The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- (a) The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- (b) At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- (c) The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- (d) The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.
- (e) The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- (f) Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- (g) Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- (h) At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. (j) Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.

(k) A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

(l) The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:

- a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrators award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").

(m) The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation..

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

Provisions (a), (b) and (c) shall not be binding upon Contractors or Subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate, or distinct from the County Contract as expressed by its terms.

The requirements of the provisions (a), (b) and (c) shall not apply to any employment or application for employment outside of this County or solicitations or advertisements therefore or any existing programs of affirmative action regarding employment outside of this County and the effect of contract provisions required by these provisions (a), (b) and (c) shall be so limited.

The Contractor shall include provisions (a), (b) and (c) in every Subcontract in such manner that these provisions shall be binding upon each Subcontractor as to work in connection with the County Contract.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

TITLE

NY STATE LABOR LAW

If any portion of work being Bid is subject to the prevailing wage rate provisions of the Labor Law, the following shall apply:

a. "Public Works" and "Building Services" - Definitions

i. Public Works Labor Law Article 8 applies to county contracts for public improvements in which laborers, workers or mechanics are employed on a "public works" project (distinguished from public "procurement" or "service" contracts).

ii. Building Services Labor Law Article 9 applies to Contracts for building service work with the county, that: (i) involve the care or maintenance of an existing building, or (ii) involve the transportation of office furniture or equipment to or from such building, or (iii) involve the transportation and delivery of fossil fuel to such building, and (iv) the principal purpose of which is to furnish services through use of building service employees.

b. Prevailing Wage Rate Applicable to Bid Submissions *A copy of the applicable prevailing wage rates to be paid or provided are annexed to the Bid Documents.* Bidders must submit Bids which are based upon the prevailing hourly wages, and supplements in cash or equivalent benefits (i.e., fringe benefits and any cash or non-cash compensation which are not wages, as defined by law) that equal or exceed the applicable prevailing wage rate(s) for the location where the work is to be performed. Bidders may not submit Bids based upon hourly wage rates and supplements below the applicable prevailing wage rates as established by the New York State Department of Labor. Bids that fail to comply with this requirement will be disqualified. Information indicating that prevailing wages are not being paid on a public works project will be forwarded to the New York State Department of Labor for investigation. Willful violations of the prevailing wage provisions of the Labor Law may result in debarment from the bidding and award of public contracts.

c. Wage Rate Payments / Changes During Contract Term The wages to be paid under any resulting Contract shall not be less than the prevailing rate of wages and supplements as set forth by law. It is required that the Contractor keep informed of all changes in the Prevailing Wage Rates during the Contract term that apply to the classes of individuals supplied by the Contractor on any projects resulting from this Contract, subject to the provisions of the Labor Law. Contractor is solely liable for and must pay such required prevailing wage adjustments during the Contract term as required by law.

d. Public Posting & Certified Payroll Records In compliance with Article 8, Section 220 of the New York State Labor Law:

i. Posting The Contractor must publicly post on the work site, in a prominent and accessible place, a legible schedule of the prevailing wage rates and supplements.

ii. Payroll Records Contractors and Subcontractors must keep original payrolls or transcripts subscribed and affirmed as true under the penalties of perjury as required by law. For public works contracts over \$25,000 where the Contractor maintains no regular place of business in New York State, such records must be kept at the work site. For building services contracts, such records must be kept at the work site while work is being performed.

iii. Submission of Certified Payroll Transcripts for Public Works Contracts Only Contractors and Subcontractors on public works projects must submit monthly payroll transcripts to the project manager for a public works project.

iv. Records Retention Contractors and Subcontractors must preserve copies of such certified transcripts for a period of three years from the date of completion of work on the awarded contract.

If this contract is for Building Service Work as defined in Article 9 of the Labor Law, State law prohibits other political subdivisions and districts within the County from making purchases pursuant to this agreement.

The County Living Wage Law, Title 57, Section 3(a)(i), states: employers who provide building services shall pay their employees no less than the living wage, as required by this section, or the prevailing wage, whichever is greater. In

3. Amendments, Extensions and Renewals

a. Renewals and Extensions. b. Determination of Applicability.

i. County Service Contracts.

A. Any renewal of a County Service Contract is subject to the Living Wage Law if the total expenditure by the County under the renewal is \$25,000 or greater.

