# **EXECUTIVE SUMMARY**

### **OVERVIEW**

The Office of Management and Budget (OMB) is pleased to issue the April 2016 Financial Report. This overview is designed to provide the reader with some perspective regarding the information contained in the report which projects operating financial results on a budgetary basis, in comparison to the County's Adopted Budget. During the 2015 Budget Adoption process, an agreement was reached with the Nassau County Interim Finance Authority (NIFA) to achieve structural balance in 2018.

The County acknowledges that it continues to project a deficit by NIFA's standards, which excludes other financing sources, in each year until 2018. The NIFA control period will likely need to be extended through that time, as the County plans to use transitional borrowing to substantially fund tax certiorari refunds and other judgments and settlements, until it can bring its operating expenditures in line with its operating revenues and produce a balanced budget. Proceeds from these borrowings, which requires approval by NIFA, do not constitute revenues in accordance with Generally Acceptable Accounting Principles (GAAP).

Sound fiscal management has enabled the Administration to counter the extreme challenges of rising costs and revenue shortfalls. The County continues to be successful in its workforce reduction efforts by limiting the backfilling of vacant positions emphasizing revenue generating positions. Because of layoffs and voluntary separation incentive programs dating back to 2011, fulltime headcount for the major funds at the end of April 2016 was 7,256 employees compared to 7,861 employees at the end of December 2011, representing a reduction of 605 employees.

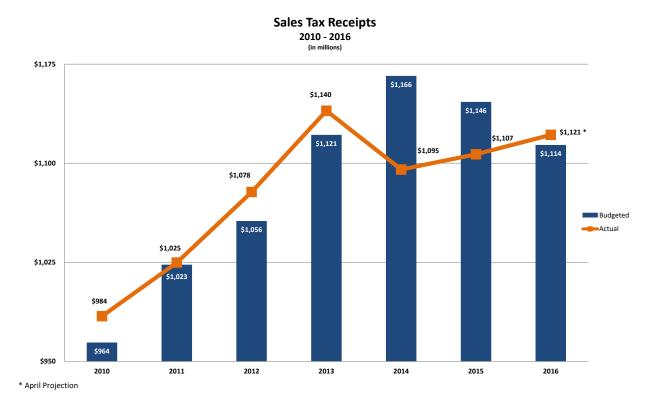

Despite these efforts, along with previous initiatives, reforms and a projected year-end surplus for 2015, the County continues to face fiscal challenges in 2016. The County's 2016 Adopted Budget includes revisions made that incorporates \$81.3 million of risks identified by NIFA. The County is adhering to monitoring requirements imposed by NIFA to address these risks as a condition for NIFA approving the County's 2016 – 2019 modified Multi-Year Plan. In terms of NIFA's monitoring requirements, the County is setting benchmarks by identifying \$20 million of savings or budgetary cuts at the beginning of each quarter, so that any variance can be closely monitored on a quarterly basis by NIFA. If at any time during 2016, NIFA determines that County revenues fail to meet expectations or County expenditures exceed projections, "NIFA may limit approval of or reject expenditure requests" including contracts, new hires and capital expenditures. As requested by NIFA, the Q1 & Q4 reserves were submitted prior to January 1st The County successfully achieved the Q1 reserve by modifying its borrowing plan, refunding bonds, and reducing departments' budgets. The \$20 million Q2 reserve is comprised of the following: Growth in sales tax consistent with the 2016 Proposed Budget and increased State Transportation Operating Assistance ("STOA") funding approved in 2016-17 NYS Budget. At the beginning of

the Q4, the County must substantiate the previously submitted Q4 reserve. The Q4 reserve assumes that revenue from fee increases will be achieved along with expenditure savings.

NIFA recently reduced their \$81.3 million of identified risk to \$19.0 million which will be addressed with various positive variances at the beginning of the third quarter.

The County's sales tax growth rate for the first quarter is 5%. As a result, it is reasonable to project that the growth rate for the year will exceed the 1.26% growth rate assumed in the Adopted Budget. Therefore the \$10.7 million risk identified by NIFA has been alleviated. The projections include a 2% growth for 2016 sales tax which includes a conservative remaining 1.25% growth for the last three quarters when compared to the same period for 2015. The County is experiencing a growth in home sales of 9% this upswing should bode well for sales tax receipts going forward.

As of April 30, 2016, the County is projecting a surplus of \$6.9 million, of which \$3.6 million is projected to be placed in designated fund balance in the debt service fund and utilized over the next three years. The major components of the projected surplus through April are the following: \$7.9 million of sales tax receipts in excess of budget; higher projected state and federal aid reimbursements of \$6.7 million mainly associated with a higher amount of State Transportation Operating Assistance (STOA) for operating the County's Bus Transportation system and increased funding attributable to the County's Day Care Program; \$5.6 million in interest expense savings due to the recent refinancing of various outstanding County debt; and \$3.9 million of Salaries &

Fringe Benefit savings primarily due to vacancies and lower health insurance enrollments; \$2.8 million in OTPS expense savings attributed to revoked funding; and \$0.5 million lower costs due to lower Social Service caseloads.

These favorable items are projected to be offset by an estimated \$12.0 million of lower profits flowing through to the County in connection with the County's interest in a Video Lottery Terminal Machine facility through the Nassau Regional Off-Track Betting Corporation; lower than projected Fare Box revenues of \$3.8 million associated with the County's Bus Transportation System; and an anticipated shortfall of \$3.1 million in Rents & Recoveries primarily related to a lower than anticipated sell-off of various County properties and higher contractual costs of \$2.3 million mostly attributable to the above mentioned service increase in the County's Bus Transportation System.

