Re: Nassau County Department of Public Works  
Cedar Creek WPCP  
Electrical Distribution System Improvements Contract No. S3C067-05GR  
Bid Review and Recommendation of Award  
CE 2525

Dear Ms. Fay:

Cameron Engineering & Associates, LLP (CEA) has reviewed the bid prices received by the Nassau County Department of Public Works (NCDPW) for the above referenced Contract. The bid results were as follows:

**Electrical Distribution System Improvements Contract No. S3C067-05GR:**

| <u>Contractor</u>                 | <u>Total Bid</u> |
|-----------------------------------|------------------|
| Eldor Contracting Corp.           | \$8,364,000.00   |
| Hinck Electrical Contractor, Inc. | \$8,639,400.00   |
| L.E.B Electric                    | \$8,900,000.00   |
| Bana Electric Corp.               | \$9,322,000.00   |
| Welsbach Electric of Long Island  | \$9,890,681.00   |
| Haugland Energy Group LLC         | \$10,888,000.00  |

The lowest Bid for the Electrical Distribution System Improvements Contract No. S3C067-05GR was submitted by Eldor Contracting Corp., Holtsville, New York.

Based on review of information provided by the Department (i.e., Bid Sheets, Response to 10-point Questionnaires, Financial Statements), and the results of our Pre-Award interview, CEA has determined that Eldor Contracting Corp. has completed similar work; possess competent supervision and project coordination; can provide sufficient staffing; adhere to project and daily work schedules and; are timely with their submission of products and materials. In addition, after CEA reviewed their qualifications and due diligence, we have found that Eldor Contracting Corp. is competent, responsive and the quality of their work to date has been satisfactory.

Page 2 of 2*

The total bid submitted by Eldor Contracting Corp. (\$8,364,000.00) is approximately 27% below the \$11,453,304 estimate prepared by CEA and primarily due to theirs being a high-level preliminary breakdown versus the more detailed estimate provided by CEA. Eldor Contracting Corp. also used lower than average percentages for General Conditions, Bonds, and Insurance which when applied to the projects direct costs produces a substantially lower total construction cost compared to CEA. Eldor Contracting Corp. has confirmed that they are comfortable/confident with their bid pricing and the schedule to complete the specified work as well as that they understand the Project scope of construction work, the necessary MOPO's and the site limitations to complete the project.

Based on the above, we recommend that NCDPW award the Electrical Distribution System Improvements Contract No. S3C067-05GR for the above referenced Project to Eldor Contracting Corp., Holtsville, New York.

Should you have any questions or require additional information, please do not hesitate to contact our office.

Very truly yours,

### IRAN DIVESTMENT ACT – CERTIFICATION

Pursuant to New York State Finance Law §165-a, Iran Divestment Act of 2012, the Office of General Services is required to post on its web site <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf> a list of persons who have been determined to engage in investment activities in Iran ("the List"), as defined in that Act. Under Public Authorities Law § 2879-c, Iranian Energy Sector Divestment, the Authority, may not enter into or award a Contract unless it obtains a certification from a Bidder, who shall check the box and make the certification in Subparagraph a, below, that they are not on the List. If that certification cannot be made, the Authority may consider entering into a Contract, on a case by case basis if the Bidder checks the box and makes the certification in Subparagraph b, below, that their Iran investment is ceasing.

For purposes of this provision, a person engages in investment activities in Iran if: (A) the person provides goods or services of twenty million dollars or more in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or (B) the person is a financial institution that extends twenty million dollars or more in credit to another person, for forty-five days or more, if that person will use the credit to provide goods or services in the energy sector in Iran.