In no event shall the Law apply in a situation where an amendment involves an expenditure of \$50,000 or less and the original agreement already involves an expenditure over \$50,000.

i. Any County Contractor may apply for a waiver of the provisions of the Law. In order to qualify as a County Contractor, the applying organization must have a County Service Contract with the County of Nassau. A County Service Contract is a contract which contemplates providing a service to the County (not goods or any service performed only to deliver goods) for which the County is paying \$25,000 or more. Both non-profit and for-profit County Contractors may apply for a waiver.

ii. At this time, the Living Wage Law does not allow a County Lessee or an entity receiving County Financial Assistance to apply for a waiver of the Law's provisions.

b. Request for a Waiver The following procedures have been established by the County Executive for requesting a waiver of the provisions of the Living Wage Law:

i. Request for a waiver must be made to the Nassau County Office of Compliance. Since a waiver request must be made by a County Contractor who already has a contract with the County to provide services, a request for a waiver may only be made after the contract in question is entered into with the County.

ii. A request for a waiver must be made on the approved form designated "Request for Waiver of the Provisions of the Nassau County Living Wage Law." This form is attached to these rules. Additional forms may be requested by contacting the agency with which the requesting organization has a contract.

iii. Except for those requesting organizations with County Service Contracts listed in section 4(b)(iv)(E)(3) below, those requesting organizations which plan to request a waiver once a County Service Contract has been entered into must include, in their bid or proposal for the specific County Service Contract, a budget breakdown stating the amount of the budget allocated to wages (*assuming the Living Wage Law applies*), and the amount of the budget allocated to services and other contract expenses.

A. In any budget breakdown submitted, the requesting organization must include only those employees who are included within the definition of "Employee" described above.

B. Those County contractors who have been awarded a contract through Executive Order No. 1 of 1993, a state or federal grant, General Municipal Law section 104, or any other state or federal rule or regulation must submit the above budget breakdown to the contracting agency before such contract is entered into with the County in order to be eligible for a waiver.

iv. A waiver request must contain the following information:

A. The name of the organization

B. The address of the organization

C. A brief description of the contract which the waiver pertains to.

D. The name and email address of the Chief Executive Officer of the requesting organization

E. The criteria (hereinafter, the "Criteria") for qualifying for a waiver under the provisions of the Law. Currently, a requesting organization must meet either Criteria 1, 2 or 3 below, and, if Criteria 1, 2 or 4 are cited, must meet Criterion 5 below:

1. The highest paid officer or employee of the requesting organization earns a salary which, when calculated on an hourly basis, is less than six times the lowest wage or salary paid by the requesting organization.

Residential domestic violence services under the New York Social Services Law.

Residential care, educational and vocational training, physical and mental health services, and employment counseling services to residents of the Juvenile Detention Center under the New York Executive Law.

i. Non-residential domestic violence services under the New York Social Services Law.

ii. Services under the Home Energy Assistance Program (HEAP)

Preventive services for children pursuant to the New York Social Services Law

Non-Secure detention services pursuant to the New York Executive Law.

5. When the requesting organization placed a bid or submitted a proposal for the county service contract at issue, it must have submitted a budget which included a breakdown of the wages paid to employees of the requesting organization who would be covered under the Living Wage Law.

F. A statement that, if a waiver is granted, the requesting organization will decrease its budgeted wage allocation to that amount the requesting organization would have paid its employees had the requirements of Living Wage Law not been applied. The amount to be paid by the County to the requesting organization will be reduced accordingly by contract amendment.

G. The notarized signature of the requesting organization's Chief Executive Officer.

c. Waiver and Procurement

i. As a waiver may only be requested once a County Service Contract has been entered into, no waiver application may be submitted by any organization submitting a bid or proposal to the County for a County Service Contract.

ii. The fact that a waiver may be granted to an organization submitting a bid or proposal to the County for a County Service Contract will not be a consideration in evaluating such bid or proposal.

d. Review Procedures

i. Review of a request for a waiver must be made by the Office of Compliance.

ii. Approval of a request is dependent on the requestor satisfying either criteria (1), (2) or (3) in section 4(b)(iv)(E) above and, if citing criteria (1), (2) or (4), criterion (5) in section 4(b)(iv)(E) above. Applications not satisfying these criteria, or incomplete applications, will not be approved. However, complete applications that do meet these criteria shall be approved by the Office of Compliance.

iii. The Office of Compliance shall inform the requestor of his or her decision to grant or deny a request in writing within thirty days of receipt of the request. A copy of the grant or denial shall be transmitted to the County Comptroller for the purposes of monitoring compliance with the Living Wage Law.

iv. During such thirty day period, the requestor must continue to abide by the provisions of the Living Wage Law. Failure to do so may result in action by the Office of the Nassau County Comptroller to enforce the provisions of the Law.

e. Post-Award Review

i. After the County grants a waiver, if at any time during the term of the County Service Contract the requesting organization alters its budget or wages such that the organization no longer qualifies for a waiver of the Living Wage Law, the requesting organization must contact the County department with which it contracts and inform such department of such alteration.

ii. If a County department is contacted in reference to such a change, the department must either:

Amend the County Service Contract in question to restore any funding subtracted from the contract as a result of a waiver of the Living Wage Law and receive from the Contractor a completed Certificate of Compliance; or

Terminate such Contract according to its terms.

