Notwithstanding the provisions of this section, in the event that the owner of the vehicle, tool or other implement is not the person who was found to be in violation of the provisions of section 21-11.2 of this code, such owner may obtain release upon payment of fines and penalties and reasonable costs of removal as provided herein and upon execution of a sworn statement, subject to the provisions of the penal law relative to false statements and satisfactory to the commissioner, that he or she will not permit the person who has violated such provisions to operate the vehicle, tool or other implement in violation of section 21-11.2 of this code.

- f. The county may, pending final resolution of the forfeiture proceeding, retain a vehicle, tool or implement subject to forfeiture pursuant to subdivision e of this section and shall apply to the court, after having provided notice as required to the persons or entities set forth in subparagraphs a and d of this section paragraph, within fifteen days of seizure for a prompt hearing to request the court to take measures to protect the public from unlicensed home improvement businesses and to protect the vehicle from destruction or sale during the pendency of the forfeiture proceeding. Stores that fail to comply will be subject to §21-18.2 of this code. New stores or establishments which did not previously hold waivers may apply after the May 1 deadline and the application fee and the length of waiver will be prorated accordingly.
- (c) Upon receipt of an application and fee as provided in subsection (a) of this section, the Commissioner shall cause to be conducted two scanner accuracy inspections of the store for which the application has been submitted. These inspections shall be conducted on two separate days, and in the manner prescribed by the Commissioner. At stores with a retail area in excess of 20,000 square feet a minimum of 100 items shall be checked at each inspection. At stores with a retail area of 20,000 square feet or less a minimum of 50 items shall be checked. If, considering both inspections together, the number of stock keeping units found to be in violation does not exceed two percent of all those stock keeping units inspected, the Commissioner shall grant to the applicant a one year revocable waiver from the item pricing requirement. Any store with a current waiver shall be exempt from the requirements of §21-18.2 of this code.
- (d) A waiver from item pricing shall be valid for a period of one year from the date of issuance. Stores must reapply annually for renewal of waiver at the rates established in subsection (a) of this section. The waiver fee and two inspections shall be required for each annual renewal application, as required for an original waiver application.
- (e) In the event that total violations in excess of two percent are discovered in the inspections provided for herein, the Commissioner shall not grant a waiver to the applicant. Such a store may reapply for a waiver and pay an additional waiver fee equal to one-half of the initial waiver fee to the Commissioner within five business days after being notified of the failure.

**XXI Title D, et seq.
Consumer Affairs**

Stores which do not reapply must be in compliance with all the requirements of this code within thirty days from the date of failure.

- (f) In the event that the Commissioner is unable to conduct inspections pursuant to subsection (c) of this section within ninety days of receipt of a complete waiver application and proper waiver fee, the Commissioner shall grant a temporary waiver pending completion of the inspections. The Commissioner shall cause said inspections to be completed as soon as practicable. If, upon completion, the inspections detect a violation rate of less than two percent, the Commissioner shall issue a regular waiver with an expiration date one year from the date of the temporary waiver. If the inspections detect a violation rate in excess of two percent, the temporary waiver shall be immediately revoked and the provisions of subsection (e) shall apply.
- (g) As a condition of the waiver from item pricing pursuant to this section, each store which accepts a waiver must agree to meet the following requirements, and no regular or temporary waiver shall be granted to a store which has not agreed to these requirements in writing:
- (i) The store shall designate and make available price check scanners to enable consumers to confirm the price of the stock keeping item. These price check scanners shall be in locations convenient to consumers with signs of sufficient sized lettering to identify the units to the consumers. XXI Title D, et seq.

(iiii) Stores must have a shelf price for each stock keeping item which is visible to the consumer and which is located directly under the item on the shelf where the item is displayed; or if the item is not conspicuously visible to the consumer, by a sign or list conspicuously placed near the point of procurement.

(h) The Commissioner may revoke a waiver from item pricing for any of the following reasons:

§ 21-19.0 **Legislative Intent.** The Board of Supervisors hereby finds that homeowners within the County of Nassau have been victimized in a significant amount by services which offer, for a fee or other compensation, to assist homeowners in obtaining a reduction in the assessed valuation of their residences. These tax assessment reduction services, have, in many instances, among other things: taken retainers for services which were never rendered; failed to clearly state their fee schedule; misrepresented themselves as part of or affiliated with a governmental agency; and falsely stated or implied that such a service was required to be retained in order for a tax assessment to be reduced.

The Board of Supervisors finds that these and other improper activities by tax assessment reduction services threaten the financial well being of the residents of this county and impede the proper functioning of this county government.

Therefore, the purpose of this title is to regulate the conduct of tax assessment reduction services which do business in Nassau County so as to deter if possible and, where necessary, appropriately punish, the types of abuses previously described in part in this title, all in order to protect the welfare of the residents of this county.