#### **EXPENDITURE RESULTS**

### Salaries, Wages & Fees

OMB projects Salaries, Wages & Fees to be \$863.2 million, a \$0.9 million surplus when compared with the 2016 Adopted Budget amount of \$864.1 million. A surplus is projected primarily due to vacancy savings.

### Headcount

The full-time headcount for the major funds as of April 30, 2016 was 7,256 positions. The headcount reductions represent a decrease of nearly 21.0% when compared to the number of positions in the 2009 Adopted Budget.

### Overtime

Through April 30, 2016, the Police Department and the Sheriff/Correctional Center incurred approximately \$13.9 million and \$3.0 million in overtime expense, respectively. The projection for 2016 assumes that the Police Department will be on budget, while the Sheriff/Correctional Center should finish with a \$1.5 million deficit, to be compensated with other salary savings within the department.

#### **Fringe Benefits**

The 2016 Adopted Budget for Employee Benefits including Workers' Compensation provided for the five major funds is \$546.8 million. This includes a variety of expenses, the largest of which are employee and retiree health insurance, pensions and the County's portion of the FICA payroll tax. Fringe Benefits (including Workers Compensation) for 2016 are projected to be \$543.9 million, a \$3.0 million savings from the 2016 Adopted Budget, primarily attributable to lower than budgeted health insurance costs due to vacancies and lower FICA payroll taxes. See the selected Fringe Benefits (AB) schedules immediately following the departmental tables for more details regarding current projections on some of the more significant fringe benefit items.

#### **Interest Expense**

OMB projects Interest Expense to be \$104.8 million, a \$5.6 million surplus when compared with the 2016 Adopted Budget amount of \$110.3 million. A surplus is projected primarily due to lower interest rates in connection with refinancing various County debt.

### **Purchased Services**

OMB projects Purchased Services to be \$67.9 million, a \$2.0 million deficit when compared with the 2016 Adopted Budget amount of \$65.9 million. A deficit is projected primarily due to a higher number of caseloads in the daycare program offset by additional federal funding.

### **Emergency Vendor Payments**

OMB projects Emergency Vendor Payments to be \$49.0 million, a \$2.0 million surplus when compared with the 2016 Adopted Budget amount of \$51.0 million. A surplus is projected primarily due to lower than anticipated billings from the NYS Office of Children and Family Services (OCFS) for youth placed in State operated residential facilities due to a declining number of youth placed in these facilities.

#### **REVENUE RESULTS**

#### **Fund Balance**

OMB projects the potential to utilize a portion of the year 2015 budgetary surplus for service increases in connection with the operations of the County's Bus Transportation system.

#### **Rents & Recoveries**

OMB projects Rents & Recoveries to be \$54.1 million, a \$3.1 million shortfall when compared with the 2016 Adopted Budget amount of \$57.2 million. A shortfall is projected primarily due to a projected lower amount of Sales of County property than originally anticipated.

#### **Payment in Lieu of Taxes**

OMB projects Payment in Lieu of Taxes to be \$40.6 million, a \$10.1 million shortfall when compared with the 2016 Adopted Budget amount of \$50.7 million. A shortfall is projected primarily due to a budgetary re-allocation between PILOTS and Property Taxes which had the effect of overstating budgeted PILOTS in the Major Funds resulting in a shortfall when compared with actuals.

#### **OTB Profits**

OMB projects profits from OTB operations to be \$3.0 million, a \$12.0 million shortfall when compared with the 2016 Adopted Budget amount of \$15.0 million. Recently, NYS passed legislation to transfer OTB's authority to install 1,000 Video Lottery Terminals (VLT's) to Genting New York LLC, a firm that operates the Resorts World Casino at Aqueduct Racetrack.

As a result of this deal, profits flowing through to Nassau County are projected to be lower than originally anticipated.

### Federal Aid

OMB projects Federal Aid to be \$2.8 million higher than the \$135.0 million in the 2016 Adopted Budget primarily due to increased funding through New York State for the County's Day Care Program.

### State Aid

OMB projects State Aid to be \$4.4 million higher than the \$211.8 million in the 2016 Adopted Budget primarily due to the following: increased funding in the State Transportation Operating Assistance (STOA) grant for increased service; settlements of prior period Early Intervention Reimbursement Claims pursuant to a NYS program and excess settlements on 2013 & 2014 Juvenile Delinquent Care receivable amounts. These favorable items are partially offset by lower anticipated receipts in connection with an excise tax on the sale of medical marijuana.

### Sales Tax

OMB projects Sales Tax to be \$7.9 million higher than the \$1.114 billion in the 2016 Adopted Budget primarily due to higher than anticipated collections. Projected amounts assume a growth rate of 1.23% over 2015 on collections subsequent to May 13, 2016, exactly one-half of the year-to-date 2016 growth rate of 2.46%.

### **Property Tax**

OMB projects Property Tax to be \$814.8 million, a \$10.2 million surplus when compared with the 2016 Adopted Budget amount of \$804.6 million. A surplus is projected primarily due to a budgetary re-allocation between PILOTS and Property Taxes which had the effect of understating budgeted Property Taxes in the Major Funds resulting in a surplus when compared with actuals.