Living Wage

Section 1. Authority and Usage

a. These Rules are promulgated pursuant to Local Law 1-2006, section 7(b) which authorizes the County Executive to promulgate rules to implement the provisions of the Nassau County Living Wage Law.

b. Wherever the term "Law" or "Living Wage Law" is used in this document, it shall mean Local Law 1-2006, otherwise known as the Nassau County Living Wage Law. Whenever the terms "Rule" or "Rules" are used in this document, it shall mean these Rules of the County Executive regarding the Nassau County Living Wage Law.

Section 2. Clarification of Terms

a. Awarded. "Awarded" shall mean that time at which a contractor is selected by the County, or any department of the County, to receive county financial assistance, even if that time is before execution of a county financial assistance agreement by all parties or approval of such agreement by the County Legislature.

See Living Wage Law, § 5(a) "Certification of Compliance" and § 10 "Other Provisions"

b. County Service Contract. "County Service Contract" shall mean any contract let to a contractor by the county for the furnishing of services to or for the county and that involves an expenditure equal to or greater than twenty-five thousand dollars. A contract for the sale of goods to the County, or a contract for the sale of goods where incidental services are being provided to the County, are not considered County Service Contracts. This definition shall not include contracts awarded pursuant to the county's emergency procurement procedure as set forth in section twenty-two hundred six of the county charter, inter-governmental agreements, agreements with state or local public authorities or agreements with local development corporations incorporated pursuant to section 1411 of the not-for-profit corporations law.

c. County Financial Assistance. "County Financial Assistance" shall mean any grant, loan, tax incentive or abatement, bond financing, subsidy or other form of assistance of more than fifty thousand dollars given by or through the authority or approval of the county to an entity having at least ten employees. County financial assistance shall not include industrial development bonds, community development block grant loans, and enterprise-zone-related incentives.

B. Any person employed by the County Contractor who works on the specific services contemplated by the County Service Contract

ii. An Employee is not:

A. An employee who provides services which are only incidental to the services specified in the County Service Contract.

An employee who does not provide any services contemplated under the County Service Contract in Question

III. For the purposes of the Living Wage Law, Nassau Community College is not an employer as defined in the Law. However, service contractors, financial assistance recipients and lessees of the College are employers as defined in the law and are subject to the provisions of the Living Wage Law as they are applicable.

See Living Wage Law, § 1 "Employee," "Employer"

e. Enter Into. "Enter Into" shall mean that time at which both parties have signed the contract in question.

See Living Wage Law, § 1 "County Service Contract" and § 10(a) "Other Provisions"

3. Amendments, Extensions and Renewals

a. Renewals and Extensions. Where an existing County Financial Assistance Agreement, County Service Contract, or County Lease is renewed or extended after the effective date of the Law, such agreement is a new County Financial Assistance Agreement, County Service Contract or County Lease, as the case may be, and is subject to the applicable provisions of the Law.

b. Determination of Applicability.

I. County Service Contracts.

A. Any renewal of a County Service Contract is subject to the Living Wage Law if the total expenditure by the County under the renewal is \$25,000 or greater.

B. If a County Service Contract is extended or otherwise amended, such extension or amendment will be subject to the provisions of the Law if such amendment increases the total expenditure under the original agreement to an amount \$25,000 or over, or if such amendment itself involves an expenditure of \$25,000 or over. In no event shall the Law apply in a situation where an amendment involves an expenditure of less than \$25,000 and the original agreement already involves an expenditure of \$25,000 or over.

II. County Financial Assistance Agreements.

A. Any renewal of a County Financial Assistance Agreement is subject to the Living Wage Law if the total expenditure by the County under the renewal is greater than \$50,000.

B. If a Financial Assistance Agreement is extended or otherwise amended, such extension or amendment will be subject to the provisions of the Law if such amendment increases the total expenditure under the original agreement to an amount over \$50,000, or if such amendment itself involves an expenditure over \$50,000. In no event shall the Law apply in a situation where an amendment involves an expenditure of \$50,000 or less and the original agreement already involves an expenditure over \$50,000.

TITLE

I. Any County Contractor may apply for a waiver of the provisions of the Law. In order to qualify as a County Contractor, the applying organization must have a County Service Contract with the County of Nassau. A County Service Contract is a contract which contemplates providing a service to the County (not goods or any service performed only to deliver goods) for which the County is paying \$25,000 or more. Both non-profit and for-profit County Contractors may apply for a waiver.

