

Nassau County Department of Social Services is seeking Part-time caseworkers for a maximum of 34¾ hours bi-weekly. The hours are during the evening and on the weekends. This position requires 7 weeks of full-time mandatory training over a 6-month period in Rensselaer, NY.

Candidates:

- must possess a driver license and have an available car for field work/home visits.
- will be able to transport children for placement if needed.
- will attend all training courses and staff meetings as necessary.
- will prepare all case notes, written and oral reports as needed.
- will make reports of suspected child abuse and/or neglect reports as needed.
- will follow the directives of their supervisor.
- must have some knowledge of the basic principles of economics, sociology, psychology, and other social and behavioral sciences.
- must have some knowledge of individual and group behavior and effective ways of working with people.
- must have some knowledge of current social, economic and health problems.
- must have the ability to establish and maintain rapport with children and adults who are physically, mentally, socially, or economically handicapped.
- should be a quick learner with strong verbal and written communication skills.
- must have a Bachelor's degree from a regionally accredited or New York State registered college or university.

Applicants must be current Nassau County residents for a minimum of 1 year. Selected candidates are subject to fingerprinting and background check for which the candidate must pay a \$75 fee to the Nassau County Civil Service Commission and a \$25 fee to NYS Office of Children and Family Services.