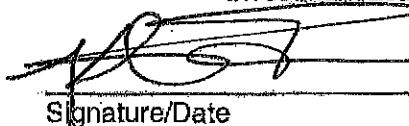

The Certification is as follows:

X a. **Certification that the Bidder is not on the List**

Each person, where person means natural person, corporation, company, limited liability company, business association, partnership, society, trust, or any other nongovernmental entity, organization, or group, and each person signing on behalf of any other party, certifies, and in the case of a joint bid or proposal or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law, or,

   b. **Certification that the Bidder's investment in Iran is ceasing**

The person cannot make the certification in Subparagraph a, above, but asks the Authority to consider them for award of the Contract by certifying, under penalty of perjury, that the person's investment activities in Iran were made before April 12, 2012; the person's investment activities in Iran have not been expanded or renewed after April 12, 2012; and the person has adopted, publicized and is implementing a formal plan to cease its investment activities in Iran and to refrain from engaging in any new investments in Iran.

## Vendor Code of Ethics

### Chapter 1: DEFINITIONS

As used in this Code, the following terms have the following meanings:

**Adverse Job-Related Action** includes any material alteration to existing terms, conditions, and privileges of employment, such as dismissal, demotion, suspension, compulsory leave, disciplinary action, creation of a hostile work environment, negative performance evaluation, any action resulting in loss of staff, office space or equipment or other benefit, reduction in compensation, failure to appoint, failure to promote, or any transfer or assignment or failure to transfer or assign against the wishes of the affected employee.

**Contact** means any oral or written communication with any Nassau County Employee, other than the Designated Point(s) of Contact, where it could be reasonably inferred that such contact was intended to influence, or could reasonably be expected to influence, the subject of a County procurement.

**Designated Point(s) of Contact** means the individual(s) designated by the County to be a Vendor's only contact with Nassau County following the public advertisement of a solicitation or the issuance of a request for a bid, proposal, or quote for small purchase, until the award of a resulting contract and, where applicable, approval by the County Legislature. This timeframe, further defined in the State Procurement Lobbying Law, is also known as the Restricted Period.

**Nassau County Employee** means any officer, official or employee of Nassau County.

**Family Member** means (i) a Nassau County Employee's Spouse, Domestic Partner, Child, Sibling or Parent; (ii) a person who is a direct descendant (or the spouse of a direct descendant) of a Sibling of the Nassau County Employee or a Sibling of the Nassau County Employee's Spouse or Domestic Partner; or (iii) a person living in the same household as a Nassau County Employee.

**Gift** means the transfer, without equivalent consideration, of anything of benefit, tangible or intangible, having more than nominal value, including, but not limited to, cash, loans, forbearance,

### Chapter 2: LIMITATIONS AND REPORTING OF CONTACTS WITH NASSAU COUNTY

#### Section 2.01 Designated Point(s) of Contact

Each procurement solicitation issued by Nassau County will identify the Designated Point(s) of Contact for that solicitation as required by the State Procurement Lobbying Law. Once the Designated Point(s) of Contact is/are established, the Vendor and any person or entity acting on the Vendor's behalf, including without limitation, those providing compensated or uncompensated lobbying, advocacy, consulting or other services should ensure that its contacts with Nassau County are in compliance with the requirements of the State Procurement Lobbying Law.

### Chapter 3: GIFTS OR CONTINGENT FEES

#### Section 3.01 Zero Tolerance

No Vendor may offer or give any Gift, directly or indirectly, to a Nassau County Employee. Similarly, no Vendor may offer or give any Gift, directly or indirectly, to any Family Member of a Nassau County employee where such Gift is made because of the Vendor's relationship with the Nassau County Employee. Additionally, no Vendor may accept a gift from a Nassau County Employee.

This Zero-Tolerance Policy applies regardless of actual intentions. In other words, even if a Gift does not, or is not intended to, influence an action or decision by a Nassau County Employee, it is prohibited by this Code.