II. At this time, the Living Wage Law does not allow a County Lessee or an entity receiving County Financial Assistance to apply for a waiver of the Law's provisions.

b. Request for a Waiver The following procedures have been established by the County Executive for requesting a waiver of the provisions of the Living Wage Law:

I. Request for a waiver must be made to the Nassau County Office of Compliance. Since a waiver request must be made by a County Contractor who already has a contract with the County to provide services, a request for a waiver may only be made after the contract in question is entered into with the County.

II. A request for a waiver must be made on the approved form designated "Request for Waiver of the Provisions of the Nassau County Living Wage Law." This form is attached to these rules. Additional forms may be requested by contacting the agency with which the requesting organization has a contract.

III. Except for those requesting organizations with County Service Contracts listed in section 4(b)(iv)(E)(3) below, those requesting organizations which plan to request a waiver once a County Service Contract has been entered into must include, in their bid or proposal for the specific County Service Contract, a budget breakdown stating the amount of the budget allocated to wages (*assuming the Living Wage Law applies*), and the amount of the budget allocated to services and other contract expenses.

A. In any budget breakdown submitted, the requesting organization must include only those employees who are included within the definition of "Employee" described above.

B. Those County contractors who have been awarded a contract through Executive Order No. 1 of 1993, a state or federal grant, General Municipal Law section 104, or any other state or federal rule or regulation must submit the above budget breakdown to the contracting agency before such contract is entered into with the County in order to be eligible for a waiver.

IV. A waiver request must contain the following information:

A. The name of the organization

B. The address of the organization

C. A brief description of the contract which the waiver pertains to.

D. The name and email address of the Chief Executive Officer of the requesting organization

E. The criteria (hereinafter, the "Criteria") for qualifying for a waiver under the provisions of the Law. Currently, a requesting organization must meet either Criteria 1, 2 or 3 below, and, if Criteria 1, 2 or 4 are cited, must meet Criterion 5 below:

County of Nassau Office of Compliance
Attention: Living Wage Walver Request Office

c. Walver and Procurement

I. As a waiver may only be requested once a County Service Contract has been entered into, no waiver application may be submitted by any organization submitting a bid or proposal to the County for a County Service Contract.

II. The fact that a waiver may be granted to an organization submitting a bid or proposal to the County for a County Service Contract will not be a consideration in evaluating such bid or proposal.

d. Review Procedures

I. Review of a request for a waiver must be made by the Office of Compliance.

II. Approval of a request is dependent on the requestor satisfying either criteria (1), (2) or (3) in section 4(b)(iv)(E) above and, if citing criteria (1), (2) or (4), criterion (5) in section 4(b)(iv)(E) above. Applications not satisfying these criteria, or incomplete applications, will not be approved. However, complete applications that do meet these criteria shall be approved by the Office of Compliance.

III. The Office of Compliance shall inform the requestor of his or her decision to grant or deny a request in writing within thirty days of receipt of the request. A copy of the grant or denial shall be transmitted to the County Comptroller for the purposes of monitoring compliance with the Living Wage Law.

IV. During such thirty day period, the requestor must continue to abide by the provisions of the Living Wage Law. Failure to do so may result in action by the Office of the Nassau County Comptroller to enforce the provisions of the Law.

e. Post-Award Review

I. After the County grants a waiver, if at any time during the term of the County Service Contract the requesting organization alters its budget or wages such that the organization no longer qualifies for a waiver of the Living Wage Law, the requesting organization must contact the County department with which it contracts and inform such department of such alteration.

II. If a County department is contacted in reference to such a change, the department must either:

Amend the County Service Contract in question to restore any funding subtracted from the contract as a result of a waiver of the Living Wage Law and receive from the Contractor a completed Certificate of Compliance; or

Terminate such Contract according to its terms.

a. The Living Wage Law shall not apply to those County Service Contracts which are entered into with any municipal corporation located within the County, any school district located within the County, and any special district located within the County.

b. County Financial Assistance Agreements and County Leases. The Living Wage Law shall not apply to a County Financial Assistance Agreement or a County Lease in the event that application of the law would conflict with the application of a federal, state or local law, rule, regulation or ordinance. For the purposes of this Rule, the Living Wage Law would not apply to a County Financial Assistance Agreement or County Lease where funding for the Agreement or Lease is derived from a Federal or state grant where the distribution of such grant funds to certain subrecipients is mandatory and non-discretionary.

See Living Wage Law, § 5 "Certification of Compliance"

7. Nassau County Employees

a. All Nassau County Employees are covered by the provisions of the Living Wage Law, provided, however, that Nassau County Employees covered by the collective bargaining agreement between the County and the Civil Service Employees Association are not entitled to receive the benefits supplement rate as the term is defined in the Law. The provisions of the Law also extend to paid interns hired by the County.

b. The Living Wage Law does not apply to volunteer workers utilized by the County pursuant to the County's authority to use volunteer workers under § 2105 of the Nassau County Charter. As such, the Law does not cover unpaid interns utilized by the County.