- C. Claim or imply, directly or indirectly, that the only effective method by which an owner may receive a tax assessment reduction is through use of a tax assessment reduction service; or
- D. Charge an owner any fee or retain any fee previously paid to it by an owner unless such service has made reasonable efforts to fully communicate to such owner the terms of any offer of settlement made to such service by the County in the course of a tax assessment review proceeding, other than a hearing or trial, with respect to the affected parcel of real estate; or
- E. Enter into a contract or agreement with an owner unless such contract or agreement shall contain, conspicuously and clearly written:
 - (1) A schedule of the fees charged by such service; and
 - (2) A provision permitting the owner, at any time within three days after having entered into such contract or agreement, to completely cancel such contract or agreement and receive a full and prompt refund of any fee or deposit already paid by such owner to such tax assessment reduction service. § 21-19.4 Enforcement of Contracts and Agreements. Any contract or agreement entered into in violation of subdivision E of section 21-19.2 of this title shall be unenforceable by a tax assessment reduction service as against an owner and shall be voidable at the option of the owner.

§ 21-19.5 **Title Not Exclusive Remedy.** This title shall not be construed to exclude any other remedy or right, civil, criminal or administrative, provided by law.

Title D-10
Disclosure Requirements for Refund Anticipation Loans

§21-20.0 **Legislative Intent.** The Legislature has found that tax preparers and other persons are increasingly offering to consumers “instant refunds”, which essentially allow consumers to obtain what purports to be the proceeds of the consumers’ anticipated tax refunds on an expedited basis. Tax preparers and others who offer such “instant refunds” often do not disclose complete and accurate information to consumers concerning these financial transactions. The Legislature has found that the characterization of these financial transactions as “instant refunds” is misleading, and that these transactions are instead loans or non-loan type bank products payable against the consumer’s tax refund, which accrue interest, fees and other administrative costs. Consumers are often not aware that an “instant refund” being offered by the tax preparer and other persons is, in fact, a loan and/or a non-loan type bank product and that the consumer will be charged substantial fees and interest. Additionally, many consumers are under the impression that they are not liable for the full amount of the loan if they do not receive all or part of their tax refund from the IRS.

This Legislature has found that Refund Anticipation Loans (“RAL’s”) drain billions of dollars from the pockets of American consumers. Tax preparers, and facilitators of these transactions often target the working poor who receive the Earned Income Tax Credit (“EITC”). To be eligible for this credit, an individual’s income cannot exceed between \$11,230 and \$34,692 depending on individual eligibility. In 2002, fifty-five percent (55%) of those consumers who received RALs also received the EITC. These loans cost American workers \$1.14 billion in loan fees in 2002, plus an additional \$406 million in other fees. (Chi Chi Wu and Jean Ann Fox, “Quick Tax Loans Drain

XXI Title D, et seq.
Consumer Affairs

Over a Billion from American Workers”, National Consumer Law Center and Consumer Federation of America, January 29, 2004).

This Legislature seeks to provide consumers with certain protections, to require complete disclosure about these transactions and, to provide a private right of action to recover against those tax preparers, facilitators, and others who violate this law.

§21-20.1 Title and scope.

1. This law shall be known and cited as the Refund Anticipation Loan Disclosure Law. This law shall be liberally construed to effectuate its purpose. The purpose of this law is to protect consumers who enter into refund anticipation loan and refund anticipation check (“RAC”) transactions and to require tax preparers, facilitators, and other persons who offer or facilitate such loans to completely disclose all fees and charges for RALs and RACs facilitated or processed in this County.
2. No person (including any tax preparers, facilitators, and other person) may individually or in conjunction or cooperation with another person: (a) solicit the execution of, process, receive, or accept an application or agreement for a RAL and/or RAC, or (b) in any other manner facilitate the making of a RAL and/or RAC unless the person has complied with the provisions of this section.

7. “Refund anticipation loan” shall mean a loan that is secured by and that creditor arranged to be repaid directly or indirectly from the proceeds of the consumer’s income tax refund and includes the payment of interest, and/or RAL fees by the consumer. A RAL shall also includes⁵⁹ any sale, assignment, or purchase of a consumer’s tax refund at a discount or for a fee, whether the consumer is required to repay the buyer or assignee if the Internal Revenue Service denies or reduces the consumer’s tax refund.
8. “Refund anticipation loan fee” shall mean the charges, fees, or other consideration charged or imposed directly or indirectly by the tax preparer or facilitator for the making of or in connection with a RAL. This term includes any charge, fee, or other consideration for a deposit account, if the deposit account is used for receipt of the consumer’s tax refund to repay the amount owed on the loan. This term does not include any charge, fee, or other consideration usually charged or imposed by the facilitator or tax preparer, in the ordinary course of business, such as fees for tax return preparation and fees for electronic filing of tax returns, if the same fees in the same amount are customarily charged to the facilitator’s customers who do not receive RALs.