#### Section 3.02 Personal Relationships

Notwithstanding the foregoing, if a Vendor has a pre-existing family or personal relationship with the Employee, a Gift that is wholly unconnected with the Employee's duties on behalf of Nassau County is

### Section 4.02 Restrictions Post Award

Vendors are prohibited from offering or discussing an employment opportunity with a Nassau County Employee or his or her Family Members before whom the Vendor has or expects to have a pending specific matter including, but not limited to, negotiations, performance evaluation, task order selection, approval of a voucher or invoice, or approval of or agreement to a contract amendment, change order, or deviation or waiver until:

- (i) 30 days from the time the matter before the Employee is closed, or
- (ii) 30 days from the time the Employee has no further involvement with the matter because of recusal or reassignment.

## Chapter 5: CONFLICT OF INTEREST

### Section 5.01 Financial Interest

Neither the Vendor, nor any director, officer, principal, owner, or partner thereof, as the case may be, may have a 10% or greater interest; nor shall the Vendor, nor any director, officer, principal, owner, or partner thereof, acquire a 10% or greater interest, either directly or indirectly, in any company or firm that would conflict in any manner or degree with the performance of the Nassau County contract.

## Vendor Code of Ethics

### Section 5.05 Prohibition Regarding Bidding by Participants in Procurement Development

No Vendor who participates in the development of a scope of work, solicitation documents, assessment criteria, contractual instruments or technical specifications may participate as a bidder, sub-bidder, proposer or sub-proposer on that particular procurement or perform any work on that particular procurement or any other procurement that would constitute an organizational conflict of interest or would give that Vendor an unfair advantage over other bidders or proposers on that procurement. This prohibition may be waived in writing by the County Chief Procurement Officer upon a showing of good cause.

## Chapter 6: FORMER NASSAU COUNTY EMPLOYEES

### Section 6.01 Appearance Before Former Agency-Two Year Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear or practice before any Nassau County agency, either prior to award or in the performance of a Nassau County contract, for a period of two years after termination of the Nassau County Employee's services with the County.

### Section 6.02 Appearance Before Former Agency-Life Time Bar

Except as provided for in Section 2218(8) of the Nassau County Code of Ethics, the Vendor will not permit a former Nassau County Employee to appear, practice, communicate or otherwise render services before the agency that employed the officer or employee or any other agency of Nassau County, either prior to award or in the performance of an agency's contract in relation to any case, proceeding, application or transaction with respect to which such former officer or employee was directly concerned and in which he or she personally participated, or which was under his or her active consideration during the period of his or her employment. This provision is a lifetime bar on projects that the former Nassau County Employee previously worked on while employed by the County.

## Vendor Code of Ethics

The Vendor's responsibility for distributing copies of the Nassau County Vendor Code of Ethics and obtaining such signed Participating Employee Acknowledgements is ongoing until completion of performance of the contract and shall be retained for the same period as the Vendor is required to retain other contract documents in accordance with their contract with the County.

#### Section 9.02 Civil/Criminal Penalties

Re: Eldor Contracting Corporation  
Workers' Compensation Insurance  
Policy No. W40110-9-19

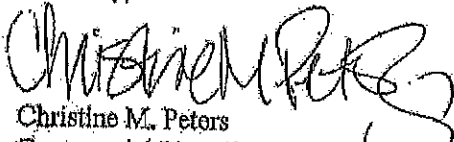

Dear Sir or Madam:

Reference is made to your request regarding the limit of liability for Part Two Employers' Liability under the captioned policy.

Coverage II under a standard New York Workers' Compensation and Employers' Liability policy is without limit as respects to employments subject to, and compensable under, the New York Workers' Compensation Act. (See the standard endorsement identified as WC 31 03 08 attached to and forming a part of the referenced policy.)

With respect to the remote possibility of a claim resulting from an employment not subject to the Act, i.e., such as Maritime and Federal employments, the standard limits set forth in Item 3B of the policy Information Page apply. Regretfully, we are unwilling to increase these limits.

Sincerely,

  
Christine M. Peters

2. Part Two - Employers Liability  
a. Limit of Liability

(1) There is no limit of liability for employees subject to the New York Workers' Compensation Law. The New York Limit of Liability Endorsement (WC 31 03 08), which must be attached to every policy affording New York coverage, provides for unlimited liability for employees subject to the New York Law.

