introduces

### COVID-19 Community Task Force

The **task force will help Nassau County residents and businesses** address the COVID 19 legal issues that they are facing. The volunteer attorneys will be available on a **consultation basis only** and will not be able to represent the individual in court or in any legal proceedings.

Reach out To NCBA With Your Legal Questions. A Staff Member Will Be In Touch To Direct You To A Volunteer Attorney Skilled In That Area Of Practice.

If you or someone is seeking NCBA's assistance please email [reception@nassaubar.org](mailto:reception@nassaubar.org)