§ 21-22.0 **Short title** This law shall be known as the “Automated Teller Machine Safety Act.”

§ 21-22.1. **Legislative findings and intent.** Identity theft is recognized as one of the fastest-growing crimes in America. The Federal Trade Commission has reported that between 1998 and 2003, 27.3 million Americans became victims of identity theft, which is often associated with other serious crimes including mail fraud, narcotics, organized crime, money laundering, weapons trafficking, computer crimes and terrorism. The use of automated teller machines enables consumers to access funds conveniently without having to go to a bank, but it also provides an opportunity for identity thieves. Indeed, people who use the unenclosed automated teller machines found in many buildings such as supermarkets and convenience stores, whose functions are unrelated to banking activities, are particularly vulnerable because such machines are not regulated by federal or state law. These machines can be the setting for unscrupulous machine operators or third parties to obtain the personal bank information of persons conducting financial transactions. While automated teller machines located at banking institutions provide certain safety enhancements, such as rearview mirrors or security cameras, ‘non-bank’ automated teller machines are currently not legally required to do so. Moreover, because such machines are not at present licensed or otherwise registered in New York State, their operators are often untraceable, making it difficult for law enforcement trying to solve identity theft crimes involving automated teller machine fraud. This local law implements measures to combat identity theft and protect citizens’ personal information at those automated teller machines that are not currently regulated by federal or state law.

§ 21-22.2 **Definitions.** As used in this Title:

Title D-14
Licensing of sign hangers

§21-24.1⁶⁰ **[Legislative Finding]**⁶¹ This Legislature finds that currently sign hangers and riggers are not required to be licensed. Persons who hang signs should have the ability to read plans and specifications relating to sign construction and hanging including supports and framework and must possess knowledge of problems and practices of sign construction. They should also possess the knowledge of risks, precautions, safe loads, types of rigging, size & strength of ropes, cables, block and derrick and the characteristics, uses and misuses of the tools involved. Without proper qualifications and financial responsibility the public safety is at risk and personal injury and property damage can occur. This legislation requires any person erecting covered signs to be licensed by the county in order to protect and promote the public health safety and welfare of all persons in Nassau County.

§ 21-27.0. Legislative intent

This Legislature finds and determines that because of the increase in incidents of property theft, the increase in the price of precious metals and gems, and the ease with which some second-hand dealers buy and sell precious metals and gems without requiring identification or proof of ownership, that second-hand precious metal and gem dealers represent to persons involved in crime an opportunity to dispose of stolen property.

This Legislature further finds and determines that allowing second-hand precious metal and gem dealers to operate without laws to control and regulate the purchase of such articles jeopardizes the property rights of Nassau County residents and extremely hampers law enforcement agencies in their efforts to recover stolen property and identify suspects. In light of these issues, and to protect the public health, morals, and general welfare of the County, it is clear that legislation regulating second-hand precious metal and gem dealers is necessary.

§ 22A-1.0 **Legislative Intent.** The Board of Supervisors hereby finds that within Nassau County there has been a proliferation of buildings known as "crack houses," which are used for the sale of controlled substances. The recent expansion of these "crack houses" has brought to the Board's attention that real estate used for improper purposes can have a devastating effect on the surrounding community. This chapter is intended to guard the Nassau County community against real estate being employed for any improper purposes that constitute a public nuisance. These public nuisances exist in both occupied and vacant buildings and on developed and undeveloped land. The public nuisances exist as a result of the operation of certain businesses, establishments and the use of property in flagrant violation of pertinent provisions of the state penal law; health laws; licensing laws; environmental laws; and laws relating to the sale and consumption of alcoholic beverages. All of these illegal activities threaten to cause substantial deterioration in the quality of life and community environment, property values, and the public health, safety, and welfare of the residents of this county.

The Board of Supervisors further finds that the existence of "crack houses" and real estate where "crack" is sold in this county, together with other public nuisances, is detrimental to the health, safety, welfare of the people of the County of Nassau and to the businesses thereof and visitors thereto.

Therefore, the purpose of this law is to create one standardized procedure for securing legal and equitable remedies, without prejudice to the use of

procedures available under any other existing and/or subsequently enacted laws: to strengthen existing laws so as to assist the Board of Supervisors, County Executive, District Attorney, County Attorney, County Police Department, and city and village police departments in Nassau County in preventing buildings, residences, premises and real estate within Nassau County from being used in such a way as to constitute a public nuisance.