*Note:* Since there is no limit of liability for these employees, no additional or minimum premium is to be charged.

(2) A standard limit of liability of \$100,000 is applicable only in connection with employees who are not subject to the New York Workers' Compensation Law.

*Note:* Non-Subject Employees - Definition - The term Non-Subject Employees refers to those employees or employments which are not statutorily covered under the New York Workers' Compensation Law. Examples of Non-Subject Employees include duly ordained, commissioned or licensed priests, ministers or rabbis; masters and members of crews of vessels operating on navigable waterways; longshore employees working on navigable waterways; railroad employees engaged in interstate commerce; and employees subject to the laws of other states.

b. Increased Limits - Non-Subject Employees

The limits under Part Two may be increased, subject to the following:

(1) The limits of liability shall be the same for all states specified in Item 3.A. of the Information Page.

(2) The additional premium for increased limits shall be determined by multiplying the total premium for employees not subject to the New York Workers' Compensation Law by the percentage in the following Table for Increased Limits. It shall not be less than the minimum premium shown in the Table. This minimum premium is in addition to the policy minimum premium at standard limits of liability. The minimum premium applies even though coverage for increased limits may have been added during the policy term. For this purpose, total premium shall be computed before application of the expense constant, experience or merit rating modification, premium discount, retrospective rating adjustment or deductible credits.

Re: Eldor Contracting Corporation  
Workers' Compensation Insurance  
Policy No. W40110-9-19

Dear Sir or Madam:

Reference is made to your request regarding the limit of liability for Part Two Employers' Liability under the captioned policy.

Coverage II under a standard New York Workers' Compensation and Employers' Liability policy is without limit as respects to employments subject to, and compensable under, the New York Workers' Compensation Act. (See the standard endorsement identified as WC 31 03 08 attached to and forming a part of the referenced policy.)

With respect to the remote possibility of a claim resulting from an employment not subject to the Act, i.e., such as Maritime and Federal employments, the standard limits set forth in Item 3B of the policy Information Page apply. Regretfully, we are unwilling to increase these limits.

Sincerely,

  
Christine M. Peters

## 2. Part Two - Employers Liability

### a. Limit of Liability

(1) There is no limit of liability for employees subject to the New York Workers' Compensation Law. The New York Limit of Liability Endorsement (WC 31 03 08), which must be attached to every policy affording New York coverage, provides for unlimited liability for employees subject to the New York Law.

*Note:* Since there is no limit of liability for these employees, no additional or minimum premium is to be charged.

(2) A standard limit of liability of \$100,000 is applicable only in connection with employees who are not subject to the New York Workers' Compensation Law.

*Note:* Non-Subject Employees - Definition - The term Non-Subject Employees refers to those employees or employments which are not statutorily covered under the New York Workers' Compensation Law. Examples of Non-Subject Employees include duly ordained, commissioned or licensed priests, ministers or rabbis; masters and members of crews of vessels operating on navigable waterways; longshore employees working on navigable waterways; railroad employees engaged in interstate commerce; and employees subject to the laws of other states.

### b. Increased Limits - Non-Subject Employees

The limits under Part Two may be increased, subject to the following:

(1) The limits of liability shall be the same for all states specified in Item 3.A. of the Information Page.

(2) The additional premium for increased limits shall be determined by multiplying the total premium for employees not subject to the New York Workers' Compensation Law by the percentage in the following Table for Increased Limits. It shall not be less than the minimum premium shown in the Table. This minimum premium is in addition to the policy minimum premium at standard limits of liability. The minimum premium applies even though coverage for increased limits may have been added during the policy term. For this purpose, total premium shall be computed before application of the expense constant, experience or merit rating modification, premium discount, retrospective rating adjustment or deductible credits.

The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposes," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of reports in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
